- 1.01.2 Exclusive recognition means that the school board will not deal with any other organization, or any individual, in a manner or for a purpose inconsistent with the terms of this agreement. Individual contracts of employment with members of the bargaining unit shall in all respects be consistent with this agreement, which shall be deemed incorporated by reference in such individual contracts.
- 1.01.3 For the purpose of this recognition, the “teaching staff” shall be defined as all certificated teaching personnel employed or on leave by the Board, including pre-school teachers, except:
- a. the Superintendent, Assistant Superintendents, principals, assistant principals;

After such sixty days of service in one specific position, the substitute teacher shall be paid in accordance with the salary schedule(s) set forth in this Agreement and shall be entitled to all the economic fringe benefits of this Agreement. However, substitute teachers shall not be covered by the job security and employment rights articles of this Agreement unless the substitute teacher is entitled to regular contract status under state law.
- 1.01.4 Bargaining unit employees shall be referred to in this Agreement as “certificated employees.” The Board in its sole discretion may determine or redetermine whether to employ a certificated employee(s) on a supplemental contract(s) for athletic directors’ duties or to assign such duties to an administrator(s) outside the bargaining unit.

To be

excluded hereunder, an employee must spend no less than one-half time as an administrator.

1.02 **Length of Recognition:**

- 1.02.1 Teachers have the right to join, or refrain from joining, any organization for their professional or economic improvement and for the advancement of public education.
- 1.02.2 No reprisal of any kind shall be taken against any participant in negotiations with the administration or the Board by reason of such participation or against any bargaining unit member in the lawful exercising of his/her rights under the law or this contract.

1.03 **Association Rights:** Exclusive recognition shall entitle the WEA to the following organizational rights:

- 1.03.1 Use of existing bulletin boards for WEA information, provided that such material is signed by authorized representatives of WEA;

- 1.03.11 Names and addresses of newly employed professional staff members shall be provided to the Association following Board approval of their contract.
- 1.03.12 The Association shall have the right to participate in the initial planning and orientation meeting for new professional staff members.
- 1.03.13 The Board shall authorize up to a maximum of an aggregate of thirteen (13) teacher days of absence in 1999-2000 without loss of pay per year (September 1st through August 31st) to official delegate(s) elected to represent the Association or chosen to serve on programs or in official representative capacity at Association meetings, conferences, or conventions. Such leave may not be used for meetings, conferences or conventions of any other teacher organizations. To be valid, a request for use of this leave must be submitted by the President of the Association to the Superintendent or his designee 48 hours in advance. Such leave shall not be deducted from any other leave for which the individual may be eligible.
- 1.03.14 A total of five (5) unused Association Days shall be rolled over to the next school year upon notification to District Treasurer. All rolled over days must be used by June 30th of the next school year. Any unused rolled over days not used by the end of the next school year will be lost if not used by June 30th.

- 1.04.1 The Wapakoneta City Board of Education shall enter into negotiations with the WEA for the purpose of achieving a signed master agreement covering wages (including fringe benefits), hours, and terms and conditions of employment.
- 1.04.2 Both parties agree to conduct negotiations in "Good Faith." "Good Faith" requires that the Association and the board be willing to react to each other's proposals with the intent of reaching agreement. If a proposal is unacceptable to one of the parties, that party is obligated to give its reasons and offer counterproposals or reject proposals and to provide reasons to their proposals and counterproposals, but nothing herein shall require either party to agree or to make concessions. "Good Faith" does not mean that either negotiations team is given authority to make final commitment for the board or Association.

- 1.05.1 Upon written request, each party shall provide the other within two weeks, information and data which is relevant to subjects of bargaining. However, personal notes and/or rationale developed to support proposals shall not be divulged as part of a proposal or as otherwise may be released by the respective parties.

Representatives of the parties shall schedule the first bargaining session within fourteen (14) calendar days of the receipt of the request to negotiate.

1.07 **Composition of Bargaining Teams:**

- 1.07.1 The WEA shall, without restriction, select those individuals who shall compose the WEA bargaining team, the total not to exceed five (5).
- 1.07.2 The Wapakoneta City Board of Education shall, without restriction, select those individuals who shall compose the Board's bargaining team, the total not to exceed five (5).

- 1.08.3 No new items shall be added during the bargaining period unless mutually agreed to by the WEA and the Wapakoneta City Board of Education bargaining teams.
- 1.08.4 All negotiations shall be concluded in executive sessions exclusively between said representatives unless the parties mutually agree to waive this provision.

1.08.5 Upon request of either party, the bargaining session shall be recessed to permit the requesting party to caucus for a period of time not to exceed thirty (30) minutes unless extended by mutual agreement.

1.08.6 Each party separately may select a recording secretary to be present to take summary notes of the meetings. Such notes shall be unofficial and only for the information of that party's negotiations committee. The presence of a secretary shall not constitute one of the members of the party's bargaining team.

1.10 **Final Agreement:**

Upon approval by both the WEA and the Wapakoneta Board of Education, two copies of the total agreement shall be signed by the President of the Wapakoneta City Board of Education and the President of the WEA. Both parties shall retain a signed copy of the final agreement which shall be binding upon both parties. The final draft of the Negotiated Agreement shall be e-mailed to each bargaining unit member. Bargaining unit members who desire a hard copy of the Agreement shall have the right to print the hard copy on District printers.

If there are no names acceptable on this list to one of the two parties, that party may request a second list. The parties shall alternately strike a name until one remains, and that person shall serve as the impartial third party. The party striking first shall be determined by lot. Costs which may be incurred in securing and utilizing AAA shall be shared equally by the Board and the Association.
- 1.11.4 The arbitrator shall have the authority to schedule and conduct meetings for the purpose of hearing testimony and gathering facts relative to the impasse. Upon completion of such hearings, the arbitrator shall submit written findings of facts, reasoning, and recommendations for resolution of the impasse and shall cause the same to be reported to the parties within fifteen (15) days. ARTICLE 4 – GRIEVANCE PROCEDURE

4.01 **Purpose:**

The purpose of this grievance procedure shall be to secure at the lowest possible level, equitable solutions of grievances.

4.02 **Definitions:**

- 4.02.1 A grievance shall be defined as a claim of a teacher, group of teachers, or the Association that a provision of the bargained contract has been misinterpreted, violated, misapplied, or infringed upon. A teacher may bring a grievance on behalf of himself and all other teachers similarly situated in the facts and circumstances giving rise to the class grievance are substantially the same for teachers in the class. The WEA may bring a grievance on behalf of an individual bargaining unit member, group of members or for any alleged complaint pertaining to rights, power, or authority granted by the Master Agreement to the WEA.

4.02.2 The term “grievant” or “aggrieved” shall include all members of the bargaining unit, any group of members acting as a class, the Association itself acting on behalf of itself or for any member or group of members of the bargaining unit. “Days” as used in this procedure shall be any day Monday through Friday exclusive of negotiated or school observed or federally recognized holidays. “Representation or representative” as provided for in this section shall be: any member of the Association or its affiliates chosen by the aggrieved, legal counsel for the aggrieved, or any other person of the aggrieved’s choosing, except that the aggrieved may not be represented by an officer or employee of any teachers’ organization other than the recognized Association.

4.03 **Time Limits:**

Grievances shall be processed rapidly. The number of days indicated at each level of the established procedure shall be maximums, unless extended by mutual consent of the parties involved at each level. If the grievant fails to meet time maximums at any level of the procedure, the grievance shall be considered waived.

4.04 **Communications:**

All written requests, grievances, relief sought, and grievance dispositions as called for in the procedure shall be sent to the receiving party by certified letter or personal service at each level of the procedure. If service is personal service, the individual making such service shall indicate the time and date of service and affix his signature thereto.

4.05 **Rights of Grievant and Association:**

4.05.1 The grievant may represent himself at all stages of the procedure and/or have the right of representation.

4.05.2 A grievant shall have the right to present a claim in accordance with the procedure described herein, free from interference, coercion, restraint, discrimination, or reprisal.

4.05.3 A grievant must use the grievance procedure to assert any claim of an alleged violation of this Agreement. However, this procedure does not deny a grievant his or her legal rights to assert a claim other than through the grievance procedure if the claim is based on a legal right separate and apart from this Agreement.

4.05.4 The fact that a grievant files a grievance shall not be recorded in the grievant’s personnel file or in any file used in the transfer, assignment, or promotion process; nor shall such fact be used in any recommendation for reemployment or recommendation for other employment; nor shall the grievant be placed in jeopardy or be the subject for reprisal or

discrimination for having followed or utilized this Grievance Procedure. If an aggrieved party is not represented by the Association, the Association shall have the right to be present, offer testimony and to otherwise state its views at all stages of the grievance procedure. If a grievance appears to arise from the actions of an authority higher than the immediate supervisor and/or affects a group of members or the Association, it may be submitted at Level 2 described herein.

- 4.05.5 If, in the judgment of the Association, a grievance affects a teacher, group of teachers, or the Association, the Association may initiate and submit such grievance in writing to the Superintendent directly, and the processing of such grievance shall be commenced at Level 2. Class grievances involving more than one supervisor and grievances involving the administrator, above the building level may be filed by the Association at Level 2. In matters dealing with alleged violations of Association rights, the grievance shall be initiated at Level 2.
- 4.05.6 The Association on its own may continue and submit to arbitration any grievances filed and later dropped by a grievant, provided that the grievance involves the application or interpretation of the Agreement. If the Association proceeds in the place of the grievant, the arbitrator's award shall be limited to the applicability or interpretation of the contract and no further remedy shall be awarded to or in behalf of said grievant.
- 4.05.7 The President of the Association or his designee and the grievant shall receive prior notice of each meeting held to resolve a grievance formally filed.
- 4.05.8 Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. Formal hearings held under this procedure shall be structured so that due process under the circumstances is accorded both sides. Each hearing shall have provision for initial presentation of grievant's case, presentation of administration's case, cross-examination and/or questioning, and final summaries, with either party having the right at its option to waive any or all of the foregoing.
- 4.05.9 Nothing in this contract shall bind the Association from exercising discretion in resolving to pursue or not to pursue a grievance at any level.
- 4.05.10 A grievance may be withdrawn at any level without prejudice or record.

- 4.05.11 The Board, the administration, and the Association will cooperate with the investigation of any grievance and further will furnish the Association and the Board and/or the administration such information as is requested for the processing of any grievance. If an administrator or other Board representative schedules a meeting with the grievant or Association representatives during the regular teacher work day in the processing of a grievance, the teacher(s) involved in the meeting shall be released from their regular assignment(s) without loss of pay or benefits.
- 4.05.12 Every effort shall be made to avoid scheduling arbitration hearings during regular school hours, but if an arbitration hearing is scheduled during regular school hours, teachers whose presence is required at the hearing shall be released without loss of pay or benefits to attend the hearing.

4.06 **Informal Level:**

- 4.06.1 The grievant shall first discuss the grievance with the grievant's immediate supervisor. Only the grievant and his immediate supervisor shall be present at such meeting unless both parties mutually agree to the presence of representatives. If the grievance cannot be resolved informally to the satisfaction of the grievant, the grievant shall have the right to initiate a formal grievance at Level I of the established procedure.
- 4.06.2 Any grievance not settled at an informal level shall be reduced to writing and shall state such relief sought.
- 4.06.3 Any grievance may be dealt with by the grievant seeing redress with the immediate supervisor; however, this informal procedure does not preclude the filing of any appropriate formal level.
- 4.06.4 If any grievance is not initiated at Level 1 or 2 within fifteen (15) school days after the grievant knew or could have known upon the exercise of reasonable diligence of the event or condition upon which it is based, the grievance shall be considered waived, and may not be processed as such. However, if a condition is recurring, the fifteen (15) day time limit will be applied to the most recent occurrence.

4.07 **Level 1:**

- 4.07.1 If the grievance is not resolved within ten (10) school days of such informal meeting, the aggrieved may present a formal claim to his or her immediate supervisor by submitting a completed Grievance Report Form, which shall specify the nature of the grievance, the precise article, section and sub-section of the master agreement which allegedly was misinterpreted, violated, misapplied or infringed upon, and the relief sought.

4.07.2 Within five (5) school days of receipt of the grievance, the immediate supervisor shall meet with the aggrieved and the aggrieved's representative(s), if elected by the aggrieved, and the Association's representative if such is not also the aggrieved's representative, in an effort to resolve the matter. Within three (3) school days the immediate supervisor shall indicate his/her rationale for and disposition of the grievance by completing the report form and returning it to the aggrieved and the Association.

4.08 Level 2:

4.08.1 If the grievant is not satisfied with the disposition of the grievance at Level 1 or if no disposition has been made within the limit set forth in Level 1, the grievant and/or the Association may within an additional five (5) school days file the grievance and the relief sought in writing to the Superintendent. Within five (5) school days after the filing of the grievance at Level 2, the Superintendent shall meet with the grievant (and/or his/her representative) and the Association's representative if other than the grievant's representative for the purpose of resolving the matter.

4.08.2 Within five (5) school days of this meeting, the Superintendent shall indicate in writing his rationale for and disposition of the grievance by completing his portion of level 2 and forwarding it to the aggrieved and the Association.

4.09 Level 3:

4.09.1 If the grievant is not satisfied with the disposition of the grievance at Level 2, or if no disposition has been made within the time limit provided, and with the approval of the Association, the grievant and/or Association may file the grievance and the relief sought in writing to the Treasurer of the Board of Education within seven (7) school days of receipt of the answer at Level 2 or if no answer is received at Level 2 within seven (7) school days from the date when the Superintendent should have answered the grievance.

4.09.2 Within ten (10) school days, unless extended by mutual consent of the parties involved, the Board shall hold a hearing with the grievant and/or his/her representative and the Association representative if such representative is not also the grievant's representative for the purpose of resolving the matter.

4.09.3 Within five (5) school days following the meeting, the Board shall give to the grievant its disposition and rationale for such disposition of the grievance in writing.

4.09.4 Upon mutual consent of the grievant and Board, Level 3 may be waived.

4.10 **Level 4:**

- 4.10.1 If the grievant is not satisfied with the Level 3 decision, he or she may request arbitration by filing a written request with the Association (with a copy to the Superintendent) within five (5) days of receipt of the Level 3 disposition of the grievance. The Association shall determine whether to appeal the grievance to arbitration, making such appeal by filing with the Superintendent a written notice of appeal to arbitration within ten (10) days of the grievant's receipt of the Level 3 disposition of the grievance. Any grievance not appealed to arbitration within the 10 day limit above shall constitute waiver of such grievance.
- 4.10.2 The parties may mutually or individually request the American Arbitration Association to submit the names of at least seven candidates to serve as arbiter. Selection and hearing shall be in accordance with the voluntary rules and regulations of the AAA. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. If both parties agree, another list may be requested.
- 4.10.3 The arbitrator may not add to, alter, or delete from the terms of the bargained contract. The arbitrator shall have such power and authority as may be required to render an award provided that no such award shall be contrary to law. The arbitrator's award shall be final and binding on both parties. In cases where the arbitrability of an issue is questioned, the matter of arbitrability shall be ruled upon by the arbitrator in an expedited fashion prior to a ruling by the arbitrator on the merits of the issue. The cost for the services of the arbitrator will be borne equally by the Board of Education and the Association. However, the WEA shall not be assessed any costs of arbitration unless the WEA and the grievant or grievants have initially filed the grievance in a joint action.

- 5.01.3 This section shall not preclude a voluntary or involuntary transfer made after the last Friday of May.

5.02 **Transfer and Reassignment:**

- 5.02.1 **General** – In the determination of teacher or administrator initiated reassignment and/or transfer, the convenience and wishes of the individual teacher will be honored to the extent that they do not conflict with the instructional requirements and best interests of the school system.
- 5.02.2 **Voluntary** – A teacher may at any time request a transfer/reassignment by submitting such a request on a form provided by the Superintendent. All such requests shall expire September 30 of each year.
- 5.02.3 **Special Education Transfers:**
- a. A teacher who has been employed by the Board and assigned to a special education position for five (5) full school years may request reassignment to a vacancy for which the teacher is qualified. The Superintendent may not deny the request unreasonably, arbitrarily or capriciously. “Special education” teachers are those assigned as developmentally handicapped, learning disability or speech and hearing teachers.
 - b. A teacher who has been reassigned out of special education pursuant to paragraph (a) above may be reassigned to special education after five (5) full school years of assignments out of special education, except during a reduction in force.
 - c. The Superintendent may but need not grant the requests of more than two special education teachers under paragraph (a) above per school year. If more than one special education teacher whose request for reassignment would otherwise be approved applies for a particular vacancy, the special education teacher who has had the longest continuous assignment to special education shall have priority.
- 5.02.4 If a teacher has requested immediate transfer/reassignment and no vacancy exists but the transfer/reassignment is not approved by the Superintendent, the Superintendent or his designee shall notify the staff member within five (5) working days in writing stating the reasons for denial of the requested transfer/assignment. However, the request shall be retained by the Superintendent for consideration under the vacancies posting provisions of this agreement until an appropriate vacancy occurs or the request expires whichever comes first.

5.03 **Involuntary Transfer/Reassignment:**

- 5.03.1 If an involuntary transfer or reassignment of a teacher is caused by a reduction in force, closing of one or more classrooms in a building, or a change in curriculum, the administration will determine which teacher(s) is (are) to be transferred after considering the teachers' area(s) of certification, continuous length of service as a regular contract teacher in the District, legal requirements, and other relevant factors. If the Superintendent determines that two or more teachers are equally well qualified in view of all such factors, the teacher with the greatest seniority in the District shall be given the choice of assignment or transfer.
- 5.03.2 Professional staff members subject to involuntary transfer/reassignment shall be offered a choice of available assignments if more than one exists for which they may qualify at the time any transfer/reassignment is being considered. If a teacher is to be reassigned, the administration through the teacher's principal shall make every effort to notify the teacher of the new assignment prior to the last day of the school year.
- 5.03.3 A conference shall be held between the professional staff member and the building principal explaining the reasons a transfer of the individual is being considered. The professional staff member shall be given a written statement of these reasons at this time as well as the specifications of the new assignment including:
- a. subject(s) and/or grade(s) to be taught.
 - b. building name in which the professional services are to be performed.
- 5.03.4 Any professional staff member subject to an involuntary transfer/reassignment after July 10 shall be permitted to resign without prejudice. Neither the superintendent nor the board shall request a suspension or removal of the staff member's teaching certificate should that person choose to resign. The administration shall give a recommendation of said professional staff member which is unbiased by the resignation.
- 5.03.5 Except where involuntary transfer or reassignment of a teacher is caused by a reduction in force, closing of one or more classrooms in a building, or a change in curriculum, nothing herein shall be construed as limiting the Superintendent's authority to reassign certificated employees under Section 3319.01 of the Ohio Revised Code.
- 5.03.6 Professional staff members who have had their full assignment involuntarily transferred to a different building shall be granted two (2) paid release work days to move to the different building.

5.04 **Vacancy Posting & Selection Procedure:**

- 5.04.1 The Superintendent shall prepare a list of all vacancies and newly-created positions in teaching, administration, special service, and extra-curricular duty positions in Wapakoneta City School District. This list shall be posted in each building as positions become available when school is in session, except – when school is not in session, all vacancies and newly-created positions shall be posted in the Central Administration Offices on Gardenia Drive. The qualifications necessary for filling each vacancy or newly-created position shall be specified and posted in the same manner.
- 5.04.2 The list shall include the following information:
- a. Position(s) available.
 - b. Requirements for job.
 - c. Deadline for application.
 - d. Effective starting date.
 - e. Any pertinent information.
- 5.04.3 Notices of vacancies will be emailed to teachers, lists of vacancies will be posted on the School District's Web Site, and notification placed on the memo line of pay stubs. However, whenever possible, such notices shall be mailed to requesting professional staff members along with their regular paycheck.
- 5.04.4 The Association president shall be emailed a copy of each of the list(s) of vacancies and/or newly-created positions.
- 5.04.5 Employees of Wapakoneta City School District desiring to be considered for such vacancies shall apply on forms prepared by the superintendent, or his designated representative, and supplied to employees upon request by the superintendent or building principals.
- 5.04.6 Applications must be submitted within five (5) days excluding Saturdays, Sundays, and holidays, of the posting of each vacancy or newly-created position.
- 5.04.7 No administrator shall take action to interview any individual until after the posting of written notice that a vacancy or newly-created position exists. No employment shall be made until the sixth day following the posting of such vacancy or newly-created position.

5.04.8 The decision that a vacancy exists and whether to fill a vacancy is the exclusive determination of the Superintendent. The Superintendent may make temporary assignments or reassignments, or may assign substitutes, to provide the desired services or coverage before filling a position on a long-term (not more than one semester) basis. The Superintendent may determine that there is no vacancy when a regular teacher is using paid leave or has been granted an unpaid leave of absence by the Board. Nothing in this Article requires that a position be filled because it is posted nor precludes the employment of a teacher from outside the District to fill a position. Only procedural compliance with this Article may be the subject of a grievance. In selecting a candidate to fill a vacancy the following criteria shall apply:

- a. Individual qualifications.
- b. Instructional requirements.
- c. Staff availability and experience.
- d. Special criteria established by the administration to achieve staff balance or better staff utilization.
- e. Where the foregoing factors are equal the preference in assignment or transfer shall be given to the applicant with the greatest seniority.

5.04.9 The superintendent or his designee shall confer with a teacher denied a transfer or opening at the latter's request.

5.05 **This procedure applies to non-OTES teachers.**

Evaluation:

5.05.1 **Evaluation Process Components:**

- a. **Casual Observation** – An observation of the teacher in a professional setting which is either unplanned or short in duration. To be considered a part of the formal evaluation the casual observation must be discussed with the teacher in accordance with this Article.
- b. **Formal Observation** – A classroom visit which is designed to provide the administrator with information about the teacher's performance in relation to the instructional program. The visit shall be of sufficient length to watch the complete development of the lesson and a minimum of 30 minutes. A written report will be provided on the prescribed form.

- c. **Observation Conference** – A meeting between the administrator and teacher to review and discuss the observation.
- d. **Evaluation** – A written summative report designed to communicate the administrator’s assessment of the teacher’s professional performance, recommendations, and specific recommendations for any improvements needed.

- f. **Administrator** – For the purposes of this Article, administrator shall include Superintendent, Assistant Superintendent/Business Manager, Supervisor, Curriculum Coordinator/Director of Instruction, building principal and full-time assistant building principal.

5.05.2 **Performance Expectations:**

- a. At the beginning of each school year (prior to October 1), the administrator shall acquaint all teachers of the school district’s performance expectations, evaluation procedures, criteria, and instrument which may subsequently be used in the evaluation process, and will clearly set forth in writing and distribute to all teachers who have not previously received such performance expectations and evaluation procedures, criteria and instruments.
- b. Prior to the first formal observation, the administrator shall hold an individual pre-conference during which each teacher will provide the evaluating administrator with an explanation of his/her plans and objectives for that class. The teacher will be notified of the first formal observation prior to the scheduled observation.

5.05.3 **Fair Consideration of Work Effort:**

- a. No teacher shall be evaluated on his/her classroom performance except after observations of the classroom work of the teacher by a designated building administrator.
- b. Teachers shall not be observed for the purpose of a formal observation on the day before or after a holiday recess, on the day after an absence due to illness, bereavement leave or court leave, on the day after a calamity day, or on the first or last day of a marking period. This does not preclude a teacher from requesting to be evaluated on such a day. If an

observation/observation conference or evaluation conference must be rescheduled due to any of the above exceptions, the timelines set forth in the evaluation procedure shall be extended up to three (3) days.

- c. All bargaining unit members will be assigned one primary evaluator. The Superintendent shall determine the primary evaluator for teachers who have responsibilities in more than one building and shall inform them of such assignment.
- d. Casual observations are recognized as part of the evaluation process and any casual observation noted by the evaluator must be noted and discussed with the teacher within two weeks following the casual observation. No casual observation may become a part of the evaluation unless the evaluator has discussed the casual observation with the teacher prior to the evaluation conference and evaluation report. The teacher has the right to attach a written rebuttal to the casual observation and such will remain a physical part of such casual observation.

- 5.05.4 Teachers on a limited contract whose limited contract is up for renewal will be observed at least four (4) times during the school year with the following timelines: first and second observations by February 15; first evaluation conference by February 25; third and fourth observations by April 1; second evaluation written report and conference by April 10.
- 5.05.5 Teachers on a limited contract whose contract is not up for renewal will be observed at least once during the school year and will receive a written report to be followed by an evaluation conference.
- 5.05.6 Teachers on a continuing contract may be evaluated at least once every five (5) years. The evaluation of a teacher on continuing contract shall consist of at least one (1) observation and a written report to be followed by an evaluation conference.
- 5.05.7 Each observation will be for at least 30 minutes, in the subject area concerned in order to watch the complete development of the lesson, consisting of opening, development and closure, which shall be recorded on the agreed upon instrument as in Appendix A of this contract. The observer shall have ten (10) school days in which to write any recommendations and assistance plans for deficiencies on the original observation and evaluation reports. Then the teacher shall have three school days in which to write a rebuttal on the original observation and evaluation reports. The final evaluation shall reflect the information contained in the teacher's observation reports.

- 5.05.8 The use of public address, or audio systems and similar surveillance devices for monitoring or observing the work performance of a teacher will be permitted only with the teacher's written consent.
- 5.05.9 A teacher may request additional classroom visitations by the evaluator or by any other qualified administrative personnel of the teacher's choosing within the school system.
- 5.05.10 Specific criticisms of a teacher made for the first time by an administrator will be written, dated and signed by the administrator and the teacher, but will be considered informal and will be noted as a first criticism and will be placed in the teacher's personnel file observing all terms and conditions in this contract pertaining to professional personnel files. Such an observation shall not be considered one of the number of formal evaluations to be conducted during the year. If after five (5) years there is no reoccurrence of same or similar criticism, such informal criticisms will be removed from the personnel file.
- 5.05.11 The procedure for evaluation, identified in Section 5.05 herein, will supersede the requirements of section 3319.111 of the Ohio Revised Code.
- 5.05.12 **Post Observation Conferences:**
- 5.05.12.1 A post observation conference will be held within ten (10) school days of the formal observation. The observation shall acknowledge the strengths, as well as the deficiencies, if any, and shall note all data used in support of the conclusions made by the principal. The administrator shall take into consideration and note in writing any circumstances which may adversely affect a teacher's performance such as class size, special learning disabilities, students, or physical facilities. Student test results shall not be used exclusively to evaluate teachers.
- 5.05.12.2 The teacher shall initial all observation forms. Initialing does not signify agreement or disagreement with the substance of such items. The teacher shall be provided with a true copy of the observation at the time of initialing.

5.05.13 Evaluation Conferences:

- 5.05.13.1 An evaluation conference will be held with the teacher in accordance with the timelines prescribed in 5.05.4 above to review the written summative report and to communicate the administrator's assessment of the teacher's professional performance, commendations and specific recommendations for any improvements needed.
- 5.05.13.2 All criticisms shall be supported with specific, written comments pertaining to direct observations by the administrator or supportable data.
- 5.05.13.3 Should deficiencies be recorded in the evaluation of a teacher, the administrator shall provide the teacher with a written report of the results of the teacher's evaluation that includes specific recommendations for any improvements needed in the teacher's performance, suggestions for professional development that will enhance future performance in areas that do not meet expected performance levels, and information on how to obtain assistance in making needed improvements.
- 5.05.13.4 The evaluated teacher shall initial all evaluation forms. Initialing does not signify agreement or disagreement with substance of such items. The teacher shall be provided with a true copy of the evaluation at the time of initialing.

5.05.14 Miscellaneous:

- 5.05.14.1 The Observation/Evaluation Instrument is incorporated herein as Appendix A and Appendix B.
- 5.05.14.2 This evaluation procedure shall supersede and replace the provisions of O.R.C. 3319.111. The provisions herein shall not create an expectancy of reemployment in the District and failure to comply in full or in part with any of the above shall not void an otherwise lawful non-renewal of a teacher's limited contract as provided by law.
- 5.05.14.3 The Superintendent and the Association President may mutually agree to adjust the timelines noted above for administrator and/or employee absences. The evaluation requirements may be waived at the sole discretion of the Superintendent for employees who are on extended leaves of absence.

5.05.14.4 **Evaluation of Limited Contract Teachers**

Teacher evaluation for limited contract teachers shall be in accordance with the above procedure and related statutes prescribed in H.B. 153 which prescribe teacher evaluation procedures. Teacher observation and evaluation forms are attached as Appendices A-1 and A-2.

5.05.14.5 **Evaluation of Continuing Contract Teachers**

Teacher evaluation for continuing contract teachers shall occur at least once every five (5) years and shall consist of a minimum of one (1) observation and a minimum of one (1) evaluation. Upon mutual agreement between the evaluator and the teacher, the collaborative evaluation process and forms prescribed in Appendix B (Track B) may be used in lieu of this procedure.

5.06 **Nonrenewal:**

5.06.1 **Nonrenewal of Limited Teaching Contracts for Probationary Employees who have been Employed for Three (3) Years or Less:**

5.06.1.1 Limited contract teachers who have been employed for three (3) or fewer years shall be notified in writing by the Superintendent by May 1st that they will not be recommended to the Board for rehiring for the next school year. Prior to May 10th, and prior to Board action on their contract, such teachers will notify the Board of their intent to meet with the Board in executive session with representation or to decline this meeting. The Board must grant this request and schedule the meeting by May 25th and prior to contract nonrenewal. Teachers whose contracts are nonrenewed shall receive written notice from the Board not later than May 31st.

5.06.1.2 This nonrenewal procedure for teachers who have been employed for three (3) or fewer years supersedes all provisions of O.R.C. 3319.11, O.R.C. 3319.111, and O.R.C. §3319.112 and related statutes, and such teacher(s) shall have no right to challenge said nonrenewal pursuant to O.R.C. 3319.11, or in any other legal forum, including the grievance procedure, or in any administrative procedure under law.

5.06.2 **Nonrenewal of Limited Contract Teachers**

Nonrenewal of all other teachers not covered by Section 5.06.1 above shall be in accordance with O.R.C. §3319.11. However, a teacher who is in his/her fourth (4th) year of employment or longer shall only have his/her limited contract nonrenewed for just cause.

ARTICLE 6 – PROFESSIONAL PERSONNEL FILES

6.01 The personnel file of all professional staff members shall be maintained in the office of the Board. This shall be as confidential as permitted by law, and the only official file of recorded information of professional staff members maintained by the Board and administration. The principal of each building may maintain a personnel file on all professional staff assigned to that building and such principal's file shall be purged yearly.

6.02 Upon furnishing the personnel office or principal with prior notice, a teacher shall have the right to examine the contents of his/her personnel files, to be accompanied by another individual of his/her choice, and to receive at Board expense a copy of any or all documents contained therein. The examination of such file shall, at the discretion of the superintendent, be in the presence of the superintendent or his/her designee. Except as otherwise provided herein, no material may be removed from the file without the written consent of the superintendent or his/her designee.

6.03 All materials placed in the personnel file(s) of the professional staff member shall include the following:

6.03.1 the date the item was placed in the file;

6.03.2 initials and dates of the professional staff member in whose file the entry is being made and the initials of the administrator placing information in the file.

6.04 A professional staff member shall be notified of the intent of the administration to place in his/her personnel file (including personnel file(s) maintained by any building principal) any material which may be considered critical or complimentary of the conduct, performance, character or personality of the professional staff member and shall provide the opportunity to read any such material prior to its being placed in such personnel file. The professional staff member shall acknowledge that he/she has read and examined the material by affixing his/her signature to the copy to be filed. However, such signature shall not signify agreement or disagreement with the content of the material. The professional staff member shall also have the opportunity to reply to any such material in a written statement and his/her response will be reviewed by the appropriate personnel administrator at which time the administrative officer shall expunge the record of the disputed contents or include the rebuttal as part of the record.

- 6.05 Professional staff members shall be informed of any complaint by a parent, student, or any other person which is directed toward them if such will become a matter of record. The provisions above shall be applicable to such complaints.
- 6.06 Anonymous letters or materials shall not be placed in a professional staff member's file(s) nor shall they be made a matter of record.
- 6.07 If there is a request by the member of the public to review a teacher's personnel file, the teacher shall be given notice of the time and date when the person will review the file and the identity of the requesting person. The teacher and/or representative may be present at the time the file is reviewed by the requesting person.
- 6.08 The teacher shall have the right to indicate those documents in the personnel file(s) which he/she believes are obsolete or otherwise inappropriate to retain. After a joint review with the superintendent or his designee, materials deemed obsolete shall be destroyed. Information in the personnel file(s) may be removed upon mutual agreement of the professional staff member and the administrator making the entry or the Superintendent.
- 6.09 Disputes over the accuracy, timeliness, completeness or relevancy of such documents are grievable.
- 6.10 The professional staff member may submit letters of merit which shall be placed in his/her personnel file(s).

ARTICLE 7 – REDUCTION IN FORCE

- 7.01 To the extent possible, the number of persons affected by a reduction in force will be kept to a minimum by not employing replacements for employees who retire or resign or whose limited contracts are not renewed for performance reasons.
- 7.02 To the extent that reductions are not achieved through attrition or the non-renewal of limited contracts and when by reason of decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, closing or suspension of schools or territorial changes affecting the district, financial reasons, or changes in the curriculum, the Board of Education decides that it will be necessary to reduce the number of teachers, it may make a reduction in accordance with the provisions of this Article. Suspension of teaching contracts pursuant to the positions below for purposes of staff reduction due to substantial lack of financial resources shall occur only at the end of one school year or prior to the start of the next school year.
- 7.03 If staff reduction is deemed necessary for any of the above reasons and all other provisions of this section have been fulfilled, then the reduction shall be made as follows:

- 7.03.1 Suspension and/or renewal-suspension of contracts shall occur to nontenured teachers in the lowest evaluation rating category first and shall be on a last employed-first to be suspended by teaching field basis.
- 7.03.2 If the suspension of contract is necessary for any tenured teacher, this shall be on a last employed-first to be suspended by teaching field basis, within the lowest evaluation rating category.
- 7.03.3 Displacement rights shall be exercised by all teachers within their respective contract status (continuing contract – tenured or limited contracts). No teacher with a lower evaluation rating shall displace a teacher with a higher evaluation rating.
- 7.03.4 If a teacher has been required to obtain a temporary certification to meet the requirements of the current teaching assignment and also holds a provisional or higher certification in other teaching fields, that teacher shall be placed with the appropriate contract status group and according to seniority and provisional or higher certification areas shall have displacement rights.
- 7.04 In case of ties in seniority in the school district, the Board meeting hiring date will be used. If a tie still exists, the date the employee signed his/her first contract with the district will be used, and if a tie still exists, the greatest seniority will be determined by the flip of a coin.
- 7.05 Time when a member of the bargaining unit is on an unpaid leave of absence shall not count for the purpose of seniority but such authorized unpaid leave of absence shall not disrupt continuous employment.
- 7.06 When it becomes necessary to reduce staff a list shall be prepared and kept updated ranking all tenured teachers in the district by seniority, giving areas of certification and present teaching and building assignment; then all non-tenured teachers in the district by seniority, giving areas of certification, and present teaching and building assignment. The Association and each teacher whose contract is to be suspended (or nonrenewed-suspended) under provisions of this section shall receive a copy of said list at the time of notification of suspension or nonrenewal. Seniority shall be lost when a teacher resigns, retires or otherwise terminates employment with the district. Disputes over a staff member(s') seniority shall be subject to the provisions of the grievance procedure provided, however, that such a grievance must be filed within fifteen (15) calendar days of service of a copy of the seniority list on the teacher.
- 7.07 When staff reduction is necessary, the Board shall give notice to the intent to affect the suspension and/or renewal-suspension of contracts to all teachers so affected and to the Association at the earliest practicable time. Within ten (10) days of receiving said notice, the Wapakoneta Education Association shall be given the opportunity to address the board in an open meeting for the purpose of presenting, both orally and in writing, its views on the proposed reduction in force.

- 7.08 Staff members whose contracts are suspended (or renewed-suspended) under the terms of this section are to be considered as being on reduction awaiting recall and not as being terminated with the system.
- 7.09 Staff member(s) on reduction are to be recalled in reverse order of layoff when vacancies become available to which they are qualified or become qualified.
- 7.09.1 The recall list for laid-off teachers shall be maintained for a period of twenty-eight (28) months. Thereafter an employee on reduction shall lose his/her right to recall and his/her contract shall be considered terminated.
- 7.10 While a reduction continues, no substitutes or persons new to the system will be hired on regular contract basis to fill a vacancy except where:
- 7.10.1 There are no staff member(s) on reduction qualified to fill the vacancy position; or
- 7.10.2 All qualified staff member(s) on lay off decline the offer to fill the vacancy.
- 7.11 Staff member(s) on suspended contract reduction shall continue to accrue seniority during any period of reduction.
- 7.12 The Board shall give written notice of an offer of reemployment by sending a registered or certified letter to said teacher at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change of address or change in certification. The teacher's address and certification as it appears on the Board's records shall be conclusive when used in connection with an offer of reemployment or other notice to the teacher. If a teacher fails to accept the offer of reemployment in writing within fifteen (15) calendar days, or within five (5) days if the offer is mailed within ten (10) days prior to the start of a school year or semester, from the date said offer is mailed to the last known address of the teacher, said teacher shall be considered to have rejected said offer, and shall be removed from the reduction in force list.
- 7.13 A teacher on the reduction in force list shall, upon accepting an offer of reemployment, return to the system with the same seniority, accumulation of sick leave days and salary schedule placement as the teacher would have received in the year following receipt of notice of renewal/suspension.
- 7.14 Teachers will remain on the reduction in force list for a period of twenty-eight (28) months following their receipt of notice of renewal-suspension. If a teacher on a suspended contract accepts teaching employment for a full school year with another school district, the teacher shall so notify the administrative assistant for personnel immediately, and will be removed from the reduction in force list. After being removed from the reduction in force list, a teacher must make application for

employment in accordance with established procedures if they desire to be considered for employment by the Wapakoneta City School District.

- 7.15 The Board shall not contract out any work previously performed by staff member(s) in the bargaining unit unless where mutually agreed upon by the parties after due notice and consultation with the Association. This provision is not applicable to certificated positions now filled by noncertificated employees.
- 7.16 Suspension and nonrenewal for non reduction reasons—Nothing contained herein shall abridge the Board’s right to nonrenew a limited contract teacher for non reduction reasons or the right of the Board to suspend and terminate a teacher’s contract pursuant to Section 3319.16 of the Ohio Revised Code.

ARTICLE 8 – ELIGIBILITY FOR CONTINUING CONTRACT

- 8.01 Teachers shall be eligible for continuing contract status in accordance with O.R.C. §3319.11. A teacher eligible for continuing contract status must have on file with the Board of Education a copy of the following: 1) his or her professional or permanent certificate or 2) professional educator license and transcript(s) of coursework completed as required under O.R.C. 3319.08 at least one (1) week prior to the April meeting when the Board of Education expects to take action on contracts. However, the teacher must have given prior written notice of his or her anticipated eligibility for a continuing contract to the Superintendent of Schools delivered no later than September 30 in the school year in which they wish to be considered.

ARTICLE 9 – PAYROLL PROCEDURES

- 9.01 All members of the bargaining unit shall receive twenty-six (26) pays during the contract year. Direct deposit notices shall be e-mailed to bargaining unit members. The change to twenty-six (26) pays shall be effective with the 2012-13 school year.
- 9.02 Teachers must identify the financial institution of their choice, in writing, on the proper form, to the Treasurer of the Board of Education. Direct deposit of payroll shall be made on payday, and shall be dated on such payday. The consortium will make one wire transaction to one bank of employee’s choice per employee per payday.

9.03 **Dues Check-off and Deductions:**

9.03.1 Dues Deductions

The Association President or designee will provide to the Treasurer of the Board in writing the amount per person per pay to be deducted for dues deductions, and upon written authorization of the teacher submitted to the Treasurer of the Board, the Treasurer will begin to make such deductions within thirty (30) days of such notification and authorization. The Association President or designee may also provide such notification to

the Treasurer of the Board for certified employees hired after August of each school year, and the Treasurer will begin to make deductions within thirty (30) days of such notification and written authorization of the teacher.

9.03.2 Other Deductions

All other payroll deductions will be provided at no cost to the professional staff member if the staff member provides to the Treasurer in writing the amount of deduction per pay and the entity to remit to.

9.04 **Payroll Deduction of Fair Share Fee:**

9.04.1 The Board shall deduct from the pay of members of the bargaining unit who elect not to become or to remain members of the Wapakoneta Education Association, a fair share fee for the Association's representation of such non-members during the term of this contract. No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association's work in the realm of collective bargaining.

9.04.2 The Association President or designee will provide to the Treasurer of the Board in writing the amount per person per pay to be deducted for the annual fair share fee, which shall not be more than 100% of the unified dues of the Association, and the entity to remit to, and the Treasurer will begin to make such deductions within thirty (30) days of such notification. The Association President or designee may also provide such notification to the Treasurer of the Board for certified employees hired after August of each school year, and the Treasurer will begin to make deductions within thirty (30) days of such notification.

9.04.3 The Association represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09(C) of the Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join the Association and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.

9.04.4 Upon timely demand, non-members may apply to the Association for an advance reduction/rebate of the faire share fee pursuant to the internal procedure adopted by the Association.

- 9.04.5 The Association on behalf of itself and the OEA and NEA agrees to indemnify the Board, its members, officers, Treasurer, and employees in Treasurer's Office for any cost or liability incurred as a result of the implementation and enforcement of this provision provided that:
- a. The Board shall give a twenty-one (21) day written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed;
 - b. The Association shall reserve the right to designate counsel to represent and defend the employer;
 - c. The Board agrees to (1) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding, (2) permit the Association or its affiliates to intervene as a party if it so desires, and/or (3) not oppose the Association or its affiliates' application to file briefs *amicus curiae* in the action;
 - d. The Board acted in good faith compliance with the fair share fee provision of this Agreement; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies such fair share fee provisions herein.

ARTICLE 10 – LEAVES OF ABSENCE

10.01 **Sick Leave:**

Professional staff members may accumulate sick leave to a maximum of 250 days.

10.02 **Personal Leave:**

Each full-time teacher will be allowed three (3) days and each part-time teacher will be allowed a proportional number of days absence during each school year, without loss of salary. The teacher shall inform the proper administrator of his/her intention to use these days at least twenty-four (24) hours before taking such leave, except in emergencies in which case the employee shall notify the board administrator at the earliest possible time so that a substitute may be secured. These days of absence shall not be deducted from the teacher's personal illness days. These personal days shall not be taken immediately before or after a holiday; shall not be used on the first five or last five student days of the school year; and shall not be used when 10% of the bargaining unit is scheduled to be out of the school district that day, including scheduled and approved professional leave. During October and March when anticipated use of professional leave could be excessive, the Superintendent may waive the restrictions to the 10% rule. However, the Superintendent may grant an

exception to any of the above restrictions provided the staff member explains the situation in writing and where the need for the leave day is due to circumstances beyond the control of the staff member and all other personal days or other applicable leaves have been exhausted.

Professional staff members may accumulate sick leave to a maximum of 250 days.

- 10.02.1 All unused personal leave will be paid at the rate of One Hundred Fifty Dollars (\$150) for each personal day. The payment shall not be considered as salary for STRS credit and will be paid in the second paycheck in July. Teacher may elect to carry over one (1) unused personal day into the next school year in lieu of receiving payment for that day. In no instance shall a teacher have more than four (4) days available for any school year.
- 10.02.2 Fraudulent use of personal leave shall be considered grounds for reprimand and/or suspension without pay and may result in termination proceedings.
- 10.02.3 Personal leave forms shall be available from each Building Principal and each WEA representative. Building principals must sign personal leave forms except in an emergency situation.
- 10.02.04 Teachers who notify the Board by April 1 of their intent to retire at the end of that school year will receive payment for all unused personal leave at the rate of One Hundred Fifty Dollars (\$150). Teachers who notify the Board after April 1 of their intent to retire at the end of the school year will receive payment for their unused personal leave at the current daily substitute per diem rate.

10.03 **Professional Leave:**

- 10.03.1 Professional – a professional meeting fund shall be included in the budget of the Wapakoneta City Schools to be used for payment of approved expenses of certificated personnel of the Wapakoneta City Schools who are attending approved professional meetings and workshops or making visitations to other schools.
- 10.03.2 Applications to attend professional meetings, workshops, or make school visitations shall be filled out on the form provided and returned to the office of the principal no later than ten (10) days prior to any leave the individual wishes to attend meetings and workshops or make school visitations.

10.03.3 Each certificated employee shall be entitled to use at least one day of professional leave per school year upon prior request. The principal shall recommend professional development to the Superintendent for approval. Principals shall make all efforts to consider consistency and areas of certification when recommending professional development. Professional development shall be in line with building and district goals and/or the teacher's Individual Professional Development Plan (IPDP). Denial of Professional Leave by the principal can be appealed to the Superintendent in writing. Approval of professional leave shall have the following expenses paid by the Board of Education, including registration fees, transportation, parking fees, lodging (not to exceed \$120 per night per person), and meals up to \$40 per day. The Board encourages double occupancy to save district funds. Mileage will be paid to all drivers when carpooling is not feasible, as determined by the Superintendent. Employees may use school vans, subject to availability and to be scheduled by the transportation supervisor. The Superintendent has the right to limit the number of certificated employees who attend the same professional meeting, workshop, or school visitation and to limit the number of certificated employees in a building, grade level, or department who may attend any particular professional meeting, workshop, or school visitation. In no event shall a certificated employee be required to use personal or sick leave for attendance at professional meetings, workshops, or approved school visitations related to his professional and approved extra-curricular activities.

10.03.4 An itemized list for all expenses, accompanied by receipts for lodging and food, shall be submitted within one week after return to duty in order to receive approved reimbursement. No verification of attendance form or report on the professional leave must be submitted in order to obtain reimbursement. Staff members will not be reimbursed for graduate credit for professional leave during the school day unless such course is pre-approved and recommended by an official of the Wapakoneta School District.

10.04 **Court Leave:**

10.04.1 The Board shall pay a certificated employee the difference between the certificated employee's regular salary and any remuneration received by the certificated employee for the jury duty service. Alternatively, the certificated employee may endorse his or her check for jury duty service over to the Treasurer of the Board and simply receive the normal salary amount to which the certificated employee otherwise would be entitled under his or her contract(s).

- 10.04.2 Certified employees shall be released from duty, without loss of pay or benefits, for absence due to the certificated employee's compliance with a subpoena to appear in a court of law, provided that: (a) neither the certificated employee nor the Association is a party in the litigation adverse to the Board of Education or adverse to any individual Board member or administrator; and (b) the court appearance is somehow connected with the certificated employee's employment or school activities (for example, where the certificated employee is required to appear as a witness in a lawsuit by a student for personal injuries which occurred in a school activity or where the certificated employee is subpoenaed to be a witness in a child custody litigation).
- 10.04.3 Such leave shall not be deducted from the certificated employee's sick leave or personal leave, except that a teacher may use his or her personal leave for an absence required by court subpoena that does not come within the terms of Section 10.04.2. Personal leave in such circumstances may be used before or after a holiday or vacation period.

10.05 **Assault Leave:**

- 10.05.1 An employee who suffers a personal injury or psychological trauma that is caused by an assault while performing job duties required by the Board, may be granted assault leave for up to ten (10) days per school year provided the employee is not eligible for worker's compensation or disability retirement.
- 10.05.2 The employee must furnish a signed statement to receive assault leave. Falsification of said statement is grounds for suspension and termination of employment. A statement from a licensed physician/licensed psychiatrist must also be provided stating the nature of the physical injury or psychological trauma and the estimated length of time the employee is unable to work. The Board may require a second medical examination by a physician of its choice and shall bear all costs involved.
- 10.05.3 Use of assault leave shall not result in loss of pay and shall not be deducted from sick leave or personal leave.
- 10.05.4 The assaulted employee will notify the building principal and cooperate with any investigation. The Board acknowledges the right of any employee to file charges against any student, parent, guardian, or other person who assaults, threatens, menaces or harasses the employee or who vandalizes the employee's real or personal property.

10.06 **Bereavement Leave:**

- 10.06.1 Each certificated employee may use up to five (5) days of sick leave and/or unused personal leave during a school year to attend to funeral arrangements or to attend the funeral of any of the following persons in the employee's immediate family: spouse, fiancée, children, grandchildren, parents, parents-in-law, brothers, sisters, brothers-in-law, sisters-in-law, grandparents, nieces and nephews, aunts, uncles or any person who resided with the employee's immediate family.
- 10.06.2 If a certificated employee has no accumulated sick leave, he or she shall be advanced five (5) days of sick leave, to be earned through future service, to attend to funeral arrangements or to attend the funeral of any of the relatives listed in the previous paragraph. Such bereavement leave shall be without loss of pay or benefits to the certificated employee.

10.07 **Unpaid Leave of Absence:**

- 10.07.1 Upon the written request of a certificated employee who has exhausted his or her accumulated sick leave, supported with satisfactory evidence from a physician to justify the leave, the Board shall grant an unpaid leave of absence because of physical or mental disability. The leave may be for an indefinite period of time not to exceed two years or for a definite period of time not to exceed two years. The leave may be renewed upon the certificated employee's request, not to exceed two years. A certificated employee who has been granted an indefinite leave of absence for reason of physical or mental disability shall be returned to active status upon 30 days' prior notice to the Board and doctor's certification of ability to return to active service.
- 10.07.2 Upon written request, and in accordance with the Ohio Revised Code and the provisions in this paragraph, a certificated employee shall be granted a leave of absence for the purpose of maternity leave or for the care of an infant child. Of this leave, the employee may use up to six (6) calendar weeks of her accumulated sick leave for work days missed immediately following the birth in accordance with the medically-accepted post-partum recovery period and any other additional leave shall be deemed as unpaid leave of absence. This leave shall begin on a date specified by the certificated employee, but the certificated employee's written application for the leave must be submitted to the Superintendent thirty (30) days before such date unless emergency arises (ex: early maternity delivery). Before beginning the leave, the teacher must advise the Superintendent in writing of the anticipated date of return from the leave. The leave of absence shall not exceed one year. The employee may return to active service before the anticipated expiration date if thirty (30) days prior notice is given.

- 10.07.3 A teacher who has completed five or more continuous school years of service in the Wapakoneta City School District, upon written request with an explanation of the reason for the leave, shall be granted a leave of absence without pay for personal or educational reason, which shall include sabbatical leave but shall not include starting or participating in a business or other venture for personal gain, other employment, attempts to get or search for other employment, education or preparation for another career, family transfer, or reasons of like nature. Such leave may not exceed three semesters and shall begin and end at the beginning or end of a semester. The beginning of such leave shall be scheduled to create the least disruption to the educational program. Such written request shall be approved only if a certificated replacement is available for the position being vacated by leave of absence.
- 10.07.4 For purposes of seniority, a teacher on a leave of absence shall not advance in seniority but said teacher's continuity of service shall not be disrupted. A teacher shall not be given experience credit on the salary schedule for the period of such leave. Each certificated employee on leave of absence shall declare in writing to the Superintendent by the later of April 15 or November 15 immediately prior to the expiration of such leave as to his or her intention of returning to service, except leave so designated in Section 10.07.1 and 10.07.2. Failure of the certificated employee to supply a statement of intent by such date shall be deemed an abandonment of his/her contract of employment and all rights and privileges of employment are thereupon extinguished.
- 10.07.5 A teacher on leave of absence shall be permitted to purchase at no cost to the Board of Education, insurance benefits that are provided by the Board of Education to their teachers. A teacher on leave of absence shall reimburse the Board of Education for any contribution the employer is required to make to the S.T.R.S. on behalf of such teacher for the term of such leave if such teacher opts to contribute to the S.T.R.S. for the period of such leave.
- 10.07.6 A teacher returning from a leave of absence shall be restored to a comparable teaching position for which such teacher is certificated. For the purpose of this section, "comparable teaching position" shall mean assignment within the grade groupings held immediately prior to the leave of absence. Grade groupings are as follows: Primary (K-2); Intermediate (3-5); Middle School (6-8); and High School (9-12).

10.08 **Attendance Incentive:**

10.08.1 A teacher will receive a premium for nonuse of paid sick leave as follows:

<u>Total Combined Days of Absence</u>	<u>Premium Payment</u>
0 days	\$100.00
1 day	\$50.00

10.08.2 The premium payment shall not be considered as salary for STRS credit and will be given to each teacher who met the incentive and will be paid in the second pay in July.

ARTICLE 11 – SALARIES AND REIMBURSEMENTS

11.01.1 The Board shall not give teachers a written individual annual salary notice. Advancement on the salary schedule shall resume for the 2014-15 school year and shall be eliminated for the 2015-16 and 2016-17 school years. Steps frozen in the past shall not be restored. Employees who have had their normal steps frozen for the two (2) year period shall only advance to the step immediately ahead at the time of the freeze.

<u>Year</u>	<u>BA-0 Base Salary</u>	<u>Percentage Increase</u>
2014-15	\$34,237	2%
2015-16	\$34,922	2%
2016-17	\$35,620	2%

For the 2015-16 and 2016-17 school years, a Three Hundred Fifty Dollar (\$350) stipend will be paid to each employee in September of each year.

11.01.2 A teacher will receive a year's service credit on the salary schedule only for each school year in which the teacher actually worked at least 120 days (including regularly scheduled partial days) under regular contract as a full-time or regular part-time teacher in a school for which the Ohio Department of Education recognizes service credit; provided, however, that no teacher shall receive less service credit than that which he or she had in the 1984-85 school year. If a part-time teacher does not work at least 120 days in a school year, the teacher shall receive one year's experience credit if he or she does work on a regularly scheduled basis throughout the school year.

- 11.01.3 Teachers may submit transcripts verifying the completion of additional coursework or a degree. Adjustments on the salary schedule will be made on the first school day of January, April 30 and August 31 based on transcripts or grade slips received.
- 11.01.4 Teachers who are teaching dual enrollment courses shall be paid an additional One Thousand Dollars (\$1,000) per semester for the first dual enrollment course taught, Seven Hundred Fifty Dollars (\$750) per semester for the second course taught; and Five Hundred Dollars (\$500) per semester for each additional dual enrollment course taught. The Administration shall have discretion on assigning dual enrollment courses.
- 11.01.5 Compensation for dual enrollment courses shall cease if the teacher of record is absent in excess of seven (7) classes per semester excluding professional leave days. The teachers who teach dual enrollment courses will sign off on this language prior to teaching the course.

11.02 **Supplemental Salary Schedule:**

- 11.02.1 Effective August 1st of each school year, the Wapakoneta City Board of Education shall pay for all positions functioning on the attached salary schedule at the stated percentage of the base salary.
- 11.02.2 Payment of supplemental salaries shall begin on the pay date immediately following onset of the service and continue in regular installments until the pay date immediately following termination of the service. However, it shall be the option of the employee to receive supplemental salary(ies) in a lump sum payment following completion of the service, and no later than June 15 of the school year in which the service was rendered, or to receive supplemental salary(ies) over 26 pay periods.
- 11.02.3 A supplemental contract shall automatically expire at the end of its term without further action or notice by the Board.
- 11.02.4 Teachers shall be compensated for supplemental duties for which they are employed in accordance with the supplemental salary schedule in Article 22. The Board need not fill any or all positions listed on the schedule in any particular school year. Administration will notify the WEA president ten (10) days prior to issuance of supplemental contracts of its intentions not to have a specific supplemental position implemented. Vacant supplemental contracts shall be posted according to the guidelines of this contract. A vacancy will occur if the person currently holding the supplemental position informs the Superintendent in writing that he/she wishes to resign the supplemental position, or if the administration notifies the contract holder in writing that the administration is not recommending that person to continue in that supplemental position. The Board need not bargain with the Association about the decision to create a new

supplemental position. However, the Board must bargain about the salary for a new supplemental position, as well as the modification or consolidation of duties of an existing supplemental position(s).

- 11.02.5 Any supplemental contract subject to a formal written evaluation shall be done yearly within ten (10) school days of the conclusion of the duties of the contract, and shall be kept on file for no less than three (3) years, and shall be made available to the contract holder at the time of the evaluation.

11.03 **Conference Period Pay – Emergency Period Substitution:**

- 11.03.1 Compensation for conference period substitution shall be at the rate of .0007 applied to the current bachelor's degree base. Such compensation shall be in addition to the regular compensation for the staff member. This hourly rate shall be indexed according to the base salary for certificated personnel in effect currently and shall change according to that index number whenever the base salary is changed.

- 11.03.2 If an elementary special subject teacher (art, music, physical education) is not available and no substitute is available, the regular teacher(s) who assumes responsibility for class in lieu of planning time is/are eligible for period compensation. Planning time shall be defined as the time when professional staff members do not have assigned responsibility for teaching exclusive of the thirty (30) minutes duty free lunch.

11.04 **Tutor Compensation:**

Tutors shall be placed on the appropriate column of the salary schedule at step 0, 1, 2, 3, or 4 in accordance with their experience credit, but in no event higher than four (4) years experience. Tutors shall be paid for every hour and for fractions thereof they are regularly scheduled to report for work.

11.05 **Mileage Reimbursement for Professional Travel:**

The rate of compensation for professional travel will be the IRS rate in effect on January 1 of the particular year. In the event that two or more personnel are traveling to the same meeting or conference, they must carpool. To facilitate carpooling, the Board will electronically post travel schedules weekly. If carpooling is not feasible, as determined by the Superintendent, each driver will be compensated for mileage. If carpooling is feasible and the drivers choose not to carpool, then the mileage compensation will be divided by the number of cars being driven, and the owners compensated at divided rate. Such mileage compensation shall be paid two weeks following the end of the semester during which the travel occurred.

11.06 **Continuing Education Assistance:**

- 11.06.1 **Eligibility** – All certificated employees of the Wapakoneta City School District, except the Superintendent, shall be eligible for participation in the professional growth program. Recipients must have degrees, proper certifications, and prior professional service in Wapakoneta Schools.
- 11.06.2 Staff members must be working towards a Masters Degree related to their field of certification or taking courses related to their field of certification. A staff member who takes courses toward a planned program in another field of education will receive reimbursement if approved by the Superintendent. The Superintendent, at his/her sole discretion, may approve reimbursement for correspondence, online or Internet courses through an accredited university or college in the area of the staff member's certification.
- 11.06.3 The teacher must pass with an average "B" grade or better, or if a pass/fail course, receive a passing grade to be eligible for reimbursement. The teacher must teach in Wapakoneta Schools the year following receiving this credit to be eligible to receive payment. The maximum number of quarter hours to be included under this policy shall be eighteen (18) quarter hours or twelve (12) semester hours from June 1 to June 1 of any year. Grants will be awarded to those who qualify and receive tuition assistance from any other sources, but such grants will reimburse only the difference between the cost/credit hour and the amount of tuition assistance otherwise received. A leave of absence will not be granted for the purpose of graduate study.
- 11.06.4 **Reimbursement** – Reimbursement for qualifying courses shall be the lesser of cost, or \$135 per semester or \$90 per quarter hour. If total reimbursement requests are less than thirty-five thousand dollars (\$35,000) for the school year, the difference will be prorated and divided based on the number of quarter hour and semester hour requests, not to exceed actual tuition costs. All requests for reimbursement for completed coursework must be submitted by June 1. Reimbursement will be made by June 30.
- 11.06.5 If certificated employee does not work for the Board for the entire school year after the course work for which the certificated employee has been reimbursed, the Board shall be entitled to have the certificated employee refund the amount of reimbursement to it. The Board may set off such amount against any salary payment owing to the certificated employee at the time he or she separates from the Board's employment prior to completion of the school year.

- 11.06.6 The Board shall provide an opportunity for teachers to earn up to twenty (20) contact hours at no cost to the teacher. This benefit is contingent on sufficient participation (minimum 15 teachers), and must be provided between September 1 and March 31.
- 11.07 The Board will pay \$750 per year for each member who possesses and maintains National Board Certification for the life of the contract. Payment will occur by the second week of June, providing 120 days of service were worked in the current school year.

ARTICLE 12 – SEVERANCE PAY

- 12.01 Any certificated employee with a minimum of ten (10) or more years of accumulated services with the state, any political subdivision of the state, or any combination thereof, shall, at the time of retirement, be paid in cash for twenty-two percent (22%) of his or her accumulated and unused sick leave days at the time of retirement.
- 12.02 The rate of pay for such conversion shall be the per diem rate of the annual salary as determined by the salary schedule, including supplemental contracts, in effect at the time of retirement. The per diem rate shall be computed by dividing the annual salary of the teacher by the number of days of regular required duty.
- 12.03 A teacher shall be deemed to have “retired” when he or she has been approved for service retirement by the Board of the State Teachers Retirement System or has been determined to be qualified for disability retirement by a physician or physicians appointed by the STRS. The teacher must notify the Treasurer in writing within 90 days of qualifying for disability retirement if the teacher does not want severance payment. If the teacher fails to so notify the Treasurer, payment will be made consistent with this agreement.
- 12.04 The Board of Education’s obligation to provide any and all fringe benefits ceases on the date the teacher has been deemed to have “retired” regardless of whether the teacher is entitled to severance pay. A retiree’s contract shall be paid in full in the next pay period following the effective retirement date.
- 12.05 Severance pay shall be made on behalf of a retired employee into a Board-approved 403(b) in accordance with IRS law. Such payment shall be made only once to any employee and shall extinguish all accumulated sick leave to the credit of such employee.
- 12.06 Any employee who meets the service requirements of the above division who dies while in the employ of the school district shall on the day preceding death be deemed to have terminated employment by means other than retirement, and payment of all severance pay shall be made in the manner prescribed in 2113.04 O.R.C.

ARTICLE 13 – INSURANCE

13.01 **Hospitalization/Major Medical Insurance:**

13.01.1 The Board shall purchase hospital-surgical/major medical insurance coverage for each certificated employee now or hereafter employed and his/her family, with coverage levels as attached. During the term of this Agreement, coverage shall not change without the mutual written agreement of the parties.

13.01.2 The employer shall pay for full-time employees' premiums in accordance with the following:

<u>Effective Date</u>	<u>Board Premium</u>	<u>Employee Premiums</u>
A	85%	15%
B	93%	7%
C	93%	7%

For employees employed less than full-time but average 17 hours of work time or more per week, the employer shall pay fifty percent (50%) of the amount of the premium paid for full-time employees. Employees employed less than an average of 17 hours per week are not eligible for health insurance.

13.01.3 The Board will offer an additional insurance coverage, Option B and Option C, with terms as determined in the Board's sole discretion.

13.01.4 If the insurance consultant indicates the premiums will increase more than 8%, the Insurance Committee identified in Section 13.04 shall determine, by majority vote, what plan design changes to make to bring the premium funding increase in at 8% or below on or before October 31. Failure to make or bring in a premium increase at 8% or below will result in the increase above 8% to be passed on to the employee by payroll deduction. This is in addition to the employee cost for the insurance. In the final year of the Agreement, the 8% will be changed to 6.5%.

13.01.5 The Board shall have the right to implement a Medical Expense Reimbursement Plan (MERP).

13.02 **Section 125 Plan:**

The Board will provide an Internal Revenue Code Section 125 plan under which the employee's insurance contributions, non-reimbursable medical expenses, and child care expense allocations are covered consistent with applicable legal requirements.

13.03 **In Lieu Payment:**

13.03.1 Except for married couples employed by the District, full-time bargaining unit members and part-time members on a prorated basis who opt out of a school district hospitalization/major medical insurance plan for a contract year shall be paid \$1,100 on or before February 1. Any person covered by the Board plan shall not be eligible for this payment.

13.04 **Insurance Committee:**

The Superintendent, Treasurer, and three people designated by the Association President, and two people designated by the Wapakoneta Classified Association will meet as needed to determine insurance consultants, review insurance data information, monitor rates, monitor customer service, make recommendations about insurance carriers, and to meet the requirements of Section 13.01.4. All committee members must vote with no abstentions permitted.

13.05 **Dental Insurance:**

13.05.1 The Board shall purchase employee and family dental insurance protection for each certificated employee now or hereinafter employed who is a member of the bargaining unit and shall pay eighty-five percent (85%).

13.05.2 The Board shall pay for employees employed less than full time but average 17 hours of work time or more per week an amount which is fifty percent (50%) of the amount paid for full-time employees. Employees employed less than an average of 17 hours per week are not eligible for dental insurance.

14.01 **STRS Board Pickup:**

The Wapakoneta Board of Education agrees with the Wapakoneta Education Association to pickup (assume and pay) contributions to the State Teachers Retirement System upon behalf of the employees in the bargaining unit on the following terms and conditions:

- 14.01.1 The amount to be picked-up and paid on behalf of each employee shall be the employee's required contribution to STRS. The employee's annual compensation shall be reduced by an amount equal to the amount picked-up and paid by the board.
- 14.01.2 The pick-up percentage shall apply uniformly to all members of the bargaining unit.
- 14.01.3 No employee covered by this provision shall have the option to elect a wage increase or other benefit in lieu of the employer pick-up.
- 14.01.4 The pick-up shall apply to all compensation including supplemental earnings.

14.02 **Buy-Back of Qualifying STRS Credit:**

- 14.02.1 In accordance with STRS Amended Board rule 3307-1-28, the Board will pick-up teacher payments for purchasing service credit by payroll deduction. The employee's annual contribution shall be reduced by the amount picked-up and paid by the Board. This reduction is in addition to Section 14.01.
- 14.02.2 All employees purchasing credit by payroll deduction must participate in this tax-deferred program. The employee irrevocably agrees to continue payroll deductions until the purchase is complete or employment is terminated. The employee cannot elect to purchase part of the credit directly from STRS once pre-tax payroll deductions have commenced.

14.03 **Retirement Incentive:**

- 14.03.1 In addition to and separate from severance pay, any qualifying bargaining unit member who is eligible to retire with unreduced benefits through STRS shall receive Ten Thousand Dollars (\$10,000), provided the bargaining unit member has at least twenty (20) years of service to the Wapakoneta City Schools, five (5) of which must be consecutive and in paid status immediately prior to retirement. It is the expressed intent of both the Board and the Association that teachers will be eligible for the retirement incentive payment under this program only once when the bargaining unit employee initially becomes eligible to retire with unreduced benefits under STRS.

- 14.03.2 To qualify for this incentive, a bargaining unit member who is eligible by June 30 for retirement under the State Teachers Retirement System (STRS) must give written notice to the Superintendent by no later than March 1 of the year he/she first becomes eligible for "retirement" under STRS. Retirement must be effective prior to the start of the succeeding school year.
- 14.03.3 A bargaining unit member who is eligible for "retirement" and misses the March 1 deadline forfeits his/her right to this incentive.
- 14.03.4 The school board will pay the incentive to qualifying bargaining unit members in one lump sum payment. Such payment shall be made no later than twelve (12) months following the effective date of separation.
- 14.03.5 A bargaining unit member shall demonstrate by appropriate documentary evidence that such member is eligible for retirement. Such documentary evidence may include a certificate or letter to that effect by STRS.

ARTICLE 15 – TEACHING CONDITIONS

15.01 Calamity Days/School Delay:

- 15.01.1 When inclement weather conditions appear to be severe enough to cause school closing or delay, school personnel are urged to listen to the radio for emergency announcements. Such school closing or delay shall be system-wide for the District. Every effort will be made to provide school cancellation information to area radio, television, and telecommunications sources, prior to 6:30 a.m.
- 15.01.2 In the event of a system-wide school closure due to ice, snow, etc., the school faculty is not required to report. When individual schools are forced to close due to such things as furnace malfunction, the faculty in that building shall not be required to report as usual for assignment.
- 15.01.3 When conditions necessitate a three-hour delay, the teacher work day will be extended one (1) hour, for up to three (3) times per school year, unless all five (5) calamity days have been exhausted. After five (5) calamity days have been exhausted, additional three (3) hour delays can occur at the discretion of the superintendent.
- 15.01.4 Any make-up days scheduled by the Board after schools have been closed due to weather or other calamity beyond five (5) days shall be worked by teachers without additional compensation.

15.02 **Non-Teaching Duties:**

Every teacher will be furnished a schedule by the building principal stating his or her additional assignments. Such assignments shall be uniform from school to school and shall not include cafeteria duty. All other "non-teaching duties" will be divided equitably among all teachers as a part of their regular assignment. Extra-curricular assignments, which are compensated under the extra duty and/or responsibility schedule, will not excuse a teacher from any other duties that are needed to properly supervise the building during regular school hours. The Board of Education will attempt to keep a teacher's non-teaching duties to a minimum.

15.03 **Job Sharing:**

- 15.03.1 The job sharing must be approved by the building principal and Superintendent on a yearly basis.
- 15.03.2 Applicants for a job-sharing position shall have a minimum of three (3) years teaching experience to qualify.
- 15.03.3 Teachers who want to job share must submit a written plan for approval to the building principal by March 1 of the preceding school year with the following elements:
 - a. The grade level, building, and subject to be shared.
 - b. The teachers who will be job sharing. No current staff member shall be required to job share.
 - c. The percentage of the regular full-time work day and exact time schedule each participant proposes to be present on the site, plus teaching schedule.
- 15.03.4 A job-sharing plan will be in effect for a full school year.
- 15.03.5 The job-sharing teachers will jointly develop teaching methods and techniques, and grading practices that ensure consistency and compatibility of the program.
- 15.03.6 All negotiated benefits shall be split according to the percentage of a regular full-time workday served by the participant. The costs of job sharing a position shall not exceed the cost of one full time equivalent position.
- 15.03.7 Participants shall acquire seniority credit for layoff and salary schedule placement purposes on a proportionate basis; for example, one half-time service provides one-half credit.

- 15.03.8 Job-sharing teachers shall be considered for contract status, evaluation, and layoff on the same basis as other teachers.
- 15.03.9 Each participant must attend all contractually required duties that are required of a full-time teacher (e.g., open house, parent conferences, and faculty meetings).
- 15.03.10 The Superintendent must be notified by March 1 of each year as to whether the participants wish to continue in the present arrangement or return to full-time contract status.
- 15.03.11 The participant who wants to return to full-time contract status will be assigned to the first available full-time comparable teaching position for which that teacher is certificated. For the purpose of this section, "comparable teaching position" means assignment within the teacher's current grade grouping. Grade groupings are as follows: Primary (K-2); Intermediate (3-5); Middle School (6-8); and High School (9-12). Such an available position shall not be considered a vacancy under Section 5.04. If there are not enough full-time comparable teaching positions available, then the available position(s) will be filled based on greatest seniority. Teachers who cannot get a full-time comparable teaching position may apply for a Vacancy consistent with Section 5.04. If both job-sharing participants have not been offered a full-time position by June 30, then the participants must continue in the job-sharing for one more school year.
- 15.03.12 There shall be no more than three (3) job-sharing teams per school year.

15.04 **Professional Development – Inservice:**

- 15.04.1 An ad hoc committee composed of the Superintendent, or his designated representative, the Association President, or his designated representative, and one (1) teacher representative from each building shall meet prior to October 15th. The teacher representatives and the date of the first meeting shall be mutually agreed to by the Superintendent, or his designated representative, and the Association President, or his designated representative.
- 15.04.2 It shall be the purpose of this committee to study and prepare recommendations concerning In-Service Training for Wapakoneta City School District personnel during the school year. This committee shall submit its recommendations to the Superintendent no later than April 1. If approved by the Superintendent, the Association President shall be informed in writing of the intention to implement the recommendations during the next school year. The revised In-Service Training Program shall be implemented by the In-Service Committee selected for the next school year.

15.05 **Substitution:**

The Board agrees at all times to maintain a list of substitute teachers. Professional staff members shall be informed of a telephone number they may call before 7:00 a.m. to report unavailability for work. Once a professional staff member has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.

15.06 **Emergency Period Substitutes:**

In the event regular substitutes are not available, secondary professional staff members may volunteer to serve as period substitutes during their regularly scheduled preparation periods.

15.06.1 Requests for period substitutions shall be made as far ahead as possible.

15.06.2 Substitution shall be made within the professional staff member's department when possible.

15.06.3 Period substitutes shall be as equally distributed among professional staff members desiring substitution as possible.

15.06.4 In the event no voluntary period substitutes are available, the principal may require a professional staff member to serve as a period substitute so as to provide coverage of all classes.

15.06.5 Period substitutes will be solicited prior to the assignment of such classes to study halls or library.

15.06.6 If an elementary special subject teacher (art, music, physical education) is not available and no substitute is available, the regular teacher(s) who assume(s) responsibility for a class in lieu of planning time is/are eligible for period compensation. Planning time shall be defined as the time when professional staff members do not have assigned responsibility for teaching exclusive of the thirty (30) minutes duty-free lunch.

15.07 **Text Book Review & Selection:**

Every effort will be made to provide sufficient funds to continuously update textbooks by reviewing them every five (5) years, with implementation the sixth (6th) year. Such review shall be conducted by a committee of teachers knowledgeable in the area of study involved. Each review committee shall include at least one appropriate member of the administrative staff. The review committee shall be under the direction of the superintendent or his designated representative.

15.08 **Department and/or Classroom Budgets:**

- 15.08.1 Proposed supply and equipment requisitions will be established for each school building through cooperative actions of the teachers, department heads and the principal in charge. A meeting of the department heads/grade level teachers and the principal in charge will be held no later than the first Friday of April to turn in department/grade level requests consisting of instructional materials and supplies or audio-visual software and hardware. A copy of the requisitions (prioritized) completed by the department heads/grade level teachers, will be given to the principal.
- 15.08.2 If substitutions of teacher-ordered equipment, material or supplies are to be made, the appropriate teacher(s) will be consulted prior to the placement of such substitute order.
- 15.08.3 The Board of Education recognizes the need to upgrade audio-visual hardware and software, instructional aids and supplies and textbooks and the Board shall improve and upgrade each of these items.

15.09 **Teaching Load:**

- 15.09.1 Number of preparations – In the middle and high schools where there is more than one teacher in a department, the teachers in the department shall have a maximum of four (4) preparations per day. In the middle and high schools where there is more than one teacher in the art department and more than one teacher in the music department, the teachers in the art and music departments shall have a maximum of five (5) preparations per day. For the purpose of this subsection, a preparation shall be defined as:
- a. One subject matter (course title-name of class). Example; Biology I, Biology II, Advanced Biology.
 - b. One level of subject matter. Example: Honors Biology, Advanced Biology, Regular Biology, Basic Biology. Any level for which separate lesson plans are required and available.
 - c. One unit plan – Syllabus, semester course of study, year course of study, text book, different lab materials, printed materials.
- 15.09.2 Two classes taught at the same time, in the same room, by the same teacher, will be considered two preparations.
- 15.09.3 The above requirements may be waived with the permission of the individual teacher. The permission shall be in writing and signed by teacher and principal.

- 15.09.4 Preparation and Conference Time – The Wapakoneta City Board of Education will strive to equalize the duties of all staff members to permit as much conference time as possible. This time shall be in addition to art, music, physical education, or any additional special(s) periods provided in the elementary schools.
- 15.09.5 Elementary planning and conference time will be allocated either for a minimum thirty (30) minute block during the student day and forty (40) minutes outside the school day or a forty (40) minute block during the student day and thirty (30) minutes outside the school day. The building level principal may schedule up to two (2) building meetings or department/grade level meetings per month during this planning/conference time.
- 15.09.6 The secondary staff members will be provided with conference time consistent with minimum standards for Ohio high schools of one preparation period of at least 43 minutes duration.
- 15.09.7 One (1) association representative from each building, appointed by the WEA President, will meet with board representatives prior to each school year to assess the effectiveness of this procedure.

15.10 Conference Time:

All K-12 teachers will be provided two (2) days of conference time, which will be scheduled on the school calendar. All kindergarten teachers will be provided one (1) additional day of conference time, which will be scheduled on the school calendar. Teachers of special education classes and speech pathologists will be provided two (2) additional days of conference time for IEP conferences as scheduled by the Superintendent's designee.

15.11 Lunch Period for Teachers:

Each teacher employed by the Wapakoneta Board of Education shall be granted at least thirty (30) minutes for lunch each school day during which time he/she shall not be required to perform any school activity. The granting of the lunch period to teachers shall not be cause for lengthening of the school day. To assure teachers receive the thirty (30) minutes under the contract, cafeteria space is to be open and monitored on each instructional day.

15.12 Class Size:

- 15.12.1 The ratio of teachers to pupils on a district-wide basis shall be at least one (1) full-time equivalent classroom teacher per twenty-five (25) pupils in average daily membership. Said ratio shall be calculated in accordance with Section 3317.02 and 3317.023 of the Ohio Revised Code.

- 15.12.2 In addition to the above class size requirement, effective September 1, 1983, the ratio of teachers to pupils in kindergarten on a district-wide basis shall be at least one full-time equivalent classroom teacher per twenty-five (25) pupils in average daily membership. Said ratio shall be calculated in accordance with Sections 3317.02 and 3317.023 of the Ohio Revised Code.
- 15.12.3 In addition to the above class size requirement, effective September 1, 1984, the ratio of teachers to pupils in kindergarten through grade four on a district-wide basis shall be at least one full-time equivalent classroom teacher per twenty-five (25) pupils in average daily membership. Said ratio shall be calculated in accordance with Sections 3317.02 and 3317.023 of the Ohio Revised Code.
- 15.12.4 The Board shall make reasonable efforts to avoid wide disparities in class sizes from building to building (grades 1-5). In doing so the Board ordinarily will avoid reassignment of a pupil from a building with lower class sizes to a building with greater class sizes at the particular grade level.

15.13 School Calendar:

The Superintendent of the Wapakoneta Schools shall appoint three (3) administrators and the president of the Wapakoneta Education Association shall appoint three (3) members to a committee to develop a school calendar on or before February 1st of each year during the term of this contract for presentation to the Board of Education for its consideration. The calendar which receives the greatest number of votes shall be that which is recommended to the Board. If agreement is not reached on the calendar by the committee, the Association and the school administration shall make separate recommendations to the Board. Once adopted by the Board, all make-up calamity days initially approved by the Board will be binding for that school year. All other amendments to the school calendar shall be made only upon written notice to the president of the Association.

15.14 Work Year and Work Day:

- 15.14.1 The regular teacher work year shall consist of 183 days, inclusive of 180 days of student attendance, WOEa Day, and two in-service days. WOEa Day is intended to be used for professional development. The Board reserves the right to change the schedule by lowering the number of student days and increasing the number of professional development days, not to exceed three (3) days, so long as the District remains in compliance with Ohio law. The two in-service days shall include one-half (1/2) day immediately prior to the first day of classes, one-half (1/2) day immediately following the last day of classes for purposes of classroom closure, one-half (1/2) day at semester break for purpose of records, and another one-half (1/2) day as scheduled by the Board. For the one-half

day immediately following the last day of classes, bargaining unit members, at the discretion of the principal, may work their half day at the conclusion of the students' last scheduled day or the next calendar or work day following the students' last day of classes.

- a. Six contact hours of professional development between June 1 through May 31 may annually be substituted for WOEa Day with the certificates of attendance provided as documentation by May 31 of that school year. Acceptable staff development includes the following, but is not limited to: college classes, Wapakoneta City Schools after-school training, building book studies, and seminars outside of the school day. Contact hours issued for district committee meetings, paid professional leave, or Association meetings will not be considered for this provision. Association members attending WOEa Day events shall provide certificates of attendance for a minimum of four contact hours. Staff members who do not achieve six hours of staff development outside of WOEa Day shall have their salaries reduced proportionately, based on their per diem rate, by the second pay in June.
 - b. The Wapakoneta City School Board of Education will provide the Wapakoneta Education Association with an itemized listing of all Special Education Meetings and Special Education Training Sessions that indicate WOEa Day Credit Hours no later than September 15th of each school year or at another date that is mutually agreed upon by both parties.
 - c. The Wapakoneta City School Board of Education will guarantee a minimum of three (3) WOEa Day Credit hours each school year for Special Education meetings/trainings and provide a certificate for each meeting/training session attended.
- 15.14.2 The regular on-duty teacher work day shall not exceed 7 hours and 25 minutes, inclusive of at least one-half hour duty-free for lunch, which hours must be scheduled between 7:30 a.m. and 3:40 p.m., except for when the school day is extended due to weather, as outlined in 15.01.3. Nothing in this Article precludes required attendance of teachers outside the regular on-duty day to meet professional obligations such as open house, parent conferences, and attendance at mandatory faculty meetings.
- 15.14.3 Mandatory faculty meetings scheduled outside the regular on-duty day will be held no more than two times per school year for purposes of staff development. Teachers will receive notification of the schedule for mandatory faculty meetings prior to the conclusion of the previous school year. All mandatory faculty meetings will last no later than 4:00 p.m. Each teacher who attends the mandatory faculty meetings outside of the regular teacher work day will receive one contact hour of professional development for each meeting attended that will be applied toward the six

contact hours requirement under Section 15.14.1(a) above. Additional faculty meetings may be held outside the regular on-duty day in exigent circumstances (e.g., to address health and safety issues, student or staff deaths) and these meetings will be voluntary. The Board will offer an additional seven (7) hours of voluntary professional development during each school year which may be applied toward WOE day credit. All Wapakoneta City School Special Education Department meetings will be voluntary.

15.14.4 When the student day is delayed because of inclement weather, the regular on-duty teacher work day shall be delayed by the same number of minutes without loss of pay or paid benefits.

15.15 Policy Handbook:

15.15.1 A copy of the complete Board of Education policy handbook, along with changes and updated material, shall be available on the District's website.

15.15.2 Upon written request of the Association president by April 1, three W.E.A. representatives shall meet with the administration to discuss suggestions for updating the board policy handbook and any problems in the handbook which either party perceives.

15.16 Employee Mentor Teacher:

15.16.1 New employees shall receive an orientation to practices and procedures within the district in a meeting preceding the opening of the school year. All employee mentors will be selected in accordance with the guidelines outlined in the Auglaize/Mercer Entry Year Consortium.

15.16.2 The employee mentor referenced above shall assist the new employee to understand the best teaching practices and the workings of the school district. This mentor shall meet weekly with the new employee and attend all mentor training sessions. Said mentor shall receive a stipend of \$600.00 to be paid in the last pay in May.

15.16.3 Employees new to the district or employees transferred to a new subject area, new grade level, or different classification may receive the services of a mentor in the same department or grade level, if at all possible, who will serve to assist them in becoming familiar with their changed situation. Said mentor shall receive a stipend of \$150 to be paid in the last pay in May.

15.16.4 Mentors shall provide regular feedback to the employee and shall not be used to evaluate the employee or to be a part of the evaluation process or to be used in place of regular evaluation procedures. Communications between the mentor and the mentee will be confidential except as the mentor and/or mentee determines such communication shall not be kept confidential. (This sentence is in effect for the life of the contract.) Assignment to mentoring positions shall be voluntary, with no prejudice for a refusal to assume the position and no reprisals against the mentor if the mentee fails to overcome noted deficiencies.

15.17 Inclusion:

15.17.1 K through 4th grade inclusion teachers will be paid one hundred dollars (\$100) per school year for each regular IEP student and/or 504 students with academic goals in their class to compensate for additional responsibilities. Payment will be made by June 30.

15.17.2 Teachers of special education classes, Preschool through 12th grade teachers, and speech pathologists will be paid \$500 per school year to compensate for additional responsibilities. Payment in full will be made by the final paycheck of the school year.

15.17.3 At the recommendation of the building principal to the Superintendent, bargaining unit members involved in inclusion will be offered additional professional leave days for training. The assignment of special education students will be rotated among teachers or teachers' teams as determined appropriate by the building principal. The assignment of special education students shall be distributed equally among teachers or teachers' teams (seventh and eighth grade) as determined appropriate by the building principal.

ARTICLE 23 – ACADEMIC FREEDOM

The teacher as a recognized professional may have the right and responsibility to choose those instructional methods he or she deems to be appropriate and effective with a given group of students. Choice of methods may not be considered an appropriate area for criticism in evaluation unless the evaluator can reasonably document the ineffectiveness of the methods with that group of students.

ARTICLE 24 – SEQUENCE OF CONTRACTS

24.01 **General** – The sequence for teachers employed under limited contracts shall be as follows, until such teacher is eligible for a continuing contract in accordance with this Agreement and Ohio Rev. Code 3319.11:

1st contract – 1 year contract

2nd contract – 1 year contract

3rd contract – 1 year contract

4th contract – 2 year contract

5th contract – 2 year contract

Each contract thereafter – 3 year contract, unless eligible for continuing contract

- 24.02 In the event a teacher is deemed to be having difficulties (as demonstrated by unfavorable evaluations), the Board may interrupt the sequence of contracts and offer a one year limited contract to that employee. In the event the Board chooses to do this, the employee shall be given written areas which need improvement. At the end of such one year limited contract, the Board shall either return the employee to the correct year in their sequence of contracts, grant an additional one (1) year contract, or take action to non-renew the employee in accordance with the terms of this agreement.

ARTICLE 25 – WORKING CONDITIONS

25.01 **Working Conditions:**

Certificated employees should bring their complaints about building conditions or maintenance to the attention of the building principal. If the problem persists, the certificated employee should bring the problem to the attention of a central office administrator.

ARTICLE 26 – THIRD GRADE READING GUARANTEE

Teachers required to receive a reading certification under the Third Grade Reading Guarantee shall receive full reimbursement for the cost of the first administration of the reading certification test adopted by the State Board of Education.

Any involuntarily transfers to meet the Third Grade Reading Guarantee legislation shall be in accordance with Article 5.03.

ARTICLE 27 – OHIO TEACHER EVALUATION SYSTEM (OTES) EVALUATION

27.01 **Application:**

- 27.01.1 The OTES procedure described in this Article applies to teachers who meet one of the following categories:
- a. A teacher working under a license issued under Ohio Revised Code (ORC) Sections 3319.22, 3319.26, or 3319.226 who spends at least fifty percent (50%) of his/her time providing content-related student instruction; or
 - b. A teacher working under a permanent certificate issued under ORC 3319.222 as existed prior to September, 2013, who spends at least fifty percent (50%) of his/her time providing content-related student instruction; or

- c. A teacher working under a permanent certificate issued under ORC 3319.222 as it existed prior to September, 2006, who spends at least fifty percent (50%) of his/her time providing content-related student instruction; or
- d. A teacher working under a permit issued under ORC 3319.301 who spends at least fifty percent (50%) of his/her time providing content-related student instruction.

27.01.2 This teacher evaluation policy does not apply to substitute teachers.

27.01.3 Teachers not subject to the OTES Evaluation Procedure shall be evaluated in accordance with the Evaluation Procedure contained in Article 5.

27.02 Definitions:

27.02.1 Evaluation Instruments:

Forms used in the OTES Evaluation Procedure will be those provided by ODE. The Evaluation Committee shall consider and recommend updates to evaluation forms each school year.

27.02.2 Student Growth Measures:

A student growth measure is a unit of academic growth projected for a student over a specific period of time which has been established according to a set of procedures defined either by the value-added data system, by the school District for approved vendor assessment, or locally developed student learning objectives (SLOs).

27.02.3 Student Learning Objectives:

Student Learning Objectives include goals identified by a teacher or group of teachers that identify expected outcomes or growth targets for a group of students over a period of time.

27.02.4 Teacher-Level Value-Added:

Teacher-Level Value-Added refers to the value-added methodology provided by ODE.

Teacher-level value-added data shall be used in proportion to the part of a teacher's schedule of courses or subjects for which the value-added data is applicable. For the 2014-2015 school year and each school year thereafter, the entire student academic growth factor of the evaluation shall be based on the value-added data for a teacher whose schedule is comprised only of courses or subjects for which teacher-level value-added data is applicable.

27.02.5 Credentialed Evaluator:

The evaluator will not be an eligible bargaining unit member. The evaluator will be a credentialed District employee.

27.03 Evaluation Committee:

A standing Evaluation Committee will meet annually in May to make recommendations regarding the evaluation process based on information reported to the Committee by teachers and evaluators. The Evaluation Committee will be comprised of three (3) members appointed by the Superintendent and three (3) members appointed by the Association President. The Committee shall be advisory only. Other than mandatory changes required by law, any recommended changes by the Committee to the evaluation procedure shall be by mutual agreement of the parties and subject to ratification by the Association and Board.

The Committee shall be provided release time for all meetings.

27.04 Orientation:

All teachers will receive an orientation regarding the evaluation process within the first twenty-five (25) workdays of each school year. The teacher will be notified of the name of his/her evaluator and be given a copy of evaluation forms as part of the orientation.

27.05 Procedures:

27.05.1 Self-Assessment:

Teachers may complete a self-assessment form to identify strengths and areas for growth. Completion of the self-assessment is optional and within the teacher's discretion to share the form with his or her credentialed evaluator.

27.05.2 Evaluation Schedule:

- a. Teachers shall be evaluated once each school year, including at least two (2) formal observations and at least two (2) classroom walkthroughs.
- b. Teachers on a limited contract who are under consideration for nonrenewal shall receive at least three (3) formal observations and at least three (3) classroom walkthroughs.
- c. Teachers who receive a rating of "Accomplished" on their most recent evaluation shall be evaluated every other school year.

- d. Evaluations shall be completed no later than May 1st, and the final summative evaluation will be provided to the teacher no later than May 10th. Teachers will be given the opportunity to review the evaluation prior to submission.
- e. If either the teacher or evaluator is absent from work, all timelines established within this Article shall be automatically extended by the days of absence.

27.05.3 Observations:

- a. A formal observation shall be at least thirty (30) consecutive minutes in duration. Observations shall occur at least five (5) workdays apart. Teachers shall not be observed for the purpose of a formal observation evaluation on the day before or after a holiday recess, on the day after an absence due to illness, bereavement leave, calamity days, court leave, or on the first or last day of a marking period. This does not preclude a teacher from requesting to be evaluated on such a day.
- b. Teachers may request and will be granted a pre-observation conference to discuss the scope of the observation. Pre-observation conferences will occur at least ten (10) workdays prior to the observation.
- c. A post-observation conference shall be held no later than five (5) workdays after the observation during which areas of reinforcement and refinement will be discussed. Teachers shall be given the opportunity to provide evidence to support the areas of reinforcement and refinement during the conference.

27.05.4 Walkthroughs:

- a. A walkthrough shall consist of at least three (3) consecutive minutes, but not more than ten (10) consecutive minutes in duration.
- b. No more than six (6) walkthroughs shall be conducted in each evaluation cycle.
- c. A teacher shall be granted a formal debriefing after the walkthrough, upon request, to discuss the walkthrough. The evaluator will provide notes from the walkthrough to the teacher upon request.

27.05.5 Performance Assessment:

- a. The percent of teacher performance measure shall be based on the Ohio Standards for the Teaching Profession and Ohio law. The Committee will determine by consensus what the remaining percentage will be based upon.
- b. The evaluator will compile data from information obtained from professional growth or improvement plans, observations, walkthroughs, and conferences with the teacher being evaluated to determine the teacher performance rating.

27.05.6 Student Growth Measures:

- a. Student Growth Measures shall be based on SLOs, approved vendor assessments or value-added data, whichever measure is required.
- b. A student who has forty-five (45) or more absences for the school year will not be included in the determination of student academic growth.
- c. Per H.B. 362, a teacher who was on leave for fifty percent (50%) or more of the school year as determined by the Board shall not have the SGM portion used.
- d. When utilizing SLOs to construct SGMs, the teacher shall submit the completed SLO template for approval of the SLO no later than September 15th.
 - 1) The OTES Committee shall review and approve all submitted SLOs by October 15th.
 - 2) Any SLO that is rejected by the OTES Committee shall be returned to teacher/group with specific designation of deficiencies by October 29th and will have ten (10) school days to resubmit the corrected SLO.

27.05.7 Student Learning Objectives (SLO) Committee:

A standing SLO Committee shall be established for the purpose of reviewing and approving SLOs. The SLO Committee will be comprised of three (3) Association members who are appointed by the Association President and three (3) persons appointed by the Superintendent. The Board agrees to train six (6) teachers on SLO preparation. All Committee members must receive SLO training.

SLO Committee members shall be given release time to meet. For meetings which occur outside of the school day, teachers will be paid Thirty Dollars (\$30.00) per hour.

27.05.8 **Finalization of Evaluation:**

- a. A teacher's performance rating will be combined with the assessment of student growth measures to produce the summative evaluation rating based upon the Evaluation Matrix. The Evaluation Matrix will be added to the Agreement.
- b. The final evaluation will be completed by May 1st.
- c. No later than May 10th a copy of the formal written evaluation report shall be provided to the teacher. Within five (5) days after the issuance of the evaluation report to the teacher, a post-evaluation conference will be held between the teacher and the evaluator.
- d. The teacher and the evaluator shall sign the formal written evaluation report. The teacher's signature shall verify notification to the teacher that the evaluation will be placed on file but shall not be construed as evidence that the teacher agrees with the contents of the evaluation report.
- e. The teacher shall have the right to make a written response to the evaluation and to have it attached to the evaluation report to be placed in the teacher's personnel file. A copy, signed by both parties, shall be provided to the teacher. The evaluator's signature shall be construed as evidence of the evaluator's receipt of such rebuttal.
- f. The teacher's Final Summative Rating Report will be the only document submitted to the Ohio Department of Education through the cTPES System. The Board agrees to use the most simplistic evaluation reporting forms (Option 3).
- g. The evaluation rating category shall be the average of three (3) years of evaluations based upon the following formula:

Accomplished	=	4 points
Skilled	=	3 points
Developing	=	2 points
Ineffective	=	1 point

$$\text{Year 1} + \text{Year 2} + \text{Year 3} = \text{Total Points divided by 3}$$

The average evaluation rating will be determined by the rating nearest in points.

Example: A teacher had ratings over 3 years of Skilled, Accomplished, and Ineffective, respectively. The average 3-year rating will be determined as follows:

$$3 + 4 + 1 = 8 \text{ divided by } 3 = 2\text{-}2/3$$

The average rating in this example will be Skilled.

For teachers employed on or after July 1, 2014, the average evaluation rating shall be the average of the number of years of service in the District.

For teachers hired prior to July 1, 2014, the average evaluation rating will be based upon the most recent three (3) years of evaluations based upon the above formula.

For any reduction in force which occurs during the 2014-15 and 2015-16 school years, the reduction-in-force procedure in the prior Agreement will be used.

**WAPAKONETA CITY SCHOOL DISTRICT
COLLABORATIVE EVALUATION PROCEDURE**

Teachers on Track B will be responsible for developing a minimum of one (1), and a maximum of three (3), professional performance goals, mutually agreeable to the teacher and his or her evaluator. The Track B goals must be grounded in the *Enhancing Professional Practice* framework and will include a description of relevant strategies and indicators of success for each goal.

Two conferences (planning and assessment) will set the context in which the teacher and evaluator have the opportunity to discuss the teacher's goals, strategic plan, and indicators for success. The first of the two conferences, the *planning conference*, may be held in the spring of the school year preceding the year in which the goals are to be pursued or in the fall of the school year. The purpose of the planning conference is for the teacher and evaluator to reach agreement on the performance goals to be pursued and the success indicators to be applied. (Teachers participating in Track B may or may not have a formal observation by their evaluator.)

The final conference, the *assessment conference*, provides the context in which the teacher and evaluator meet to discuss the extent to which the indicators of success have or have not been achieved. This conference must occur prior to the end of the academic year. The one exception to this deadline applies to teachers who are eligible for a continuing contract. Such teachers must be observed a minimum of two (2) times by their designated evaluator and complete the final evaluation conference by March 31. The evaluator is responsible for assessing the teacher's success in achieving the stated goal(s) by writing a narrative assessment statement. The teacher has the opportunity to reflect on and respond to the evaluator's statement. When preparing their Track B goals, teachers may find it helpful to consider the following reflective prompts:

Reflective Prompts for Thinking about Track B Goals

- What would I like to change?
- What would I like to improve?
- What do I have to do as part of my job?
- What would I like to learn more about?
- What would I like to experiment with?
- What excites me? Interests me?
- What would motivate me?
- What could help my students be more successful?

Option 1 Goals	Option 2 Project
Evaluator assesses performance.	Teacher and evaluator collaboratively reflect on progress.
Involves only one (1) teacher.	May involve multiple teachers in a collaborative effort.
Activities occur within the school year.	Activities may extend beyond the year.
Focus is on improving professional performance in specific components from the EPP framework.	Focus is on acquiring advanced skill and knowledge that may transcend the EPP framework.
Focus is on improvement within the traditional job description.	Focus may transcend traditional misconceptions of professional practice.

Teachers who desire to pursue Option 1 must submit Form B-1 and have approval of the Principal. Teachers who desire to pursue Option 2 must submit Form B-2, have the approval of the Principal, and shall complete the following steps:

Step One: Exploration

In order to qualify for Track B, the proposed project must involve the participating teacher(s) in the process of *planned inquiry*. In other words, the project must attempt to answer a question or solve a problem that requires the teacher(s) to conduct an exploration of relevant information from the field of interest. The inquiry could take one or more of the following forms: literature reviews, site visits, interviews, participant observation, or other forms of data collection relevant to the proposed project.

Step Two: Development

The second required step in a Track B project requires that the participating teacher(s) develop a *final product* that represents the results of efforts which may go beyond a single school year. The final product may take any number of forms depending on the nature of the exploration conducted. For example, the answer to an action research question may take the form of a written paper or multi-media presentation that explains the results of the inquiry. Comparatively, a curriculum development project may result in the development of a syllabus for a new course or unit of instruction.
