- A. The Union agrees that neither it, its officers, agents, representatives, or members will authorize, instigate, cause, aid, condone, or participate in any strike, work stoppage or any other interruption of operations or services of the Employer by bargaining unit members. Section 1. The Employer agrees to payroll deductions of union dues, fees, or assessments in accordance with this Article for all employees eligible for the bargaining unit.

Section 2. The Employer agrees to deduct regular payroll deductions of dues, fees or assessments once each bi-weekly pay period upon the date of issuance of the payroll warrant from the pay of any employee in the bargaining unit upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form, furnished by the Union, must be presented to the Employer by the Union. Upon receipt of the authorization, the Employer will deduct Union dues, fees or assessments from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received.

Section 3. The parties agree that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of union dues, fees or assessments. The Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 4. The Employer shall be relieved from making such individual deductions of dues, fees or assessments upon an employee's: (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; (5) revocation of dues deduction authorization in accordance with the terms and provisions of the payroll deduction form.

Section 5. The Employer shall not be obligated to make deductions from any employee who, during any bi-weekly pay period involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of Union dues, fees or assessments. In the event such deductions are not made, the Employer shall make the appropriate deductions from the following pay period or periods as certified by the Union to the Employer. The Employer is not required to make any partial deductions.

- Section 6.** The parties agree that neither the employees nor the Union shall have a claim against the Employer for errors in the processing of deductions. Corrections shall be made as soon as possible after notification in writing by the Union. If it is found an error was made, it will be corrected at the next pay period that the Union dues deduction would normally be made by deducting the proper amount.
- Section 7.** The rate at which dues, assessments and fees are to be deducted shall be certified to the payroll clerk by the Treasurer of the Union. One (1) month advance notice must be given the payroll clerk prior to making any changes, dues deductions, fees or assessments.
- Section 8.** All bargaining unit employees who are not members in good standing of the Union shall be required to pay a fair share fee to the Union as a condition of continued employment. All bargaining unit employees who do not become members in good standing of the Union shall be required to pay a fair share fee to the Union effective sixty-one (61) days from the employee's date of hire or the date of execution of this Agreement, whichever is later as a condition of employment. The fair share fee amount shall be certified to the Employer by the Union. The deduction of the fair share fee from any earning of the employee shall be automatic and does not require a written authorization for payroll deduction. The deduction of fair share fees will not be made until the Employer receives written notice to begin deductions from the Controller of Ohio Council 8. Payment to the Union of fair share fees deducted shall be made in accordance with the regular dues deductions as provided herein. The payment will be accompanied by an alphabetical list of the names, social security numbers and current addresses of those employees for whom a deduction was made and the amount of the deduction. The Union represents to the Employer that it has prescribed and shall maintain in force throughout the term of this Agreement an internal procedure to determine a rebate, if any, of any such fair share fee to non-Union employees which conforms to the Federal and State Law, as required, pursuant to the provision of Section 4117.09(C) of the Ohio Revised Code.
- Section 9.** The Employer agrees to remit an alphabetical list of the names, social security numbers and current addresses of employees for whom a deduction was made and the amount of the deduction along with a check in the aggregate amount of the deduction to the Comptroller of AFSCME, Ohio Council 8, 6800 North High Street, Worthington, Ohio, 43085-2512, within fifteen (15) days of the payroll date of dues deduction. A copy of such warrant and the aforementioned lists of employees shall also be forwarded to the Treasurer of Local 959 and Ohio Council 8, Akron Regional Office, 1145 Massillon Road, Akron, Ohio, 44306, during the same period.

ARTICLE 7 - NON-DISCRIMINATION

- Section 1.** Neither the Employer nor the Union shall discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, national origin, political affiliation, marital status, or disability or handicap, which does not interfere with

the ability to perform the functions of the job. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement.

- Section 2.** Where an employee alleges discrimination as a member of a protected classification under Title VII of the Civil Rights Act of 1964, as amended, he shall not seek redress through the grievance procedure outlined in this Agreement.
- Section 3.** All references to employees in this Agreement designate both sexes, and wherever the male gender is used it shall be construed to include male and female employees.
- Section 4.** Neither the Employer nor the Union shall discriminate against, interfere, restrain or coerce any employee because of membership or non-membership in the Union; nor interfere in any way with the right of an employee exercising the right to abstain from membership or involvement in lawful Union activities.
- Section 5.** During the process to identify a reasonable accommodation, the employee has the right to have Union representation, if he or she chooses. Any medical information discussed during this process shall be held in the strictest confidence between the parties.
- Section 6.** The Employer will notify the Union in advance of any reasonable accommodation it proposes to make. The notice will include information about the accommodation. If the Union wants to discuss the proposed accommodation, it will give the employer a written request for a meeting to discuss the matter within five (5) working days of receipt of the notice. This meeting must be held before any accommodation is made.

ARTICLE 8 - WORK RULES

- Section 1.** The Union recognizes that the Employer, under this Agreement, has the right to promulgate reasonable work rules, regulations, policies and procedures, to regulate the personal conduct of employees, and the conduct of the employees' services and programs. The Union and/or employees reserve the right to grieve the reasonableness of work rules, regulations, policies and procedures or those which violate this Agreement.
- Section 2.** At least five (5) working days prior to implementation of any new or reused work rule, regulation, policy or procedure which affects members or the bargaining unit, the Employer shall post a copy and forward a copy to the President of the local Union or his designee.

ARTICLE 9 - BULLETIN BOARDS

Section 1. The Employer agrees to provide space and bulletin boards in agreed-upon areas of each facility in which bargaining unit employees are assigned, for use by the Union at no charge. Boards are to be maintained in a neat and orderly manner.

Section 2. All Union notices which appear on the bulletin boards shall be signed, posted, and removed by the local Union President or his designee or stewards during non-work time. Section 3. No Union related materials of any kind may be posted anywhere in the Employer's facilities or on the Employer's equipment except on the bulletin boards designated for use by the Union.

Section 4. If the Employer believes there has been an alleged violation of the provisions of this Article, the Employer shall direct the responsible Union Representative to remove the document in question and such determination shall not be arbitrary.

The Union may request a meeting to discuss the issues if the Union is in disagreement with the determination of the Employer, or may file a grievance.

ARTICLE 10 - DISCIPLINARY PROCEDURE

Section 1. No form of disciplinary action will be taken against any employee except for just cause.

Section 2.

- A. Except in instances where the employee is found guilty of a dischargeable offense, discipline will be applied in a corrective, progressive and uniform manner.
- B. Progressive discipline shall take into account the nature of the violation, the employee's record of discipline and the employee's record of conduct.
- C. Discipline will be initiated within thirty (30) calendar days following the Employer's awareness of the event giving rise to the discipline.

Section 3.

- A. Whenever the Employer determines that an employee may be disciplined, a pre-disciplinary hearing shall be scheduled by the Employer. If the amount of discipline recommended is five (5) or more days suspension with loss of wages, this hearing may be scheduled through the Ohio Council 8 offices to allow the Union Staff Representative an opportunity to be present if requested by the Local Union. No less than five (5) working days prior to the scheduled meeting with the employee, the Employer shall submit written notice as to the exact charges, a statement of facts concerning the charges, a list of witnesses and any evidence, which shall be presented in such detail as enables the employee and the Union to prepare a defense, to the employee with a copy to the Union Staff and Union President. The employee shall be entitled to Union representation, and the Union shall have the right to be present at such meeting provided such employee requests union representation, which representation shall be a maximum of two (2) individuals consisting of any combination of Union officials with Union Staff. Further, if the employee does not request Union representation, the employee shall not be allowed representation by any other individual and/or organization except as required by law. In the event the issue is not resolved between the parties, the Employer may proceed with disciplinary action by serving proper notice upon the employee and the Union following such pre-disciplinary hearing.
- B. An employee may waive his right to such a pre-disciplinary conference by completing the form attached hereto as Appendix B.

- C. All hearings and questioning of an employee facing possible disciplinary action and/or witness shall be held during regular working hours without loss of pay. If questioning of an employee facing possible disciplinary action is held prior to a hearing, the employee may be represented by one Union Staff Representative and/or one Local Union official. The Local Union official may be present during such questioning without loss of pay.
- D. At the pre-disciplinary hearing, the Hearing Administrator will ask the Employer or his/her representative to respond to the allegations which were submitted to the employee. After the Employer responds, the employee or his representative may respond to the allegations presented by the Employer and which were submitted to the employee.
- E. The Employer, the employee or his representative may present any testimony, witnesses, or documents as to the allegations. The employee, the Union, and the Employer shall provide a list of witnesses to each other as soon as possible prior to the pre-disciplinary conference.
- F. The employee or his representative will be permitted to confront and cross-examine witnesses. A written report will be prepared by the Hearing Administrator concluding as to whether or not the alleged charges should be supported, modified or withdrawn. A copy of this report will be provided to the employee and Union representative present at the hearing within five (5) days following the hearing.
- G. Pre-disciplinary conference will be held by a neutral administrator, who will be selected by the Employer. Any charges or costs thereto shall be paid by the Employer.
- H. The Employer shall decide what discipline, if any, is appropriate following receipt of the report of the Administrator.
- I. Decision of the Employer may be appealed by filing a grievance at Step 4 of the grievance procedure within ten (10) working days of receipt of the order of discipline.

Section 4. Records of disciplinary action shall have force and effect according to the following schedule based on severity of offenses, provided there have been no intervening disciplinary actions taken during the same time period.

Oral Warnings	9 Months
Written Warnings	12 Months
Suspension of less than 5 days	18 Months
Suspension of 5 days or more	24 Months

Section 5. The Employer agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner.

ARTICLE 11 - GRIEVANCE PROCEDURE

Section 1. The grievance procedure is a formal mechanism intended to assure that employee grievances arising from those misunderstandings that will inevitably develop in the day-to-day activities of public service are promptly heard, answered and appropriate action taken to correct a particular situation.

Section 2. The term "grievance" shall mean an allegation by a bargaining unit employee or union that there has been a breach, misinterpretation or improper application of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement, nor address matters not covered by this Agreement.

Section 3. A grievance under this procedure may be brought by any member of the bargaining unit. Where a group or the bargaining unit members desire to file a grievance involving, a situation affecting each member in the same manner, one member selected by such group will process the grievance.

Section 4. All grievances must be processed at the proper step in the progression in order to be considered at the subsequent step. Any grievance that is not timely appealed to the next step of the procedure will be deemed to have been settled on the basis of Management's answer at the last completed step.

Any grievance not answered by Management within the stipulated time limits shall be considered to have been answered in the negative and may be appealed to the next step or the grievance procedure. Management shall not establish a practice of not answering grievances.

Section 5. The written grievance shall be submitted on the grievance form attached as Appendix C, and shall contain the following information:

- A. aggrieved employee's name;
- B. aggrieved employee's classification;
- C. name of employee's immediate supervisor;
- D. date and time of incident giving rise to grievance;
- E. date and time grievance was first discussed;
- F. date grievance was filed in writing at Step 1;
- G. a statement as to the specific Articles and Sections of the Agreement violated;
- H. a brief statement of the facts involved in the grievance;
- I. the remedy requested to resolve the grievance.

Section 6. The time limitations provided for in this Article may be extended by mutual agreement between the Employer and the Union; working days as used in this Article, shall not include Saturdays, Sundays or holidays.

Section 7. Each grievance shall be processed in the following manner:

Step 1.

An employee having a grievance will first bring that complaint verbally, within two (2) working days of the incident giving rise to the grievance to the attention of the employee's supervisor. The supervisor shall discuss the grievance with the employee and within twenty-four (24) hours of their discussion respond to the employee with an answer.

If the employee is not satisfied with the response given by the supervisor, the employee shall within three (3) working days reduce the grievance to writing on the agreed form and submit it at Step 2.

Step 2.

The supervisor within three (3) working days of receipt of a written grievance shall respond in writing to the grievance. All Step 2 grievances shall be submitted on the grievance appeal form attached to this Agreement as Appendix C. This form must be completed so that the nature of the grievance, the Article and Section of this Agreement allegedly violated, the statement of facts leading to the grievance, and the relief requested is clearly stated. Prior to this response, the supervisor shall make a complete and thorough investigation of all the allegations contained in the grievance. The supervisor shall provide the employee and the union representative with his written response to the grievance within the three (3) working days. If an employee is not satisfied with the written response from the supervisor, the employee or union may within three (3) working days pursue the grievance to Step 3 of the procedure.

Step 3.

The Sanitary Engineer or his designee within five (5) working days of receipt of a written grievance shall schedule a formal meeting with the Employee filing the grievance and the Union staff. Prior to this meeting taking place, the Sanitary Engineer or his designee shall make a complete and thorough investigation of all the allegations contained in the grievance. Within ten (10) working days after the meeting, the Sanitary Engineer or his designee shall provide the Employee and Union Staff official in attendance with his written response to the Grievance.

Step 4 – Arbitration

If the grievance is not satisfactorily settled in Step 3, the Union may submit the grievance to final and binding arbitration by giving notice to the Employer within ten (10) working days from receipt of the Sanitary Engineer's written response.

Within twenty (20) working days of the notice to arbitrate given to the Employer, the Union shall submit such grievance to the Federal Mediation and Conciliation Services (FMCS) by requesting a list of seven (7) arbitrators, with a copy of such request forwarded to the Employer as noted on FMCS required form, on date of mailing. In the event the grievance is not referred to final and binding arbitration within the time limits prescribed, the grievance shall be considered resolved based upon the third step reply of the Employer.

Upon receipt of the list of seven (7) arbitrators, the parties shall meet or converse by telephone to select an arbitrator within ten (10) working days from the date the list is received. Prior to striking, either party shall have the option to reject the list of names provided by the Federal Mediation and Conciliation Service and request another list. Each party may make only one (1) rejection.

The parties shall use the alternate strike method from the list of seven (7) arbitrators submitted to the parties by the Federal Mediation and Conciliation Service. The parties alternately by case shall be the first to strike a name from the list, and then the other party shall strike a name and alternate in this manner until one name remains on the list. The remaining name shall be designated as the arbitrator to hear the dispute in question. All procedures relative to the hearing shall be in accordance with the rules and regulations of the Federal Mediation and Conciliation Service, and this Agreement.

The arbitrator shall hold the arbitration hearing within one hundred eighty (180) days and issue his decision within sixty (60) days thereafter for any arbitration that does not involve an employee termination. In the event that the arbitration involves an employee termination, the arbitrator shall hold the arbitration hearing within one hundred fifty (150) days and issue his decision within sixty (60) days thereafter. The arbitrator shall limit his decision strictly to the interpretation, application, or enforcement of those specific articles and/or sections of this Agreement in question. The arbitrator's decision shall be consistent with applicable law.

The arbitrator shall not have the authority to add to, subtract from, modify, change, or alter any provision of this Agreement; nor add to, subtract from, or modify the language therein in arriving at his determination on any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself to the precise issues submitted for arbitration and shall have no authority to determine any other issues not submitted to him or to submit observations or declarations of opinion which are not directly essential in reaching a decision on the issue in question.

The arbitrator shall be without authority to recommend any right or relief on an alleged grievance occurring at any time other than the contract period in which such right originated or to make any award based on rights arising under any previous Agreement. The arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement.

The decision of the arbitrator shall be final and upon the Union, the Employee, and the Employer. Any cost involved in obtaining the list of arbitrators shall be equally divided between the Employer and the Union. All costs directly related to the services of the arbitrator shall be shared equally by the parties unless either party should request a postponement to a scheduled arbitration hearing, the party requesting the postponement will bear the total cost associated with the postponement including any costs the opposing party has due to the postponement unless otherwise agreed upon in writing. Expenses of any non-employee witnesses shall be borne by the party calling the witness. The fees of court reporters shall be the party asking for one; such fees shall be split equally if both parties desire a court reporter's recording, or request a copy of any transcript.

Any employee may have one (1) employee Union representative accompany him in Step 1 and Step 2 of the procedure, and up to two (2) employee Union representatives at Step 3 and one (1) non-employee Union official. The employee may have two (2) employee Union officials accompany him in Step 4, in addition to any non-employee Union officials. Employee representatives, necessary witnesses, and grievant(s) will lose no straight time pay as a result of meetings with the Employer or Arbitrator at any step of the grievance procedure.

Where an employee does not elect to be represented by the Union at any step of the grievance procedure excluding Step 4, the Union shall have the right to have presented no more than two (2) Union Representatives at any grievance meeting without intervening. All grievances presented under such circumstances shall be resolved consistent with the terms and provisions of this Agreement.

Section 8. The union may file a policy and/or group grievance which affects bargaining unit employees or the Union or regards the award of any previous arbitration case, by filing such grievance directly at Step 3.

Section 9. The Union shall have the right to withdraw or settle any grievance, at any step of the grievance procedure with the Employer.

ARTICLE 12 - PROBATIONARY PERIODS

Section 1. The probationary period for all new hires in classifications covered by this Agreement shall not exceed one hundred twenty (120) calendar days and shall begin on the first day which the employee receives compensation from the Employer. New hires shall have no seniority during probationary periods; however, upon completion of the probationary period seniority shall start from date of hire.

Section 2. Newly hired probationary employees who are terminated shall not have recourse through the grievance procedure.

Section 3. Employees promoted to higher classifications are subject to a qualifying period of ninety (90) calendar days, and as further provided under Article 14.

Section 4. The Employer will furnish the Union a list of new hires showing name, address, date of hire, social security number, starting rate, department and classification within one (1) week of this hiring. The Employer shall also furnish this same information to the Union within one (1) week of the event, for employees who have completed this probationary period, been terminated, promoted or transferred.

ARTICLE 13 - SENIORITY

Section 1. Seniority shall be computed on the basis of continuous service with the Employer. A termination of employment lasting less than thirty-one (31) days shall not constitute a break in service. Once service is broken, unless the employee is reinstated under the provisions of this Agreement, the employee loses all previously accumulated seniority.

Section 2. New hires shall have no seniority during their probationary period of employment. However, upon completion of the probationary period, seniority shall be computed from last date of hire.

Section 3. An approved leave of absence does not constitute a break in continuous service provided the employee follows the proper procedure for such leave and returns to active service immediately following the expiration of the approved leave or as otherwise provided in leave of absence provisions of this Agreement.

Section 4. Employees laid off shall retain their seniority for a period of eighteen (18) months from the date of layoff.

Section 5. Any bargaining unit employee who hereafter is promoted or transferred to a job outside of the bargaining unit shall retain such seniority as is provided in this Agreement, but he/she shall not accumulate additional seniority after the date of said promotion or transfer.

If the Employer should return an employee to a job within the bargaining unit, his/her name shall be restored to the seniority list with seniority to be determined according to this Article.

Any employee hired directly into a job outside the bargaining unit and/or an incumbent employee who is in a position outside the bargaining unit as of the effective date of this Agreement, shall not be entitled to seniority preference or provisions of seniority under any section of this Article, but shall instead be placed at the bottom of any seniority list for his/her bargaining unit classification.

Section 6. The Employer shall post a seniority list within thirty (30) days after the signing of this Agreement and once every twelve (12) months thereafter on the Union bulletin boards showing date of service, classification, and rate of pay. One (1) copy of the seniority list shall be forwarded to the Union President or his designee. Once the seniority list has been posted, employees shall have fifteen

(15) days in which to challenge the information contained therein. Such challenges shall be made to the Employer in writing. Any information which is not altered as a result of an employee challenge shall be considered final.

Section 7. With the exception to accretions of classifications to the bargaining unit, an employee(s) of the County who is employed outside the bargaining unit, who becomes employed in bargaining unit covered classifications, shall be considered as a new employee for purposes of seniority under provisions of this Agreement.

Such employee shall retain total County seniority only for purposes of retirement accrual, sick leave accrual and vacation accrual.

ARTICLE 14 - VACANCY, PROMOTIONS, AND TRANSFER

Section 1. Whenever the Employer determines that a permanent vacancy exists in the bargaining unit, or a new job classification is created and included in the bargaining unit, a notice of such vacancy shall be posted on the employee's bulletin board for seven (7) working days. During the posting period, anyone wishing to apply for the vacant position shall do so by submitting a written application to the Employer through the office manager. The written application is attached herein as Appendix D. The Employer shall not be obligated to consider any applications submitted after the posting date or who do not meet the minimum qualifications for the job.

The "Notice Of Vacancy" shall contain the following information:

- A. Classification and position.
- B. Facility where the vacancy exists.
- C. Division and the immediate supervisor.
- D. Pay range and base wage.
- E. Qualifications for the job as established and consistently applied by the Employer.
- F. A brief description of the job duties.
- G. Effective date and expiration date of the posting.

For employees who may be on vacation, sick leave or other authorized leave of absence, and during such absences a vacancy is posted, the Engineer shall consider and accept such bids, provided such employee submits a bid or application for a vacancy that may exist, or for any job the employee wishes to bid on for future consideration by the Employer before leaving on such authorized absences.

Section 2. Nothing in this article shall be construed to limit or prevent the Employer from temporarily filling a vacant position from the bargaining unit for a ninety (90) day period of time, pending the Employer's determination to fill the vacancy on a permanent basis.

Section 3. For instances where an employee is on a leave of absence or medical leave, the Employer may temporarily fill the vacancy for the period of the absence or leave up to one hundred eighty (180) days.

Section 4. All timely filed applications shall be reviewed based on the following criteria to determine the best-qualified applicant:

A. Work History

1. Past performance in present job
2. Aptitude and/or familiarity with the required duties of the new position
3. Disciplinary record
4. Attendance record

B. Education Background and Experience

1. Outside training and experience
2. Inside training and experience

C. Physical and Medical Capability

If two or more employees have bid and meet the minimum qualifications and are substantially equal in meeting the criteria outlined above, the seniority shall govern in the awarding of the position.

Section 5. Once the selection has been made, the Employer will notify all applicants and the Union President, or his designee of the selection.

Section 6. The Employer shall give first consideration to those timely filed applications of employees who are in the same classification of the vacant position and then to any senior incumbent employees in the bargaining unit who are qualified to perform the work (including the operation of all equipment pertaining to that vacancy), and are, therefore, requesting a lateral transfer to the vacant position.

Section 7. The term promotion, for purposes of this Agreement, shall mean the act of placing an individual in a position within the bargaining unit which carries a higher salary range than that previously held.

- Section 8.** The position shall be awarded to the individual who best meets the criteria outlined in Section 4. If an employee is selected, he shall be compensated at the appropriate rate on completion of his probationary period in the new position, if a promotion is involved. If a promotion is involved, the employee will receive the probationary rate for that position or their former rate of pay, whichever is greater, during the probationary period. Employees who are "bidding down" shall have their salary reduced to the appropriate rate upon transfer to the new position. An employee that has filled a position pursuant to Article 16 for ninety (90) consecutive calendar days within six (6) months of being awarded that position shall be paid at the regular salary rate, and shall not be required to be paid at the probationary rate even though they will be required to serve the probationary period.
- Section 9.** If two (2) or more employees are considered by the Employer to be substantially equal in meeting the criteria outlined in Section 3 above, then seniority shall govern in the awarding of the position.
- Section 10.** If no employee is qualified for the position or no employee submits a bid for the position, the Employer shall fill the position from an eligible list, if one exists, or from those applicants outside the agency.
- Section 11.** An employee will be required to complete a ninety (90) day promotional probationary period. If the employee job performance is not satisfactory at the conclusion of the probationary period, he shall be returned to his previous position.
- Section 12.** Unless approved by the Employer, any employee will be limited to one (1) transfer in a twelve (12) month period.

ARTICLE 15 - LAYOFF AND RECALL

- Section 1.** In any case of an anticipated layoff of bargaining unit employees, by the Employer, the Employer shall notify the Union of impending layoff as far in advance as possible prior to service of notice of employees. The Employer and the Union shall meet to discuss possible alternatives and the impact of the lay-off on bargaining employees and to furnish the Union supporting documentation and adequate information and verification supporting any layoffs.
- Section 2.** The Employer may lay employees off for reasons of lack of work, lack of funds, or reorganization. Affected employees shall receive written notice of layoff and reasons thereto at least fourteen (14) calendar days prior to the effective date of layoff. The notice shall advise the employee of bumping rights. The President of the Union or his designee shall be forwarded a copy of all layoff notices served on any employee the day of mailing or personal service.
- Section 3.** The Employer may determine in which classifications layoffs will occur. Layoffs shall occur in the following order in the classifications effected:

- A. Seasonal, temporary employees;
- B. Casual employees;
- C. Student employees;
- D. Part-time employees;
- E. Probationary employees;
- F. Permanent employees in the inverse order of their seniority as defined by this agreement.

Section 4. An employee receiving notice of layoff shall have five (5) working days following receipt in which to use his seniority to exercise his right to bump any employee with less Employer seniority in the same classification and then to a lower rated position within the same classification series and then to a pool position, provided the more senior employee does possess the skill, ability and qualifications to perform the work as determined by the Employer. An employee who bumps into a lower rated position will be compensated at the lower rate of pay and benefits.

Any employee who is bumped from his position shall five (5) working days in which to exercise his bumping rights in a similar manner. Any employee who does not have sufficient seniority and/or skill, ability and qualifications as determined by the Employer to bump another employee within the same classification series, shall be laid off and placed on the appropriate recall list. The form for "Notice of Bumping" is attached hereto as Appendix E.

Section 5. When employees are laid off, the Employer shall create and maintain a recall list for each classification. The Employer shall recall employees from layoff within each classification as needed. The Employer shall recall such employees according to Employer seniority, beginning with the most senior employee in the classification and progressing to the least senior employee up to the number of employees to be recalled to any classification where the employee has the skill, ability and qualifications to perform the work as determined by the Employer, and employees shall be on recall for a period of eighteen (18) months. The President of the Union or his designee shall be forwarded a copy of all recall lists and a copy of all changes and amendments thereto at the time of posting and as changes, amendments are made by the Employer.

In the event an employee refuses recall to a classification other than that from which he was laid off, such employee shall not lose recall rights for the original classification. However, if said refusal is for a recall to the employee's original classification, such employee shall be removed from the recall list.

Section 6. Notice of recall shall be sent to the employee by certified or registered mail with a copy to the Union. The Employer shall be deemed to have fulfilled its obligations

by mailing the recall notice by registered mail, return receipt requested, to the last mailing address provided by the employee.

Section 7. The laid off employee shall have up to ten (10) calendar days after receipt of the recall notice or fourteen (14) calendar days after postmark of notice of recall, whichever date occurs first, in which to report for duty, unless a different date for returning to work is otherwise specified in the notice or agreed to by the Employer and employee.

In the event of extenuating circumstances such as illness, injury or other good cause preventing the employee from returning or giving notice within the time limit above, the Employer may grant a reasonable extension not to exceed thirty (30) calendar days. In the event such illness or injury precludes an employee from returning to work within the time limit above (including extension), such employee shall be by-passed for recall, but shall remain on the recall list.

Section 8. In the event there is a tie in seniority dates, then seniority shall be determined by the time stamped on the employee's application with the Employer. If no time stamp exists, then seniority order shall be determined by the flip of a coin, or if more than two (2) employees are involved, by a draw of numbers.

Section 9. When an employee is laid off improperly or not recalled properly, he shall be entitled to back wages and benefits, less any wages and unemployment benefits earned, if any, and otherwise shall be made whole, retroactive to the date a signed grievance was filed with the Employer.

ARTICLE 16 - TEMPORARY TRANSFERS

- Section 1.** Employees who are temporarily assigned to work in a lower classification shall continue to receive the rate of pay for their permanent classification.
- Section 2.** Employees who are temporarily assigned to classifications above their permanent classification for a period of at least two (2) hours shall receive the rate of the higher classification, except in case of assignment in a higher classification in which specific licensing or certification is required, and such employee has not obtained all required licensing or certification, in which event the employees will receive one-half the difference between their regular rate and the higher rate. Multiple employees will not be assigned to a single job for the purpose of avoiding the two (2) hour period.
- Section 3.** Employees that are assigned to work eight (8) hours in a classification above their permanent classification on the day immediately preceding and after the holiday shall receive the higher rate of pay for the holiday.
- Section 4.** An employee who is temporarily assigned to a lower classification shall be paid at the higher classification rate in addition to the stipend applicable for the current license that they possess as set forth in Article 27 Section 3.

ARTICLE 17 - HOURS OF WORK/OVERTIME

- Section 1.** This Article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the Employer from restructuring the normal work day or work week for the purpose of promoting efficiency or improving services; from establishing the work schedules of employees; provided, however, that such restructuring shall not be done in an arbitrary manner nor for the purpose of avoiding the payment of overtime. This Article is intended to be used as the basis for computing overtime and shall not be construed, as a guarantee of work per day or per week.
- Section 2.** The standard work week for all full-time employees covered by the terms of this Agreement shall be forty (40) hours. The work week shall be computed between 12:01 a.m. on Thursday of each calendar week and at 12 o'clock midnight the following Wednesday. The calendar week shall consist of five (5) consecutive workdays and two (2) consecutive days off. The standard work day starting and quitting times shall normally begin between 7:30 and 8:00 a.m. and end 4:00 and 4:30 p.m., Monday through Friday with the exception of Radio Operators whose standard work day starting and quitting times shall begin and end according to the following shift schedules: 7:30 a.m. to 3:30 p.m.; 3:30 p.m. to 11:30 p.m.; 11:30 p.m. to 7:30 a.m. by current rotating schedule.

Section 3. When an employee is required by the Employer to be in active pay status for more than forty (40) hours in a week as defined in Section 2 above, he shall be paid overtime pay for all time worked in excess of the forty (40) hours, or in excess of eight (8) hours per day. Overtime pay shall be paid at the rate of one and one-half times the employee's regular hourly rate of pay. Hours earned on holidays, vacation and personal leave days shall be considered hours worked for the purpose of computing overtime. Premium may be paid only once for any hours worked (no pyramiding). An employee who has been on vacation, sick leave, bereavement leave, or any other authorized leave shall not be called for overtime until he has worked his regularly scheduled shift.

Section 4. Each employee (except dispatchers) shall be granted a meal period of forty-five (45) minutes during each regular work shift as scheduled by the immediate supervisor and shall be paid for fifteen (15) minutes of such meal period. Those employees required to remain on duty during their meal period shall have the meal period considered as part of their standard work day schedule and shall be required to remain on the Employer's premises during the meal period.

Section 5. Opportunity to work overtime shall be distributed and rotated as equally as practicable among employees in the same job classification in the same work section starting with the employee with the least number of overtime opportunities previously offered or worked, provided the employee is qualified to perform the specific overtime work required.

The Employer shall post an overtime roster on appropriate bulletin boards once each month indicating the total opportunities offered and/or worked by each employee.

If any employee establishes that he has not received his fair share of overtime opportunities, such employee shall receive preference for future overtime assignments for which he is qualified. It is agreed where special skills are required, employees possessing such skills shall be assigned to the overtime work involved.

On call opportunities shall not be computed under this section.

Section 6. Two (2) crews consisting of two (2) employees each from the Maintenance Department shall be annually assigned to "on call" status weekly on a rotating basis during other than normal business hours for the purpose of performing unscheduled work during such hours. One crew will be composed of a member from the electrician pool and one from the laborer pool. The other crew will be composed of a member of the equipment operator pool and one from the laborer pool. Laborers will be called in alternately for on-call assignments except in cases where the supervisor on-call deems it necessary for reasons of efficiency to retain and utilize a previously called laborer for a subsequent on-call assignment utilizing the same crew. Each crew shall be filled by employees determined qualified by the Employer to perform electrical work, equipment operator work, and laborer work, from the classifications of Electrician, Equipment Operator,

Wastewater Plant Operator 1 or 2, Wastewater Plant Aide, Maintenance Mechanic, Tool & Parts Technician and Laborer. Such employees who are required to remain "on call" will be supplied with electronic equipment (maintained by the Employer) so they can be reached at all times and must be able to arrive at the Employer's premises within thirty (30) minutes, except those living beyond a thirty (30) minute portal to portal drive, after being called in for work. Failure to comply with these requirements will result in forfeiture of on-call pay and appropriate disciplinary action. Employees required to remain "on call" shall be paid according to the schedule below for each "on call" day they are assigned, shall receive a minimum portal to portal two (2) hour pay for each call-out and shall be compensated at a rate of one and one-half (1½) times the employee's hourly rate specific in their classification for all hours and in addition to holiday pay if applicable, of each call-out. The number of employees called out will be no less than two for each call-out.

On-call pay schedule: \$25.00 per on-call day.

An employee who is passed over for on call due to an error made by Employer shall receive an additional \$25.00 in addition to being granted the next two available on call opportunities during their current assignment.

The Water Works Technician shall be subject to call out in the case of an after hour call related to water. He shall receive the on-call stipend in addition to payment for the water call out. In case the Water Works Technician is not available for a water call, the water call shall be offered (1) to the Laborers within the Water Department who hold a water distribution license by seniority; (2) to the remaining Laborers in the Water Department by seniority; (3) be subject to the provisions of Article 18 Section 3.

Section 7. An employee assigned to "on call" status may trade days with an employee who is determined to be qualified by the Employer upon giving no less than twenty-four (24) hour notice to the Employer. Once accepted, the accepting employee has full responsibility for the on-call assignment. An assigned employee trading days is responsible for furnishing the substitute employee with the electronic equipment assigned to such employee. Employees on vacation, sick leave, bereavement leave, or other authorized leave, shall not be assigned to "on-call" status.

When an employee assigned to "on call" cannot complete the assignment due to an approved personal emergency or department policy, the "on call" assignment shall go to the least senior qualified employee available who shall accept the "on call" status until the next regular workday.

Newly hired or current employees who are promoted, transferred or demoted to a classification eligible for on call shall not be placed on the on call schedule until such time as the posting of the annual schedule.

Section 8. Notwithstanding the provisions of working hours, work week herein, the following provisions pertain to Construction Inspectors:

- A. Inspectors will report on a daily basis to the Inspection Office for their daily work assignments. If inspection work is not available for all Inspectors, and if the Maintenance Supervisor or his designee confirms that work in the department is available, unassigned Inspectors will report to the Maintenance Department designee for work. Reporting time by Inspectors to Maintenance Department will be 8:15 a.m. if inspector work materializes after 8:15 a.m., the Inspectors will be reassigned to that work. If an Inspector is assigned work in the maintenance area, such Inspector has no option with respect to accepting the work.
- B. Inspectors must dress accordingly. If no work is available in the Maintenance Department, unassigned Inspectors will be sent home.
- C. When Inspectors are assigned to the Maintenance Department and do the work of that department, they will be under the supervision of the Maintenance Supervisor or his designee. All work rules, regulations, orders, etc. of the Maintenance Supervisor or his designee, will be complied with. It is understood that the work done by Inspectors in the Maintenance Department will be primarily laborer's work.
- D. When working in the Maintenance Department, Inspector's private vehicles will be parked on the Sanitary Engineering Department lot. Transportation of personnel to and from the garage will be by County vehicles.
- E. When an Inspector is assigned to an inspection site, and when his work at such site is completed, the Inspector will then report to the Inspection Supervisor who shall inform him whether there is other inspection work. If no such work is available, he shall then report to the Maintenance Department for assignment of work there for the remainder of the day. If no maintenance work is available, the employee will report to the Inspection Office for the remainder of the day.

ARTICLE 18 - REPORT AND CALL-IN PAY

Section 1. An employee, who reports to work and has not been advised not to report due to inclement weather, equipment breakdown, lack of working materials, or other reasons not in the control of the Engineer, shall be guaranteed two (2) hours pay. An employee who begins work and is furloughed for the remainder of the work day shall be paid for all hours worked or for four (4) hours, whichever is greater. The provisions of this section shall not be arbitrarily and/or unreasonably applied by the Employer.

- Section 2.** Whenever an employee is called to work outside his regular work day hours, which do not abut his regular shift, he shall be paid portal-to-portal pay, with a guaranteed minimum two (2) hours overtime pay. When an employee who is not on-call is still on the premises after completing scheduled work and is called to work, he shall be paid a guaranteed minimum of one (1) hour. On-call employees shall be paid pursuant to Article 17 Section 6 of this Agreement.
- Section 3.** Overtime for those employees who are not on-call shall be voluntary and employees shall not be required to work except where adequate employees do not agree to work the necessary overtime and further provided under those conditions, employees shall be scheduled or called-in beginning with the least senior employee(s) in the classification(s) needed.

ARTICLE 19 - JOB DESCRIPTION

- Section 1.** Employer shall maintain accurate position descriptions for each classification in the bargaining unit. Employees and the Union shall have access to such description at reasonable times mutually agreed to by the Employer and Union for the purpose of review. If a copy is requested, one (1) copy shall be provided at no charge.
- Section 2.** Should any employee or the Union believe that the position description for his classification does not accurately reflect the duties of the classification, the employee or Union may request a review by the Employer. Such review shall be limited to once per year per employee.
- Section 3.** All affected employees and the Union shall receive a copy of any position description which alters the duties of employees in the bargaining unit, or establishes new positions within the bargaining unit not recognized under Article 2 herein.
- Section 4.** The Employer shall establish a wage base and position description for any new classification in the bargaining unit based upon an appropriate differential from existing positions. Should the Union disagree with the wage rate established, the Employer and Union shall discuss the establishment thereof. The Union or affected employees may take disputes regarding wage rates and job descriptions for new positions directly to Step Three (3) of the grievance procedure and the provisions thereto.

ARTICLE 20 - UNION LEAVE

- Section 1.** Duly elected or appointed delegates to conventions or conferences or seminars of the Union who are in the bargaining unit shall be granted time off without pay for the purpose of participating in such conventions and activities. In lieu of credited

time off without pay, said employees may elect to take approved vacation leave for such meetings. The employee, where possible, must request such time off fourteen (14) calendar days prior to any such meeting to the Employer. Such leave shall not exceed a total of ten (10) working days per calendar year for the unit.

ARTICLE 21 - SICK LEAVE/PERSONAL LEAVE

Section 1. Crediting of Sick Leave.

Short-term sick leave credit shall be earned at the rate of 2.3 hours per eighty (80) hours of active pay status. Long-term sick leave shall be earned at the rate of 2.3 hours per eighty (80) hours of active pay status.

UNUSED SHORT-TERM AND LONG-TERM sick leave shall accumulate without limit.

LONG-TERM sick leave may be used only for bona fide illness or injury requiring an employee to miss five (5) or more consecutive work days. Physician documentation justifying the absence may be required. If an employee is entitled to **LONG-TERM** sick leave, the payment for such leave will be retroactive to the first day of the covered illness or injury and will continue until accumulated leave is exhausted or the employee is able to return to work, whichever occurs first. When the Employer has sufficient justification, the Employer may require the employee to submit to a medical examination conducted by a physician of the Employer's choice. The cost of the examination will be borne by the Employer. Disputes as to the employee's physical or mental health shall be determined by a licensed physician or psychologist mutually selected by the employee and Employer. The fee of the mutually selected physician or psychologist shall be shared equally by the Employer and the employee.

ACCUMULATED SHORT-TERM sick leave may be used while an employee is on long-term sick leave; however, in no instance may accumulated long-term leave be used for any absence of less than five (5) consecutive days.

All accumulated sick leave balance as of December 11, 1991 shall be considered short-term sick leave.

For the purpose of this Article, active pay status shall be defined as hours worked and hour spent on paid leave time. Part-time and temporary employees or non-full-time employees accrue short-term and long-term sick leave on a proportionate basis to the hours paid each pay period.

Section 2. Retention of Sick Leave.

An employee who transfers from another public agency to the Stark County Sanitary Engineer, or who has prior service with a public agency in Ohio, shall retain credit for any sick leave earned so long as he is employed by the Stark

County Sanitary Engineer, except that such deduction shall be made for any payment or credit given by the previous agency in lieu of taking sick leave. Any sick leave credit carried over to the Sanitary Engineer's office shall be considered short-term sick leave. The previously accumulated sick leave of an employee who has been separated from the public service shall be placed to his credit as short-term sick leave upon his re-employment with the Stark County Sanitary Engineer, provided that such re-employment takes place within ten (10) years of the date on which the employee was last terminated from public service.

Section 3. Charging of Sick Leave.

Sick leave shall be charged in minimum units of one (1) hour except for medical appointments and bona fide emergency situations that may be utilized in increments of one-fourth (1/4) hour. An employee shall be charged for sick leave only for days that he would otherwise have been scheduled to work. Sick leave payment shall not exceed the normal scheduled work day or work week earnings.

Section 4. Uses of Sick Leave.

Sick leave shall be granted to an employee upon approval of the Employer and for the following reasons:

- A. Illness, injury or pregnancy-related condition of the employee.
- B. Exposure of an employee to a contagious disease which could be communicated to and jeopardize the health of other employees.
- C. Examination of the employee, including medical, psychological, dental, or optical examination by an appropriate practitioner.
- D. Illness, injury or pregnancy-related condition of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the employee or affected family member.
- E. Examination, including medical, psychological, dental, or optical examination, of a member of the employee's immediate family by an appropriate practitioner where the employee's presence is reasonably necessary.

Immediate family shall be defined as mother, father, step mother, step father, brother, sister, child, step child, spouse, grandparents, grandchild, brother-in-law, sister-in-law, mother-in-law, father-in-law, daughter-in-law, son-in-law, aunts and uncles (siblings of employee's parents), legal guardian or other person who stands in place of a parent (loco parentis).

Section 5. Evidence Required for Sick Leave Usage.

The Employer may require an employee to furnish a standard written signed statement explaining the nature of the illness to justify the use of sick leave. Falsification of either a written, signed statement or a physician's certificate shall be grounds for disciplinary action including dismissal.

Section 6. Notification by Employee.

When an employee is unable to work, he/she shall notify the supervisor or other designated persons, fifteen (15) minutes before the time he/she is scheduled to report to work on each day of absence, except radio operators who shall report one (1) hours before such time, unless emergency conditions make it impossible or unless the employee has made other reporting arrangements with the supervisor.

Section 7. Abuse of Sick Leave.

Accrual of paid sick leave is intended to build a "bank" of paid time off in the event of short-term disability. A pattern of using paid sick leave as it accrues or consistently maintaining a "bank" of paid sick leave of a nominal amount is rebuttably presumed to be abuse of paid sick leave. Other examples of a pattern of sick leave abuse shall be considered to exist in the event of multiple uses of sick leave occurring in conjunction with days off such as Mondays, Fridays, and/or following paydays or any other discernible pattern. Excessive use of sick leave without a physician's statement is also rebuttably presumed to be abusive.

A "rebuttable presumption" means beginning with a conclusion and altering it, as warranted, based upon mitigating factors and available evidence.

Employees intentionally failing to comply with sick leave rules and regulations shall not be paid. Application for sick leave with intent to defraud will result in discharge and refund of salary or wage paid. This policy is not intended to be applied without regard to individual circumstances.

Section 8. Expiration of Sick Leave.

If illness or disability continues beyond the time covered by earned sick leave, the employee may be granted a disability leave or a personal leave or may use vacation in accordance with the appropriate section of this Agreement.

Section 9. Physician Statement.

If medical attention is required, the employee shall be required to furnish a statement from a licensed physician notifying the employer that the employee was under his care. Such physician statement shall be required for an absence of four (4) or more consecutive work days due to illness or injury.
