1B NEGOTIATIONS PROCEDURE

1B1 RECOGNITION

The Board recognizes the TCEA as the sole and exclusive negotiating representative of the bargaining unit defined in Article 1A2 for the purpose of arriving at an agreement on proposals concerning wages, hours, terms, and conditions of employment.

1B2 NO STRIKE

In exchange for recognition and the covenants in this agreement, the TCEA agrees not to engage in a strike or any other form of concerted activity which would amount to a withholding or partial withholding of the services for which the membership were hired to perform during the term of this agreement.

The TCEA further agrees to actively discourage a breach by its membership of the preceding sentence.

1B3 PROCEDURES

If either party, at least one hundred twenty (120) calendar days prior to the expiration of the current contract, gives notice to the other party of the desire to negotiate a new contract, negotiations shall begin no later than ninety (90) calendar days prior to the said expiration date.

TCEA and Board shall exchange issues to be bargained at a mutually agreed time and place. Negotiations shall be completed within forty-five (45) calendar days, unless a representative election is being held or unless extended by mutual agreement in writing.

1B4 AGREEMENT

When the participants reach an agreement, a joint written report will be prepared and presented to the Board and the membership of TCEA. When a joint report is presented and:

- a. The TCEA affirms acceptance of the report, and;

b. The Board accepts the report; the recommendations of the report will be put into effect by the Superintendent and the administration.

The mediator shall meet with the parties as he deems appropriate in an attempt to resolve the disputed issues. If the parties have not reached complete agreement on a successor contract by the expiration of the current agreement, then TCEA may proceed in accordance with Ohio Revised Code §4117.14(D)(2). During such process, the mediator may continue to work with the parties as he deems it appropriate.

1B6 SEVERABILITY

Consistent with Chapter 4117 of the Ohio Revised Code, this Professional Negotiations Agreement governs the wages, hours, terms and conditions of employment of staff members and the terms of this Professional Negotiations Agreement prevail over any state statute to the contrary. If any specific provision of this Professional Negotiations Agreement is invalidated by state or federal court ruling or subsequent change in the law, the parties shall, upon written request of the other, negotiate in good faith regarding any necessary change in this Professional Negotiations Agreement. The parties will meet to resolve any necessary change in the contract relative to the affected provision within sixty (60) calendar days by demand of either party.

1B7 MANAGEMENT RIGHTS

On behalf of itself as the representative of the voters, taxpayers, students and parents of students, the Board reserves unto itself the following rights:

a. The parties to this agreement each acknowledge that this agreement contains the entire agreement between them. Neither party shall be obligated during the term of this agreement to negotiate on matters contained in this agreement or matters not contained in this agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this agreement. Except as provided in paragraph (b) below, TCEA expressly waives any and all rights to bargain on the decision or the effect of Board decisions pertaining to issues not covered in the Professional Negotiations Agreement during its effective term.

b. If the Board implements a policy, practice, or procedure to carry out state or federal mandates on education pertaining to issues not covered in the contract which go into effect during the term of this agreement, the Board shall provide an opportunity for TCEA to bargain about the effects of any change on the wages, hours, or terms and working conditions of staff members. The TCEA President or his designee must submit a written request for bargaining to the Superintendent within fifteen (15) calendar days after TCEA's receipt of notice of the change from the Superintendent. The Board and TCEA shall meet to bargain in good faith for a period of time not to exceed fifteen (15) calendar days unless such time limitation is extended by mutual agreement. In the event that the bargaining issue(s) is not resolved within the prescribed time limitations, the parties agree to seek the assistance of the Federal Mediation and Conciliation Services or a mediator from SERB, for a period not to exceed seven (7) calendar days. This provision on mediation will not prevent the Board, after seven (7) calendar days, from implementing the new or changed policy, practice or procedure and TCEA from proceeding in accordance with O.R.C. 4117.

1B9 DUTY TO BARGAIN

This section constitutes the Board's entire duty to bargain during the term of this Professional Negotiations Agreement. Any dispute over whether the Board has complied with its bargaining obligation under this Professional Negotiations Agreement shall be determined through the grievance and arbitration procedure only. Neither TCEA nor any staff member shall file an unfair labor practice charge or any other challenge to the Board's compliance with its duty to bargain during the term of this Professional Negotiations Agreement.

Items on the agenda shall not pertain to grievances or the settlement thereof or deal with items that will require collective bargaining. All decisions of the Committee shall be made through consensus.

Minutes of the meeting shall be distributed to all members of the committee not less than ten (10) days after the meeting has been held. The parties agree that the participation and concurrence with actions taken by this committee do not waive the contractual provisions of the Professional Negotiations Agreement and that no contractual provisions will be waived to allow this committee to function. Furthermore, participation in and discussion of issues within this committee does not constitute a waiver of the right to bargain under ORC 4117 by TCEA any issue it deems bargainable under the negotiations provisions of the state law and the negotiated agreement.

1E JUST CAUSE

No staff member shall be disciplined, reduced in compensation, non-renewed, terminated or otherwise deprived of any professional advantage in his regular teaching contract without “just cause” in compliance with the applicable provisions of this Professional Negotiations Agreement.

ARTICLE 2
TEACHING CONDITIONS

2A LENGTH OF SCHOOL DAY/YEAR

The staff member work day is established at seven (7) hours forty-five (45) minutes inclusive of a thirty (30) minute, duty-free lunch. The maximum student day at the high school will not exceed seven (7) hours, the maximum student day at the junior high will not exceed seven (7) hours, the maximum student day at the sixth (6th) grade building will not exceed six (6) hours and fifty-five (55) minutes, the maximum student day at the elementary buildings will not exceed six (6) hours and forty-five (45) minutes, and the maximum student day for half-day kindergarten will not exceed two (2) hours and forty-five (45) minutes. These hours may be adjusted per the calendar adopted by the Board for make-up days. Times will be adjusted accordingly to appropriately fit the hours of student attendance within the various buildings. Staff members who work at West Central Juvenile Detention Center (WCJDC) will comply with WCJDC's work schedule.

Staff members are expected to be in their respective buildings performing the usual and customary functions of a staff member. Staff members in the special areas or departments who serve in more than one building will report in a timely manner to the building where they meet their first class.

Building principals are in charge of the total operation of the buildings. They shall develop in writing and distribute to all staff members a policy to provide supervision for students arriving early and remaining after school so as not to be disruptive of the staff member planning time or the school day.

On calamity days, staff members will not be required to report to work. On delay or early release days, the reporting of release time will be equal to the amount of time of the delay or early release (e.g. on a two-hour delay staff members will be required to report to work two (2) hours later than the regularly scheduled report time). If the number of calamity days exceeds five (5), staff members will make up instructional time per the calendar as adopted by the Board.

The length of the school year shall not exceed one hundred eighty-five (185) days with the last staff member workday reserved for completion of check out procedures. The school calendar will be determined by mutual agreement between the Board and TCEA by January 1 each year. The school calendar will be negotiated two (2) years in advance. In the event the parties cannot reach an agreement, the Board will make the final determination. Any changes in the agreed to school calendar after Board adoption must be negotiated between the Board and the TCEA.

2B PREPARATION AND PLANNING TIME

2B1 END OF GRADING PERIOD

Preparation and planning time for all teachers will be scheduled one afternoon at the end of each grading period. This time will be provided by dismissing school early on the last student day at the end of each grading period, not to exceed one (1) hour but less than one (1) hour if necessary to comply with state requirements for the minimum school day. It is understood that this time will not be devoted to extracurricular activities, i.e., athletic practices, intramurals, drama, music organizations, but will be reserved for the purpose of grade preparation, doing grade cards and planning.

Staff members will have two (2) full school days following the end of the grading period to submit accurate grades. Grades must be submitted by 8:00 AM of the third (3rd) school day. This excludes fourth (4th) quarter senior grades, which are due at the discretion of the high school principal. The fourth (4th) quarter grades for all other students are due by the end of the last staff member workday.

2B2 DURING THE SCHOOL DAY

- a. Secondary staff members shall have a minimum of one (1) full class period per day for preparation, conferences, and planning, except when there is an administratively adjusted or shortened schedule during the school day. Secondary staff members may also voluntarily elect to give up a planning period in order to teach another period and receive extra compensation for the loss of that planning period for the duration of a semester or entire school year. Compensation shall be based on one-seventh of the staff member's current salary.
- b. Except when there is an administratively adjusted or shortened schedule during the school day or week, or when faculty or staff member committee meetings are held, elementary staff members shall have a minimum of 180 minutes per week for preparation, conferences, and planning time, during which time they will not be scheduled for other duties. This time does not include time before or after the student day.
- c. Staff members will be responsible for their regularly scheduled students during assemblies, student programs, or any other student activities scheduled during their class time.
- d. Whenever appropriate, an administratively adjusted or shortened school day will be planned so as to maintain the instruction of all regularly scheduled classes.

2B3 NOON SUPERVISION

Elementary staff members will be released whenever possible from noon supervision duties for collaboration with intervention staff members, to provide more instructional time, or for other professional activities.

2B4 LOSS OF PLANNING PERIOD

When a half-day or full-day substitute cannot be obtained, the administrator may ask a staff member or staff members to cover the class. In this case, if the staff member(s) loses a planning period, he will be paid at an hourly rate of .0008 of base.

2B5 LOSS OF SPECIAL PERIOD

If an elementary staff member covers a special class (music, art, and physical education) when a substitute staff member is not available, he will be reimbursed at an hourly rate of .0008 of the base pay.

2B6 SPECIAL EDUCATION

2B6a Writing IEPs

State and Federal mandates require intervention specialists and SLP's to write IEP's. As a result of these additional mandates, intervention specialists and SLP's, upon request, will be granted up to four (4) release days per year, for the purpose of writing IEP's. However, in the event an intervention specialist has an excessive caseload, additional days may be granted if the need is demonstrated.

2B6b Attending Educational Planning Meetings

When attending an educational planning (i.e., IEP, WEP, IAT, 504, Early Entrance, Acceleration) meeting, the following priorities will be used:

1. During the contracted school day – no compensation
2. Student day – no compensation
3. Outside the school day – at an hourly rate of .0008 of base
 - a. Before school
 - b. After school
4. Outside the school year – at an hourly rate of .0008 of base

Meetings will not compromise any staff member's lunch period and will not abuse loss of planning period for any one staff member.

2C ABSENCE FROM BUILDING DURING SCHOOL HOURS

Staff members may leave the building during their lunch period. Staff members may leave the building at other times during the school day as long as the staff member signs in and out. Traveling teachers may move from building to building as dictated by their schedule without having to sign in and out. No staff

member may leave the building during scheduled classroom instruction time unless he receives permission from the principal.

2D STAFF MEMBERS' ABSENCE

2D1 STAFF MEMBER RESPONSIBILITY WHEN SUBSTITUTE IS NECESSARY

In order to preserve a continuing plan of educational experiences, the staff member has the following responsibilities in case of his absence:

- a. Staff members are responsible for ensuring the substitute has access to lesson plans to teach. For absences exceeding five (5) days, staff members are responsible for providing guidance in lesson planning for the substitute but are not responsible for daily lesson plans.
- b. Seating chart or list of pupils' names.
- c. A list of special rules, routines, schedules.
- d. Indication of pupils who have unique educational needs.
- e. Students prepared to work cooperatively with substitute staff members. It is recognized that the preparation of students for a substitute may not be possible in the event of an unanticipated absence caused by sudden illness.

These and other courtesies should be extended to individuals serving in the substitute capacity. Every reasonable effort shall be made by the administration to secure substitutes where necessary.

2D2 REPORTING PROCEDURE

Staff members are expected to enter all absences in the KIOSK as soon as possible and will follow the appropriate procedure to obtain a substitute.

2E PROFESSIONAL GROWTH

2E1 PROFESSIONAL DEVELOPMENT

The Superintendent of Schools is responsible for developing the yearly focus of the professional development program. The implementation of such focused activities is delegated to the administrative staff.

Staff members are strongly encouraged to participate in professional development activities. Staff members are encouraged to check with building administrators for available funds.

Waiver days are approved by the Ohio Department of Education. It is agreed at least one half of this time will be used for the purpose of collaboration.

2E2 STAFF MEETINGS

All staff members are expected to attend regularly-scheduled general staff meetings, staff meetings within their buildings, and staff meetings held within their curriculum departments and such other meetings of the staff as are called immediately preceding or following the close of school. All such regularly scheduled meetings will follow the plan of an annually published master calendar. Building staff meetings shall not normally last longer than one (1) hour. Building staff meetings shall not be held more than once a month, unless valid conditions exist. Traveling staff members will attend the staff meeting in their home school.

2E3 WEEKLY AFTER SCHOOL MEETING SCHEDULE

All days except Saturday, Sunday and school holidays shall be available for after-school meetings provided that TCEA will have priority on Wednesday evenings by providing written dates of actual scheduled meetings to the Superintendent at least thirty (30) days prior to the meeting.

2E4 PROFESSIONAL IMPROVEMENT

Staff members are encouraged to participate in professional improvement activities such as curriculum studies and shall make every reasonable effort to attend such meetings beyond the school day.

2E5 DISTRICT COMMITTEES

The Board and TCEA recognize the importance of providing for staff member input in the curriculum and in other district committees. When serving on regularly scheduled district committees, or when working on major curriculum revisions or pilot programs approved by the Superintendent or designee, staff members will be granted release time or will be paid an hourly rate at .0008 of base.

Curriculum study committees shall follow these guidelines:

- a. A maximum of 15 classroom staff members who will be using the curriculum shall participate on these committees.
- b. The person-in-charge shall have definite ideas and strategies for the organization of the committee meetings and the skill to facilitate the meetings.
- c. As a preliminary task, the committee needs to know financial information regarding a new purchase or an update, state requirements of the curriculum, and any pertinent local policies.
- d. Broad goals and objectives for the curriculum need to be established.
- e. Adoption of a new series shall be made by a vote of the classroom staff members on the committee based on input from the staff members in their buildings.

- f. Every effort will be made to minimize paperwork (busywork) of the committee members. (For example, scope and sequence charts, additional enrichment or remedial materials and/or activities.)

2E6 INCLUSION

In each building there will be Learning Assistance Teams (LAT).

2E7 TROY LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE

a. Governance

The Troy Local Professional Development Committee (TLPDC) policies, procedures, and governance shall not supersede the Professional Negotiations Agreement, state law and/or district policy. Proposals to the TLPDC and approvals/denials by the TLPDC shall not override the Professional Negotiations Agreement, state law and/or district policy. The decisions of the appeals committee shall be binding and not subject to the grievance procedure.

b. Definitions

For this section “teacher” is defined as any staff member holding a valid teaching certificate/license issued by the Ohio Department of Education (ODE). “Administrator” is defined as any person employed for the majority of their contract time in administration, and who holds a valid Ohio administrative certificate/license issued by the ODE.

c. Selection

The TCEA President will appoint all staff members of the committees with approval from the TCEA Executive Committee. The Superintendent will appoint the administrative members of the committee.

d. Representation

Any complainant who is not willing to have his name disclosed to the staff member will be informed that no further investigation or action, except as legally required, will be taken by the Board or administration.
2. If a complaint is shared with any member of the Board or administration, no action, except as legally required, will be taken until all procedures listed in 3 through 5 of this section have been completed.
3. The complaining party must first be directed to discuss his concern with the staff member involved, and the details of the complaint, including the name of the complainant, will be forwarded to the immediate supervisor, who will communicate that information to the staff member.
4. The staff member, then, has the opportunity to remedy the complaint, without administrative involvement, as soon as possible, or he may defer action to the immediate supervisor.
5. If the staff member and the complaining party cannot satisfactorily resolve the problem, either the complainant, the staff member, or the immediate supervisor may request a meeting of both parties

and the immediate supervisor. The meeting will be arranged at a mutually convenient time. If both parties do not wish to advance the issue to a meeting with the immediate supervisor, the matter will be considered closed.

6. If the complainant is not satisfied with the previous attempts to resolve this issue, the complaint shall be reduced to writing by the complainant and directed to the Superintendent or his designee. A copy of the written complaint shall be supplied to the staff member and the immediate supervisor at the time it is submitted to the Superintendent or his designee.
7. A meeting will be held with the complainant, the staff member, and the Superintendent in an attempt to resolve the issue.
8. If the complainant is still not satisfied with the attempts to resolve this issue, the complainant may elect to forward the written complaint to the Board.
9. If the complaint is made a matter of record, placed in the staff member's personnel file, or used in an evaluative manner, the staff member shall be given an opportunity to attach comments to the written complaint.

In the event of a second violation, in addition to disciplinary action being taken, the staff member will be required to undergo an evaluation by a trained drug/alcohol evaluator in the Employee Assis-

Failure to participate in such a program and/or being proved guilty of a third violation of this policy may result in termination of employment.

2. Record Keeping – Grievances and all related correspondence and documentation will be retained separately from a grievant's personnel file.
3. Withdrawal – A grievance may be withdrawn at any time and shall constitute final resolution of the specific grievance, but such withdrawal does not constitute agreement with the Board's position or preclude TCEA from filing another grievance concerning the same provision of the contract in the future.
4. If the Board, named herein to administer this grievance procedure, should fail to answer any grievance within the time limits established, then the grievance shall be advanced to the next step. Any grievance not referred to the next step by the grievant will be considered a termination of the grievance.
5. Time limits specified herein may be altered by mutual agreement of the parties in writing.
6. Reprisal – No censure or other adverse action shall be taken against any staff member participating in the grievance procedure.

3C PROCEDURE

1. **Step I:** The grievant shall present the grievance orally to the immediate supervisor within fifteen (15) days of the occurrence of the grievance, with the exception of staff member salary or fringe benefit issues, which must be grieved within fifteen (15) days of knowledge of the occurrence. In the event of a group grievance, the majority of the members of the group grievance shall be present for the oral discussion.

If the event(s) on which the grievance is based is the result of action by the Board, the grievance may be filed at Step III within fifteen (15) days of the occurrence of such event(s) using Addendum A. If the Superintendent or his designee determines that filing at Step III is not appropriate, he may refer the grievance back to Step I.

2. **Step II:** If the discussion does not resolve the grievance, the grievant shall present his grievance in writing by completing Step II of the Grievance Form (Addendum A) and submitting it to the immediate supervisor within ten (10) days after the discussion in Step I. In the event of a group grievance, all

members of the group must sign the prescribed Grievance Form (Addendum A) unless filed by TCEA and signed by the TCEA President or his designee. The immediate supervisor or his designee will investigate the grievance, and the grievant or Board may request a conference on the facts of the grievance. The request for conference will be noted on the form. Such conference will be held within ten (10) days of written submission. The immediate supervisor or his designee will reply in writing to the grievant(s) within ten (10) days by either hand delivery or by certified mail.

The grievant or Board may request a conference on the facts of the grievance. The conference shall be held within ten (10) days of written submission. The Superintendent or his designee will reply, in writing, within ten (10) days by either hand delivery or by certified mail.

3D ARBITRATION

Either party may reject one entire list submitted by the FMCS. The cost of the arbitrator and his incidental expenses shall be paid by the party that loses the arbitration. Each party will be responsible for the fees and expenses of its representatives. Facility costs shall be divided equally.
2. The arbitrator shall not have the power to ignore, add to, subtract from, or modify the Professional Negotiations Agreement. The arbitrator shall have the right and authority to interpret the provision of this Professional Negotiations Agreement and render a decision on the grievance within applicable Ohio law and precedent.

Only grievances as defined herein shall be subject to arbitration, and all issues of procedural arbitrability will be heard by the arbitrator prior to the hearing to determine the substantive issues or merits of a grievance. The hearing on the issues of procedural arbitrability may occur on the same day as the hearing on the substantive issues or merits of the grievance.

3. The decision of the arbitrator with respect to grievances shall be binding.

4. Article IV, Evaluations, shall not be subject to the Grievance Procedure except that procedural matters may be grieved by an individual or group and the decision will be binding. Substantive matters (such as the evaluation itself) shall not be grieved.
5. The Board shall take necessary action on the arbitrator's decision within twenty (20) days after receipt of the arbitrator's decision.

8. If a complaint involves directions of a superior or relates to policies, procedures, or rules or regulations, the complaint shall not operate to suspend the directions, policies, procedures, or rules or regulations during the processing of said complaint.

ARTICLE 4 EVALUATIONS

4A PHILOSOPHY

The Board has a responsibility to create a favorable climate for all staff members to perform their duties and meet their responsibilities to the children. The school system uses its evaluation procedures to facilitate this goal.

The insight and growth of each staff member resulting from participation in the evaluation process are more significant than the process itself. Evaluation should be continuous and should be a constructive, cooperative enterprise between the staff member and the evaluator.

The evaluation process is tailored to the staff member's needs to enhance their personal and professional growth and minimizes the comparison of one staff member's performance with that of another.

Each staff member has the opportunity to use initiative and leadership in defining specific goals and working cooperatively with his evaluator in accomplishing them.

Evaluation in the Troy Schools is constructed to promote improved performance, professional growth, and professional integrity. It is a separate procedure from Unsatisfactory Performance.

4B OBJECTIVES

1. To facilitate and improve communication and understanding among staff members.
2. To improve instructional performance and provide means for professional growth through establishment of long and/or short-range goals.
3. To stimulate, through accountability, a search for a better understanding of the scope of one's duties and responsibilities.
4. To provide an opportunity for each staff member to periodically assess performance.
5. To provide assistance which the staff member may need for self-improvement and growth.

4C PREPARATION

1. The Board shall provide all staff members with an orientation to the staff member evaluation process.
2. TCEA and the Board agree to establish a standing Joint Evaluation Committee (JEC) for the purpose of recommending the policy, procedure and process, including the evaluation instrument, for the evaluation of staff members in the district and to regularly review the effectiveness of the policy, procedure, and process, including the evaluation instrument. The committee or a subcommittee will also be responsible for reviewing and approving student learning objectives (SLO). The first meeting will be held no later than December 19, 2014 at which time the guidelines for the committee shall be established.
3. Each staff member evaluation shall be conducted by a person: 1) who is eligible to be an evaluator in accordance with ORC 3319.111(D); and 2) who holds a credential established by ODE for being an evaluator. Every evaluator must complete state-sponsored evaluation training and is required to pass an online credentialing assessment.
4. All staff members shall be evaluated by their immediate supervisor or building administrator. For staff members who work in more than one building, the home building administrator will conduct the evaluation.
5. A staff member may request and shall be entitled to TCEA representation at any conference held during this procedure.

6. All evaluation forms shall be located on the G drive and be subject to review by the Joint Evaluation Committee (JEC).

4D PROFESSIONAL GROWTH AND IMPROVEMENT PLANS

Staff members shall develop a professional growth or improvement plan each year.

1. Professional Growth Plans

- a. Staff members who receive a final summative rating of Accomplished or Skilled shall develop two self-directed goals. At least one goal shall be an instructional goal, except for staff members who spend less than fifty percent (50%) of their time providing content-related student instruction.
- b. Staff members who receive a final summative rating of Developing shall develop two goals in collaboration with their immediate supervisor.

2. Improvement Plans

Staff members who receive a final summative rating of Ineffective shall develop an improvement plan collaboratively with the immediate supervisor. The purpose of the improvement plan is to identify specific deficiencies in performance and foster growth through professional development and targeted support. The Board shall allocate reasonable financial resources for this professional development and targeted support.

4E STAFF MEMBER PERFORMANCE OBSERVATION EVENTS

Staff member performance observations shall occur during two cycles of the school year. The first cycle may start five (5) days after the beginning of the student school year and shall end on the last day before winter break. The second cycle may start the day after returning from winter break and shall end on April 15. These cycle periods may be extended if mutually agreed upon by the evaluator and the staff member or extended due to circumstances beyond either party's control, such as weather, illness, etc.

1. Walkthroughs

- a. At least one (1) walkthrough shall be conducted during each evaluation cycle.
- b. Staff members may request additional walkthroughs.
- c. Walkthroughs should last 3-10 minutes.
- d. A walkthrough on the same day as a formal observation is not recommended.
- e. Evaluators shall provide documentation and feedback to the staff member, and the staff member shall receive feedback by the end of the next day following the walkthrough.

- f. Walkthroughs should be used as supporting evidence when determining the final summative rating of a staff member.
 - g. Staff members have the right to submit additional information and/or evidence to be included with the walkthrough documentation.
2. Pre-conference
- a. The pre-conference shall be scheduled at a mutually agreed upon time and location during the staff member workday. If the conference extends beyond the workday, the staff member will be paid at an hourly rate of .0008 of the base.
 - b. The pre-conference shall occur no less than one (1) day and no more than five (5) days prior to the formal observation, unless otherwise agreed upon by both the staff member and the evaluator.
 - c. All materials provided by the staff member shall be accepted by the evaluator as evidence to be considered for the evaluation.
3. Formal Observation
- a. Evaluators shall observe staff members for at least thirty (30) minutes at a mutually agreed upon time.
 - b. Evaluators shall complete their narrative during the observation noting beginning and ending times and shall send a copy of the narrative to the staff member by the end of the next day.
 - c. There will be no video or audio recording used as part of the formal observation.
 - d. Staff members shall receive a completed rubric indicating the evaluators' preliminary ratings within five (5) days following the observation.
 - e. If for any reason, the evaluator or staff member needs to cancel the observation, the process beginning with the pre-conference needs to be restarted unless adjustments can be made to the lesson, activity, or session that are mutually agreed upon by the staff member and the evaluator.
 - f. If the evaluator cannot make the observation within ten (10) minutes of the agreed upon beginning time, the staff member will be notified and the observation will be considered cancelled unless the staff member agrees to continue.
 - g. If a staff member's immediate supervisor is unable to complete a formal observation due to unforeseen circumstances, the choice of a new evaluator shall be made in consultation/discussion with the staff member.

4. Post-Conference

- a. The post-conference shall occur no later than five (5) days after the staff member's receipt of the completed preliminary rubric at a mutually agreed upon time and location during the staff member workday. If the conference extends beyond the workday, the staff member will be paid at an hourly rate of .0008 of the base.
- b. Staff members may bring additional evidence that supports the performance observed to share with the evaluator at the conference. The evaluator shall consider these as evidence of student learning or evidence to support the staff member's performance and use them in their completion of the staff member's rubric.
- c. When completing the performance rubric, the evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, staff members should not be required to submit additional pieces of evidence to address all indicators.
- d. The post-conference shall not be complete until the staff member signs the adjusted/completed rubric acknowledging its receipt. However, the post-conference may be waived if mutually agreed upon by the staff member and the evaluator and acknowledged by the staff member's signature on the rubric.

- iv. A teacher working under a permit issued under ORC 3319.301 who spends at least fifty percent (50%) of his time providing content-related student instruction.
- b. Assigning an Effectiveness Rating for Teachers
 - i. A summative effectiveness rating shall be based on the following two categories: 1) Teacher Performance and 2) Student Growth Measures. Fifty percent (50%) of the summative evaluation will be attributed to teacher performance and fifty percent (50%) will be attributed to multiple measures of student growth.
 - ii. The Ohio Teacher Evaluation System (OTES) Evaluation Matrix shall be used to determine the summative effectiveness rating.
- c. Calculating Teacher Performance
 - i. Teacher Performance is evaluated during the two cycles of staff member performance observation events.
 - ii. With the recommendation of the Joint Evaluation Committee, the Superintendent/designee shall select or develop evaluation tools to be used in calculating the Teacher Performance rating which must be aligned to the Ohio Standards for the Teaching Profession and the OTES Performance Rubric.
- d. Calculating Student Growth Measures
 - i. For purposes of final summative evaluation, “student growth” means the change in student achievement for an individual student between two or more points in time. This component of the evaluation includes some combination of the following: 1) teacher-level value-added data; 2) ODE-approved assessments; and/or 3) locally-determined measures.
 - ii. Teacher-level value-added: “Value-added” refers to the value-added methodology provided by ODE. Where value-added data for grades 4-8 for English/language arts and mathematics exists (via state-provided assessments), value-added data must be one of the multiple measures used in calculating student growth.
 - iii. ODE-approved list of assessments: Assessments, if utilized by the district, must be included as one of the multiple measures of student growth. Assessments utilized must be included when calculating the fifty percent (50%) attributed to student growth measures. With the recommendation of the Joint Evaluation Committee, the Superintendent/designee, subject to Board ap-

proval, will determine the assessments on the approved list to be utilized as it deems necessary and appropriate.

- iv. **Locally-determined measures:** For courses of instruction in which neither teacher level value-added data nor ODE-approved assessments are available, the Joint Evaluation Committee, subject to Board approval, shall establish a process in accordance with ODE guidance to create Student Learning Objectives (SLOs) to measure student growth.
- v. In the calculation for student academic growth, a student who has forty five (45) or more excused and/or unexcused absences for the school year will not be included.
- vi. Data from these multiple measures will be scored on five levels in accordance with ODE guidance and converted to a score in one of three levels of student growth: 1) "Above"; 2) "Expected"; and 3) "Below."

2. "Other Licensed Staff Member" Summative Evaluation

a. Definition of "Other Licensed Staff Member"

Staff members who do not spend at least fifty percent (50%) of their time providing content-related student instruction.

b. Assigning an Effectiveness Rating for Other Licensed Staff Members

- i. Other licensed staff member performance shall be based on the two cycles of staff member performance observation events.
- ii. With the recommendation of the Joint Evaluation Committee, the Superintendent/designee shall select or develop evaluation tools to be used in calculating the Other Licensed Staff Member Performance rating.

3. Summative Evaluation Process

- a. Before the evaluation cycle is final and no later than May 1, a conference to discuss the final summative evaluation shall occur at a mutually agreed upon time and location, preferably during the staff member workday. If the conference extends beyond the workday, the staff member will be paid at an hourly rate of .0008 of the base. The evaluator shall provide an explanation and clarification of the final summative evaluation and provide evidence to support the rating. No later than May 10, a copy of the final summative evaluation report signed and dated by the evaluator shall be given to the staff member.
- b. The final summative evaluation form is the only part of the evaluation documentation to be placed in the staff member's personnel file, and the staff member shall have the

right to make a written rebuttal to the final summative evaluation and have it attached to the evaluation report to be placed in the staff member's personnel file. A copy of the final summative evaluation, signed by both parties, shall be provided to the staff member.

- c. False, untimely, undocumented or unsigned information shall be removed from the evaluation at the request of the staff member.
- d. Anonymous and/or unsigned documents, notes, allegations shall not be included in the staff member's evaluation.
- e. The Board shall annually submit to the Ohio Department of Education (ODE), in accordance with ODE guidelines, the number of staff members assigned an effectiveness rating, aggregated by the teacher preparation programs from which, and the years in which, the staff members graduated.
- f. The Board shall evaluate each staff member assigned an evaluation rating of "Accomplished" on the staff member's most recent evaluation conducted under this article, once every three years, and shall evaluate each staff member assigned an evaluation rating of "Skilled" on the staff members most recent evaluation conducted under this article, once every two years, so long as the staff member's student academic growth measure for the most recent school year for which data is available is average or higher, as determined by the Ohio Department of Education. However, if the staff member is on a limited contract or extended limited contract that expires at the end of the current school year, the staff member shall be subject to the regular evaluation procedure for that year. In any year the staff member is not formally evaluated:
 - i. The staff member will complete a professional growth plan for that school year.
 - ii. The staff member will report student growth data for that school year.
 - iii. One observation, to be mutually agreed upon by the staff member and administrator, will be completed of the staff member during the school year of at least (15) consecutive minutes but no more than thirty (30) consecutive minutes, and the evaluator shall complete an Informal/Walkthrough Observation form within two (2) work days. A post-observation conference shall be held within ten (10) work days of the observation. The staff member shall sign the observation form; however, the staff member's signature shall not be construed as necessarily indicating agreement with the substance of the form. This process will be completed by April 15th.

- g. If the Board has entered into a limited contract or extended limited contract with a staff member pursuant to section 3319.11 of the Ohio Revised Code, the Board shall perform a minimum of three formal observations during the evaluation cycle in any school year in which the Board may wish to declare its intention not to re-employ a staff member pursuant to division (B), (C)(3), (D), or (E) of that section.
- h. The Board may elect not to conduct an evaluation of a staff member who is on leave from the school district for 50% or more of the school year, as calculated by the Board, or who has submitted notice of retirement and that notice has been accepted by the Board not later than December 1st of the school year in which the evaluation is otherwise scheduled to be conducted.

4G UNSATISFACTORY STAFF MEMBER PERFORMANCE

(This process is not for first, second or third year staff members.)

4G1 NOTIFICATION

The procedure outlined below may be applied in the event that there is an administrative determination that a staff member's performance is unsatisfactory. The point of this procedure is achievement or restoration of satisfactory performance. The building administrator may determine after observation at any point in the school year that a staff member's job performance has become unsatisfactory. The staff member shall be promptly notified in confidence and in writing and advised of the reasons for the decision. The Board shall not vote to non-renew a staff member or to begin termination proceedings until the staff member has had sixty (60) days from the date he receives the prescriptive program; provided, however, that the Board may vote to begin termination proceedings regardless of such sixty (60) school day period if the Board determines for just cause shown in accordance with O.R.C 3319.16 and O.R.C 3319.161.

4G2 DIAGNOSIS, PRESCRIPTION, AND FOLLOW-THROUGH

A written prescriptive plan of developmental activities which will help the staff member understand and overcome deficiencies shall be developed and carried out cooperatively by the staff member and immediate supervisor. Other appropriate personnel (e.g., Director of Pupil Services, Gifted Services Coordinator, psychologist, department head, master teacher, etc.) may be consulted in the development and implementation of the prescriptive plan.

This written prescriptive plan will be agreed to within ten (10) days after notification of unsatisfactory performance. This prescriptive plan will include specific performance expectations and administrative feedback to the staff member no less than every ten (10) days.

Both the staff member and the immediate supervisor assume shared responsibility in working together in the conference, work sessions and classroom visitation for the purpose of devising and implementing the developmental activities. The staff member should assume responsibility for achieving and demonstrating continued improvement. The immediate supervisor should assume the responsibility for creating and maintaining a working atmosphere and providing resources and professional development opportunities for the staff member that are important to carrying out the developmental activities. The Board shall allocate reasonable financial resources to support this professional development. Written documentation of the developmental activities, including the diagnosis, prescription for improvement and continuing problems will be provided to all personnel involved for the duration of the probationary period.

4G3 REMEDIES

a. Satisfactory

The desired outcome shall be justification for deciding that the staff member's performance be judged as satisfactory.

b. Making Progress

In some instances it may be judged that the staff member, although not rendering fully satisfactory performance has evidenced sufficient initiative, cooperation, and growth to merit extension of the prescriptive plan.

c. Unsatisfactory

If, after following the steps above, it is still judged that the staff member's performance remains at an unsatisfactory level, discontinuation of his services is in order. This may be accomplished by one of three procedures:

(1) Resignation

A professional person should be accorded the opportunity of submitting a resignation.

(2) Non-renewal

(a) A staff member whose contract is to be considered for non-renewal shall be notified by certified mail at least 10 days prior to Board action. The Board shall not vote to non-renew a staff member or to begin termination proceedings until the staff member has had sixty (60) days from the date he receives the prescriptive plan.

(b) Limited contracts shall expire at the end of the last school year in the term of the contract. However, a limited contract shall automatically be deemed renewed unless the Board on or before June 1 of the school year in which the limited contract is to expire:

- (i) Adopts a resolution in public session of its intention not to renew the employment of that staff member; and
- (ii) The Board or Superintendent mails a written notice of the non-renewal by certified mail, return receipt requested, to the staff member at the address appearing for that staff member on the Treasurer's records at least 10 days prior to Board action. It is the responsibility of each staff member to keep a current address on file with the Treasurer and to make any necessary changes therein.
- (iii) A staff member who is non-renewed may challenge compliance with this Article and with the evaluation procedures by filing a demand for binding arbitration within ten (10) days of receipt of the notice of non-renewal. Grievance arbitration shall be in place of the procedures of O.R.C. §3319.11(G).

(3) Termination

The Board may terminate a staff member's contract(s) for the reasons and pursuant to the procedure set forth in O.R.C. §3319.16.

4H DISCIPLINARY PROCEDURE

4H1 STEPS

The following steps shall be followed when disciplinary action against a staff member is deemed necessary by the building principal and/or immediate supervisor, except in cases where the action is deemed severe enough to advance steps.

- a. Step I** A verbal warning of the improper act will be given, in private, to the staff member and a conference with the principal or immediate supervisor will be held. Such verbal warning shall not be recorded in the staff member's official personnel file, but may be recorded, dated, and kept by the administrator with the staff member's or TCEA representative's signature acknowledging the verbal warning.

In matters pertaining to student or staff member safety and/or health or in case of unprofessional conduct or breaches of Board policy, the faculty handbook or Board policy may satisfy the oral warning step.

- b. Step II** A written warning or reprimand signed and dated by the principal shall be given to the staff member with a copy forwarded to the Superintendent. The written warning or reprimand shall be signed and dated by the staff member; such signature shall indicate the staff member

has seen the warning or reprimand, not necessarily that he agrees with the content. Refusal to sign shall constitute insubordination.

A copy of a signed written warning or reprimand may be placed in the staff member's personnel file. The staff member may attach his written statement to the file copy of the reprimand. Only compliance with these procedures may be grieved, not the substance of a reprimand.

4H2 FURTHER ACTION

After an oral warning, given in private, and a written reprimand have been given, the Superintendent may suspend an staff member without pay for up to five (5) days for insubordination, neglect of duty, or violation of rules and regulations of the Board.

Before any such suspension is imposed, the staff member will be furnished with written notification of the suspension, including the dates and reasons therefore. If requested in writing within five (5) days of the receipt of notification, the staff member will be granted a hearing before the Superintendent or his designee. At such hearing, the staff member will have an opportunity to present evidence and rebut the basis of the suspension. The staff member may be represented by a TCEA representative at the hearing.

Such hearing will be scheduled within ten (10) days from the receipt of request from the staff member.

Within five (5) days following the hearing, the Superintendent will provide the staff member with a written summary of the hearing and determination and judgment thereon. If the suspension is upheld, the reason(s) will be provided. The staff member may file a grievance about the disciplinary suspension at Step IV of Article 3C GRIEVANCE PROCEDURE within five (5) days of receiving notice of the suspension.

Fringe benefits as per this Professional Negotiations Agreement shall stay in effect during the time of any suspension.

4I PERSONNEL FILES

4I1 PERSONNEL FILE CONTENT

The personnel file for each staff member shall be maintained in the Board of Education office. Such file shall be the only official file representing such staff member. Such file shall be confidential, except that the individual staff member shall have access to his personnel file upon request and the Superintendent, the building principal, the Treasurer of the Board, or other administrative personnel having a responsibility for such staff member or his records, may have access to such file. Requests for such access shall be made to the Director of Human Resources. A staff member may request a copy of any item in his file at no cost.

When an immediate supervisor or other administrator makes a negative notation in the staff member's file other than evaluations (according to Article 4 EVALUATIONS), a copy of such notation shall be given to the staff member by hand delivery with the staff member to sign acknowledging receipt, not necessarily agreement, or by certified mail at least ten (10) days before it is put in the file.

Any of the above notations that are not signed for or not sent by certified mail shall be removed from the staff member's file at the request of the staff member. Anonymous letters or other materials shall not become a matter placed in the personnel file.

Staff members may place letters of merit pertaining to their role as a professional educator in their personnel files.

Official personnel files shall not contain any inaccurate, irrelevant, untimely, or incomplete information and any such information shall be subject to removal. Removal of materials should adhere to the procedure set forth under Article 4I2 GLEANING THE FILES of this Professional Negotiations Agreement.

4I2 GLEANING THE FILES

a. STAFF MEMBER'S RIGHT TO ITEMS IN PERSONNEL FILE

Any staff member may, pursuant to chapter 1347 O.R.C., inspect his personnel file and, in writing, dispute the accuracy, relevance, timeliness, or completeness of the personnel information pertaining to him.

Upon request to glean a staff member's file, the staff member will have access to all materials in the file generated after employment. Those items in the file coming from a university or former employer are a matter between the staff member and said institution or employer.

These items are not the Board's to release.

b. GLEANING PROCEDURE

When a staff member wants his personnel file gleaned, the following procedure will be followed:

- (1) Step #1: The staff member will go to the Board office and ask the Human Resource secretary to see his file. The file may be reviewed in the presence of the Director of Human Resources or her secretary. Files are not to leave the building.
- (2) Step #2: Upon request to see his personnel file, the staff member will receive his personnel file along with an empty file folder and a copy of these procedures.
- (3) Step #3: The staff member should record on the paper his name, the date the file is gleaned, and a list of all items that the staff member wants removed from his file. Then the staff member will place all items listed in the empty file folder.

(4) Step #4: Upon completion of Step #3, the staff member will return to the secretary or the Director of Human Resource his personnel file and the folder with all items to be gleaned.

(5) Step #5: The materials to be gleaned from a staff member's personnel file will be checked for compliance with the "conditions for removal of file items" and then disposed of in compliance with the district records retention and destruction policy.

c. CONDITIONS FOR REMOVAL OF FILE ITEMS

Evaluations and records of disciplinary action that are three years old or less must remain in the file unless a problem has been remedied and there is documentation stating so. After three years all disciplinary materials shall be moved to an auxiliary file.

ARTICLE 5

EMPLOYMENT, ASSIGNMENT, VACANCIES AND TRANSFERS

5A QUALIFICATIONS AND APPOINTMENT OF TEACHERS

The Board has the responsibility for employing the staff members of the Troy Schools. Educational background, successful work experience, successful completion of a criminal background check, character, personality, good health, and evidence of ability to get along with people shall be among the main factors considered in the appointment of personnel. Appointments, assignments and transfers shall be made on the basis of the applicant's qualifications. No appointments shall be made based on age, color, creed, handicap considerations, race, religion, gender, place of residence, political influence, personal friendship, or economic need. No staff member shall be employed unless such person is nominated by the Superintendent of Schools, §3319.07O.R.C. The Board may take any reasonable actions affecting staff members to comply with fair employment laws, including the Americans with Disabilities Act.

5A1 EMPLOYMENT OF RETIRED TEACHERS

The following provisions will apply to the rehire of staff members who have retired from the Troy City Schools, or otherwise retired under the State Teachers' Retirement System and expressly supersede all relevant provisions of the Ohio Revised Code, including but not limited to §§3319.11 and 3319.111 and all other applicable Ohio statutes.

- a. Re-employment The parties are committed to recruiting and hiring the best qualified staff members to fill vacancies. Rehire of staff members who retire from the Troy City Schools is not automatic. Staff members must submit a letter by January 1st stating that they would like to retire and be consid-

ered for rehire for the following school year. By January 15th, the Board will give notice that the staff member is retired or will retire and is seeking reemployment with the Troy City School District and set a public meeting on this issue for a regular or special meeting called for this purpose no later than March 31st.

At the next regular or special Board meeting called for this purpose, no earlier than fifteen (15) but no later than thirty (30) days after the public meeting, the Board shall award or decline to award the staff member a contract under this provision for the following school year. Any staff member to whom the Board declines to award a contract under this provision may elect not to retire by submitting a letter rescinding his decision to retire no later than May 1st.

- b. Break in Service and Seniority Retirement of a staff member from the Troy City Schools will be considered a break in service, and a staff member who is then rehired will be considered a new hire with no system seniority.
- c. Placement on Salary Schedule This provision expressly supersedes Ohio Rev. Code §3317.13, Article 8 of this Agreement, and other applicable laws. A retired staff member who is rehired will be given credit for up to eight (8) years of service for purposes of placement on the salary schedule at his present education level.
- d. Contract This paragraph expressly supersedes Ohio Revised Code §§3319.08 and 3319.11 and other applicable laws.
 - (1) A retired staff member who is rehired will be employed on a limited contract for a term of one (1) year. Such contract will expire automatically by its own terms at the end of the school year, without the necessity of a resignation from the staff member or without the necessity of Board action. Such staff member shall not be deemed re-employed when notice of non-renewal is not given. Any further employment of the staff member will be pursuant to Paragraph 5A1 of this Section, except for the last sentence.
 - (2) A retired staff member who is rehired will not be eligible for a continuing contract.
- e. Evaluation A retired staff member who is rehired will not be evaluated.
- f. Severance Pay If retiring from the Troy City Schools, a staff member must take severance pay at the time of retirement, payable according to Section 8H, thereby extinguishing sick leave accumulation. A retired staff member who is rehired will not be eligible to convert sick leave to severance pay upon separation from subsequent employment.

A retired staff member who is rehired for the year following retirement shall not be eligible for any resignation incentive.

- g. Sick Leave A retired staff member who is rehired will begin employment with zero (0) days of accumulated sick leave and will accrue and accumulate sick leave in accordance with the provisions of Ohio Revised Code.
- h. Other Fringe Benefits Retired staff members who are rehired will receive retirement contributions, insurance, personal leave and all other fringe benefits not specifically addressed in this memorandum in accordance with this Agreement.
- i. Applicability of Other Contract Provisions Except to the extent specifically addressed in this Article, all provisions of this Agreement apply to retired staff members who are rehired.

5B CERTIFICATION/LICENSURE AND TRANSCRIPT OF CREDITS

All staff members must be properly certificated/licensed in all subjects taught, and all certificates/licenses or an approved copy must be filed with the Superintendent by the opening of school in August. All new staff members must file with the Superintendent a certified transcript of all credits obtained in college or university work before receiving any salary payment.

- b. If the date of the Board meeting at which the staff members were hired is the same, the date and time of notification regarding intent to employ shall be listed on the Administrator's Recommendation for Employment Form (Addendum C), and a written copy shall be placed in the personnel file.
- c. When all of the above provisions have been exhausted and a tie still exists, a draw will be utilized to break the tie. The drawing shall take place in the presence of the staff members involved, the TCEA President and the Superintendent.

5E4 SENIORITY LIST

The Board shall prepare and post a seniority list including the following: date of hire by the Board, area(s) of certification/licensure, most senior to least, continuing and limited contract. 5E5 CORRECTION OF SENIORITY LIST

5H1 VOLUNTARY TRANSFERS

Definition: When a staff member requests a change in grade level, department, course, or building assignment.

A staff member may apply for any posted position within their certification/licensure prior to the expiration of the posting. Such application by a staff member shall be assured of reasonable consideration based upon ability to meet certification/licensure requirements and qualifications of the job description, quality of job performance as reflected in the previous three (3) years' evaluations, seniority and majority decision of the interviewing panel. Involuntary transfer shall not be made on an arbitrary or capricious basis. No transfer shall be disciplinary in nature. Involuntary transfers shall not occur to create a vacancy in the affected staff member's current assignment. Involuntary transfer of a staff member shall be prohibited if another staff member who meets the certification/licensure or entry level requirements of the job description for the vacant position has applied for the vacancy.

When an involuntary transfer occurs, requiring a move, administration shall be responsible for conducting the move.

5I PROMOTIONS

For purposes of this Article, a promotion is an appointment of a staff member to the position of visiting teacher, supervisor, coordinator, director, department head, principal, or for a newly-created position in

which a salary differential is included in the base contract (excluding raises). Current staff members will be given first consideration for promotions.

All appointments are made upon the recommendation of the Superintendent of Schools. The general principal governing promotion is also the fundamental purpose of the school – the educational welfare of the children in the schools.

Vacancies occurring in promotional positions, as defined above, shall be made known according to the procedures in Section 5F3.

Any staff member wishing to be notified by mail during the summer of any promotional vacancies shall submit to the Business Manager/Director of Human Resources a self-addressed, stamped envelope for each posting requested.

5J REDUCTION IN FORCE

A Reduction In Force (RIF) shall have occurred when the Board reduces or eliminates bargaining unit positions other than through natural attrition (retirement, resignation, or death). Whenever a staff reduction is necessary, this section will apply. The discharge of staff members working on one year contracts in place of staff members on leave, staff members being terminated, those who retire, or resign or are non-renewed shall not be considered a RIF.

In the event a reduction is necessary, the Superintendent will identify the positions that need to be reduced by May 15 and forward a list to the TCEA President. If the Official Amended Certificate of Estimated Resources received from the Miami County Budget Commission expected in August is more than \$250,000 less than the Treasurer's projection of General Fund revenue for the forthcoming fiscal year, the Superintendent may effect a reduction in force after May 15. After the necessity for a RIF has been determined, the Superintendent agrees to meet with TCEA President or his designee and discuss the effects of the RIF. In the event of natural attrition, non-renewal, or termination where a decision not to fill the position is made, the Superintendent agrees to meet with TCEA President or his designee and discuss the effects of the decision not to fill the position.

In effecting a reduction in force, each position to be eliminated shall be identified by building and grade level or field of instruction based upon the staffing level for the current school year. In the event there exists more than one position fitting the description of the position to be eliminated, the following procedure shall be followed:

1. Limited contract teacher shall be reduced first utilizing the following order:
 - a. Certification/Licensure within the affected teaching field;
 - b. Any bargaining unit member with an improvement plan or unsatisfactory staff member performance;

- c. Comparable evaluations as defined below;
 - d. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.
2. Only when the necessary reduction of staff required exceeds the number of limited contract teachers in the affected field shall continuing contract teachers be reduced by utilizing the following order:
- a. Certification/Licensure within the affected teaching field;
 - b. Any bargaining unit member with an improvement plan or unsatisfactory staff member performance;
 - c. Comparable evaluations as defined below;
 - d. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior continuing contract teacher in the affected teaching field the first to be suspended.
3. Comparable evaluations shall be defined as follows:
- a. Final Summative Rating of Ineffective
 - b. Final Summative Rating of Developing
 - c. Final Summative Rating of Skilled or Accomplished.
4. If a change of assignment or evaluator occurs in the year of a RIF, the higher rating between the previous and current year shall be used in determining comparable evaluation status.

Contracts will be suspended by the Superintendent within 30 days after the positions to be eliminated are determined. The limited contract for an affected staff member that expires prior to the effective date of the RIF shall be renewed and then suspended to implement the layoff.

Any staff member whose contract is to be suspended will be notified that his contract will be suspended in writing served personally or by certified US mail. The Suspension Notice will contain the effective date of the suspension. Any staff member who is notified that his contract has been suspended may, within five (5) days, notify the Business Manager/Director of Human Resources in writing of his intent to displace a less senior staff member. In order for a staff member to exercise his right to displace a less senior staff member, the staff member must be appropriately certified/licensed to teach in another area and have a comparable evaluation rating and there must be a less senior staff member in that area. A staff member who displaces a less senior staff member in accordance with this section and who is not thereafter displaced by a more senior staff member is entitled to have his contract maintained but remains subject to the transfer provision of Article 5, Section F of this Professional Negotiations Agreement.

Staff members whose contracts have been suspended shall have the right to recall if a vacancy occurs which is to be filled or a new position is created for which the staff member is certified/licensed, giving preference first to continuing contract staff members and then in reverse order of suspensions as identified above. Notice of recall shall be sent to the staff member by certified mail. A staff member who desires to be restored to employment in compliance with the provisions of the section must notify the Superintendent no later than ten (10) days after receipt of notice of recall. It is the obligation of the staff member to keep their current address on file with the Human Resources Department.

Staff members will be given the right to recall for 36 calendar months after the staff member's last active workday, according to the O.R.C. 3319.17. Staff members who do not respond to recall within ten (10) days after receipt of recall notice shall forfeit any and all rights to recall. No new hire shall be employed in a bargaining unit position until all eligible, laid off staff members have been offered such position.

A staff member on layoff status shall have the following rights:

1. The right to continue receipt of group insurance coverage at the staff member's expense.
2. The right to retain seniority credit during the period of layoff.
3. Credit for salary placement, upon recall, for teaching experience, which would qualify for salary schedule credit upon initial employment.
4. Recognition of additional certification, license, or entry-level requirements earned or reported while on layoff status for recall purposes, provided such information is filed with the Board prior to recall.

5K SUBCONTRACTING

No staff member shall lose his job as a result of subcontracting.

ARTICLE 6 CONTRACTS

6A STAFF MEMBER CONTRACTS

Ohio Statute (3319.08 ORC) provides for two types of contracts for staff members— limited and continuing.

6A1 LIMITED CONTRACTS AND ELIGIBILITY

Terms of Contracts

As many as three (3) one-year contracts may be offered consecutively. After three (3) one-year written contracts, the staff member, if re-employed, will be offered a four-year written contract. After any four-year contract, the staff member, if re-employed, will be offered another four-year written contract unless eligible for continuing status.

Notwithstanding the first paragraph of this section, if a staff member is otherwise eligible for reemployment on a multiple-year contract, but at the time of re-employment has determined to have unsatisfactory performance under Section 4G, the staff member shall only be eligible for a one-year contract, if re-employed. After removal from the unsatisfactory performance status, the staff member will receive a four-year contract depending on his previous position in the process.

6A2 CONTINUING CONTRACTS AND ELIGIBILITY

- a. Staff members eligible for continuing service status shall be those staff members who hold a professional, permanent, or life certificate or a professional educator license plus either of the following: (1) if a masters degree was held at the time of initially receiving a certificate or license, six semester hours of graduate coursework in the area of licensure or in an area related to the teaching field since the initial issuance of the certificate or license; or (2) if no masters degree was held at the time of initially receiving a certificate or license, 30 semester hours of coursework in the area of licensure or in an area related to the teaching field since the initial issuance of the certificate or license. The service requirement for continuing contract status requires the staff member to have taught within the district for at least three out of the last five years. This requirement is modified, however, for those staff members who, prior to their employment within the district, had attained continuing contract status in some other district. For these staff members, continuing contract eligibility begins after only two years of service within the district, and may begin at some sooner date, if the superintendent of schools so recommends. A continuing contract remains in effect until the staff member resigns, retires, or until the contract is terminated as prescribed by law (3319.08 ORC).
- b. A staff member who is initially issued an educator's license on or after January 1, 2011, must hold an educator's license for at least seven (7) years to be eligible for continuing contract status.
- c. If, during the term of a limited contract as that term is defined in Section 3319.08 ORC, a staff member believes he is or will become eligible for a continuing contract, then such staff member must notify the Superintendent in writing of such eligibility, prior to the end of the first semester of the current contract year.

Such staff members shall be considered for continuing contract status by the Superintendent and the Board at the meeting of the Board held in April, if by April 1 of that year such staff member has

filed a copy of his professional, permanent or life certificate, or professional educator license with the Human Resource Department.

- d. The Board may re-employ a staff member who is eligible for continuing contract on a one- or two-year limited contract. Where the Superintendent intends to recommend such action to the Board, he shall mail the staff member written notice of his intention, with reasons directed toward the staff member's professional improvement, by certified mail prior to Board action. The Superintendent shall mail the staff member written notice of Board action to re-employ the staff member on a one- or two-year limited contract by certified mail on or before April 30 of the year in which the staff member's contract is expiring. At the expiration of such limited contract, the staff member shall be non-renewed or granted a continuing contract.
- e. The Board may vote to re-employ a staff member who is eligible for continuing contract on a one- or two-year limited contract upon the Superintendent's recommendation.

6A3 EFFECTS OF LEAVES OF ABSENCE WITHOUT PAY

Notwithstanding Sections 6A1 and 6A2, leaves of absences without pay of more than sixty-five (65) consecutive days in a school year shall have the following effects:

- a. The school year shall not be considered a year of service for purpose of a step on the salary schedule. [Section 8A2f]
- b. The time served during the school year containing the leave of absence described in this section shall not constitute a year of service:
 - (1) for the purpose of acquiring the right to or progressing towards a continuing contract,
 - or
 - (2) for the purpose of serving a year under a limited contract.

The staff member shall upon return to work assume the same contract status as when the school year began. In addition, at the beginning of the next school year following the school year containing the leave of absence described in this section, the staff member shall then complete the year or years provided in the limited teaching contract previously awarded. The school year containing the leave of absence under this section shall not count as a year towards completing the number of years provided in the staff member's limited contract.

6A4 EFFECTS OF LEAVES OF ABSENCE WITH PAY

Notwithstanding Sections 6A1 and 6A2, leaves of absence with pay of more than sixty-five consecutive days in a school year shall have the following effects:

- a. The school year shall be considered a year of service for purpose of a step on the salary schedule.
- b. The time served during the school year containing the leave of absence described in this section shall not constitute a year of service:
 - (1) for the purpose of acquiring the right to or progressing towards a continuing contract,
or
 - (2) for the purpose of serving a year under a limited contract.

The staff member shall upon return to work assume the same contract status as when the school year began. In addition, at the beginning of the next school year following the school year containing the leave of absence described in this section, the staff member shall then complete the year or years on the limited contract previously awarded.

6A5 SUPPLEMENTAL CONTRACTS

- a. The Board shall enter into a supplemental written contact with each staff member who is to perform duties in addition to the staff member's regular teaching assignment. Such supplemental contracts shall be limited contracts and shall set forth the staff member's duties and shall specify the salary to be paid for this service.
- b. The deadline for non-renewal of supplemental contracts shall be June 30 instead of April 30.
- c. Staff members shall be compensated for supplemental duties for which they are employed in accordance with the supplemental salary schedules attached hereto. The Board need not fill any or all positions listed on the schedule in any particular school year. The Superintendent shall determine whether a vacancy exists in a supplemental position and when to fill the vacancy. The Board needs not bargain with TCEA about the decision to create a new supplemental position or to consolidate supplemental positions but shall bargain about the salary for any new or consolidated supplemental position. If there is going to be an adjustment of the supplemental duties and pay for a position, the President of TCEA shall be notified and a representative of TCEA shall negotiate the adjustment.

6B PROVISION OF STAFF MEMBERS' CONTRACTS

Every staff member who signs a contract with the Board agrees to abide by Board policies and administrative rules and regulations that are placed in the staff member work room and principal's office at each building and matters agreed to through negotiations. Notification of change in Board policies shall be given to the building representative in each school building and sent to the TCEA President.

ARTICLE 7
LEAVE POLICIES

7A LEAVE OF ABSENCE WITH PAY

Under conditions hereinafter specified, staff members of the Board will be granted leaves of absence with pay. The following amounts of days are hereby set aside for illness and for personal leaves of absence with pay in accordance with the following categories:

7A1 SICK LEAVE

Each full-time staff member shall be credited with 1-1/4 days (at the rate of 15 days per year) of sick leave for each month of service rendered. Staff members who render part-time service shall be entitled to sick leave for the time actually worked at their rate.

In accordance with ORC 3319.141, staff members may use sick leave for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to others and for absence due to illness, injury, or death in the staff member's immediate family. Immediate family is defined as parent, child, spouse, sister, brother, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents, grandchildren, legal guardian, foster or step-child, or foster or step-parents of said staff member. For death in less than the immediate family, personal leave shall be used. After childbirth, a staff member may normally use sick leave for up to eight (8) calendar weeks of recovery. During the adoption process, a staff member may use up to eight (8) calendar weeks of sick leave, commencing with the placement of the child.

If an illness meets the criteria for STRS disability, the staff member shall apply for STRS disability.

The Superintendent or his designee may engage in a dialogue with the staff member as to the reason for the staff member's absences where the staff member is absent more than eight days in a four-month period.

Medical proof of illness/death will be required by the Board for all absences longer than ten (10) consecutive days and may be required for absences of less than ten (10) days. Misuse or deliberate misrepresentation of sick leave may result in disciplinary action up to and including termination.

7A2 SICK LEAVE BANK

The staff members of the Troy City Schools will establish a sick leave bank. At the beginning of each school year by September 15, or if the sick leave bank balance falls below one hundred (100) days, staff members may volunteer to donate up to five (5) days of their available sick leave. The donated days

will make up the sick leave bank and unused days remaining in the sick leave bank will accumulate from year to year. A review panel made up of the TCEA President or his designee and the Business Manager will administer the sick leave bank.

Upon depletion of accumulated sick leave balance and advancement of five (5) sick days per ORC 3391.141, a staff member may apply for sick leave days from the sick leave bank if he has a catastrophic illness or injury or if his spouse, child or step-child has a catastrophic illness or injury. A catastrophic illness or injury is defined as a sudden or unexpected disruption of a standard order of living.

The staff member must have a doctor's note when applying for days from the sick leave bank explaining the catastrophic condition and the length of time needed to be off work. He may apply for sick leave days up to twelve (12) calendar weeks at a time. If additional time is needed, the staff member must make another application accompanied by a doctor's note explaining the need. Requests for use of the sick leave bank must be made through Human Resources. The maximum days a staff member may be granted from the sick leave bank per contract year will be no more than sixty (60) days.

7A3 PERSONAL LEAVE

- a) The Board recognizes the need for personal leave. This leave, not to exceed four (4) days per year, will be granted to staff members. Leave may be taken in half or whole day increments. Since the operation of the school program is the first concern, the Principal or Supervisor may refuse to grant this leave if the operation of the school may be jeopardized. No personal leave will be granted on the first or last day of school nor on days before or after the school is closed or not in session unless there is an emergency or unusual situation and the staff member submits a written request to the Principal or Supervisor explaining the need for Personal Leave. The Principal or Supervisor will make a recommendation and forward the letter to the Superintendent or his designee, whose decision shall be final.
- b) The staff member will submit a request for Personal Leave-through the KIOSK to the Principal or Supervisor at least three (3) days in advance. - c) Unused Personal Leave days will be compensated as follows:
 - 4 unused days \$400

 - 2 unused days \$100
 - 1 unused day \$ 50

Payment will be made by July 31st.

- d. Regular staff member salaries (not supplemental salaries) shall be paid in twenty-four (24) equal pays. Staff members who have earned additional college credit which would entitle them to a higher salary classification at the opening of the school year must submit from the university an official transcript showing completion of the additional credit to the Superintendent of Schools by September 15 or January 15. If an official transcript cannot be obtained by September 15 or January 15, then other written evidence of completion from the college or university will be accepted until an official transcript can be provided. Failure to submit evidence by the above dates will delay placement on the higher salary classification until next school year.

- e. Years of service means all years of service, for which membership in STRS is required, in public schools, regardless of training, and up to five years of military service. A full year of credit will be given for 120 days of service in a contract year and for eight continuous months or more of active military service (Sec. 3317.13 ORC).
- f. Staff members newly employed in the district shall be granted ten (10) years of public school teaching service elsewhere, including up to five years of military service (Sec. 3317.13 ORC).
- g. All staff members will be placed in their proper training column according to their degree or educational status (Section 317.14 ORC).
- h. A staff member must have a bachelor's degree or a master's degree to be placed in that classification on the salary schedule.
- i. All staff members must comply with the certification/licensure laws and regulations of the Ohio Department of Education. A staff member who does not maintain a valid license/certificate shall obtain a substitute license in order to continue employment. Until such time that he applies for a substitute license, the staff member cannot be paid. Once the staff member has filed an application for a substitute license with the Human Resources Department, the staff member shall be paid at the established substitute per diem rate.

Such staff members must have renewed their license/certificate by the end of the current calendar year. Benefits shall remain in effect until the end of the calendar year.

If by the end of the calendar year, the staff member has renewed his license/certificate, the staff member will be paid on the regular salary schedule effective on the date that the renewed license/certificate is issued.

If a staff member does not complete the requirements to renew his license/certificate by the end of the current calendar year, he will be considered to have voluntarily resigned from his position effective December 31st of that calendar year without board action or acceptance.

- 1. During the time the staff member is paid on the substitute per diem rate, he will retain all other rights as outlined in the negotiated agreement.
- j. Description of training classification:
 - (1) BACH – graduation from a college with a degree
 - (2) BACH 150 (one-hundred fifty) – bachelor's degree and 150 semester hours (225 quarter hours)
 - (3) MASTER – postgraduate work to earn this degree
 - (4) MASTER PLUS 15 (fifteen) – master's degree plus 15 semester hours (22.5 quarter hours)
 - (5) MASTER PLUS 30 (thirty) – master's degree plus 30 semester hours (45 quarter hours)

(6) For the MASTER PLUS 15 (fifteen) and the MASTER PLUS 30 (thirty), the hours must be

- (a) Toward a doctorate degree or for individual improvement in one's field
- (b) In both instances, the 15 (fifteen) or 30 (thirty) semester hours must be taken after the MASTER degree has been received, graduate work being given full credit and undergraduate work three-fourths credit.

This means that fifteen (15) semester hours of graduate or twenty (20) semester hours of undergraduate work will apply to the MASTER PLUS 15 and thirty (30) semester hours of graduate work or forty (40) semester hours of undergraduate work for the MASTER PLUS 30. A combination of the graduate and undergraduate hours is acceptable.

- k. The following information must be on file in the Superintendent's office before the staff member's first work day, unless extended by the Business Manager/Director of Human Resources, or as soon thereafter as the information is available:
 - (1) An Ohio teaching certificate/license
 - (2) An official transcript of all college credits
 - (3) Verification of all previous public school experience
 - (4) Documentary evidence of military service is necessary if this is to be used for salary classification.
- l. Failure to comply with the provisions of paragraph j, l, and m could result in the withholding of pay. Continual refusal to abide by the regulations after written notice will be considered cause for nonpayment.
- m. The Board will give staff members written individual annual salary notices. Such notification will be given before the beginning of the school year unless negotiations have not been concluded, in which case notice will be given as soon as possible.

8A3 SALARY

- a. Effective August 1 2014, a 1.0% increase on the base salary and normal salary schedule movement of one (1) step.

- d. A one-time lump sum longevity bonus payment of \$500 to existing staff members who were at Step 28 or above during the 2013-14 school year to be paid by December 30, 2014. Existing staff members must be actively on the payroll through December 30, 2014.

8B PAYMENT OF SALARY

8B1 REGULAR SALARY

Salary payment will occur twice a month (15th and 30th), except February, which will be the 15th and the last day of February. In the event a pay date falls on a Saturday, Sunday, or legal holiday, the payday shall occur on the last business day immediately preceding.

Staff members with seasonal supplemental duties may elect to be paid for such duties at the end of the season or half of the supplemental pay after completion of half the season with the remaining half after completion of the season. With the exception of Department Heads, staff members with year-long supplemental contracts may elect to be paid with their regular pay or at the end of the student school year (2nd pay period in June). The staff member will make the election for payment in writing on the supplemental contract form, which may not be changed during the supplemental contract.

8B2 ERRORS

If a payroll error is caused by the administration involving more than \$50, at the staff member's request the Treasurer within two working days shall pay the teacher seventy-five percent (75%) of the gross amount of the error. Final reconciliation shall be made at the next payroll.

8C TUITION REIMBURSEMENT

2. To receive tuition reimbursement, staff members must submit the tuition reimbursement form (Addendum E), proof of successful completion of a class and proof of payment for that class to Human

Resources by June 5th. Staff members will be reimbursed in June of the fiscal year in which classes were successfully completed.

3. Any money not distributed through tuition reimbursement during a fiscal year will be carried over to the next fiscal year.

8E PAYROLL DEDUCTION

Authorization for payroll deductions must be signed by the staff member except as authorized by provisions of continuing membership. All sums deducted from the payroll will be returned on a timely basis by the Office of the Treasurer to the appropriate agent designated to receive the deduction in accordance with the TSA company billing cycle (not to exceed each payroll). Deductions shall be provided without cost to staff members for the following purposes:

8E1 UTP DUES (TCEA, WOE, OEA, NEA)

Deductions of dues shall be spread out over eight equal installments, beginning with the second check in October, and from the second check for the next seven months. All money so deducted shall be remitted to the TCEA Treasurer monthly. TCEA shall notify the Treasurer of those staff members who will participate in payroll deduction no later than three weeks prior to the second check in October and shall indicate the total amount to be deducted from each staff member's check. Such authorization shall continue in effect until such a time that said staff member gives written notice to the TCEA Treasurer to discontinue such deductions or employment with the Board terminates, with a copy of the notice to the Board Treasurer, but in no event shall such authorization be discontinued voluntarily before the end of the school year. A representative of TCEA shall have access at reasonable times to the record of authorizations and cancellations kept by the Treasurer. If a staff member on payroll deduction separates from employment before deduction of all installments, the Treasurer shall deduct, to the extent there are funds owing to the staff member, the remaining dues. A staff member employed after the initial cut-off for notice of those on dues deduction may give written authorization for dues deduction. In such a case, the dues shall be deducted over the remaining installments in an amount verified in writing by the TCEA Treasurer.

8E2 REPRESENTATIONAL FEE

a. Payroll Deduction of Fair Share Fee

The Board shall deduct from the pay of staff members who elect not to become or to remain members of TCEA a representational fee for TCEA's representation of such non-members during the term of this Professional Negotiations Agreement.

b. Notification of the Amount of Representational Fee

Notice of the amount of the annual representational fee shall be transmitted by TCEA to the Treasurer of the Board on or about September 15 of each year during the term of the Professional Negotiations Agreement for the purpose of determining amounts to be payroll-deducted, and the Board agrees to promptly transmit all amounts deducted to the Union.

c. Schedule of Representational Fee Deductions

(1) All Representational Fee Payers

Payroll deduction of such annual representational fees shall commence on the first pay date that occurs on or after January 15th annually. In the case of staff members newly hired after the beginning of the school year, the payroll deductions shall commence on the first pay date on or after the later of:

- (a) sixty (60) days of employment in a bargaining unit position or
- (b) January 15th

(2) Termination of Membership During the Membership Year

Upon termination of membership during the membership year the Treasurer of the Board shall, upon notification from TCEA that a member has terminated membership, commence the deduction of the representational fee with respect to the former member, and the amount of the fee yet to be deducted shall be the annual representational fee less the amount previously paid through payroll deduction.

The deduction of said amount shall commence on the first pay date occurring on or after forty-five (45) days from the termination of membership.

d. Transmittal of Deductions

The Board agrees to accompany each such transmittal with a list of the names of the staff members for whom all such representational fee deductions were made, the period covered, and the amounts deducted for each.

e. Procedure for Rebate

TCEA represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09 of the Ohio Revised Code, and that a procedure for challenging the amount of the representation fee has been established and will be given to each staff member who does not join TCEA and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and State of Ohio.

f. Entitlement to Rebate

Upon timely demand, non-members may apply to TCEA for an advance reduction/rebate of the representational fee pursuant to the internal procedure adopted by TCEA.

8E3 CREDIT UNION

Staff members participating in the credit union shall have their authorized deductions made from each paycheck. Changes in the amount deducted shall be made in accordance with the rules and regulations of the credit union.

8E4 UNITED WAY FUND

Authorized deductions shall begin with the first paycheck in November and be equally distributed over the next ten pays. Deduction will not be available for less than \$1.00 per pay.

8E5 POLITICAL CONTRIBUTIONS

Pursuant to Section 3313.262, Ohio Revised Code, the Board will deduct from the salaries of staff members such amounts for political organizations and parties and or nonpartisan issues as the staff member, by written authorization, may demand. Such written authorization must be on a form different from the dues authorization form.

8E6 TAX SHELTERED ANNUITIES

Tax sheltered annuity deductions, both 403 (b) and 457 plans, may be authorized and any staff member is eligible to participate. The amount to be deducted may be changed in accordance with IRS regulations. Cancellation of deductions may occur at any time. There must be at least three (3) participants in order to set up a new 403 (b) annuity for payroll deduction, and a new annuity deduction shall not be added if the total number of 403 (b) companies will exceed fifteen (15). The Treasurer's office shall provide a complete list of active 403 (b) companies to all staff members in September and shall send out notification of company deletions and additions as they occur. The Board will also offer a 457 plan and the Ohio Deferred Compensation plan if any teacher elects to enroll. All payments to 403(b) and 457 plans must be made in accordance with all IRS guidelines.

8E7 PAYROLL DEDUCTION OF TUITION

Deductions for out-of-district tuition payments will be deducted over eight equal installments beginning with the first payroll in September.

8F MILEAGE

When the distance between school buildings is such that transportation by means of automobile is necessary, those staff members whose duties require traveling between school buildings and who drive personal automobiles, shall be reimbursed at the rate allowable by the IRS effective on January 1. Other prior approved travel related to school business and by means of personal automobile shall also be reimbursed at the same rate.

8G TAX SHELTER STRS

8G1 TAX SHELTER OF STRS CONTRIBUTIONS

The STRS contribution, which has heretofore been paid by the staff member directly to STRS, will now be paid on behalf of the staff member by the Board, producing a tax shelter of the staff member's contribution. The Board of Education will pick up 0.75% of the employee's share of STRS paid by the Board.

8G2 PICKUP OF RETIREMENT CONTRIBUTION

- a. Consistent with the provisions of Internal Revenue Service Rulings 77-462, 81-35, and 81-36, the Board shall pick up each staff member's mandatory contributions to the State Teachers Retirement System of Ohio (STRS) which is not covered by Section 8.G1, provided that no staff member's total salary is increased by such pick up nor is the Board's total contribution to STRS increased thereby.
- b. The dollar amount to be designated as "picked up" by the Board:
 - (1) shall equal the then-current percentage amount of the staff member's mandatory STRS contribution;
 - (2) shall be credited by STRS as employee contributions under authority of Ohio Attorney General Opinion 82-097;
 - (3) shall be included in computing final average salary;
 - (4) shall not be reported by the Board as subject to current federal and state income taxes;
 - (5) shall be reported by the Board as subject to city income taxes.
- c. Each staff member will be responsible for compliance with Internal Revenue Service salary exclusion allowance regulations with respect to the "pick up" in combination with other tax deferred compensation plans.
- d. If the "pick up" provisions are nullified by subsequent Internal Revenue Service Rulings, this provision of the Agreement shall be declared null and void.

8G3 PAYROLL DEDUCTION FOR PURCHASE OF RETIREMENT CREDIT

- a. Any staff member who elects to purchase eligible retirement credit pursuant to §3307.32 or §3307.33, Ohio Revised Code, shall notify the Treasurer in writing and provide approval of the purchase from the State Teachers' Retirement System (herein after referred to as "STRS", the amount to be deducted from his pay each month, the length of time such deduction shall be made and whether the deduction is pre or post tax. Such deduction shall be made each month and remitted to the STRS by the Treasurer.
- b. The staff member may elect to have the deduction from his income after the withholding of federal and state income taxes or subject to the limitations of subsection 8G2c of this section prior to the withholding of federal and state income taxes.
- c. It is understood that, once begun, pretax deductions are irrevocable and may not be terminated or modified until the purchase is complete or the staff member is no longer employed by the Troy City School District, except as permitted by federal regulations due to unforeseen circumstances or financial hardship. A deduction requested to be on a pretax basis will remain as pretax so long as this is permitted by federal and state law so that income taxes will be deferred upon the amount of the deduction.

8H SEVERANCE PAY

8H1 ELIGIBILITY

A staff member leaving the employment of the Troy City School District shall be eligible for severance pay effective the last day of employment, provided the staff member meets the following eligibility requirements:

- a. Five or more years of service in the Troy City School District, if employed after August 1, 1981
- b. Completed application for retirement approved by the State Teachers' Retirement System
- c. Completed application for severance pay and filed with the Board Treasurer no later than 90 days after the last day of employment.

8H2 PAYMENT OF SEVERANCE PAY

Payment shall be made within nine months after request but must be paid in the same calendar year. The staff member shall designate on application within which month payment is desired and in no case will severance pay be made while the staff member is still receiving regular paychecks.

The formula for payment shall be 25% of the accrued sick leave days, not to exceed a total of 50 days' severance pay. Such payment shall be calculated by multiplying the base daily rate, excluding supplemental pay, of the staff member's pay by the total number of days, or fractional parts thereof, as de-

terminated by the formula. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the staff member at that time.

If a staff member eligible for severance pay dies, severance pay will be made to the staff member's estate, as though the staff member had left employment, in accordance with the above formula. Such staff member need not have applied for severance pay before his death for this benefit to be paid to his estate.
