**ARTICLE 1  
AGREEMENT**

Section 1. This document is a contractual agreement (“Agreement”), entered into between the City of Medina, (“the City”), subject to approval by the Medina City Council, and the Teamsters Local 436 (“the Union”), to establish the bargaining unit employees’ wages, hours, terms and conditions of employment.

Section 2. The wages, hours, terms, and conditions of employment in this Agreement supersede any related Ohio laws, including all specifications under those related laws. Specifications in Ohio laws that are not specifically written into this Agreement are nonetheless modified by this Agreement.

Section 3. If any part of this Agreement is rendered illegal by state or federal legislation or by a court of competent jurisdiction, it shall be considered void, but the remainder of the Agreement shall remain effective.

Section 4. Any reference to a City management representative in this Agreement includes that representative’s designee. References to male gender include the female gender.

Section 5. References to the Medina Salary and Benefits Code are those in effect on January 1, 2015, notwithstanding any changes in the cited Code sections after January 1, 2015. The Medina Salary and Benefits Code will be inserted where applicable into this collective bargaining agreement as contract provisions.

**ARTICLE 2  
RECOGNITION**

Section 1. The City recognizes the Union as the exclusive certified bargaining representative of all employees employed in the job classifications certified as the bargaining unit by the State Employment Relations board on April 15, 2001 (00-REP-11-0248) (referred to collectively as “the bargaining unit”), as follows:

**INCLUDED:** All regular part-time employees employed by the City of Medina in Parks, Building and Sanitation and all full-time employees employed by the City of Medina in the following departments working in the following Classifications:

<u>Department</u>	<u>Classification</u>

**EXCLUDED:** Superintendents, assistant superintendents, foremen, all other part-time employees, employees excluded under O.R.C. 4117.01(C)(1)-(15), and all other classifications not specifically included above.

Section 2. The Union's status as exclusive representative relieves the City of any obligations to allow the participation of any bargaining unit member's private attorney or private representative in any matter concerning negotiations, grievances, a violation of this Agreement, or any other matter where the legal right to representation exists.

Section 3. The Union agrees to represent all bargaining unit members fairly and equally. Any one of the Union's designated representatives shall be deemed equally qualified and capable of representing a bargaining unit employee.

Section 4. The City's recognition of the classifications in this Article as a bargaining unit does not limit the City's right to add or eliminate bargaining unit positions or to add job duties to those positions.

Section 5. If a disagreement arises between the City and the Union as to whether a position belongs in the bargaining unit, the parties will discuss the issue. If the parties are unable to reach agreement on the issue, they shall file a petition with SERB requesting a unit clarification determination. This section establishes mutual consent under O.A.C. Section 4117-5-01.

**ARTICLE 3**  
**DUES DEDUCTIONS AND FAIR SHARE FEE**

Section 1. The Employer agrees to deduct initiation fees, re-initiation fees and entry fees as are regularly assessed by the Union in accordance with the Constitution and Bylaws of the Union. The Employer shall be free from any liability for any amounts so collected and remitted to the Union. The Union agrees to assume all liabilities with respect to such deductions.

After thirty-one (31) days of the effective date of this Agreement, or thirty-one (31) days after a new employee is hired, those employees who have not signed union dues authorization forms shall pay a fair share fee equal to the amount of union dues. The fair share fee shall be deducted from the employee's first paycheck of each month automatically, without authorization from the employee.

If insufficient funds exist in the employee's first paycheck, then the balance of the Union membership dues or the fair share fee shall be deducted from the employee's second paycheck.

Section 2. A check in the amount of the total dues or fair share fees withheld shall be tendered to the treasurer of the Teamsters within fifteen (15) days from the date of the deduction.

Section 3. The Union hereby agrees to hold the City harmless from any and all liabilities or damages which may arise from the performance of its obligations under this Article and the union shall indemnify the City for any such liabilities or damages that may arise.

Section 4. The Union shall certify the rate at which dues and fair share fees are to be deducted to the City Finance Director during January of each year.

**ARTICLE 4**  
**UNION REPRESENTATION**

Section 1. Four (4) designated employee representatives shall be recognized by the City as Union Stewards upon the Union's submission of a letter identifying them as the Stewards.

Section 2. A Steward who is on duty working a normal shift shall be allowed reasonable time off without pay to represent an employee for reasons allowed under this agreement or provided by law. Any Steward that comes into work early or works outside of normal scheduled hours to handle Union matters or to represent a bargaining member does so voluntarily without pay or overtime.

Section 3. Stewards shall be paid for all meetings required by the City for which the Steward has a right to represent a bargaining unit member.

Section 4. Non-employee union representatives may be allowed on City property with prior notice to and approval by the Mayor. Approval shall not be unreasonably denied.

## **ARTICLE 5 EMPLOYEE RIGHTS**

Section 1. An employee has the right to the presence and advice of a union representative and/or union attorney at all disciplinary hearings and/or disciplinary interrogations. The unavailability of a union representative or a union attorney within a reasonable time is not grounds to postpone or reschedule a disciplinary hearing or a disciplinary interrogation.

Section 2. An employee shall have the right, upon written request, to review the employee's civil service personnel file. Requests for copies of the items included in the file shall be honored within a reasonable period of time.

Section 3. Citizen complaints against an employee that are reduced to writing shall be provided to the employee.

Section 4. Whenever an employee receives any written disciplinary action that will appear in the employee's file, the employee shall be provided a copy of it.

Section 5. Upon completion of an investigation of a complaint against an employee, the employee shall be notified in a reasonable period of time.

Section 6. Questioning or interviewing an employee in the course of an internal or external investigation will be conducted in hours reasonably related to the employee's shift, unless operational needs require otherwise. The interrogation sessions shall be for a reasonable period of time and shall allow the employee periodic rest periods for a refreshment and snack and a bathroom break.

## **ARTICLE 6 NONDISCRIMINATION**

Section 1. Neither the City nor the Union shall discriminate against any bargaining unit member on the basis of age (40 and over), sex, race, color, creed, national origin, disability or handicap. The Union shall share equally with the City the responsibility for applying this Article to the Agreement.

Section 2. All references to employees in this Agreement designate both sexes, and whenever the male gender is used, it shall be construed to include males and females.

## **ARTICLE 7 NO STRIKES**

Section 1. During the term of this Agreement, the Union and its members agree that they will not engage in, initiate, authorize, sanction, ratify, sympathize, support or

participate in any strike or other concerted activity affecting the City's operation, including sick outs, slowdowns, protests over safety or refusals to perform voluntary assignments. The Union shall promptly take all possible actions to prevent and to end any such concerted activity. Bargaining unit members engaging in a strike or concerted activity as contemplated herein may be disciplined up to, and including, discharge.

Section 2. The Employer shall not lock out employees during the term of this Agreement.

## **ARTICLE 8 TOTAL INTEGRATION**

Section 1. This Agreement represents the entire scope of the City's negotiated agreement with respect to wages, hours, terms and conditions of employment. It supersedes and nullifies prior, existing, or contemporaneous oral or written agreements, understandings, or practices between the parties. Any past practices carried over during the term of this Agreement may be discontinued with prior notice to the affected party.

## **ARTICLE 9 WAIVER OF NEGOTIATIONS**

Section 1. The Union acknowledges that it had the unlimited opportunity to negotiate with respect to any mandatory or permissive subject of bargaining. The Union therefore waives the right to bargain over any mandatory or permissive subject of bargaining during the life of this Agreement.

## **ARTICLE 10 MANAGEMENT RIGHTS**

Section 1. The Union recognizes that the management of the City in all its phases and details remains vested in the City and its designated representatives. The City shall have the right to take any action it considers necessary and proper to effectuate any management policy, express or implied.

Section 2. Except as limited by the express terms of this Agreement, the City's management rights include, but are not limited to, the rights:

To manage and direct employees, including the right to hire, select, train, promote, transfer, assign, reassign, evaluate, retrain, layoff, and recall employees; to discipline employees for just cause; to manage and determine the location, type and number of physical facilities, type of equipment, programs and the work to be performed; to subcontract services; to determine the City's goals, objectives, budget programs and services, and to utilize personnel in a manner determined by the City to effectively and efficiently meet those purposes; to determine the size and composition of the work force and each department's organizational structure; to introduce technology and other modern methods; to promulgate and enforce

reasonable work rules, policies and procedures; to determine the hours of work and work schedules; to determine when a job vacancy exists, the duties to be included in all job classifications, and the standards of quality and performance to be maintained; to determine overtime, the amount of overtime required, and to assign mandatory overtime; to determine each department's budget and uses thereof; to maintain the security of records and other pertinent information; and to exercise all management rights outlined in O.R.C. § 4117.08(C)(1)-(9).

Section 3. The City reserves to itself all other management rights not expressly listed in this Agreement.

History: Language regarding arbitration of management rights withdrawn without prejudice.

## **ARTICLE 11 PROBATION**

Section 1. Newly hired employees must complete a probationary period of one hundred eighty (180) calendar days.

Section 2. Newly hired probationary employees shall be employed at the City's discretion until the completion of their probationary period. A newly hired probationary employee's seniority is calculated from the original date of hire after the employee successfully completes the probationary period.

Section 3. Newly hired probationary employees may be disciplined or dismissed for any reason and at any time prior to the completion of the probationary period and such actions shall not be grievable under the terms of this Agreement or otherwise subject to challenge before the State Employment Relations Board or under any legal or other dispute resolution procedure. Newly hired probationary employees may otherwise file grievances over non-disciplinary breaches of this Agreement.

Section 4. Current employees permanently transferred, recalled, appointed or promoted into a different classification shall serve a forty-five (45) calendar day evaluation period. They are still subject to the just cause provisions of this Agreement. Should the City determine that the employee cannot acceptably perform the duties of the new classification, the employee has no guaranteed right to return to his prior classification. The City reserves the right to determine the appropriate measures to be taken with an employee who does not succeed in the new classification, (e.g., transfer, demotion, etc.)

## **ARTICLE 12 SENIORITY**

Section 1. Seniority shall be defined as an employee's uninterrupted length of continuous full-time employment with the City.

Section 2. An employee's seniority and employment shall be terminated under the following conditions:

- a. Discharge;
- b. Resignation;
- c. Layoff for a period exceeding one year;
- d. Retirement;
- e. Unexcused failure to report to work for two (2) or more working days;
- f. Inability to return to work upon exhaustion of paid leave and FMLA leave;
- g. Failure to report to work within five (5) working days from the date the employee receives the recall notice by certified mail.

Section 3. If two (2) or more employees are hired or appointed on the same date, seniority shall be determined by the time filed stamp on their employment application.

### **ARTICLE 13 VACANCIES**

Section 1. A vacancy is a job opening, other than original appointments and positions filled by temporary assignment or permanent transfer that the City decides to post and fill on a permanent basis. The Rules of the City of Medina Civil Service Commission shall apply to all original appointments.

Section 2. The Mayor is the appointing authority for the Parks and Recreation Department and the Building Department. The Service Director is the appointing authority for the Service Department and the Engineering Department.

Section 3. Qualifications. The appointing authority decides whether candidates are qualified to fill vacancies. The appointing authority shall consider a candidate's skill, qualifications, experience, potential, and, if current employees are candidates, the employee's seniority, overall job record, and prior performance evaluations.

Section 4. Posting. The department shall post a vacancy notice that contains at least (a) the job title, (b) the general job duties and responsibilities, (c) the minimum qualifications necessary to be considered for the job; and (d) whether a test will be administered for the job. The City shall provide the Union stewards with a copy of all bargaining unit job postings.

The initial job posting shall be for no longer than seven (7) calendar days, including the first working day of the posting. A full-time bargaining unit employee, or his Union Steward, must submit a written request to the shift supervisor during the posting period, or the employee has waived all rights to be considered eligible as a candidate for the vacancy. After the initial seven (7) – day posting period, the City shall interview full-time bargaining unit candidates first for the vacancy.

If a vacancy for a full-time laborer position is not filled by the appointing authority with a full-time bargaining unit candidate through the process set forth in the preceding paragraph, the City shall post a vacancy notice for a second seven (7) calendar day period, including the first working day of the posting. A part-time bargaining unit employee, or his Union Steward, must submit a written request to the shift supervisor during the second posting period, or the employee has waived all rights to be considered eligible as a candidate for the full-time position vacancy. The City shall then interview part-time bargaining unit employees for the full-time position vacancy. Part-time bargaining unit candidates will not be subjected to a written test as a requirement for appointment to a full-time position.

If a vacancy is not filled by the appointing authority with either a full-time or part-time bargaining unit candidate through the procedures set forth in this Section 4, the position becomes an original appointment and the Civil Service Commission shall be responsible for advertising and testing for the vacancy.

Section 5. Selection The appointing authority shall select the candidate the appointing authority deems most qualified based on the factors outlined in Section 3 above. The most senior employee who meets the minimum qualifications to be considered for a vacancy is not automatically entitled to fill the vacancy. Vacancies are awarded to the candidate the appointing authority believes is the most qualified for the job.

## **ARTICLE 14 TRANSFERS AND ASSIGNMENTS**

Section 1. The service director determines all permanent and temporary transfers. An involuntary temporary transfer shall not be longer than forty-five (45) days in a position(s).

Employees temporarily transferred involuntarily to a higher job classification shall receive a seven percent (7%) increase above their current rate of pay. No less than their current rate of pay applies to employees temporarily transferred involuntarily to a lower classification.

Employees permanently transferred on a voluntarily basis shall be paid the rate of the new position. Employees permanently transferred on an involuntarily basis shall be paid the rate of the new position, but no less than their old rate of pay.

Section 2. An assignment is an order to perform work, including temporary assignments of less than eight (8) hours in a day, to another shift or to another department. The department head determines all assignments. A temporary assignment to a vacancy is not considered filling a vacancy.

If an employee is assigned to perform work in a higher classification for four (4) hours or less, the employee shall receive four (4) hours of pay at a rate of pay seven percent (7%)

higher than the employee's regular hourly rate of pay. If an employee is assigned to perform work in a higher classification for more than four (4) hours, the employee shall receive pay at a rate of pay seven percent (7%) higher than the employee's regular hourly rate of pay for all hours actually worked on his regular shift that day.

Section 3. The work performance of employees temporarily transferred or temporarily assigned to a vacancy shall not be considered as part of the employee's qualifications if the employee becomes a candidate for the vacant position.

## **ARTICLE 15 LAYOFFS AND RECALLS**

Section 1. A layoff is a decision to reduce the present number of employees in a job classification in a department. A layoff becomes effective at the end of the working day named in the written layoff notice. An employee's seniority becomes frozen at the time the layoff becomes effective. A laid off employee shall be given reasonable notice (two [2] weeks) prior to being laid off.

Section 2. Layoff The City will use the following procedure when it decides to lay off any employee:

- A. Part-time employees in the classification of the full-time person who is being laid off shall be laid off first.
- B. Newly hired probationary employees in the bargaining unit are laid off next.
- C. Full-time employees shall then be laid off by juniority in the affected classification of the affected department.

Section 3. Recall Recall shall be by total continuous service with the City. An employee recalled to a position outside his classification shall serve an evaluation period in accordance with Article 11, Section 4. If the employee does not perform satisfactorily during the evaluation recall period, the employee shall be laid off and shall thereafter only be eligible for recall to his former position.

The City shall provide notice of recall to laid-off employees by registered mail at their last known address. Recall rights are lost if the employee fails to accept the offered job within five (5) days from the recall notice (attempt of service). The employee must provide the City with the employee's most current address. If the employee is on vacation or otherwise not immediately available, the employee must notify the City of where a recall notice can be received.

Section 4. A laid-off employee is not eligible for recall after one (1) year from the effective date of the layoff. Laid off employees lose all seniority rights after that one (1) year period.

Section 5. Bumping Bargaining unit employees who are laid off have the right to bump any other bargaining unit employee, or a part-time employee in another classification with less converted full-time seniority, if they have more seniority than the bumped employee and can satisfactorily perform the employee's job within the forty-five (45) calendar day evaluation period. If the bumping employee fails to perform satisfactorily during the forty-five (45) calendar day evaluation period, the employee shall be laid off. Conversion of part-time to full-time seniority is as follows:

$$\text{Total part-time regular hours worked}/2080 = \text{Years of full-time seniority}$$

**ARTICLE 16  
HOURS OF WORK AND OVERTIME**

Section 1 The department head shall establish schedules and assign scheduled and mandatory overtime. The City reserves the right to set the hours, shifts, and work days according to the operational needs of the City. The City shall provide seven (7) days' notice to the Union and the affected employees prior to changing hours, shifts or work days. The City agrees to change shifts no more than quarterly each year, unless otherwise agreed by the parties. Starting and ending times may vary from department to department. The following are the normal working hours for each department as of the date of execution of this agreement:

Mechanics	6:00 am	--	4:00 pm
Water Department	7:00 am	--	3:30 pm
Sanitation Department	5:00 am	--	1:00 pm
Parks Department	7:00 am	--	3:30 pm
Street Department	7:00 am	--	3:00 pm
Building Department	8:00 am	--	5:00 pm
Engineering Department	7:00 am	--	3:00 pm
Service Department	6:00 am	--	4:00 pm

Any hours worked outside the employee's normal working hours shall be considered for overtime, provided the hours worked are in excess of forty (40) hours in the scheduled work period as provided in Section 2, or qualify as call in time pursuant to Article 28.

Section 2. Employees required to work in excess of forty (40) hours in the scheduled seven (7) day work period shall be paid at the rate of one and one-half (1 ½) times their regular hourly rate of pay for all hours actually worked. Vacation time, comp time and holidays shall be considered hours worked for the purposes of calculating overtime. Sick time and any other paid or unpaid time off are not considered hours worked for calculating overtime.

Section 3. Employees may elect to accrue up to 120 hours of compensatory time in lieu of overtime annually. All compensatory time over 100 hours at the end of each calendar year shall be cashed out. Compensation time requests must be approved in writing in advance by the department head. A minimum of forty-eight (48) hours' notice

must be provided. All overtime earned working for another Department must be taken as overtime pay. Compensatory time can only be earned in your home Department.

Section 4. Voluntary Overtime. A voluntary overtime roster shall be maintained for each department. An employee is not required to sign up for voluntary overtime in his own department. If an employee does not wish to be called for overtime in his own department, he must give a written opt-out note to his supervisor or Department Head. The voluntary overtime roster for employees within the department shall be contacted in order of seniority, on a rotating basis based upon qualifications to perform the work needed. The department voluntary overtime roster will be updated only as personnel leave or enter a department.

The Water Meter, Water Distribution, and Water Operations Departments shall all be considered a part of the Water Department for purposes of overtime.

At the beginning of each month, the Union Steward shall submit to the department head a written voluntary overtime roster of employees outside the department who are willing to work voluntary overtime. The employees on the roster shall be contacted in order of seniority, on a rotating basis based upon qualifications to perform the work needed. Any employee who refuses the overtime or cannot be contacted shall be credited with having been offered the overtime for equalization and rotation purposes. The Department Head or Supervisor does not have to call the top name or any name on the list if that person is not qualified to perform the work requiring the overtime.

To assist the City in providing the best service at the lowest cost, a Department Head or Supervisor may call the highest, most senior full-time Laborer on the overtime roster over a Motor Equipment Operator, regardless of his place on the overtime roster. The City recognizes that the intent of this provision is to have the laborer perform "laborer" work, as long as the Laborer is qualified to do the work. At the end of each calendar year, the laborer should have an equivalent amount of overtime as the average employee in that department. Laborers who are qualified and who are called in order of seniority and by the normal rotation of the overtime roster may perform Motor Equipment Operator work.

Section 5. Mandatory Overtime. If the department head or department supervisor decides mandatory overtime is necessary, a request for volunteers on the shift where the mandatory overtime is necessary will be asked first. If no volunteers exist, employees in the effected department shall be contacted in accordance with their juniority, by rotation, and asked to volunteer for the overtime. If no employees can be contacted or no volunteers exist, mandatory overtime shall be assigned in accordance with juniority.

Section 6. In some cases, where the department head determines that an employee's unique skill or qualifications are essential to perform the overtime work, the employee may be assigned the overtime without regard to seniority.

Section 7. Employees must be dressed and ready to begin work at the time they report to work at their assigned starting time.

Section 8. Employees who are on stand-by and are restricted from leaving their homes in order to report to work immediately shall be paid their applicable rate of pay for all hours on stand-by.

Employees on call-in, who are given a beeper or are told to call in and report where they can be contacted, shall be paid their applicable rate of pay for all hours from the time they get called to report to work. Employees shall respond and report to work immediately.

The supervisor shall have the employee fill out a form indicating whether the employee has been assigned to stand-by or on-call status. The form shall also state how many hours the employee has been assigned on stand-by or on-call status.

Section 9. Water Department Remote Monitoring. Employees of the Water Department may be assigned the duties of monitoring the water system by a remote computer link using the Water Department laptop computer. Any employee assigned the duty of remote monitoring shall receive two (2) hours of pay at the overtime rate of pay for each day he is assigned the monitoring duty. Should the employee be required to respond to the City facility to maintain the water system, the employee shall receive two (2) hours of pay at the overtime rate of pay for each on-site response. The employee shall be required to keep a time log sheet and document all hours actually spent monitoring the water system. The employee shall receive compensation for all hours actually worked above the two (2) hour minimum at the employee's applicable rate of pay.

Section 10. A supervisor in a department will not work more overtime bargaining unit hours annually than the highest number of overtime hours worked by a bargaining unit member in the same department for the same period of time.

## **ARTICLE 17 WORK RULES**

Section 1. The City has the right to promulgate written work rules and directives to regulate the conduct of employees. The City agrees to notify the Union prior to implementing any written work rules. Copies of work rules will be furnished to the Union. All work rules that exist at the time this Agreement is executed are presumed to be in accordance with this Agreement.

Section 2. Upon receiving a copy of a new or revised work rule, the Union has seven (7) calendar days to provide written notice as to whether it believes the work rule violates the terms of this Agreement. If the city does not receive written notice within that seven (7) day period, the work rule is considered consistent with the terms of this Agreement and may be implemented. The work rule shall not be grievable after the seven (7) day period expires.

Section 3. Disagreements as to whether a work rule violates this Agreement shall be discussed between the parties. If no resolution of the issue occurs, the City may

implement the work rule and the Union may challenge the rule through the grievance procedures.

Section 4. The Union has the right at any time to grieve the consistent application of the work rules. "Consistency" for the application of work rules is reviewed on a department basis.

## **ARTICLE 18 DISCIPLINE**

Section 1. The City shall discipline a non-probationary employee only for just cause. Employees shall be entitled to union representation at any level of the discipline process. This does not mean management has to consult with the Union before deciding or imposing discipline.

Section 2. Administering discipline is a management right. The City's decision to administer a certain level of discipline for a given offense shall be based on the facts and circumstances of each situation.

Section 3. Discipline is cumulative. Any written form of discipline for any matter is considered in determining a greater level of discipline for any subsequent offenses.

Section 4. No oral discipline exists. Employees shall not rely on any oral warnings as a first step in the discipline process.

Section 5. The City normally will administer a system of discipline based on its assessment of the circumstances. Discipline may include (1) written warning; (2) written reprimand; (3) suspension; (4) reassignment; and (5) termination. All discipline must be imparted within ten (10) days after the employer notifies the employee of the employee's misconduct.

Section 6. With respect to discipline under this Article, only disciplinary reassignments, suspensions and discharges are arbitrable.

Section 7. Before the City issues a suspension, disciplinary reassignment, or termination, the employee will be given a personal opportunity to informally present a statement about the facts and circumstances of the proposed discipline. The City will provide prior written notice to the employee and the Union representative of the time, date, and place where the meeting shall occur and of the nature and grounds for the proposed discipline. The employee will have waived the opportunity to make a statement about the proposed discipline if the employee fails to attend the meeting.

If the employee does not make a statement or fails to attend the pre-disciplinary meeting, the City will make its decision regarding discipline based on the facts and the inferences drawn from the facts known at the time of the decision:

The Union shall not use any recording device or stenographic or transcription during questioning of the employee during the disciplinary meeting. If the city records the meeting, a copy of the tape shall be supplied to the union upon its request.

Section 8. When an employee is under formal investigation for criminal charges or illegal offenses, the employee shall cooperate in the investigation and answer all questions relevant to the investigation. Prior to any interrogations for alleged criminal charges, the employee shall be given Miranda rights and be allowed to consult with an attorney who is available within a reasonable amount of time. If, after being provided Miranda warning, the employee refuses to answer questions, the employee may be ordered to do so. Prior to ordering an employee to answer questions, Garrity rights must be given, assuring the employee that the City will not use any answers against the employee in criminal prosecution. If an employee still refuses to answer questions after having been provided Miranda and Garrity rights, the employee may be disciplined, up to and including discharge, for insubordination.

Section 9. Records of disciplinary actions shall not be considered for progressive disciplinary action at the expiration of the periods outlined below:

<u>Discipline</u>	<u>Time Period</u>
a. Written Warning/Reprimand	eighteen (18) months
b. Suspensions and Reassignments	eighteen (18) months

If, after the expiration of any of these time periods outlined above, the employee is disciplined and uses work history as defense to mitigate discipline, then all of the employee's prior discipline may be brought forth as evidence of the employee's work record.

Section 10. Discipline shall be carried out in a private and business-like manner.

Section 11. Grievances over discipline outlined in Section 6 may be filed at Step 2 of the grievance procedure.

## ARTICLE 19 GRIEVANCE PROCEDURE

Grievances shall be resolved according to the procedures outlined below.

<b>GREIVANCE EVENT ACTUALLY OCCURS</b>	
Informal Step	Discussion with immediate supervisor and verbal answer within two (2) days after discussion.
Step 1: <u>Department Head</u> <b>Seven (7) day filing deadline.</b>	Written grievance filed with department head within seven (7) days after immediate supervisor's Informal Step answer, but no longer than ten (10) days total from when the grievance event actually

Section 1. Definitions The term "grievance" shall mean an allegation by an employee or the Union that a breach, misinterpretation, or improper application of this Agreement has occurred.

Section 2. Grievance Procedure Rules All grievances must be written, including group grievances, and shall contain the following information:

- (a) aggrieved employee(s) name and signature;
- (b) aggrieved employee(s) classification;
- (c) date grievance was first discussed;
- (d) name of supervisor with whom grievance was discussed;
- (e) date grievance was filed in writing;
- (f) date and time grievance occurred;

- (g) where grievance occurred;
- (h) description of incident giving rise to the grievance;
- (i) articles and sections of Agreement violated; and
- (j) resolution requested.

The Union shall have the responsibility for the duplication, distribution, and accounting of the grievance forms.

Section 3. Any grievance not answered by the City within the stipulated time limits above may be advanced to the next step in the grievance procedure automatically. A grievance not submitted by the Union within the stipulated time limits above shall be dismissed with prejudice. All time limits on grievances or steps in the procedure may be waived upon mutual written consent of the parties.

Section 4. When an employee covered by this Agreement does not want Union representation, no grievance settlement shall conflict with any provision of this Agreement. An employee shall be entitled to representation at each step of the grievance procedure by a union representative or a union attorney. The absence or unavailability of the union representative or union attorney shall not delay the processing of the grievance.

Section 5. Arbitration Procedure. The parties hereby establish a panel of the following five arbitrators:

- A. Dennis Minni
- B. Jonathan Klein
- C. Dr. David M. Pincus
- D. Marvin Feldman
- E. Dennis Byrne

Upon receipt of a notice to arbitrate, the parties shall choose an arbitrator by alternatively striking names from the panel until one (1) name remains as the arbitrator. The arbitrator shall be notified as soon as possible of the selection and a hearing shall be held within forty-five (45) days of the arbitrator's confirmation that the appointment as arbitrator has been accepted. Once selected, the arbitrator shall not be eligible to hear another case until the panel is exhausted.

Section 6. Arbitration Rules.

The first question to be placed before the arbitrator may be whether or not the alleged grievance is related to matters specifically covered by the Agreement, or whether the procedural requirements of this Article have been satisfied. If the grievance is not arbitrable, the grievance will be considered concluded at that point and the Union will pay all arbitration fees and costs. If the arbitrator determines that the grievance is timely and is within the arbitrator's jurisdiction, the grievance will be heard on its merits before the same arbitrator in the same hearing.

The arbitrator shall limit decisions strictly to the interpretation, application, or enforcement of the specific Articles of this Agreement, and shall be without power or authority to:

- (a) make any decisions contrary to or inconsistent with or modifying or varying in any way the terms of this Agreement.
- (b) make any decisions granting any right or relief or any alleged grievance occurring at any time other than the contract period in which such right originated; and
- (c) make any decisions concerning the establishment of wage scales.
- (d) Reduce or dismiss any employee discipline where the City has proven just cause for the level of discipline.

Section 7. The decision of the arbitrator made within the arbitrator's jurisdiction shall be final and binding on the parties. Unless otherwise agreed, the arbitrator's decision shall be rendered within 30 days of the submission of the parties' briefs.

Section 8. The costs of the services of the arbitrator shall be borne by the losing party. The fees of the court reporter, if any, shall be paid by the party requesting the reporter. The appearance fees and transcript shall be split equally if both parties desire a reporter or request a copy of any transcript. All other expenses are borne by the party incurring them.

## **ARTICLE 20 SICK LEAVE**

Section 1. Each full-time bargaining unit employee shall be entitled, for each completed eighty (80) hours of service, sick leave of four and six-tenths (4.6) hours based on the employee's regular hourly wage. Unused sick leave shall be cumulative without limit. Any sick leave used for purposes that are FMLA qualifying shall be credited against any unpaid time available under the FMLA.

Section 2. Employees may use sick leave for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees, and for illness, injury or death in the employee's immediate family. For purposes of this Article, immediate family is defined as parent, mother and father-in-law, sister, brother, spouse, child, or stepchild.

Section 3. Employees unable to report for any of the reasons in Section 2, must report their anticipated absence to the department supervisor one-half (½) hour before the start of their shift on the first day of absence and each succeeding day of absence, unless other arrangements are authorized by the supervisor. Employees who fail to provide the required one-half (½) hour notice will not be paid for the time off. Upon return to work

from sick leave, the employee shall submit to the department head a sick leave absence card confirming the sick leave hours taken off.

Section 4. When sick leave is used, it shall be deducted from the employee's accumulated sick leave credit on the basis of one (1) hour for every one (1) hour of absence from previously scheduled work.

Section 5. All employees who are absent for three (3) or more consecutive days may be requested to submit a statement from a licensed physician concerning their illness (or illness of those being cared for). In addition, any abuse or patterned use of sick leave may be just and sufficient cause for disciplinary action. The City may require a physician's verification for each occurrence of sick leave of employees who have demonstrated a patterned use or abuse of sick leave.

Patterned use or abuse of sick leave includes regularly using sick leave before or after weekends, before or after holidays, before or after normal days off, on certain days of the week, in an excessive number of individual sick days off compared to the average number of sick leave days off for the department as a whole, use immediately after sick leave is accrued, or in a manner inconsistent with the request for sick leave, e.g. personal reasons during the time the employee would have been scheduled to work.

Section 6. Sick leave time off is for the employee's recuperation from illness or activity directly related to recuperation, e.g., purchase of medicine, or doctor's visits, during an employee's normal working hours. It also includes similar activity for the care of a person defined in Section 2 above.

Employees on sick leave or taking care of someone for appropriate sick leave purposes shall not engage in any personal or recreational activity during the time they would have been scheduled to work. Sick leave for a doctor's visit shall be used for the time necessary for such visit and related visits to obtain prescription drugs or prescribed therapy. Sick leave abuse will be analyzed based on an employee's conduct during normal working hours while on sick leave.

Section 7. In addition to sick leave accrued in Section 1 above, each City employee shall be entitled to sick leave of thirty (30) days annually with pay, upon approval of the responsible administrative officer of the employing unit, for absence due to injury or occupational disease, where such injury has occurred or occupational disease has been contracted in the course of employment with the City of Medina, provided the same was not purposely self-inflicted. Unused sick leave under this section shall not be cumulative. The responsible administrative officer of the employing unit may require the employee to furnish a satisfactory affidavit that this absence was caused by injury or illness while working on the job for the City.

Section 8. A City employee may elect, at the time of retirement from the active service and with ten (10) or more years of service with the City, to be paid in cash for 37.5% of the value of his accrued but unused sick leave credit. Such payment shall be

based on the employee's rate of pay at the time of retirement. Payment for sick leave credit on this basis shall be considered to eliminate all sick leave credit accrued by the employee at the time. Such payment shall be made only once to any employee. The maximum payment that may be made under this section shall be forty-five (45) eight (8) hour days.

Section 9. With prior written approval from their supervisors, full-time employees shall be allowed to use two (2) days of sick leave annually as personal days.

## **ARTICLE 21 FUNERAL LEAVE**

Section 5. For purposes of calculating overtime based on hours worked in a seven (7) day work period, an employee who works eight (8) hours on a holiday and receives eight (8) hours of holiday pay shall only be credited with eight (8) hours worked on the holiday and not sixteen (16) hours for that day.

**This is only a summary.** If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at [welcometouhc.com](http://welcometouhc.com) or by calling 1-800-377-5154.

**Warning:** If you or your family members are covered by more than one health care plan, you may not be able to collect benefits from both plans. Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all the rules very carefully and compare them with the rules of any other plan that covers you or your family. Benefits are underwritten by United HealthCare Insurance Company.

<b>Important Questions</b>	<b>Answers</b>	<b>Why This Matters</b>
<b>What is the overall deductible?</b>	Network: <b>\$500</b> Individual / <b>\$1,000</b> Family Non-Network: <b>\$1,000</b> Individual / <b>\$2,000</b> Family Per calendar year. Copays, prescription drugs, and services listed below as "No Charge" do not apply to the deductible.	You must pay all the costs up to the <b>deductible</b> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <b>deductible</b> starts over (usually, but not always, January 1st). See the Common Medical Events chart for how much you pay for covered services after you meet the <b>deductible</b> .
<b>Are there other deductibles for specific services?</b>	No. There are no other <b>deductibles</b> .	You don't have to meet <b>deductibles</b> for specific services, but see the Common Medical Events chart for other costs for services this plan covers.
<b>Is there an out-of-pocket limit on my expenses?</b>	Network: <b>\$1,000</b> Individual / <b>\$2,000</b> Family Non-Network: <b>\$3,000</b> Individual / <b>\$6,000</b> Family	The <b>out-of-pocket limit</b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
<b>What is not included in the out-of-pocket limit?</b>	Premium, balance-billed charges, health care this plan doesn't cover, and penalties for failure to obtain Pre-Authorization for services.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
<b>Is there an overall annual limit on what the plan pays?</b>	No. This policy has no overall annual limit on the amount it will pay each year.	The Common Medical Events chart describes any limits on what the plan will pay for specific covered services, such as office visits.
<b>Does this plan use a network of providers?</b>	Yes, this plan uses network <b>providers</b> . If you use a non-network <b>provider</b> your cost may be more. For a list of network <b>providers</b> , see <a href="http://myuhc.com">myuhc.com</a> or call 1-800-377-5154 for a list of network <b>providers</b> .	If you use a network doctor or other health care <b>provider</b> , this plan will pay some or all of the costs of covered services. Be aware, your network doctor or hospital may use a non-network <b>provider</b> for some services. Plans use the term network, <b>preferred</b> , or participating for <b>providers</b> in their <b>network</b> . See the Common Medical Events chart for how this plan pays different kinds of <b>providers</b> .
<b>Do I need a referral to see a specialist?</b>	No. You don't need a referral to see a <b>specialist</b> .	You can see the <b>specialist</b> you choose without permission from this plan.
<b>Are there services this plan doesn't cover?</b>	Yes.	Some of the services this plan doesn't cover are listed under Services Your Plan Does NOT Cover. See your policy or plan document for additional information about <b>excluded services</b> .

### ATTACHMENT A

- **Co-payments (copays)** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Co-insurance (co-ins)** is *your* share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is \$1,000, your **co-insurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If a non-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if a non-network hospital charges \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use network **providers** by charging you lower **deductibles, co-payments** and **co-insurance** amounts.

Other limitations on your rights to continue coverage may also apply.

## About these Coverage Examples:

These examples show how this plan might cover medical care in given situations. Use these examples to see, in general, how much financial protection a sample patient might get if they are covered under different plans.

**This is not a cost estimator.**

Don't use these examples to estimate your actual costs under this plan. The actual care you receive will be different from these examples, and the cost of that care will also be different.

See the next page for important information about these examples.

## Questions and answers about Coverage Examples:

<p><b>What are some of the assumptions behind the Coverage Examples?</b></p> <ul style="list-style-type: none"> <li>• Costs don't include <b>premiums</b>.</li> <li>• Sample care costs are based on national averages supplied to the U.S. Department of Health and Human Services, and aren't specific to a particular geographic area or health plan.</li> <li>• The patient's condition was not an excluded or preexisting condition.</li> <li>• All services and treatments started and ended in the same coverage period.</li> <li>• There are no other medical expenses for any member covered under this plan.</li> <li>• Out-of-pocket expenses are based only on treating the condition in the example.</li> <li>• The patient received all care from in-network <b>providers</b>. If the patient had received care from out-of-network <b>providers</b>, costs would have been higher.</li> <li>• If other than individual coverage, the Patient Pays amount may be more.</li> </ul>	<p><b>What does a Coverage Example show?</b></p> <p>For each treatment situation, the Coverage Example helps you see how <b>deductibles, co-payments, and co-insurance</b> can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn't covered or payment is limited.</p>	<p><b>Can I use Coverage Examples to compare plans?</b></p> <p>✓ <b>Yes.</b> When you look at the Summary of Benefits and Coverage for other plans, you'll find the same Coverage Examples. When you compare plans, check the "Patient Pays" box in each example. The smaller that number, the more coverage the plan provides.</p>
	<p><b>Does the Coverage Example predict my own care needs?</b></p> <p>* <b>No.</b> Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor's advice, your age, how serious your condition is, and many other factors.</p>	<p><b>Are there other costs I should consider when comparing plans?</b></p> <p>✓ <b>Yes.</b> An important cost is the <b>premium</b> you pay. Generally, the lower your <b>premium</b>, the more you'll pay in out-of-pocket costs, such as <b>co-payments, deductibles, and co-insurance</b>. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.</p>
	<p><b>Does the Coverage Example predict my future expenses?</b></p> <p>* <b>No.</b> Coverage Examples are <b>not</b> cost estimators. You can't use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your <b>providers</b> charge, and the reimbursement your health plan allows.</p>
