The aforementioned days of professional leave may be taken by an employee in one-quarter, one-half, or full day increments. In order to take advantage of any such leave, the Association must provide the Director of Operations with at least one week's advanced notice; however, in the case of an emergency, the Superintendent may approve the taking of such leave of absence within a shorter period of time. Any employee who takes this leave will provide the Director of Operations with documentation of attendance at the meeting or event upon return from the leave.

- E. A list of all members and fair share payers, applicable dues rates and fair share fee rates shall be transmitted to the Treasurer of the Board by the Association for the purpose of determining amounts to be payroll deducted no later than September 1 of each year. - F. The Board further agrees to accompany the initial transmittal with a list of the names of employees for whom all such deductions are made.
- G. The Association represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09(C) of the Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each employee who does not join the Association and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitution of the United States and the State of Ohio.
- H. Upon timely demand, non-members may appeal to the Association the payment of the fair share fee pursuant to the internal procedure adopted by the Association, or such non-members may submit such appeals as provided by law.
- I. The amount to be deducted from the pay of all non-Association members shall be not more than one hundred percent (100%) of the total dues as paid by members of the Association, and such deductions shall continue through the remaining number of payroll periods over which the Association membership dues are deducted.

- K. A non-member of the Association who pays a fair share fee to, or whose fee is in the process of being collected by the local affiliate in the amount as provided in paragraph B above, shall be entitled to all of the rights, privileges, services and assistance enjoyed by regular active members of the Association, other than those currently designated as members only benefits.
 - L. Any non-member of the Association who elects to continue employment with the Board after a thirty (30) day period shall be deemed to have consented to receiving the services and benefits to be conferred by the Association, as the exclusive bargaining agent, and shall be liable subject to a civil action for damages in the amount of any unpaid service fee and other assessments to the Association for the annual fair share fee assessment.
 - M. The above fair share fee provision shall be an exclusive right of the Association during the term of this Agreement, and it will not be granted to any other employee organization seeking to represent employees represented by the Association.

In this situation, the Director of Operations may conduct the pre-disciplinary hearing. Regardless of who is conducting the hearing, the employee shall receive written notice via hand delivery or by certified mail, return receipt requested, at least forty-eight (48) hours prior to the pre-disciplinary hearing;

ARTICLE 13. SENIORITY

A. Seniority Defined

1. District-wide Seniority

District-wide seniority shall be defined as an employee's length of continuous service with the Board as determined by the most recent date of hire as a regular employee. A "regular employee" shall be defined as a regularly scheduled full-time or short-hour employee. Transfers or promotion dates shall not be construed as the "most recent date of hire."

2. Departmental Seniority

Departmental seniority shall be defined as the employee's continuous length of service within a particular department, measured from the date of entry into each department. Departmental seniority shall prevail in connection with the awarding and filling of positions as is set forth in Article 14, Bid Procedure and Transfer, and will also prevail in connection with any reduction in force as is set forth in Article 15, Reduction in Force. Departmental seniority shall be frozen when an employee transfers from one department to another. Re-entry into a department shall cause the reactivation of previously held seniority, provided the re-entry was from a bargaining unit position.

B. New Employees

1. Any new employee during the first thirty (30) days of their sixty (60) working day probation shall have no seniority rights or have the ability to bid on an open position. Employees retained beyond thirty (30) days of their initial sixty (60) working day probationary period shall have their seniority computed as of the original hire date.
2. Any new employee hired within five (5) years of being removed from the recall list of Ashtabula Area City Schools shall have a probationary period of thirty (30) working days provided the return is to a position previously held in the district. Employees retained beyond the thirty (30) working day probationary period shall have their seniority computed as of the returning hire date.

C. Accrual

1. Employees shall accrue seniority while on sick leave, receiving workers' compensation, and layoff. Employees shall accrue seniority while on all other approved leaves granted by the Board, which last two (2) years or less.

2. Departmental seniority shall not accrue during time spent outside of the department but shall remain frozen until such time an employee re-enters the department. After re-entering the department, an employee will be entitled to receive the amount of his/her frozen seniority added on to the seniority computed as of the date of re-entry into the department. The personnel file of each employee shall show the documentation for computing all frozen seniority.
3. Time spent on a Board approved leave for more than two (2) years shall not contribute to the accrual of seniority but shall not constitute a break in seniority.

D. Loss of Seniority

Seniority shall be lost when an employee retires, resigns, or is discharged for cause. An employee who was a bargaining unit employee and currently holds an exempt position, or currently holds a supervisory position shall be permitted to return to the bargaining unit only if a position is vacant. Non-bargaining unit members shall not have seniority rights for a bargaining unit position regardless of any position previously held.

E. Seniority List

1. A seniority list shall be maintained by the Board for all employees within the bargaining unit. By October 1 of each year the Board shall prepare and post on the designated bulletin board in each building/work site, a seniority list by department in order of the date of hire of each employee in the bargaining unit. Said list shall be provided to the Association President on or before the date of posting.
2. The seniority list shall be updated as employees are hired, leave the employment of the district or transfer departments. The updated seniority list shall be provided to the Association President upon request for same.
3. The system wide/departmental seniority list shall indicate each employee who holds "frozen" seniority with an asterisk.

F. Equal Seniority

1. A tie in seniority shall occur when two (2) or more employees have the same amount of seniority credit as determined by the seniority list.
2. Ties in seniority will be broken by using last name, alphabetical order to determine the order of seniority.
3. Effective January 1, 2009, ties that occur when two (2) bargaining unit members enter a new department or seniority roster at the same time shall be broken by using district-wide seniority. Should a tie still exist, the tie shall be broken by using last name in alphabetical order.

ARTICLE 14. BID PROCEDURE AND TRANSFER

A. Vacancies

Vacancies shall be defined as either (1) a position to replace an Association member on leave of absence which has been or is expected to last longer than one semester (determined by the Board approved school calendar); (2) or a regular position which is either newly created; (3) or which is unfilled for the following school year because of death, retirement, resignation, or termination, and which the Board intends to fill. Any vacancy which arises during the term of the school year due to a death, retirement, non-renewal, termination, resignation or leave of absence shall be posted as outlined herein.

B. Postings

1. The Board through the Director of Operations office shall post all job vacancies, including newly created positions, revised positions, and promotional positions from Monday at 12:00 p.m. to Friday at 4:00 p.m. Should a Monday be a non-business day for the district, the posting will occur on the first working day following the Monday and be posted for a period to end at 4:00 p.m. on the fifth business day following the posting. Should a Friday be a non-business day for the district, the posting will close at 4:00 p.m. on the first business day following the Friday.
2. Vacancies will be posted on the AACS website, at each building on an easily accessible bulletin board and via each employee's district email address. From June 1 to August 31 all postings shall also be posted on the AACS Job Line at 440-992-1206
3. The only exception to the above procedures shall be when a position becomes vacant after a bid/bump meeting has been scheduled. The position shall be immediately awarded to the successful bidder who bids at or prior to the bid/bump meeting in conjunction with Article 15 E (7). The selection shall be in compliance with Section C below. Should no one within the department bid on the vacant position, it shall be offered to the rest of the bargaining unit as prescribed in B (1) of this article.
4. The Association Secretary shall receive three (3) copies of all postings via school mail.

C. Bid Procedures

An employee must make a bid for the vacant position, using a mutually agreed upon application form, to the Director of Operations. The awarding and filling of the vacancy shall occur within five (5) Board Office business days of the date of the bid closing when the award is made to a bargaining unit member. For the purpose of this section, a bargaining unit member is defined as a person who is currently employed or on the recall list, and who has successfully completed the initial sixty (60) day probationary period. Any award made to a person from

outside of the system must be approved by the Board of Education prior to the filling of the vacancy. The following order shall prevail in awarding the bid:

1. Applicants who hold departmental seniority in the department of the vacancy, including employees on the recall list, shall have bidding rights based on departmental seniority. The job shall be awarded to the applicant from the department who has the most departmental seniority except when specialized skills are required to perform the duties of the job.
2. If no employee who holds departmental seniority in the department of said vacancy applies or qualifies for the position, second bidding rights shall be extended to all bargaining unit members outside of said department including employees on the recall list. The job shall be awarded to the applicant from another department including employees on the recall list with the most bargaining unit seniority who has the qualifications to do the work in question at the time of the award. All applicants shall submit a written application for the vacant position.
3. If no one from within the system has the qualifications to perform the work, or no one bids on the position, the Board of Education may go outside the system to hire for the position.
4. Should a successful bidder not satisfactorily complete the probationary period or decides not to take the job on a permanent basis and returns to his/her former position, the position shall be then awarded to:
 - a. The bidding employee including employees on the recall list having the next highest departmental seniority except when specialized skills are required to perform the duties of the job.
 - b. The bidding employee outside the department including employees on the recall list with the next highest district-wide seniority who has the qualifications to do the work in question, at the time of the award; and then to
 - c. The person from the outside the district who is the most qualified for the position.

D. Probationary Period

1. New Employees

There shall be a probationary period of sixty (60) working days following the Board of Education's approval of the hiring of a new employee to allow the Board to determine the fitness and adaptability of any such new employee it hires to do the work required. During the first thirty (30) working days of said probationary period, a new employee shall have no seniority rights. Such employees are not entitled to hospitalization coverage, fringe benefits, or personal leave during the first thirty (30) working days of the probationary

period. After the first thirty (30) days, the employee shall be a member of the bargaining unit and entitled to all benefits of this collective bargaining agreement, including but not limited to, the right to join the Union.

Any new employee hired within five (5) years of being removed from the recall list of Ashtabula Area City Schools shall have a probationary period of thirty (30) working days provided the return is to a position previously held in the district. During the first twenty (20) working days of said probationary period, the employee shall have no seniority rights. Such employees are not entitled to hospitalization coverage, fringe benefits, or personal leave during the first twenty (20) working days of the probationary period. After the first twenty (20) days, the employee shall be a member of the bargaining unit and entitled to all benefits of this collective bargaining agreement including but not limited to the right to join the Union.

However, none of the foregoing is intended to alter the status of new employees, who shall remain employed "at will" during their entire probationary period.

2. Current Employees

An applicant from within the system who fills the positions as set forth in Section C (2) shall take this position subject to the following conditions, unless the position is/was subject to a RIF, in which case Article 15, Section E (2) shall apply.

- a. The bargaining unit applicant shall be subject to a probationary period of fifteen (15) working days for employees from within the department, and thirty (30) working days for employees from outside the department. A probationary employee may, at any time during that period, be removed or reassigned to his/her former position at the discretion of the Board of Education or the Director of Operations and such decision shall not be arbitrary or capricious. Upon request of the employee, the reason(s) for the removal from the job shall be provided to the employee in writing, as soon as possible after the employee's request. If, after the probationary period the employee is not returned to his/her former position, the former position will be posted pursuant to Section B above.
- b. During the probationary period, the employee will not be permitted to move up. An employee who is in their probationary period may bid on another position if the position has more hours or higher pay than their current probationary position. In the event the employee does bid out of their current probationary period position and subsequently returns to the same probationary position, the employee will be required to serve a full probationary period. The probationary period is counted in days actually worked.
- c. The Board must establish, in writing, that the successful bidder cannot meet the performance standards of the position, established by the job

description prior to reassignment to his/her former position. The employee may appeal the Board's action through the grievance procedure.

- d. Employees who are subject to a fifteen (15) working day probation period shall be evaluated at least twice during the fifteen (15) day probationary period. Employees who are subject to a thirty (30) working day probation period shall be evaluated at least three (3) times during the thirty (30) day probationary period. In each case, the first evaluation shall occur in the first five (5) actual days worked. Except for extraordinary circumstances, the failure to evaluate the probationary employee will entitle the employee to retain the position. An employee has the right to have union representation during any evaluation meeting.
- e. The probationary period may be waived at any time prior to the completion of the probationary period by the agreement of the employee, immediate supervisor, and the Director of Operations on the probationary period waiver form. Such waiver shall be used for the purpose of shortening the aforementioned probationary period. When the waiver form has been signed, the position of the employee shall be put up for bid within five (5) working days.
- f. The successful bidder may request, in writing, to be returned to his/her former position after five (5) working days prior to ten (10) working days from the filling of the new position. By mutual agreement between the supervisor and an employee, the employee may return to his/her former position before the 6th working day referred to in the previous sentence. An employee may not exercise this right more than two (2) times during the term of the contract.
- g. Employees who bid on a position within their department are eligible to receive in-servicing to meet any new job requirements or skills resulting from an upgrading on the job description for the vacant position. The in-servicing will be offered within a reasonable time period to interested employees within the department at no cost to the employee.

E. Vacancies - Successful Bidder

- 1. The successful bidder shall begin work at the new position on the date designated in the award of the position not to exceed five (5) working days from the closing of the position, and shall remain in the position for five (5) working days subject to the provisions in D (2) f. of this article.
- 2. When a successful bidder commences the new position, his/her former position may be filled by a substitute for a period not to exceed the probationary period plus the bid and posting procedure.

3. After the probationary period is completed and the vacant position is filled on a permanent basis, the former position of the successful bidder shall be posted within five (5) days after the probationary period has been completed or D.3. has been implemented.

F. Rate of Pay

Employees awarded positions outside of their former department shall receive the rate of pay on the same step of the new salary schedule which the employee held in the former department. The new rate of pay shall be effective as of the first day the employee works in a new position.

G. Notification

A notice containing the name of the successful bidder will be posted, and three (3) copies of the notice award will be mailed via school mail to the Association Secretary within five (5) days after the vacancy has been filled. The notice shall contain: position, building, department, step on salary schedule, and projected start date.

H. Medical Transfer

1. When an employee becomes physically unable to perform his/her regular job duties, the Board shall permit the employee to displace the least senior employee in the same department. The employee requesting a medical transfer will supply a medical report which states that the employee is unable to perform the duties of his/her regular position and that the employee is being transferred. The Board reserves the right to have the employee examined by a physician designated by the Board, at the Board's expense.
2. In order to receive a medical transfer, an employee must be qualified to perform the work of the new position at the time of the transfer. Such transfers will be made to a position of equal or less hours, pay and/or job duties. Such a transfer will not be done to enhance an employee's hours, pay and/or job duties.
3. The employee who is bumped shall substitute, if qualified, in the open position at the regular rate of pay and hours for the position in which he/she is substituting. The open position will then be posted and filled pursuant to Article 14, Section C.
4. If the displaced employee is not qualified to fill the open position, displacement rights as outlined in Article 15, Section I.6 shall apply.
5. Once the vacancy created by the medical transfer has been filled, the bidding procedures as outlined in Article 14, Section C and the displacement rights set forth in Article 15, Section G, shall apply.

1. Lack of work,
2. Financial reasons,

Financial reasons shall be defined as when line 12.010 Fund Balance June 30 for Certification of Contracts, Salary Schedules and Other Obligations is less than ten percent (10%) of the Total Revenue line 1.070 of the most recent Board approved five year forecast for the next budget year, as verified by ODE and OEA analysis. Additionally, any substantial reduction in Federal or State Grant or Program dollars may result in a RIF of position(s) funded by the lost dollars.

3. Abolishment of position(s),
4. Return of an employee from a leave of absence, or being released from modified return to work or light duty,
5. Building closure, suspensions of schools, or territorial changes affecting the district.

The number of employees affected by RIF shall be kept to a minimum by not employing replacements, insofar as it is practical, for employees who resign, retire, or otherwise vacate a position.

C. RIF Seniority

Seniority, for reduction in force purposes, shall be determined by the employee's seniority within a department by using the employee's date of hire or entry into a particular department. Secretary seniority shall be established as date of hire for all secretaries who were employed as such as of February 28, 1984. Secretarial employees entering the department following this date shall have departmental seniority as established above.

D. Notification of Anticipated RIF

1. When there is going to be a reduction in force not involving an employee lay off (i.e., attrition), the Board will provide a ten (10) day notice.
2. When an employee returns from leave of absence or workers comp. leave the Board will provide a ten (10) day notice.

3. The following provisions shall apply only when there is an anticipated lay off, other than when an employee returns from leave of absence or workers compensation.
 - a. If the Board determines a RIF may occur, the Board shall notify the Association President in writing, not less than forty-five (45) calendar days prior to the date the RIF is to be implemented. The notification shall include the reason(s) for the RIF; the position(s) to be reduced, eliminated, or not filled; the date of Board action to implement the RIF and effective date of the RIF.
 - b. Within five (5) calendar days of receipt of the notification, representatives of the Board and/or its designee and the Association shall meet to review the proposed RIF. If the Association disagrees with the reason(s) for the implementation of the proposed RIF, the Association may demand the matter be submitted to expedited arbitration, in accordance with the expedited rules of the American Arbitration Association. At this meeting, a list of potentially affected employees will be provided.

The Association and the Board will review the list. Such review shall not indicate concurrence with either the reasons for RIF or the positions identified for the RIF. The Board and the Association will discuss the need and date for a bumping, or displacement meeting.

- c. Once the above provisions have been satisfied and the parties are in agreement that a RIF should occur, the Board shall notify all affected employees of the positions abolished, the reasons for, and the effective date of the RIF in writing.

E. Bumping Procedures

1. All persons who are to be affected by a displacement or "bumping" and are entitled to notice of a "bumping meeting" shall be provided with written notice by certified mail or hand delivered within a minimum of ten (10) working days prior to the bumping meeting. Once the certified mail or hand delivered notice has been delivered to the employee, no further notice will be required. All affected employees shall attend the bumping meeting or, by not attending, will have waived the right to bump or displace a less-senior employee, or in the event of a bid, will have waived their right to bid. In the case of an emergency or for unforeseen circumstances, the Director of Operations or his designee may reschedule a bumping meeting at either a time mutually agreed upon by the Director of Operations and all the employees involved, or by re-notifying the affected employees as contemplated herein.
2. Employees affected by RIF may displace or bump any other employees within the department who have less departmental seniority. When a position has been reduced and then recreated or there are vacancies within the department, these positions will be offered for bid prior to the bump at a

bid/bump meeting scheduled, and in compliance with the provisions of Article 14. The following shall apply to all bids awarded at a bid/bump meeting:

- a. The probationary period will be waived for the successful bidder.
- b. The successful bidder cannot return to his/her prior position; and,
- c. If all bargaining unit members actively employed in the department have position at the end of the bidding, the bumping portion of the meeting will be canceled.

The foregoing does not constitute an interruption of Management's right to assess and document an employee's performance. Management specifically retains the right to continue the review and appraisal of bargaining unit members, subject to other provisions of this Contract.

3. An employee who is subject to a RIF shall have the right to exercise one (1) of the following options:
 - a. The employee may bump a person with less departmental seniority, within their current department, without regard to paid work hours, work week and/or work year.
 - b. For persons having departmental seniority in another department, the employee may bump a person with less departmental seniority in another department, when the bumping employee meets one (1) of the following conditions:
 - i. The employee is unable to bump within his/her current department; or
 - ii. The employee can avoid a loss of salary when compared to his/her bumping options within their current department; or
 - iii. The employee can avoid an increase of the employee's insurance premium contribution rate when compared to his/her bumping options within their current department.

The employee shall declare his/her intention to bump into another department at the bid/bump meeting. Management will schedule a bid/bump meeting for the affected department within fifteen (15) days.

- c. Choose not to bump and be considered laid off. A laid off employee may file for unemployment compensation at his/her discretion.

An employee with more than one (1) position shall have the right to exercise a. or b. above for each position they hold that is affected by the RIF. If all of the employee's positions are affected by the RIF, he/she shall have the right

to exercise c. above as long as he/she assumes a lay off for all positions held in the District.

4. Those employees displaced or bumped shall have the same bumping rights as the employee who was originally reduced.
5. Once an employee has exercised a bump, he/she may not revoke the bump.
6. If bids will be offered at the bump meeting, then all individuals that hold departmental seniority shall be notified in writing of the meeting and the specific positions being offered at least ten (10) days prior to the meeting being held. Additionally, the notice may include positions that may come open from the time the notice is sent to the time of the bid/bump meeting. If a position becomes open two (2) work days or less from the bid/bump meeting, it shall be posted at the meeting without prior notification.
7. Should an employee be unable to attend the bid/bump meeting and wishes to bid on a position being offered, he/she may deliver a bid in writing to the office of the Director of Operations. The bid may be placed via fax or email with receipt confirmed by the employee via telephone. The bid must be received no later than the close of business on the day of meeting or one (1) hour prior to the start of the meeting, whichever occurs first.
8. Should an employee be unable to attend the bump meeting for any reason, he/she may submit to the Director of Operations no more than two (2) contact number(s) in the event he/she would need to exercise his/her right to bump another employee. Should action be needed, the employee will be called three (3) times within a five (5) minute period at each number given. Should the employee be unreachable, the employee will be deemed to have accepted a lay-off.
9. Should an employee subject to a RIF be unable to maintain or improve the number of hours to maintain their current insurance contribution rate through a bid or bump, the employee shall be maintained at the contribution rate held immediately prior to the RIF for a period of two (2) months.

F. Implementation

1. Following the bumping meeting and determination of the employees to be affected by a lay-off, the employee(s) to be laid off will be given written notice of the layoff with a statement of their displacement and recall rights. An employee to be laid off due to RIF shall be given fifteen (15) calendar days advance written notification prior to the implementation of the RIF. The Association President shall be sent a copy of said notification at the same time. The notice shall state the reason for RIF, the effective date of contract suspension, and the date of the Board's action to implement the RIF.

2. After providing the employee with the notice of layoff, the Board or Superintendent or Director of Operations will take action to officially lay off the persons after complying with the aforementioned procedures.
3. Employee(s) shall be laid off in reverse departmental seniority order, that is, the employee with the least amount of departmental seniority is the first to be laid off.
4. During the implementation of RIF, no reassignment, transfer, or reclassification shall occur that will cause a more senior employee to be laid off before a less senior employee.

G. Limitations

1. No new hire shall be employed in a bargaining unit position until all eligible, laid off employees in the department have been offered such position.
2. Work previously performed by laid-off employees shall not be subcontracted.
3. Qualifications for a bargaining unit position shall not be upgraded to prevent the recall of a laid-off employee.

H. Layoff Rights

An employee on lay off status shall have the following rights:

1. The right to continue receipt of group insurance coverage as defined under Article 35 Insurance A. 8. at the Board's expense for three (3) months and at the employee's expense for the remainder of the recall period.
2. The right to accrue seniority credit during the period of lay off.
3. The right to be notified by mail of all postings for bargaining unit positions.
4. The Board agrees not to contest an employee's application for unemployment compensation benefits.
5. An employee on the RIF list will be given priority consideration as a substitute employee in the district after active employees have been afforded the opportunity for substitution. Said employee will be contacted to substitute at the regular rate of pay in their department and substitute pay outside of their department, if the employee is qualified to perform the work.

I. Recall Rights

1. Laid off employees shall be recalled in reverse order of seniority, i.e., the most senior laid off employee - first recalled.

2. Reinstatement from the recall list shall be to the same or equivalent position which the employee held prior to layoff. Should a person refuse recall to this position, he/she shall be immediately removed from the recall list and lose all rights guaranteed under this contract.
3. The employee may opt to accept a position, within the same department, at less hours and pay.
4. Upon recall, an employee shall be given notice at his/her last known address by certified mail. It shall be the employee's responsibility to keep the Board advised of his/her address. The employee shall be given ten (10) workdays to accept such offer and shall be granted a minimum of fifteen (15) workdays from the date of receipt of the recall notice to report to work.
5. This procedure shall continue until all employees on layoff status have been recalled; have retired under an Ohio State Retirement System; have voluntarily resigned or have not accepted an offer of recall within eighteen (18) months from the effective date of layoff.
6. Vacancies which remain unfilled following the procedure in Article 14 shall be offered in writing to the employee holding the most departmental seniority on the recall list. Should no one with departmental seniority accept the recall or no one holds seniority in the department where the vacancy exists, the position shall be offered to the employee on the recall list with the most district-wide seniority and who meet the qualifications for the position. Such person shall be subject to the applicable probationary period, unless the recalled person is returning to a position previously held by the employee.

J. Hourly/Daily Schedule Changes

1. Any adjustments made in transportation and Nutrition Services positions which result in the addition or deletion of fifty-nine (59) minutes or less shall not be considered a RIF. Any adjustments made in transportation positions which result in the addition or deletion of less than thirty (30) minutes shall not be considered a RIF.
2. Nutrition Services positions which change by the addition or deletion of sixty (60) minutes or more shall be abolished and recreated following the RIF procedures. Transportation positions which change by the addition or deletion of thirty (30) minutes or more shall be abolished and recreated following the RIF procedures.

Following the Board's approval of the return to work by the employee, the employee will be reinstated following a bumping meeting as is contemplated by Article 15, Reduction in Force, section E. This bumping meeting will be held within ten (10) days of the Board's approval of the employee's return to work. Upon return of a classified employee from an unpaid leave, the employee will return to his/her position or a comparable position and hours and retain all seniority rights and benefits as if he/she had remained actively employed in the District.
5. If a person is hired for the purpose of replacing an employee on leave, the Board may terminate the employment of the person hired for this purpose upon the employee's return from leave.
6. If after the return of the employee from leave, the person employed for the purposes of replacing an employee on leave is continued in employment as a regular employee, or if he/she is hired by the Board as a regular employee within a year after his/her employment as a replacement, he/she shall receive credit for his/her length of service with the Board during such replacement period.

ARTICLE 28. TRANSPORTATION

The Transportation Department will include all bargaining unit employees who are employed as bus driver, bus aide and bus mechanic.

- A. Bus Routes

- 1. Regular bus routes shall be defined as the total driving time for the morning (AM) run, and the afternoon (PM) run beginning when the bus leaves storage to when the bus returns to storage for each run. Mid-day routes will also be defined from storage to storage. For the purpose of determining the drivers time from "storage to storage" as referred to herein, the calculation will begin when the driver leaves the parking space at the bus garage and ends when

the driver returns to the parking space at the bus garage. The driving time for the AM run, the PM run and the mid-day run will each be rounded up to the appropriate one quarter (1/4) increment as defined in Section A.3.e of this Article. The bus route time shall be used in all postings for bidding and/or bumping.

2. Bus routes will be further identified by the general geographic area established in the Board's narrative description of the bus routes. The determination of such geographic areas shall be an exclusive management function. The identification of bus routes by geographic area shall not in any manner limit, restrict, or modify the board's right to efficiently and effectively manage and operate the transportation system of the district.
3. The bus route number for each route will be determined by the number of the bus used to service the route. Drivers shall remain on the routes of which they bid/bump. No driver shall be transferred from his/her bus route, except as is provided by the terms of this Agreement.
4. Routes shall be established each school year by the Transportation Supervisor in accordance with the provisions herein.

Drivers will also be permitted to drive their routes on designated days before the school year to become familiar with the routes. Each driver will receive their regular hourly pay for one (1) "test drive".
 - b. Prior to October 15 of each school year, the Transportation Supervisor may make adjustments to the bus routes, to meet the transportation needs of the district. Each of the bus routes (i.e., AM, PM, Mid-day) will initially be defined by Versatrans. Input from drivers concerning the Versatrans route(s) will be considered by the Transportation Supervisor. The Versatrans route will include the amount of driving time for each route rounded up to the nearest one quarter (1/4) hour interval in accordance with Section A.3.e of this Agreement. Once the school year begins, the routes will be timed by GPS to determine a daily average time. The last ten (10) school days in September will be utilized to compute the GPS average time. The GPS average time will then be applied to the negotiated schedule for rounding up to the next one quarter (1/4) hour interval. In the event the final time for the route is different than the bus driver's timing of the route, the bus driver shall be permitted an opportunity to request a route review with the Transportation Supervisor.
 - c. A bus route may be abolished in accordance with Article 15 of this Agreement.

- d. In the event a driver's combined daily route time (AM and PM runs combined) changes by thirty (30) minutes or more, the Board shall abolish and recreate the route following the provisions of Article 15. The parties agree that the base line for determining whether there has been a thirty (30) minute or more change, shall be established by the route time for the most recent job posting for the particular bus route.
- e. Bus route/run including storage-to-storage shall be paid in the following manner:

¾ Hour	(31 minutes to 45 minutes)
1 Hour	(46 minutes to 1 hour)

3-3/4 Hours	(3 hours 31 minutes to 3 hours 45 minutes)
4 Hours	(3 hours 46 minutes to 4 hours)

- f. The minimum route time for a regular bus route (AM run plus PM run), including the thirty (30) minute "pre-trip allowance", shall be two (2) hours and fifteen (15) minutes.
- g. For the purpose of determining the employees eligibility for health insurance benefits, the employee will be permitted to count the time for his/her bus route(s) and the thirty (30) minute "pre-trip allowance". The four (4) hour per semester paperwork allowance shall not be included in the computation for determining fringe benefit eligibility.
- h. Once the bus routes are established as a result of the timing procedure set forth herein, the established time for the bus route will remain the same during the school year except in the event of: a) an increase or decrease in the number of students riding the bus; or, b) route changes caused by road closings, bridge closings or other similar occurrences, which require the rerouting of the established bus route. Any such adjustments shall be kept to a minimum. In the event circumstances occur which result in a change to the drivers combined route of thirty (30) minutes or more, the route that is affected will be abolished and recreated, unless the change is expected to last less than ninety (90) calendar days.

- i. One (1) special route for either an AM run or PM run only may be created per year. Any additional special routes would require mutual agreement between the parties.
5. All drivers shall have thirty (30) minutes added to their daily time for cleaning, service, fueling, pre-trip inspection, and the follow-up for bus conducts.
6. Drivers shall receive four (4) additional hours at the driver's regular rate of pay, each semester as compensation for all necessary paperwork required by the Director of Operations, Transportation Supervisor, or State Transportation Rules and Regulations. Payment shall be made at the end of each semester. Drivers with a noontime route shall receive an additional three (3) hours.

B. Transfer of Students Between Schools

When it becomes necessary due to student enrollment, special needs and/or special education programs to take or pick-up a student(s) from one school to another, any additional time which may result shall be offered to the senior driver in the home school area who can perform such duty. This assignment shall be reevaluated on an annual basis.

If the driver's route that has the additional time becomes vacant, and, therefore, subject to the bid procedure, the additional time shall not be reassigned during the bidding process. In that case, the additional time will be offered to the most senior driver in the home school area after the vacant position has been filled.

In the event that it is no longer necessary to transfer the student(s) between schools, the driver's time may be reduced accordingly.

C. Schools Not in Session

1. For routes whose sole destination is outside of the District (i.e., Champion, Middlefield, etc.) the route will operate on the destination District's calendar, including breaks and non-school days, with the Driver who normally runs the route.

If this route requires less than the minimum number of yearly contractual workdays, the following will apply:

- a) The employee will report to the Transportation Supervisor on the first day or days on the AACS school calendar that the driver is not scheduled to work their regular run to determine if his/her services are needed.

- b) If his/her services are needed, the employee will be paid the greater of:
1) the hours the employee actually worked; or, 2) the number of hours the employee usually works. If the employee's services are not needed, he/she will be paid their contractual number of hours.

This shall continue until the driver has been paid for the minimum number of working days as required by this contract.

If the route calls for more working days than the contractual amount, the driver shall work those days and be paid for all days worked.

Should AACCS declare a calamity day, the driver shall not transport any student(s) that day and will be paid in accordance with the applicable calamity day provisions of this Agreement.

Should the destination school declare a calamity day, the following shall apply:

- a) The employee will report to the Transportation Supervisor to determine if his/her services are needed.
 - b) If his/her services are needed the employee will be paid the greater of: 1) the hours the employee actually worked; or, 2) the number of hours the employee usually works. If the employee's services are not needed, he/she will be paid their contractual number of hours.
2. For routes whose sole destination is not outside of the District (i.e., A-Tech, Parochial schools, etc.) and on days when school is not in session for the Ashtabula Area City Schools, separate routes will be created. The most senior drivers will be offered the work on a seniority rotation basis. The driver will be paid for actual hours worked with a minimum of four (4) hours, two (2) hours AM, two (2) hours PM), at the driver's regular rate of pay.

D. Work Order

Bus drivers are to have work order forms for service and repair of vehicles. The driver is to list items needing attention. Time worked in excess of the regular scheduled hours shall be compensated at a rate of thirty cents (.30) per minute.

2. Should a driver be requested to assist another driver/route, the driver shall be paid for all time spent in assisting over and above their regular route time.

F. Safety

It is understood that all buses must be kept in good driving condition and shall be inspected prior to the opening of school. No driver shall be requested to drive an unsafe bus. Drivers are to remain within the proximity of the bus at all times, including field trips, except in the case of an emergency. Drivers who take field trips shall keep their bus at the destination of the field trip, except for a food period which shall not exceed sixty (60) minutes.

G. Safety Meetings

An annual safety meeting will be held each year. Drivers are required to attend one such meeting and will be paid their regular hourly rate for the hours in attendance. If a driver does not attend the scheduled meeting, he/she must attend an alternate meeting. Failure to attend and successfully complete the safety meeting in its entirety will result in the employee being removed from service prior to the beginning of the school year, without pay, until such time as the safety meeting is successfully completed. Any safety meeting shall be counted as attendance at one of the Board required semester in-services.

H. Summer Work

1. There shall be a separate sign-up sheet for summer programs.
2. Any summer programs requiring the use of a school bus(es) shall be offered to the senior drivers on the summer program sign-up sheet. The driver awarded the position will drive the route until the completion of the program.
3. Summer field trips shall be offered to the drivers on the seniority rotation list.

I. Court Appearance

J. Maximum Hours

The school bus driver shall operate the bus for not more than ten (10) hours in any one twenty-four (24) hour period. Operation means on-road driving and layover time does not count as operating time.

K. Extracurricular/Field Trips

1. For the purpose of definition, a "field trip" is any extra trip which is not run on a daily scheduled basis.
2. a. The Board shall post and maintain extracurricular/field trip rosters which shall bear the names of all drivers wishing to take such trips. This roster shall be posted in the Bus Garage. Trips shall be posted when possible at least five (5) days in advance and shall indicate the driver's name, the date and trip number. Extracurricular/field trips shall be granted on a seniority rotation basis of those desiring to take such trips. The driver who declines a trip shall be assigned to the bottom of the list and will not be eligible to take another trip until his/her name reaches the top of the seniority list. Furthermore, the driver will not be eligible to take another trip for the same day they turned down a previous trip. Any employee who desires to decline a field trip must do so within three (3) working days of the placement of the trip ticket for the field trip in the employee's mailbox/locker. A driver who declines a field trip outside of the three (3) working day window, four (4) or more times in a semester, shall be removed from that roster for the remainder of the school year.

b. Posting of Trips and Seniority Roster

The Board shall maintain and post the current data at the Board Office and Bus Garage when school is not in session for:

- i. All non-regular bus route trips;
- ii. An up-to-date seniority roster.

This up-to-date information can also be obtained by calling the Operation Officer's secretary.

3. Field trips shall be awarded to bus drivers on seniority rotation basis giving each driver an opportunity to drive extracurricular runs (if desired). There will be no trading of field trips. (Buses on field trips requiring additional cleaning time by the driver shall have the additional time charged to the field trip.) The regular driver shall have the option of taking any field trip which may fall during the driver's working day over the driver's regular run. Minimum field trips shall be one (1) hour. Whenever possible, drivers shall use their regular assigned buses on field trips.
4. When field trips are assigned, a copy of the trip ticket will be placed in the driver's mailbox immediately. If a trip is posted with less than five (5) days notice, drivers shall be notified, at a reasonable hour to check mailboxes by telephone or via two-way radio, keeping in line with the seniority rotation format.

5.
 - a. One hour show-up time shall be paid to a driver when called out on a field trip if trip is canceled once a driver has left from storage.
 - b. If a daytime field trip is canceled after a driver has left home and a substitute has been called for his/her regular run, the driver shall receive his/her regular day's pay (not the show-up time), and may be requested to drive.
 - c. In the event of inclement weather, the driver should attempt to contact the transportation supervisor or the business office prior to 1:30 p.m. to confirm that the scheduled trip is still scheduled.
6. Drivers will be paid their regular rate of pay from storage to storage for field trips. Bus drivers who work more than forty (40) hours per week are entitled to overtime pay for hours worked in excess of forty (40) hours per week.
7. Whenever a deduction is required, the driver will be deducted the proportional part of the schedule daily route which is not driven. The deduction will be based on the hours not driven at the hourly rate.
8. Expenses incurred on extracurricular/field trips (i.e., turnpike fees, entrance fees, etc.) shall be borne by the group sponsoring the trip in advance of the trip.
9. The Board will maintain a seniority rotation list for extracurricular and field trips, which will be regularly updated. The seniority rotation list will run continuously from year to year.
10. All field trips shall have at least one teacher, coach or adult to and from the activity to assist the driver with supervision and discipline.
11. Athletic coaches, teachers, advisors, and/or coordinators shall have no authority to modify and/or alter the length of a trip or its number of assigned hours after the trip is in progress.
12. All drivers assigned "one-way trips", excluding shuttles, shall be repaid with a "round-trip" assignment prior to the granting of new trip assignments to other drivers immediately after completion of the one-way assignment.
13. Any driver, who is requested and assigned an emergency or late trip, may be repaid with a "one-way trip".

L. Field Trip Procedures

1. All field trips will be numbered sequentially and assigned by the Transportation Office.
2. There will be three rosters:

- a. Daytime - loss of morning or afternoon route;
 - b. Weekend/night time - trip starting at 4:00 p.m. or later, or scheduled on a day when school is not in session;
 - c. Shuttle - see section M.
3. All trips will be assigned on a seniority rotation basis according to the particular roster involved.
 4. If a trip is canceled by the school, the driver will get the next available unassigned trip on the appropriate roster, without losing his/her place on the current appropriate seniority rotation roster.
 5. If a driver declines a trip, his/her name goes to the bottom of the list until the name comes to the top of the appropriate list.
 6. If a driver is assigned to a trip and his/her name comes up on another roster for a trip on the same day so as to cause a conflict with the first assigned field trip, he/she will be bypassed and will be given the next available unassigned trip on the appropriate roster.
 7. Emergency call-ins will go on the seniority rotation list to the next available driver. If the emergency occurs on the same day/night, the driver will not be penalized for refusing the trip and will not lose his/her place on the appropriate seniority roster. A same day tournament shall not be considered late trips.
 8. If a driver is back from a field trip within five (5) minutes after the dismissal bell for the students scheduled to be picked up by the driver, he/she will drive his/her normal route. It will be the driver's responsibility to inform the responsible person that the driver needs to be back at the point of pickup by the aforementioned dismissal deadline. If the driver sees that he/she will not be back, it is the driver's responsibility to call in so that a substitute may be obtained. Preference will be given to available bargaining unit bus drivers to be called to cover the absent driver's regular bus route.
 9. If a driver accepts an emergency trip, he/she will also retain his/her position on the appropriate roster.
 10. If a driver is already on the list to be repaid a trip due to a cancellation, the driver will get the next unassigned trip available for that roster, regardless of the type of trip. If the driver is on the list to receive an additional trip due to the acceptance of an emergency trip, that driver will receive the next available unassigned trip that is not an emergency trip.
 11. The Board may contract with third parties to provide transportation for field trips, on a case-by-case basis when no bargaining unit transportation

employee could have taken the trip, subject to the guidelines contained in Appendix F.

M. Shuttle Runs

1. A shuttle run shall be defined as a run which is (a) not part of a regular route/run, and (b) taking students to and/or from an event (i.e., Goodwill, swimming, etc.) which is either within the boundaries of the school district or is geographically serviced by the Ashtabula Area City Schools.
2. A shuttle run shall be paid at one hour minimum or for the actual time beyond the one hour minimum.
3. Shuttle runs shall be awarded according to the shuttle seniority rotation list which shall be separate from the daytime and weekend/night time roster.

N. Noontime Routes

1. Noontime routes shall be established on an annual basis in accordance with the needs of the school district.
2. Noontime routes shall be in addition to regular routes and be paid from point of departure to the point of return. Noontime routes shall be a minimum of one hour. Noontime routes shall be bid separately from regular routes. Regular drivers shall be used as substitutes on a seniority rotation basis on Noontime routes when regular drivers are absent and will be paid their regular rate of pay.
3. Noontime seniority shall be defined as the employee's length of continuous service as a employee, determined by the his/her entry date as a noontime employee.
4. The established noontime seniority roster shall be used in identifying bus drivers' transportation employees who hold noontime positions. This roster will be used to award noontime positions. In the event no employee having noontime seniority bids on a noontime position, noontime position will be offered to regular bus drivers.
5. Following the ratification and approval of this Agreement, no one who has not already attained noontime seniority will be granted it. For all noontime routes bid or bumped after the aforementioned effective date, the noontime routes will be first offered in seniority order on the noontime roster and then in seniority order on the regular transportation seniority list. Once all individuals on the noontime roster resign, retire or waive in writing their rights to appear on the noontime roster, it will cease to exist. Thereafter, all positions will be bid or bumped based upon the transportation seniority list.

O. Bus Aides

1. Bus aides will be paid from storage to storage, as hereinbefore defined. To determine the time for the workday of a Bus Aide, the Aide's morning time will be computed and the time will be rounded upward to the next fifteen (15) minute interval. If the Aide is scheduled to work in the afternoon, the afternoon time will also be rounded up to the next fifteen (15) minute interval.
2. In the event the time for a Bus Aide's position changes by thirty (30) minutes or more, the Board shall abolish and recreate the position following the provisions of Article 15.
3. Bus aides, with proper licensure, shall be allowed to cover for any absent driver. Rotational seniority will be utilized to determine the Bus Aide to move up to the Driver position.
4. Employees will be paid their regular rate of pay for attendance at the in-service training. Specific additional in-service will be provided for aides required to assist students with special needs.
5. Failure to attend and successfully complete the in-service in its entirety will result in the employee being removed from service without pay until such time as the in-service is successfully completed.
6. An annual safety meeting will be held each year. Aides are required to attend one such meeting, and will be paid their regular hourly rate for the hours in attendance. If an Aide does not attend the scheduled meeting, he/she must attend an alternate meeting. Failure to attend and successfully complete the safety meeting in its entirety or the alternate safety meeting will result in the employee being removed from service prior to the beginning of the school year, without pay, until such time as the safety meeting is successfully completed.

P. Bus Mechanics

1. The Board shall provide uniforms for each bus mechanic. This service will provide one (1) clean uniform per day. Mechanics shall be required to wear the Board provided uniform.

4. Bus Mechanics shall not be permitted to pull a bus video without being directed to do so by the Transportation Supervisor or Director of Business

Operations. Any such directive will be documented in writing at the time of the directive.

Q. Commercial Driver's License

The Board shall pay the difference between the regular license and the commercial driver's license. Additionally, all recertification costs shall be reimbursed to the driver.

R. Drug and Alcohol Testing

Transportation employees will be subject to random drug and alcohol testing only as required by State and Federal Law.

S. The Board shall issue parochial schools and Career Technical School calendars to all drivers.

T. The video tapes and/or electronic video recordings (collectively referred to herein as the "video security records") produced by security cameras on the district's school busses are the sole property of the Board. The video security records will be maintained by the Board in accordance with its policies and all applicable laws and regulations. In the event a video security record is intended to be used by the Board in a disciplinary action against an employee, the video security record will be made available for inspection by the employee and his/her representative prior to the use of same in any disciplinary proceeding. The Board agrees that the video security records shall not be used for the evaluation of employees. However, the Association hereby acknowledges and agrees that certain video security records may be used by the Board as part of the evaluation process when an employee has engaged in misconduct.

U. Bus driver training is a management function and not bargaining unit work. The Board shall utilize qualified bargaining unit members to assist with such training on a contract services basis. Any qualified bargaining unit member shall have the opportunity to request such training assignment. The opportunities shall be offered first to bargaining unit members on a rotational basis.

V. Administration shall be available for discipline issues no later than the arrival of the first bus each morning.

ARTICLE 31. GRIEVANCE PROCEDURE

A. Definitions

1. A Grievance Item is a claim based upon interpretation, meaning, or application of this negotiated Agreement and or a claim based upon an event or condition which affects the welfare and/or terms and conditions of employment of an employee or group of employees.
2. An aggrieved person is the person(s) making the claim for himself/ herself or for the Association and shall be a bargaining unit member.
3. An Association representative shall be defined in the grievance procedure as a member of the Grievance Committee or any person(s) designated by the Association.
4. Days shall mean days school is in session, except during the summer and school recess when "days" shall mean weekdays.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, an equitable solution to a grievance. Both parties agree that the proceedings shall be kept as informal and confidential as is possible. No reprisal of any kind shall be taken by the Board, the Administration, or any Board employee against anyone because of his/her participation in this grievance procedure.
2. Nothing contained herein shall be construed as limiting the right of any classified employee having a grievance to discuss the matter informally with any appropriate member of the administration and/or Association and having the grievance adjusted.

C. Procedure(s)

1. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. The time limit specified may, however, be extended by mutual agreement. Any grievance may be withdrawn at any level and all grievance discussion and communication shall remain confidential to the parties immediately involved.
2. Any discussion or hearing held shall be a closed session, unless mutually agreed to the contrary.
3. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel record(s) of the participant(s).
4. Failure of the Association to file or appeal the grievance within the specified time limits shall cause the grievance to be resolved with the last response from administration. Failure of the administration and/or Board to respond within established time limits will cause the grievance to be settled in favor of the grievant.

Level One - Supervisor

The employee shall approach the administrator immediately concerned and discuss the matter. When requested by the employee a representative of the Grievance Committee of the Association, or other chosen representative of the Association, shall accompany the employee in discussion with the administrator. The back of the grievance form shall be signed and dated by all parties present acknowledging discussion on the grievance. This grievance procedure must be initiated within thirty (30) days from the date the alleged grievance was known or reasonably should have been known. The Supervisor shall respond in writing on the agreed upon form, within five (5) days of the initial meeting.

In the event the grievance arises, not from the Master Agreement itself, but from "an event or condition which affects the welfare and/or terms and conditions of employment of an employee or group of employees" and is not resolved at Level One, then the Grievant shall forward the event or condition giving rise to the Level One Supervisor discussion to the next Labor/Management Committee meeting for resolution. The Grievant shall submit the item in writing to both the Superintendent and the Association President within five (5) days of the Level One discussion. The time lines contained herein shall be held in abeyance until the matter is either resolved at the Labor/Management Committee meeting or within fifteen (15) days following the Labor/Management Committee meeting the Grievant may forward the grievance in writing in accordance with Level Two of the Grievance Procedure contained herein.

Those grievances arising out of the Master Agreement will proceed to Level Two as stated herein.

Level Two - Director of Operations

In the event that the response given at Level One is unsatisfactory, the grievant(s) shall file, in writing, a formal grievance alleging the specific violation as per Section A.1. of this article. Such filing shall be within fifteen (15) days from the date of the Level One written response. A written grievance shall be hand delivered by the grievance chairperson or designee to the Director of Operations or designee. At that time, a date-stamped and signed copy will be returned to the grievance chairperson or designee. The Director of Operations shall meet with the aggrieved person and a representative of the Association within five (5) days following the receipt of the written grievance. Within five (5) days following the conference hearing, the Director of Operations shall forward a copy of the Level Two decision to the grievant, Grievance Chair, Association President and UniServ Representative.

Level Three - Superintendent

If the grievance is not resolved at Level Two, the employee or the Association Representative shall within five (5) working days of receipt of the Director of Operation's answer submit to the Superintendent the answer at Level Two with the original grievance statement. The Superintendent will meet with the employee and the Association's representative to discuss the pending grievance within five (5) days of request. No later than five (5) working days following the meeting, the Superintendent shall forward a copy of the Level Three decision to the grievant, the Association President, Grievance Chair and the UniServ representative.

Level Four - Mediation (Optional)

If, after receiving the answer at Level Three the employee remains aggrieved, the employee and/or the Association may, in writing, request that the matter be submitted to mediation with the Federal Mediation and Conciliation Service. This request shall be made within fifteen (15) working days from the receipt of the answer given at Level 3. The parties agree to participate in the mediation of all the

issues set forth in the grievance(s) at the first meeting date available to the mediator, but not later than thirty (30) days from the filing of the request for mediation. If the mediation process is not successful or is not initiated and the employee remains aggrieved, the employee may proceed to Level Five.

Level Five - Arbitration

If, after receiving the answer at Level Three or Level Four, if implemented the employee remains aggrieved, the Association shall notify the Board in writing of its intent to submit the grievance to arbitration within fifteen (15) days. The Association shall submit its demand for arbitration to the American Arbitration Association within thirty (30) days after Board notification to provide the parties with a list of nine (9) arbitrators from which an arbitrator can be selected. Each party shall strike those names unacceptable to them and return the list to AAA. Any arbitrator appearing on the list of acceptable arbitrators from both parties shall be designated as the assigned arbitrator. The arbitrator shall have the authority to hold hearings and confer with any party deemed advisable in seeking to effect the resolution of the grievance. In these proceedings, the aggrieved shall be represented by the Association. Each party shall have the right to subpoena a witness(es). The decision of the arbitrator shall be binding on both parties. The fees and expenses of the arbitrator shall be paid by the losing party.

D. Expedited Arbitration

With agreement of both parties, Expedited Arbitration may be employed under the rules and regulations of the American Arbitration Association in lieu of Level Two, Three, and Four.

E. Power of the Arbitrator

1. The arbitrator shall:
 - a. Be empowered, except as limited below, after due investigation, to make a decision in case of a claim based upon interpretation, meaning, or application as outlined in Section A.1.
 - b. Have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
 - c. Have no power to change the Board's officially adopted salary schedule and indexes.
 - d. Have no power to decide any question, under this Agreement, which is solely within the responsibility of management to decide. In rendering a decision, an arbitrator shall give due regard to the responsibility of management except as conditioned by this Agreement.
2. In the event it is claimed by the administration and/or Board that any matter filed as a grievance is not arbitrable as a contract grievance, as is

contemplated by the definition of a contract grievance contained in Section A.1. of this article, such dispute may be pursued to arbitration with the arbitrator having the authority to rule on the issue of arbitrability prior to conducting a hearing on the merits of the dispute.

3. Any decision by an arbitrator, which is outside the scope of the arbitrator's power as outlined by this section, shall be null and void and not binding on any party.

ARTICLE 32. CONTRACTUAL AGREEMENTS

A. Lunch Time

1. A thirty (30) minute uninterrupted lunch period shall be granted to all employees except those in the following departments: Bus drivers, crossing guards, and all employees working four (4) hours or less per day.
2. Employees having a paid lunch will also have thirty (30) minutes for lunch, but such employees may be required to perform duties during the paid lunch period.
3. At all times not specifically mentioned above, or as referenced to in other articles of this Agreement, classified employees shall work eight-and-one-half (8-1/2) hours with a thirty (30) minute unpaid lunch period.
4. If an employee is receiving a paid lunch, he/she is required to remain on school property unless otherwise directed or approved by building administration.
5. If an employee is receiving an unpaid lunch, he/she may leave the school premises.

B. Breaks

1. Two (2) fifteen (15) minute breaks within the building shall be established for all classified employees who work more than six (6) consecutive hours per day. The first break shall occur at the approximate mid-point of the first half of the workday and the second break shall occur at the approximate mid-point of the second half of the workday.
2. Those employees who are assigned four (4) to six (6) hours of consecutive work per day shall receive one (1) break at the approximate mid-point of their day.
3. All work stations within an operational area shall be staffed by an employee during the workday, whenever possible.

C. Mileage

1. Employees who are required to use their own automobile in the performance of their regularly scheduled duties or in emergency situations, and employees who are assigned to more than one (1) school per day will be reimbursed at the rate established by the IRS. It will be the responsibility of both parties to be aware of the IRS rate.
2. Mileage reports must be submitted on a monthly basis. Delay in submitting monthly mileage reports shall cause the payment to be made the subsequent month. The staff members receiving mileage shall be responsible for reporting to the IRS income associated with mileage payments made above the IRS rates.

D. Physical Examinations

1. The Board of Education agrees if an employee is required to have a physical examination, the Board will select an appropriate physician for such an examination. The Board will pay the entire cost for the required physical examination. It is expected that an employee will have the required physical examination within thirty (30) days after the Board so orders. Failure to have the examination within that period waives the employee's rights to receive remuneration from the Board. The willful refusal of an employee to undergo a physical examination required by the Board may be considered grounds for dismissal. The employee shall have the right to have such physical by a physician of his/her own choice.
2. The Board reserves the right to have an employee examined by a Board designated physician, without cost to the employee.
3. The willful refusal of an employee to undergo any physical examination required by the Board shall be considered grounds for discipline, including suspension and termination.

E. Administration Meeting

The Board agrees that all employees requested to, or required to, attend any meeting scheduled by the administration for a time other than during the employee's regularly scheduled workday, shall be paid at the applicable hourly rate for the time spent at such meeting(s) or a minimum of thirty (30) minutes, whichever is greater. Meetings called by mutual agreement or by the Association will not be subject to remuneration.

F. Perry Nuclear Power Plant

No employee shall be required to assist in evacuation of the Perry Nuclear Power Plant or any emergency resulting from a malfunction at Perry Nuclear Power Plant. Employees shall retain responsibility for regular assigned duties.

ARTICLE 33. GENERAL PROVISIONS

A. Department and Orientation Meetings

At the beginning of each school year, there shall be an orientation meeting for all classified employees. All employees shall attend, and employees who are not scheduled to be on duty shall be paid for the time that they are required to be in attendance, which shall be at their regular hourly rate, for a minimum of one (1) hour.

Department meetings shall be scheduled prior to the opening of school. Employees not scheduled to work shall be paid a minimum of one (1) hour at the regular rate of pay.

B. Bargaining Unit Work Preserved

Except as otherwise provided by this agreement, the Board agrees that it will not enter into any agreements with private or public contractors to provide services which are presently being provided by bargaining unit members in the daily operation of the schools. The Board reserves the right to contract with third parties to purchase services when necessary due to:

1. Need for Technical Expertise;
2. Health and Safety Concerns;
3. Liability and Warranty Reasons;
4. Emergencies which must be handled in forty-eight (48) hours or less;
5. Time constraints which shall exist only when the work load exceeds what can be completed by regular employees during regularly scheduled hours and overtime.

See Appendix for Memorandum of Understanding

No bargaining unit member shall be displaced or reduced in regular working hours because of the contracted work.

C. Performance of Work

All bargaining unit work shall be performed by bargaining unit employees. No supervisor shall be assigned or assume bargaining unit work as part of his/her regular duties.

Supervisors may perform bargaining unit work in emergency situations (i.e., snow plowing, bus driving) where no bargaining unit member will be replaced or have their hours reduced as a result of the work being performed by the Supervisor. In

such an event, the Director of Operations or his/her designee will notify the Union president or his/her designee via phone at the time of the occurrence.

D. Volunteer Services

Nothing in this Agreement shall be construed to prohibit any parent or citizen from volunteering his or her services for school-related activities which are not bargaining unit duties.

E. Federal/State Programs and Student Employees

The Board shall not employ any students under any secondary school or college work-study program or any state or federal funded work experience program in any position that would replace any employee in the bargaining unit.

F. Civil Service Jurisdiction

1. The Board and Association agree that the portions of this collective bargaining agreement that specifically pertain to the terms and conditions of the employment of bargaining unit members, shall supersede any conflicting provisions of Chapter 124 O.R.C., as is permitted by law.
2. It is specifically understood and agreed by the parties that all matters involving job descriptions, promotions and discipline are not to be processed or handled by the Ashtabula City Civil Service Commission.

G. Employee Tenure

All bargaining unit employees, as defined in Article 1, Recognition, who have successfully completed their sixty (60) day probationary period shall be tenured employees of the Ashtabula Area City School District.

H. Staffing and Shifts

1. At the beginning of each school year, the office of the Director of Operations will provide the President of the Association with a complete list providing the minimum staffing, the normal shifts, and the actual number of days for the classified staff of the system. The actual number of days for each classification shall be made part of the Agreement.
2. Shift Differential
 - a. First shift shall be defined as any employee who is regularly scheduled to end no later than 5:00 p.m.
 - b. Second shift shall be defined as any employee who is regularly scheduled to work after 5:00 p.m., a twenty-five cent (25¢) shift differential will be paid to each employee hired for second shift work.

- d. Employees whose regularly scheduled work hours meet the definitions above shall be paid the appropriate shift differential, pursuant to Article 34, for the total number of hours worked regardless of starting time.
- e. No bus driver or bus aide shall receive shift differential regardless of when their work hours end or begin.
- f. No employee who begins work prior to, works past their regularly scheduled time or works another shift in lieu of their regular shift shall receive any shift differential unless their regularly scheduled time otherwise qualifies them to be paid shift differential.
- g. An employee, who already receives a shift differential and assumes extra time outside of their regular work day shall be paid their regular shift differential for all time worked unless otherwise excluded by the CBA (i.e., summer work) regardless of when their workday ends or begins.

I. Chronic Communicable Disease Policy

1. Statement of Purpose

An employee who has been exposed to or who contracts a chronic communicable disease shall be treated no differently than an employee with any other medical disability, and as is provided herein. No employee shall be subjected to indiscriminate testing or testing which is not in accordance with the law. The Employer shall not discharge any employee nor otherwise discriminate against any employee with respect to wages, hours, terms or other conditions of employment on the basis of the fact that such employee has contracted a chronic communicable disease. Any action taken by the Employer to temporarily or permanently remove an employee who has been exposed to or who contracts a chronic communicable disease will only be undertaken in accordance with this policy. The Employer shall comply with all laws regarding the civil and constitutional rights of all employees.

2. Reports of Suspected Carriers

All reports of suspected carriers shall be directed to the Superintendent. All reports of suspected carriers shall be in writing and shall identify the person(s) making the report and shall note the reasons why the reported employee is suspected of being a carrier. If a report is received which does not meet those requirements, it shall not be acted upon.

3. Testing Criteria

- a. No employee shall be required to submit to a medical evaluation of his physical or mental condition without determination of just cause for said evaluation. The just cause determination shall be made by a tripartite panel which shall conduct a due process hearing and render a written determination which shall be final and binding on the parties.
- b. The tripartite panel shall be comprised of a physician selected by the Employer, the employee's personal physician, and an arbitrator mutually selected by the Employer and the Union in accordance with the procedures set forth in the grievance procedure of this Contract. The mutually-selected arbitrator shall act as chairman of the panel and shall serve in that capacity for all subsequently convened panels to determine probable cause for medical evaluation.
- c. The tripartite panel shall conduct a due process hearing to determine whether there is probable cause for the medical evaluation of an employee. Within ten (10) days after the conclusion of the due process hearing, the panel shall render a written determination and the rationale to the Superintendent and the employee.
- d. In the event that a health risk becomes apparent and may affect many or all employees, as determined by a physician in the appropriate public health district, the Employer, with concurrence of the Union, shall be permitted to bypass the tripartite panel and immediately provide for the examination and/or immunization of any or all employees to prevent the spread of the disease.
- e. All costs of the tripartite panel shall be borne by the Employer.

4. Medical Evaluation

- a. Within ten (10) days after a determination has been rendered substantiating probable cause for medical evaluation or if an employee voluntarily submits to a medical evaluation, a medical review team comprised of: 1) a physician specializing in the contagious disease in question; 2) a physician from the appropriate public health district; and, 3) the physician designated by the Superintendent as the Employer's physician shall be convened by the Superintendent to conduct a medical evaluation of the employee's condition. The medical review team shall provide for the examination of the employee and may obtain, upon written voluntary authorization of the employee, all relevant and pertinent medical information from the employee's personal physician.
- b. The report rendered by the medical review team shall be restricted to an evaluation of the employee's medical condition and shall clearly state:

- (1) Whether or not the employee has been infected with a chronic communicable disease as alleged in the report to the Superintendent. If so, then the medical review team shall determine:
 - (a) Whether or not the employee's current medical condition imposes a substantial health risk to others in the school environment and the rationale for the finding. In making that determination, the medical review team shall consider:
 - i. The nature of the risk of the employee's medical condition (how the disease is transmitted);
 - ii. The duration of the medical condition (how long is the carrier infectious);
 - iii. The severity of the risk of the medical condition (what is the potential harm to third parties); and
 - iv. The probability the disease will be transmitted and will cause varying degrees of harm.
 - (b) Whether or not the employee is otherwise qualified to remain in his/her current job. "Otherwise qualified" means that the employee is able to meet all of the job requirements in spite of the employee's medical condition.
- c. The medical review team shall continue to monitor an employee's medical condition in the event that the medical review team determines that such a follow-up review is necessary. Such monitoring is intended to permit the medical review team to determine whether or not an employee is qualified in his/her job as is set forth in 4 b. (1) (b).

5. Reasonable Accommodation

- a. Within ten (10) days of receipt of a medical evaluation report indicating that an employee's current medical condition imposes a substantial health risk to others in the school environment or prevents the employee from performing all of the employee's job requirements, the Superintendent shall provide written notification to the employee specifying what action the Employer shall take to reasonably accommodate the employee's disabling condition.
- b. Any attempt to reasonably accommodate the employee's disabling condition shall not violate the existing Contract. If the Union believes the proposed accommodation would violate the Contract, the Employer shall meet with appropriate representative(s) of the Union and the employee to attempt to negotiate a reasonable accommodation.

- c. Any unresolved dispute regarding whether the Employer has made a reasonable accommodation or whether the proposed accommodation is in compliance with the Contract shall be subject to expedited final and binding grievance arbitration.

6. Elimination of Health Risk

- a. Whenever an employee's health is at risk due to possible exposure to a communicable disease, the Employer shall take all measures necessary as determined by standards established by the Center for Disease Control to eliminate the health risk. The Employer's actions shall be in compliance with this article of the Contract.
- b. If elimination of the health risk requires an employee to be immunized, the cost of the employee's immunization shall be borne by the Employer, unless same is a covered expense by the employee's hospitalization insurance. Any difference between the amount paid by the insurance carrier and the actual charge shall be paid by the Employer. The Employer shall not be responsible for paying for any immunization costs that are solely attributable to an employee's voluntary request for same.
- c. If elimination of the health risk requires the implementation of any emergency, temporary, or permanent removal of an employee with a chronic communicable disease, the Employer shall comply with the provisions of the collective bargaining agreements and the applicable statutes, including Section 3319.13 O.R.C.

7. Disability Retirement

Subsequent to the determination that temporary or permanent removal of a disabled employee is justified, the Employer shall support the employee's application for disability retirement if the employee elects to make such application.

8. Confidentiality

- a. All reports of suspected carriers, all aspects of the due process hearing to determine probable cause for medical evaluation, and all aspects of the medical evaluation shall be treated as "highly confidential". Any report received or rendered during these procedures shall be released only to the Superintendent and the employee. Any discussion of a report by the Employer shall be conducted in executive session.
- b. The Board and all employees of the Board involved in any way in the implementation/administration of this procedure shall at all times maintain fully the confidentiality of any information received pursuant to this procedure except to the extent otherwise reasonably required to accomplish such implementation/administration.

9. Education

- a. The Employer shall implement education programs for all school employees, students, and the school community regarding chronic communicable diseases and their transmission within sixty (60) days of the implementation of this agreement. The purpose of such programs shall be to reduce irrational fears regarding the diseases and their transmission within the school environment.
- b. All employees shall be provided within thirty (30) days all necessary supplies and equipment for handling spilled blood and body fluids to insure proper cleaning and disinfection. Employees shall receive training on the proper use of supplies and equipment upon receipt of same.

10. Employee Cooperation

Implementation of these procedures as outlined herein shall not prevent the Employer from utilizing the disciplinary procedures as agreed to in the respective collective bargaining agreements.

11. Mutual Agreement

The Board of Education and respective Associations hereby acknowledge that the subject policy has been negotiated for the mutual benefit of both parties.

12. Exclusions

The following provisions of this policy do not apply to employees suspected of having AIDS or AIDS-related conditions, or an HIV infection: I.3 Testing Criteria, I.4 Medical Evaluation.

If an employee is suspected of or identified as having or has AIDS, AIDS-related conditions, or an HIV infection, then all protection of O.R.C. 3701.242 and 3701.243 shall apply to the administration of an HIV test to the employee.

J. Health and Safety

Any employee who is required to remove and/or encapsulate asbestos, clean infectious bodily fluids/wastes and/or handle hazardous waste or materials, shall be provided with all necessary training, equipment, materials, and supplies. This includes blood borne pathogens training.

At all times, employees are required to wear or use necessary safety equipment during the performance of their duties.

The Board agrees to provide in-service on Stress Management and other Wellness topics in conjunction with other departmental in-service.

K. Training

1. By Employees

A regular employee who is required to train a substitute or an employee, and is required to do so before or after his/her regular work schedule, will receive time-and-one-half (1½) for all hours worked in addition to the regular workday. Anytime an employee is directed to train an employee during his/her workday, the employee shall be entitled to work an additional one (1) hour at the employee's overtime rate to enable the trainer to complete his/her work duties.

2. By Employer

- a. The District shall provide CPR/First Aid certification training, at no cost, to all employees who are required to hold such a certificate at least one (1) time per year. The training will be offered on a non-contractual day. All time spent in the training shall be paid at the employee's appropriate hourly rate of pay.
- b. All bargaining unit members directly involved with Special Education students and/or students requiring assistance under Emergency Medical forms will be provided training by the Board of Education at Board expense. Employees who take said training shall be paid their normal rate of pay for all time spent in training.
- c. On early release days, employees that are not required to be on duty for their entire work day will be required to attend district provided in-service(s). Such attendance will be compulsory and all time spent in in-service shall be paid at their hourly rates. Should the time spent in the in-service be less than the employee's regular number of hours, the employee shall be paid his/her full day's wages.
- d. On two (2) contractual working days per year, the District shall provide training, developed by the committee outlined below, for all bargaining unit members. All bargaining unit members will be paid their regular hourly rate of pay for six (6) to eight (8) hours, but in no event fewer hours than the amount of the employee's regular contracted hours, to attend training.
- e. The training provided above will be jointly developed by a Classified Employee Professional Development Committee. This committee will include no more than five (5) Association members selected by the Association President and no more than five (5) members representing the Board and will meet at least twice annually.
- f. All training dates indicated above shall be identified on the work calendar posted annually by June 1.

L. Short Hour Employees with More Than One Position

1. Employees holding two (2) positions either in the same or different departments may do so only under the following conditions:
 - a. For employees that work a five (5) day workweek in both positions, the total hours of work shall not exceed eight (8) hours per day. For employees that do not work a five (5) day workweek in one (1) or more of their positions, the employee may exceed eight (8) hours per day so long as they do not exceed forty (40) hours in a work week.
 - b. There shall be a fifteen (15) minute minimum unpaid travel time determined by the most direct travel route between worksites. The fifteen (15) minute time period shall not be required if there is no change of building and no lunch break is required.
 - c. Employees shall use their private vehicle at the employee's expense for travel between short hour positions.
 - d. Bus drivers who hold a second job outside the department shall not be permitted to take shuttle, and day-time field trips during the school year. They shall be eligible to sign up for field trips on the summer roster. Bus drivers who hold a second job outside of the department shall be allowed to take night/weekend field trips so long as the trip begins and ends outside of their regularly scheduled workday.
 - e. All positions held in this manner shall be posted and awarded as individual positions following the transfer, resignation or retirement of the employee holding both positions.

M. Drug and Alcohol Free Work Place

1. Prohibited Conduct

No bargaining unit member shall manufacture, distribute, dispense, possess, use, or be under the influence of a controlled substance and/or alcohol during work hours or at any activity or function sponsored by or related to employment with the Board. "Premises" includes vehicles owned by or being driven on behalf of the Board, as well as parking lots, playgrounds, and other property owned by the Board. "Controlled substances" means any drug subject to Federal or state regulations as to manufacture, distribution, sales, and use including but not limited to cannabis, cocaine, amphetamines, barbiturates, and heroine.

2. Drug-Related Criminal Conviction

Bargaining unit members convicted of violating any Federal, state or local criminal drug statute where the violation occurred during work hours or on

Board premises must report the conviction to the Superintendent within five (5) working days of the conviction.

3. Testing

The Board may require an employee, or prospective employee to be tested for drugs or alcohol for the following reasons or circumstances:

- a. Post-offer, pre-employment testing.
- b. Reasonable suspicion testing.
- c. Post-accident testing.
- d. Return to work assessment.

The Board and Association agree to abide by the following procedures and requirements as relates to the aforementioned drug or alcohol testing:

a. Post-Offer, Pre-Employment Medical Examination and Drug Testing

As part of the Board's employment procedures, all applicants will be required to undergo a post-offer, pre-employment medical examination and a drug test conducted by a contractor the Board designates. Any offer of employment depends upon satisfactory completion of this examination and/or screening and the determination by the Board and its examining physician that the person is capable of performing the responsibilities of the position that has been offered.

b. Reasonable Suspicion Testing

Reasonable suspicion testing will occur when management has reason to suspect that an employee may be in violation of this Policy. The suspicion will be documented in writing at the time the test is requested. A reasonable suspicion test occurs based on:

- i. Observed behavior, such as direct observation of drug/alcohol use or possession and/or physical symptoms of drug and/or alcohol use.
- ii. A pattern of abnormal conduct or erratic behavior.
- iii. Newly discovered evidence that the employee has tampered with a previous drug or alcohol test.

Any observation made must be by a trained supervisor. Reasonable suspicion testing does not require certainty, but mere "hunches" are not sufficient to justify testing. To prevent this, all managers/supervisors will

be trained to recognize drug and alcohol-related signs and symptoms. Testing may be for drugs or alcohol or both.

c. Post-Accident Testing

Post-accident testing will be conducted whenever an accident, as is hereinafter defined, occurs. For the purpose of this type of testing, the Board considers an accident an unplanned, unexpected, or unintended event that occurs on Board property, during the conduct of business, or during working hours, or which involves a Board owned vehicle or vehicle which is used within the employee's scope of employment, and which results in any of the following:

- i. A fatality of anyone involved in the accident;
- ii. Bodily injury to the employee and/or another person that required off-site medical attention away from the Board's place of employment;
- iii. Vehicular damage in apparent excess of \$2000.00;
- iv. Non-vehicular property damage in apparent excess of \$2000.00.

When such an accident results in one of the situations described above, any employee who directly contributed to the accident will be tested for drugs or alcohol use or both.

d. Follow-up Testing after Return-to-Duty from Assessment of Treatment

This test occurs when an employee who has previously tested positive is not terminated because of a decision made not to terminate under the Rehabilitation Option described in paragraph 5 of this section of the Agreement. A negative "return-to-duty test" is required before the employee will be allowed to return to work. If the employee fails this test, such an event will constitute grounds for termination of employment.

At no time shall the District undertake any random drug testing that is not required by Federal or State law.

Any employee who is required to be tested shall be paid a minimum of one (1) hour or the actual time, whichever is greater.

4. Penalties

Violations may result in severe disciplinary action, up to and including immediate termination, unless the employee uses the Rehabilitation Option described in this policy. Any action against any member for drug abuse offenses must be in accordance with the terms of the Master Agreement and the applicable law.

5. Rehabilitation Option

The employee may elect to seek rehabilitation through an approved treatment program provided the employee is otherwise eligible for continuing employment. A Re-Entry Agreement, which will include an understanding that the employee will cooperate in all recommended treatment(s) and abstain from the use of any mind altering substance, must be signed by any employee electing this Rehabilitation Option. Rehabilitation, whether undertaken voluntarily or in lieu of discipline, shall be entirely at the employee's expense and without pay, except as may be covered by applicable group health plan terms, sick leave policies, and other leaves of absence policies.

6. Alcohol and Other Drug Awareness Program

Employees will be provided with information concerning alcohol and other drug abuse, as follows:

- a. The Superintendent will maintain information on community resources and employee benefits available to employees for assistance in dealing with chemical dependency problems.
- b. Each year, there will be available for each employee at least one educational opportunity addressing the physical, mental and emotional dangers of alcohol and other drug abuse, as well as rehabilitation assistance resources available to employees (such educational opportunities may include: in-service programs, discussion, presentations at employee meetings, providing literature or seminars).
- c. AACS publications, especially those distributed among employees, will from time to time contain articles on the dangers of substance abuse and rehabilitation.

7. Confidentiality

Information provided to administrative personnel as to any problem related to alcohol and other drug abuse or chemical dependency shall be considered part of the employee's medical record, and shall be confidential and marked as such. Except as may be required by law, no person may discuss or otherwise divulge any information concerning such matters.

- N. All Board employees who come in contact or handle confidential information shall be required to sign a statement agreeing to maintain the confidentiality of information which by law is required to be kept confidential.

O. Activities Pass

The staff photo ID will be used as an activity pass. Until photo IDs are issued, a photo ID and paycheck stub may be used.

P. Background Checks

The Board of Education shall reimburse or pay on behalf of each bargaining unit member the total cost of any Board requested or legally required fingerprint and background check costs. This shall be reimbursed within thirty (30) working days of submission.

Q. Licensure Reimbursements

The Board will reimburse the cost of licensure attainment or renewal for each bargaining unit member who is required by Ohio law and/or Board policy to hold a license.

ARTICLE 34. SEVERANCE PAY

- A. The Board of Education will pay to employees who are eligible for retirement payments under the School Employees Retirement System and who are retiring directly from employment in the School District, severance pay based on the employee's rate of pay at the time of retirement per position one-fourth (1/4) of his/her accrued unused sick leave to a maximum of 85 paid days. Such payment shall only be made once to any employee. Payment for sick leave on this basis shall be considered to eliminate all sick leave accrued by the employee at that time. Persons that would exceed the 85 day maximum as of June 30, 2015 shall be capped at their accrued sick leave accumulation as of June 30, 2015.
- B. This payment is to be made upon receipt of evidence of the approval for retirement benefits by the appropriate retirement system.
- C. The Board of Education is authorized under law to negotiate policy to make a payment of accumulated sick leave credit to any employee upon retirement. Such a payment will not be made when an employee resigns from the Board of Education prior to retirement.
- D. The above payments shall be exempt from deductions, except as provided by law.
- E. 403 (b) Special Pay Plan
1. Notwithstanding anything in this Agreement or Board policy to the contrary, in accordance with the terms of this Agreement and any related provisions of a plan document adopted by the Board to comply with the requirements of Section 403(b) of the Internal Revenue Code (the "IRC"), certain retiring employees shall have the total amount that otherwise would be payable to the Participant as severance pay under Article 34 (collectively referred to herein

as "Severance Pay") shall be paid into an annuity contract or custodial account that is designed to meet the tax-qualification requirements of IRC Section 403(b) (a "TSA"). For purposes of this Agreement, this arrangement is referred to as the "403(b) Plan". The provisions of this Agreement are effective for all employees whose retirement effective dates are after the Date of this Agreement.

2. The terms of the 403(b) Plan shall include the following:
 - a. Participation in the 403(b) Plan shall be mandatory for any employee actively employed on or after July 1, 2006, who: a) would be entitled to Severance Pay; b) is or will be age 55 or older in the calendar year in which the employee retires; and, c) is entitled to at least one thousand dollars (\$1000) in severance pay.
 - b. If a retiring employee is a participant in the 403(b) Plan, an employer contribution shall be made on his/her behalf under the 403(b) Plan in an amount equal to the total amount that otherwise would be payable to the Participant as Severance Pay. The required contribution to the 403(b) Plan shall be made within thirty (30) days of receiving written evidence of the employee's retirement from SERS. If the amount payable to the 403(b) Plan in the calendar year of retirement would exceed the maximum amount that is permitted under the applicable federal income tax law for that year, the remaining amount that is permitted under the applicable federal income tax law for that year shall be contributed to the 403(b) Plan after the first payroll date in January of the next calendar year.
 - c. The TSA that shall be used for the 403(b) Plan shall be the group annuity contract of VALIC. 403(b) Plan participants shall be required to complete VALIC enrollment forms; and unless and until a member does so, no contribution of severance pay shall be made to under the 403(b) Plan on behalf of the member.
 - d. If an employee retires, is entitled to have a contribution paid to the 403(b) Plan, and dies prior to such contribution being paid to the 403(b) Plan, the contribution shall be paid to the VALIC contract and then paid by the plan to a beneficiary of the employee in accordance with the terms of the VALIC contract.
 - e. The Plan year of the 403(b) Plan shall be the calendar year starting with January, 2006.
3. If an employee is entitled to Severance Pay and is not an eligible participant in the 403(b) Plan, that employee will continue to be eligible for any and all severance payments payable in accordance with Article 34. The employee may elect to defer such payments to a tax-sheltered annuity that is tax qualified under Internal Revenue Code Section 403(b) (a "TSA") as permitted by law and Board policy.

4. All contributions to the 403(b) Plan, all deferrals to a TSA, and all check payments to employees shall be subject to reduction for any tax withholding or other withholding that the Treasurer, in his/her sole discretion, determines is required by law. Neither the Board nor the AACSE guarantee any tax consequences or results associated with the 403(b) Plan, deferrals to a TSA, or check payments made to an employee.
5. Any and all administrative fees and expenses related to an employee's participation in the 403(b) Plan will be the sole responsibility of the retiring employee. AACSE agrees to indemnify and hold harmless the Board, together with its administrators, staff and employees from any and all claims, causes of action, litigation and/or grievances arising from the implementation and operation of the 403(b) Plan except for matters directly related to the Board's failure to perform the duties and obligations which are expressly required to the Board under the provisions of this Contract.
6. After adoption of the VALIC 403(b) Special Pay Plan, any administrative fees shall be borne by the plan participants.

APPENDIX E

DEFINITION OF ELIGIBLE DEPENDENTS

The Dependent Age Limit for determining eligible child dependents of bargaining unit members in the current Schedule of Benefits is age twenty six (26) for all Coverages. To be considered eligible for the Coverages, the bargaining unit member's dependent must meet the criteria set forth below

To be an "eligible dependent", the dependent must be either:

- The Card Holder's spouse; or
- The Card Holder or spouse's children, stepchildren, children placed for adoption, legally adopted children, children for whom either the Card Holder or Card Holder's spouse is the Legal Guardian or Custodian or any children who, by court order, must be provided health care coverage by the Card Holder or the Card Holder's spouse. To be considered Eligible Dependents, children's ages must fall within the age limit specified in the Schedule of Benefits and be a resident of the United States.

Eligibility will continue past the age limit for Eligible Child Dependents who are unmarried and primarily dependent upon the Card Holder for support due to a physical handicap or mental retardation which renders them unable to work. This incapacity must have started before the age limit was reached and must be medically certified by a Physician. The Card Holder must notify the Plan Sponsor of the Eligible Dependent's desire to continue coverage within thirty-one (31) days of reaching the limiting age. After a two year period following the date the Eligible Dependent meets the age limit, the Plan may annually require further proof that the dependence and incapacity continue.

Eligibility for the Coverages for eligible child dependents will terminate at the end of the calendar month of the eligible dependent's twenty-sixth (26th) birthday, unless the dependent meets all of the requirements of the preceding paragraph.

APPENDIX F

ASSIGNMENT OF FIELD TRIPS

Following discussions between the Ashtabula Association of Classified School Employees (AACSE) and the Ashtabula Area City Schools Board of Education (AACS), the following represents the procedure by which the AACS will assign field trips. Furthermore, it sets out the guidelines to be utilized in which AACS may outsource field trips.

1. All submitted field trips will be assigned on the fifteenth (15th) day of the month prior to the scheduled trip. Management will determine at the time of awarding the trips whether subcontracting is required, consistent with the following guidelines.
2. The Union has no objection to management outsourcing field trips on a case-by-case basis as long as no driver or CDL licensed bus aide could have taken the trip.
3. Management will make every effort to require field trip submissions occur at least ten (10) working days prior to the scheduled trip.
4. Each assignment will be consistent with applicable sections of the Collective Bargaining Agreement.
5. In the event a daytime roster trip driver returns in time to perform the second half of their respective trip (i.e., elementary run) there shall not be a reason to subcontract a late departing daytime roster field trip.
6. There shall be no "doubling up" or other manipulation of the drivers or their routes in order to make a driver available for a field trip.
7. Any driver that has an altered route (i.e., less than four (4) hours, four (4) day week) will be considered as an available driver for the purposes of determining whether or not to subcontract a trip.
8. In the event there is a late or emergency field trip, all of the above applications will be used in the assignment.
9. The Superintendent will issue a memo to all certified and management staff indicating:
 - a. There are no time restrictions on field trips.
 - b. "Indoor" field trips can occur in months that are less demanding on the transportation department (i.e., January, February).
 - c. Field trip requests must be submitted at least ten (10) days prior to the scheduled event, except in the case of emergencies.
 - d. Scheduled departure and return times must be adhered to, notwithstanding extraordinary circumstances.
 - e. Utilize early starts whenever possible.
