AGREEMENT

BETWEEN

CLERMONT COUNTY DEPUTY SHERIFF'S ASSOCIATION

AND

THE CLERMONT COUNTY SHERIFF

(Deputy Sheriffs)

EXPIRATION DATE: DECEMBER 31, 2017

15-0427-003

ARTICLE 1. PREAMBLE

Section 1.1 This agreement, entered into by the Clermont County Sheriff, hereinafter referred to as the "Employer", and the Clermont County Deputy Sheriff's Association, hereinafter referred to as the "CCDSA" has as its purpose the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code; and to set forth the full and complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those Employees included in the bargaining unit as defined herein.

To supersede all Civil Service laws with the expressed provisions of this Agreement.

ARTICLE 2. CCDSA RECOGNITION

Section 2.1 The Employer recognizes the CCDSA as the sole and exclusive representative for those Employees of the Employer in the bargaining unit. Wherever used in this agreement, the term "bargaining unit" shall be deemed to include those full-time Employees employed by the Employer in the classification of Deputy as certified by the Ohio State Employment Relations Board in case number 09-REP-09-0109, dated May 6, 2010.

Section 2.2 All management level Employees, confidential Employees, professional Employees, seasonal and casual Employees, the administrative and technical support deputy and all other Employees of the Employer not classified as deputies are specifically excluded from the bargaining unit.

ARTICLE 3. CCDSA SECURITY

Section 3.1 The Employer agrees to deduct CCDSA membership dues and fees in accordance with this Article for all Employees eligible for the bargaining unit.

Section 3.2 The Employer agrees to deduct regular CCDSA membership dues once each month from the pay of any Employee in the bargaining unit upon receiving written authorization on a mutually acceptable form signed individually and voluntarily by the Employee. The signed payroll deduction form must be presented personally by the Employee to the Employer's fiscal officer. Upon receipt of the proper authorization, the Employer will deduct CCDSA dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received by the Employer.

Section 3.3 As a condition of employment, sixty (60) days following the beginning of employment, or upon the effective date of the Labor Agreement, whichever is later, employees in the bargaining unit who are not members of the CCDSA, including employees who resign from membership in the CCDSA after the effective date of this Labor Agreement, shall pay to the CCDSA, through payroll deduction, a fair share fee. The fair share fee is automatic and does not require the written authorization of the employee. This provision shall not require any employee to become or remain a member of the CCDSA, nor shall the fair share fee exceed the dues paid by members of the CCDSA in the same bargaining unit. The CCDSA is responsible for annually certifying to the Employer the amount of the fair share fee, along with a breakdown of its use, prior to the implementation of this Section. If an employee challenges through the Courts or the

State Employment Relations Board the deduction of the fair share fee, his/her deductions shall continue, but the funds shall be placed in an interest bearing escrow account until a resolution of his/her challenge is reached. The party in whose favor the resolution is determined shall receive the escrowed funds, including the interest, if any.

Section 3.4 The Employer agrees to remit the dues/fees deducted from the eligible bargaining unit Employees' pay, in accordance with this Article.

Section 3.5 The parties agree that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of CCDSA dues/fees. The CCDSA hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by an Employee arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the CCDSA, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the CCDSA.

Section 3.6 The Employer shall be relieved from making such individual dues/fees "check off" deductions upon an Employee's; (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; (5) revocation of the check off authorization; or (6) resignation of the Employee from the CCDSA.

Section 3.7 The Employer shall not be obligated to make dues/fees deductions from any Employee, who during any dues month involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of the CCDSA dues/fees.

Section 3.8 The parties agree that neither the Employees nor the CCDSA shall have a claim against the Employer for errors in the processing of deductions, unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error is claimed to have occurred. If it is found that an error was made, it will be corrected at the next pay period that the CCDSA dues/fees deduction would normally be made by deducting the proper amount.

Section 3.9 The rate at which dues/fees are to be deducted shall be certified to the payroll clerk by the CCDSA representative during January of each year. One (1) month advance notice must be given the payroll clerk prior to making any changes in an individual's dues/fees deductions.

Section 3.10 Except as otherwise provided herein, each eligible employee's written authorization for dues deduction shall be honored by the Employer for the duration of this Agreement or until such employee submits a written revocation of the dues deduction authorization to the Employer or designee.

ARTICLE 4. CCDSA REPRESENTATION

Section 4.1 With prior approval, non-employee representative(s) of the CCDSA shall be admitted to the Employer's facilities for the purpose of processing grievances or attending meetings as permitted herein. Upon arrival, the CCDSA representative shall identify himself to the Employer or the Employer's designated representative.

Section 4.2 The Employer shall recognize one (1) Employee, and one (1) alternate, designated by the CCDSA to act as CCDSA Associate for the purposes of representation as outlined under this Agreement.

Section 4.3 No Employee shall be recognized by the Employer as a CCDSA Associate until the CCDSA has presented the Employer with written certification of that person's selection.

Section 4.4 Rules governing the activity of CCDSA representatives and Associates are as follows:

A) The CCDSA agrees that no official of the CCDSA, Employee or non-employee, shall interfere, interrupt, or disrupt the normal work duties of other Employees. The CCDSA further agrees not to conduct CCDSA business during working hours except to the extent specifically authorized herein.

B) The CCDSA shall not conduct CCDSA activities in any work area(s) without notifying the Sheriff of the nature of the CCDSA activity.

C) The CCDSA Employee official shall cease unauthorized activities immediately upon the request of the Sheriff.

D) The investigation and writing of grievances shall be on non-duty time. If grievance meetings are scheduled during an Employee's regular duty hours, the Employee shall not suffer any loss of pay while attending the hearing.

E) The CCDSA may designate the Associate and two (2) members of the bargaining unit to serve on its negotiating committee. Negotiating committee members shall be released from duty without loss of pay for the duration of the negotiation meeting and shall return to duty upon completion of the negotiation meeting. The CCDSA may substitute the alternative representative for a member of the negotiation committee.

Section 4.5 The Employer agrees to provide bulletin board space in the roll call room or other suitable location for use of the CCDSA. The CCDSA may post on the bulletin board notices relating to recreational and social events applicable to members of the bargaining unit; election notices and election results; notices of membership meetings and other related business meetings; and other official CCDSA notices relating to the affairs of members of the bargaining unit. No obscene, immoral, unethical, scurrilous, or vituperative matter may be posted. All items posted

shall be approved and signed by the CCDSA Associate. The bulletin board shall be maintained in a neat and orderly manner.

Section 4.6 Any oral statement made by a bargaining unit member to his CCDSA representative shall not be subject to compulsory disclosure.

ARTICLE 5. NON-DISCRIMINATION

Section 5.1 The Employer agrees not to interfere with the rights of the Employees to become members of the CCDSA, and there shall be no disparate treatment, interference, restraint or coercion by the Employer, or any representative of the Employer against any legal Employee activity in an official capacity on behalf of the CCDSA.

Section 5.2 The CCDSA agrees not to interfere with the rights of Employees to not become members of the CCDSA, and there shall be no disparate treatment, restraint, or coercion by the CCDSA or its representatives against any Employee exercising the right to abstain from membership in the CCDSA or involvement in CCDSA activities.

Section 5.3 The Employer and the CCDSA agree not to discriminate against any bargaining unit Employee with respect to compensation, terms or conditions of employment because of such individuals race, color, religion, sex, age, national origin, disability, or ancestry.

Section 5.4 All references to Employees in this agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female Employees.

ARTICLE 6. MANAGEMENT RIGHTS

Section 6.1 Unless the Sheriff has specifically set forth in this Agreement a limitation upon his right or duty to manage the department, the Sheriff shall retain all rights imposed upon him by law to carry out the administration of government and management of the department. The right to manage shall include, but not limited to:

- A) The right to direct, supervise, hire, transfer, assign, schedule, lay off, and retain Employees; and also the right to suspend, discipline, and discharge, for just cause.

- B) The right to relieve Employees from duty with good reason and to determine the number of personnel needed in any assignment, or to perform any functions; to determine services to be rendered, operations to be performed, utilization of technology, and overall budgetary matters.

- C) The right to purchase equipment, materials or services, or to subcontract for services.

- D) The right to determine the appropriate job classifications and personnel by which departmental operations are to be conducted; determine the overall mission of the department; to maintain and improve the efficiency and effectiveness of departmental operations.

- E) The right to make reasonable rules to regulate the work force; establish and amend personnel policies and procedures relating to any matter which is not specifically set forth in this Agreement.

F) The right to take any necessary actions to carry out the mission of the Department in situations of emergency, and to take whatever actions may be necessary to carry out the wishes of the public not otherwise specified above.

Section 6.2 To the extent that the above management rights are specifically limited by the provisions of this Agreement, alleged violations are subject to the grievance procedure.

ARTICLE 7. GRIEVANCE PROCEDURE

Section 7.1 The term "grievance" shall mean an allegation by a grievant Employee that there has been a breach, misinterpretation, or improper application of a specific term of this Agreement. A disciplinary grievance refers to a grievance involving a written reprimand, suspension, removal, reduction in pay, position or rank.

Section 7.2 All grievances must be processed at the proper step in the progression in order to be considered at the subsequent steps. Any Employee may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal. Any grievance not answered by the Employer's representatives within the stipulated time limits may be advanced by the Employee to the next step in the grievance procedure or to arbitration. A failure by the Employer to make a timely response is not a default. All time limits on grievances may be extended upon mutual consent of the parties, otherwise, time limits shall be strictly applied.

Section 7.3 It is the mutual desire of the Employer and the CCDSA to provide for the prompt adjustment of grievances in a fair and reasonable manner, with a minimum interruption of the work schedules. Every reasonable effort shall be made by both the Employer and the CCDSA to effect the resolution of grievances at the earliest step possible. In the furtherance of this objective, the following procedure shall be followed:

Step 1.

In order for an alleged grievance to receive consideration under this procedure the grievant, with an appropriate CCDSA representative, if the former desires, must identify the alleged grievance in writing to the sergeant or immediate supervisor, within seven (7) working days of the occurrence of the incident giving rise to the grievance, or within seven (7) working days of becoming aware of an incident giving rise to the grievance, but in no case later than sixty (60) calendar days after the incident. The supervisor shall schedule a meeting within seven (7) calendar days after receipt of the grievance, with the grievant and his representative. The supervisor shall investigate and respond in writing to the grievant and/or CCDSA representative within seven (7) calendar days following the meeting.

Step 2.

If the grievance remains unsettled, it may be presented within seven (7) calendar days after the Step 1 response to the next higher supervisor in the Unit. The supervisor shall schedule a meeting between the parties within (10) calendar days. If a meeting is scheduled, the supervisor shall have seven (7) calendar days following the meeting in which to respond.

Step 3.

If the grievance is not resolved to the satisfaction of the grievant at Step 2, the grievant may within seven (7) days present his grievance to the Sheriff or the Sheriff's designee. The Sheriff shall make a written response, or conduct a grievance hearing within ten (10) days. The Sheriff shall make a written response within ten (10) days of the grievance hearing.

Step 4.

Within fourteen (14) calendar days of receipt of the response at Step 3, if the grievance is not resolved to the satisfaction of the grievant, the grievant may file, with approval of the CCDSA, a request for arbitration. Within ten (10) calendar days of a request for arbitration, a representative of the CCDSA and the Sheriff or his designee shall attempt to mutually agree to an arbitrator. Should the CCDSA and the Sheriff fail to agree to an arbitrator, the arbitrator shall be selected in the following manner:

The CCDSA shall request from the Federal Mediation and Conciliation Service (FMCS), a panel list of seven (7) arbitrators from FMCS area #15 (Ohio). The parties shall alternatively strike names on the list until one (1) name remains. The CCDSA shall first strike a name. The name remaining shall be the arbitrator. The arbitrator shall schedule a hearing, at a date and time agreeable to all parties to hear testimony and receive argument. The arbitrator shall be requested to issue his decision within thirty (30) calendar days of the hearing. The decision of the arbitrator shall be binding on the Employee(s), CCDSA, and the Employer. The costs of the services of the arbitrator, if any, shall be paid equally by the Employer and the CCDSA. Nothing in this Section prevents the CCDSA from seeking enforcement of any arbitration decision in a court of competent jurisdiction, provided all administrative remedies have been exhausted. The arbitrator shall have no power to add to, delete from, or modify the terms of this Agreement, but may interpret and apply same.

Section 7.4 A grievance may be brought by any member of the bargaining unit. Where a group of bargaining unit members desire to file a grievance involving a situation affecting each member in the same manner, one member selected by such group may process the grievance as a class

action grievance, provided each Employee desiring to be included in the class action grievance, signs said grievance.

ARTICLE 8. DISCIPLINE

Section 8.1 The tenure of every bargaining unit Employee of the Clermont County Sheriff's Department shall be during good behavior and efficient service. No Employee shall be reduced in pay and position, suspended, discharged, or removed except in accord with the provisions of this Agreement. The Employer may take disciplinary action against any Employee in the bargaining unit only for just cause. Forms of disciplinary action may include:

- A) Verbal warning;
- B) Written reprimand;
- C) Loss of up to twenty-four (24) hours accrued vacation, or other accrued time off may be imposed by the Sheriff only with the concurrence of the penalized employee;
- D) Suspension without pay;
- E) Suspension of record as defined in Section 8.11;
- F) Discharge from employment;

Section 8.2 Anonymous complaints shall not be the basis for disciplinary action unless independent evidence supports the allegations in the anonymous complaint.

Section 8.3 Any time the Employer or any of his representatives have reason to investigate or discipline an Employee, it shall be done in a proper and businesslike manner that will not embarrass the Employee before other Employees or the public.

Section 8.4 Whenever the Employer or his designee determines that an Employee's conduct may warrant disciplinary action (including only suspensions, demotions, or discharge) a predisciplinary conference will be scheduled to give the Employee an opportunity to offer an explanation of the alleged misconduct. Where circumstances necessitate immediate removal, an Employee may be suspended with pay during the pendency of a pre-disciplinary conference. Predisciplinary conferences shall be held no later than thirty (30) days following discovery of the alleged misconduct, unless the investigation could not be reasonably concluded within thirty (30) days, or the Employer shall forfeit the right to discipline.

Section 8.5 Not less than forty-eight (48) hours prior to the scheduled starting time of the predisciplinary conference, the Employer will provide to the Employee a written outline of the charges which may be the basis for disciplinary action.

A) The Employee shall be apprised of his right to representation and the right to postpone the hearing for no more than forty-eight (48) hours beyond the original scheduled time.

B) The Employee shall be apprised as to whether or not he/she has been suspended by the Sheriff, pending the outcome of the conference.

C) At the time that the Employee receives the written outline of charges, he must choose to: 1) appear at the conference to present an oral or written statement in his defense; or 2) appear at the conference and have a chosen representative present an oral or written statement in defense of the Employee; or 3) elect in writing to waive the opportunity to have a predisciplinary

conference. Failure of the Employee to elect and exercise one (1) of the three (3) options will serve as a waiver of the Employee's right hereunder to a predisciplinary conference.

Section 8.6 Disciplinary actions may be appealed through the grievance procedure in accordance with the Grievance Procedure at Step Four. Upon conclusion of the disciplinary procedure and imposition of a penalty, the CCDSA may post the matter for arbitration by providing written notice to the Sheriff within seven (7) days of the date of the action of the Sheriff. Disciplinary action not involving loss of pay may be grieved through Step 3 of the Disciplinary Procedure, but is not subject to the Arbitration Procedure.

Section 8.7 Any investigative questioning regarding charges of Employee misconduct shall be made under the following conditions:

A) The questioning shall take place at the Sheriff's Department or other mutually agreeable site.

B) The Employee shall be informed of the nature of the investigation before any questioning commences. If it is shown that the Employee is being questioned as a witness only, he should be so advised prior to the commencement of questioning.

C) During the questioning, the Employee shall not be threatened with dismissal or other disciplinary action. No promises of reward shall be made as inducements for the answering of questions.

D) The Employee shall not be denied his/her right to representation during questioning.

Section 8.8 At the predisciplinary conference, the individual who has been appointed by the Employer, will ask the employee or his representative to respond to the allegations of misconduct which were outlined to the Employee prior to the questioning. The Employee shall be notified that failure to respond or responding untruthfully may result in further disciplinary action.

Section 8.9 At the conference, the Employee may present any testimony, witnesses, or documents which explain whether or not the alleged conduct occurred. The Employee may be represented by a CCDSA representative. The Employee shall provide a list of witnesses as far in advance as possible, but not later than one (1) hour prior to the predisciplinary conference. It is the Employee's responsibility to notify the witnesses that their attendance is desired. The Employee or his representative will be permitted to confront and cross examine witnesses. A written report will be prepared by the neutral concluding whether or not the alleged conduct occurred. The Employer will decide what discipline, if any, is appropriate. A copy of the neutral's report will be provided to the Employee within fourteen (14) calendar days following the conclusion of the hearing.

Section 8.10 The results of a polygraph examination shall not be used in the disciplinary hearing without corroborating evidence.

Section 8.11 A suspension of record is defined as a suspension of one, or more, day(s) from work during which the employee is required to work, and for which the employee receives his, her regular rate of pay, for which the employee will receive credit as time worked for overtime purposes. A suspension of record is subject to Article 7.

ARTICLE 9. PERSONNEL FILE

Section 9.1 Each Employee may request to inspect his personnel file maintained by the Employer. Inspection of personnel files shall be by scheduled appointments requested to the Employer. Such requests shall not be unreasonably denied. Appointments shall be during the regular scheduled work hours of the clerical staff of the Employer. An Employee shall be entitled to have a representative of his choice accompany him during such review. There shall be only one (1) official personnel file maintained by the Employer.

Section 9.2 If an unfavorable statement or notation is in the file, the Employee shall be given the right to place a statement of rebuttal or explanation in his file. No anonymous material of any type shall be included in the Employee's personnel file.

Section 9.3 Records of oral warnings shall cease to have force and effect one (1) year from the date of issuance, and shall, upon request of the Employee, be removed from the personnel file, provided no intervening discipline has occurred. Any record of discipline of any kind shall cease to have force and effect two (2) years from the date of issuance and shall upon request of the Employee, be removed from the personnel file, provided no intervening discipline has occurred.

Section 9.4 The following items shall be considered public information available upon request to the Employer, from an Employee's personnel file: annual salary, degree(s) held, areas of special certification, civil service status, and awards of commendations. All other documents in the personnel file shall, subject to compliance with the public records law, be considered confidential

and shall not be conveyed in any manner to any person or persons unless by court order, subpoena, or written permission of the Employee.

Section 9.5 Should any document of the Employee's personnel file be the subject of a grievance the CCDSA, with the Employee's presence and consent, shall be granted access to those documents in question and have the right to photo copies.

Section 9.6 In the event the Employer and the Employee agree that any documents are inaccurate, the Employer shall correct or remove such documents or the inaccurate portions thereof from the file.

ARTICLE 10. PROBATIONARY PERIOD

Section 10.1 Any person hired into the bargaining unit or appointed as a deputy from another position shall be required to successfully complete a probationary period of twelve (12) months. An Employee serving a probationary period may be removed at any time during the probationary period, with or without cause, and without recourse to the grievance and arbitration procedure and without appeal to the state personnel board of review. Probationary Employees serve at the will of the Sheriff.

Section 10.2 Any bargaining unit Employee who is promoted to any position outside of the bargaining unit but within the ranks of sworn personnel, shall be permitted to return to the bargaining unit upon a failure of probation in the higher position. A promoted Employee may voluntarily return to the bargaining unit within sixty (60) days after the date of the promotion.

ARTICLE 11. SENIORITY

Section 11.1 "Seniority" shall be computed on the basis of an uninterrupted length of continuous service in rank with the Employer. A termination of employment lasting less than thirty-one (31) days shall not constitute a break in continuous service. Once continuous service is broken, unless the Employee is reinstated, the Employee loses all previously accumulated seniority. As used in this Section, the term "reinstated" shall mean the restoration of an employee to their job by either: formal award by an arbitrator acting pursuant to the provisions of this Agreement in Article 7, Grievance Procedure; or the negotiated settlement of a grievance brought under the same Article.

Section 11.2 An approved leave of absence of one (1) year or less does not constitute a break in continuous service provided the Employee follows the proper procedure for such leave and returns to active service immediately following the expiration of the approved leave. This leave may be extended by the Sheriff for one (1) additional year for educational purposes.

Section 11.3 Employees laid off shall retain their seniority for a period of twenty-four (24) months from the date of lay off.

Section 11.4 Employees shall have no seniority during their probationary period, but shall be granted seniority upon successful completion of the probationary period, calculated from the date of hire.

Section 11.5 In the event that two or more employees are sworn-in as deputies on the same date, the employee who was employed with the Clermont County Sheriff's Office immediately prior to being sworn-in as a deputy shall be deemed to have greater seniority over those deputies sworn-in on the same date. If more than one such employee was employed with the Clermont County Sheriff's Office immediately prior to being sworn-in as a deputy, the one with the longest continuous employment with the Clermont County Sheriff's Office will be considered the more senior. If two or more such employees have exactly the same length of continuous employment with the Clermont County Sheriff's Office, the one with the greatest seniority will be determined by coin toss or other random means, unless there was already some determination of seniority made between or among the same employees within the Clermont County Sheriff's Office, in which case the prior determination controls. This Section shall only apply to employees sworn-in on or after January 1, 2012.

ARTICLE 12. LAYOFF AND RECALL

Section 12.1 When the Employer determines that a long-term layoff or job abolishment is necessary, he shall notify the affected Employees thirty (30) days in advance of the effective date of the layoff or job abolishment.

Section 12.2 Layoffs in the bargaining unit shall be in inverse order of total seniority with the Clermont County Sheriff's Office in the classifications of Deputy, Corporal, and Sergeant, with the least senior deputy being laid off first. In the event of a tie, the Employee shall utilize the Employee's date of hire with the Sheriff's office.

Section 12.3 Employees who are laid off shall be placed on a recall list for a period of twenty-four (24) months. If there is a recall, Employees who are still on the recall list shall be recalled, in the inverse order of their layoff. Any recalled Employee requiring additional training to meet the position qualifications in existence at the time of recall must satisfactorily complete the additional training requirements within twelve (12) months of recall. Any training required in this Section shall be at the Employer's expense and time.

Section 12.4 Notice of recall shall be sent to the Employee by certified mail. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the last mailing address provided by the Employee.

Section 12.5 The former Employee shall have five (5) calendar days following the date of receipt of the certified mail recall notice to notify the Employer of his intention to return to work and shall have fourteen (14) calendar days following the date of receipt of the recall notice in which to report for duty, unless a different date for returning to work is otherwise specified in the notice. An Employee failing to notify the Employer of his intention to return within five days, or failing to report for duty within fourteen (14) days of notice shall be removed from the recall list and be deemed to have resigned.

Section 12.6 For the purpose of Sections 12.3 and 12.4 of this Article, seniority shall be computed on the basis of uninterrupted length of continuous full-time service in rank with the Employer.

ARTICLE 13. HOURS OF WORK AND OVERTIME

Section 13.1 The standard work period for all bargaining unit Employees shall normally consist of one hundred sixty (160) hours within a twenty-eight (28) day period.

Section 13.2 Employees required to work in excess of one hundred sixty (160) hours within a twenty-eight (28) day period, shall be paid at the rate of one and one-half (1-1/2) times their regular hourly rate of pay for all such excess time.

A) Approved vacation, compensatory time, holidays, personal days and paid days shall be considered time worked for the purpose of computing work time.

B) There shall be no pyramiding of overtime.

C) Upon request of an Employee, and with the prior approval of the Employer, an Employee may work a scheduled day off in exchange for an additional day off to be scheduled within the same work period.

D) With the prior approval of the Employer, an Employee may exchange days off or work shift assignments with another Employee. Such exchanges shall not affect the active pay status of either Employee, except that an Employee who works an exchange and is required to work overtime shall receive the overtime compensation.

E) Overtime will be calculated within each pay period for hours worked in excess of the Employee's regularly scheduled hours, exclusive of roll call. Overtime will be paid with the regular pay for that pay period.

Section 13.3 The Employer reserves the right to require any and/or all Employees to work overtime when the operational needs of the Department require it.

Section 13.4 Any Employee who, while in an on-call status, is required to remain on the Employer's premises, or at his home or other specific location to await a call when needed, is considered as being unable to use the time effectively for his own purposes and shall be considered to be working the entire time he is on-call. This does not include investigators and K-9 personnel until such time that they are notified by the office of call-out or being placed on "an on-call status".

Section 13.5 Regular schedules shall be posted ten (10) days prior to their effective date. Seven days notice must be given prior to any non-emergency change in a posted schedule.

Section 13.6 Compensatory time shall be granted in lieu of overtime compensation upon mutual agreement of the Employee and the Sheriff. Compensatory time shall not accumulate beyond a maximum of sixty (60) hours. On those occasions when budgetary restraints deem it necessary, the Employer may restrict overtime compensation to compensatory time. In the event an Employee accumulates sixty (60) hours of compensatory time, any additional overtime worked shall be compensated with overtime pay. When an Employee desires to use compensatory time off that he has accumulated, it shall be scheduled and granted with the mutual consent of the Employee and the Employer.

Paid absence days must be taken within one (1) year of the date of earning, if not taken within one (1) year, the day shall be paid to the Employee. This provision shall be retroactive to January 1, 2010.

ARTICLE 20. LEAVES OF ABSENCE

Section 20.1 Leaves Without Pay

Employees may be granted the following types of unpaid leaves of absence:

Disability Leave

A physically or mentally incapacitated Employee who has completed his probationary period may request a disability leave. A disability leave for a period not to exceed one (1) year may be granted when the disability continues beyond accumulated sick leave rights provided the Employee furnishes satisfactory medical proof of such disability along with his written request; and is;

1. Hospitalized or institutionalized;
2. On a period of convalescence following hospitalization or institutionalization authorized by a physician at the hospital or institution; or
3. Declared incapacitated for the performance of the duties of his position by a licensed physician designated by the Employer and the Employee selected from a list of three (3) licensed physicians prepared by the Employer. It is the Employee's responsibility to request a disability leave since such leave is not granted automatically when the Employees sick leave has expired.

When an Employee is ready to return to work, he shall furnish a statement by a physician, releasing the Employee as able to return to work.

B. Employer Required Disability Leave

The Employer may require an Employee to be examined by a licensed physician designated by the Employer and the Employee per paragraph A above, at the Employer's Expense. An Employee found to be unable to physically or mentally perform the substantial duties of his position by such physician shall be placed on a Disability Leave as described in paragraph A above.

C. Leave of Absence

The Employer may grant a leave of absence to any Employee for a duration up to one (1) year for any personal reasons of the Employee. Such a leave may not be renewed or extended except for educational purposes.

1. The authorization of a leave of absence without pay is a matter of administrative discretion. The Employer will decide in each individual case if a leave of absence is to be granted.

2. The granting of any leave of absence is subject to approval of the Employer. Except for emergencies, Employees will advise the Employer sixty (60) days prior to commencement of the desired leave so that the various agency functions may proceed properly.

3. Upon completion of a leave of absence the Employee is to be returned to the position formerly occupied, or to a similar position if the Employee's former position no longer exists. Any new hire replacement in the position while an Employee is on a leave of absence will be

terminated upon the reinstatement of the Employee from leave. The terminated Employee may be considered for other vacancies.

4. An Employee may return to work before the scheduled expiration of leave as requested by the Employee and agreed to by the Employer. If an Employee fails to return to work at the expiration of an approved leave of absence, such Employee, absent extenuating circumstances, shall be removed from his position and shall not receive seniority time for the period of the leave.

5. A full-time female Employee may request a leave of absence without pay for maternity purposes by submitting such request in writing to the Employer accompanied by a signed physician's statement.

i. The leave of absence will begin on the date the physician states that the Employee can no longer perform the substantial portion of her duties.

ii. The leave of absence will end on the date on which the physician releases the Employee as medically able to return to work.

iii. No later than thirty (30) days after delivery, the Employee will notify the Employer, in writing, of her desire to return to work and her anticipated date to return. Lack of such notification shall be considered a resignation. Employees who desire to return to work shall be placed in their original position, or in a similar position at the same pay, as the needs of the department dictate.

iv. Should it be necessary to extend the Employee's leave of absence for maternity purposes beyond six (6) months, the Employee shall be placed on a disability leave in accordance with this Article.

v. The Employee may request that accrued sick leave be used during the period prior to or after delivery that is covered by the physician's statement.

6. An Employee may request leave for purposes of child care following childbirth, but such leave shall be combined with the leave of absence for maternity purposes and is limited to a maximum of six (6) months total.

Such leaves of absence shall be approved at the discretion of the Employer and based on the needs of the agency. Such requests shall be administered in a non-discriminatory fashion and shall not be unreasonably denied.

Section 20.2 Leaves with Pay

Employees may be granted the following types of paid leave of absence:

A. Court Leave.

The Employer shall grant full pay where an Employee is summoned for any jury duty, or subpoenaed as a witness in a proceeding in which he has no personal interest and is outside the scope of his employment, by any court or other adjudicatory body as listed in this Article. All compensation for such duty must be reimbursed to the department unless such duty is performed

outside of normal working hours. An Employee released from jury or witness duty prior to the end of his scheduled work day shall report to work for the remaining hours. Employees will honor any subpoena issued to them, including those from Workers' Compensation, Unemployment Compensation, and State Employment Relations Board Hearings. The Employer is not required to pay Employees when appearing in court for criminal or civil, or administrative proceedings, when the case is being heard in connection with the Employee's personal matters, such as traffic court, divorce proceedings, custody, appearing as directed with a juvenile, or other matters in which the Employee has a direct or indirect personal interest, etc. There absences would be leave without pay, vacation, or compensatory time at the discretion of the Employee. An Employee shall request prior approval for court leave, in order for such leave to be granted.

B. Military Leave.

All Employees who are members of the Ohio National Guard, The Ohio Defense Corps, the State or Federal Militia, or members of other reserve components of the Armed Forces of the United States are entitled to leave of absence from their respective duties, and to their regular rate of pay and their Military base rates of pay, for such time as they are in military service on field training or active duties for periods not to exceed a total of one hundred seventy-six (176) hours in one (1) calendar year. Employees are required to submit to the Employer an order or statement from the appropriate military commander of evidence of such duty. There is not a requirement that the service be in one continuous period of time. The maximum number of hours for which payment will be made in any one (1) calendar year under this provision is one hundred seventy-six (176) hours. Employees who are members of those components listed in paragraph one above will be granted emergency leave for mob, riot, flood, civil defense, or similar duties

when so ordered by the Governor to assist civil authorities. Such leave will be without pay if it exceeds authorized military leave for the year. The leave will cover the official period of emergency.

C. Paternity Leave.

Leave for male Employees may be deducted from sick leave for care of the Employee's wife and family during the post-natal period. Such sick leave shall be for a maximum period of forty (40) consecutive hours. Written requests for this purpose must be submitted to and approved by the Employer.

D. Injury Leave.

Any Employee who is disabled because of an injury suffered in the actual performance of law enforcement activities on behalf of the Sheriff, and which injury arises out of the performance of law enforcement activities and is of such a nature that would not occur to the general population, shall receive paid injury leave for absences due to the injury, which shall not be deducted from sick leave. Injury leave shall not be available until after the disability has extended beyond fifty-six (56) hours. The first fifty-six (56) hours of absence shall be charged to sick leave. Injury leave shall be available during a period of six (6) months from the date of injury. After six (6) months from the date of injury, absences due to such injury shall be charged to sick leave. An Employee requesting injury leave shall upon request by the Sheriff submit to an examination by the county physician who shall determine the extent of the disability. Granting of injury leave is contingent upon the Employee filing for workers compensation and reimbursing

the county with benefits received for lost wages for any time for which paid injury leave was provided. Reimbursement shall not exceed the amount paid as injury leave pay.

If an employee on injury leave is cleared for light duty work, and the Sheriff has such light duty work available, the Sheriff may require the employee to do the light duty work. If the employee refuses to do the light duty work upon a proper request from the Sheriff, the employee shall not be entitled to further paid injury leave. An employee's ability to perform light duty will initially be determined by employee's doctor. If the employee's physician refuses to clear the employee, the Sheriff may send the employee to the County's physician for a second opinion. If the County's physician clears the employee to return to light duty, and the employee's physician continues to disagree, the two physicians will pick a third physician to decide the issue. To the extent that the County's physician and the third physician's fees are not paid by insurance, they will be paid by the County.

E. Bereavement Leave

If a death occurs among members of the Employee's family, such Employee shall be granted twenty-four (24) hours funeral/bereavement leave, within a week following the death, without loss of pay, sick leave, benefits, days off, holidays, or vacation time, provided that the leave may be extended with accrued sick leave within the discretion of the Sheriff, based on individual circumstances. The immediate family for bereavement purposes is defined as only; mother, father, brother, sister, child, step-child, spouse, grandparent, spouse's grandparent, grandchild, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, legal guardian, or other person who stood in the place of a parent.

Section 22.6 The Sheriff will replace Uniform items as needed. The department will also replace handcuffs and standard batteries, as needed, in a fashion to control the issuance of such items. If the Sheriff provides rechargeable flashlights for patrol cars, he may discontinue providing flashlight batteries.

If an Employee appears before a court or the Prosecutor for more than three (3) hours, or is required to make more than one appearance during any given off-duty day, such excess time or additional appearances shall be paid as overtime, if the Employee otherwise qualifies for overtime within the activity period.

Section 23.2 An Employee called in to work at a time outside of his regularly scheduled shift, which call-out does not abut his regularly scheduled shift, shall receive a minimum of three (3) hours pay at the Employee's overtime rate of pay. All time in excess of the first three (3) hours shall be paid at the appropriate rate.
