A "Casual Employee" shall be defined as a person who is employed at uncertain times or irregular intervals. Casual Employees shall include seasonal, intermittent, and part-time employees.

- C. Recognition of the Association as the exclusive representative of the members of the above-defined bargaining unit shall be for the term of this written Agreement without challenge, as provided for in ORC 4117; and will continue, thereafter, until a challenging employee organization is legally successful in gaining exclusive representation rights, as provided for and in strict compliance with provisions set forth in ORC 4117.

Thereafter, the employee may be given a one year contract. Subsequent contracts will be offered according to Ohio Revised Code. There will be a 60 workday probationary period.

\*Contract forms are not part of this agreement and are not subject to bargaining.

  4. If the results of the criminal record check demonstrates that the Board is prohibited by law from employing the person due to his/her criminal record, the applicant who was conditionally employed will be immediately and summarily dismissed from his/her employment with the Southeast Local Schools.
- B. All Southeast School Support Personnel shall receive full administrative support in any and all matters involving student discipline. Administrators will enforce Board policy and student handbook policy on student discipline matters.

**ARTICLE 5. DUE PROCESS**

- A.
1. When a Southeast School Support Personnel is believed to be performing his/her duties unsatisfactorily, the Southeast School Support Personnel's Immediate Supervisor is to have a conference with the employee. Further, the employee shall be provided with advance written notice of the meeting which shall include the purpose of the meeting. Employees may have a representative present during any conference with an administrator.
  2. If the above procedure does not clarify the problem, a written evaluation of the situation will be given to the employee and a copy forwarded to the Superintendent and the Association President.
  3. If the situation still has not cleared, the Southeast School Support Personnel may be subject to disciplinary measures. The Board of Education, through its Administrative Officers, may find it necessary to suspend the Southeast School Support Personnel, without pay, as recorded in Revised Code 124.34 and 3319.081.
  4. If the above situation still has not been clarified, the Superintendent and the Board of Education, may proceed with termination in accordance with Revised Code 3319.081.

5. All employees of the Board of Education, whether Administrative or Southeast School Support Personnel, when dealing with problems of a disciplinary nature, should conduct all hearings, conferences and evaluations in a professional manner.
6. If the severity of the circumstances of the situation requires it, the initial conference and any subsequent discipline may be initiated at a level higher than the immediate supervisor, without implementing the procedures in paragraphs 1 and 2 above.
7. None of the listed procedures will prevent the Board of Education from enacting Revised Code 3319.081, when a flagrant or serious infraction is performed by the Southeast School Support Personnel.
8. Southeast School Support Personnel are entitled to have an Association representative or legal counsel present with them when disciplinary or termination hearings are conducted. Employees may have a representative present during any conference with an administrator. The Southeast School Support Personnel also realizes that at such meetings the Board may have legal advice or representatives from its professional organization.
9. No employee shall be disciplined, reprimanded, suspended, terminated, or otherwise deprived of any professional advantage without just cause. For the purposes of this article, just cause shall be defined as valid reason due to negative employment performance or a violation of or noncompliance with law and/or Board policy, and where the discipline is appropriate to the offense.

#### **ARTICLE 6. FAIR DISMISSAL**

Non-renewal of a contract during the first three (3) years of employment shall be preceded by written notification to the Southeast School Support Personnel from the Superintendent or designee stating the intent to consider non-renewal of contract and the reason for such consideration. Southeast School Support Personnel being so notified for non-renewal of contract shall be given the opportunity to address the Board, with Association Representation, in Executive Session, prior to any official action by the Board. Except in cases of severe deficiency, any employee whose performance may result in the nonrenewal of his/her contract shall be provided with a plan of improvement which shall state the specific areas of the employee's performance which are in need of improvement. The plan should include a reasonable length of time to provide opportunity for the employee to improve his/her performance prior to any Board action.

Southeast School Support Personnel being so notified for said non-renewal of contract shall be given the opportunity to resign prior to any official action of the Board.

This procedure shall cover work done under all contracts.

After completion of the interim contract and the next three (3) years of employment, all provisions of Ohio Revised Code 3319.081 shall apply except as modified by this Agreement.

#### **ARTICLE 7. TERMINATIONS**

All terminations will conform to regulations contained in Ohio Revised Code 3319.081 and the terms of this Agreement.

#### **ARTICLE 8. SENIORITY/RIF**

- A. Seniority is determined according to the employees length of continuing service with the District, commencing with the first day worked in the currently held bargaining unit position/classification. Authorized leaves of absence shall not constitute a break in continuing service, but time spent on such leaves is not included in the determination of length of service. When an employee transfers to a different classification, his/her seniority in the former classification shall be left frozen intact.
- B.
  - 1. In the event of an increase or decrease of personnel within the classifications, length of service within the currently held classification shall prevail for purposes of termination or subsequent rehiring as between employees. An employee can only "bump" into those classifications previously held under a full-time contract. When an employee resigns, with an intended break in service, or fails reemployment, or is dismissed, his/her seniority shall terminate the last day he/she performs duties under contract.
  - 2. If the seniority of two or more people were equal, the date of the Board meeting at which the Board acted upon their employment will be used to determine seniority. If a tie still exists, the employee with the longest service in any regular employment position with the Board will have greater seniority and then the employee with the earliest date of application for a bargaining unit position. The final tie-breaker will be a coin toss, with the Superintendent, the employees with matching seniority, and an Association Representative.
- C. A seniority list showing district and classification work starting dates will be distributed by November 15 of each year to the Association President. The Association shall work with the Administration in updating the seniority list of all Southeast School Support Personnel. Management level employees shall not appear on the seniority lists.

## RECALL

- D. The names of employees who are laid off due to the reduction in force shall be placed on a recall list in the classification from which they were laid off for 25 months from the effective date of the layoff. Support Staff on the recall list have the following rights:
1. Employees who are suspended shall be recalled as the Board determines that positions in their classification are to be filled. Suspended employees who are on the recall list shall be recalled in the order of their seniority in the system, i.e., reverse order of layoff to the last open position in the classification affected.
  2. Employees who are on the recall list shall be obligated to keep the Board informed in writing of the address to which recall notices are to be sent. Appropriate recall notices shall be sent to employees to be recalled at the most recent address furnished in writing by the employee.
  3. If such a vacancy occurs, the Board will send an announcement via certified mail to the last known address of all employees on the recall list who are eligible for the position. All employees are required to respond in writing, via certified mail, to the district office within ten (10) calendar days of when the announcement was mailed. The most senior of those responding will be given the vacant position. Any employee who rejects the vacant position will remain on the list for the remainder of their 25 month period. Any employee who fails to respond shall be removed from the recall list.
  4. An employee on the recall list will, upon acceptance of recall, have the same seniority and accumulation of sick leave as when his/her contract was suspended.
  5. The procedures apply only to layoff or RIF under this article of the collective bargaining agreement. This article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the district.
- E. Before any RIF is implemented, the Board shall make a reasonable effort to accomplish a reduction through attrition which shall mean retirement, or resignation. In the event the Board fails to completely meet the reduction through attrition, the procedures of this article shall be followed for layoff.

## **ARTICLE 9. TRANSFERS, VACANCIES, ASSIGNMENT**

- A. The Superintendent shall notify the Association and give five (5) school days' notice, or two (2) weeks (fourteen days) notice when school is not in session, before filling any vacancy or newly-created position. When filling a

vacancy or newly created position, and the position to be filled would involve a move within a classification to a position with more hours, with the agreement of the President of the Association, the posting can be announced to the staff by the Administration. In such cases, the five (5) day limit is waived.

- B. A position vacancy shall be defined as:
- (1) Death of a bargaining unit member.
  - (2) Retirement of a bargaining unit member.
  - (3) Resignation of a bargaining unit member.
  - (4) Extended Leave of Absence (for a full school year) of a bargaining unit member.
  - (5) Creation or restoration of a bargaining unit position.
  - (6) Non-renewal of a bargaining unit member.
  - (7) Termination of a bargaining unit member.
- C. All vacancies, determined to be filled, will be posted in the High School, Middle School and the Elementary School lounges, in the bus garage, and in each kitchen, when vacancies in a position occur or when a new position is established; and furnish job descriptions defining duties, responsibilities, requirements, and desirable qualifications. When schools are closed, or when the employee is on a Board-approved leave, postings shall be sent via school email to all employees and the automated phone alert system.
- D. Other than filling a vacancy in a child specific position, the employee with the greater seniority in a specific job classification shall be given the first opportunity for a lateral move in that classification, if he/she is considered qualified by the Immediate Supervisor and the Superintendent based on the qualification requirements of the job description and test scores. Filling positions within a classification that would be considered a promotion shall be based solely on skills and abilities as determined by the Superintendent or designee. Should skills and abilities be considered relatively equal, seniority shall prevail. Any job description updates must be mutually agreed upon by both the Association and the Superintendent.
- E. Current employees, regardless of classification, making application for a vacancy shall be given first consideration and a new application is necessary for each posted position. If a current employee is considered by the Superintendent to be equally qualified for the position with another candidate, then the equally qualified employee with the greatest classification seniority shall prevail.
- F. Temporary assignments may be made in the event of an emergency. Such assignments shall not exceed thirty (30) working days. Through a mutual agreement between the Association President and the Superintendent a temporary position may exceed thirty (30) working days.

- G. Assignments and reassignments within the classification shall be made according to the needs of the Southeast School District.

At the end of each week, interested employees will be provided the opportunity to indicate interest in working those additional hours. The length of the session will be 2 1/2 hours for a five (5) hour position for which they are being trained. A three (3) hour session will be held if being trained for a seven (7) hour position.
7. All cafeteria employees will receive an annual reimbursement for required work shoes not to exceed \$50. Shoes must be black, brown or white with non skid soles.
