**ARTICLE 2
RECOGNITION**

A. The Fraternal Order of Police, Ohio Labor Council, Inc. is recognized as the sole and exclusive bargaining representative for the purpose of collective bargaining on all matters pertaining to wages, hours, terms, and other conditions of employment for employees in the bargaining unit. The bargaining unit for which this recognition is accorded is defined in the Certification issued by the State Employment Relations Board on March 28, 2002 (Case Number 01-REP-10-0253). This Agreement includes all full time employees in the classification of Emergency 911 Dispatchers employed by Brown County Commissioners. The County will not recognize any other Union, organization, or person as the representative for any of the bargaining unit members. The County shall notify the O.L.C. of any changes in the classification plan, which directly affects the classifications included in this unit, sixty (60) days prior to the effective date of change or as soon as the changes become known to the employer, whichever occurs first.

1. Full-time is defined as employees who are in pay status of forty (40) hours per week exclusive of any overtime.
2. Excluded are all Supervisors and all others defined by Ohio Revised Code 4117.

B. New Positions

In the event of a dispute between the parties as to future inclusions or exclusions from the bargaining unit resulting from the establishment of new or changed classifications or titles, either party to this Agreement may apply to the State Employment Relations Board for resolution of the dispute.

**ARTICLE 3
DUES DEDUCTION AND FAIR SHARE FEE**

A. The Employer and the Labor Council recognize the right of employees to form, join, and participate in activities of employee organizations and the right of employees to refuse to form, join, and participate in such activities. When a refusal is registered by an employee, the Labor Council shall not coerce an employee to join or participate in the activities of the organization.

B. The Employer agrees to deduct regularly, dues for eligible members in the amount determined by the Union after proper written notification to the

Employer. The total deducted amount shall be transmitted to the Labor Council as soon after the first working day of the month as is possible. If any unforeseen delay occurs, the Labor Council will be notified immediately.

- C. Deducted dues shall be transmitted to the Treasurer of the Labor Council at the following address:

Fraternal Order of Police
Ohio Labor Council, Inc.
222 East Town Street
Columbus, Ohio 43215

- D. The Labor Council agrees to indemnify and save harmless Brown County and their agents against any and all claims that may arise out of or by reason of action taken by the Employer in reliance upon any authorization cards submitted by the Labor Council to the County, or in reliance on any list, notice or assignment under such provision.

- E. The Employer shall be relieved from making such individual check-off deductions upon:

1. termination of employment;
2. transfer or promotion to a job other than one covered by the bargaining unit;
3. layoff from work;
4. an agreed leave of absence; or
5. revocation of the check-off authorization in accordance with its terms and with applicable law.

- F. The Employer shall not be obligated to make dues deductions from any employee who, during any dues months involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of dues.

- G. It is specifically agreed that neither the bargaining unit members nor the Labor Council shall have claims against the Employer for errors in the processing of deductions, unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error was made. It will be corrected at the next pay period that Labor Council dues would be normally deducted by deducting the proper amount.

- H. All employees covered by this Agreement who are members of the Union on the effective date of this Agreement shall be required to pay Union dues. Employees are not required to join the Union as a condition of employment;

however, after ninety (90) days of employment, all employees who are not members of the Union shall be required to pay a fair share fee to the Union as a condition of continued employment. The fair share fee shall cover the employee's pro-rated share of:

1. The direct costs incurred by the Union in negotiating and administering this Agreement and of settling grievances arising under this Agreement; and
2. The Union expenses incurred for activities normally and reasonably employed to effectuate its duties as Exclusive Representative of the employees in the Bargaining Unit covered by this Agreement.

Fair share fees shall be deducted and remitted during the same period as dues, as provided by this Article, provided the employee has received sufficient wages during the applicable pay period to equal the deduction. The deduction of the fair share fee is automatic and does not require authorization by the employee, as outlined in Chapter 4117 of the Ohio Revised Code. This arrangement does not require any employee to become a member of the Union, nor shall the fair share fee exceed dues paid by members of the Union who are in the Bargaining Unit. The fair share fee shall be certified by mail to the Director.

- I. The Union shall prescribe an internal procedure to determine a rebate, if any, for nonmembers which conforms to federal law, provided a nonmember makes a timely demand on the Union. The internal rebate procedure shall provide for a rebate of expenditures in support of partisan politics or ideological cases not germane to the work of the Union in the realm of collective bargaining. Absent arbitrary and capricious action, such determination is conclusive of the parties except that a challenge to such determination may be filed with the State Employment Relations Board (SERB) within thirty (30) days of the determination date specifying the arbitrary or capricious nature of the determination, and SERB shall review the rebate determination and decide whether it was arbitrary or capricious. The deduction of a fair share fee by the employer from the payroll check of the Bargaining Unit member and its payment to the Union is automatic and does not require written authorization of the Bargaining Unit member.
- J. Any Bargaining Unit member who is a member of and adheres to established and traditional tenets or teachings of a bona fide religion or religious body which has historically held conscientious objections to joining or financially supporting an employee organization and which is exempt from taxation under the provisions of the Internal Revenue Code shall not be required to join or financially support any employee organization as condition of employment. Upon submission of proper proof of religious conviction to SERB, it shall declare the employee exempt from becoming a member of or financially supporting the Union. The employee shall be required, in lieu of the fair share fee, to pay an amount of money equal to such fair share fee to a non-religious charitable fund exempt from taxation under Section 501 (C)(3) of the Internal Revenue Code mutually agreed upon by the Bargaining Unit member and the representative of the Union.

- K. The Union agrees to hold the employer harmless against any and all claims, which may arise in the County's implementation of the fair share provisions of this Article.

The employee shall provide a list of witnesses to the Department Head as far in advance as possible, but not later than one (1) hour prior to the pre-disciplinary conference. It is the employee's responsibility to notify witnesses that their attendance is desired.

and Recommendation shall be furnished to the Employee and County Commissioners within five (5) working days following the conclusion of the pre-disciplinary conference. The County Commissioners shall review all the facts of the case presented in the Report and Recommendation and may conduct or authorize additional investigation. The County Commissioners shall either approve, modify or disapprove the Recommendation of the Department Head within five (5) working days after receipt of the Report and Recommendation, or within five (5) working days after the conclusion of the County Commissioners investigation, whichever last occurs.

Any discipline involving loss of pay or termination shall be approved by the County Commissioners prior to implementation.

C. Disciplinary Appeal

4. Consistent use of sick leave following overtime assignment;
5. Consistent use of sick leave adjacent to other paid leave.

Except where there are known mitigating circumstances, more than four (4) unexcused occurrences (Unexcused absence is defined as any absence not pre-approved by the Brown County Communications Center or for which a doctor's excuse has not been provided) will justify an evaluation by the Director. Once the Director believes there is a pattern of sick time as defined above, the employee will be required to submit a Dr.'s note stating the nature of the illness or injury which led to their absence. The Director may initiate investigations if an employee is suspected of abusing sick leave privileges.

Failure to comply with sick leave rules could lead to progressive discipline as outlined in this Agreement.

I. Annual Sick Leave Conversion

1. A bargaining unit member may at his/her option, convert up to forty-eight (48) unused sick leave hours to personal leave days with pay on the basis of two for one (2 for 1) provided the employee maintains a balance of at least 240 hours of total accumulated sick leave. A thirty (30) day notice to the Director in writing is required for each conversion request.
2. Conversion of sick leave under this policy shall eliminate those converted credits from the employee's accrued balance.
3. For purpose of sick leave conversion, sick leave earned and accrued during employment with any other state or local government other than Brown County shall be excluded from the calculation of the employee's sick leave balance.
4. No more than five (5) days or sixty (60) hours, two for one (2 for 1) conversions may take place within a calendar year.
5. Personal days converted from sick leave are not eligible to be paid out.
6. Sick time converted by way of this section will in no way affect the Paid Absence Day earned by way of Article 15, Section I of this Agreement.

**ARTICLE 27
VACATION**

- A. All full-time bargaining unit members will receive the following amounts of paid leave based upon the length of continuous service.
1. LESS THAN ONE (1) FULL YEAR OF SERVICE - No vacation. (A new full-time employee is credited with eighty (80) hours of vacation after completion of one (1) year of service.)

2. ONE (1) FULL YEAR OF SERVICE – (26 bi-weekly pay periods) – two (2) weeks (ten (10) working days or eighty (80) hours). Accumulated at the rate of 3.1 hours per pay period of eighty (80) hours worked.
 3. EIGHT (8) FULL YEARS OF SERVICE – three (3) weeks (fifteen (15) working days or one hundred and twenty (120) hours). Accumulated at the rate of 4.6 hours per pay period of eighty (80) hours worked.
 4. FIFTEEN (15) YEARS OF SERVICE – four (4) weeks (twenty (20) working days or one hundred sixty (160) hours). Accumulated at the rate of 6.2 hours per pay period of eighty (80) hours worked.
 5. TWENTY-FIVE (25) FULL YEARS OF SERVICE – five (5) weeks (twenty-five (25) working days or two hundred (200) hours). Accumulated at the rate of 7.7 hours per pay period of eighty (80) hours worked.
- B. Employees shall forfeit their right to take any vacation leave to their credit, which is in excess of the accrual of three (3) years. Such excess leave shall be eliminated from the employee's leave balance.
- C. Upon separation from service an employee shall be entitled to compensation at his/her current rate of pay for all lawfully accrued and unused vacation leave to his/her credit at the time of separation up to three (3) years. In case of death of an employee, such unused vacation leave shall be paid in accordance with Section 2113.04 of the Revised Code, or to his/her estate.
1. All vacation time must be approved by the employee's supervisor and reported to the Director of the Brown County Board of Commissioners/Communications Center in advance of an employee taking paid vacation leave. Employees may request vacation for each six-month period at the same time that they bid upon their shift. Requests to use vacation may be requested at any time. An employee's vacation request shall be granted on a first-come, first-served basis, regardless of seniority. However, the Employer may deny a request for time off to meet the operational needs of the department, including staffing. Although a request to use vacation can be made anytime, if an employee requests less than three (3) days vacation leave, the employee should attempt to make the request forty-eight (48) hours before the vacation is to start. If the employee requests a vacation of four (4) days or more, the employee should attempt to provide five (5) working days advance notice to his/her supervisor. The Supervisor's decision is not grievable under this agreement. Employees may request vacation time off during fair week. Scheduled overtime resulting from time off requested off during fair week shall be posted in accordance with this Agreement (Article 15, Section F(2) a-c). Scheduled overtime resulting from time off requests not voluntarily filled shall be denied.

2. Any time an employee does not receive a full paycheck (eighty (80) hours), his/her vacation earned for that period will be adjusted based upon the number of hours worked in that pay period. Vacation may be used as it is earned after the first year of continuous service if the bargaining unit member obtains the appropriate permission of his/her supervisor and the Director of the Brown County Board of Commissioners/Communications Center.
3. Vacation may be accrued for a period not longer than three (3) years. When terminating employment, any accrued vacation will be paid in a separate check.
4. An employee whose scheduled vacation falls within a week containing a paid holiday will not have the holiday charged against vacation time. An employee so effected shall be granted an additional vacation day to be scheduled at the discretion of the employee with proper notice.

ARTICLE 28 HOSPITALIZATION

- A. The Brown County Board of Commissioners will offer medical insurance coverage for eligible bargaining unit employees pursuant to the same terms and conditions as insurance is offered to all other non-bargaining, General Fund Brown County employees, except where such terms and conditions are expressly modified by this Article. The Brown County Board of Commissioners will contribute the same amount for each employee's monthly health care premiums as is contributed to other non-bargaining County General Fund employees for coverage, except that the Employer shall contribute a minimum of eighty percent (80%) of the established monthly premium if the plan is a "conventional or traditional" health insurance coverage plan and eligible bargaining unit employees shall contribute twenty percent (20%) or seventy-five percent (75%) of the established monthly premium toward the cost of the employee's insurance premium if the plan is a Health Savings Account (HSA) and eligible bargaining unit employees shall contribute twenty-five percent (25%).

Should other non-bargaining Brown County General Fund employees be offered a "holiday" or "reprieve" from premium contributions, the same benefit will be offered to employees covered by this agreement.

- B. It is agreed and understood that the schedule of benefits for bargaining unit employees electing insurance coverage shall be the same as procured by the Board of County Commissioners and set forth for all other Brown County non-bargaining General Fund employees, including all conditions, payments and premium contributions as specified or required by individual carriers/providers of the health insurance plan and/or the County.

In the event the County continues to utilize a Health Savings Account ("HSA"), the County will partially fund the HSA of bargaining unit employees electing coverage in the following amounts on an annual basis in the following amounts:

Single Coverage: \$1500
Employee and Spouse: \$3000
Employee and Child: \$3000
Family: \$3000

The Employer's portion of the employee's HSA will be funded in pro-rata monthly contributions. The Employer shall contribute one hundred and twenty-five dollars (\$125) per month for each eligible bargaining unit employee electing Single coverage. Additionally, the Employer shall contribute two hundred and fifty dollars (\$250) per month for each eligible bargaining unit employee electing either Employee and Spouse, Employee and Child, or Family coverage. However, employees electing coverage under the County's health insurance plan may seek assistance with medical and prescription costs on a case-by-case basis.

In the event it is necessary to raise the HSA deductible amounts for cost containment purposes, the Employer will meet in good faith, consider options and discuss the effects of the change(s) with the Union upon the written request of the Union. Written request from the Union must be presented within fourteen (14) calendar days of the notice of the change.

It is further agreed and understood that during the term of this Agreement, such individual carriers/providers may, through no fault of the Employer, Union, or employees cease coverage. Should such occur, any employee adversely affected shall be given the opportunity to enroll with an alternative carrier with the appropriate premium rates subject to the premium rate applied herein or to waive coverage and receive an appropriate pro-rata amount of the waiver of coverage payment.

Additionally, it is agreed and understood that during the term of this Agreement specific carriers/providers under the plan may unilaterally institute payments or conditions which modifications will be required for subscription to that carrier/provider.

- C. The Brown County Board of Commissioners will continue to provide a \$10,000 AD & D policy in conjunction with the hospitalization policy as stated in paragraph A above.
- D. The Brown County Board of Commissioners shall be the sole arbiters of the carrier of the Brown County hospitalization plan.
- E. The Employer shall continue to try to make available to bargaining unit members and their eligible dependents substantially similar group health and hospitalization insurance coverage and benefits. The Employer reserves the right

to change or provide alternate insurance carriers, health maintenance organizations, or benefit levels or to self-insure as it deems appropriate for any form or portion of insurance coverage referred to in this Article. The Employer will not be responsible for changes unilaterally imposed by an insurance provider in benefits, co-payment provisions or deductibles so long as the Employer uses its best efforts to minimize changes by incumbent insurance providers from one plan year to another. Should the group and hospitalization insurance coverage and benefits change, the Employer, upon written request of the Union, agrees to meet in good faith, consider options and discuss the effects of the changes. Written request from the Union must be presented within fourteen (14) calendar days of the notice of the change.

- F. The Employer reserves the right to institute cost containment measures relative to insurance coverage, so long as it tries to maintain a substantially similar level of benefits. Such changes may include, but are not limited to, mandatory second opinions for elective surgery, pre-admission and continuing admission review, preferred provider provisions, prohibition on weekend admissions except in emergency situations, and mandatory out-patient elective surgery for certain designated surgical procedures. Should the group and hospitalization insurance coverage and benefits change, the Employer, upon written request of the Union, agrees to meet in good faith, consider options and discuss the effects of the changes. Written request from the Union must be presented within fourteen (14) calendar days of the notice of the change.
- G. The extent of coverage under the insurance policies referred to in this Agreement shall be governed by the terms and conditions set forth in said policies or plans. Any questions or disputes concerning said insurance policies or plans or benefits thereunder shall be resolved in accordance with the terms and conditions set forth in said policies or plans and shall not be subject to the grievance and arbitration procedure set forth in this Agreement. The failure of any insurance carrier(s) or plan administrator(s) to provide any benefit for which it has contracted or is obligated shall result in no liability to the Employer, nor shall such failure be considered a breach by the Employer of any obligation undertaken under this or any other Agreement. However, nothing in this Agreement shall be construed to relieve any insurance carrier(s) or plan administrator(s) from any liability it may have to the Employer, bargaining unit member or beneficiary of any bargaining unit member.
- H. Employees who are eligible for the County's health insurance and waive coverage and at the completion of twelve (12) months without coverage shall receive a payment of one thousand dollars (\$1000) per year by way of separate check. Employees will be required to show they have proof of health insurance coverage to be eligible for payment. Additionally, in order to be eligible for the waiver payment of \$1000, the employee must establish that they are not receiving medical insurance benefits through another family member working for Brown County. In the event that the employee opts back into the coverage during the twelve (12) month period, the employee will be paid a pro-rata portion of the bonus for each month during which he/she opted out of

coverage. Employees who are not enrolled in the Health Plan shall be eligible for payment on April 1 of each year, provided that they are otherwise eligible pursuant to the above terms.

- I. The parties agree that upon the written request of either party, the terms of Articles 28, Hospitalization and 32, Wages, shall be re-opened for bargaining consistent with Chapter 4117, including statutory impasse proceedings. The parties agree that only Articles 28, Hospitalization and 32, Wages, are subject to re-opening no earlier than one hundred and twenty (120) calendar days prior, and no later than ninety (90) calendar days prior to December 31, 2015 for calendar year 2016 and December 31, 2016 for calendar year 2017.

ARTICLE 29

- B. Employees of the Brown County Commissioner's Office who have taken a cash pay out from another public agency in Brown County involving sick leave conversion (unless such conversion was caused by employee disability) shall have said number of days deducted from the thirty (30) days maximum payment they could be entitled to from the Brown County Commissioner's Office. This does not apply to employees from another public agency in Brown County whose sick leave conversion was taken because of physical or mental disability.
- C. Employees who are discharged for just cause or who sever with less than ten (10) years service with the Brown County Commissioner's Office are not entitled to sick leave conversion under this Article.

Reasonable suspicion means specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee, or an abrupt and observable decline in employee performance. This testing shall be conducted solely for administrative purposes and the results obtained shall not be used in any criminal proceeding. Under no circumstances may the results of the drug screening or testing be released to a third party for

the use in criminal prosecution against the affected employee. The following procedures shall not preclude the employer from taking disciplinary action, but such actions shall not be based solely upon the test results.
