Said amount shall be deducted from all wages of all such non-members on the same basis as the deductions made for dues from members of the OPBA. Nothing in this section shall be construed to require any employee to become a member of the OPBA. The OPBA agrees to save the City harmless in the event of any legal controversy with regard to the application of this provision. All dues and fair-share fees collected shall be paid over by the Employer once each month to the OPBA.

7.2 Other Deductions. The City further agrees to deduct from the pay of those employees authorizing such deduction, and turn over to the appropriate party, monies designated for the purposes such as credit union, savings bonds, United Appeal, and similar causes in accordance with the City's current policy on payroll deductions. **ARTICLE 9  
DISCIPLINE**

9.1 The parties recognize that discipline is essential to the operation of the City and agree that fair discipline is necessary for the public interest and the morale and welfare of the Employees. The object of these provisions is to assure that the relevant facts are fairly developed so that an informed decision can be made by the Employer regarding whether and the extent to which discipline shall be imposed.

9.2 No bargaining unit member shall be disciplined by a reduction in pay or position, suspension, written reprimand, or dismissal except for just cause. Just cause shall include, but not be limited to: dishonesty, bribery, misfeasance, malfeasance, nonfeasance, misconduct in office, neglect of duty, immoral conduct, habitual drunkenness, illegal use of controlled substances, incompetence, insubordination, refusal to obey orders given by proper authority, discourteous treatment of the public and violation of divisional standards of conduct on and off duty.

9.3 Forms of disciplinary action shall be written reprimands; suspension without pay or discharge. Discipline shall be applied progressively, but it is understood that some serious violations may warrant suspension without pay or immediate discharge. In following the principle of "the punishment should fit the crime," the Employer will take into consideration the nature of violation, the Employee's record of discipline and the Employee's record of performance and conduct.

9.4 When the Employer (through its management agents) believes that an Employee is guilty of an act or omission for which disciplinary action is warranted, the following steps shall apply:

a. The Employee will be promptly notified that he is accused of conduct for which discipline is contemplated and the Employee shall be advised of the nature of the alleged conduct

and the nature of the evidence against him or her, the time and place of a conference with the Chief of Police, and his right to bring with him to the conference an OPBA representative.

b. At the conference with the Chief of Police, the charges will be stated to the Employee and the Employee shall have an opportunity to offer his explanation, defense, or mitigating circumstances.

c. At the conclusion of the conference, the Chief of Police shall do one of the following:

- (1) Dismiss the allegations as unfounded without record; or
- (2) Make written recommendations, including a specification of charges, upon the imposition of appropriate discipline of record.

d. If the Employee does not accept the Chief's recommendation, he or she will provide written notice of non-acceptance to the Chief within 5 calendar days of its issuance, together with a detailed explanation as to why the recommendation is unacceptable, at which time a hearing will be scheduled promptly before the City Manager. At that hearing, the parties may present witnesses and/or evidence relative to the proposed discipline. After the hearing, the City Manager will affirm, modify, or deny the Chief's recommendation within twenty-one (21) days from the close of the hearing.

e. If the discipline imposed by the City Manager is a reprimand, the Employee may appeal through the grievance procedure up to Step Three.

f. If the discipline imposed is a suspension, discharge, or demotion, the OPBA will be notified by the Employer and shall be given an opportunity to meet with the City Manager or his or her designee within forty-eight (48) hours after the imposition of discipline. Any agreement reached between the OPBA, the Employee, and the Employer at this stage shall be

final and binding on the OPBA, the Employee, and the Employer and shall not be subject to further appeal.

g. If no agreement is reached, the Employee shall then have the right to submit the matter to arbitration in accordance with Step Four of the Grievance Procedure.

h. An Employee under investigation for commission of misconduct which would constitute a crime with respect to which "Miranda" warnings are required to be given, shall be advised, prior to questioning, of his "Miranda" rights. An Employee who is under investigation for misconduct which would not constitute criminal conduct subject to "Miranda" rights will be informed, prior to questioning, that he is the subject of an investigation, the nature of the suspected misconduct, and his right to have representation of his choice present during the questioning. The Employee, upon request, may obtain postponement of the questioning for a reasonable period not to exceed twenty-four (24) hours in order to arrange for representation to be present for the questioning if the Employee so desires.

Failure by an Employee to completely respond to a relevant question, after being informed of his Garrity rights and being ordered to do so, may be deemed refusal and may result in disciplinary action.

i. Interrogation, questioning, or interviewing of a bargaining unit member accused of misconduct shall be narrowly tailored in scope to the misconduct specifically alleged. IN addition, interview sessions will be of reasonable length and shall accommodate personal necessities. Interviews shall be conducted during the Employee's working hours unless mutually agreed by the parties. Any tape recorded interviews will be copied and made available to the other party upon request.

j. These disciplinary procedures and the grievance and arbitration procedures of this Agreement are in lieu of the civil service laws and regulations under Chapter 124 of the O.R.C. and the City Charter pursuant to the provision of R.C. Section 4117.10(A).

k. As an alternative or in addition to the above, in the event of a serious incident, an internal investigation may be conducted by an investigative team chaired by the Chief of Police.

l. No Employee will be compelled to take a polygraph examination and/or a CVSA.

**HOURS OF WORK AND OVERTIME**

This Article is intended solely to define the currently expected hours of work, which shall be subject to change as the City determines in its discretion to be appropriate to meet operation conditions, and to provide the basis for the calculation and payment of overtime. It does not constitute a guarantee by the City that such hours or any overtime shall in fact be worked.

16.1 Definition. The workweek shall consist of four-eight and one half (8 1/2 ) hour workdays and two (2) days off. Absent emergency conditions regarding otherwise, days off shall always be consecutive days, though not necessarily in the same workweek.

16.2 Distribution of Overtime. The amount of overtime necessitated by call-back work and the Employees required to work such hours shall be established by the City, provided, however, that such overtime and call-back work will be distributed equitably and consistent with the needs of the Police Department. An overtime list will be utilized in an attempt to fill call-offs. When this procedure fails, the Employee with the lowest number of hours will be mandated to work. Off-going Employees may be held over until vacancies can be filled. Such overtime list will be zeroed out each January 1.

a. A 5 & 2 schedule Employee of the Police Department will receive overtime compensation for all hours worked in excess of 80 hours per 14-day work period. The overtime rate of pay will be one and one-half (1-1/2) times the Employee's hourly pay rate, as defined by the Fair Labor Standards Act.

A 4 & 2 schedule Employee of the Police Department will receive overtime compensation for all hours worked in excess of regularly scheduled hours during the two week pay period, not including sick time off as set forth in 16.5-b of this contract. The overtime rate of pay will be one and one-half (1-1/2) times the Employee's hourly pay rate, as defined by the Fair Labor Standards Act

b. As used in this section, hours worked shall be defined as set forth in the Fair Labor Standards Act, as amended, except that vacation, holiday and personal days, as paid time off, shall count toward that calculation of the overtime threshold referenced in paragraphs 16.5 a. and c., hereof beginning effective the pay period commencing nearest January 1, 2006..

c. The overtime threshold reference in paragraph 16.5 a., above, shall be reduced to eighty (80) hours for the pay period commencing nearest January 1, 2006.

16.6 Exchange of Shifts. Employees shall have the right to temporarily exchange shifts when the exchange does not interfere with the operation of the Police Department, subject to approval by the Police Chief or Supervising Lieutenant, and provided that the exchange does not result in the payment of overtime to the parties involved. This shall be limited to no more than 5 exchanges per month. An exchange request shall be authorized at least 3 days prior to the first exchanged date. Supervisory Employees may only exchange with supervisory Employees and

non-supervisory Employees may only exchange with non-supervisory Employees, except when the non-supervisor Employee would otherwise be assigned the duties of Officer in Charge (O.I.C.). The Police Chief or Supervising Lieutenant may refuse an exchange request if the request would affect services to the City.

16.7 Shift Changes. The Employer, under ordinary circumstances, will not change shifts more than (4) times per calendar year.

16.8 Notwithstanding paragraph 16.5 above, officers "frozen over" (held over unexpectedly from their scheduled shift due to the absences of an officer scheduled for their relief) will be entitled to overtime, at time and one-half (1 ½) their regular rate, for consecutive hours worked beyond 8 hours for 5 & 2 employees and 8 ½ hours for 4 & 2 schedule employees or the length of the next shift. This provision shall not apply to regularly scheduled double shifts.

All overtime work shall be compensated, at the Employee's election, either at the rate of one and one-half (1½) the Employee's regular rate of pay, or in compensatory time accrued at the same rate, which may be accrued and used up to a maximum of fifty (50) hours per calendar year. All OVI Grant hours worked by officers, due to Grant wording, must be taken as overtime pay and not to be taken as compensatory time (per 4/16/12 MOU).

b. Compensatory time pursuant to the minimum standards of the Fair Labor Standards Act ("FLSA") shall be granted according to law, provided forty-eight (48) hours advance notice is given by the Employee. Compensatory time earned in excess of the minimum standards of the FLSA shall be granted, provided forty-eight (48) hours advance notice is given by the Employee, and provided that the City will not incur overtime liability as a result of honoring the compensatory time request. The notice provisions of this section may be waived upon mutual agreement of the parties.

c. Employees may choose to receive pay for any and all accumulated compensatory time once annually, by notifying the Employer of his or her desire to be paid for a designated amount of compensatory time prior to November 1 of each calendar year. The payment will be made to the Employee in the first pay period in December.

16.11 If an officer is switched from a 4 & 2 to a 5 & 2 schedule or a 5 & 2 to a 4 & 2 schedule mid-year, efforts will be made to prorate benefits to the fairness of the employee and the City so as to not short the employee of benefit hours.

- Newly hired Employees must complete field-training prior to use of any vacation time.
- Employees may use earned vacation time while on probation.

19.3 Scheduling of Vacations. Vacation periods shall be determined by the Chief or Supervising Lieutenant, who must act in a reasonable manner and not in an arbitrary and/or capricious manner. There will be a reasonable effort to set available periods during the summer months if possible, considering seasonal department work loading. Choice of vacation dates during vacation periods shall be by seniority with conflicts to be determined in the interest of the Chief of Police.

a. Minimum Notification for Vacation (MNV). Minimum Notification for Vacation (MNV) (defined as vacation requests made with less than 7 days notice) shall be scheduled through and authorized by the on duty supervisor and the Chief of Police or his representative. These MNVs must be requested and approved at a minimum of 4 hours before the Employee is scheduled to work. The supervisor, prior to approval, will assess manpower needs and shift coverage. MNV can be used for up to one entire shift. MNV can only be used by Employees up to three (3) times a calendar year.

19.4 Minimum Vacation Period. Eligible Employees may take their vacations in minimum increments of not less than four (4) hours. The Chief shall schedule vacation leave, and the City Manager or his designee shall approve an Employee's vacation request.

19.5 Pay for Accumulated Vacation. An Employee in full-time status who is to be separated from the City service through resignation, retirement or layoff and who has unused vacation leave to his credit, shall be entitled to compensation at this current rate of pay for all lawfully accrued and unused vacation leave to his credit at the time of separation, consistent with the limitations of this Article.

An Employee in full-time status who is to be separated from service through removal for cause, and who has unused vacation leave to his credit, shall not be entitled to compensation for accrued and unused vacation leave to his credit at the time of separation.

19.6 Vacation Carry-Over. On December 1 of each year, Employees may choose from the following two options regarding unused vacation time earned during the same calendar year. First, each Employee may receive 100% pay for all unused vacation as of December 1. Second, the Employee may elect to carry-over all unused vacation for one hundred fifty (150) days into the following year, after which period the vacation hours will be lost if not used. If Employees desire to take advantage of either option, the Employee must do so in writing delivered to the City Manager or his designee on or before December 1. If an Employee fails to designate one of the foregoing options in writing on or before December 1, all unused vacation will expire at the end of the calendar year.

**ARTICLE 20**  
**SICK LEAVE**

20.1 Sick Leave Accrual. All 5 & 2 schedule Employees shall accrue sick leave at the rate of ten (10) hours for each month worked, and any sick leave accrued, but not used or converted as hereinafter provided, in any year shall be accrued in succeeding years without limit.

All 4 & 2 schedule Employees shall accrue sick leave at the rate of 10.625 hours for each month worked, and any sick leave accrued, but not used or converted as hereinafter provided, in any year shall be accrued in succeeding years without limit.

20.2 Use of Sick Leave. An Employee eligible for sick leave shall be granted such leave with full normal pay, to be scheduled by the department or division head and to be approved by the City Manager or his designee, for the following reasons:

a. Personal illness or physical incapacity due to pregnancy, injury or contagious disease;

b. Illness of a member of the Employee's immediate family requiring the Employee's personal care and attendance; sick leave may also be used for up to five (5) calendar days absence at the time of birth of an offspring and subsequent convalescence of the Employee's spouse;

c. Enforced quarantine of the Employee in accordance with the community health regulations.

20.3 Sick Leave Verification. At least one (1) hour before the start of his/her assigned shift, an Employee shall inform his/her immediate supervisor of the fact that they are reporting off sick. The exception to the foregoing is when there is a provable inability to make a telephone call. Except in cases of suspected abuse of sick leave, a 5 & 2 schedule Employee will not be routinely required to furnish, upon returning to duty, a physician's certificate evidencing that the

absence was for one of the reasons set forth in Section 2 above, or absences of sixteen (16) consecutive duty hours or less. A 5 & 2 schedule Employee may be required to furnish a physician's statement, stating the nature of the illness and the date the Employee may return to work, following an absence in excess of sixteen (16) hours or more.

Except in cases of suspected abuse of sick leave, a 4 & 2 schedule Employee will not be routinely required to furnish, upon returning to duty, a physician's certificate evidencing that the absence was for one of the reasons set forth in Section 2 above, or absences of seventeen (17) consecutive duty hours or less. A 4 & 2 schedule Employee may be required to furnish a physician's statement, stating the nature of the illness and the date the Employee may return to work, following an absence in excess of seventeen (17) hours or more.

Furthermore, on and after an Employee's sixth (6<sup>th</sup>) sick leave occurrence as defined in paragraph 20.5, below, furnishing a physician's statement shall be mandatory.

Sick leave taken on the Employee's scheduled shift immediately before or immediately after a holiday will require a physician's certificate before any sick leave will be paid.

An Employee using sick leave is required to fill out, sign and submit the City form justifying the use of sick time, before receiving pay for the time used.

The falsification of the City sick leave form or a physician's certificate shall subject the Employee to disciplinary action, up to and including discharge.

20.4 Abuse of Sick Leave. Grounds for suspicion shall include, but not limited to, information received by the City that the Employee is, or was, during any day for which sick leave is claimed:

- a. Engaging in other employment;
- b. Engaging in physical exercise or recreation;

c. Present in a tavern or other place inconsistent with a claim of illness or injury;

d. Absent from home or place of confinement or convalescence when called or visited by representatives of the City, except in cases where the Employee can produce verification (such as a hospital or medical clinic admission or treatment slip or a receipt for the purchase of medicines from a pharmacy or reasonable explanation) that his absence was for reasons directly related to the treatment of his/her illness or injury.

e. Using sick time in a manner that reflects a pattern of use that may be inconsistent with legitimate use.

20.5 Sick Leave Occurrences. An Employee who has eight (8) or more sick leave occurrences in a twelve (12) month period shall be compensated for sick leave for the first day of usage for the ninth (9<sup>th</sup>) occurrence and subsequent occurrences at 80% of the Employee's regular rate of pay. (Example: An Employee misses two (2) days and this is the ninth (9<sup>th</sup>) occurrence in less than a twelve-(12) month period. The Employee will receive sick leave compensation for each day missed at 80% of his/her regular rate of pay for each day of the ninth (9<sup>th</sup>) and subsequent occurrences not to exceed six (6) such days in a twelve (12) month period.) Exceptions to the occurrence rule would be an Employee off under a qualified Family Medical Leave Act usage or being off due to a work related injury as qualified in the Injury Leave Article.

Sick Leave Occurrences are defined as separate occurrences where an Employee reports off work for illness or non-work related injury. (Example: An Employee reports off work for two days, that is one occurrence, then returns to work and sometime later reports off work again, that is a second occurrence and so on.)

20.6 Minimum Charge to Sick Leave. Absence for a fraction of a day that is chargeable to sick leave in accordance with these provisions shall be charged in increments of not less than two

(2) hours. Employees who, after reporting to work, are then sent home on sick leave shall be charged for actual time absent.

20.7 Sick Leave Credit on Return to Service. An Employee who is laid off or on unpaid disability leave will, upon reinstatement to service, be credited for any unused sick leave existing at the time of his layoff or leave.

20.8 Sick Leave Credit Upon Transfer. Upon transfer from one division or department to another, unused sick leave shall be available for the transferred Employee's use.

20.9 Payment of Sick Leave to Members Killed in Line of Duty. If an Employee is killed in the "line of duty," the City shall pay the Employee's surviving spouse, or, if there is no surviving spouse, the Employee's estate, all of the Employee's accrued, unused sick leave as of the Employee's date of death. For the purpose of this Section, "line of duty" means that the Employee was performing official department business at the time of his death, or the Employee's death proximately resulted from the member's performance of his/her lawful duties as a Police Officer.

20.10 Workers' Compensation. No Employee may receive payment from the City for sickness or injury if he is receiving Workers' Compensation for the same purpose. Therefore, once a Workers' Compensation claim has been approved the Workers' Compensation checks will be signed by the Employee and turned over to the City. The City shall continue to pay the Employee his/her regular paycheck during this period of time.

20.11 Pay for Accumulated Sick Leave. All Employees, at the time of their retirement or resignation in good standing, with ten (10) or more years of service, shall receive payment based on the Employee's rate of pay at retirement or resignation for accrued but unused sick leave up to the following maximum accruals:

a. One-fourth (1/4) of the Employee's accrued but unused sick leave, up to a maximum accrual of 600 hours.

b. One-third (1/3) of the accrued but unused sick leave in excess of 600 hours.

c. In no event shall sick leave be permitted to accrue in an amount greater than 800 hours.

d. If an Employee is separated from employment through a removal for cause and has unused sick leave to his credit, he shall not be entitled to compensation for accrued and unused sick leave to his credit at the time of separation.

20.12 The occurrence program set forth in paragraph 20.5 shall not apply to Employees who reach and maintain in excess of six hundred fifty (650) accumulated sick leave hours.

**ARTICLE 21  
INJURY LEAVE**

21.1 Each full-time bargaining unit Employee shall be entitled to occupational injury leave (OIL) to a maximum of one hundred twenty (120) calendar days for each qualifying injury. OIL shall be granted to an Employee who suffers an on-the-job injury or illness from an identifiable incident that occurred in the course of performance of his/her official duties within the scope of his/her employment with the Employer and who is off work due to said injury for five consecutive shifts. This wait period may be waived in the sole discretion of the City Manager.

21.2 In the event of a service-connected injury or illness incurred in the active discharge of duty, which injury is not the result of gross negligence, recklessness, self-infliction, or "horseplay" by the Employee, the Employer shall grant the Employee full pay for a period not to exceed one hundred twenty (120) calendar days. This time shall not be charged to the Employee's sick time.

21.3 An Employee applying for OIL hereunder shall authorize the release to the Employer of all medical information pertinent only to the occupational injury possessed by the Employee's treating physician(s) and the treatment facility(ies), if so requested by the Employer or its designee, and/or shall agree to be examined by a licensed medical practitioner selected and paid for by the Employer. At that time, the physician shall also document an estimated return to work date for the injured Employee.

21.4 Any Employee claiming an occupational injury or illness under this Article shall file a claim with the Ohio Bureau of Workers' Compensation (OBWC) as soon as possible. Upon approval of the claim by OBWC, an OIL granted after the fifth consecutive shift absence shall be made retroactive to the first day of absence, and any sick leave or vacation used by the Employee during the first five work days of absence shall be restored to his/her credit. The Employee shall

remit to the Employer all income benefits paid by OBWC for the period during which the Employee received full pay from the Employer while on OIL. In the event the claim is denied by OBWC, the Employee shall revert to sick leave status and shall be charged with sick leave and/or vacation leave for all time paid by the Employer for OIL.

21.5 The Employee must report to the City Manager, or his designee, once a week, or otherwise approved timeframe by the City Manager, during OIL. During the period of OIL, there shall be no employment outside of the Employee's home. If the Employee will be working from his home or from a charitable or civic organization he/she will have to receive prior approval from the City Manager, or his designee.

21.6 It is understood and agreed that the Employer's obligation under this Article is only the Employee's regular rate of pay. If the Employee elects not to accept OIL, the City will not be obligated to compensate the Employee over the amount paid by OBWC. The Employee will also be responsible for paying any portion of Health Care Benefit normally responsible for under this contract and will be invoiced that amount by the City monthly.

21.7 In lieu of granting OIL, the Employer may assign the Employee to transitional work with the approval of, and within the limitations set by, the Employee's treating physician or physician selected and paid for by the Employer. It is strictly the management right of the Employer to determine if transitional work is available.

21.8 No entitlement to OIL shall arise from a personal injury sustained while an Employee is engaged in outside employment of any nature, whether or not such employment is in a law enforcement related field.

21.9 Before an Employee on injury leave will be permitted to return to duty, he/she shall submit to the City Manager's office a physician's statement and any other required

documentation concerning the injury, demonstrating his/her physical ability to satisfactorily perform the duties of his/her position. Additionally, the City Manager may require the Employee to submit to an examination by a physician selected by the City, at the City's expense, if there is any question about the Employee's ability to return to duty.

21.10 The Union and Employees agree with the Employer's Transitional Work Policy, if any, which shall not be limited in any way by this Agreement.

21.11 The Employee will be required to attend all scheduled meetings, unless his/her absence from the meeting has been approved by the Chief of Police, or his designee or the Employee is excused by his or her treating physician. The Employee on OIL will not receive overtime, for attending scheduled meetings, consultations, etc.

22.3 Jury Leave. The City shall grant full pay to an Employee who is summoned for jury duty or subpoenaed as a witness by any court or other adjudicatory body in cases that arise from a bargaining unit Employees employment with the City. All compensation for such duty must be reimbursed to the City, unless such duty is performed totally outside normal working hours. The City will not pay Employees for court appearances in connection with the Employee's personal matters. This includes, but is not limited to proceedings related to personal traffic citations, divorce proceedings, custody, and juvenile proceedings. If absence from work is necessary for personal matters, the Employee may use vacation time or take an unpaid leave, however, the Employee must request prior approval for this leave to be granted.

22.4 Other Unpaid Leave. In addition to leave specifically addressed in this Agreement, the City Manager, at his sole discretion, may authorize other leaves of absence without pay. The City Manager's decision to grant or not grant a leave of absence not addressed in this Agreement is not grievable.

**ARTICLE 23**

23.2 Health and Dental Care Insurance Premiums. Effective June 1, 2014, the Employee's premium share for health care and dental shall be 17% for the duration of this Agreement.

23.3 Insurance – General Provision.

a. With respect to all insurance coverage provided to Employees, the City retains the right to change insurance carriers or self-insure all or any portion of the benefits as long as the level of benefits remain substantially the same.

b. A difference between any Employee (or his beneficiary) and the insurance carrier(s) or the processor of claims shall not be subject to the grievance procedure provided for in any collective bargaining agreement between the City and the Union. The City will, however, designate representatives who will be available for consultation with claimant Employees (or with a designated Benefit Claim Representative of the Union), so that a full explanation may be given with respect to the basis of disposition of claims.

c. The failure of any insurance carrier(s) to provide any benefit for which it has contracted shall result in no liability to the City or to the Union; nor shall such failure be considered a breach by the City or the Union of any obligation undertaken under this or any other agreement. Nothing in this Agreement, however, shall be construed to relieve any insurance carrier from any liability it may have to the City, Union, Employee or beneficiary of any Employee.

d. The terms of any contract or policy issued by an insurance carrier shall be controlling in all matters pertaining to benefits thereunder.

23.4 Availability of Group Coverage. Group coverage shall become available to new members of the bargaining unit upon their application, as of the beginning of the following month or as soon thereafter as coverage under the City's policies can be effectuated.

23.5 If the Employer offers an alternative "buy-up" plan, in addition to the Employee premium share provided in paragraph 23.2, above, Employees selecting such buy-up plan, as the name indicates, shall pay any additional cost incurred by the City between the City's base plan and the buy-up plan.

23.6 Life Insurance. The Employer shall provide and pay for term life insurance coverage for all Employees in the amount of \$25,000.
