ARTICLE XVI. – REDUCTION IN FORCE

- A. If the Board determines it necessary to reduce the number of bargaining unit positions for any of the reasons provided for in Section 3319.17 of the Ohio Revised Code, or because of shortage of funds, the Board of Education shall proceed with such reduction in the following manner:
- B. Reductions shall be made by suspending contracts based upon the Superintendent’s recommendation. In compliance with the requirements of HB 153 and ORC 3319.17, all teachers will be considered “comparable” in their evaluations through June 30, 2016. Those contracts to be suspended will be as follows:
1. All members of the bargaining unit will be placed on a seniority list for each teaching field for which they are properly certified. Teachers serving under continuing contracts will be placed at the top of the list, in descending order of seniority. Teachers serving under limited contracts will be placed on the list under continuing contract teachers, also in descending order of seniority.
 2. Seniority will be defined as the total years continuously employed in the Gorham Fayette Local School District.
 - a. Board-approved leaves of absences will not interrupt seniority. Time spent on such leave shall count towards seniority.
 - b. If two or more teachers have the same length of continuous service, seniority will be determined by:
 - 1) the date of the Board meeting at which the teacher was hired; and then by
 - 2) the date the teacher signed his/her initial employment contract in the district; and then by
 - 3) any remaining ties will be broken by lot.
 3. Recommendations for reductions in a teaching field will be made by selecting the lowest person on the seniority list for that area of certification who is currently assigned to a position in that teaching field. A teacher so affected may elect to displace the teacher who holds a lower position on a seniority list for another area of certification. Any such election must be made at the time the teacher is notified he/she will be affected.
 4. Factors other than seniority and contract status may be used to determine those affected by a reduction in force if the Superintendent is able to clearly demonstrate that the use of some other factor is necessary to achieve an educational goal that could not be met by strict adherence to seniority and contract status.

- C. The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list for up to 36 months from the date of the reduction. Teachers on the recall list will have the following rights:
1. No new teacher will be employed by the Board while there are teachers on the recall list who are certified for the vacancies.
 2. Teachers on the recall list will be recalled in order of seniority for vacancies in areas for which they are certificated.
 3. If a vacancy occurs, the Board will send a certified announcement to the last-known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address. All teachers are required to respond in writing to the district office within fourteen (14) calendar days of the postmark. The most senior of those responding will be given the vacant position. Any teacher who fails to respond within fourteen (14) calendar days, or who declines to accept the position, will forfeit all recall rights.
 4. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of the layoff.
- D. The parties agree that these procedures apply only to the suspension of contracts under Section 3319.17 or because of shortage of funds. This article shall not require the Board of Education to fill any vacancies nor shall it interfere with any other lawful professional procedures in the district.
- E. The Association shall be notified of reason(s) for RIF prior to implementation.
- F. The Board shall provide the Association with a list of positions to be eliminated prior to the implementation of RIF.
- G. The Board shall provide the Association with a list of employees to be affected by the RIF prior to implementation.
- H. The Board shall notify the Association thirty (30) days in advance of the RIF implementation date concerning items a. through c. above.
- I. The transfer, reassignment, or job reclassification prior to implementation of RIF that would cause a senior employee to be laid off before a junior employee is prohibited.
- J. Acceptance or rejection of employment as a casual substitute shall not constitute the basis for an employer challenge to an employee's entitlement to unemployment compensation benefits.

ARTICLE XVII. – SAFETY AND HEALTH

It is recognized by both the Board and the Association that safety is a common concern and a common responsibility. The Board will continue to make reasonable efforts to provide safe and healthful working conditions. No employee shall be required to use any equipment which is in an unsafe condition.

ARTICLE XVIII. – STRS PICKUP

The Board of Education shall designate each employee's mandatory contributions to the State Teachers Retirement System of Ohio as "picked-up" by the Board as contemplated by Internal Revenue Service, Revenue Rulings 77-464 and 81-36, although they shall continue to be designated as employee contributions as permitted by Attorney General Opinion 82-097, in order that the amount of the employee's income reported by the Board as subject to federal and Ohio income tax shall be the employee's total gross income reduced by the then current percentage amount of the employee's mandatory State Teachers Retirement System of Ohio contribution which has been designated as "picked-up" by the Board, and that the amount designated as "picked-up" by the Board shall be included in computing final average salary, provided that no employee's total salary is increased by such "picked-up", nor is the Board's total contribution to the State Teachers Retirement System of Ohio increased thereby.

ARTICLE XIX. – SUPPLEMENTAL CONTRACTS

1. The Board of Education shall be permitted to employ a non-certificated non-staff member as Athletic Director for the School District for the duration of the current negotiated agreement.
2. Said rate of pay for this non-certified, non-staff member Athletic Director may be a rate of pay higher than that rate of pay currently provided for said position by Article 19 of the negotiated agreement between the parties, but not to exceed the equivalent of the supplemental pay plus two free periods at the BA minimum.
3. In the event that the School district should decide to fill the Athletic Director position with a certified staff member, in addition to whatever rate of pay currently negotiated and in effect between the parties in accordance with Article 19 of the negotiated agreement, the Board of Education will also provide said bargaining unit member an additional two (2) free periods during the teacher's work day in order to perform Athletic Director duties.

Sick Leave Bank Participation

Name _____

In order to participate in the Gorham Fayette Teacher’s Sick Leave Bank (SLB), I understand that three (3) days of sick leave will be deducted from my accumulated sick leave balance and that I may be assessed at a later date for additional days. I understand that I am eligible to benefit from the SLB if and when there is a need. If days are withdrawn from the sick leave bank and unused I will return the unused borrowed days to the bank.

Each member applying for benefits from the SLB shall agree in writing as follows:

“I specifically acknowledge and agree that the granting of days from the SLB shall be at the sole discretion of the SLB committee. All decisions to the SLB committee will be final and binding and are not subject to grievance. I further agree to abide by such decision and to indemnify and hold harmless the SLB committee, the Gorham Fayette Teacher’s Association and the Gorham Fayette Local Schools.”

When an employee donates days to the SLB, he/she agrees to the rules for administration of the SLB.

This form must be returned to the Committee Chairperson by the conclusion of the open enrollment period.
