**ARTICLE 1 PREAMBLE/PURPOSE**

This Agreement, entered into by the Marion County Sheriff, hereinafter referred to as the "Employer", and The Fraternal Order of Police, Ohio Labor Council, hereinafter referred to as "FOP/OLC" or "Union" has as its purpose the following goals:

Section 1.1 To achieve and maintain a satisfactory and stabilized employer-employee relationship. In consideration of the obligations assumed by the parties in this Agreement, the FOP/OLC is fully in accord with the objective of achieving the highest level of employee performance consistent with safety, good health, and sustained effort.

Section 1.2 To provide for the peaceful and equitable adjustment of differences which may arise.

Section 1.3 To attract qualified employees by providing those benefits compatible with the financial resources of the Employer. The Sheriff hereby agrees to abide by the terms and conditions of this Agreement including those concerning the payment of wages and benefits as hereinafter set forth.

Section 1.4 To assure the effectiveness of service by providing an opportunity for employees to meet with the Employer, either individually or through their representatives. To exchange views and opinions on policies and procedures affecting the condition of their employment, subject to the State of Ohio Revised Code, State and Federal laws, and the Constitution of the State of Ohio and the United States of America.

Section 1.5 To ensure the right of every employee to fair and impartial treatment.

Section 1.6 To provide an opportunity for the FOP/OLC and the Employer to negotiate as to wages, benefits, and conditions of employment. This Agreement pertains to employees within the bargaining unit defined hereunder.

**ARTICLE 2 PLEDGE AGAINST DISCRIMINATION AND COERCION**

Section 2.1 The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation and involvement or non-involvement in the Union. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement.

Section 2.2 Where there is an alleged violation of the provisions of this Article that qualifies for appeal under the rules of the Equal Employment Opportunity Commission or the Ohio Civil Rights Commission and which does not impact on the balance of the Agreement, a grievance which results from the alleged violation may be deferred, by mutual agreement of the parties, pending action by either of the aforementioned regulatory bodies. The Employer, the employee and their representatives may meet in an effort to resolve the alleged violation prior to the appeal to either of these agencies.

Section 2.3 All references to employees in this Agreement designate both sexes and whenever one gender is used it shall be construed to include all genders.

Section 2.4 The Employer agrees not to interfere with the rights of employees to become members of the Union. There shall be no discrimination, interference, restraint, or coercion by the Employer or any Employer representative against any employee activity in an official capacity on behalf of the Union.

Section 2.5 The Union recognizes its responsibility as bargaining agent and agrees to equally represent all employees in the bargaining unit without discrimination, interference, restraint or coercion.

Section 2.6 The Union agrees not to interfere with the rights of employees to not become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the Union or its representatives against any employee exercising the right to abstain from membership in the Union or involvement in Union activities.

### **ARTICLE 3 UNION RECOGNITION**

Section 3.1 The Employer recognizes the Union as the sole and exclusive representative for the purpose of negotiating rates of pay, fringe benefits and other conditions of employment for those employees of the Employer in the Bargaining Units hereinafter described. The Bargaining Units covered hereunder are as follows: Bargaining Unit C-2 which shall consist of Dispatchers; and Bargaining Unit C-3 which shall consist of Deputy Sheriffs. Whenever used in this Agreement, the term "Bargaining Unit" shall be deemed to include those individuals employed full time and holding seniority in the above classifications.

Section 3.2 All positions and classifications not specifically established herein as being excluded from the bargaining unit shall be included in the bargaining unit.

Section 3.3 Notwithstanding the provisions of this Article, management, confidential, fiduciary, supervisory, temporary, seasonal, and employees in the unclassified service shall not be included in the bargaining unit.

### **ARTICLE 4 UNION SECURITY**

Section 4.1 The Employer and the Union agree that membership in the Union is available to all employees occupying classifications, as have been determined by this Agreement, appropriately within the bargaining unit, upon the successful completion of the probationary periods as defined in Article 13 of this Agreement.

Section 4.2 The Employer agrees to deduct regular Union membership dues each pay period from the pay of any employee eligible for membership in the bargaining unit upon receiving written authorization signed individually and voluntarily by the employees. The signed payroll deduction form shall be presented to the Employer by the employee or the Treasurer of the Union. Upon receipt of the proper authorization, the Employer shall instruct the Auditor to begin deducting Union dues from the payroll check for the pay period following the pay period

in which the authorization was received by the Employer and to continue such deductions from the payroll check for each following pay period unless and until instructed otherwise. Amounts deducted shall be remitted to the FOP/OLC. The FOP/OLC shall advise the Employer, in writing, of the amounts to be deducted. The Union shall designate, in writing, the address where the check-off monies shall be remitted.

Section 4.3 Pursuant to the authority granted in Section 4117.09 of the Ohio Revised Code, the Employer and the Union agree that as a condition of employment all employees in the bargaining unit who do not become members of the Union shall, sixty (60) days following the beginning of employment, pay to the Union a fair share fee. Nothing herein shall require any employee to become a member of the Union, nor shall fair share fees exceed dues paid by members of the Union who are in the bargaining unit covered hereunder. The Union represents to the Employer that it has prescribed and shall maintain in force throughout the term of this Agreement an internal procedure to determine a rebate, if any, of any such fair share fee for non-Union employees which conform to Federal law as required pursuant to the provisions of Section 4117.09 of the Ohio Revised Code. The internal rebate procedure shall provide for a rebate of expenditures in support of partisan politics or ideological causes not germane to the work of the Union in the realm of collective bargaining. The deduction of a fair share fee by the Employer from the payroll check of the employee and its payment to the Union as hereinafter provided is automatic and does not require the written authorization of the employee.

Section 4.4 Any employee who is a member of and adheres to established and traditional tenets and teachings of a bona fide religion or religious body which has historically held conscientious objections to joining or financially supporting a Union and which is exempt from taxation under the provisions of the Internal Revenue Code shall not be required to join or financially support the Union as a condition of employment. Upon submission of proper proof of religious convictions to the State Employment Relations Board, the Board may declare any such employee exempt from becoming a member of or financially supporting the Union. Any such employee so found by the State Employment Relations Board to be exempt from becoming a member of or financially supporting the Union shall be required, in lieu of a fair share fee, to pay an amount equal to such fair share fee to a non-religious charitable fund exempt from taxation under Section 501(C)(3) of the Internal Revenue Code mutually agreed upon by the employee and the representative of the Union. Any such employee shall furnish to the Union written receipts evidencing such payments and failure to make such payments or furnish such receipts to the Union shall subject the employee to the same sanctions as would non-payment of dues as herein provided.

Section 4.5 It is specifically agreed that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of Union dues and fair share fees and the Union hereby agrees that it will fully protect, indemnify and hold the Employer harmless from any claims, actions or proceedings by an employee arising from deductions made by the Employer pursuant to this Article. Once the funds are submitted to the Union, the distribution thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 4.6 The Employer shall be relieved from making such individual "check-offs" and/or fair share fee deductions upon (a) termination of employment; (b) transfer to a job other than one

covered by the bargaining unit; (c) layoff from work; (d) an agreed unpaid leave of absence; or (e) in the case of check-off deductions, revocation of the check-off authorization in accordance with its terms or with applicable law.

Section 4.7 The Employer shall not be obligated to make dues deductions or fair share fee deductions from any employee who, during any dues month involved, shall have failed to receive sufficient wages to equal such dues or fair share fee deduction.

Section 4.8 It is agreed that neither the employee nor the Union shall have a claim against the Employer for errors in the processing of deductions unless a claim of error is made to the Employer in writing within thirty (30) calendar days after the date such an error is claimed to have occurred. If it is found an error is made, it will be corrected at the next pay period that the Union dues and fair share fee deductions will normally be made by deducting the proper amount from the employee's pay. Payroll collection of dues shall be authorized for the exclusive bargaining agent only, and for no other organization attempting to represent the employees within the Bargaining Unit as herein determined.

Section 4.9 The rate at which dues and fair share fees are to be deducted shall be certified to the payroll clerk by the Treasurer of the Union as the new amounts take effect prior to January of each year. One (1) month advance notice must be given to the payroll clerk prior to making any changes in an individual's dues or fair share fee deductions.

Section 4.10 Union dues and fair share fee deductions shall be made from each pay period. A check, equal to the amount of the deductions, shall be remitted to the Union within ten (10) working days after the ending date of the last pay period of each calendar month.

Section 4.11 All dues and fair share fee deductions at the Employer's option, upon written notice to the Union, may be canceled on the termination date of this Agreement.

## **ARTICLE 5 UNION REPRESENTATION**

Section 5.1 FOP/OLC staff representatives will be recognized by the Employer as Union representatives in accordance with this Agreement and upon the receipt of a letter so identifying them and signed by the FOP/OLC Executive Director or his designee.

Section 5.2 The Union shall submit in writing names of employees to act as Union representatives for the purpose of processing grievances as defined in the Grievance Procedure. There shall be one representative from each bargaining unit and one alternate. The Employer shall be notified in writing of changes of all representatives and alternates.

Section 5.3 The Union shall provide to the Employer an official roster of its officers and local Union representatives which is to be kept current at all times and shall include the following:

- |                          |                         |

| B. Address               | E. Union office held    |
| C. Home telephone number |                         |

Section 5.4 The investigation and writing of grievances shall be on duty time so long as needed information can be secured during these times. Such activities shall not be undertaken without permission of supervisors.

Section 5.5 Rules governing the activity of the FOP/OLC representatives are as follows:

- A. The Union agrees that no official of the Union (employee or non-employee) shall interfere, interrupt or disrupt the normal work duties of other employees. The Union further agrees not to conduct Union business during working hours except to the extent authorized in Article 5.
- B. The Union shall not conduct Union activities in any work area without notifying the supervisor in charge of that area of the nature of the Union activity.
- C. The Union employee-official shall cease Union activities immediately upon the reasonable request of the supervisor of the area in which Union activity is to be conducted or upon the reasonable request of the employee's immediate supervisor so long as such request is not made during an actual grievance hearing. The Union representative will be given a reasonable alternate time period in which to complete Union activity by the supervisor.
- D. If it is determined that the Union employee representative is abusing the rules of this section, he/she shall be subject to disciplinary action.
- E. Any dispute involving the Employer's enforcement of this Section may be appealed through the grievance procedure.

Section 5.6 The Employer agrees that one (1) non-employee officer or representative of the Union shall be admitted to the Employer's facilities and sites during working hours upon prior notification to the Sheriff, or his designated representative, and upon compliance with any visitor registration procedures then in effect upon entering the facility. Such visitation shall be for the purpose of processing grievances or to attend other meetings permitted herein. Such activities shall not interfere with the normal work duties of employees, except to the extent authorized in advance by the Employer.

Section 5.7 Labor Council representatives within the bargaining units shall be granted up to a total of fifteen (15) days paid leave per year to attend Labor Council training or conferences. The fifteen (15) days may be divided among the Labor Council representatives, as FOP/OLC determines. Up to five (5) of these days may be used by the FOP/OLC representative or delegate to attend training or state and national board meetings or conferences.

Section 5.8 The Employer shall provide reasonable space in the Employer's facilities of FOP/OLC to maintain a file cabinet for the purpose of maintaining its records.

## ARTICLE 6 MANAGEMENT RIGHTS

Section 6.1 Except as specifically limited herein, the Employer shall have the exclusive right to administer the business of the Office and to perform other functions and responsibilities which are required by law. Specifically, the Employer's exclusive management rights include, but are not limited to:

- A. Manage and direct its employees, including the right to select, hire, promote, transfer, assign, evaluate, layoff, recall, reprimand, suspend, discharge, or discipline for just cause, and to maintain order among employees;
- B. To promulgate and enforce reasonable employment rules and regulations and to otherwise exercise the prerogative of management;
- C. To manage and determine the location, type and number of physical facilities, equipment, programs, and the work to be performed;
- D. To determine the Office's goals, objectives, programs and services, and to utilize personnel in a manner designed to effectively meet these purposes;
- E. To determine the size and duties of the work force, the number of shifts required, to establish work schedules and assignments, to establish, modify, consolidate, or abolish jobs (or classifications), and to determine staffing patterns, including, but not limited to, assignment of employees, numbers employed, duties to be performed, qualifications required, and areas worked, also to include the right to relieve employees from duty due to the lack of work or lack of funds;
- F. To determine when a job vacancy exists, the standards of quality and performance to be maintained;
- G. To maintain the security of records and other pertinent information; and
- H. To determine and implement necessary actions in emergency situations.

Section 6.2 The Union agrees that all rights and responsibilities of the Employer not expressly restricted or modified herein and as permitted by law shall remain the function of the Employer.

Section 6.3 In addition, the Union agrees that all of the functions, rights, powers, responsibilities and authority of the Employer in regard to the operation of its work and business and the direction of its work force which the Employer has not specifically abridged, deleted, granted or modified by the express and specific written provisions of this agreement are, and shall remain, exclusively those of the Employer and shall not be subject to the grievance procedure. The parties agree to meet to discuss possible remedies to issues or concerns raised by the Union from changes or modifications by the Employer of its operation.

**ARTICLE 7 NO STRIKE/NO LOCKOUT**

Section 7.1 Policy Inasmuch as the Agreement provides machinery for the orderly resolution of grievances, the Employer and the Union agree that their mutual responsibility is to provide for uninterrupted service to the citizens of Marion County.

Section 7.2 Union Responsibilities The Union agrees that so long as this Agreement has force and effect, neither it, its officers, agents, representatives, or members will authorize, instigate, cause, aid, condone, or participate in any strike, work stoppage, or any other interruption of operations or services of the Employer, by its members or other employees of the Employer. When the Employer notifies the Union that any of its members are engaged in any such strike activity, as such violation, disclaim approval, and conspicuously post notice over the signature of an authorized representative of the Union to the effect that a violation is in progress and such notice shall instruct all employees to return to work immediately.

Section 7.3 Cancellation Of Contract After said notice has been posted and the order to return to work has been accomplished, the Union as a whole shall be held harmless for any further actions of its members. However, should the Union fail to publicly denounce such violation and post such notice, the Employer shall have the option of canceling any or all article(s), section(s), or sub-section(s) of this Agreement.

Section 7.4 Discipline Of Employee Any employee failing to return to work after notification by the Union as provided herein, or who participates or promotes such strike, activities as previously outlined, shall be subject to disciplinary action on an individual basis, up to and including discharge, and only the question of whether or not he/she did in fact participate in or promote such action shall be subject to appeal.

Section 7.5 No Lockout The Employer agrees that neither it, its officers, agents, or representatives, individually or collectively, will authorize, instigate, cause, aid or condone any lockout of employees of the bargaining unit, unless those members shall have violated the provisions of this Article.

**ARTICLE 8 MAINTENANCE OF STANDARDS**

Section 8.1 The parties understand and agree that this Article reflects the commitment of the parties to the Agreement and to maintain the standards of employment established in this Agreement. Any term and/or condition of employment not specifically established or modified by this Agreement shall not be changed during the term of this Agreement. Nothing in this section is intended to impair the right and responsibility of the Sheriff to engage in the types of management responsibilities set forth in R.C. 4117.08(c).

Section 8.2 Insofar as practical, the Sheriff shall schedule at least two (2) people on duty for road patrol, and at least one person on dispatch duty, at all times.

**ARTICLE 9 BULLETIN BOARD**

Section 9.1 The Employer agrees to provide one (1) bulletin board in an agreed upon area of the facility for use by the Union.

Section 9.2 All Union notices which appear on the bulletin board shall be posted and removed by the highest ranking Union official in the bargaining unit during non-work times and shall relate to items of interest to the members. No more than three (3) employee representatives of the FOP/OLC, three (3) representatives of the County, and one (1) non-employee representative of the FOP/OLC shall be permitted to attend such meetings.

## **ARTICLE 11 WORK RULES**

Section 11.1 The Union recognizes that the Employer or his designee(s), in order to carry out his statutory mandates and goals, has the right to promulgate reasonable work rules, policies, procedures, and directives, consistent with statutory authority, to regulate the personal conduct of employees and the conduct of the Employer's services and programs.

Section 11.2 It is the Employer's intention that work rules, policies, and directives should be interpreted and applied uniformly to all employees under similar circumstances.

Section 11.3 It is agreed that, where the Employer has determined that written work rules are necessary, and to the extent any work rules have been or will become reduced to writing, the Employer will make available to the employees. Copies of newly established written work rules, or amendments to existing work rules will be furnished to and, upon request, will be discussed with representatives of the Union no less than seventy-two (72) hours before implementation.

Section 11.4 The parties recognize that it is the philosophy of the Employer to inform the employees in advance of any change in the work rules. This notice shall be by posting such

rule(s) on the bulletin board(s) and signed and dated by all affected employees after reading such rules.

## **ARTICLE 12           EMPLOYEE ALCOHOL AND DRUG TESTING**

Section 12.1   Statement of Policy   The Employer and the FOP/OLC recognize and agree that it is their mutual goal and pledge to maintain and assure safe and effective law enforcement for and service to its citizens.

Section 12.2   Notice of Policy   All members shall be provided a copy of this Article and all newly hired employees will be provided with a copy of it on or about their initial date of hire. No member shall be tested before a copy of this Article is provided to him/her.

Section 12.3   Agreement to Comply With Policy   It is the intention of the Employer and FOP/OLC to fully comply with all the requirements of the Bureau of Workers' Compensation in maintaining a drug-free workplace. This Agreement will be modified as necessary to assure that the County of Marion can comply with the Level 1, 2, and 3 programs of the Bureau of Workers' Compensation in maintaining a drug-free workplace. It is understood and agreed that the parties will comply with any current and future requirements of the Bureau of Workers' Compensation in regards to the maintenance of a drug-free workplace. This policy applies to every employee, including top management, as well as to members of the union. Copies of the current policies may be requested from the Employer or obtained from BWC.

Where the Employer has reasonable suspicion to believe that: (a) a member is being affected by the use of alcohol, or consuming or possessing alcohol in violation of this Article (i.e., not in the line of duty); or (b) is abusing prescription drugs; or (c) is possessing (not in the line of duty) or using illegal drugs, the Employer shall have the right to require the member to submit to alcohol or drug testing as set forth in this Article. Members shall not be subjected to random medical testing involving blood, breath or urine analysis or other similar or related tests for the purpose of discovering possible drug or alcohol abuse, except as specifically provided for in this Article.
- B. Random Testing. During a work shift, all members are subject to random testing for drugs or alcohol effective January 1, 2000. The annual number of such random tests shall not exceed 25% or the number necessary to comply with the Bureau of Workers' Compensation's Drug-Free Work Place Program, whichever percentage is higher. Such tests shall be spread reasonably throughout the year. The Employer shall contract with an outside contractor who shall select members for random testing using a scientifically-valid method and lists of members supplied by the Employer each month. Members notified of their selection for random testing shall proceed immediately to the collection site. 1. An employee of the Employer is involved in an incident where there is a fatality of anyone involved in the incident;
2. An employee of the Employer is involved in an employment-related incident that causes a danger of bodily injury to the employee and/or another person that could require off-site medical attention away from the Employer's place of employment in which there is a reasonable basis for concluding that the employee's conduct was negligent or wrongful;
3. An employee of the Employer is involved in an employment-related incident that causes vehicular damage;
4. An employee of the Employer is involved in an employment-related incident that results in non-vehicular damage;

When such an incident results in one of the situations above, any employee who may have contributed to the incident will be tested for drugs or alcohol use or both.

Drug and/or Alcohol Testing After an Incident. Urine specimen collection or a breath test is to occur immediately after a need has been determined in accordance with D(1) through D(4) above. Breath or saliva alcohol testing will be performed within two (2) hours of the incident whenever possible, but within eight (8) hours, or not performed. If the employee responsible for the employment-related incident is injured, that employee herein expressly grants unto the Employer, its officers and management, the right to request that attending medical personnel obtain appropriate specimens (breath, blood and/or urine) for the purpose of conducting alcohol and/or drug testing.

Section 12.7 Order to Submit to Testing A member's refusal or failure, when ordered, to submit within the time limits provided hereinafter to a test permitted by this Article shall subject the member to discipline. By taking a test under this Article; however, an employee shall not be construed as waiving any objection or rights that he or she may possess. Within twenty-four (24) hours of the time the member is ordered to submit to reasonable suspicion testing, the Employer shall provide the member with a written notice setting forth the information and observations which form the basis of the order to test.

Section 12.8 Test to be Conducted In conducting the testing authorized by this contract, the Employer shall comply with the following:

- A. The lab selected to perform drug tests shall be federally certified to do drug testing. (It is understood that the lab taking the samples may not be federally certified.) Personnel employed by the lab shall be certified as required by federal certification requirements. The facility collecting and testing breath specimens shall hold all legally-necessary licenses.
- B. Collection of samples shall be conducted in a manner which is consistent with The United States Department of Health and Human Services (HHS) guidelines. Strict chain of custody procedures which are consistent with the United States Department of Health

and Human Services (HHS) guidelines must be followed for all samples. The union and the Employer agree that the security of the specimens is absolutely necessary. Therefore, the Employer agrees that if the chain of custody of a sample is broken in any way which would significantly bring into question the accuracy of the testing, it shall be invalid and may not be used for any purpose.

- C. Urine specimens shall be collected in private, except in the circumstances described in 49 C.F.R. § 40.25(e)(2)(i, ii, iii), as follows:

Privacy

1. Procedures for collecting urine specimens shall allow individual privacy unless there is a reason to believe that a particular individual may alter or substitute the specimen to be provided, as further described in this paragraph.
  2. For purposes of this part, the following circumstances are the exclusive grounds constituting a reason to believe that the individual may alter or substitute the specimen:
    - a. The employee has presented a urine specimen that falls outside the normal temperature range (32° - 38°C/90° - 100°F), and
    - b. The employee declines to provide a measurement of oral body temperature, as provided in paragraph (f)(14) of the part; or
    - c. Oral body temperature varies by more than 1°C/1.8°F from the temperature of the specimen;
    - d. The last urine specimen provided by the employee (i.e., on a previous occasion) was determined by the laboratory to have a specific gravity of less than 1.003 and a creatinine concentration below .2g/L;
    - e. The collection site person observes conduct clearly and unequivocally indicating an attempt to substitute or adulterate the sample (e.g., substitute urine in plain view, blue dye in specimen presented, etc.).
  3. The employee will have the option of reporting to the collection site in plain clothes and in an unmarked vehicle for the purpose of providing the urine specimen.
- D. A split urine sample shall be collected in all cases of drug testing for an independent analysis in the event of a positive test result. All urine samples must be stored and preserved in a manner that conforms to HHS guidelines.
- E. Members have the right for a union representative to be present during the collection of samples (and any pre-collection interviews of members intended to determine whether reasonable suspicion exists), but the exercise of such right shall not unreasonably delay

the collection of the sample. For alcohol tests, "unreasonable delay" means one (1) hour or more; for drug tests, "unreasonable delay" means two (2) hours. Prior to submitting a specimen, the member will be asked to sign a consent-refusal form and may be subject to discipline for refusing to sign such form.

- F. The Employer's drug testing lab will confirm any urine sample that tests positive in initial screening for drugs by testing a portion of the same sample by gas chromatography/mass spectrometry (GC/MS). All positive confirmed samples and related paperwork must be retained by the testing lab for at least twelve (12) months or (provided written notice is given to the lab by the union or Employer, before the expiration of the 12-month period), for the duration of any grievance, disciplinary action or legal proceeding, whichever is longer.
- G. The Employer will provide members who test positive for drugs with an opportunity to have the split urine specimen tested by a clinical laboratory or hospital facility of the member's choosing, at the member's own expense, provided the member notifies the Employer within seventy-two (72) hours of receiving the positive results and provided further that the laboratory or clinic and the testing procedure, including chain of custody, meets or exceeds the standards established in this contract.
- H. The Employer will require that its drug testing lab and breath testing facility report that a specimen is positive only if both the initial screening and confirmation test are positive. Drug test results shall be evaluated by the Medical Review Physician, as defined in section 12.9(B), in a manner to ensure that a member's legal drug use and diet are properly taken into account when evaluating the test results. For the purpose of this Article, a positive drug test result means the presence of drugs and/or their metabolites in a member that equals or exceeds the levels as defined in section 12.9 below.  
  
The parties agree that should any information concerning such testing or the results thereof be obtained by the Employer inconsistent with the understandings expressed herein, the Employer shall return such information without copying and will not use such information in any manner or form adverse to the member's interests.
- I. With regard to alcohol testing, tests shall be performed by an individual(s) selected by the Employer and union and certified under federal standards. An initial positive alcohol level of .02 grams per 210L of breath shall be considered positive for purposes of authorizing the conduct of the confirming alcohol test to the extent permitted under Ohio public records laws. If initial screen results are negative; i.e., below the positive level, testing shall be discontinued, all samples destroyed, and records of the testing expunged from the member's personnel file. Only members with screen test results that are positive on the initial screen shall be subject to confirmation testing for alcohol. With respect to confirmation testing, a positive alcohol level shall be .02 grams per 210L of breath. If confirmatory breath testing results are negative; i.e., below the positive level, all records of the testing shall be expunged from the member's personnel file.
- J. Provide each member tested with a copy of all information and reports received by the Employer in connection with the testing and the results.

Section 12.9 Drug Testing Standards (HHS Standards)

- A. Screening Test Standards. The standards used for testing for drugs shall be the HHS standards in effect at the time the test is administered.
- B. Medical Review Physician (MRP). The Medical Review Physician (MRP) shall be chosen and agreed to by the union and Employer and must be a licensed physician who is familiar with the characteristics of the tests used (sensitivity, specificity, and predictive value) and the facilities running the tests. The role of the MRP will be to review and interpret positive drug test results and endeavor to notify the member by telephone or in person of any positive test results. He/she shall examine alternate medical explanations for any positive test results. This may include conducting a medical interview with the affected member, review of the member’s medical history, review of the member’s assignment, review of the chain of custody and review of any other relevant biomedical factors. The Medical Review Physician must review all medical records made available by the testing member when a confirmed positive test could have resulted from legally prescribed medication. A member shall be expected to cooperate promptly with the MRP. After full review, the MRP may conclude that a positive test is negative based upon proof that the level of concentration of drugs and/or alcohol resulted from the use of a legally obtained prescription. If such conclusion is made, the MRP shall not provide any test results to the Employer and shall report the test results as negative. The MRP may verify a test as positive without interviewing the affected member if more than five (5) days elapse after the MRP first attempts to telephone the member. The MRP will protect the confidentiality of information sent to them to the maximum extent of the law, and will make disclosures only to the member regarding the member’s own test results, and will make disclosure only of positive test results to authorized representatives of the union and Employer.

Section 12.10 Drug Test Screens In addition to being tested for alcohol, employees will be tested for the following drugs:

- |                 |               |
|-----------------|---------------|
| Amphetamines    | Methadone     |
| Barbiturates    | Methaqualone  |
| Benzodiazepines | Opiates       |
| Cannabinoids    | Phencyclidine |
| Cocaine         | Propoxyphene  |

Other drugs tests may be conducted if there is a reasonable suspicion of the abuse of drugs.

Section 12.11 Disciplinary Action . Except as provided in this paragraph, the use of a controlled substance may result in a discipline up to and including termination depending upon the seriousness of the offense. If an employee voluntarily discloses to the Employer a substance abuse problem for a controlled substances prior to being requested to submit to any drug testing and prior to any work related incident, and the employee submits to treatment, the employee may, at the discretion of the Employer, be placed on leave until the employee is fit to return to duty, as determined by the Sheriff. The employee will be encouraged to take part in the

County's Employee Assistance Program (E.A.P.) as outlined in the current Marion County Drug-Free Workplace Policy. The employee may use accrued leave benefits during the period of leave, and upon exhausting accrued leave will be on unpaid leave. The maximum time for leave, paid and unpaid combined, will be 60 consecutive calendar days. Once the Sheriff determines that the employee is fit to return to duty, the employee may be reinstated to his position. During the first year after the employee is reinstated to his position, the employee shall be subject to drug testing at any time and for no cause. If the employee tests positive for illegal drugs on any of these tests, he is subject to immediate termination.

Nothing in this section shall prohibit the Sheriff from taking appropriate disciplinary action related to illegal conduct engaged in by the employee.

### **ARTICLE 13 PROBATION PERIODS/PERFORMANCE EVALUATIONS**

Section 13.1 New Hire Every newly hired full-time employee will be required to successfully complete a probationary period of one (1) year. The New Hire Probationary Period shall begin on the first day for which the employee receives compensation from the Marion County Sheriff's Office. Probationary periods may be extended by mutual agreement of the parties.

Section 13.2 Promotions Or Lateral Transfers A newly promoted employee shall serve a probationary period of one (1) year. A newly hired probationary employee may be terminated any time during his probationary period and such termination shall not be appealable through the grievance procedure of this Agreement.

### **ARTICLE 14 SENIORITY**

Section 14.1 Definitions "Date of Hire Seniority" is an employee's uninterrupted length of continuous service with the Employer.

Classification Seniority is the date an employee enters a classification either by being hired or by changing from one classification to another. An employee must satisfactorily complete the required probationary period within a classification. An employee may leave a classification and return to it while reverting back to the employee's original classification date provided that the probationary period was satisfactorily completed within the classification.

A termination of employment lasting less than thirty-one (31) calendar days shall not constitute a break in continuous service. Once continuous service is broken, unless the employee is reinstated, the employee loses all previously accumulated seniority.

An approved leave of absence does not constitute a break in continuous service provided the employee follows the proper procedure for such leave and returns to active service immediately following the expiration of the approved leave. The time spent on an approved leave(s) without pay which exceed thirty (30) calendar days in any calendar year or thirty (30) continuous calendar days shall not count toward seniority.

Section 14.2 Seniority List The Employer shall post a seniority list once every six (6) months, on the Office bulletin board showing the continuous service of each employee with the Employer and their seniority within their current classification. Objections must be filed in writing within fifteen (15) calendar days of the posting, otherwise the list will be deemed valid.

During this period, anyone wishing to apply for the open position shall submit a written application to the Employer. The Employer shall not be obligated to consider any applications submitted after the posting period. A copy of each posting shall be furnished to the Union. Every notice for an open position shall contain the following information:

- Job classification
- Description of duties
- Rate of pay
- Date and time of posting

Section 15.3 Criteria Considered All timely-filled applications shall be reviewed considering the following criteria: seniority, qualifications, education, experience, work record, previous job performance, disciplinary record, physical and mental capability.

Section 15.4 Selection By Sheriff The position will be awarded to the individual who best meets the criteria as determined by the Sheriff. Nothing in this Article will prohibit the Sheriff from hiring outside the bargaining unit so long as the minimum requirements are met as determined by the Sheriff. Any person who bids and is not selected to fill a posted vacancy shall, upon written request, be given a written statement of the reasons for the determination.

## **ARTICLE 16 TEMPORARY ASSIGNMENTS**

Section 16.1 Authority The Employer may temporarily assign employees to a different classification. This Article addresses temporary assignments of an employee to a position in

another classification and does not address reassignments of employees to different assignments within their classification, special assignments of employees (as addressed in Article 22), nor is this Article intended to address "lateral transfers" (as addressed in Article 13).

Section 16.2 Higher Pay Classifications If an employee is temporarily assigned from his or her regular classification to another classification that is in a higher pay range, the employee shall receive the minimum hourly rate for the higher paying classification that results in the employee receiving a higher rate of pay for all hours worked in the higher pay range classification.

Section 16.3 Lower Pay Classifications If an employee is temporarily assigned to a lower pay range classification, the employee shall continue to receive his or her normal rate of pay for the time spent in the lower pay range classification.

Section 16.4 Temporary Assignments More Than Sixty Days If a temporary assignment lasts more than sixty (60) days, the temporary opening shall be posted and filled by utilizing the same bidding procedures as would otherwise be used to fill a job vacancy under Article 14 of this Agreement. The period of temporary assignment may exceed sixty (60) days, but no more than one hundred twenty (120) days, when the temporary assignment is for the purpose of filling in for an individual on a leave of absence for a specific period (e.g. maternity leave, injury leave, etc.) with an expected date of return.

## **ARTICLE 17 LAYOFF AND RECALL**

Section 17.1 Reasons For Layoff Reasons for layoff shall be pursuant to the Ohio Revised Code. If a layoff of bargaining unit personnel is anticipated, the Employer shall notify the Union at least fourteen (14) days prior to such layoff whereupon the parties shall meet to discuss alternatives to layoffs.

Section 17.2 Notification Of Layoff In the event of a layoff, affected employees and the Union shall be sent a notice fourteen (14) calendar days prior to the effective date of layoff. Such notice shall be in writing and shall include reason for layoff and effective date of same.

An employee may only displace another employee with less seniority.

Section 17.5 Recalls Recalls from layoffs shall be by classification with the laid off employee within the affected classification with the most seniority being recalled before others in the affected classification. When recalls occur, those employees having been affected by the layoff who have bumped into another classification shall have the first right to return to their original classification at the time of layoff. Any layoff that lasts longer than an affected employee's length of seniority at the time of the layoff or two (2) years, whichever is less, will cause the affected employee to lose his or her seniority and right of recall.

## **ARTICLE 18 SUBCONTRACTING**

Section 18.1 The Sheriff agrees that prior to any subcontracting of work that would result in the layoff of bargaining unit employees Employer representatives will meet with the Union to discuss the possible alternatives to layoffs and the affect of the layoff. The Sheriff agrees to notify the Union at least thirty (30) calendar days in advance of the date scheduled for the layoff.

## **ARTICLE 19 GRIEVANCE PROCEDURE AND ARBITRATION**

Any employee may withdraw a grievance at any point by submitting in writing a statement to that effect.

Any grievance not answered by management within the stipulated time limits shall automatically advance to the next step in the procedure. A grievance shall automatically be extended ten days upon request of either party, on the initial filing of the grievance not to include the day of the filing. All time limits may be waived upon mutual consent of the parties.

All written grievances must contain the following information to be considered:

- A. Aggrieved employee's name and signature;
- B. Aggrieved employee's classification;
- C. Date grievance was first discussed;

The Sheriff shall investigate and attempt to adjust the matter and shall respond to the grievant and/or Union representative(s) in writing within seven (7) calendar days following the meeting.

Step 3 Arbitration If the grievance is not satisfactorily resolved in Step 2, it may be submitted to arbitration upon request of the Union or Employer in accordance with this Section of this Article.

The Union or the Employer, based on the facts presented, have the right to decide whether to arbitrate a grievance. The right of the Union or the Employer to request arbitration over an adjusted grievance is limited to a period of fourteen (14) calendar days from the date final action was taken on such grievance under Step 2 in the grievance procedure and any grievance not submitted within such period shall be deemed settled on the basis of the last answer given by the Employer.

Upon a determination to submit the dispute to arbitration, and after written notice from the initiating party to the other party, the parties shall meet within fourteen (14) calendar days in order to jointly draw up the request for list of arbitrators from the Federal Mediation and Conciliation Service for arbitration in accordance with the Service's then prevailing rules and practices for voluntary labor arbitration. Alternatively, the parties may agree to select an Arbitrator prior to requesting a list from FMCS.

In instances involving time-off discipline the parties expressly agree that arbitration shall be expedited. To that end, when requested by the Union, the Arbitrator shall be selected by the parties within thirty (30) calendar days of the Notice of Intent to Arbitrate, the Arbitrator selected shall have thirty (30) calendar days from the date he/she accepts the appointment to schedule a hearing, and the Arbitrator shall have fifteen (15) calendar days to issue a written decision. The Arbitrator shall be made aware of these conditions. Neither party shall be permitted to file post-hearing briefs. Extensions shall only be by written, mutual agreement.

Upon mutual agreement, a pre-arbitration meeting shall be conducted. Such meeting shall be for the purpose of meeting to discuss the merits of the grievance, to exchange lists of witnesses (with a description of testimony expected) and to exchange copies of any documents expected to be used in the arbitration hearing. Requests for such meeting shall be in writing and presented/served on the other party at least thirty (30) calendar days after the Step 2 written answer. A meeting shall be scheduled for a date no later than fourteen (14) calendar days after receipt of request for a pre-arbitration meeting, unless parties agree otherwise. In the event of expedited arbitration, the request for the pre-arbitration meeting shall be within seven (7) calendar days of the notice of intent to arbitrate and the meeting and exchange of information shall occur within fourteen (14) calendar days thereafter. If either party should decide to utilize rebuttal documents or witnesses it shall inform the other party no later than seven (7) calendar days after the pre-arbitration meeting.

The arbitrator shall limit his or her decision strictly to the interpretation, application, or enforcement of the specific articles and sections of this Agreement, and shall be without power or authority to make any decision:

Section 19.6 Arbitrability The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.

Section 19.7 Decision Of Arbitrator The decision of the Arbitrator resulting from any arbitration of any grievances hereunder shall be in writing and shall be final and binding upon the Employer, the Union and the employee or employees involved. The award, if in favor of the grievant, will be promptly implemented by the Employer.

The expenses of any non-employee witness shall be borne, if at all, by the parties calling them. The fees of the court reporter shall be paid

by the party asking for one; such fee shall be split equally if both parties desire a reporter, or request a copy of any transcript. Any bargaining unit member whose attendance is required for such hearing shall not lose pay or benefits to the extent such hearing hours are during his or her normal working hours on the day of the hearing.

Section 19.9 Settlement Without Union When an employee covered by this Agreement represents himself in a grievance, the Employer will advise the Union of its disposition. An authorized Union representative shall be permitted to be present in such cases. No settlement shall be in conflict with any provisions of this Agreement.

Section 19.10 Informal Resolution Should an employee have a dispute or complaint that is not subject to the grievance procedure set forth above, the employee may reduce the matter to writing and submit it to his or her supervisor who shall then schedule a meeting with the employee and one (1) representative within seven (7) calendar days. After such meeting the supervisor shall give the employee a written answer. If the employee is not satisfied with the written answer given by his or her supervisor, then and in such event he or she may submit the written complaint or dispute together with the supervisor's written answer to the Chief Deputy for further consideration who shall then schedule a meeting with the employee and one (1) representative. Within seven (7) calendar days after such meeting the Chief Deputy shall give his written answer to the employee. If the employee is not satisfied with the Chief Deputy's written answer he or she may then submit the written complaint or dispute together with the supervisor's and the Chief Deputy's written answers to the Sheriff who shall then schedule a meeting with the employee and one (1) representative to review the entire matter. The Sheriff shall, within seven (7) calendar days after the date of such meeting, give the employee his written answer to the Complaint or dispute which written answer shall be final and binding. Upon mutual agreement of the parties, this procedure may also be used for matters subject to or pending in the grievance procedure. It is the intent and desire of the Employer, Union, and employees that all matters of dispute, contract interpretation, discipline appeal, etc. which may or may not be subject to this grievance procedure be openly discussed with the intent for resolution. These discussions may occur informally, through this grievance procedure, or through formal labor-management meetings. All parties necessary for resolution may attend with the permission of the Union and the Employer.

## **ARTICLE 20 INVESTIGATION, DISCIPLINE PROCEDURES, PERSONNEL RECORDS**

Section 20.1 Criminal Investigations A bargaining unit member who is to be questioned as a suspect in any investigation where criminal charges may result, shall be advised of his constitutional rights in accordance with law.

Section 20.2 Internal Investigations Before a bargaining unit member may be charged with insubordination or like offense for refusing to answer questions or participate in an investigation, he shall be advised that such conduct, if continued, may be the basis for such a charge. At any time a formal investigation concerning a bargaining unit member occurs wherein disciplinary action of record (reprimand of record, suspension, reduction, or removal) will or may result, the member will be notified when he is first questioned, that such result is possible.

Prior to a formal internal interview conducted as part of an internal affairs investigation, where a serious disciplinary action may occur, an employee shall be notified of his right to FOP/OLC representation and, if an employee desires, he shall be given a reasonable opportunity to consult with an appropriate FOP/OLC representative and/or FOP/OLC attorney and have a representative present prior to answering questions. However, under no circumstances will the request to have an FOP/OLC representative/attorney present be permitted to unreasonably delay a formal internal interview. Any questioning or interview of an employee will be conducted at hours reasonably related to or during his shift. Interviews shall be for reasonable periods of time and time shall be allowed during such interview for short breaks to attend to physical necessities. Depending on the severity of an alleged incident, an employee may be ordered to appear at an internal interview at any time regardless of his shift upon being ordered to do so by a superior officer.

No member shall be required to submit to a polygraph examination or any other mechanical or electrical testing to investigate the truth of statements made by members without their consent.

“Serious disciplinary action” includes a termination or suspension.

In a non-criminal investigation of an employee, it is understood and agreed that the investigation should occur and formal charges brought (if any) within a reasonable time after the Sheriff becomes aware, or should have become aware, of an alleged occurrence which could give rise to discipline.

When a bargaining unit member suspected of a violation is being interviewed, such interview shall be recorded at the request of either party by the requesting party. No audio recording of interviews shall be without the knowledge of the bargaining unit member and/or the Employer.

If a record is made regarding an unfounded complaint, the personnel manager shall be responsible for destroying the records in accordance with the records retention schedule as approved by the County Records Commission and appropriate state agencies.

Any unfounded complaints shall not be the basis for disciplinary action against an employee.

In evaluating the evidence regarding the complaint about an employee's conduct, the Employer will take into account the length of time which has expired between the date of the alleged incident and the date the complaint is received as bearing on the credibility of the complaining party, along with all other facts and circumstances.

Section 20.4 Access To Documents, Cooperation In Investigation Excluding matters involving criminal investigations, any member who is charged with violating the Office rules and

regulations or standards of conduct of an employee will be provided access to transcripts, records, written statements, and tapes pertinent to the case. Section 20.7 Pre-disciplinary Meetings Upon completion of an investigation and prior to a Pre-disciplinary meeting with the Sheriff or his designee, a member will receive a written statement of proposed charges and specifications. The specifications of the charges may be amended any time up to the time formal charges are brought. At the meeting, the charged bargaining unit member will be allowed to present his response. A member who is charged, or his representative, may make a written request for a continuance, prior to the meeting. Such request will be granted where practical. The length of such continuance shall be mutually agreed upon. If the parties fail to agree to a new meeting date, the Employer may schedule the new date. An employee may waive a Pre-disciplinary meeting.

At the Pre-disciplinary meeting, or soon as possible thereafter, the Union shall submit any documents or statements in response to charges raised and may ask for another meeting to fully reply to charges raised. An additional meeting shall not unduly delay the Pre-disciplinary process. At any meeting in the Pre-disciplinary process, the Union shall have the responsibility of submitting documents, statements, or witnesses to reply or respond to the charges brought against a member.

Section 20.8 Discipline Conducted In Private All discipline and counseling will be conducted in private in a business-like manner, the Employer will notify the affected member of any charges or of any decision reached as a result of a Pre-disciplinary meeting prior to any public statement.

Prior discipline may be used to establish that an employee had notice of conduct expected.

The Employer shall abide by and follow provisions of Ohio Revised Code Chapter 1347, Personal Information Systems Act.

In the case of a member of the immediate family not living with the employee, the Employer may credit sick leave when it appears justified, but such cases shall be justified and shall be carefully investigated.

Section 28.14 Injury Leave Any employee who is disabled as a result of physical injury suffered in the discharge or performance of his duty shall be entitled to receive his full salary during such period of disability, for a period up to thirty (30) calendar days, without using accumulated sick leave.

The following conditions will apply to injury leave:

- A. The employee must file a Workers' Compensation claim to qualify for injury leave.
- B. The employee must submit a statement by a physician which shall include a diagnosis and an estimate of recovery time to justify use of injury leave.
- C. If the Employer disputes the injury leave request, the employee shall submit himself to a physical examination conducted by a doctor chosen and paid for by the Employer.
- D. If the doctor chosen by the Employer disagrees with the employee's doctor, the parties will wait until the Industrial Commission decides the Worker's Compensation claim. If the claim is allowed, the employee will be paid his injury leave. On the issue of injury leave, the decision of the Industrial Commission on the employee's Worker's Compensation claim will be determinative.
- E. Any payment from Worker's Compensation for a covered claim during the above thirty (30) calendar day period shall be turned over to the Employer.
- F. Physical injury for purposes of this Article shall be defined as any injury compensable under the Worker's Compensation laws of the State of Ohio.
- G. The maximum amount of injury leave available shall be thirty (30) calendar days per injury, cumulative.

The Sheriff may grant at his discretion additional injury leave under the terms of this Article. Additionally, the Employer may grant, at his sole discretion and not subject to the grievance procedure, paid injury leave for non-job related injuries or illnesses to employees who have exhausted their leave balances for a reasonable period if it is expected the employee will be able to return to work.

Section 29.2 Examinations are intended to guard the health and safety of employees and will be ordered, when, as a precautionary measure, periodically to ensure the health of employees or when in individual situations, the Employer has concern for an employee's ability to perform the material and substantial duties of his position.

Section 29.3 The Employer may require an employee to take an examination, conducted by a physician to determine the employee's physical or mental capability to perform the material and substantial duties of the employee's classification. If found not qualified, the employee may request available sick leave or vacation or disability leave with the right to return within one year. The cost of such examination shall be paid by the County. If the employee disagrees with said determination he may be examined by a physician of his choice at his expense. If the two reports conflict a third opinion shall be rendered by a neutral physician chosen by the first two physicians whose decision shall not be appealable to the grievance procedure. The neutral physician's cost shall be borne by the Employer.

Section 29.4 Employees requesting return from disability leave must submit documentation of their ability to perform the material and substantial duties of their classification. The Employer may require an examination prior to return to work. All disability leave shall be without pay.

Section 29.5 Refusal of an employee to submit to an examination will be considered as insubordination and shall be grounds for discipline which may include dismissal.

Section 29.6 If an employee after examination is found to be unable to perform the material and substantial duties of his position, then the employee may utilize accumulated unused sick leave or other leave benefits (including but not limited to Workers' Compensation, if eligible).

Section 29.7 If an employee refuses to go on a leave status or refuses to request paid or unpaid leave, the Employer may place the employee on an unpaid leave or disability separation. Such leave shall continue for a period of two (2) years unless the employee is certified as being able to return to work by a physician of the employee's choice. If the employee is not able to return to

work by the end of that two (2) year period, he or she shall be deemed permanently separated from employment with the Employer.

Section 29.8 Any costs for examination required by the Employer shall be paid by the Employer. Employees shall have the right to submit examination reports to the Employer which would respond to the questions of an employee's ability to perform the material and substantial duties of his position.

Such request for sick leave shall be submitted on a leave request form to the Office.
