- b. The placement with the employee of a son or daughter for adoption or foster care;
- c. To care for the employee's spouse, son, daughter, or parent with a serious health condition; and
- d. Because of a serious health condition that makes the employee unable to perform the functions of his/her job.

29.03 The annual twelve (12) month period shall commence and be measured forward from the date the employee first uses the leave set forth above.

29.04 Any provisions under sick leave, leave of absence, funeral leave, etc. that are found to be improved benefits as compared to the Family and Medical Leave Act shall not be reduced to comply with said Act.

29.05 Employees shall have the option of utilizing vacation or sick leave prior to the use of unpaid leave.

29.06 The word "son" or "daughter" used in this Agreement includes stepson and stepdaughter.

ARTICLE XXX

SICK LEAVE

30.01 Sick leave shall be cumulative at the rate of four and six-tenths (4 6/10th) hours for every eighty (80) hours worked. A total of twenty-five hundred (2,500) hours may be accumulated. If an employee, after March 1, 2001, accrues sick leave in excess of twenty-five hundred (2,500) hours, he may, at his option, receive one (1) paid day for every four (4) days of unused sick leave. If an employee has in excess of twenty-five hundred (2,500) hours before March 1, 2001, he can only receive one (1) day for every four (4) days of unused sick leave accumulated after March 1, 2001. Sick leave must be exchanged or used by the end of each calendar year.

Notwithstanding the above, employees hired on or after December 1, 2014, shall accumulate sick leave to a maximum of two thousand (2,000) hours.

30.02 Sick leave may be used, upon approval of the Department Head for absence due to personal illness, injury or exposure to a contagious disease which could be communicated to

other employees, and for absence due to illness, injury or death in the employee's immediate family. For the purposes of this subsection "immediate family" means spouse, children, step-children, brother, sister, mother (natural and in-law) and father (natural and in-law).

30.03 Any employee who transfers from any other public agency of the government or the City shall be credited with the portion of his accumulated sick leave up to the maximum permitted by City ordinance. Credit upon re-employment of any employee shall be as provided in Ohio Revised Code §124.38.

30.04 A doctor's certificate may be required at the discretion of the Department Head.

30.05 The employee shall be paid at straight time for the number of hours he would have worked on the day granted as sick leave.

30.06 Each employee of the City with ten (10) or more years of service with the City shall receive payment based on the Employee's rate of pay, upon termination of employment with the City, transfer to another governmental agency or retirement as follows: at ten (10) years of service, fifty (50%) percent of the Employee's accrued but unused sick leave; at seventeen (17) years of service, sixty (60%) percent of the Employee's accrued but unused sick leave; at twenty (20) years of service, sixty-eight (68%) percent of the employee's accrued but unused sick leave; at twenty-five (25) years of service and above, seventy-five (75%) percent of the Employee's accrued but unused sick leave, with a permitted maximum accrual of twenty-five hundred (2,500) hours.

30.07 When an employee entitled to payment under this Section terminates his employment, transfers to another government agency or retires under the Public Employees Retirement System or the Police and Fire Disability and Relief Fund, the Director of Finance shall give written notice to each such employee affected, within fourteen (14) days of such termination, transfer or retirement.

30.08 If an employee, eligible for payment or transfer of accumulated, unused sick leave, as the case may be, and pursuant to this Section, does not apply to the Employer within one hundred twenty (120) days after receipt by such employee of written notice of eligibility for payment or transfer of accumulated, unused sick leave, the Director of Finance shall make payments to such employee in the amount as heretofore provided in this Section.

30.09 An employee who is absent on sick leave may be required to present a certificate stating the nature of the illness from a licensed physician, dentist or chiropractor, for any illness of more than three (3) days duration. At the discretion of the Employer, an employee may be required to submit to and pass a physical or mental examination by a licensed physician satisfactory to the Employer before being permitted to return to work. If the physician is designated by the Employer, the Employer will bear the expense of said examination. Should there be a difference of opinion between the employee's physician and the Employer's physician, the employee shall be sent to a third doctor mutually agreed upon between the parties, whose opinion shall be controlling, with the costs shared equally by the employee and the Employer.

30.10 The Employer shall pay the sum of fifty (\$50.00) dollars to each employee who has not missed more than one (1) hour in a stated one (1) month period other than for a funeral for the immediate family, as described in Section 167.04(b) of the Codified Ordinances, scheduled vacation or personal time. The first 3 month period as set forth hereunder shall be beginning with the first day of March, 2002 and each payment provided for hereunder shall be made, where practicable, within thirty (30) days after the conclusion of each three (3) month period.

ARTICLE XXXI VACATIONS, ACCUMULATION OF TIME

31.01 When an employee who has been in the employ of Employer for one (1) or more years is terminated, retires or leaves said employment, said employee shall be entitled to the vacation pay due him for the entire year. Vacation time for each employee each year shall be computed by crediting said employee with one-twelfth (1/12) of his vacation of each month commenced after his anniversary date.

31.02 Service Department employees are deemed forty (40) hour week employees and vacation time and payments shall be computed as follows:

A. The Director of Finance is hereby authorized to account for the hourly accumulation of earned vacation time on the bi-weekly payroll check of every City employee. Earned vacation time on an hourly basis shall be accumulated and taken by all employees on the following basis:

1. Forty (40) hour employees:
 - a. Three and eight-hundredths ($3 \frac{8}{100}^{\text{th}}$) hours for each two (2) week pay of service from the date of initial employment up to and including the sixtieth (60^{th}) month.
 - b. Four and sixty-two hundredths ($4 \frac{62}{100}^{\text{th}}$) hours for each two (2) week pay of service after the sixtieth (60^{th}) month up to and including the one hundred and twentieth (120^{th}) month.
 - c. Six and sixteen-hundredths ($6 \frac{16}{100}^{\text{th}}$) hours for each two (2) week pay of service after the one hundred and twentieth (120^{th}) month up to and including the two hundred and sixteenth (216^{th}) month.
 - d. Seven and seven-tenths ($7 \frac{7}{10}^{\text{th}}$) hours for each two (2) week pay of service after the two hundred and sixteenth (216^{th}) month up to and including the three hundredth (300^{th}) month.
 - e. Nine and twenty-three one hundredths ($9 \frac{23}{100}^{\text{th}}$) hours for each two (2) week pay of service after the three hundredth (300^{th}) month.

2. Schedules:

- a. All vacation time earned must be taken in time off in the year after the year in which it is earned.
- b. In all Departments, time earned must be scheduled with the Director of Public Service. Schedules are to be coordinated so as not to disrupt necessary City services or functions of the Department.
- c. All employees must file their vacation time request with their Department Head on or before the date designated by such Department Head.
- d. If more than five (5) employees in the Department request the same time in which the vacation is to be taken and if such time would affect the efficiency of the Department, the employee with the most seniority shall have preference.
- e. Upon prior approval of the Employer, employees may use vacation in one (1) day increments. The Director of Finance is hereby authorized to pay each City employee at the termination of his employment vacation time to which he is entitled. Hourly employees shall be paid by multiplying the number of accumulated hours of earned vacation time times their hourly rate. Salaried employees shall be paid their number of accumulated hours of earned vacation time times their normal number of work hours per year divided into their yearly salary.

ARTICLE XXXII

SAFETY

32.01 The City recognizes its responsibility to maintain all vehicles in safe operating condition and equipped with the safety appliances prescribed by law.

ARTICLE XXXIII

LAY-OFF AND RECALL

33.01 Where, because of lack of work, lack of funds, reorganization, abolishment of jobs or functions or otherwise, the Employer determines it necessary to reduce the size of its workforce, the Employer shall give written notice to the Union President or his designee no less than ten (10) days in advance of any such lay-off, indicating how many employees will be affected and what Department(s) are being reduced. Such reductions shall be made in accordance with the provisions hereinafter set forth.

33.02 Employees within affected job positions/titles shall be laid off according to their relative City seniority with the least senior employee being laid off first providing that all part-time,

temporary and probationary employees within the affected job position/title(s) in the Department are laid off first.

33.03 Employees who are laid off from one job position/title may only displace (bump) another employee with lesser seniority in a lower rated job position/title within the same Department. (See Appendix C for Notice of Bumping.)

33.04 Employees who are bumped by a more senior employee shall be able to bump another employee with lesser seniority in a lower rated job position/title pursuant to the provisions of paragraph 32.03 above.

33.05 At the end of the bumping process, the employee who is bumped and unable to bump another employee pursuant to the above provisions shall be laid off.

33.06 Employee(s) who are laid off shall have the option of bumping another employee pursuant to the above provisions, or being directly laid off by the Employer. A more senior employee may voluntarily accept layoff.

33.07 In all cases where one (1) employee is exercising his seniority to bump another employee, his right to bump into another Department is subject to the conditions that he is qualified for the position and able to perform the functions and duties of the position into which he is attempting to bump.

33.08 Recalls shall be in the inverse order of lay-off and a laid off employee shall retain his right to recall for two (2) years from the date of his lay-off.

33.09 Notice of recall shall be sent to the employee's address listed on the Employer's records and shall be sent by certified mail. An employee who refuses recall or does not report for work within then (10) working days from the date the Employer mails the recall notice, shall be considered to have resigned his position and forfeits all rights to employment with the Employer.

33.10 Employee(s) scheduled for lay-off shall be given a minimum often (10) days advance notice of lay-off.

33.11 Each notice of lay-off shall contain the following information:

1. the reason for lay-off or displacement;
2. the date of lay-off or displacement becomes effective;
3. the employee's seniority date in the job position/title;
4. a statement advising the employee of the right to recall and reemployment.

33.12 In the event an employee refused recall to a job position/title other than that from which he was laid off, such employee shall lose recall rights for the original job position/title. If said

refusal is for a recall to the employee's original job position/title, such employee shall be removed for the recall list.

33.13 In the event of extenuating circumstances such as illness, injury, or other good cause preventing the employee from returning within the time limit above, the Employer may grant a reasonable extension, not to exceed thirty (30) days. In the event such illness or injury precludes an employee from returning to work within the time limit above (including extension), such employee shall be bypassed for recall, but shall remain on the recall list, for the remainder of the term of the recall period. The denial of an extension shall not be made in an arbitrary manner.

33.14 A laid off employee will be recalled to the first available job position/title that they may be qualified to perform in accordance with their seniority. For the purpose of recall, it shall be the employee's responsibility to have a current address on file with the Employer.

33.15 Recall lists shall be kept current by the Employer and posted on the bulletin boards agreed to by the Union. The Union president shall be furnished and/or forwarded a copy of all recall lists as they are made current by the Employer.

ARTICLE XXXIV TEMPORARY TRANSFERS

34.01 Any employee who is temporarily assigned to a position/title within the bargaining unit with a rate of pay lower than the rate of pay he is regularly paid, shall receive his regular rate of pay for all time worked in such position.

34.02 An employee who is temporarily assigned for a full eight (8) hour work day or longer to work in a position/title within the bargaining unit having a rate of pay higher than such employee's regular position/title shall receive the higher rate of pay for all hours worked in the higher position/title.

34.03 Temporary assignments or transfers will not normally exceed one hundred eighty (180) days. If a temporary assignment or transfer lasts for one hundred eighty (180) days, the position/title shall be declared vacant and filled on a permanent basis if the Employer intends to fill such position/title for any amount of time thereafter.

34.04 The Employer will not transfer employees when employees in the higher position/title are available to perform the work in question. Temporary transfers shall not be for arbitrary or capricious reasons.

ARTICLE XXXV VACANCIES AND JOB POSTINGS

35.01 When a job vacancy or vacancies occur within the bargaining unit and the Employer intends to fill the vacancy, the Employer will post an announcement of such vacancy or vacancies on all Union bulletin boards. Said postings shall remain posted for a period of five (5) working days. The announcement shall contain the job title of the vacancy, a brief job description and the rate of pay, and the date of the posting and bid deadline date.

35.02 Any employee wishing to apply for the posted vacancy must submit his application in writing to the Service Director's office by the end of the posting period in order to be considered for the position. The written application form is attached hereto as Exhibit "E."

35.03 If more than one (1) qualified employee applies for a vacancy, the vacancy shall be awarded to the employee who has the highest degree of qualifications, skill, experience and ability to perform the work in questions, as determined at the discretion of the Employer. If the qualifications, skill, experience and ability of the two (2) or more qualified applicants are substantially equal, seniority shall govern.

35.04 The effective date of the promotion shall be as soon as possible. After the selection has been made, and once the selection has been made, the Employer will notify all applicants and the Union President, or his designee, of the selection.

35.05 Nothing in this Article shall be construed to limit or prevent the Employer from temporarily filling a vacant position from the bargaining unit for a six (6) month period of time, pending the Employer's determination to fill the vacancy on a permanent basis.

35.06 An employee who is awarded a new job position/title shall be required to satisfactorily complete a ninety (90) day probationary period. He will be considered to have qualified on the new job when he satisfactorily performs the required duties with no more supervision than is required of other employees on the same or similar jobs and when his record as to quality and quantity of work meets the standards applicable to the job. If, during the probationary period or at the end of the probationary period, it is determined, at the Employer's sole discretion, that the employee cannot satisfactorily perform the new job, he will be returned to his previously held position at this prior rate of pay.

35.07 If no applications are received or if the Employer determines that none of the applicants are qualified for the job, the Employer may fill the job by hiring a qualified new employee from outside the bargaining unit.

35.08 No employee shall be eligible for promotion under these provisions who has not satisfactorily completed the required probationary period for his existing position.

35.09 New employees will be trained in all areas within one (1) year of employment. Current employees will be given an opportunity to learn all areas of interest within one (1) year of ratification of this Agreement.

ARTICLE XXXVI COMMERCIAL DRIVER'S LICENSE

36.01 Employees who are required by law to obtain and maintain a Commercial Driver's License and other necessary endorsements will do so with the City paying only the cost of the examination, and the difference between the cost of a Commercial Driver's License and an operator's license. However, should an employee fail to obtain or maintain his Commercial Driver's License or other necessary endorsements as required, he will be demoted to the next lower class which does not require the employee to have a Commercial Driver's License or other

necessary endorsement, if a vacancy in such lower class exists. The Service Director shall have the discretion to require new hires to obtain a tanker endorsement. For purposes of this Section, new hires are those employees hired on or after March 1, 2007.

36.02 Any employee who has not previously possessed a Commercial Driver's License shall not suffer loss of employment status by virtue of this Section.

ARTICLE XXXVII MILEAGE AND EXPENSE ALLOWANCE

37.01 The Director of Finance is authorized to pay, upon the written approval of the Mayor, to each Service Department employee who may be required to use his personal vehicle for Employer directed business, an allowance of thirty-two and one-half cents (32.5¢) per mile or the amount allowed by the Internal Revenue Service in computing income tax deductions whichever is higher for the actual use by such official or employee of his own motor vehicle. Invoices or other written evidence of the mileage and the nature of official business undertaken may be required by, and shall be in such form as the Director of Finance shall determine. Receipts for any expenditures under ten (\$10.00) dollars shall not be required, provided such items are listed on an expense account form. Similar reimbursement may be made for actual expenditures by the official or employee for parking fees, meals, lodging and other incidental expenses of such trips. In the event of any dispute over the propriety or amount of any such claim for reimbursement, the decision of the Mayor shall be final for administrative officials and administrative employees and the decision of the President of Council shall be final for members of Council and Council employees.

37.02 No person shall knowingly submit any substantially false claim for mileage reimbursement or other expenditure authorized to be reimbursed under subsection (a) hereof and no person shall make or authorize the making of any payment known by him to be false in any substantial respect.

37.03 Payments to employees under this Article shall be made only for trips out of the corporate limits of the City.

37.04 This Article shall not apply to inspectors for the use of personal cars for City inspections.

ARTICLE XXXVIII HEALTH BENEFITS AND SPENDING PLAN

38.01 For the term of this Agreement, the Employer agrees to provide bargaining unit employees health insurance, inclusive of medical, hospitalization, dental, eye care and prescription coverage (health care), provided in Appendix F or as otherwise agreed per Section 38.05 below, under a group insurance plan. Such group insurance may be provided through a self-insured plan or an outside provider.

For the years 2013 and 2014 the benefits shall remain comparable to those contained in Appendix "F." A change in insurance carrier, plan administrator or health care system (PPO, HMO, etc.) that requires a change in health care providers, but does not reduce financial or related benefits, is a comparable benefit under this provision.

Beginning 2015, cost containment measures may be adopted by the Employer pursuant to the provisions of Section 38.05 herein.

38.02 Annual Wellness Screening Program. Commencing in calendar year 2014, the City shall institute an annual wellness screening program that will be offered to all employees and spouses participating in the group health plan made available through the City. The City will determine the manner in which screening is to be accomplished. The wellness screening program will allow each employee to receive a two and one-half percent (2.5%) reduction in their applicable monthly premium for certifying to the City that they have been screened from a health care provider in the following categories: (1) Tobacco Use, (2) Blood Pressure, (3) Cholesterol, (4) Obesity, and (5) Glucose level.

In order to receive this reduction, the employee shall be required to complete a City form certifying that the screening has occurred and complete a release that will permit the Employer to verify with the health provider the date/time of the screening and a positive/negative result on the nicotine test. Application of the two and one-half percent (2.5%) reduction will result in the employee base contribution being reduced from twelve and one half percent (12.5%) to ten percent (10%) for 2015 as expressed in the formula contained in 38.04.

38.03 Tobacco Use Surcharge. Commencing in calendar year 2015, the City shall institute a tobacco use surcharge for all employees participating in the group health plan made available through the City. Under this program, employees shall be required to pay a five percent (5%) surcharge in their applicable monthly premium for tobacco use by the employee. The surcharge rate is reflected in the cost sharing formula contained in 38.04. In order to avoid the surcharge, an employee whose tobacco use is not covered in 38.02 shall be required to complete a City form certifying that the tobacco screening has occurred and complete a release that will permit the Employer to verify with the health provider the date/time of the screening and a positive/negative result on the screening test.

38.04 Cost Sharing. Employees shall be required to share in the cost of health care coverage up to the maximums permitted by the ACA. Effective March 1, 2013, the Employer shall contribute ninety percent (90%) and the employee shall contribute ten percent (10%) of the cost of the total base cost for health care, prescription, and ancillary benefits. Effective January 1, 2015, the Employer and employee contributions shall be as set forth below with the applicable incentive/disincentive (surcharge) applied:

Contribution for those Employees Qualifying for Screening Reduction (Incentive) (2.5% Reduction)

	Employer Contribution % of Cost	Employee Contribution % of Cost
January 1, 2015		

Single	90%	Single	10%
Employee + 1	90%	Employee + 1	10%
Family	90%	Family	10%

Contribution w/o Surcharge or Incentive (No Screening/No Tobacco Use)

January 1, 2015	Employer Contribution % of Cost	Employee Contribution % of Cost
Single	87.5%	12.5%
Employee + 1	87.5%	12.5%
Family	87.5%	12.5%

Contribution for Tobacco Users w/ Screening (5% surcharge less 2.5% credit = 2.5% surcharge)

January 1, 2015	Employer Contribution % of Cost	Employee Contribution % of Cost
Single	85%	15%
Employee + 1	85%	15%
Family	85%	15%

Base Contribution For Tobacco Users w/ no Screening (5% surcharge)

Monthly Maximum January 1, 2015	Employer Contribution % of Cost	Employee Contribution % of Cost
Single	82.5%	17.5%
Employee + 1	82.5%	17.5%
Family	82.5%	17.5%

The parties recognize that employee affordability under the ACA will be measured based upon the cost of the bronze (i.e., lowest tier plan being offered) single plan and the employee's household income. Any employee who believes his contribution exceeds the maximum allowable by law may submit a written request for review to the Finance Director.

38.05 Health Care Committee. A health care committee will be created for the purposes of monitoring and supporting the wellness program, and for reviewing usage, studying cost containment programs and options for health plan coverage (medical, hospitalization, dental, eye-care and prescription), and recommending changes to the plan and benefit levels. Once created, the Union agrees to participate in the committee. The committee shall consist of one (1) representative from each of the participating bargaining units, one (1) non-bargaining unit employee, and a number of management representatives of the Employer equivalent to or less

than the total number of city bargaining unit representatives participating in order to allow for an odd number of voting representatives. The health care committee shall have access to information in the aggregate relevant to its review of health care usage and necessary to support its study of cost containment programs and options, subject to state and federal law.

The health care committee shall have the authority to recommend alterations to the plan and benefit levels and/or recommend adjustments to coverage levels through majority vote. However, the health care committee shall have no authority to recommend modifications to the cost sharing ratios in Section 38.04 above. The committee's authority will vest and begin with the 2015 plan year.

Specifically, the committee may recommend any of the following options:

- A. To keep the same plan and/or benefit levels; or
- B. To change the plan and/or alter the benefit levels to reduce or minimize the cost increase to be passed on to participating employees; or
- C. To change the plan and/or benefit levels so that there is no increase in the cost of the plan.

Prior to the time the committee votes to approve any recommendations, each union representative shall have five (5) business days to conduct a ratification vote of their respective membership in order to provide authority for their committee representative to approve any proposed recommendations. Recommendations of the committee shall not result in costs to participating employees exceeding the maximum permitted by the ACA. A valid recommended option of the committee (A, B or C above) will be implemented by the City. Recommendations of the committee, and Employer actions to carry out those recommendations, are final and binding on all parties involved and shall not be subject to the grievance procedure or any other avenue of appeal, except with respect to whether this Section (Section 38.04) has been followed correctly. If, however, the committee fails to submit a valid recommendation by November 30 for the following plan year, the City may unilaterally select and implement one of the options (A, B or C above). However, the City will not make any changes to the plan for the following year if the cost of the plan is anticipated to be the same or substantially similar.

38.06 Insurance benefits provided for in this Article shall be reduced when, or to the extent, they are duplicated or supplemented in whole or in part resulting from Federal or State statutes requiring such benefits or by any other employee paid insurance plan under which an employee may be listed as a spouse or a dependent

38.07 The Employer reserves the right to self-insure or to change insurance carriers at its discretion, providing the benefits under the plan are comparable to those provided under this agreement. A change in insurance carrier, plan administrator or health care system (PPO, HMO, etc.) that requires a change in health care providers, but does not reduce financial or related benefits is a comparable benefit under this Section.

38.08 The Administration will establish a voluntary Section 125 qualified cafeteria plan (flexible spending) for employees that meet IRS requirements for pre-tax preferences for qualified expenses.

38.09 **Wellness Program:** In order to promote wellness among City employees to encourage a healthier workforce, employees shall receive fifty (50%) percent discount off the regular established resident rates for membership, including single and/or family memberships, to the Westlake Recreation Center.

ARTICLE XXXIX SUBSTANCE TESTING AND ASSISTANCE

39.01 All employees shall be subject to drug and/or alcohol testing prior to performing safety-sensitive duty for reasonable suspicion, following an accident and randomly, in accordance with the Employer's Drug-Free Workplace Program. Drug and alcohol screening/testing conducted upon reasonable suspicion means that the Employer possesses facts that give rise to reasonable suspicion that an employee is currently or had recently been engaging in the use of illegal drugs or improper use of alcohol. Drug and/or alcohol screening/testing shall be conducted solely for administrative purposes and the result obtained shall not be used in any criminal proceedings. Under no circumstances may the results of drug screening or testing be released to a third party, other than the Union. The following procedure shall not preclude the Employer from other administrative action but such actions shall not be based solely upon the test results.

39.02 The City will contract with a third party vendor(s) to provide collection services, laboratory testing and medical review of all test results. All drug and alcohol screening tests shall be conducted by medical laboratories licensed by the State of Ohio. The procedure utilized by the test lab shall include a chain of custody procedure and mass spectroscopy confirmation of any positive initial screening. Testing shall be conducted in a manner to assure a high degree of accuracy and reliability and using techniques, equipment and laboratory facilities which have been approved by the State of Ohio.

39.03 Medical Review Officer. The Medical Review Officer (MRO) must be a licensed physician who is familiar with the characteristics of tests in the facilities conducting the testing. The role of the MRO will be to review and interpret all positive test results. The MRO will notify the employee of any positive test result and will examine any medical explanations for the positive result. An employee shall cooperate fully and promptly with the MRO. This may include a review of the employee's medical history, current prescribed medication(s), chain of custody and any relevant biomedical factors. The MRO will review all medical records made available by the employee. After a full review, if the MRO concludes that an apparent positive test is actually negative, based on the existence of additional reasons, the MRO shall report the test result as negative.

The MRO may verify a test positive without interviewing the affected employee if more than three (3) work days lapse after the MRO first attempts to contact the employee. It is the responsibility of the employee to provide a telephone number to the testing company at the time of the test. The MRO will make all reasonable attempts to contact the employee. Once the

MRO determines a test to be positive then he/she will contact the Employer.

39.04 Drug screening tests shall be given to employees to detect the illegal use of a controlled substance as defined by the Ohio Revised Code. All urine samples will be collected in a private and secure bathroom unless the employee appears to be submitting altered, adulterated or substitute specimens. All specimens will be packaged as split specimens. Split sample tests will be available to the employee for independent analysis at a state certified laboratory, if there is a positive result. Alcohol tests performed under this policy will be done with an evidential breath testing device (EBT). For employees holding a CDL, a breath test will be required to determine if a person has an alcohol concentration of .02 or greater per 210 liters of breath. Any result of .02 or greater will be confirmed by a second breath sample. For any sample between .02 and .0399, the employee will be relieved of safety-sensitive duties for a 24-hour period. If non-safety sensitive duties are available the Employer may reassign the Employee. Any result of .04 or higher, on both the initial and confirmatory tests, will be considered a positive and the employee will be removed from duty and referred to the Employee Assistance Program (EAP). The EAP will conduct an assessment and make appropriate referral and will determine when the employee is ready for a return to duty test.

39.05 For purposes of this policy a positive result shall be any result which (1) exceeds the federal guidelines for the tested substance and is determined positive by a Medical Review Officer, (2) results from any refusal to test or failure to cooperate by an employee, or (3) a sample which is adulterated in any way, as determined by a certified laboratory. If a drug and/or alcohol screening is positive, the employee shall be immediately removed from duty. In order to return to duty, the employee shall undergo a confirmatory test by urine, which shall be administered by a medical laboratory licensed by the State of Ohio. Confirmation tests are administered to determine if an employee may return to duty (ability to operate a CDL vehicle).

39.06 If the employee disputes a positive result, he/she may have their split sample tested by a medical laboratory licensed by the State of Ohio of his choosing, at his expense. This test shall be given the same evidentiary value as the previous tests. Negative test results shall not be used against an employee in any future disciplinary action or in any employment consideration decision.

39.07 The employee and the Union shall be given a copy of the laboratory report of both specimens before any discipline is imposed.

39.08 Upon the findings of positive for a controlled substance by the chemical tests, the Employer shall conduct an internal investigation to determine if facts exist to support the conclusion that the employee knowingly used an illegal controlled substance. Upon the conclusion of such investigation, an employee who has tested positive for the presence of illegal drugs pursuant to this Section shall be referred to an employee assistance program or detoxification program at the employee's expense (if such exceeds Employer health care coverage), as determined by appropriate medical personnel, unless: 1) the employee has previously tested positive for the use of drugs; 2) refused to participate in the EAP or counseling; or, 3) some other unusual and/or exceptional facts exist so as to bypass the EAP, in which case the Employer shall have the right to disciplinary action, up to and including termination. An

employee who participates in a rehabilitation or detoxification program shall be allowed to use family and medical leave ("FMLA"). Available accrued sick, vacation and personal leave may be used as part of FMLA leave. The use of any accrued leave shall run concurrently with FMLA leave. Upon completion of such program and a retest that demonstrates the employee is no longer using a controlled substance, the employee shall be returned to his position. Such employee may be subject to periodic retesting at the sole discretion of the Employer upon his return to his position. Any employee in the abovementioned rehabilitation or detoxification programs will not lose any seniority or benefits should it be necessary that he be required to take a family and medical leave of absence without pay for a period not to exceed ninety (90) days.

39.09 If the employee refuses to undergo rehabilitation or detoxification, or if he fails to complete a program of rehabilitation, or if he tests positive at any time within two (2) years after his return to work upon completion of the program for rehabilitation, such employee shall be subject to disciplinary action, including termination. Except as otherwise provided herein, costs of all drug screening tests and confirmatory tests shall be borne by the Employer. For the purpose of this Article, "periodic" shall mean not more than twelve (12) times per year, except that drug tests may be performed at any time upon "reasonable suspicion" of drug use.

39.10 No drug testing shall be conducted without the authorization of the Mayor or his designee. If the Mayor orders, the employee shall submit to a toxicology test in accordance with the procedure set forth above. Refusal to submit to toxicology testing after being ordered to do so may result in disciplinary action, including termination. Records of drug and alcohol testing shall be kept in the office of the Finance Director and shall be kept confidential except as provided by the Ohio Public Records laws. However, test results and records may be used in future disciplinary actions as set forth in the Article.

39.11 Employees are prohibited from 1) reporting to work or working under the influence of alcohol or drugs, 2) purchasing alcohol or drugs for himself/herself or others when on duty, (3) consuming or possessing alcohol at any time while on duty or in City vehicles, (4) possessing, using, selling, purchasing, manufacturing, dispensing or delivering any illegal drug at any time and at any place, (5) abusing any prescription drug, (6) failing to immediately report to their supervisor duty-related restrictions imposed as a result of prescription or over-the-counter medications.

39.12 **Use of Prescription Drugs.** An employee who is using prescription drugs or over-the-counter medications shall use such medication in compliance with instructions from the prescribing doctor, the pharmacist or package instruction. Failure to follow such instructions could indicate misuse and/or abuse of the medication. If an employee is unable to perform his/her duties because of their prescription medication, he/she will voluntarily use sick time or will be placed on restricted duty. In the case of prescribed substances, the employee should ask his/her doctor for any duty-related restrictions that may be imposed as a result of taking the prescription. Upon request, an employee will be required to submit written verification from his/her physician to the Human Resources Department.

39.13 Employees that purposely make false accusations pursuant to this Section shall be subject to discipline, including, but not limited to termination. Records of disciplinary action or rehabilitation resulting from positive test results may be used in subsequent disciplinary actions for a period of three (3) years.

ARTICLE XL EMPLOYEE ASSISTANCE PROGRAM (EAP)

40.02 Employees may voluntarily utilize this program with or without referral. Such voluntary use shall not be the sole basis for adverse disciplinary action. Leaves of absence without pay may, at the Employer's sole discretion, be granted in coordination with the EAP where appropriate. All employee dealings with the EAP shall be strictly confidential.

40.03 This Article shall not operate to limit the Employer's right to discipline or discharge an employee for actions committed by the employee as a result of substance abuse or otherwise. Participation in the EAP shall not limit the Employer's right to impose such disciplinary (or discharge) actions. An employee's participation in the EAP does not operate to waive any other rights granted by this Agreement.

ARTICLE XLVI

DISCIPLINARY PROCEDURE

46.01 This procedure shall apply to all non-probationary employees covered by this Agreement.

46.02 All employees shall have the following rights:

- A. An employee shall be entitled to representation by a Union representative at each step of the disciplinary procedure.
- B. An employee shall not be coerced, intimidated, or suffer any reprisals either directly or indirectly that may adversely affect his hours, wages, or working conditions as the result of the exercise of his rights under this procedure.

46.03 An employee may resign following the service of a Notice of Discipline. Any such resignation will be processed in accordance with the terms of this Agreement and the employee's employment shall be terminated.

46.04 Discipline shall be imposed only for just cause. The specific acts for which discipline is being imposed and the penalty proposed shall be specified in the Notice of Discipline. The Notice served on the employee shall contain a reference to dates, times and places, if possible.

46.05 Where the appointing authority seeks an imposition of a suspension without pay of more than three (3) days, a demotion or removal from service, notice of such discipline shall be made in writing and served on the Employee personally or by certified mail, return receipt requested. In the case of a suspension without pay of less than three (3) days, the Service Director or his designee shall furnish the member of the Department with a written notice of such discipline, served on the Employee personally or by certified mail, return receipt requested.

46.06 Discipline shall not be implemented until either:

1. the employee fails to file a grievance within the time frame provided by this procedure; or
2. the penalty is upheld by the Mayor or a different penalty is determined by the Mayor.

46.07 The Notice of Discipline served on the employee shall be accompanied by written statement that:

1. The employee has a right to object by filing a grievance within five (5) working days of receipt of the Notice of Discipline.

46.09 The following administrative procedures shall apply to disciplinary actions:

- A. The appointing authority and the employee involved are encouraged to settle disciplinary matters informally. Each side shall extend a good faith effort to settle the matter at the earliest possible time. The appointing authority is encouraged to hold an informal meeting with the employee for the purpose of discussing the matter prior to the formal presentation of written charges. The specific nature of the matter will be addressed, and the appointing authority may offer a proposed disciplinary penalty. The employee must be advised before meeting that she/he is entitled to representation by the Union during the initial discussion.
- B. If a mutually agreeable settlement is not reached at this informal meeting, the appointing authority will, within ten (10) working days, prepare a formal Notice of Discipline and present it to the employee. If no informal meeting is held, the appointing authority may just prepare a Notice of Discipline and present it to the employee. The Notice of Discipline will include advice as to the employee's rights in the procedure, and the right of representation.
- C. Upon receipt of the Notice of Discipline, the employee may choose to accept the proposed discipline or to appeal by filing a grievance with the appointing authority, pursuant to Step 3 of the Grievance Procedure. The appeal must be filed at Step 3 within five (5) days from receipt of the Notice of Discipline.

46.10 A failure to submit an appeal within the above time limit shall be construed as an agreement to the disciplinary action by the effected employee and Union. All subsequent appeal rights shall be deemed waived.

46.11 A disciplinary matter may be settled at any time. The terms of the settlement shall be agreed to in writing. An employee executing a settlement shall be notified of the right to have a Union representative or a Union attorney as a representative or to decline any such representation. A settlement entered into by an employee or the Union on his behalf, shall be final and binding on all parties. The Union shall be notified of all settlements.

46.12 An employee may be suspended with pay at any time during the process by the appointing authority, at its sole discretion. A suspension without pay may be imposed concurrent with or subsequent to the decision at Step 3 of the Grievance Procedure.

46.13 The Union, on behalf of all the employees covered by this Agreement and its own behalf, hereby waives any and all rights previously possessed by such employees to appeal any form of disciplinary action (e.g. suspensions, demotion or discharge) to any Civil Service Commission.

ARTICLE XLVII GRIEVANCE PROCEDURE

47.01 Every employee shall have the right to present his grievance in accordance with the procedures provided herein, free from any interference, coercion, restraint, discrimination or reprisal and shall have the right to be represented by the Union at all stages of the Grievance Procedure. It is the intent and purpose of the parties to this Agreement that all grievances shall be settled, if possible, at the lowest step of this procedure.

47.02 For the purposes of this procedure, the below listed terms are defined as follows:

- a) Grievance - A "grievance" shall be defined as a dispute or controversy arising from the misapplication, misinterpretation, or alleged violation, of only the specific and express written provisions of this Agreement.
- b) Aggrieved party - The "aggrieved party" shall be defined as only any employee, group of employees within the bargaining unit, or the Union on behalf of employees within the bargaining unit.
- c) Party in Interest - A "party in interest" shall be defined as any employee of the Employer named in the grievance who is not the aggrieved party.
- d) Days - A "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays or holidays as provided for in this Agreement.

47.03 The following procedures shall apply to the administration of all grievances filed under this procedure.

- a) Except at Step 1, all grievances shall include the name and position of the aggrieved party; the identity of the provisions of this Agreement involved in the grievance; the time and place where the alleged events or conditions constituting the grievance took place; the identity of the party responsible for causing the said grievance, if known to the aggrieved party; and a general statement of the nature of the grievance and the redress sought by the aggrieved party.
- b) Except at Step 1, all decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be transmitted to the Union and to the aggrieved party if he so requests.
- c) If a grievance affects a group of employees working in different locations, with different principals, or associated with an employer wide controversy, it may be submitted at Step 3.
- d) The preparation of grievances shall be conducted during non-working hours.
- e) Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member for the administration and having said matter informally adjusted without the intervention of the Union, provided that the adjustment is not inconsistent with the terms of this Agreement. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the aggrieved party and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon the Employer in future proceedings.
- f) The time limits provided herein will be strictly adhered to and any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance shall automatically move to the next step. The time limits specified for either party may be extended only by written mutual agreement.
- g) This procedure shall not be used for the purpose of adding to, subtracting from, or altering in any way, any of the provisions of this Agreement.

47.04 All grievances shall be administered in accordance with the following steps of the Grievance Procedure.

Step 1:

An employee who believes he may have a grievance shall notify the Operations Manager of the possible grievance within five (5) days of the occurrence of the facts giving rise to the grievance. The Operations Manager will schedule an informal meeting with the employee and his steward, if the steward's presence is requested by the employee, within five (5) days of the

date of the notice by the employee. The Operations Manager and the employee, along with the employee's steward, if his presence is requested by the employee, will discuss the issues in dispute with the objective of resolving the matter informally. If the dispute is not resolved informally, it shall be reduced to writing by the grievant and presented as a grievance to the Operations Manager within five (5) days of the informal meeting or notification of the Operations Manager's decision at Step 1, whichever is later, but not later than seven (7) days from the date of the meeting if the Operations Manager fails to give his answer within five (5) days of the meeting.

Step 2:

If the aggrieved party initiating the grievance is not satisfied with the written decision at the conclusion of Step 1, a written appeal of the decision may be filed with the Service Director within five (5) days from the date of the rendering of the decision in Step 1. Copies of the written decision shall be submitted with the appeal. The Service Director shall convene a meeting within ten (10) days of the receipt of the appeal. The meeting will be held with the aggrieved party and the Union, if the employee so requests. The Service Director shall issue a written decision to the Union and a copy to the employee, if the employee requests one, within ten (10) days from the date of the hearing. If the aggrieved party initiating the grievance is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Mayor within five (5) days from the date of the rendering of the decision in Step 2. Copies of the written decision shall be submitted with the appeal. The Mayor shall convene a meeting within ten (10) days of the receipt of the appeal. The meeting will be held with the aggrieved party and the Union, including an Ohio Council 8 Representative if the employee so requests. The Mayor shall issue a written decision to the Union and a copy to the employee, if the employee requests one, within fifteen (15) days from the date of the hearing. If the Union is dissatisfied with the Mayor's decision, it may proceed to arbitration pursuant to the Arbitration Procedure herein contained.

- 47.05 A. All grievances which have been appealed to arbitration will be referred to mediation unless either party determines not to mediate a particular grievance. Arbitration scheduling will give priority to cases which have first been to mediation.
- B. The parties shall mutually agree to the selection of a mediator to serve in the capacity of a grievance mediator. Mediators must be experienced mediators and arbitrators with mediatory skills. Mediators may not serve as arbitrators.
- C. The mediator will be asked to provide a schedule of available dates and cases will be scheduled in a manner which assures that the mediator will be able to handle multiple cases on each date unless otherwise mutually agreed. The parties agree not to hear more than five (5) cases per day. Mediation shall be scheduled on a rotation basis among an established panel of mediators the members of whom shall be selected by mutual agreement of the parties.

- D. Representatives designated by each party shall have the right to be present at the mediation conference. Each party will have a representative vested with full authority to resolve the issues being considered.
- E. The mediator may employ all of the techniques commonly associated with mediation, including private caucuses with the parties, but the taking of oaths and the examination of witnesses shall not be permitted and no verbatim record of the proceeding shall be taken. The purpose of the mediation effort is to reach a mutually agreeable resolution of the dispute and there will be no procedural constraints regarding the review of facts and arguments. There shall be no formal evidence rules. Written materials presented to the mediator will be returned to the party at the conclusion of the mediation meeting.
- F. Mediation efforts will be informal in nature and shall not include written opinions or recommendations from the mediator. In the event that a grievance that has been mediated is appealed to arbitration, there shall be no reference in the arbitration proceeding to the fact that a mediation conference was or was not held. Nothing said or done by the mediator may be referenced or introduced into evidence at the arbitration hearing. Nothing said or done by either party for the first time in the mediation conference may be used against it in arbitration.
- G. At the mediation conference, the mediator shall first seek to assist the parties in reaching a mutually satisfactory settlement of the grievance which is within the parameters of the collective bargaining agreement. If a settlement is reached, a settlement agreement will be entered into at the mediation conference. The mediator shall not have the authority to compel the resolution of a grievance.
- H. If a grievance remains unresolved at the end of the mediation session, the mediator will provide an advisory opinion as to how the grievance is likely to be decided if it is presented at arbitration. This opinion is non-binding and inadmissible in any subsequent arbitration proceeding.
- I. If the parties do not accept the advisory opinion of the mediator, the Union may appeal the grievance to arbitration. All applicable time limits for appealing a grievance to arbitration contained in the parties' collective bargaining agreement shall commence on the day the Union receives the mediator's advisory opinion.
- J. The dates, times and places of mediation sessions will be determined by mutual agreement of the parties. Each party shall designate a representation responsible for scheduling mediation sessions.
- K. The fees and expenses to be charged by mediation panel members shall be negotiated between the panel participants and the parties. Fees and expenses for grievance mediation shall be shared equally by the parties.

ARTICLE XLVIII

ARBITRATION PROCEDURE

48.01 In the event a grievance is unresolved after being processed through all of the Steps of the Grievance Procedure, unless mutually waived or having passed through the various steps by timely default of the Employer, then within thirty (30) days after the rendering of the decision at Step 3 or a timely default by the Employer at Step 3, the Union may submit the grievance to arbitration before the American Arbitration Association ("AAA") or Federal Mediation and Conciliation Service ("FMCS"). Within this thirty (30) day period, the parties will meet to attempt to mutually agree upon an arbitrator or may request a list of arbitrators from either AAA or FMCS..

48.02 The arbitrator shall be chosen and the hearing or hearings conducted in accordance with the rules of AAA.

48.03 The arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

48.04 The arbitrator shall not decide more than one (1) grievance on the same hearing day(s), except by the mutual written agreement of the parties.

48.05 The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be borne by the party losing the grievance. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party. In the event of a split award the arbitrator's fees shall be split between the parties.

48.06 The arbitrator's decision and award will be in writing and delivered within thirty (30) calendar days from the date the record is closed. The decision of the arbitrator shall be formal and binding upon the parties.

48.08 The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit during the exercise of his rights as provided by the Grievance and Arbitration Procedures herein contained.

ARTICLE XLIX

SHIFT DIFFERENTIAL

49.01 Employees who work a majority of their hours between 4:00 p.m. and 11:59 p.m., or between 11:59 p.m. and 8:00 a.m. shall receive a shift differential of twenty-five (25¢) cents and fifty (50¢) cents per hour, respectively, for all hours worked. The shift differential shall not apply to holdovers, call-ins or over time hours.

50.03 In an emergency situation, a supervisor may respond without contacting additional bargaining unit members, but if additional man power is needed in a particular classification, the supervisor will contact bargaining unit members to respond. An emergency call in list will be created by mutual agreement of the parties, with names of bargaining unit members who shall report to the emergency scene within fifteen (15) - twenty (20) minutes from the time of contact. The emergency call in list shall be exempt from overtime equalization provisions in the Contract, except that management shall use scheduled overtime to, as nearly as possible, comply with the intent with the overtime equalization provision. Nothing herein shall prohibit the City from responding to an emergency situation in the most efficient manner possible to protect the health, safety and welfare of the residents.

CONFORMITY TO LAW

54.01 This Agreement shall be subject to and subordinated to any applicable present and future federal and state laws, and the invalidity of any provision(s) of this Agreement by reason of any such existing or future law shall not affect the validity of the surviving provisions.

54.02 If the enactment of legislation, or a determination by a court of final and competent jurisdiction (whether in a proceeding between the parties or in one nor between the parties but controlling by reason of the facts) renders any portion of this Agreement invalid or unenforceable, such legislation or decision shall not effect the validity of the surviving provisions of this Agreement, which shall remain in full force and effect as if such invalid provision(s) thereof had not been included herein.

54.03 In the event a portion of this Agreement is rendered invalid, as set forth above, upon written notification of either party, the parties shall meet within thirty (30) days to negotiate a lawful alternative.

ARTICLE LV OBLIGATION TO NEGOTIATE

55.01 The Employer and the Union acknowledge that during negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining/negotiations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

55.02 Thereafter, for the life of this Agreement, the Employer and the Union each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to, or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.
