Nothing in this Grievance Procedure shall deny Members or the Union any rights available at law to achieve redress of their legal rights arising from a source independent of this Agreement, including the right to file charges with the State Employment Relations Board (herein referred to as SERB) when an agency properly has jurisdiction over the subject matter. However, once a Member or the Union elects to pursue a legal or administrative remedy in lieu of this Grievance Procedure, and a court or administrative tribunal takes jurisdiction over the complaint, dispute, or charge, the Member or the Union is thereafter precluded from seeking a remedy under this Grievance Procedure. Written dues authorizations shall remain in effect until the employee is transferred or promoted to a job classification outside of the bargaining unit.

Section 6.2 –Notice.

Newly hired employees, employees transferred into the bargaining unit, and employees appointed from the classification of Advanced EMT to Paramedic, must complete a probationary

Delaware County EMS and IAEP Local R7-11, 2015-2017 Agreement

period of three hundred sixty-five (365) days. Employees appointed to the classification/rank of Lieutenant must complete a probationary period of one hundred eighty (180) days. The Employer shall have the sole discretion to evaluate the performance of the employee during the probationary period.

All provisions of this Agreement shall apply to new employees in their initial probationary period, or transfer from a non-bargaining unit position, including any extensions of the probationary period, except new and transfer employees may be disciplined, including termination, suspension, etc., and the discipline will not be grievable nor may it be submitted to arbitration by either the employee or the Union.

By mutual agreement, a probationary period may be extended for a period of up to one hundred eighty (180) days for new and transfer employees and employees appointed or promoted to the classification of paramedic.

Section 7.2 – Discharge/Termination, Transfer Out.

Probationary employees may be terminated or transferred back out of the bargaining unit (full-time to part-time), or returned to their former classification (Lieutenant to full-time Paramedic, Paramedic to Advanced EMT), as appropriate, for any reason and at any time prior to the completion of the probationary period. Such action shall not be grievable under the terms of the Agreement or under civil service laws, or otherwise subject to challenge.

ARTICLE 8 - CORRECTIVE ACTION, MAINTENANCE OF CERTIFICATION

Section 8.1 - Discipline for Just Cause.

Employees may be disciplined or terminated for just cause, including: incompetency, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, any failure of good behavior, and any other acts of misfeasance, malfeasance, or nonfeasance. Employees may also be disciplined or terminated for any violation of the Employer's current rules or policies or SOGs or rules or policies or SOGs hereafter put into effect, including violation of the Ethics of County Employment, so long as these policies are not in conflict with other provisions of this Agreement. Nothing in this Article precludes the right of the Employer to terminate or transfer an employee under the provisions of Article 7 - Probation.

Section 8.2 - Punctuality.

Employees shall be present, in uniform, and ready to work at their scheduled starting times and at the assigned work site. The Union recognizes that punctuality of employees is of vital importance.

Section 8.3 - Absence Without Leave.

An employee who is absent for a scheduled work day without leave is subject to the disciplinary policy, beginning with a written reprimand. Three days of unauthorized absences in a two-year period may be cause for termination, regardless of prior discipline.

Section 8.4 - Failure to Return from Leave & Inappropriate Use of Leave.

Failure of an employee to return to work at the expiration of an approved leave of absence shall be considered an absence without leave and shall be grounds for discipline, up to and including termination, in accordance with the regular policy on absences without leave. If the Director or his designee, determines that an employee is using a leave of absence for a purpose other than the purpose for which it was granted, he may immediately revoke the leave of absence, order the employee back to work, and may impose appropriate discipline on the employee, up to and including termination.

Section 8.5 - Forms of Discipline.

Examples of the types of discipline that may be imposed under this Article are: (1) oral reprimand; (2) written reprimand; (3) working (paid) suspension; (4) suspension without pay; (5) forfeiture of earned leave; (6) demotion, reduction in position and/or reduction in pay; (7) termination, or (8) other discipline appropriate to the infraction. If discipline is issued, the Employer will provide the employee written notice of the type of discipline being imposed and the reasons for the discipline. Counseling, evaluations, and performance improvement plans are not deemed or to be considered as discipline.

Section 8.6 –Discipline.

For minor infractions, the principles of progressive disciplinary action will ordinarily be followed. Generally, for a single minor, non-serious infraction, counseling and/or a reprimand will normally precede working suspensions, suspension without pay, reduction in pay, forfeiture of leave, and/or rank, termination, or other discipline appropriate to the infraction. The commission of multiple minor offenses, whether similar or dissimilar in nature, will result in more severe disciplinary action up to termination. The progressive disciplinary action outlined herein is not designed to cover, and cannot be followed in, every situation.

Certain offenses are serious enough to warrant more severe discipline up to and including immediate discharge/termination without regard to previous reprimands or discipline. To this end, the Board of Commissioners and/or the Director reserves the right and discretion to deviate from this progression for offenses which are deemed serious enough to warrant such action. For allegations of a serious nature which may result in a suspension with or without pay, a demotion including a reduction in pay and/or rank, or termination, the County may place a member on administrative leave with pay pending a determination on final disciplinary action, if any.

Section 8.7 - Predisciplinary Process.

Before imposing a reduction in pay, demotion, suspension or removal, the Director or his designee shall hold a conference with the employee to give the employee an opportunity to learn the reasons for the intended disciplinary action and to challenge the reason for the intended action or otherwise to explain his/her behavior. The employee has the right to be accompanied at the conference by one representative of the employee's own choosing. The conference will be scheduled as promptly as possible by the Director or his designee. The Director or his designee may impose reasonable rules on the length of the conference.

If it is determined that the employee's continued employment prior to the conference poses a danger to persons or property or a threat of disrupting operations, the Employer may suspend the employee without pay for up to three days following a preliminary due process hearing and while pending the conference provided for in this Section to determine final disciplinary action. If in such a situation, the Director determines at the conference that no discipline of the employee is appropriate, the employee shall receive back-pay and benefits for the period of suspension without pay.

Section 8.8 - Rules of Conduct.

The Director may issue or modify work rules for employees. The County policies and rules for conduct of County employees apply to employees of this Department. Certain offenses are serious enough to warrant immediate termination without regard to previous reprimands or discipline. Such serious offenses include, but are not necessarily limited to the following:

- a. Theft of or intentional or reckless damage to property of the County or the public;
- b. Theft of or intentional or reckless damage to the property of a fellow employee;
- c. Insubordination towards management personnel or the uttering of threatening or abusive language to management or to the public;
- d. Intoxication, working under the influence or the use of alcohol or an illegal controlled substance while on duty, improper use or possession of illegal controlled substances, or conviction for the sale of any illegal controlled substance at any time, on or off-duty;
- e. Falsification of any County records or employment records;
- f. Physical Violence.
- g. Criminal Convictions: however, pending criminal charges shall not limit the ability of the Employer to discipline the employee for the underlying circumstances or other violations of work rules, policies, and standards of the SOGs.;
- h. Harassment;
- i. Loss of driver's license or otherwise deemed uninsurable by the County's insurance carrier;
- j. Dishonesty.

Section 8.9 - Supersede Civil Service Law, Exclusive Remedy.

Ohio Revised Code Section 124.34 is superseded by this Agreement and the sole and exclusive remedy for an employee wishing to contest a disciplinary action shall be through the grievance

Delaware County EMS and IAEP Local R7-11, 2015-2017 Agreement

procedures of Article 3, except employees terminated under Article 7 - Probation, who shall not have any right to appeal a probationary termination.

Section 8.10 - Discipline Records.

A copy of any record of disciplinary action, which has been placed in the employee's file, shall be provided to the employee at the time of placement. In the event that there is no intervening discipline issued to the employee, the following shall apply:

- a. Documented oral reprimands will cease to have force and effect after twelve months;
- b. Written warnings will cease to have force and effect after twelve months;
- c. Records of suspensions will cease to have force and effect after twenty-four months.

Once discipline has ceased to have force and effect, the original copy of the action will be placed in a "dead file" and kept on record with the Employer as required by the Ohio Revised Code.

Section 8.11 – Maintenance of Certifications and Licenses.

As a condition of continued employment with the County, each member shall obtain, possess and maintain the minimum qualifications established for the member's position, which qualifications for all members currently include, but are not limited to, the following:

Notwithstanding anything to the contrary contained herein, there is no requirement that any member who did not possess, as of August 1, 2011, a paramedic certification obtain certification as an Emergency Medical Technician Paramedic. This provision shall apply only to those employees who were, as of August 1, 2011, only Advanced EMT licensed and certified. Those employees who are Advanced EMT certified and grandfathered by this provision (i.e., not required to obtain EMT-Paramedic certification) must maintain all other certifications and licenses required by this Article and required by the Director and as outlined and provided for in this Article. This provision shall not apply to any new employees hired or transferred into the Department, or employees employed on August 1, 2011, or after who receive their paramedic certification after August 1, 2011. All employees as of August 1, 2011 and any new employees after that date must

Delaware County EMS and IAEP Local R7-11, 2015-2017 Agreement

be and remain fully certified in all licenses and certifications listed above and as may be required by the Employer.

Members shall be solely responsible to maintain and renew all such certifications and licenses. In order to confirm the ongoing validity of a member's Advanced EMT or Paramedic certification, Driver's License and insurability under the County plan, the County reserves the right to examine the certification, licensing status and driving record of a member, and the members shall assist in this examination or sign any authorization which might be necessary to complete the examination.

ARTICLE 13 - STANDARD OPERATING GUIDELINES

Section 13.1 Union Notification. The Director agrees that SOG's shall be provided to the IAEP in advance of their enforcement. (The duty to notify has no effect on the Director's authority to issue SOG's.) SOG's shall not violate this Agreement. Section 13.2 Employee Notice, Posting. Employees shall be notified of new or revised SOGs which notice may be through electronic means, e.g., County intranet. Employees will be responsible to read and acknowledge new or revised SOGs. The Employer will also post by electronic means the current collective bargaining agreement between the parties.

ARTICLE 14 - GRIEVANCE PROCEDURE

Section 14.1 - Intent and Purpose, Good Faith, Informal Resolution.

The grievance procedure is specifically designed to deal with all alleged violations of this contract and it replaces any procedure provided by the State Personnel Board of Review. All matters arising out of this contract are to be processed exclusively through the grievance procedure. Grievances must be filed in good faith. Probationary terminations or removals are not grievable.

All employees are encouraged to informally discuss with their Captain grievances or concerns regarding the interpretation or application of the terms of this Agreement. Such discussions shall not delay or extend the timelines and requirements for filing grievances.

Section 14.2 - Definitions.

a. Grievance:

A "grievance" is a timely written complaint concerning the interpretation or application of the express written provisions of this Agreement.

b. Grievant:

"Grievant" means an employee or the IAEP.

c. Days:

"Days" means calendar (not work) days.

Section 14.3 - Representative.

The grievant is entitled to IAEP representation at any step of the grievance procedure. The availability of the IAEP representative does not affect the running of the timelines at any step of the grievance procedure. An off-duty steward may meet with the grievant to discuss the grievance during the grievant's regular shift.

Section 14.4 - Time Limits.

Any time limit imposed upon the handling of a grievance shall commence on the date of receipt. Time limits may be changed at any step of the grievance procedure by mutual agreement of the grievant and the Employer, which shall be confirmed in writing, which may include email communications.

The timelines imposed on the grievant are to be strictly construed unless the Director expressly extends the timelines in writing. If a grievant fails to meet a timeline, the grievance shall be dismissed. If no decision is rendered by the receiving Captain, Assistant Chief or Director within the applicable time requirements, the grievance shall proceed to the next successive grievance step. If a grievance is not timely pursued to the next step the grievance will be deemed withdrawn.

Section 14.5 - Grievance Procedure.

Step 1. The grievant must file a written grievance with his Captain within seven (7) days of the occurrence giving rise to the grievance. All written grievances, in order to be effective for consideration, shall contain the following: (1) the facts of the grievance; (2) the specific

Delaware County EMS and IAEP Local R7-11, 2015-2017 Agreement

contract provision(s) alleged to be violated; (3) the remedy sought; and (4) the signature of the grievant.

The Captain has seven (7) days from the time the grievance is received from the grievant to reply to the grievant. If the Captain denies the grievance or fails to respond in a timely fashion, the grievant may proceed to Step 2 by submitting the grievance to the Director within seven (7) days after receiving the Captain's decision, or immediately after the seven (7) day period expires.

Step 2. This step begins at the time that the grievance is received by the Director. Section 14.6 - Arbitration

If the parties are unable to satisfactorily resolve the grievance at the final step of the Grievance Procedure and the Local President determines to proceed to arbitration, it may be appealed to a mutually selected arbitrator. Such appeal must be presented to the Director by the IAEP, in writing, within fourteen (14) days from receipt of the Director's response or if the Director fails to respond within the time limits (set forth in Step 2) to the grievance. If the parties are unable to mutually select an arbitrator, the Union may request a list of arbitrators from FMCS, SERB, or AAA. Failing to mutually agree upon an arbitrator from the panel provided, the parties shall strike names alternately, with the parties' right to strike the first name to be determined by a flip of a coin. The parties may, upon mutual agreement, request that the arbitrator mediate the grievance. If the parties are unable to mediate a resolution, the matter shall proceed to arbitration. All decisions reached by the arbitrator shall be final and binding on both parties. If the arbitrator denies the grievance, his fee and expenses will be paid by the IAEP. If the arbitrator grants the grievance, the County will pay the arbitrator's costs.

Employees with higher classifications who are laid off may displace less senior employees in successively lower classifications. Part-time employees within each classification shall be laid-off before any full-time employees in the affected classification. However, if the Director, using ordinary and reasonable discretion, determines that an employee whose seniority entitles him or her to be retained or recalled does not have the ability to perform the available work. The Director need not retain or recall the employee. The Director, in order to determine whether an employee has the ability to perform available work may utilize documentation submitted by the employee or order the employee to be evaluated by a physician, determined and paid by the County.

Section 16.3 - Recall.

If the Department fills part-time positions while full-time employees remain on layoff, the full-time employees on layoff will have the first opportunity for those part-time positions. To be eligible for recall employees must possess the necessary certifications or licenses for their classification.
