Should any part of this Agreement be held invalid by operation of law or by any tribunal of competent jurisdiction or should compliance with or enforcement of any part of this Agreement be restrained by any such tribunal, pending a final determination as to its validity, such invalidation or temporary restraint shall not invalidate or affect the remaining portions herein or the application of such portions to persons or circumstances other than those to whom or to which it had been held invalid or has been restrained. Except as provided herein, neither party shall attempt to change this Agreement during the life of this Agreement.

Section 1.5 Enforceability of Agreement

Section 7.3 Equal Treatment

All employees of the City within the bargaining unit shall receive equal treatment and share in any and all benefits as provided herein, regardless of whether or not they are dues paying members of the Union.

**ARTICLE 8

In the interest of sound labor/management relations, unless mutually agreed otherwise, the City and the Union shall meet when requested by either the City or the Union periodically on a mutually agreeable day and time, with not more than two (2) employee members and one (1) staff representative of the Union and not more than three (3) representatives on behalf of the City to discuss pending problems and/or issues in order to promote a more harmonious labor/management relationship.

Section 8.2. An agenda will be exchanged by the parties at least five (5) working days in advance of the scheduled meeting with a list of matters to be taken up in the meeting and the names of those representatives who will be attending. Section 8.3. It is further agreed that if special labor/management meetings have been requested, and mutually agreed upon, they shall be convened as soon as possible.

Section 8.4. Although questions of contract interpretation are appropriate for discussion in these meetings, it is not intended that the meetings replace the collective bargaining process or be used as a forum for trying to alter this Agreement. Although it is intended that the parties can suggest any topic for discussion that relates to terms and conditions of employment, no discussion constitutes a waiver of any of the City's management rights.

**ARTICLE 9
WORK RULES AND GENERAL ORDERS**

The City agrees that, to the extent possible, work rules shall be reduced to writing, and provided to all employees in advance of their enforcement. The City will provide the Union copies of any revised or new written work rules, policies, regulations, and training bulletins, in advance of their intended effective dates.

**ARTICLE 10
INTERNAL AFFAIRS INVESTIGATIONS AND DISCIPLINARY PROCEDURE**

Section 10.1 Formal Internal Affairs Investigation

- A. Prior to a Member being asked questions during a formal internal affairs investigation which could lead to discipline of the Member questioned, that Member shall be informed of the right to have Union representation if the Member so desires and requests such representation. If no Union representative is available within a reasonable period of time, then the investigation will continue only if the delay would interfere with the ability of the department to effectively conduct the investigation, but in no event shall it be continued past forty-eight (48) hours absent extenuating circumstances.
- B. In the event Union representation is requested in such an investigatory interview, no questions shall be asked the member without the member's Union representative being present.
- C. In the event Union representation is requested in such an investigatory interview, the member may consult with the member's Union representative before the investigatory interview and the Union representative may act as a witness during the interview but may not interfere with the member or investigator during the interview. This does not limit the right of the member to ask for a break during the interview to consult with his or her Union representative.
- D. Except in unusual circumstances requiring otherwise, members will only be asked questions during duty hours. In the event a member is questioned during non-duty hours, the member will be compensated at the member's appropriate rate of pay for time spent being questioned.
- E. A member who refuses to answer questions in an internal investigation of the member's conduct or the conduct of another person may be charged with insubordination or a like offense, if after being advised that such refusal to answer or refusal may, if continued, be the basis for such a charge. No member shall be charged with insubordination where such

refusal is based on the Member's exercise of rights afforded the Member in regard to a criminal investigation. However, if a Member is provided "Garrity Rights" and is informed by the investigating officer that the Member's responses to questions will not be the basis for criminal charges against the Member, and the Member is ordered to answer questions, a Member's refusal to answer questions or refusal to participate in an investigation may form the basis for a charge of insubordination or like offense.

- F. A polygraph or other lie detection examination may be used with consent of the witness.
- G. In evaluating the evidence regarding a complaint about a Member's conduct, the City will take into account the length of time which has expired between the date of the alleged incident and the date the complaint is received as bearing on the credibility of the complaining party. In the event a complaint is received from an anonymous source, the City will not take action against the Member complained about unless the complaint is supported by other corroborative evidence uncovered during the course of the investigation.

Section 10.2 Notice After Completion of Formal Internal Affairs Investigation

Within ten (10) calendar days following the completion of the formal internal affairs investigation, the Chief or designee will notify the employee and if requested by the employee, the Union representative, of the results of the investigation. This notice shall be provided on a form agreed upon by the parties notifying the employee or the Union of one of the following results:

- A. Counseling, which may be oral or written, and is not considered disciplinary action; or
- B. Issuance of an oral reprimand; or
- C. Issuance of a written reprimand; or
- D. Notice that the Chief intends to bring disciplinary charges at the level of suspension or above against the affected employee(s); or
- E. Notice that the Chief intends to end the investigation with no further action.

Section 10.3 Service of Disciplinary Actions

- A. If disciplinary charges are brought against any employee after the formal internal affairs investigation has been completed, they shall be furnished to the employee in writing within ten (10) calendar days after the

investigation has been completed. A copy of such charges shall be made available to the Union representative (or to such legal representative of the employee's own choosing and expense). If the disciplinary charge is at the level of suspension or above, the Union shall be notified of the time and location of the hearing on the disciplinary charges and shall have the right to attend said hearing for the purpose of representing the employee and/or to protect the integrity of this Contract.

- B. Oral and written reprimands signed by the Chief shall be furnished to the employee and the Union representative in writing within ten (10) calendar days after the investigation has been completed.
- C. When possible the Chief or designee will serve disciplinary charges to the employee in person. If the employee cannot be served in person, the Chief or designee may serve disciplinary charges by certified mail followed by regular U.S. mail should certified mail be unclaimed, refused or undeliverable. Notice under this subsection shall be to the last home address furnished by the employee(s) to the City's Department of Human Resources.
- D. Regular mail service shall be deemed delivered three (3) business days after mailing the disciplinary charges or reprimand to the employee's home address.

Section 10.4 Hearing on Disciplinary Charges at the Level of Suspension or Above

- A. A hearing on the merits of the disciplinary charges at the level of suspension or above shall be conducted by the Director of the Department of Human Resources within thirty (30) calendar days from the delivery of the notice of the charges to the employee made under Section 10.3 C.
- B. The results of said hearing shall be in writing and given to the employee within twenty (20) calendar days after the hearing.
- C. For purposes of Article 10, the final disciplinary action issued as a result of a disciplinary hearing may be an oral reprimand, a written reprimand, suspension and/or demotion or termination.
- D. No employee shall be reduced in pay or position, suspended, removed or reprimanded or disciplined in any way except for just cause.
- E. Every effort will be made to apply discipline in a uniform manner to all bargaining unit employees except legitimate mitigating circumstances may be taken into consideration. The principles of progressive disciplinary action will be followed with respect to minor offenses. The progression, where appropriate, will include at least an oral reprimand, a written

reprimand, a short term suspension and then a long term suspension for minor offenses prior to dismissal.

- F. Whenever a disciplinary action is taken pursuant to this Article the employee shall be given a copy of such record.

Section 10.5 Disciplinary Grievances

If the employee is not satisfied with the results of the hearing, the employee may appeal the determination by filing a grievance pursuant to Article 11 of this Agreement, together with any alleged violations of administrative procedures and time limits set forth in this Article. Grievances filed pursuant to this Section can be started at the step above where the discipline originated. (For example, if the discipline was from a sergeant, the grievance can start with the lieutenant.) As with non-disciplinary grievances, any Step in the Grievance Procedure may be skipped by mutual written consent between the City's designated representative and the Union.

In cases of verbal warnings and/or written reprimands, if an Employee disagrees, he or she may write comments on the Disciplinary Action Form explaining his or her position and why he or she disagrees with the verbal warning and/or written reprimand.

Section 10.6 Extensions to Time Deadlines

The parties acknowledge that certain situations may warrant more extensive investigation such as investigations of a criminal or conspiracy nature, or when alleged violations address other local, state or federal laws, or when initiated pursuant to the Mayor's executive order. The parties may agree in writing to extend any time periods. Consent to an extension or extensions shall not be unreasonably withheld.

If an employee is on approved leave, the time limits for investigation, delivery of charges and hearing shall be automatically tolled and the time periods extended an equal number of days.

The parties may agree in writing to extend any of the time periods set forth in this Article.

ARTICLE 11 GRIEVANCE PROCEDURE

Section 11.1 Grievance Defined

The word "grievance" is defined as a dispute or difference between the City and the Union solely pertaining to the interpretation, application and/or alleged violation of the provisions of this Agreement.

Section 11.2 Who may File

A grievance can be initiated by any aggrieved bargaining unit member. Where a group of employees desire to file a grievance involving a situation affecting each member in the same manner, one employee selected by such group shall process the grievance as the designated representative of the group.

Section 11.3 Establishment of Grievance Representatives

The Union will designate one (1) Grievance Representative from the members of the Union.

Section 11.4 Grievance Procedure

The following are the implementation steps and procedures for handling employees' grievances:

A. Preliminary Step Immediate Supervisor (Verbal)

An employee having an individual grievance will first attempt to resolve it informally with his or her immediate supervisor. Such attempt at informal resolution shall be made by the employee/grievant within ten (10) working days of when the event or circumstance giving rise to the grievance occurred or first became known to the employee/grievant. Grievances brought to the attention of the supervisor (except for automatic time extensions as described herein) beyond the ten (10) working days time limit shall not be considered.

At this Step, there is no requirement that the grievance be submitted or responded to in writing; however, a Grievance Representative may accompany the grievant should the latter request his or her attendance. If the employee is not satisfied with the oral response from his or her immediate supervisor at this Step, he or she may pursue the formal steps which follow.

Before a grievance is placed in writing pursuant to Step One, such grievance shall be screened by the appropriate Grievance Representative. The supervisor and employee shall each sign and date a statement, and keep a copy, identifying the date the grievance was first raised.

B. Step One Immediate Supervisor (Written)

- 1) When an employee has a grievance in which his or her supervisor's oral response in the Preliminary Step is unsatisfactory, he or she may then submit said grievance in writing to the supervisor on the grievance form agreed upon by the parties, with a copy delivered to the Chief of Police. The employee's grievance shall be submitted on the grievance form as described below in Section 11.9. Such form must be submitted to the supervisor within seven (7) working days following the oral response from

the Preliminary Step. The supervisor shall sign and date-stamp the grievance form on the date he or she receives the grievance form. Grievances submitted beyond the seven (7) working days time limit shall not be considered.

- 2) Within seven (7) working days of his or her receipt of the written grievance, the immediate supervisor shall affix his or her written response to the grievance form, date and sign his or her response, and return one copy of it to the grievant. If the aggrieved employee does not refer his or her grievance to the Second Step of the procedure within seven (7) working days after the receipt of the decision rendered in this step, the grievance shall be considered to be satisfactorily resolved.

C. Step Two Supervisor of Immediate Supervisor

- 1) Should the employee/grievant not be satisfied with the answer in Step One, within seven (7) working days thereafter he or she may appeal the grievance to Step Two by delivering or having delivered a copy of the grievance form, containing the written responses at the prior Step and any other pertinent documents, to the person holding the position of supervisor over the grievant's immediate supervisor. This person shall sign and date-stamp the grievance form, accurately showing the date he or she received the grievance form.
- 2) Within seven (7) working days of his receipt of the written grievance, the person holding the position of supervisor over the grievant's immediate supervisor shall affix his written response to the grievance form, date and sign his response, and return one copy of it to the grievant. If the aggrieved employee does not refer the grievance to the third step of the procedure within (5) working days after the receipt of the decision rendered at this step, the grievance shall be considered to be satisfactorily resolved.

D. Step Three Chief of Police

- 1) Should the employee/grievant not be satisfied with the answer in Step Two, within ten (10) working days thereafter, he or she may appeal the grievance to Step Three by delivering or having delivered a copy of the grievance form, containing the written responses at the prior Steps and any other pertinent documents, to the Chief of Police. The Chief of Police shall sign and date-stamp the grievance form, accurately showing the date his or her office received the grievance form.
- 2) Within ten (10) working days of the receipt of the grievance form, the Chief of Police or his or her designated representative for this purpose shall investigate the grievance, and shall schedule and conduct a meeting

to discuss the grievance with the Grievance Representative or the Union's Representative. The Grievance Representative or Representative of the Union may bring the grievant to the meeting.

- 3) Within ten (10) working days of the meeting at this Step, the Chief of Police shall submit his or her written response to the grievance to the Grievance Representative and the grievant.

E) Step Four Human Resources Director

- 1) Should the employee/grievant not be satisfied with the answer in Step Three, within ten (10) working days thereafter, he or she may appeal the grievance to Step Four by delivering or having delivered a copy of the grievance form, containing the written responses at the prior Steps and any other pertinent documents, to the City's Human Resources Director. The Human Resources Director shall sign and date-stamp the grievance form, accurately showing the date his or her office received the grievance form.
- 2) Within ten (10) working days of the receipt of the Grievance Form, the Human Resource Director or his designated representative for this purpose shall investigate the grievance, and shall schedule and conduct a meeting to discuss the grievance with the Grievance Representative or the Union's Representative. The Grievance Representative or Representative of the Union may bring the grievant to the meeting.
- 3) Within ten (10) working days of the meeting at this Step, the Human Resource Director shall submit his or her written response to the grievance to the Grievance Representative and the grievant.

Should the employee/grievant not be satisfied with the answer at this Step, he or she shall notify the Grievance Representative of his or her desire to implement Step Five, Arbitration. The Representative of the Union will screen all grievances before submitting them to Arbitration. Should the Union determine that it desires that the grievance proceed to Arbitration, the Union shall so notify the City by providing written notification to the City stating such intention and thereby invoking Arbitration. Such written notice shall be mailed within ten (10) working days after receipt of the response at Step Four.

F) Step Five Arbitration

- 1) Upon the serving of notice to arbitrate the parties will promptly meet to agree upon the selection of an arbitrator. If the parties are unable to mutually agree upon the selection of an arbitrator they will have recourse to the procedures of the office of Arbitration Services of the Federal Mediation and Conciliation Services. The parties shall confer and strike names from the list of nine (9) arbitrators provided by the Federal Mediation and Conciliation Service until one name remains unless they mutually agree upon an arbitrator identified on the list. Each party may

- ask for a second list one (1) time. The authority to strike the first name from the list shall be determined by a flip of a coin.
- 2) The arbitrator shall afford both parties the opportunity to be heard, to present and examine witnesses, to offer documentary and other evidence and to submit post-hearing briefs. The arbitrator shall issue a written decision setting forth the finding and rationale in support of said finding.
 - 3) It is expressly understood and agreed that the arbitrator shall be without jurisdiction or authority to detract from, alter, add to or otherwise amend in any respect any of the provisions of this Agreement or any supplements or appendixes thereto; nor shall the arbitrator find any grievance to be meritorious unless first finding that a provision of this Agreement has been violated as alleged and that the arbitrator has jurisdiction over the matters grieved. It is expressly agreed and understood that the jurisdiction and authority of the arbitrator shall be limited to the interpretation, application and determination of the provisions of this Agreement and any supplements and appendixes thereto. It is further agreed that no grievance shall be arbitrated together with any other grievance except by mutual consent of the City and the Union. All decisions reached by the arbitrator shall be final and binding upon the parties.
 - 4) The arbitrator shall render his or her decision within thirty (30) calendar days from the closing of the arbitration hearing, except that if post-hearing briefs are to be filed, then the hearing shall be deemed closed on the date set for submitting the briefs to the arbitrator. The fees and expenses of the arbitrator will be shared jointly by the parties. Each party will bear its own expenses.

Section 11.5 Time Off for Presenting Grievances

An employee and his or her Grievance Representative shall be allowed time off from regular duties with pay for attendance at scheduled meetings under the Grievance Procedure with prior approval of their respective supervisors. Grievance Representatives shall be allowed adequate time, as approved by the supervisor, off the job with pay to conduct a proper investigation of each grievance. Such approval will not be unreasonably withheld, and the withholding of such approval shall result in an automatic, equivalent extension of time limits within which a grievant must appeal his or her grievance or have it heard. All requests for time-off pursuant to this Section shall be requested and responded to in writing.

Section 11.6 Grievance Representatives

Neither a grievant nor a grievance representatives shall receive overtime pay to engage in grievance activities provided for herein. However, grievance meetings at Step Two shall be held at an agreeable time to all parties. The Bargaining Unit shall notify the

Department Head in writing, of the names of Grievance Representatives within thirty (30) days of their appointment.

Section 11.7 Time Limits

It is the City's and the Union's intention that all time limits in the above Grievance Procedure shall be met. To the end of encouraging thoughtful responses at each Step, however, the grievant, the Union and the City's designated representatives may mutually agree, at any Step, to short time extensions for the City's answer, but any such agreement must be in writing and signed by the parties.

Similarly any Step in the Grievance Procedure may be skipped by mutual written consent between the City's designated representative and the Union. Except in case of emergencies as declared by the Chief, or in the absence of such mutual extensions, the grievant may, at any Step at or above Step Three (Chief of Police) where a response is not forth-coming within the specified time limits: (a) presume the grievance to have been granted by the City in full, and the City shall immediately implement the requested remedy, or (b) if the grievance concerns a matter of contract interpretation (a matter that is not a disciplinary or financial grievance) in which case the grievance is presumed to be denied and advanced to the next step in the grievance procedure.

Section 11.8 Representatives in Meeting

In each step of the Grievance Procedure outlined herein, certain specific representatives are given approval to attend the meetings as prescribed herein. It is expected that in the usual grievance, these will be the only representatives in attendance at such meetings. However, it is understood by the parties that in the interest of resolving grievances at the earliest possible Step of the Grievance Procedure, it may be beneficial that other representatives, not specifically designated, be in attendance. Therefore, it is intended that either party may bring in additional representatives to any meeting in the Grievance Procedure, but only upon advance mutual agreement between the parties.

Section 11.9 Grievance Form

Grievance forms will be supplied by the Union. The City agrees that the grievance form (as it existed on January 1, 2005) and commonly used by the Labor Council is satisfactory and will suffice for use by these bargaining units when filing a written grievance. It is agreed by the parties that every effort will be made to have the form signed by the employee bringing the grievance. However, if the employee bringing the grievance is unavailable, the form may be signed by the employee's Labor Council Associate.

Section 11.10 Working Days

For the purposes of counting time, "working days" as used in this Agreement are the working days of the party with the burden to act and will not include scheduled days off, approved leaves or holidays .

Section 11.11 Nondiscrimination

No employee or official of the Union shall be removed, disciplined, harassed or discriminated against because he or she has filed or pursued a grievance under this Procedure.

Records of written reprimand shall be removed from the member's personnel file and will not be used as a basis for further discipline thirty (30) months or more after issuance. Records of a suspension of less than five (5) days (short term suspension) shall be removed from the member's personnel file and will not be used as a basis for further discipline four (4) years or more after issuance. Records of a suspension of five (5) days or more (long term suspension) shall be removed from the member's personnel file and will not be used as a basis for further discipline six (6) years or more after issuance.

- A. The City will maintain a "mandatory shift call in list" for each of the three shifts. Members will be on the list specific to the shift in which they work. These lists will determine which Member will be mandated for work during a "mark-off" situation in which staffing is needed, as described above. Once a Member is mandated to work from the list, that Member's name will be moved to the bottom of the list.
- B. Lists will be developed once a year following the shift bid selection process. The list will be developed by seniority on each shift with the most senior member being listed last.

- C. The on-duty supervisor will mandate the first half (1/2) of the shift coverage to the Member working the preceding shift who is listed first on the shift mandatory call-in list; the second half (1/2) of the shift coverage will be mandated to the Member who is listed first on the shift mandatory call-in list from the on-coming shift.
- D. Members on assigned and approved time-off are excluded from mandatory call-in from the lists unless their next assigned duty shift abuts the shift vacancy. E. In the event a full-time and a part-time employee are working the same shift, the full-time employee will have seniority over the part-time employee for purposes of this section, regardless of the date of hire for each employee.
- F. Unless there is an unforeseen emergency or unforeseen event, no police support services clerk will be permitted or ordered to work more than twelve (12) consecutive hours. **Section 14.6 Shift Selection**

Each bargaining unit member will be assigned to the hours of the day that he or she will work. The schedule of shifts to be filled will be posted by the Division in November of each year. The bargaining unit members will select their choice of shift based on their full-time seniority as a bargaining unit member. The new shift assignments shall be effective in the first full pay period of the following year. If a shift becomes vacant before July 1 of a year, there will be an additional bidding of shifts to be completed no more than thirty (30) days from the date the shift is actually vacant. The re-bid shifts will be effective in the first full pay period after the re-bidding is complete.

Members on the Union bargaining committee shall be permitted to attend negotiation meetings that may be scheduled during their regularly scheduled shifts without loss of pay, entitlement and/or benefits, but shall not be entitled to overtime pay solely for the purpose of attending such meetings. However, bargaining committee members shall receive hour for hour compensatory time at their straight time rates when negotiation meetings are scheduled at a time other than their regularly scheduled shifts. Upon prior notification to their supervisors, bargaining committee members shall be allowed reasonable time off duty, without loss of pay, entitlement, and/or benefits to attend work sessions of the bargaining committee during and prior to the course of negotiations, if any such meetings should fall within any of their regularly scheduled shifts.

- B. Bargaining Unit members will be compensated an additional eight (8) hours for each holiday referred to in Section 1 that occurs on or before November 30 of each year. Payment will be made in the first pay period in December of each calendar year in a separate lump sum payment.

- C. Members who are scheduled to work on any of the holidays specified in this Article may take any authorized leave in the form of vacation, personal or compensatory time instead of using the holiday itself as leave. When members use other than the holiday as leave time, the eight (8) hours of holiday time earned will be placed in the holiday bank to be paid in December of each calendar year as specified in Section 2(B) of this Article.

Section 16.3 Effect Upon Leave

If one of the holidays in Section 16.1 falls during a period when an employee is on an approved vacation or sick leave, the employee shall not be charged vacation or sick leave for that day.

The Chief of Police shall have the right to establish the work schedule for all covered employees on any of the holidays specified in this Article.

ARTICLE 17 PERSONAL DAYS

Section 17.1 Personal Day

All employees covered by this Agreement shall receive three (3) Personal Days per year per employee. The City may purchase one (1) personal day per year per employee at eight (8) hours at the employee's normal rate of pay if scheduling prohibits the granting of the request. New employees shall receive one (1) personal day for every four (4) months employed during the first calendar year of employment.

Section 17.2 Personal Day Scheduling

ARTICLE 18 SICK LEAVE

Section 18.1 Accrual

Full-time employees shall accrue sick leave at the rate of 4.6 hours per pay period. No sick leave shall accrue in any pay period in which the employee is in unpaid status for more than eight (8) hours of regularly scheduled work. Accruals will not be available for use until the following pay period. These accrued hours will be credited to the employee's Current Sick Leave Bank.

Section 18.2 Carryover

Credit for verified unused, un-reimbursed sick leave accrued in employment with the State of Ohio or any other political subdivision of the State shall be credited to an employee's Transferred Sick Leave Bank, except that not more than one and one quarter (1¼) days of sick leave per month of employment with the State or such political subdivision, less sick leave taken, shall be credited. The Finance Director will determine acceptable documentation.

Section 18.3 Sick Leave Use

Employees may request to use sick leave, at the employee's regular rate of compensation for absence from work due to personal illness; personal injury; personal exposure to contagious disease; necessary medical, optical or dental appointments of the employee or a member of the employee's immediate family or illness or death in the immediate family in the following manner:

- A. The employee shall first use sick leave accrued as described under Section 18.1.

The sufficiency and the type and nature of the written documentation required in each instance shall be determined by the immediate supervisor and may be:

- 1. a written, signed statement by the employee, which can be the "Request for Leave Form";
- 2. a certificate from the employee's attending physician stating the dates and nature of the illness; and/or

3. a certificate signed by a licensed physician selected by the City's Human Resources Director.

Failure to satisfactorily present the required documentation or any falsification of the required documentation shall be grounds for disciplinary action, including dismissal.

- B. Accumulated sick leave shall not be taken or used as a substitute for vacation leave. However, should an employee become ill for more than two (2) consecutive days while using approved vacation leave, the employee may make a request to the Chief of Police asking to use sick leave rather than vacation leave for those days of illness while using vacation leave. The Chief of Police may request documentation of illness as provided in Sub-Section 18.5 (A) above as the Chief deems appropriate, and on a case-by-case basis, may grant approval to the requesting employee to use sick leave instead of vacation leave for the days during which the employee was ill while using vacation leave. If the Chief approves the use of sick leave rather than vacation leave, the employee's vacation leave "bank" will be credited and the sick leave "bank" debited accordingly. The Chief's decision on this matter is final and not subject to the grievance procedure herein.
- C. Sick leave shall be used in hourly increments.
- D. An employee who is able to return from sick leave to "light duty" upon the recommendation of an attending practitioner, shall be permitted to perform such "light duty" when the City has appropriate light duty available, and if the employee is physically able to do so, as determined by an examination of a licensed physician approved by the City. No employee shall be granted "light duty" work in excess of eight (8) weeks in any calendar year.

Section 18.6 Substitution of Other Leave

If an employee without sufficient sick leave has been employed by the City for more than three (3) years and has accrued more than thirty (30) days of sick leave as of January 1 of the current year, then the employee may use with approval of the Safety Director, vacation, compensatory time, personal leave, or be carried on unpaid leave, at the employee's option. The restriction on the use of other leave shall not apply to a person employed by the City for less than three (3) years.

Section 18.7 Conversion Upon Separation

Upon death, retirement, resignation or termination of employment in good standing, an employee shall be entitled to pay out for any accrued, but unused sick leave as described in Section 18.1 based on the following:

- A. Employees shall be paid at the time of separation one-half (½) of all their accumulated sick leave hours from their Current Sick Leave Bank.

However, in no event shall payment be made for more than five hundred (500) hours. Such payment shall be made at the rate of pay in effect at the time of separation.

- B. In addition to the above, an employee may, at the end of the calendar year, elect to receive a cash payment for unused sick leave from the employee's Current Sick Leave Bank as described in Section 18.1 not to exceed a total of sixty (60) hours, at the rate of pay in effect as of December 31st of that calendar year. Payment made pursuant to this paragraph shall be made in January of the next calendar year, and will be by separate check.

The donation of sick leave pursuant to this Article shall occur on a strictly confidential and voluntary basis.

Section 19.8 Program Not Grievable

ARTICLE 35 SUBSTANCE ABUSE AND TESTING

Section 35.1 Purpose

The City and the Union recognize that the ability of a member to properly perform his or her duties depends, in part, on a workplace which is free of substance abuse. In an effort to promote public safety, to provide members who may be drug or alcohol dependent with an opportunity for treatment and for remaining productive members of the Division of Police, and in recognition that substance abuse is a problem which, depending on individual circumstances, may require intervention, rehabilitation, or discipline, it is the purpose of the Article to provide a method for responding to the risks presented by the presence of substance abuse in the workplace by:

- A. dealing with incidents of substance abuse which present a reasonable likelihood of significant risk to members, the general public, or other employees of the City.
- B. providing assistance to a member with drug or alcohol dependency problems; and
- C. disciplining a member as set forth herein.

Section 35.2 Responsibility

Although it is the responsibility of every member to be alert to potential incidents of substance abuse in the workplace, it is the primary responsibility of supervisors to initially respond to such incidents, particularly where circumstances are reasonably felt to pose a reasonable likelihood of significant risk to the public safety. Supervisors shall take such action, not inconsistent with this Article, as they deem appropriate to eliminate immediate risks associated with any incident of potential substance abuse.

Section 35.3 Definitions

The following definitions shall govern this Article:

- A. "Under the influence" means that the member is using illegal drugs or misusing alcohol, or the combination of any illegal drug and alcohol.
- B. "Legal drug" means prescribed drugs or over-the-counter drugs which have been legally obtained for the user and are used for the purpose for which they were prescribed and manufactured.
- C. "Illegal drug" means any drug (1) which is not legally obtainable, or (2) which is legally obtainable but has not been legally obtained; and prescribed drugs not being used for prescribed purpose.
- D. "Reasonable belief" is an articulated belief that a member is using illegal drugs or misusing alcohol. This articulated belief must be drawn from specific and particularized objective behavior and conduct exhibited by the member, and reasonable inferences therefrom. Reasonable belief may be based upon a member's slurred speech, odor, disorientation, abnormal appearance, conduct or behavior, or other observable cause.

Section 35.4 Prohibited Conduct

For purposes of this Article, a member shall not, while performing his or her duties for the City, or while in a City facility or vehicle, or while in uniform:

- A. Report to duty, remain on duty, or perform his/her duties under the influence of alcohol;

- B. Report to duty, remain on duty or perform his/her duties while being under the influence of any illegal drug, or while using any legal drug be impaired to the point that he or she cannot satisfactorily perform his or her assigned duties; or
- C. Unlawfully use, sell, purchase, transfer or possess alcohol or an illegal drug.

Section 35.5 Reasonable Belief Testing

A member shall be tested for alcohol or illegal drug use where a trained supervisor has reasonable belief that the member is using illegal drugs or misusing alcohol in violation of this Article.

Where a member has been ordered to undergo reasonable belief testing, he or she shall be placed on paid administrative leave pending receipt of the test results. If the test results are negative, the member shall be returned to assigned duties.

A member's refusal or failure, when ordered, to timely submit to testing permitted under this Article may subject a member to discipline, including discharge. By taking a test, a member does not waive any objection or challenge he or she may possess. Within twenty-four (24) hours of the time the member is ordered to submit to a test, the City shall provide the member with a written notice setting forth the information and observations which form the basis of the order.

Section 35.6 Testing Determination

Upon determining that a member must submit to a reasonable belief test for alcohol or illegal drug usage, the supervisor shall give the member an opportunity, prior to the test, to request the presence of, or to seek the advice from a Union Representative. The member and the Union Representative, if available, shall be given an opportunity to communicate any information or other explanation relevant to the circumstances to the supervisor. The supervisor shall then determine, after considering all of the circumstances, whether the test shall be administered. If the supervisor determines that a test shall be given, testing shall be made immediately after discussion with the member and the Union Representative, if available, but no more than one hundred and twenty (120) minutes after the reasonable belief determination has been made, whichever is sooner. The Union Representative, if available, may accompany the member to and be present with the member at the collection site.

The fact that a member may have been taking a legal drug shall not preclude the administration of a drug test if the supervisor has reasonable belief to believe that the member's satisfactory work performance has been adversely affected by the presence of such a legal drug; provided, however, that the ultimate disposition of the matter shall take such fact into consideration.

Section 35.7 Collection Site/Laboratory

- A. Both the collection site and laboratory performing testing under this Article shall be mutually selected by the City and the Union and shall be certified under the DHHS "Mandatory Guidelines for Federal Workplace Drug Testing Programs," as said Guidelines are in effect on January 1, 2005.
- B. The City, the collection site, and the laboratory shall have a clear and well-documented procedure for collection, shipment, and assessment of testing samples, which procedure shall be provided in writing to the member subject to testing and, upon request, to the Union Representative.
- C. For drug testing, the City, the collection site, and the laboratory shall follow the procedures set forth in 49 CFR Part 40, as said procedures are in effect on January 1, 2005, including an evidentiary chain of custody and control and split sample collection and testing. The collection site is responsible for maintaining the integrity of any specimen collection and transfer. Alcohol breath testing shall be conducted at the collection site and shall be conducted by a technician trained in such testing. Appropriate records of such testing shall be maintained by the collection site for review by the member and/or Union Representative. The breath testing device shall meet standards commonly used in the private sector for such testing.
- D. The City shall pay all costs associated with testing, except that any cost for testing of a split sample is the responsibility of the member.

Section 35.8 Testing Procedure

- A. For alcohol testing, the member shall be first given a breath test, at the collection site, followed by a confirmatory urine test only where the breath test reveals an initial positive alcohol level of .04 grams per 210 l. of breath. If the initial breath test results are below this level, testing shall be discontinued; if confirmatory urine test results are below a level equivalent to .04 grams per 210 l. of breath, the confirmatory test shall be considered negative.
- B. For drug testing, urine samples shall be provided.
- C. Individual privacy shall be afforded to a member in the collection of urine samples, provided that the collection site may impose stringent specimen alteration and/or substitution procedures.
- D. With regard to drug testing, where the member provides a sufficient urine sample at the time of the original sample collection, this sample shall be split and placed in two (2) separate containers at the collection site.

In the presence of the member at the testing site, and without ever leaving his or her sight, each urine sample taken shall be placed in two sterile screw-capped, self-sealed, tamper-resistant urine collection containers which shall be each sealed and labeled and then initialed by the member. The samples shall be sent, by the most expedient means available, to the testing laboratory as soon as practicable on the day of the test. The sample within the second container shall be stored at the test collection site.

The laboratory shall commence testing of the sample within the first container only if the sample is received in an undamaged condition, properly sealed and labeled, and properly initialed by the member. The certified laboratory shall first conduct an initial screening of this sample. If the test results from the screening are negative, the Chief will be so advised and the testing procedure will be concluded.

If illegal drugs or alcohol are found in the sample as a result of the screening, then that sample shall be submitted for confirmatory testing. The initial screening shall be accomplished by means of Thin Layer Chromatography (TLC) or equally reliable testing methods, and the confirmatory test shall be accomplished by means of Gas Chromatography/Mass Spectrometry (GS/MS). If the test results from the confirmatory test are negative, the Chief will be so advised and the testing procedure will be concluded.

If, as a result of the initial screening and confirmatory test, the test result is positive, the member will be contacted directly by a Medical Review Officer (M.R.O.) and will be given the opportunity to explain the reasons for a positive test result. Should the member offer an explanation that in the judgment of the M.R.O. sufficiently explains the positive test result, the M.R.O. will consider the results as negative and the Chief will be so advised and the testing procedure will be concluded.

- E. With regard to drug tests, if the test results are positive, and the member has not offered an explanation to the M.R.O. sufficient to cause the M.R.O. to consider the results negative, Human Resources Director shall be notified and the Human Resources Director shall in turn contact the member and the Chief. The City will provide members who test positive for drugs with an opportunity to have the split urine specimen tested by a clinical laboratory or hospital facility of the member's choosing, at the member's own expense, providing the member notifies the City within seventy-two (72) hours of receiving the positive results and provided further that the laboratory or clinic and the testing procedure, including chain of custody, meets or exceeds the standards established in this Agreement. If the member does not request the testing of the sample within the second container after the sample within the first container tests positive, or if the member requests the testing of the sample within

the second container and it is also tests positive for an illegal drug or alcohol, rehabilitative or disciplinary action shall be taken.

- F. The City shall provide each member tested with a copy of all information and reports from the collection site and laboratory in connection with the testing and results.
- G. The M.R.O. shall maintain his or her office in Franklin County, Ohio or an adjoining County.

Section 35.9 Voluntary Request for Assistance

A member may voluntarily enter treatment without a requirement of prior testing. A member who voluntarily seeks assistance for a substance abuse problem before being required to submit to a reasonable belief test shall not be subject to discipline.

Section 35.10 Discipline/Rehabilitation Options

Where a member has been ordered to undergo testing and the test results are positive as specified in Section 35.8, the City may, depending upon individual circumstances, discipline the member and/or offer the member the opportunity for rehabilitation (treatment). Any discipline shall be for just cause and shall take into account all facts and circumstances, including the member's desire for and/or progress in treatment, and the member's work record.

With the exception of a positive test for use of a controlled substance, the use or possession of which in any amount would constitute a felony, and notwithstanding the above paragraph, any discipline to be imposed for a first violation of Section 35.4 shall be held in abeyance pending completion by the member of a treatment program. If the member successfully completes a treatment program and is not further disciplined for substance abuse for thirty-six (36) months following the date upon which the member was tested, the discipline shall be withdrawn and the initial charge dismissed. However, a member may be disciplined for any misconduct which may be coincident with a member's violation of Section 35.4.

A member serving his or her initial probationary period may be discharged, without referral to a treatment program, at the sole discretion of the City.

Section 35.11 Referral to Treatment

Where the member is offered the option for treatment under Section 35.10, and the member accepts this referral, the member must:

- A. agree to cooperate in and successfully complete appropriate treatment as determined by the substance abuse professional(s) or physician(s) involved;

- B. discontinue use of illegal drugs or misuse of legal drugs or alcohol;
- C. agree to authorize persons involved in counseling, diagnosis and treating the member to disclose to the City the member's progress, cooperation, drug and alcohol use, completion or non-completion of counseling and treatment, and any threat to property or safety perceived in connection with the member's continued performance of his or her job duties;
- D. complete any course of counseling or treatment prescribed, including an "after-care" group for a period of up to twelve (12) months; and,
- E. agree to submit to random testing during treatment and up to three (3) times during the twelve (12) month period following the completion of counseling, treatment and/or after-care.

Members who do not agree to act or who do not act in accordance with the foregoing may be subject to discipline, up to and including discharge.

Section 35.12 Right of Appeal

The member has the right to challenge the results of the drug or alcohol tests and any discipline imposed in the same manner that any other employer action under the terms of this contract is grievable.
