# **ARTICLE 1 – PREAMBLE**

## **Section A**

This document represents an Agreement between the Lawrence County Child Support Unit and the Lawrence County Board of County Commissioners, hereinafter referred to as the Employer, and Ohio Council 8 of the American Federation of State, County, and Municipal Employees, (AFSCME), AFL-CIO, and Local 890, AFSCME, AFL-CIO, hereinafter referred to as the Union, for the purpose of establishing wages, hours, terms and other conditions of employment.

## **Section B**

Both the Employer and the Union have bargained fully and completely, and hereby acknowledge the opportunities both had to present proposals, counter-proposals, and demands.

Neither party therefore has any duty to bargain further during the term of this Agreement, except only as may be specifically agreed to in another article of this Agreement, or in the case of the parties' authorized representatives mutually agreeing in writing to do so.

Therefore, all proposals, counter-proposals, and demands not contained in this Agreement are withdrawn, and shall not be the subject of further discussion during the term of this Agreement.

The express provisions of this Agreement may be changed only by mutual agreement by the parties, reduced to writing, and signed by the authorized representatives of the parties.

## **Section C**

If any clause, sentence, paragraph, or part of this Agreement, or the application thereof shall for any reason be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect or invalidate the remainder of the Agreement. The remainder of the Agreement shall remain in full force and effect for the term of the Agreement.

In the event any clause, sentence, paragraph, or part of this Agreement or the application thereof is declared invalid, and where all available appeal procedures have been exhausted, the parties agree to meet within a reasonable time to begin negotiations

upon an alternative clause, sentence, paragraph or part of the Agreement, or application thereof.

## **ARTICLE 2 – RECOGNITION**

The Employer recognizes the Union as the sole and exclusive representative for the bargaining unit pursuant to SERB case number 2001-Rep-04-0096

**Included:** All employees of the Lawrence County Child Support Enforcement Agency including: Clerical Specialist, Clerk I & II, Delivery Worker, Investigator II, and Telephone Operator I.

**Excluded:** All management level, supervisory, and professional employees as defined in the Act, all guards and all seasonal and casual employees as defined by the Board, including: Director, I.M. Supervisor I and Attorney IV.

## **ARTICLE 3 – UNION SECURITY**

### **Section A**

Membership in the Union is available but not mandatory to any employee occupying classifications as determined by this Agreement to be appropriately within the bargaining unit as set forth in Article 2, Recognition.

### **Section B**

The Employer agrees to authorize the County Auditor to deduct Union membership dues in the amount authorized by the Union each pay period from the pay of any employee eligible for membership, provided that said employee has individually provided written authorization for such deductions to the Employer. Such dues shall be transmitted to Ohio Council 8, Controller, 6800 North High Street, Worthington, Ohio 43085-2512, along with a list of employees for whom deductions are made within fifteen (15) days of the date the deduction was made.

### **Section C**

It is agreed that the Employer assumes no obligation financial, or otherwise, arising out of the provisions of this Article, and the Union agrees that it will indemnify and hold the Employer harmless from any claims arising from the provisions of this Article.

### **Section D**

The Employer shall be relieved from making employee's dues deduction upon:

1. Termination of employment;
2. Transfer to a job classification excluded from the bargaining unit;
3. Layoff from work;
4. Approved leave of absence without pay;
5. Employee having failed to make wages equal the amount of dues deduction;
6. The check-off authorization and assignment may only be revoked by the member by giving the appropriate subordinate body and the Employer written notice of revocation during the thirty (30) to forty-five (45) day period prior to the expiration date of any collective bargaining agreement covering the member's employment.

**Section E**

The Employer will provide the Local Union and the Ohio Council 8 Athens Regional Office a list of the names and addresses of all bargaining unit employees effective thirty (30) days after the execution of this Agreement.

**Section F**

**FAIR SHARE FEE**

All employees in the bargaining unit hired prior to or after the effective date of this Agreement, who do not become members in good standing of the Union, shall pay a fair share fee to the Union upon the successful completion of their probationary period or from the effective date of this Agreement, one hundred and twenty (120) days from the employee's date of hire, as a condition of employment.

The fair share fee amount shall be certified to the Employer by Ohio Council 8. The Union agrees to annually provide its fair share fee challenge procedure to those employees paying a fair share fee.

The deduction of the fair share fee from any earnings of the employee shall be automatic and does not require a written authorization for payroll deduction. The deduction of the fair share fee is subject to those conditions contained in this Article, Section D, 1 through 5.

**Section G**

Whenever the county auditor determines logistically possible, the following will be implemented:

**PEOPLE CHECKOFF**

The Employer will deduct voluntary contributions to the American Federation of State, County and Municipal Employee International Union's Public Employees Organized to Promote Legislative Equality (PEOPLE) Committee from the pay of an employee upon receipt from the Union of an individual written authorization card voluntarily executed by the employee.

The contribution amount will be certified to the Employer by the Union. Monies deducted shall be remitted to the Union within five (5) to fifteen (15) days of the date they are deducted. Payment shall be made to the Treasurer of PEOPLE and transmitted to AFSCME, AFL-CIO, P.O. Box 65334, Washington, D.C., 20035. The payment will be accompanied by an alphabetical list of the names of those employees for whom a deduction was made and the amount of the deduction. This list must be separate from the

list of employees who had union dues deducted and the list of employees who had fair share fees deducted.

An employee shall have the right to revoke such authorization by giving written notice to the Employer and the Union at any time.

The Employer's obligation to make deductions shall terminate automatically upon receipt of revocation of authorization or upon termination of employment or transfer to a job classification outside the bargaining unit.

All PEOPLE contributions shall be made as a deduction separate from the dues and fair share fee deductions.

## **ARTICLE 4 – UNION BUSINESS**

### **Section A**

The Employer agrees to recognize the Chapter Chairperson, Vice-Chair and two stewards. The stewards, Chapter Chair and Vice-Chair may represent the Union or Union members in matters set forth in this Agreement. The Union agrees to notify the Employer in writing of the names of the Chapter Chair and Vice-Chair prior to their acting in such capacity.

### **Section B**

Each steward shall be allowed a reasonable amount of time to investigate and process grievances without the loss of pay.

This time shall be granted at the discretion of the supervisor or department head and consent of the supervisor or department head shall not be unreasonably withheld.

### **Section C**

The staff representative shall be permitted reasonable access to the premises for the purpose of consulting with bargaining unit members about the provisions of this Agreement, the adjustment of grievances, and those other purposes specifically described elsewhere in the provisions of this Agreement.

The staff representative shall make his/her presence known to management immediately upon arrival on the premises of the Employer.

### **Section D**

The Union agrees that the number of accredited non-employee staff representatives during any one (1) visit to the premises of the Employer shall be limited to a maximum of two (2).

The Union also agrees that officials of the Union, non-employee or employee, may interrupt the normal work duties of other employees only with prior approval of the employee's supervisor to conduct Union business; such approval shall not be unreasonably denied.

## **Section E**

The Union shall have the right to distribute Union material and literature on the premises of the Employer provided that if done by employees they do so on non-work time and provided it is not done in such a manner as to interfere with the operational requirements of the Agency.

## **Section F**

The Employer agrees to furnish an assigned area on one bulletin board in each building for use solely by the Union to be placed in a mutually agreeable location for the posting of Union material and literature.

## **Section G**

The Union agrees that any material or literature containing the following will not be distributed or posted:

1. Personal attacks upon any employee or official of the County;
2. Being of a nature that would discredit or be a disparagement to the image of the Lawrence County Commissioners or its employees by being profane or obscene or derogatory to any persons or group of persons.

Any material which does not comply with the above may be removed or restricted by the Employer and will be given to the Local Union President.

## **Section H**

Employees shall be permitted to engage in political activity of a partisan nature; however, due to the public nature of the premises of the Employer, the Union agrees not to actively campaign for or against candidates for public office through postings, campaign badges, notices, handouts, or informational picket, etc., on Department premises.

## **ARTICLE 5 – UNION NEGOTIATION COMMITTEE**

The Employer shall recognize a local union negotiating committee selected by the Union for purposes of contract negotiations. No more than four (4) employee negotiating committee members will be released from duty for participation in the negotiation process.

Negotiation committee members shall be paid their regular straight time rate of pay for all hours spent in the negotiating process during their regular and normal hours of work. Negotiations shall be conducted during normal business hours whenever possible.

## **ARTICLE 6 – MANAGEMENT RIGHTS**

Unless a public employer agrees otherwise in a collective bargaining agreement nothing in Chapter 4117 of the Revised Code impairs the right and responsibility of each public employer to:

- 1) Determine matters of inherent managerial policy which include, but are not limited to areas of discretion or policy such as the functions and programs of the public employer, standards of services, its overall budget, utilization of technology, and organizational structure;
- 2) Direct, supervise, evaluate, or hire employees;
- 3) Maintain and improve the efficiency and effectiveness of governmental operations;
- 4) Determine the overall methods, process, means, or personnel by which governmental operations are to be conducted;
- 5) Suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote, or retain employees;
- 6) Determine the adequacy of the work force;
- 7) Determine the overall mission of the Employer as a unit of government;
- 8) Effectively manage the work force; and
- 9) Take actions to carry out the mission of the public employer as a governmental unit.

## **ARTICLE 7 – GRIEVANCE PROCEDURE**

### **Section A**

A grievance shall be defined as any dispute that arises between an employee and management with respect to the interpretation or application of this contract, or the rights, obligations, or liabilities under the contract of the parties covered herein.

This grievance procedure specifically limits the process of review, appeal, or grievance (as defined above) and redress to the grievance procedure herein, and the Bargaining Unit employees waive any right to appeal or review to the State Personnel Board of Review regarding the terms of this Agreement.

### **Section B**

The parties agree that if an employee who files a grievance, also files a complaint with the E.E.O.C., O.C.R.C., or any other Federal or State administrative agency, jurisdiction regarding the same transaction or occurrence, or same or similar allegation(s) shall be held at the Federal or State agency.

The grievance shall be placed on hold at whatever grievance step it was at the time of the filing in the above referenced jurisdiction, and all time lines will be extended until the matter is resolved or dismissed from the above referenced jurisdiction.

### **Section C**

All grievances must be processed at the proper step in the progression in order to be considered at any subsequent step.

An employee may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal.

Any grievance not answered by management within the stipulated time limits shall be considered answered in the negative and may be advanced by the union to the next step in the grievance procedure.

All time limits on grievances may be waived or extended upon mutual written consent of both parties.

Each grievance processed under the above procedure shall be initiated at the level where the action being aggrieved occurred, unless another initiating point for a specific grievance is set forth in this Agreement.

#### **Section D**

A grievance may be brought by an employee of the Bargaining Unit. Where a group of Bargaining Unit employees desire to file a grievance involving a situation affecting each employee in the same manner, one member selected by such group may process the grievance as a group grievance, provided the grievance sets forth each employee to be included in the group grievance. All employees set forth in such grievance are bound by the outcome.

A union steward having an individual grievance may ask any steward or union officer to assist in adjusting the grievance.

Bargaining Unit employees have the right to present grievances at the first step and have them adjusted, without representation by the Union, as long as adjustment is not inconsistent with the terms of this Agreement, and as long as the Union is present at all grievance meetings, and is made aware of the answer for any settlement reached. No settlement agreements or grievance answers reached in cases where employees have filed grievances without union representation shall be binding on the Union or any other employee unless the Union is party to the Agreement.

#### **Section E**

All written grievances must be filed using the grievance form mutually agreed to by the Union and the Employer.

Any grievance not containing the necessary information shall be returned to the grievant with an explanation of which information the grievance is lacking. The grievant shall have two (2) working days in which to provide the additional information.

#### **Section F**

The following steps shall be followed in the processing of a grievance:

**Step 1:** The grievant shall have ten (10) working days from the occurrence of the event(s) that gave rise to the grievance or ten (10) working days from the time the grievant reasonably should have become aware of the event(s) that gave rise to the grievance, to file the grievance with the immediate supervisor. Upon being notified that a grievance has been filed at Step 1 of this procedure, a meeting shall be held between the grievant, the steward, the immediate supervisor, and the administrator. In the event the meeting is not held within four (4) working days as listed above, the

Union will notify the Director, at which point, the Director will see that the meeting will occur in twenty-four (24) hours of the same. At said meeting, the Union will give copies of the grievance and all relevant information pertaining to the same to the Employer. The immediate supervisor or administrator shall provide a written response to the grievant and the steward within five (5) working days of the meeting.

**Step 2:**

If the answer of the immediate supervisor is not satisfactory or is not timely, the grievant or Union may appeal the answer of the immediate supervisor to the Director of the Department within five (5) working days of the date the answer was received or should have been received. The grievance shall be considered at the meeting of the joint grievance committee, (which shall consist of the local president, one (1) employee designee of the Union, and/or a staff representative, and the Director and/or his designated representatives), which shall be scheduled by the Director not less than five (5) working days nor more than twenty (20) working days after the initiating of Step 2 appeal. If the grievance is not settled at the Step 2 meeting, the Director or his designee shall give a written answer to the Local President and the employee within five (5) work days of the meeting.

**Step 3:**

If the grievance is not satisfactorily settled at Step 2, the Union may request that the grievance be submitted to arbitration. A request for arbitration must be submitted within twenty (20) working days following the Director's reply to the grievance at Step 2 or the date such reply was due, or else the grievance shall be considered resolved.

Upon receipt of a request to arbitrate, the Union shall submit a request to the FMCS requesting a list of nine (9) impartial arbitrators; this shall be within fifteen (15) days from the submission of the request to arbitrate. The parties shall select a single Arbitrator from the list. The selection of the Arbitrator shall be made within fifteen (15) calendar days following receipt of the final list from the FMCS. Either party shall have the right to reject one list before selecting an Arbitrator. The Arbitrator will be selected by the alternate striking by each party of an Arbitrator upon the list until one name is left. The Employer shall be the first to strike a name during the first selection process; the Union shall strike first in the next selection process; and the parties shall alternate thereafter.

After the Arbitrator has been selected and a submission of applicable dates received, a date will be selected within thirty (30) calendar days.

At least twenty-four (24) hours prior to the arbitration hearing, the parties agree to submit, in writing, either a joint statement of the issue(s), or independent statements of the issue(s) being presented. The Arbitrator

shall limit his decision strictly to the interpretation, application, or enforcement of the specific Articles and Sections of this Agreement as they apply to the specific evidence and issues submitted and he/she shall be without power or authority to make any decision:

1. Contrary to or inconsistent with or modifying, amending, adding to, subtracting from, or varying in any way the terms of this Agreement or applicable law;
2. Concerning the establishment of wage rates not negotiated as part of this Agreement, except as otherwise provided in this Agreement;
3. Granting any right or relief on any alleged grievance occurring at any time other than during the contract period or any extension thereof.

The decision of the Arbitrator resulting from any arbitration of grievances hereunder shall be in writing and shall be final and binding, subject to the provisions of the Ohio Revised Code as it relates to arbitration.

The expenses of any non-employee witness shall be borne, if at all, by the party calling them. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter, or request a copy of any transcript.

The cost of the services of the arbitrator shall be borne equally. However, each party is responsible for its own costs, transcript fees, or representation fees.

The Arbitrator shall be requested to submit a total accounting for the fees and expenses of arbitration.

The Arbitrator shall be requested to render his decision as quickly as reasonably possible, but in any event, no later than thirty (30) calendar days after the conclusion of the hearing unless the parties agree otherwise.

## **Section G**

If the Arbitrator's decision awards the payment of back wages covering the period of the employee's separation from the Employer's payroll, the amount so awarded shall be less any unemployment compensation or earned wages and shall not include the assumption an employee would have worked overtime during the period of separation from the Employer's payroll.

## **Section H**

All grievance settlements reached by the Employer and the Union shall be final, conclusive, and binding on the Employer, the Union, and the employee(s). A grievance may be withdrawn by the Union at any time during any step of the grievance and arbitration procedure and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to that grievance or any other grievance.

## **Section I**

All procedures relevant to the Arbitrator's hearings shall be in accordance with the rules and regulations of the FMCS.

## **ARTICLE 8 – SENIORITY DEFINITION AND CALCULATION METHOD**

### **Section A**

Classification seniority shall be defined as the total length of time the employee has been in his/her present classification.

Agency seniority shall be defined as total time of continuous service with the Lawrence County Department of Job & Family Services Child Support Unit.

For the purpose of computation of longevity and vacation pay, service with other agencies in the Ohio Civil Service System shall be included.

### **Section B**

Resignation, removal for just cause, and retirement shall constitute an immediate break in service. Failure to return to work from a layoff or disability leave or disability separation within the specified time limits shall also constitute a break in service.

Upon PERS approval of a statement of retirement to the Public Employees Retirement System, the affected employee shall be considered retired from the Civil Service System and shall constitute an immediate break in service and discontinuation of employment with the Lawrence County Department of Job & Family Services Child Support Unit.

### **Section C**

A seniority list will be posted annually by seniority date. The Employer agrees to update the seniority list as it is warranted by personnel changes and actions.

### **Section D**

Ties in seniority among current employees shall be broken by the effected employees drawing numbers from a box with the employee having the lowest number being the more senior (etc.). this shall be done within thirty (30) days of completing the initial probationary period.

**Section E**

If two (2) or more employees are hired on the same date subsequent to the signing of this contract, the same procedure as outlined in Section D of this Article will be initiated upon the successful completion of the probationary period.

## **ARTICLE 9 – JOB DESCRIPTIONS**

### **Section A**

Each employee and the Union shall be provided with a copy of the job description for their classification.

## **ARTICLE 10 – VACANCIES AND POSTINGS**

### **Section A**

The Employer has the right to determine whether or not a vacancy exists, and whether or not a vacancy is to be filled.

### **Section B**

If pursuant to Section A above the Employer has determined that a vacancy is to be filled the following will occur:

1. The Employer shall post a notice of the existence of a vacancy.
2. This notice shall be posted on a bulletin board in the effected department and in such other places as determined by the Employer and the Union.
3. This notice shall be posted four (4) working days including the date it was first posted.
4. The notice shall contain the following:
  - a. Job title;
  - b. Qualifications;
  - c. Rate of pay; and
  - d. Brief summary of duties.
5. Applications must be filed during the posting period and must meet the essential qualifications to be considered. Extraordinary circumstances, i.e., and employee being on vacation, will be acknowledged by the Employer for application purposes. Employees on approved leaves of absence status shall be eligible for the vacancy and/or posted position provided that they will return to work within thirty (30) days from the period of time that they have been appointed to the vacant or posted position and have applied during the posting period.

### **Section C**

In considering any individual to fill a vacancy, the Employer will consider the following criteria as they apply to Section B:

1. Individual qualifications of the applicant;
2. Ability to meet requirements of the position available;

3. Ability to perform the essential functions of the position;
4. If two or more applicants are equally qualified, then the most senior applicant will be awarded the position.

#### **Section D**

The Employer agrees to make every effort to promote senior employees in consideration of the conditions as listed in Section C. An employee who is awarded a promotion will be given a 120 calendar trial period with supervision and training to enable the employee to qualify for the position on a permanent basis. If the employee fails to satisfactorily perform the duties of the position, he/she may be returned to his/her former position by the Employer or themselves and former rate of pay at any time prior to the 120<sup>th</sup> calendar day served in the new position and may not reapply to said classification for a period of twelve (12) months. Voluntary demotions have no probationary period.

#### **Section E**

In-house applicants will be given first consideration as candidates for the filling of vacancies.

#### **Section F**

Both parties agree that, except for original appointments bargaining unit positions shall be filled in accordance with the promotional provisions of this Article and Article 9 (A).

#### **Section G**

Employees wishing a position transfer or lateral transfer shall place a bid during the posting period as listed in Section B of this Article.

**A POSITION TRANSFER** shall be defined as the moving of an employee within a classification to a different unit assignment, location, or work function which does not necessitate a classification change.

It is agreed that requests for position transfers, when the duties and functions of the position are the same or similar, shall take precedence over other applicants for promotion.

If a position transfer occurs from a posting, the Employer does not have to report the position vacated by the position transfer, but may consider those who applied originally.

**A LATERAL TRANSFER** shall be defined as the moving of an employee, by the appointing authority, to a position which falls within the same pay range, but necessitates a change in classification.

Job assignments and functions within a classification are not considered as a lateral transfer, or any type of transfer, unless they are a result of a posted vacancy.

## **ARTICLE 11 – PROBATIONARY PERIODS**

### **Section A**

All newly hired employees shall serve a probationary period of 120 calendar days in length. Employees serving the initial probationary period shall not be eligible for posted positions until they have successfully completed the 120 day initial probationary period.

After the first half of the probationary period and before the end of the second half of the probationary period, the Agency may terminate employment without appeal or grievance.

### **Section B**

All newly promoted employees will serve a probationary period of 120 calendar days.

Employees who do not make probation may be returned to their former position during the probationary period by the Employer or themselves.

### **Section C**

Newly hired and newly promoted personnel will be provided training on the job by the management staff who will attempt to make training uniform. Specified training of employees by any other employee shall be considered part of that assigned employee's duties only if said employee has received the specialized training.

Bargaining unit members may be required at the direction of management to provide assistance during a transitional period.

This transitional assistance shall involve providing assistance regarding general job duties, unit practices, and routine tasks for the position.

### **Section D**

In the event a promoted employee does not make probation and is thus returned to their former position by the Employer or themselves, the employee(s) displaced as a result will not have any right of grievance relating to their being returned to their former position(s).

If loss of employment is the result of the displacement, the employee will be laid off in accordance with the provisions of this Agreement, unless they are newly hired probationary employees, in which case employment will be terminated without any right of appeal.

## ARTICLE 12 – TEMPORARY ASSIGNMENTS

1. Management has the unqualified right to temporarily assign bargaining unit members to perform work or duties of another position.
  - a. The temporary assignments will only be offered to qualified bargaining unit members.
  - b. Bargaining unit members assigned temporary duties for more than one (1) hour will be compensated at the highest rate of pay; their regular rate of pay if assigned to a lower rated position.
2. Management agrees temporary assignments that extend more than thirty (30) working days will be posted for bid under Article 10 – Vacancies and Postings. This posting shall be posted as a temporary bid until the return of the employee or notification to the Employer that the employee terminates employment, if management makes the determination that the position is to be filled.

## **ARTICLE 13 – OVERTIME**

### **Section A**

The purpose of this Article is to provide the basis for the calculation of and the payment for overtime and allowed time as provided in this Agreement.

### **Section B**

Definition of Terms:

1. The payroll week shall consist of seven (7) consecutive days beginning with Sunday at 12:01 a.m. or the nearest starting thereto.

### **Section C**

Conditions under which overtime rate shall be paid:

1. Overtime at the rate of one and one-half (1 ½) times the regular rate of pay shall be paid to an employee for hours worked in excess of forty (40) hours in a payroll week.
2. The Employer shall attempt an equitable distribution of overtime among employees within established classification groups. Employees who are offered overtime and for any reason refuse or fail to work the overtime shall be credited as if they had worked the overtime for the purpose of overtime distribution.
3. The Employer shall maintain an overtime roster by department by classification groups, which shall show employees by name and classification and reflect the hours of overtime worked, and shall be posted monthly. Balance will return to zero annually on the effective date of contract.
4. The Employer shall establish an overtime roster of bargaining unit employees by classification groups:

Child Support Unit:

Investigator II  
Clerical Specialist  
Clerk II  
Delivery Worker  
Clerk I

### Telephone Operator I

5. If it is determined that overtime has not been equitably distributed, the employee adversely affected shall be given the next available overtime until the overtime has been equalized.
6. For the purpose of calculating overtime, any time spent in paid status, such as sick days, holiday, vacation, etc., shall be counted as hours worked during the work week.
7. There will be mandatory overtime only when necessary to fulfill operational requirements determined by the reasonable discretion of the Administrator. In instances of mandatory overtime, the employees with the greatest classification seniority in the group will be offered first chance to reject, continuing through the group. The option of refusing is also dependent upon the number of employees in that classification required to fulfill the operational needs of the work to be performed.

### Section D

#### Compensatory Time:

1. The county may provide compensatory time off in lieu of monetary overtime compensation, at a rate of one and one-half (1 ½) hours of compensatory time for each hour of overtime worked.
2. Employees may accrue up to 240 hours compensatory time (or 160 hours of actual overtime work). Thereafter overtime will be paid at the rate in cash.
3. The employee is permitted to make his/her choice (overtime pay or compensatory time off) known to the Employer not later than the end of the workweek in which overtime was earned.
4. Upon termination of employment, an employee will be paid for unused compensatory time at the rate of pay they are presently earning.
5. If an employee wishes to use compensatory time off, it shall be at a time consistent with the operating needs of the Employer, and only with prior approval of the supervisor or designee.

**Section E**

Overtime must be authorized in advance by the supervisor or department protocol.

**Section F**

Should an employee be required to work any holiday as listed in Article 24 of this Agreement, the employee shall receive two (2) times the hourly rate in addition to holiday pay for all hours worked on said holiday.

## **ARTICLE 14 – CONTRACTING OUT**

The Employer shall have the right to contract out work provided that no bargaining unit employee is laid off, reduced in pay, displaced, or demoted. The Employer agrees that during a period of layoff, wherein employees have recall rights, no regular work of bargaining unit employees will be contracted out.

## **ARTICLE 15 – LAYOFF AND RECALL**

### **Section A**

In the event of a reduction of the working force by reason of shortage of funds, lack of work, or an emergency situation and it becomes necessary to reduce the number of employees in a job classification; the following procedures will govern such layoff and/or subsequent reinstatement.

### **Section B**

## ARTICLE 17 – LATE AND ABSENTEEISM POLICY

Background: The parties (Lawrence County Department of Job and Family Services and AFSCMD Local 3319) have concerns regarding absenteeism and lateness. A pattern of absenteeism and lateness has developed that affects morale, the flow and distribution of work and services to clients. The parties seek to develop and implement a policy that is fair and impartial and meets the needs of the agency, the employees and the agency's clients.

The guidelines will apply to all agency employees whether management or union.

Reoccurring incidents of lateness or absenteeism due to the chronic medical condition of an employee or an employee's family member shall be dealt with through the application of the Family and Medical Leave Act (FMLA), ADA, and Workers' Compensation with time running concurrent.

### Lateness

1. There will be a "no fault" policy regarding start of shift lateness. Late is late and is defined as 8:31 a.m.
2. Employees will be allowed twelve (12) incidents of lateness per year. Upon the 12<sup>th</sup> incident, the employee will be counseled that they have reached their limit for the year. This counseling is not to be considered as discipline. Subsequent violations of the policy will be handled according to the contract language regarding discipline.
3. **If during inclement weather, the school district in which you reside has a delay, you will not be considered late. The employee will, however, be responsible for the time used after 8:30 a.m.**

### Extended Lunches

The practice will continue as in the past with the exception that if an employee knows he or she is going to or may be late returning, their Supervisor is to be notified, by email prior to the employee leaving for lunch. If, during the lunch period, it becomes apparent that the employee may be late returning (15 minutes or more) they are to notify their Supervisor by phone. Failure to do so will count as late.

### Absenteeism

The current contract language made dealing with absenteeism more difficult. As a result the parties agreed upon a list of things to be taken into consideration when determining whether the use of vacation, sick or personal time is abusive. Vacations, sick or personal time scheduled in advance are exempted and will not be cause for discipline. The

problem areas identified was the excessive use of same-day call-ins for sick, personal or vacation days.

The considerations are:

1. Frequency
2. Lack of Notice
3. Pattern – for example: Fridays, Mondays, days before or after holidays, etc.
4. Impact on Workload

Employees utilizing eight (8) hours sick leave the day before and/or the day after a scheduled vacation or holiday without a valid documented proof of illness (Doctor's statement) shall be subject to corrective action.

Tracking rosters will be made accessible to the union steward for purpose of investigating consistency of application throughout the agency. Verbal and written reprimands which are noted in the employee's file are subject to appeal under the grievance procedure to Step 2 only.

Grievance answers on verbal reprimand grievances shall not be considered as establishing precedence on any of the issues raised in the grievance or as determinative on any contract violations cited as a part of the grievance.

### **Section D**

Corrective action beyond verbal and written reprimands is subject to appeal through the grievance procedure starting at Step 2, including final and binding arbitration.

### **Section E**

An employee shall have the right to a disciplinary hearing before the Employer (or designee) for any disciplinary action resulting in suspension, reduction in pay or position, or discharge from employment.

### **Section D – Family and Medical Leave**

1. In accordance with the Family and Medical Leave Act of 1993, bargaining unit members who have worked at least 1,250 hours in the past twelve (12) months shall be annually entitled to a maximum of twelve (12) weeks of unpaid sick leave for the following reasons:
  - A. To care for a newborn son or daughter
  - B. For a placement of a son or daughter with the bargaining unit member for adoption or foster care.
  - C. To care for a seriously ill spouse, child, or parent; or
  - D. Because of their own serious health condition.

Entitlement to child care shall end upon the child reaching one (1) or twelve (12) months after the date of adoption or foster placement.

2. Bargaining unit members must give the Director at least a thirty (30) day notice or as much notice as is practicable in foreseeable situations, of the desire to use family and medical leave.
3. Bargaining unit members may be required to use their accumulated paid sick leave and personal leave prior to using unpaid leave, not to exceed a maximum combination of twelve (12) weeks. (For example: 4 weeks of paid sick leave and 8 weeks of unpaid sick leave combination.)

4. Medical certification shall be required to substantiate leave for the reasons stated in 1(C) (if required by statute) and 1(D) above with the Employer having the option of requiring second and third opinions at the Employer's expense. Medical certification shall include the following:
  - A. The date the condition began;
  - B. The probate duration of the condition;
  - C. The appropriate medical facts regarding the condition and the necessity for the leave; and
  - D. A statement that the bargaining unit member is unable to perform the essential functions of his/her position during this period of leave.
  
5. Bargaining unit members may be entitled to use family and medical leave on an intermittent or reduced leave schedule basis upon mutual agreement between the Employer and employee and provided all requirements have been satisfied.
  - A. When a bargaining unit member used family and medical leave on an intermittent or reduced leave schedule basis, the Employer may temporarily transfer the bargaining unit member to an alternative position with equivalent pay and benefits which would better accommodate the recurring periods of leave and not disrupt the services provided to the public. Upon return from leave the employee will be restored to his/her former position or an equivalent position.
  
6. Health insurance benefits shall continue during the period of family and medical leave, not to exceed a total of twelve (12) weeks per year, with the Employer paying the County share of health insurance premium. The employees must make arrangements for payments to continue his/her portion of health insurance premium. The Employer may recover any premiums paid if the employee fails to return to work, unless the failure to return was due to the continuance, recurrence or onset of a serious health condition or due to other circumstances beyond the bargaining unit member's control.
  
7. For the purpose of this Article, the following definitions shall apply:
  - A. "Serious Health Condition" – an illness, injury, impairment, or physical or mental condition which involves inpatient care of three (3) days or more in a hospital, hospice, or residential care facility, or continuing treatment of at least two (2) or more visits or supervision by a health care provider.

- B. "Reduced Leave Schedule" – a leave schedule that reduces the usual number of hours per workweek, or hours per workday of a bargaining unit member.
8. Upon return from leave of absence, the employee will be restored to the position held prior to the commencement of the leave or to an equivalent position with equivalent pay, without loss of seniority.
  9. Employees shall continue to accrue benefits per contractual language if in paid status.
  10. Employees do not accrue vacation and/or sick leave or other benefits unless otherwise stated herein while on unpaid leave status.
  11. Eligible employees with a spouse, child, or parent on federal active duty or call to federal active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies include activities related to short-notice deployment, attending military events, arranging for alternative childcare or attending school activities, addressing financial and legal arrangements, attending counseling sessions, attending post-deployment reintegration briefings, and spending time with a covered military member who is on rest and recuperation leave.
  12. Employees may also be eligible to take up to 26 weeks of leave to care for a covered service member during a single 12-month period.

"Covered service member" refers to an employee's spouse, child, parent, or next of kin, who is a current member of the Armed Forces, including a member of the National Guard or Reserves, who incurred a serious injury or illness in the line of active duty that renders the service member medically unfit to perform his or her duties and for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or in on the temporary retired list.

"Next of kin" has the same definition as set forth in 29 CFR 825.127(b)(3).

The 26 weeks of leave is to be applied on a per-covered-service member, per-injury basis such that an eligible employee may be entitled to take more than one period of 26 work weeks of leave if the leave is to care for different covered service members or to care for the same service member with a subsequent serious injury or illness, except that no more than 26 work weeks of leave may be taken within any "single 12-month-period".

The "single 12-month-period" begins on the first day the employee takes leave to care for the covered service member and ends 12 months after that date. An employee who is entitled to take leave due to a different FMLA-qualifying reason may take leave during the same single 12-month-period in which leave is taken to care for a covered service member, but the total leave taken for any purpose during the single 12-month period may not exceed 26 work weeks overall.
