ARTICLE 1

PREAMBLE

1.01 This Agreement is hereby entered into by and between the Medina County Sheriff, hereinafter referred to as the "Employer" and the Ohio Patrolmen's Benevolent Association, Inc., hereinafter referred to as the "Union".

ARTICLE 2

PURPOSE AND INTENT

2.01 In an effort to continue harmonious and cooperative relationships with its employees and to insure the orderly and uninterrupted efficient operations of government, the Employer now desires to enter into an agreement reached through collective bargaining which will have for its purposes, among others, the following: a) To recognize the legitimate interests of the employees of the Employer to participate through collective bargaining in the determination of the terms and conditions of their employment; b) To promote fair and reasonable working conditions; c) To promote individual efficiency and service to the citizens of the County of Medina, Ohio; d) To avoid interruption or interference with the efficient operation of the Employer's business; and e) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

ARTICLE 3

RECOGNITION

3.01 The Employer hereby recognizes the Union as the sole and exclusive bargaining agent with respect to wages, hours and other terms and conditions of employment, as provided by the State Employment Relations Act, for all full-time and regular part-time employees employed in the Sheriff's Department occupying the position of communication technician, excluding all casual part-time, seasonal and temporary employees. All other employees of the Employer are excluded from the bargaining unit. For the purposes of this Article, "regular part-time" shall be defined as employees regularly scheduled to work sixteen (16) or more hours per week. Said recognition shall continue for a term as provided by law.

3.02 The Employer will furnish the Union with a list of all employees in the classifications covered by this Agreement indicating their starting date of employment. Such list will be furnished no less than annually and will be supplemented by the names of all new employees as hired.

ARTICLE 4

MANAGEMENT RIGHTS

4.01 Not by way of limitation of the following paragraph, but to only indicate the type of matters or rights which belong to and are inherent to the Employer, the Employer retains the right to: a) hire, discharge, transfer, suspend and discipline employees for just cause; b) determine the number of persons required to be employed, or laid off; c) determine the qualifications of employees; d) determine the starting and quitting time and the number of hours to be worked by its employees; e) make any and all reasonable rules and regulations; f) determine the work assignments of its employees; g) determine the basis for selection, retention and promotion of employees to or for positions not within the bargaining unit established by this Agreement; h) determine the type of equipment used and the sequence of work processes; i)

determine the making of technological alterations by revising either process or equipment, or both; j) determine work standards and the quality and quantity of work to be produced; k) select and locate buildings and other facilities; l) establish, expand, transfer and/or consolidate work processes and facilities; m) consolidate, merge, or otherwise transfer any or all of its facilities, property, processes or work with or to any other municipality or entity or effect or change in any respect the legal status, management or responsibility of such property, facilities, processes of work; n) terminate or eliminate all or any part of its work or facilities.

4.02 In addition, the Union agrees that all of the functions, rights, powers, responsibilities and authority of the Employer in regard to the operation of its work and business and the direction of its workforce which the Employer has not specifically, abridged, deleted, granted or modified by the express and specific written provisions of this Agreement are, and shall remain, exclusively those of the Employer.

ARTICLE 5

NO-STRIKE

5.01 The Union does hereby affirm and agree that it will not either directly or indirectly, call, sanction, encourage, finance or assist in any way, nor shall any employee instigate or participate, either directly or indirectly, in any strike, slowdown, walkout, workstoppage, or other concerted interference with or the withholding of services from the Employer. The term "strike" includes any individual or collective refusal to carry out an assignment or any individual or concerted interference with the Employer's services, based on an allegation of safety concerns.

5.02 In addition, the Union shall cooperate at all times with the Employer in the continuation of its operations and services and shall actively discourage and attempt to prevent any violation of this Article. If any violation of this Article occurs, the Union shall immediately discourage and attempt to prevent any violation of this Article.

If any violation of this Article occurs, the Union shall immediately notify all employees that the strike, slowdown, workstoppage, or other concerted interference with or the withholding of services from the Employer is prohibited, not sanctioned by the Union and order all employees to return to work immediately.

5.03 It is recognized by the parties that the Employer is responsible for and engaged in activities which are the basis of health and welfare of its citizens and that any violation of this Article would give rise to irreparable damage to the Employer and the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the Employer shall be entitled to seek and to obtain immediate injunctive relief, along with the Union indemnifying and holding the Employer harmless from the violation of this Article.

5.04 It is further agreed that any violation of the above shall be sufficient grounds for immediate discharge or other disciplinary action.

ARTICLE 6

NON-DISCRIMINATION

6.01 The Employer and the Union agree not to discriminate against any employee(s) on the basis of race, color, creed, national origin, age, sex or handicap.

6.02 The Union expressly agrees that membership in the Union is at the option of the employee and that it will not discriminate with respect to representation between members and nonmembers.

ARTICLE 7

DUES DEDUCTIONS

7.01 During the term of this Agreement, the Employer shall deduct initiation fees levied by the Union and the regular monthly Union dues from the wages of those employees who have voluntarily signed dues deduction authorization forms permitting said deductions.

7.02 The initiation fees or dues so deducted shall be in the amounts established by the Union from time to time in accordance with its Constitution and Bylaws. The Union shall certify to the Employer the amounts due and owing from the employees involved.

7.03 The Employer shall deduct dues or initiation fees from the second pay in each calendar month. If an employee has no pay due on that pay date such amounts shall be deducted from the next or subsequent pay.

7.04 A check in the amount of the total dues withheld from those employees authorizing a dues deduction shall be tendered to the Treasurer of the Union within thirty (30) days from the date of making said deductions.

7.05 If effective July 1, 1990 if the Union obtains eighty (80%) percent or more of the bargaining unit as members, the paragraph 7.06, 7.07 and 7.08 below will be become effective immediately.

7.06 Any future employee who does not make application for Union membership within one (1) month following the effective date of this paragraph shall, as a condition of employment, pay to the Union through payroll deduction a fair share fee as a contribution toward the administration of this Agreement, that fair share fee not exceeding the regular dues of the Union.

7.07 Any future employee who does not make application for Union membership within sixty-one (61) days after being employed shall, as a condition of employment, pay to the Union through payroll deduction a fair share fee as a contribution toward the administration of this Agreement, that fair share fee not exceeding the regular dues of the Union.

7.08 Fair share fee deductions shall be automatic and shall not require the written authorization of the employee.

7.09 The Union hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of its obligations under this Article and the Union shall indemnify the Employer for any such liabilities or damages that may arise.

ARTICLE 8 **PROBATIONARY PERIOD**

8.01 All newly hired employees will be required to serve a probationary period of one (1) year. During such period, the Employer shall have the sole discretion to discipline or discharge such employee(s) and any such action shall not be appealable through any grievance or appeal procedure contained herein, to the State Personnel Board of Review or to any Civil Service Commission.

8.02 All newly promoted employees will be required to serve a promotional probationary period of one (1) year. During such period, the Employer shall have the sole discretion to demote such employee(s) to his previous position and any such demotion shall not be appealable through any grievance or appeal procedure contained herein to the State Personnel Board of Review or to any Civil Service Commission.

8.03 If any employee is discharged or quits while on probation and is later rehired, he shall be considered a new employee and shall be subject to the provisions of paragraph 8.01, above.

ARTICLE 9 **EMPLOYEE RIGHTS**

9.01 Whenever an employee is subject to interrogation by the Sheriff's Department for any reason that could lead to disciplinary action being taken against him, such interrogation shall be conducted under the following conditions:

- a. The interrogation shall be conducted at a reasonable hour, preferably at a time when the employee is on duty, unless the seriousness of the investigation is of such a degree that immediate action is required.
- b. The employee will be informed of the subject matter when notified of an interrogation and/or upon relief from duty, unless, in the Department's opinion, such information would compromise the investigation, and the employee shall be so informed.
At the time of interview, the employee under investigation must be informed of the subject matter of the interrogation prior to giving a statement to the investigator.
- c. The employee under investigation must be informed of the person or persons who will be conducting the questioning.
- d. The length of questioning periods must be reasonable, with rest periods being called periodically for personal necessities, meals, and telephone calls.

- e. The employee may, at his discretion, have a Union representative present during any interrogation and shall be granted reasonable periods of private consultation with that Union representative. Where such representative is not immediately available, the interrogation shall not be postponed for more than 24 hours. The representative may not advise the employee on how to answer questions. Employees will be required to answer truthfully all questions asked of them.
- f. The findings of the internal investigations shall be labeled “sustained” (guilty as charged), or “not sustained” (not guilty), “unfounded” (without merit), or “exonerated” (act was legal). The employee shall be advised of the finding as soon as possible. Only findings of a “sustained” internal investigation will be placed in an employee’s personnel file. Investigations found other than as “sustained” will be kept by the Employer in a file separate from the employee’s personnel file.
- g. An “interrogation” under this Article means the employee is being asked specific questions about his conduct after the Department has conducted a preliminary fact-finding investigation and has determined that reasonable grounds may exist for disciplinary action against an employee.

9.02 Before an employee may be charged with any violation of the rules and regulations for a refusal to answer questions or participate in an investigation, he shall be advised that his refusal to answer such questions or participate in an investigation may be the basis for such a charge.

9.03 A disciplined employee shall have the opportunity to review all pertinent written documents, including citizen complaints and internal investigation reports, upon which the discipline is based prior to the 3rd Step grievance hearing.

9.04 An employee may review his personnel file, except confidential information (e.g., pre-employment reports, medical reports labeled confidential, etc.). An employee may add memoranda to the file clarifying any documents contained in the file and may have a representative of the Union present when reviewing his file. The Employer may also have a representative present. A request for copies of items included in the file shall be honored.

9.05 Civilian complaints that are not in writing, resulting in disciplinary action against employees, shall be put in writing and attested to by a responsible Department official. If the civilian complaint is investigated and placed in the employee's personnel file, it shall be marked with respect to final disposition. Only civilian complaints that are investigated and found to be “sustained” will be placed in the employee’s personnel file. Civilian complaints that are other than “sustained” shall be kept in a file separate from the employee’s personnel file.

9.06 Written reprimands and records of verbal reprimands that are more than one (1) year old and records of suspensions that are more than five (5) years old shall be expunged from an employee's personnel file, providing there has been no subsequent discipline action during such period.

9.07 The Employer shall be required to take disciplinary action on conduct within six (6) months of its discovery. This section shall not apply to conduct that involves criminal activity.

9.08 In any instance where the Employer sends an employee for a medical examination, the Employer shall pay the cost of the examination.

9.09 During the conduct of an internal investigation, to the extent possible, deputies shall not investigate deputies and corrections officers shall not investigate corrections officers. To the extent possible, an internal investigation shall be conducted by supervisors and/or officers.

9.10 All public requests for review of personnel records of current employees shall be processed as follows:

- A) The Employer shall request the person asking for the records provide their name and address.
- B) The employee whose file is requested shall be advised in writing of such request.
- C) An employee's representative shall be present during the reviewing of the records to prevent any additions or removals from the file.

ARTICLE 10

ASSOCIATION REPRESENTATION

10.01 The parties recognize that it may be necessary for an employee representative of the Union to leave a normal work assignment while acting in the capacity of a representative at meetings provided for the Grievance Procedure. The Union recognizes the operational needs of the Employer and will cooperate to keep to a minimum the time lost from work by representatives. Before leaving an assignment pursuant to this Section, the representative must obtain prior approval from the Sheriff or designee. The employee shall suffer no loss in pay for time spent in the good faith processing of grievances, and at any meetings at which the Employer and/or employee requests a representative to be present.

ARTICLE 11

LABOR/MANAGEMENT COMMITTEE

11.01 In the interest of sound labor/management relations, unless mutually agreed otherwise, once each quarter on a mutually agreeable day and time, the Sheriff and/or his designee(s) shall meet with not more than three (3) representatives of the Union to discuss pending problems and to promote a more harmonious labor/management relationship.

11.02 An agenda will be furnished at least five (5) working days in advance of the scheduled meetings with a list of the matters to be taken up in the meeting, and the names of those Union representatives who will be attending. The purpose of such meetings shall be to:

- a. Discuss the administration of this Agreement;

- b. Notify the Union of changes made by the Sheriff which affect bargaining unit members of the Union;
- c. Discuss grievances which have not been processed beyond the Sheriff's step of the grievance procedure, providing such discussions are mutually agreed to by the parties;
- d. Disseminate general information of interest to the parties;
- e. Discuss ways to increase productivity and improving efficiency;
- f. To consider and discuss health and safety matters relating to employees;
- g. To consider recommendations for changes from the Union in the Standard Operating Procedure, Rules & Regulations; and
- h. To discuss Work Schedules.

11.03 It is further agreed that if special labor/management meetings have been requested, and mutually agreed upon, they shall be convened as soon as feasible.

11.04 Up to one (1) employee representative who is scheduled to be at work during the time of this meeting, may, at the Sheriff's discretion, be able to attend this meeting with no loss of pay. It is further agreed that any employee on duty may be required to return to work if an emergency arises during this meeting.

ARTICLE 12

SICK LEAVE

12.01 Sick leave shall be defined as an absence with pay necessitated by: 1) illness or injury to the employee; 2) exposure by the employee to a contagious disease communicable to other employees; and/or 3) serious illness, injury or death in the employee's immediate family.

12.02 All employees shall earn sick leave at the rate of four and six-tenths (4.6) hours for every eighty (80) hours paid and may accumulate such sick leave to an unlimited amount.

12.03 An employee who is to be absent on sick leave shall notify the Employer of such absence and the reason therefore at least one (1) hour before the start of his work shift each day he is to be absent.

12.04 Sick leave may be used in segments of not less than one (1) hour.

12.05 Before an absence may be charged against accumulated sick leave, the Sheriff may require such proof of illness, injury or death as may be satisfactory to him, or may require the employee to be examined by a physician designated by and paid for by the Employer. In any event, an employee absent for more than three (3) consecutive work days must supply a physician's report to be eligible for paid sick leave, unless waived by the Sheriff.

12.06 If the employee fails to submit adequate proof of illness, injury or death, or in event that upon such proof as is submitted or upon the request of medical examination, the Sheriff, finds there is not satisfactory evidence of illness or death sufficient to justify the employee's absence, such leave may, at the Sheriff's discretion, be considered an unauthorized leave and shall be without pay.

12.07 Any abuse or patterned use of sick leave shall be just and sufficient cause for disciplinary action, and further, the Sheriff may require a physician's verification for each occurrence of sick leave from employees who have been found to have established a patterned use or abuse of sick leave. Imposition of the requirement for a physician's verification will not exceed six (6) months.

12.08 A pattern use of sick leave may not be established over a period of less than six (6) months. A formal last warning will be issued when patterned abuse is initially suspected. The issuance of a formal last warning is not appealable. Formal discipline and imposition of the requirement for a physician statement will not be imposed until after the formal last warning is issued. If the employee disagrees with the warning, a letter explaining the objection may be placed in the employee's personnel file. If there is subsequent discipline, the employee may present the objection letter in any subsequent grievance arbitration procedure.

12.09 The Sheriff may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined by a physician designated and paid by the Employer, to establish that he is not disabled from the performance of his duties and that his return to duty will not jeopardize the health and safety of other employees.

12.10 When the use of sick leave is due to illness or injury in the immediate family, "immediate family" shall be defined to only include the employee's spouse, children, parents residing with the employee, or minor over whom the employee is legal guardian. When the use of sick leave is due to death in the immediate family, "immediate family" shall be defined to only include the employee's parents, spouse, child, brother, sister, parents-in-laws, grandparents, or minor over whom the employee is legal guardian, grandparents of spouse and grandchildren.

12.11 Upon the retirement of an employee who has not less than ten (10) years of continuous employment with the Employer and who has qualified for retirement benefits from a State of Ohio Retirement System such employee shall be entitled to receive a cash payment equal to his hourly rate of pay at the time of retirement multiplied by one-third (1/3) the total number of accumulated but unused sick hours earned by the employee, as certified by the Sheriff, provided that such payments shall not exceed nine hundred sixty (960) hours. Any employee who qualifies for retirement benefits from a State of Ohio retirement system, and has more than fifteen (15) years of continuous employment shall be entitled to receive one-half (1/2) of their accumulated unused sick leave to a maximum payment of nine hundred sixty (960) hours.

12.12 Upon retirement, any employee hired after January 1, 2013, who has not less ten (10) years continuous employment with the Employer, and qualifies for retirement benefits from a State of Ohio Retirement System, shall be entitled to convert unused sick leave, as certified by

the Sheriff's office, to cash and be paid at the current hourly rate for all unused time in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage of Accrued Sick</u>	<u>Maximum Paid Hours</u>
10 years of public service	25%	240
10 years of Medina County service	33%	360
15 years of Medina County service	50%	480
20 years of Medina County service	50%	720
25 years of Medina County service	50%	960

ARTICLE 13 **SICK LEAVE DONATION**

13.01 This program has been established to allow employees to donate sick days to fellow employees who have been injured on duty or have a prolonged illness and who have exhausted all sick leave and need to extend their sick leave for up to thirty (30) additional days. Employees must have at least three hundred (300) hours of sick leave accumulated at the time of their injury and must have exhausted all available paid leave to be eligible for sick leave donation. The Sheriff, in his sole discretion, may allow sick leave contributions for newly hired deputies with less than three hundred (300) hours of accumulated sick leave.

13.02 When an employee or someone on his behalf requests sick leave donations, he shall notify the Sheriff in writing. The Sheriff will then post a notice for ten (10) working days informing employees about the request for sick leave donations. No donations shall be made after ten (10) working days. All donations are voluntary.

13.03 An employee may donate up to sixteen (16) hours of sick leave to a specific recipient by signing and submitting to the Sheriff a Sick Leave Donation Form, donating up to sixteen (16) hours per form. Only sixteen (16) hours per employee per recipient can be donated in a calendar year.

13.04 The recipient shall retain all donated sick leave.

ARTICLE 14 **VACATIONS**

14.03 The additional vacation time provided at the five (5), ten (10), twenty (20) year seniority intervals outlined in Section 14.01 is accredited to any employee and is available for his use upon completion of the employee's anniversary date.

Vacation time taken off is first deducted from vacation leave accrued during the current year and then from any approved vacation carry over.

14.04 Vacation time shall be taken at a time approved by the Sheriff or his Designee.

14.05 Any employee who has earned vacation time by reason of being employed in this department shall be able to transfer his vacation time to another department should he elect such a transfer.

14.06 Any employee who resigns, is terminated, retires, or is separated from employment by the Employer because of a reduction in force will receive pay for their unused and accrued vacation time. 14.07 Any employee who has fifteen (15) or more completed years of service shall be eligible to cash out one (1) week (i.e. forty hours) of accrued but unused vacation (40 hours) each year. The employees must make such election between April 1 and May 1 each year on a form provided by the Employer. For those who make such elections, such one week of accrued but unused vacation time shall be paid in June each calendar year. This section is suspended for the duration of this Agreement.

Any prior practice of allowing employees to take holidays off before earning them is eliminated.

The spouse's plan will be considered as primary coverage for the spouse. The spouse may opt to additionally enroll in Medina County employee health plan, but the County's plan will only provide secondary coverage, and spousal enrollment will require the employee to contribute to the monthly cost based upon the full funding rates established on an annual basis by Medina County.

This requirement does not apply to any spouse who must pay more than twenty-five (25%) percent of the single premium amount to participate in his/her employer or retirement group health insurance plan.

The supervisor and the employee will discuss the issues in dispute with the objective of resolving the matter informally. If the grievance cannot be resolved informally, the supervisor shall notify the employee in writing.

Step 2:

If the dispute is not resolved informally at Step 1, it shall be reduced to writing by the aggrieved party and presented as a grievance to the Division Chief within five (5) days after receipt of the supervisor's written decision at Step 1. The Division Chief may schedule a meeting with the aggrieved party and his Union representative, if requested. The Division Chief shall render his decision in writing within five (5) days of the receipt of the appeal.
