**ARTICLE 1
RECOGNITION**

Section 1.1 Recognition The City recognizes the Fraternal Order of Police, Ohio Labor Council, as the sole and exclusive bargaining representative with respect to wages, hours and other terms and conditions of employment for all full-time police officers that have been certified by the State Employment Relations Board on June 17, 2011 in Case No. 2011-REP-03-0020.

**ARTICLE 2
AGREEMENT**

Section 2.1 Purpose This Agreement, entered into by the City of Powell, Ohio, hereinafter referred to as the "City" or "Employer" and the Fraternal Order of Police, Ohio Labor Council, Inc., hereinafter referred to as the "FOP/OLC", has as its purposes the following:

- A. To promote cooperation and orderly, constructive and harmonious relations between the City, its employees, and the FOP/OLC.
- B. To attract and retain qualified employees.
- C. To assure the efficient and uninterrupted operation of the Police Department.
- D. To establish a procedure for the expeditious resolution of grievances.
- E. To comply with the requirements of Chapter 4117 of the Ohio Revised Code and to set forth the full and complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining unit as defined herein.
- F. This Agreement supersedes all previous agreements, whether oral or written, between the City, its employees, and the FOP/OLC.

Section 2.2 Modification of Agreement The express provisions of this Agreement may be changed only by mutual agreement between the parties, reduced to writing, dated, and signed by the parties to this Agreement.

Section 2.3 Savings Clause The provisions set forth in this Agreement shall be subject to applicable Federal and State Laws, and shall be interpreted wherever possible so as to comply fully with such laws. Should any portion of this Agreement be declared invalid by operation of law or by a court of competent jurisdiction, such invalidation of said part or provision shall not invalidate the remaining portions hereof and they shall remain in full force and effect. In addition, within thirty (30) calendar days following the effective date of such declaration of invalidity, the parties shall meet in good faith negotiations to attempt to modify such provision to comply with applicable law. Such negotiations shall be subject to the dispute resolution procedures of Chapter 4117 of the Ohio Revised Code.

Section 2.4 Waiver in Case of Emergency In cases of emergency declared by the President of the United States, the Governor of the state of Ohio, the Delaware County Sheriff, the City Manager of Powell, or any other authorized governmental official, for acts of God or civil disorder, the following conditions of this Agreement may be temporarily suspended by the Employer:

- A. Time limits for the processing of grievances; and
- B. Selected work rules and/or agreements and practices relating to the assignment of employees.

Section 2.5 Application of Civil Service Law Except as expressly otherwise provided in this Agreement or specifically excepted from the scope of collective bargaining by the provisions of Revised Code Chapter 4117, Rules and Regulations of the Personnel Board of Review, the City of Powell, City Charter and civil service laws contained in Revised Code Chapter 124, sections 124.01 through 124.56, and any other matter referenced in this Agreement shall not apply to employees in the bargaining unit. It is expressly understood that the Ohio Department of Administration Services and the State of Ohio Personnel Board of Review shall have no authority or jurisdiction as it relates to any issue, topics or express matters addressed in this Agreement or to employees in the bargaining unit. That is, where a topic or issue is addressed in this Agreement it will prevail over any conflicting statutory language not specifically addressed in this Agreement but related to the topic or issue.

ARTICLE 3 DUES DEDUCTION, FAIR SHARE FEE

Section 3.1 Dues Deduction The Employer agrees to deduct from the wages of any employee, who is a member of the FOP/OLC and has signed a dues deduction card, membership dues and fees. The FOP/OLC will notify the City in writing, of the dues and fees it charges and its current membership. The FOP/OLC will update membership information as needed. A one-month advance notice must be given to the payroll clerk prior to any change in dues deductions. All dues collected shall be submitted once each month to the FOP/OLC person designated in writing by the FOP/OLC.

The Employer shall be relieved from making individual dues deduction payments to the FOP/OLC when a member:

- A. Resigns or is separated from Employer employment;
- B. Is laid off from Employer employment;
- C. Provides written revocation of dues deduction authorization submitted by the employee to the Employer;
- D. Is on an unpaid leave of absence when the dues deduction would otherwise be due;

- E. At any time when dues are otherwise due, fails to receive sufficient wages to make all legally required deductions in addition to the deduction of FOP/OLC dues, provided that all member's dues shall thereafter be deducted in the first available pay period in which the member has sufficient wages to make the dues deduction in addition to all legally required deductions; and
- F. When the employee is no longer in the bargaining unit.

Section 3.2 Error in Deduction It is agreed that neither the bargaining unit member nor the FOP/OLC shall have a claim against the Employer for errors in the processing of deductions unless a claim of error is made to the Employer in writing within forty five (45) days after the date such an error is claimed to have occurred. If an error is found to have occurred, it will be corrected at the next pay period that dues would normally be deducted.

Section 3.3 Indemnification It is specifically agreed that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article. The FOP/OLC hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions, or proceedings by any employee arising from deductions made pursuant to this Agreement. Once the funds are remitted to the FOP/OLC, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the FOP/OLC. The parties agree and understand that if an employee(s) files an action(s) against the Employer and/or the City and/or the FOP/OLC regarding the deductions made under this Article, the deductions for those employees shall be deposited in a interest bearing escrow account until disposition is determined.

Section 3.4 Fair Share Fee Any employee who is not a member of the FOP/OLC shall pay the FOP/OLC, through payroll deduction, a fair share fee for the duration of this Agreement. This provision shall not require any employee to become or remain a member of the FOP/OLC, nor shall the fee exceed the dues paid by the members of the FOP/OLC in the same bargaining unit. The FOP/OLC is responsible for notifying the Employer of the proportionate amount, if any, of its total dues and fees that was spent on activities that cannot be charged to the fair share fees of non-members during the preceding year. The amount of fair share fees required to be paid by each non-member employee in the unit (during the succeeding year) shall be the amount of the regular dues paid by employees in the unit who are members of the FOP/OLC less each non-member's proportionate share of the amount of the FOP/OLC's dues and fair share spent on activities not chargeable to such fair share during the prior year. If an employee challenges the propriety of the FOP/OLC's use of such fee, deductions shall continue, but the FOP/OLC shall place the funds in an interest bearing escrow account until a resolution of the challenge is reached pursuant to the provisions of ORC 4117.09(C) and other appropriate provisions of federal law, state law and rules of the State Employment Relations Board. The FOP/OLC agrees to provide annually to the Employer, a copy of the fair share fee rebate procedure.

ARTICLE 4 MANAGEMENT RIGHTS

Section 4.1 General Except to the extent modified by the provisions of this Agreement, the FOP/OLC agrees that the Employer reserves and retains solely and exclusively all of its legal

rights to manage the operations of the Police Department of the City of Powell. The rights, powers, responsibilities and authority of the Employer shall include, but shall not be limited to the right to establish, change or abolish policies, practices, rules, or procedures for the conduct of the Police Department, its employees and its service to the citizens of the City, consistent with the provisions of this Agreement.

Section 4.2 Management Rights Except as expressly limited by the terms and conditions set forth in this Agreement, the Employer's exclusive rights shall include, but shall not be limited to the following:

FOP/OLC on subjects reserved to the management and direction of the police department except as such subjects would affect hours, wages, terms, and conditions of employment of bargaining unit employees covered by this agreement.

ARTICLE 5 FOP/OLC BUSINESS

Section 5.1 Representatives For the purpose of representation within the police department, the FOP/OLC shall be entitled to one (1) steward from each shift to handle grievances and other legitimate FOP/OLC business. Where the primary steward is absent, an alternate from another shift shall process the grievance.

Section 5.2 Release Time A FOP/OLC steward will be permitted time off with regular pay to be present at grievance or disciplinary hearings, and will be permitted reasonable time during scheduled duty hours without loss of pay or benefits to investigate and process grievances provided such activity does not interfere with the performance of said employee's normal duties. The City work duties shall at all times be the primary concern of said employees. In no event shall a FOP/OLC steward receive overtime or call-in payment to conduct grievances or FOP/OLC business. Section 5.6 Negotiations Committee The FOP/OLC negotiating Committee shall consist of no more than two (2) employees. Members of the Committee shall be permitted to attend any negotiation session without loss of pay if such session is held during the committee member's regular scheduled hours of work. A negotiating committee member shall return to the member's regular assignment if the session ends before the end of the regularly scheduled shift.

**ARTICLE 6
GRAMMAR/GENDER**

Section 6.1 Grammar/Gender Words, whether in the masculine, feminine or neutral genders, shall be construed to include all of those genders. By the use of either the masculine or feminine genders it is understood that the use is for convenience purposes only and not to be interpreted to be discriminatory by reason of sex. The term "employee" or "member" where used herein, without otherwise being qualified or described, refers to all employees in the bargaining unit.

**ARTICLE 7
INTERNAL REVIEW PROCEDURE**

Section 7.1 Scope All complaints against the Powell Police Department or its employees shall be investigated.

Section 7.2 Notification At any time an inquiry concerning a member occurs when the Employer believes that disciplinary action of record will or may result, the employee will be notified when first questioned, that such result is possible. Prior to any questioning, a member shall be informed of the nature of the investigation (whether disciplinary or criminal) and shall be provided written notice of the allegations made against the member. The member shall be informed of the member's rights and responsibilities relative to the investigation, in advance of any questions.

Section 7.3 Right to Representation During all questioning, the member may upon request, be accompanied by a representative of the FOP/OLC. If a member desires, the member shall be given a reasonable opportunity to consult with such representative before being required to answer questions. Employees may waive the right to FOP/OLC representation by signing the appropriate FOP/OLC forms.

Section 7.4 Interviews Any questioning, or interviewing, of a member will be conducted at hours reasonably related to their shift, preferably during, or immediately before or after, the member's working hours. Such sessions shall be for reasonable periods of time, and time shall be allowed during such questioning for rest periods and for a member's attendance to other physical necessities.

Section 7.5 Responsibility to Respond Before a member may be charged with insubordination or like offense for refusing to answer questions or participate in any investigation, the member shall be advised that such conduct, if continued, may be the basis for such a charge.

Section 7.6 Notification of Completion Any member who has been under an internal investigation shall be informed of the outcome within a reasonable period upon completion of the investigation.

Section 7.7 Access to Tapes and Documents Once the investigation is completed and reasonably in advance of any pre-disciplinary conference, the member who is subject to questioning will be provided access to one copy of any transcripts, records, written statements

and tapes generated by the investigation, including but not limited to transcripts of questions and responses to polygraph examinations or other truth testing device at no cost to the employee. The employee will submit the request in writing.

Section 7.8 Unfounded Complaints If a citizen complaint is investigated and found to be unsustainable, unfounded, or if the employee was exonerated, the City shall indicate such to the citizen making the complaint. The employee will be given a copy of the written response, naming the employee, provided to the citizen. If the employee disagrees with the communication, the employee will be permitted to note the disagreement on a separate form. If the investigation shows that the complaint involved a written false allegation and that the person making the complaint knew the allegation was false, the matter, if requested by the named employee, shall be referred by the Department to the Prosecutor's Office for processing.

ARTICLE 8 DISCIPLINE PROCEDURES

Section 8.1 Good Behavior The tenure of every employee shall be during good behavior and efficient service. No employee shall be disciplined except for just cause pursuant to any of the methods listed in this Article.

Section 8.2 Methods of Progressive Discipline Except where more severe discipline is warranted, discipline will normally be applied in a progressive manner. Progressive discipline shall take into account the nature of the violation, the employee's record of discipline, the employee's record of performance and conduct, other relevant considerations, and the nature of the infraction. Discipline may include but is not limited to the following:

- A. Verbal reprimand;
- B. Written reprimand;
- C. Suspension;
- D. Working Suspension;
- E. Termination; and
- F. Other Mutually Agreed Discipline.

The level of discipline shall be commensurate with the infraction and may be advanced discipline on the initial infraction, up to and including removal. The Employer may place an employee on paid administrative leave while investigating a disciplinary matter.

The parties agrees that counseling is a corrective measure for minor infractions in the work place and shall not be viewed as discipline as outlined in Section 8.2.

Section 8.3 Pre-disciplinary Meetings In the event that an employee is to be given disciplinary action for behavior or conduct which warrants time-off suspension, demotion, removal, or other discipline resulting in loss of pay, a pre-disciplinary personal conference between the employee and the Chief of Police (or designee), shall be arranged. The employee shall be given at least forty-eight (48) hours advanced notice of the hearing date and time unless the parties agree to a lesser time frame to have a hearing. Regarding the pre-disciplinary hearing an employee may elect to do any of the following:

- A. Appear at the hearing and present an oral or written statement;
- B. Appear at the hearing and have a representative present an oral or written statement;
- C. Have a representative appear at the hearing and present an oral or written statement in place of an employee, who is physically unable to appear for the hearing; or
- D. Elect to waive, in writing, the opportunity to have a pre-disciplinary hearing.

The employee may have a FOP/OLC official present at the pre-disciplinary conference. The employee shall be responsible to notify the FOP/OLC official. When the nature of the offense is such that immediate disciplinary action is required, the City may, at its discretion, place an employee on paid administrative leave until a determination regarding discipline is made. Any suspension shall be for a specific number of days on which the employee would be regularly scheduled to work. Holidays occurring during a period of suspension shall be counted as workdays for the purpose of suspension.

Section 8.4 Manner of Discipline The Employer agrees that all disciplinary procedures will be carried out in private and in a business-like manner:

Section 8.5 Appeals of Discipline Employees may file grievances for suspensions, demotions, and terminations and such grievances must be filed, directly to Step Two of the grievance procedure within seven (7) calendar days of receipt of notice of the disciplinary action. All other discipline is not able to be grieved beyond Step Two. An employee may not pursue any appeal of a disciplinary action to the Personnel Board of Review of the City of Powell, as the grievance-arbitration procedure is the sole remedy.

ARTICLE 9 GRIEVANCE PROCEDURE

Section 9.1 Grievance Defined, Content, Timeline For Filing The term “grievance” shall only mean an allegation that there has been a violation, misinterpretation, or improper application of the specific provisions of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement. Written grievances must be submitted in writing no later than fourteen (14) calendar days following the event or circumstances giving rise to the grievance or within fourteen (14) calendar days of when the grievant knew or reasonably should have known of the events giving rise to the grievance, whichever is longer, but in no

event longer than thirty (30) calendar days. All grievances must be filed upon an agreed to form and contain the following information:

- A. Aggrieved employee's name, or names of all grievants. Group Grievances should be designated as such and indicate the members of the group;
- B. Date grievance was first discussed and the name of the supervisor with whom the grievance was discussed;
- C. Date and time grievance occurred;
- D. The location where the grievance occurred;
- E. A description of the circumstances or incidents giving rise to the grievance;
- F. Specific provisions of the Agreement violated; and
- G. Desired remedy to resolve the grievance.

Grievances are to be filed at Step One, unless the occurrence that gave rise to the grievance originated at the Chief's level (Step Three) or the City Manager's level (Step Four). If the occurrence that gave rise to the grievance originated at Step Three or Step Four, the grievant may initiate the grievance at that step. The Chief or the City Manager may refer the grievant to the lower level if deemed appropriate.

Employees within the bargaining unit covered by this Agreement have the right to present grievances up to Step Three and have them adjusted without the intervention of the bargaining unit representative as long as the adjustment is not inconsistent with the terms of the Agreement then in effect and as long as the bargaining unit representative has the opportunity to be present at the adjustment of the grievance.

Section 9.2 Grievance Procedure The following procedure shall be used in the grievance process:

- A. **Step One - Immediate Supervisor** An employee having a grievance will first attempt to resolve it with the employee's immediate supervisor. Such attempt at resolution shall be made by the grievant within seven (7) calendar days of the occurrence of the incident or knowledge of the occurrence that gave rise to the grievance.

Within seven (7) calendar days after meeting with the grievant, the supervisor shall submit to the grievant a written response to the grievance. If the grievant is not satisfied with the written response the grievant may pursue the grievance to Step Two.

- B. **Step Two - Deputy Chief of Police** Should the grievant not be satisfied with the answer in Step One from the immediate supervisor, within seven (7) calendar days after receipt of the immediate supervisor's response (or seven (7) calendar days after the immediate

supervisor's response was due) the grievant may appeal the grievance to Step Two by delivering a copy of the grievance form, containing the written response at the prior step and any other pertinent documents, to the Deputy Chief. The grievant (or steward) shall also make reasonable efforts to submit at this step any documentation believed to support the grievance. The Deputy Chief shall date the form accurately showing the date the Deputy Chief received the form.

The Deputy Chief shall, within seven (7) calendar days of receipt of the written grievance, schedule and conduct a meeting to discuss the grievance with the grievant and/or FOP/OLC steward.

Within seven (7) calendar days of the meeting at Step Two, the Deputy Chief shall submit to the grievant a written response to the grievance.

- C. **Step Three – Chief of Police** Should the grievant not be satisfied with the answer in Step Two from the Deputy Chief, within seven (7) calendar days after receipt of the Deputy Chief's response or seven (7) calendar days after the Deputy Chief's response was due, the grievant may appeal the grievance to Step Three by delivering a copy of the grievance form, containing the written responses at the prior steps and any other pertinent documents, to the Chief of Police. The grievant (or steward) shall also make reasonable efforts to submit at this step any documentation believed to support the grievance. The Chief of Police (or designee) shall date the form accurately showing the date the Chief's Office received the form.

The Chief of Police (or designee) shall, within seven (7) calendar days of receipt of the written grievance, schedule and conduct a meeting to discuss the grievance with the grievant and/or FOP/OLC steward.

Within seven (7) calendar days of the meeting at Step Three, the Chief of Police (or designee) shall submit to the grievant a written response to the grievance.

- D. **Step Four – City Manager** Should the grievant not be satisfied with the answer in Step Three, within seven (7) calendar days of receipt of the Chief of Police answer or seven (7) calendar days after the response was due, the grievant may appeal the grievance to Step Four by delivering a copy of the grievance, containing written responses at the prior Steps and any other pertinent documents, to the City Manager (or designee). The City Manager, (or designee), shall date the grievance, accurately showing the date the City Manager's office received the grievance.

Within seven (7) calendar days of receipt of the grievance, the City Manager shall schedule and conduct a meeting to discuss the grievance with the employee. The grievant (or steward) shall also make reasonable efforts to submit at this step any documentation believed to support the grievance. The City Manager and/or Grievant may bring appropriate witnesses.

In the meeting called for at this Step, the City Manager shall hear full explanation of the grievance and the material facts relating thereto.

Within seven (7) calendar days of the meeting at this Step, the City Manager shall submit to the grievant a written response to the grievance.

The employee may have a steward or FOP/OLC representative present at any stage of the grievance process.

Section 9.3 Timely Processing of Grievances Any grievance not advanced to the next step by the grievant or the FOP/OLC within the time limits in that step shall be deemed resolved by the Employer's last answer. Any grievance not answered by the Employer within the time limits in that step shall automatically proceed to the next step. Time limits may be extended by the Employer and the grievant or FOP/OLC by mutual agreement in writing.

Section 9.4 Pre-arbitration Meetings Either party may request, in writing, a pre-arbitration meeting and a meeting shall be conducted. Such meeting shall be for the purpose of discussing the merits of the grievance, to exchange lists of witnesses (with a description of testimony expected), and to exchange copies of any documents expected to be used in the arbitration hearing. Requests for such meeting shall be in writing and presented/served on the other party at least thirty (30) calendar days after the Step Two written answer. A meeting shall be scheduled for a date no later than fourteen (14) calendar days after receipt of request for a pre-arbitration meeting, unless the parties agree otherwise.

Section 9.5 Arbitration If the grievant is not satisfied with the answer in Step Four, within fourteen (14) calendar days after receipt of the Step Four response, (or fourteen (14) calendar days after the Step Four response is due) the FOP/OLC may appeal to arbitration by serving the Employer a written notice of intent to arbitrate.

Within twenty-one (21) calendar days of the Employer's receipt of the notice of intent to file under the grievance arbitration procedure, the FOP/OLC shall, by letter, request a list of nine (9) arbitrators from the Federal Mediation and Conciliation Services ("FMCS") to hear the arbitration. Upon receipt of such list of arbitrators the parties shall attempt to select one (1) arbitrator from the list. If the parties fail to agree on the selection of one (1) arbitrator, the parties shall then proceed to alternately strike one (1) name each from the list. Determination regarding which party shall have the privilege of striking a name from the list first shall be resolved by the toss of a coin. The individual whose name remains on the list after the other names have been removed shall be the arbitrator. Both parties shall have the option to strike the entire panel of proposed arbitrators. This option to strike an entire panel may be exercised by each party once on any one (1) grievance. The Federal Mediation and Conciliation Services shall be informed of the individual selected and request that such arbitrator be assigned to the grievance. The arbitrator shall arrange with the parties, the date, time and place of the meeting. The parties may mutually agree upon an arbitrator without requesting a list from the Federal Mediation and Conciliation Services. Arbitration proceedings shall be conducted under the voluntary labor arbitration rules of the Federal Mediation and Conciliation Services, except as modified by the provisions of this Agreement. The arbitrator shall conduct a fair and impartial

hearing concerning the grievance, and may consider the testimony, evidence and documents received during the hearing. The arbitrator shall hear only one grievance at a time unless both parties agree to consolidate two (2) or more grievances. After a dispute on which the arbitrator is empowered to rule hereunder has been referred to him, such dispute may be withdrawn by either party.

The fees of the arbitrator and the rent, if any, for the hearing room shall be borne by the losing party, unless the Arbitrator renders a "split decision" in which the cost shall be paid equally by the parties. The expense of any non-employee witnesses shall be borne, if at all, by the party calling that witness. The fees of a court reporter shall be paid by the party asking for one, however, such fee shall be split equally if both parties desire a reporter or request a copy of the transcript.

No issue whatsoever may be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place during the effective dates or agreed extensions of this Agreement. No decision by an arbitrator shall infringe upon the rights or obligations of the City as expressed by the provisions of Ohio law, except as specifically modified by the express written provisions of this Agreement. Either party may raise the issue of arbitrability before the arbitrator. In the event such issue is raised, the first question to be addressed by the arbitrator shall be whether the grievance is arbitrable.

The arbitrator shall not change wage rates already in effect pursuant to this Agreement. No award of any arbitrator shall be retroactive for a period prior to the fourteen (14) calendar day period for filing grievances. The arbitrator shall conduct a fair and impartial hearing concerning the grievance, hearing and recording testimony from both parties and applying the rules of the Federal Mediation and Conciliation Services. The arbitrator shall not have the authority to add to, subtract from, disregard, alter or modify any of the terms or provisions of this Agreement. The arbitrator shall not grant prospective, equitable relief that extends beyond the term of this Agreement. It is expressly understood that the decision of the arbitrator, within his/her function and authority as set forth herein, shall be final and binding upon both parties. The arbitrator's decision and award shall be in writing and will state the rationale for the decision.

Section 9.6 Exclusivity This grievance procedure shall be the exclusive method of resolving grievances. The grievance procedure is intended to replace any and all remedies and appeals which were previously available to the Personnel Board of Review of the City of Powell.

ARTICLE 10 PERSONNEL FILES

Section 10.1 Personnel File There shall be a designated location for an employee to request and review their personnel file that is maintained by the City.

Section 10.2 Employee Access to Personnel File An employee shall have access to their own personnel folder, upon reasonable notice. Inspection shall occur at a time and in a manner acceptable to the employee and Employer. The employee may be accompanied by a FOP/OLC

representative at such inspection. The Chief of Police (or designee) may be present during the review.

Section 10.3 Copies of Records in Personnel Files A copy of any record or document which has been placed in and or removed from the employee's personnel file shall be provided to the employee upon request, except where the record or document originates from the employee or has otherwise been provided to the employee. Any record, in any file created by the City, except those deemed confidential by the Ohio Public Records Act, shall be accessible to the bargaining unit employee upon request.

Section 10.4 Inaccurate Documents Should any employee have reason to believe that there are inaccuracies in documents contained in their file, the employee may write a memorandum to the Chief explaining the alleged inaccuracy. If the Chief concurs with the employee's contention, the Chief shall remove the inaccurate document or attach the employee's memorandum to the document in the file and note thereon concurrence with the memorandum's content. An employee shall have the right to attach a rebuttal or explanation statement to any document in their own personnel file.

Section 10.5 Third Party Request In the event a request by a third party is received to examine an officer's file(s) such records shall be released only if required by law, by a court order or by subpoena.

Section 10.6 Duration of Records All actions of record, including verbal reprimands, written reprimands, demotions, suspensions, or dismissal will be maintained in each employee's personnel file for a specified period of time. The following retention schedule shall apply:

- A. Verbal and written reprimands will be removed, upon the employee's request, one (1) year from the date of issuance and will no longer be used for the purpose of progressive discipline provided that no further discipline for the same or similar nature is imposed within one (1) year of the reprimand. Section 23.2 The Employer shall make available a premium flexible benefit plan to bargaining unit employees so their share of insurance premiums shall be before tax. The Employer shall also make available a medical and dependent care flexible benefit plan to bargaining unit employees.

Section 23.3 The Employer shall provide life insurance coverage to bargaining unit employees at the same coverage levels and pursuant to the same terms and conditions as all City of Powell non-bargaining unit employees.

Section 23.4 An employee who provides satisfactory proof of coverage under another insurance plan may waive insurance coverage through the City of Powell insurance plan (medical and

dental). Employees who have both spouses employed by the City of Powell will not be eligible to opt out of the plan. Employees waiving coverage under the City of Powell’s plan shall receive a waiver payment based upon the following:

- A. Employees waiving all City insurance coverage (medical and dental) shall receive an annual waiver payment in the amount of fifteen hundred and sixty dollars (\$1560) paid in quarterly payments of three hundred ninety dollars (\$390);
- B. Employees waiving only City health coverage (continuing City dental coverage) shall receive an annual waiver payment in the amount of eight hundred dollars (\$800) paid in quarterly payments of two hundred dollars (\$200); and
- C. Employees waiving only City dental coverage (continuing City medical insurance) shall receive an annual waiver payment in the amount of two hundred and forty dollars (\$240) paid in quarterly payments of sixty dollars (\$60).

In order to be eligible to receive the waiver payment, employees must waive insurance coverage through the City of Powell plan (either medical or dental or both) for the three (3) months prior to the quarterly payment. Employees opting out of insurance coverage through the City of Powell insurance plan will only be permitted to rejoin the plan during the period of open enrollment or pursuant to some other qualifying event giving rise to the need and eligibility to rejoin the plan. Employees rejoining the plan will no longer be eligible for the waiver payment unless the employee has been off the City’s plan for three (3) consecutive months prior to the date of the quarterly payment (October 1, January 1, April 1, and July 1).

**ARTICLE 24
SICK LEAVE**

Section 24.1 Paid Sick Leave Days Employees are eligible for paid sick leave days. Sick leave days will accrue at the following rate:

Full-Time Employee	Sick Leave	Maximum Annual
<u>Designation</u>	<u>Accrual Rate</u>	<u>Sick Leave Accrual</u>
Hourly/Salary Paid	4.6 hrs/per 80	119.6 hours=15 days
Hour pay period		

Section 24.2 Active Pay Status For purposes of accumulating sick leave hours, “active pay status” is defined as hours actually worked and any paid time off hours (vacation, sick leave, bereavement leave and holidays). It shall not include non-paid time off.

Section 24.3 Compensation Approved paid sick leave will be paid at the employee’s regular rate of compensation. Sick leave may be taken in one-half (½) hour increments.

Section 24.4 Accumulation Eligible full-time employees may accumulate unused sick leave days up to a maximum of 1040 hours (130) days. Employees who have reached the maximum “cap” amount will receive a cash benefit, at the end of the year, for any accrued paid sick leave

hours over the maximum amount as follows: the cash benefit shall equal one hour of the employee's regular rate of pay for every two hours of unused sick leave credit.

Unused, accumulated sick leave cannot be converted to personal holidays, vacation, or transferred to other staff. Unused, accumulated sick leave days shall be forfeited upon separation of employment with two narrow exceptions: (1) upon the voluntary retirement of any full-time employee with ten (10) years of public service under the State Retirement System, the employee will be entitled to a payout for twenty-five percent (25%) of the value of the full-time employee's unused and accumulated sick leave credit up to the maximum 130 day limit; or (b) the same pay out arrangement shall be made to the full-time employee's spouse or estate upon the death of an employee who was actively employed by the City. An employee may use sick leave only up to the amount that has been accumulated at the time of need. If sick leave is exhausted, an employee may opt to use any accrued vacation that may be necessary, upon the approval of the City Manager, or may apply for any applicable leave of absence. Otherwise, any medically-related absence in excess of the number of paid sick leave days accumulated to the employee's credit will be without pay.

Section 24.5 Use of Sick Leave Days Sick leave may be utilized for a maximum of up to three (3) consecutive working days off with the approval from the eligible employee's immediate supervisor. After the third day, sick leave may be utilized only upon the approval of the City Manager or designee. In any event, sick leave may be utilized for the following reasons:

- A. Employee is unable to work due to a medically diagnosable condition or disability;
- B. Unexpected medical immediate family emergency where the employee's presence is unavoidably necessary;
- C. Medical, dental or optical examinations or treatments for the employee or a member of the immediate family upon prior approval of the employee's immediate supervisor; or
- D. Bereavement leave due to the death of the employee's spouse, children, mother (in-law), father (in law), sister (in law), brother (in law), grandparent (in law), grandchild, legal guardian. Bereavement leave may be taken up to three (3) consecutive working days. Additional bereavement leave, not to exceed two (2) additional days, may be requested of the Chief, or designee, in order to accommodate an employee's travel arrangements to attend a funeral.

For purposes of this article, immediate family shall be defined to include an employee's spouse, children or other resident dependents.

Section 24.6 Notification Employees must notify the Employer not less than two (2) hours prior to their scheduled starting time. The employee also must notify the immediate supervisor on each succeeding day of the absence, unless it previously has been reported to the immediate supervisor and the employee has been authorized to report less frequently than daily. The mere fact that an employee has reported an absence does not excuse an absence.

When requesting and/or taking less than one full sick leave day (in minimal increments of one-half (½) hour), the employee must notify the immediate supervisor of the employee's arrival and/or departure times so that this time off accurately can be deducted from the employee's remaining sick leave time.

Section 24.7 Documentation Medical documentation, including a medical examination required by the City, may be required for any amount of sick leave time off taken. Time to attend and any expenses for required medical examinations shall be at the City's cost.

Section 24.8 Sick Leave While on Vacation If an employee becomes injured or ill while on scheduled vacation, that injury or illness confines the employee to a hospital or a residence, the employee may opt to charge vacation time to any unused, accumulated sick leave days. Proper documentation confirming the injury or illness must be submitted to the employee's immediate supervisor before such a change can be made.

Section 24.9 Sick Leave Donation Annually, between July 1 and July 31, employees may donate up to twenty-four (24) hours of sick leave to a sick leave donation bank. In order to be eligible to donate sick leave, the donating employee must have an unused sick leave balance of four hundred and eighty (480) hours following the donation of sick leave. Sick leave hours in the sick leave donation bank shall accumulate without limitation from year to year.

Employees who have exhausted all of their paid leave desiring to use the sick leave bank may submit a written application to the Chief, or designee, requesting to be permitted to use some of the sick leave hours donated to the sick leave bank due to an illness, injury or other medical hardship. Upon receiving such request, a sick leave donation committee shall meet to determine whether such request will be granted and, if so, how much sick leave can be used. The sick leave donation committee shall consist of the Union Business Representative, the Chief of Police, or designee, and the City Manager. The employee will be notified in writing of the committee's decision. If it is determined that an employee will not be permitted to use any donated sick leave, or any additional donated sick leave, the employee may make a written request consistent with the terms of this Agreement to be placed an unpaid leave of absence.

ARTICLE 25 SPECIAL LEAVES

Section 25.1 Leaves Without Pay Leave without pay may be granted, upon the approval of the Chief (or designee), if requested in writing by the Employee. Leave without pay may be granted for:

- A. **Personal Leave:** A leave without pay may be granted at the discretion of the Chief of Police (or designee), for personal reasons, not to exceed thirty (30) days without loss of seniority. This may be extended only with the written approval of the Chief of Police (or designee), and must be submitted in writing a minimum of two (2) weeks prior to the requested date of the extension.

- B. Medical Leave Of Absence: Upon written application to the City, leaves of absence or renewals thereof without pay including those of thirty (30) days or more, shall be granted to each fulltime employee who is absent from work and unable to work because of a medically diagnosable, not duty related sickness, injury, or disability, provided, however, that the employee submits to the City such medical evidence of the cause and duration of the absence, the employee's inability to work, and the employee's ability to resume employment as the City may request. The City reserves the right to refer an employee to a doctor of its choice to obtain information concerning a period of absence. The initial leave of absence, which under certain extenuating circumstances, may be requested orally but then must be reduced to writing, shall be for an initial period of five (5) days and shall not exceed thirty (30) calendar days and any renewal must be requested in writing prior to the expiration of the leave then in effect. The duration of each leave of absence and any renewals thereof shall be specifically stated in the request and in the granting of the leave. No leaves will be granted for a total or continuous period or periods which exceed twenty-six (26) weeks, in any one continuous twelve (12) month period. Failure of an employee to report for work at the time at which the employee is regularly scheduled to report at the conclusion of the approved leave period will result in termination of employment.

The employee may elect to apply any earned but unused vacation or paid sick leave time toward a leave of absence for medical purposes. Moreover, a leave of absence without pay for medical purposes means that time previously worked for the City is not lost in computation of length of service and the benefits dependent thereon. However, time spent while on such a leave will not be credited toward any calculation of any applicable paid vacation or sick leave time. An employee on said medical leave also will not be eligible for any holiday falling within this medical leave without pay period.

Section 25.2 Leave with Pay Leave with pay may be granted for good and sufficient reasons which are considered to be in the best interest of the City, by the Chief of Police (or designee).

Section 25.3 Jury Duty Leave Employees called for jury duty during their scheduled work hours shall receive their regular pay for such hours as they are required to be absent from work due to jury service. The employee shall remit any juror's fee earned to the City.

Section 25.4 Military Leave Employees will be granted military leave by the Employer consistent with Ohio and Federal Law.

Section 25.5 Family and Medical Leave Employees will be granted Family Medical Leave consistent with the City policy and the provisions of the Family Medical Leave Act ("FMLA") of 1993 as amended.

ARTICLE 26 EXAMINATIONS

Section 26.1 Health and Safety Examinations are intended to guard the health and safety of employees and will be ordered as a precautionary measure, periodically to ensure the health of employees or when, in individual situations, the Employer has concern for an employee's ability to perform the material and substantial duties of the employee's position.

Section 26.2 Examinations - General Examination of employees to determine their ability to perform the material and substantial duties of their position and assignment may be required of employees. Examinations shall be required for employees when ordered by the Employer. Examinations may be either periodic or as the Employer requires. Employees required to attend a medical examination by the Employer during their non-scheduled hours shall be compensated for the time spent at the examination. Employees attending an examination ordered by the Chief shall not be eligible for call-in pay.

Section 26.3 Examinations - Appeals If an employee who is ordered to an examination is found not qualified, the employee may request available sick leave, vacation or disability leave with the right to return within three (3) years. The cost of such examination required by the City shall be paid by the City. If the employee disagrees with said determination, the employee may be examined by a licensed practitioner of choice at the employee's expense. If the two reports conflict, a third opinion shall be rendered by a neutral licensed practitioner chosen by the first two licensed practitioners whose decision shall not be appealable to the grievance procedure. The neutral's cost shall be borne equally by both parties.

Employees shall be compensated for a predetermined travel time, as determined by the Chief (or designee), from police headquarters to the assigned examination location and back. Additionally, the employee will be eligible to receive mileage reimbursement for the use of their own vehicle, if necessary, and will be eligible for reimbursement of travel expenses pursuant to Departmental Policy and subject to the approval of the Chief (or designee).

ARTICLE 27 TRAINING

Section 27.1 Mandatory Training When attendance is required by the Employer, an employee may be allowed time off without loss of pay for the purpose of taking work-related educational courses or training at an Employer approved educational institution. Any class or training session required by the Employer will be paid by the Employer. Employees will be paid their applicable rate of pay for the time spent in mandatory training when scheduled by the Department to attend the training session during the employee's normal work hours. Any class or training session required by statute or regulation or necessary for a member to retain or secure certification shall be considered time worked. Employees who utilize a Department vehicle shall be compensated for the predetermined travel time, as determined by the Chief (or designee), from police headquarters to the assigned training location and back. If no police vehicles are available, employees may drive their own vehicles and be compensated as stated above. Additionally, the employee will be eligible to receive mileage reimbursement for use of their

personal vehicle, and will be eligible for reimbursement of travel expenses pursuant to Departmental Policy and subject to the approval of the Chief (or designee).

Section 27.2 Voluntary Training At least annually, the Chief (or designee) shall post a list of approved work-related educational courses or training. Employees shall advise the Chief, in writing, of those course(s) the employee desires to take. The employee may also request a course not on the approved list. The Chief will have the discretion to determine whether to approve the training and/or if the training will be during the employee's work hours. Except for specialized training, the City will make reasonable efforts to distribute voluntary training among bargaining unit employees who have submitted a statement of interest. However, the Chief (or designee), shall ultimately determine training opportunities and requirements for its employees.

ARTICLE 28 EDUCATIONAL INCENTIVE

Section 28.1 Educational Incentive After three (3) years of employment with the City of Powell Police Department, an employee who has an Associate's, Bachelor's or Master's degree from an accredited college/university, shall be entitled to a yearly educational incentive as follows:

Associate's Degree	\$125
Bachelor's Degree	\$350
Master's Degree	\$500

Upon prior written request on or around November 1 by the employee, payment of the educational incentive shall be made during the pay period including December 1. Payment for the highest degree earned shall be considered compensation for all preceding degrees.

ARTICLE 29 MISCELLANEOUS

Section 29.1 Agreement Copies As soon as possible, following the signing of this Agreement, the Employer shall have copies of this Agreement printed for the Union and filing at the State Employment Relations Board (SERB). The actual cost of printing the initial copies of the Agreement shall be paid by the Employer. New employees (hired/promoted) during the life of this Agreement will be provided a copy of the Agreement by the Employer.

Section 29.2 Safety The responsibility for maintaining City-owned equipment is a responsibility shared by both the Employer and the employees. Employees are required to operate City-owned equipment in a safe and reasonable manner and to report to management any safety or maintenance problems. The Employer shall use reasonable care in curing any reported safety defects and maintaining such equipment in safe and efficient working order.

Section 29.3 Communicable Disease Testing If testing for communicable diseases is required by the Employer, then the Employer shall pay for the test.

Section 29.4 Hazardous Conditions Exposure Testing In the event that an employee has a reasonable belief that the employee has been exposed to a biological or chemical hazard that is verified by the employee's supervisor, the employee with the Chief's approval shall be tested for any condition resulting from such exposure. The cost of the examination shall be paid by the City.

Section 29.5 Injury Leave with Pay Injury leave shall be granted by the Chief until Workers' Compensation benefits are received or thirty (30) calendar days after the date of the injury giving rise to the need for such leave, whichever occurs first. Injury is defined as a service-connected injury occurring within the course and scope of the employee's duties which interferes with an employee's ability to perform normal work duties. Simultaneous with a request for injury leave, the employee shall also make application and actively pursue a claim for benefits under the Workers' Compensation law. The employee shall provide the City notice of the employee's salary leave application if requesting the use of more than 7 days of injury leave.

Section 29.6 Purchase Of Service Weapon Any member who is not under an investigation that could lead to lost time, discharge and/or criminal charges and who is eligible for and honorably retires (with the Ohio Police and Firefighters Pension System or PERS) from active duty with the City may purchase their city issued service weapon from the City at a cost of one dollar (\$1.00). The Chief of Police shall have the final review to determine whether a retiring Officer qualifies to purchase their weapon.
