ARTICLE 1 PREAMBLE

It is recognized that the best interest of public education will be served by establishing procedures to provide an orderly method for the representatives of the Chardon Board of Education and the Chardon Education Association to discuss matters of concern, and to reach satisfactory agreement on these matters.

1.01 ELECTION PROCEDURES

In the event a teachers' representative organization petitions the Board of Education for sole and exclusive bargaining rights, procedural requirements must be met as specified in Chapter 4117 of the Ohio Revised Code.

1.02 RECOGNITION

1.02.1 It is recognized that teaching is a profession requiring the possession of specialized educational qualifications.

1.02.2 The Chardon Board of Education recognizes the Chardon Education Association as the sole and exclusive negotiations representative of the teaching personnel of the Chardon Local Schools. Any change in recognition shall be in accordance with the provisions of Chapter 4117 of the Ohio Revised Code.

1.02.3 Recognition of the Chardon Education Association by the Chardon Board of Education shall be for the purpose of arriving at agreements concerning wages, hours, terms and other conditions of employment, and the continuation, modification, or deletion of an existing provision of this collective bargaining agreement. The Chardon Education Association shall bargain on behalf of all certificated/licensed employees in the district excluding administrative personnel, central office employees, substitute teachers, and the tutors that serve on an as needed basis.

1.03 PROCEDURES

1.03.1 Inaugurating Steps to Agreement

A written request for negotiations will be submitted by the Chardon Education Association to the Superintendent and the President of the Board of Education on or before March 1 of the year in which the contract is to expire.

1.03.2 Meetings

1.03.2.1 A meeting between the negotiation teams of the Chardon Education Association and the Board of Education will be scheduled for a mutually satisfactory time within ten (10) days after the March 1 deadline. A mutually satisfactory later day may be agreed upon.

1.03.2.2 At the initial meeting, both the Association and the Board's representative shall exchange a list of all the subject matter to be considered during negotiations. This will serve as an agenda for all negotiations during the negotiations period, and no new items can be submitted by either side unless by mutual agreement. They shall also establish any other ground rules they deem necessary.

1.03.3 **Miscellaneous**

1.03.3.1 Relevant data, supporting information, proposals and counterproposals will be presented. Each shall bargain in good faith. The Board and the Association agree to provide the other party with relevant data and supporting information within a reasonable time.

1.03.3.2 Consultants may be used if deemed advisable by either party, at the requesting party's expense.

1.03.3.3 Interim reports of progress may be made to the CEA by its representative. Interim reports may be made to the Board of Education by its representatives.

1.03.3.4 Good faith means the obligation of a Board of Education, or its designated administrative representatives, and the representatives of a recognized teacher organization to meet at reasonable times and have a sincere desire to reach agreement for the ensuing year. The agreement of a Board or its representatives and the representative of a recognized teacher organization to meet for purposes of professional negotiations does not compel either party to agree to a proposal.

1.04 **AGREEMENT**

1.04.1 When tentative agreement on all items is reached between the two negotiation teams, the total agreement shall be reduced to writing and submitted to both the membership of the Association for ratification and the Board for approval.

1.04.2 When ratified by the Association and approved by the Board, the Agreement shall be signed by both the President of the Board and the President of the Association, and shall become binding on both parties and shall supersede any previous agreements. If there exists a conflict between a negotiated contract or provision thereof and previously existing Board policy, the express terms of the negotiated contract shall prevail.

1.04.3 Said Agreement shall not be altered in whole or in part unless by an instrument in writing, duly executed by both parties in accordance with this section.

1.04.4 Should any article, section, or clause of the Negotiated Agreement be declared illegal by a court of competent jurisdiction, said provision shall be deemed invalid except to the extent permitted by law, but all other provisions shall continue in full force and effect.

1.05 AIDES IN NEGOTIATION

1.05.1 Responsibility of the Bargaining Teams

The purpose of the bargaining procedure is to provide a means of obtaining agreement on issues submitted. In the event that agreement cannot be reached on all issues to the bargaining process, either bargaining team may request the aid of (1) fact finding and/or (2) mediation.

1.05.2 Fact-Finding

In the event there is a dispute over facts, a fact-finder shall be immediately selected by requesting a list of names from the American Arbitration Association in accordance with their voluntary rules and regulations. Once the fact-finder is selected and has an initial meeting with the parties, he shall have fifteen (15) days in which to report his findings of fact. He shall make no recommendations. If fact-finding is not occurring simultaneously with mediation, negotiations shall continue after the fact-finder report is issued. The fact-finder shall establish whatever ground rules he deems necessary to establish fact.

1.05.3 Mediation

When the bargaining teams are unable to come to voluntary agreement in the collective bargaining process, either party may call for the help of a mediator.

Said mediator shall be obtained as soon as possible through the Federal Mediation and Conciliation Service or the American Arbitration Association according to their voluntary rules and regulations.

The mediator shall be used as a means of bringing the two parties to agreement and shall have the following authority:

He shall call meetings; set a time, duration of said meetings; and set whatever ground rules he deems necessary. Location of the meetings shall be within a ten (10) mile radius of Chardon.

Fifteen (15) days after the start of mediation, either or both parties may call an end to mediation.

1.05.4 General Provision Concerning Aides to Negotiation

1.05.4.1 Either party may select one or both alternatives.

1.05.4.2 Fact-finding may occur prior to or simultaneously with mediation.

- 1.05.4.3 The cost of fact-finder and/or mediator shall be shared equally by both parties. Other costs shall be paid by the party that incurs them.
- 1.05.4.4 When agreement is reached through use of these impasse procedures, it shall be subject to the provisions of Article 1, Section 1.04, paragraphs 1.04.1 through 1.04.4.

**ARTICLE 2
PROFESSIONAL GRIEVANCE PROCEDURE**

2.01 PROFESSIONAL GRIEVANCE PROCEDURE

2.01.1 A claim by a teacher, teachers, or the Association (hereafter called the grievant) that there has been a violation, misinterpretation, or misapplication of this Agreement may be processed as a grievance.

The written Agreement entered into between the Board of Education and the recognized employee organization, setting forth the understanding of the parties upon those matters negotiated and agreed to, is subject to final and binding arbitration.

2.01.2 In the event that the grievant believes there is a basis for a grievance, he/she shall first discuss the alleged grievance with the immediate administrator who has the authority to bring about a resolution of this alleged problem, either personally or accompanied by an Association representative.

2.01.3 If, as a result of the informal discussion with the administrative authority, a grievance still exists, he may invoke the following formal grievance steps.

2.01.3.1 Step I

The grievant may submit to the proper immediate administrative authority a completed "Grievance Report Form," (attached to this Agreement as Exhibit "A"), Step I, within fifteen (15) school days after the grievant becomes aware of the alleged grievance, in triplicate showing the date of the occurrence, a statement of the nature of the grievance and provisions of the contract allegedly violated when applicable, and the relief sought. A copy of the grievance shall be submitted by the grievant to the Association building representative and by the administrator to the Superintendent. Within five (5) school days of receipt of the Grievance Report Form, the administrator shall meet with the grievant and/or an Association representative in an effort to resolve the grievance.

The administrator shall indicate the disposition of the grievance within five (5) school days after such meeting by completing Step I of the Grievance Report Form and returning it to the grievant. The Association and the Superintendent shall both be notified in writing as to the disposition of the grievance.

2.01.3.2 Step II

If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within the above stated time limits, the grievant and/or the Association shall complete Grievance Report Form, Step II, within ten (10) school days after notification of

Step I disposition and submit the grievance to the Superintendent. Within five (5) school days the Superintendent and/or designated representative shall meet with the grievant and/or his Association representative. Within three (3) school days of the meeting, the Superintendent shall indicate in writing the disposition by completing the appropriate portion of Step II and forwarding it to the grievant. The Association and the administrator shall be notified of said disposition.

2.01.3.3 Step III

If the grievant is not satisfied with the disposition made by the Superintendent or if no disposition has been made within the above-stated time limits, then the grievant shall complete Grievance Report Form, Step III, within ten (10) school days after notification of Step II disposition, and submit the grievance to the Board by filing a copy with the Secretary of the Board. Notification of such an appeal shall be given to the Superintendent.

The Board, at its next regularly scheduled meeting or within two (2) weeks of the filing of the appeal, shall meet with the grievant and/or the Association representative, and the Superintendent or designee, to review such grievance in open or executive session at the grievant's option or give such other consideration as it shall deem appropriate. The disposition by the Board shall be made to the grievant by completing Grievance Report Form, Step III, within seven (7) days of the meeting. A notification of such disposition shall be furnished the grievant, the Association, and the Superintendent.

2.01.3.4 Step IV

If the grievant is not satisfied with the disposition of the grievance or if no disposition has been made within the above stated time limits, the grievant and/or the Association shall complete Grievance Report Form, Step IV, within ten (10) school days after notification of Step III disposition and submit the grievance to final and binding arbitration according to the voluntary rules and regulations of the American Arbitration Association. The Arbitrator's decision will be final and binding on all parties. The cost of arbitration shall be the responsibility of the party losing arbitration.

2.02 GENERAL PROVISIONS

2.02.1 The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

- 2.02.2 If an individual teacher has a personal complaint which he/she desires to discuss with a supervisor, he/she is free to do so, without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement. In the administration of the grievance procedure, the interests of the grievants shall be the sole responsibility of the Association.
- 2.02.3 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 2.02.4 A teacher engaged during the school day on behalf of the Association with any representative of the Board in any professional grievance, shall be released from regular duties without loss of salary, if necessary. However, normally all procedures and meetings pursuant to resolution of the grievance will be conducted outside the school day.
- 2.02.5 No grievance arbitration hearing shall be scheduled during school hours, unless mutually agreed upon.

ARTICLE 3
ASSOCIATION RIGHTS AND RESPONSIBILITIES

- 3.01** The Association shall be authorized to use the inter-school mail facilities and the teachers' mailboxes, provided that for any general membership distribution the principal of the building and appropriate central office personnel receive a copy of the material and the material contains the name of a representative of the CEA.
- 3.02** The Board shall designate reasonable space on a bulletin board in each building for general use of the Association. The bulletin board shall, when possible, be located in an area readily accessible to and normally frequented by teachers. Such space to be maintained in a responsible manner by the Association.
- 3.03** The Association shall be permitted to use school buildings for its official membership and executive committee meetings after school hours and at a time and place that does not interfere with the normal and other scheduled use of such buildings, and such use does not add any additional costs to the operation of such building. The Association shall be required to obtain a Building Use Permit when use of a facility involves other than a classroom, lounge, or professional library space, or when custodial staff needs notification.
- 3.04** The Board shall send via inter-school mail two (2) copies of the Board agenda on the Friday prior to the regular Board meeting and on the day of special meetings, and two (2) copies of the minutes of said meetings to the CEA President. Should material not be sent because of an oversight, the Association may secure copies of the same from the Board office.
- 3.05** A directory of all personnel will be provided to the Association. Notification of any changes will be provided to the Association President on a timely basis.
- 3.06** In the event of the formation of a lay financial advisory committee, teacher representation, to a maximum of two (2) members, shall be provided.
- 3.07** The Association has the right to use office equipment when it is not in use for other purposes. Supplies necessary for equipment use shall be provided by or paid for by the Association.
- 3.08** Every reasonable effort will be made by the building principal and the Superintendent to adjust the Association President's work day schedule to meet the needs of the school district and the Association.

ARTICLE 4 ABSENCES AND LEAVES

4.01 SICK LEAVE

- 4.01.1 Each person who is employed by any Board of Education in this state shall be entitled to fifteen (15) days sick leave with pay, for each year under contract, which shall be credited at the rate of one and one-fourth (1-1/4) days per month. Teachers may use sick leave for absences due to personal illness, disability or illness due to pregnancy, injury, exposure to contagious disease which could be communicated to others, and for absence due to illness, pregnancy, injury, or death in the employee's immediate family. Accumulated sick leave shall be unlimited. The previously accumulated sick leave of a person who has been separated from public service shall be credited upon employment in this school district provided that such employment takes place within ten (10) years of the date of the last termination from public service. A teacher who transfers from one public agency to another shall be credited with the unused balance of his/her accumulated sick leave. In the absence of medical complications, the maximum amount of sick leave that may be used for post delivery purposes is sixty (60) workdays. Days used subsequent to delivery shall count toward the annual FMLA allowance.
- 4.01.2 Teachers who render part-time, seasonal, intermittent, per diem, or hourly service shall be entitled to sick leave for the time actually worked at the same hourly rate as that granted full-time employees. When a part-time teacher is assigned a full-time position, sick leave days accumulated on a part-time basis shall be converted into full-time sick leave days by dividing the total hours accumulated for the part-time days by the number of hours to be worked daily in the full-time position.
- 4.01.3 Sick leave will be entered on the district electronic leave system. Sick leave may be taken only in ½ day or full day increments.
- 4.01.4 Falsification of a statement for either sick leave or personal leave is grounds for suspension or termination. The Superintendent shall determine the severity of the length of the suspension without pay; or the Superintendent may recommend termination of contract. The teacher may request a just cause hearing pursuant to the grievance procedure contained in the negotiated agreement between the parties. If the grievance procedure is utilized, it will begin at the Board level.
- 4.01.5 The term, employee's immediate family, is defined as the employee's spouse, significant other living in the same household or a fiancé/fiancée, parents, parents-in-law, grandparents, siblings, children, daughter/son-in-law, step-children and grandchildren. The term also includes other relatives domiciled in the employee's household.
- 4.01.6 A teacher shall be granted an advancement of up to fifteen (15) days sick leave, if needed, provided that at the time of such advancement there are at least two (2) remaining pay periods for such teacher in the school year in

which such advancement is applied for. If the teacher leaves the Chardon School system before the advanced days are accumulated, the Board shall deduct the appropriate amount from the teacher's last check or last two checks as required.

4.01.7 Unused accumulated sick leave days shall be reported to each teacher by the Treasurer of the Board at the beginning of each semester.

4.01.8 Sick Leave Incentive

At the end of each school year, each teacher will receive sick leave incentive based upon the following number of maximum days absent:

0 days of absence per year	-	\$500.00
1 day of absence per year	-	400.00
2 days of absence per year	-	300.00
3 days of absence per year	-	200.00

4.01.8.1 The maximum cost to the Board shall be no more than \$36,000 per school year.

4.01.8.2 If the total amount due goes above the \$36,000 cap, the incentive increments shall be prorated.

4.01.8.3 For purposes of this incentive, increments of less than one (1) sick day will be counted as a whole day (i.e., 1-3/4 days = 2 days).

4.01.8.4 Part-time employees will receive an incentive payment in proportion to their full time equivalent (FTE).

4.01.9 SICK LEAVE BANK (SLB)

The purpose of a sick leave bank is for participating bargaining unit members to access sick leave days beyond their own accumulated balance anytime throughout this negotiated agreement. The SLB is limited to catastrophic illness or injury to the member, the member's spouse or member's children living at home.

1. Any bargaining unit member who wants to participate in the sick leave bank program must initially contribute two (2) days of his/her accumulated sick leave days into the sick leave bank. To either establish or end participation, each contributing member must provide written notification to the Treasurer's Office during the open enrollment period, which is any work day in September of the ensuing contract year. Otherwise, enrollment in the sick leave bank shall be continuous from contract year to contract year until this Agreement expires; previously donated days are non-refundable.
2. Additional sick leave days can be added whenever the sick leave bank drops below sixty (60) days. Upon each such occurrence, participating members will be notified and required to add one (1) sick day to the bank. They will be given thirty (30) days to comply or be removed from the sick

leave bank program with no previously donated days refunded.

3. The SLB Committee reviews participants' requests to use sick leave days from the bank.
 - A. The SLB Committee is comprised of two (2) Association representatives appointed by the CEA President, and the district Treasurer or his/her designee. One of the Association appointees shall serve as the Committee Chairperson. Committee members shall not be compensated or granted leave time for their duties.
 - B. When a SLB participant wishes to use days from the bank, he/she must notify the district Treasurer using the SLB Application Form. Committee members will meet to recommend the use of the banked days. A physician's recommendation may be required by the committee.
 - C. The Committee Chairperson's signature grants final approval of the use of the banked days and notifies the applicant of the committee's decision.
 - D. The total amount of banked sick leave that may be used by the Association's members for a contract year shall not exceed a total of forty (40) days in the aggregate. For example, if one member is awarded 25 days for a contract year, only 15 days remain to be used by remaining members for that contract year.
 - E. The SLB Committee's decision is final and binding.
4. The most up-to-date tally of the remaining banked sick leave days will be kept at the Treasurer's Office. Updates will be provided to the CEA President by October 15 and by January 15.
5. Once the member becomes eligible for STRS disability, the member is no longer eligible to apply for SLB days.
6. No decisions made under this section shall be subject to the grievance procedure for any reason.

4.02 PROFESSIONAL LEAVE

- 4.02.1 Certificated/licensed employees may be granted professional leave to attend educational conferences, meetings, workshops, committee hearings, and assemblage meetings of community groups wherein attendance is beneficial to the employee and the Chardon Local Schools. Permission to attend these meetings must be secured from the Superintendent of schools in advance of the meeting. When a request is denied, the reason(s), if requested, for the denial will be given to the applicant in writing by the Superintendent, and such reasons shall be applied in a fair and equitable manner.

- 4.02.2 A total of ten (10) days shall be granted annually to elected CEA officers and delegates for attendance at Association governance meetings and up to three (3) days of these ten (10) days may be used by the President or designee to conduct Association business, as needed. Additional days may be granted with the approval of the Superintendent. Use of the foregoing days shall require three (3) days prior notice to the building principal except in case of emergency. In case of an emergency, the Association Representative shall notify the principal of the need to leave the building.
- 4.02.3 In order to regulate attendance at these meetings, the following procedures will be implemented:
- 4.02.3.1 Written request shall be submitted to the building principal for approval and forwarded to the Superintendent for approval by the Superintendent or designee. Such request, when granted, will be without loss of pay.
- 4.02.3.2 Persons attending such professional meetings may be compensated for necessary expenditures as deemed reasonable by the Superintendent and the Board of Education.
- 4.02.4 Professional leave will be given to no more than ten (10) individuals on a given day, unless approved by the Superintendent due to extraordinary circumstances.

4.03 PERSONAL LEAVE

- 4.03.1 All personnel shall be granted up to three (3) days of non-cumulative leave each year without loss of salary, to attend to business which cannot be conducted outside the regular school day. Two (2) days will be unrestricted except these days shall not be used to extend holidays or recesses. One (1) day shall be restricted, per the terms of 4.03.2 and shall not be used to extend holidays or recesses or to provide for a vacation, recreation, social, or fraternal function; to engage in or seek other employment; or attend business trips with a spouse (may be requested/approved without pay). When sick leave is applicable to a specific situation, the maximum sick leave permitted must be taken before personal leave is used.
- 4.03.2 Request for personal leave must state that the personal leave is to conduct necessary and urgent personal business which cannot be scheduled outside the school day and is for one of the following purposes:
- 4.03.2.1 Religious
- 4.03.2.2 Emergency
- 4.03.2.3 Scheduling of an event over which the teacher has no control, such as, but not limited to, the employee's wedding; wedding of the employee's parent, child, or sibling; the employee's graduation or graduation of the employee's parent, child, sibling, or spouse; legal

transactions; and court appearances in response to a subpoena or as a party.

- 4.03.3 The request will be entered into the district electronic leave system at least seventy-two (72) hours in advance of the requested leave, except in the case of an emergency.
- 4.03.4 Accrued but unused personal leave days will be converted and added to the employees' accumulated sick leave.
- 4.03.5 Application for personal leave may be denied on the basis of operational hardship.
- 4.03.6 Personal leave shall be taken in ½ day or full day increments.

4.04 SABBATICAL LEAVE

- 4.04.1 A teacher who has completed five (5) years of service, shall, upon written request at least sixty (60) days prior to the leave initiation date, be entitled to take a leave of absence with part pay, for one or two semesters subject to the following restrictions: the teacher shall present to the Superintendent for approval, a plan for professional growth which calls for full-time study related to public education and at the conclusion of the leave provide evidence that the plan was followed. The teacher may be required to return to the district at the end of the leave for a period of at least one year, unless the teacher has completed twenty-five (25) years of teaching in this state. The Board of Education may not grant such a leave unless there is available a satisfactory substitute, nor grant such leaves to more than five percent (5%) of the professional staff at any one time nor allow a part salary in excess of the difference between the replacement's cost and the teacher's cost, nor grant a leave longer than one school year, nor grant a leave to any teacher more often than once for each five (5) years of service, nor grant a leave a second time to the same individual when other members of the staff have filed a request for such a leave. A year of sabbatical leave shall count as a year of credit for placement on the salary schedule.
- 4.04.2 Reinstatement from sabbatical leave shall be at the beginning of each school semester. If a teacher desires to return to active service prior to the stated date in the application for leave, the teacher may do so with the approval of the Superintendent. If early return is granted, the teacher shall be assigned to the assignment held prior to such leave, or to a substantially equivalent position. At the expiration of the leave period as originally granted, the teacher shall be reinstated on the same terms and conditions as though he/she returned from leave at the time set forth in the application.
- 4.04.3 An employee on sabbatical leave shall receive compensation that is the difference between the substitute's salary and the employee's compensation who is on the sabbatical leave. If the cost of the substitute's benefits are less than the cost of the employee's benefits, then the employee shall receive the difference in pay or an amount to be provided to his/her insurance benefits.

4.05 MATERNITY/PATERNITY/ADOPTION LEAVE

- 4.05.1 Leave without pay for a period not to extend beyond two (2) complete school years may be granted teachers requesting maternity, paternity, or adoption leave, hereinafter referred to as parental leave. The two (2) school year limitation of said leave, both paid and unpaid, shall commence with the delivery of a baby or adoption of a child eighteen (18) years of age or younger.
- 4.05.2 Application for parental leave should be made at least forty-five (45) days prior to the beginning of such leave. The employee's failure to make timely application may be grounds for denying/delaying approval of parental leave, depending on the operational needs of the district. If, due to unforeseen circumstances, it is not possible to comply with the foregoing notice provision, the teacher shall give the maximum notice possible under the circumstances.
- 4.05.3 Teachers on these leaves may continue their hospitalization and other benefits for the duration of said leave providing they reimburse the Board the premium cost. These teachers shall notify the Treasurer's office in writing of their decision to continue these benefits and shall forward to the Treasurer, monthly or bi-monthly as required, advance payment for those fringe benefits they elect to continue.
- 4.05.4 Upon return from approved leave at the time set forth in the application, the teacher shall be entitled to reinstatement to the same position which he/she held prior to the leave or the substantial equivalent, provided the teacher has been evaluated and on the basis of the evaluation would be recommended for reemployment. If the teacher's former position is no longer in existence, the teacher will be assigned to a substantially equivalent position for which the teacher is certified/licensed. This teacher may also select the option of applying for any available position for which he/she is certified/licensed.
- 4.05.5 Reinstatement from maternity/paternity/adoption leaves shall be at the beginning of each school semester. If a teacher desires to return to active service prior to the stated date in the application for leave, the teacher may do so with the approval of the Superintendent. If early return is granted the teacher shall be assigned to the same assignment held prior to such leave or to a substantially equivalent position. At the expiration of the leave period as originally granted, the teacher shall be reinstated on the same terms and conditions as though he/she returned from leave at the time set forth in the application.
- 4.05.6 The Board recognizes that although pregnancy is not in itself a disability, it can contribute to a disability. Disability due to pregnancy or childbirth shall be considered on the same terms and conditions as applied to other temporary disabilities and shall require a physician's verification.

4.06 JURY DUTY

In case of jury duty, no deductions shall be made from accumulated sick leave or personal leave. The teacher shall be released with no loss of benefits for such duty. A professional staff member may keep his/her regular compensation and the remuneration received by him/her for service as a juror.

- 4.07.2 Such leave shall commence on the day the accumulated sick leave is exhausted and the employee has no earnings due.
- 4.07.3 Such leave shall be for not less than the balance of the current school year or current school semester, whichever is shorter, and will not exceed a maximum period of two (2) consecutive school years.

Such application shall be accompanied by a doctor's statement indicating the employee is reasonably anticipated to return to work on the intended date. On the date of the employee's return, if the application for reinstatement is granted, the employee shall submit a doctor's statement certifying the employee's medical fitness to carry out assigned duties and responsibilities.
- 4.07.6 A teacher returning from medical leave will assume his/her previous contract status.

4.08 INJURY-ASSAULT LEAVE

- 4.08.1 "Assault" means the causing of or attempt to cause physical harm or causing mental harm to an employee by any person when such employee charges such person with an offense prohibited by Title Twenty-Nine (29) of the Ohio Revised Code. Pursuant to and in accordance with Section 3319.143 of the Ohio Revised Code, assault leave shall be granted to an employee who is unable to work and who, therefore, is absent from his/her assigned duties

because of physical injury and/or emotional trauma resulting from an assault. Said leave shall not be charged against sick leave earned under Section 3319.141 of the Ohio Revised Code. Said employee shall be granted the aforementioned assault leave and shall be maintained on full pay status during such absence up to a maximum of sixty (60) work/school days.

An employee shall be granted assault leave according to the following rules:

 - 4.08.1.2 Upon notice to the principal or immediate supervisor that an assault upon an employee has been committed, an employee having information relating to such assault shall, as soon as possible, prepare a written statement embracing all facts within the employee's knowledge regarding said assault, sign said statement, and present it to the building principal or immediate supervisor.
 - 4.08.1.3 To qualify for assault leave, the employee or designee shall, within ten (10) days of the underlying incident, furnish a certificate from a licensed physician, stating the nature of the disability and its likely duration. The Superintendent may require a licensed physician's statement justifying the continuation of the leave at any time during the leave. In addition, to qualify for assault leave for emotional trauma, the Superintendent may require a second opinion from a licensed physician selected by the Superintendent.
 - 4.08.1.4 An employee shall not qualify for assault leave until the Assault Leave Form (Exhibit "G") and any requested physician's statement have been submitted to the Superintendent.
 - 4.08.1.5 Employees shall not be permitted to accrue assault leave.
 - 4.08.1.6 Assault leave shall be at the assaulted employee's rate of pay in effect at the time of the assault. Any salary remuneration paid by Worker's Compensation during the term of the disability shall be deducted from the employee's regular salary. All fringe benefits of this contract shall be continued for the employee on such leave.
- 4.08.2 In all cases of assault upon a teacher, the teacher, administration, and the Board will cooperate fully in the investigation of the assault and the prosecution of persons involved.

4.09 GENERAL LEAVE OF ABSENCE

After five (5) years of service to the Chardon Schools, a full-time employee shall be entitled to one general unpaid leave of absence of up to two (2) consecutive semesters in length. Such leave shall be contingent upon the teacher giving written notice of a request for same to the Superintendent at least sixty (60) calendar days in advance of the initiation date for said leave. Said leave shall be taken in increments of semesters. During said leave, an employee shall not accrue any of the following: advancement on an incremental step on the salary schedule, advancement of calculated experience toward longevity and/or severance, nor advancement toward any seniority including (but not limited to) reduction in force provisions. Request for general leave may only be made by full-time employees who are currently in active service.

Reinstatement from general leave shall be at the beginning of each school semester. If a teacher desires to return to active service prior to the date stated in his or her application for leave, the teacher may do so with the approval of the Superintendent. If early return is granted, the teacher shall be assigned to the assignment held prior to such leave, or to a substantially equivalent position. At the expiration of the leave period as originally granted, the teacher shall be reinstated on the same terms and conditions as though he or she returned from leave at the time set forth in the application.

4.10 COURT LEAVE

4.10.1 If a teacher is subpoenaed by or on behalf of the Board of Education to testify in the legal proceeding wherein the Board is a party, the teacher will be given leave at his or her regular rate of compensation and benefits for each day responding to the subpoena which is also a regularly scheduled workday. Any witness fees received by the teacher in such an instance will be turned over to the Board of Education.

4.10.2 When an employee is required to be absent from his or her regular daily work schedule due to an appearance in court on behalf of the Board of Education or arising out of his/her job-related responsibilities he or she will be paid his or her regular compensation and benefits and will not be considered absent.

Non-job-related court appearances, with the exception of jury duty, will be covered by the personal and special leave provisions of this agreement.

Once a teacher has utilized all available personal leave days, the teacher will have the option to utilize up to three (3) accumulated sick leave days per contract year to cover such leave.

4.11 FAMILY MEDICAL LEAVE ACT

4.11.1 A bargaining unit member is entitled to twelve (12) work weeks of Family Leave during any twelve (12) month period for purposes described in the "Family and Medical Leave Act of 1993" or subsequent amendments. Such leave may be used for the reasons below and any other reasons permitted by

law:

- 4.11.1.1 the birth of a son or daughter in order to care for the son or daughter;
 - 4.11.1.2 the placement of a son or daughter with the employee for adoption or foster care;
 - 4.11.1.3 to care for the employee's spouse, son, daughter, or parent who has a serious health condition; or,
 - 4.11.1.4 to care for the employee's own serious health condition that renders the employee unable to perform the functions of the job.
- 4.11.2 This leave shall be paid to the extent the employee has accumulated sick leave (in accordance with sick leave regulations as in Article 4, 4.01.1, Sick Leave) or personal leave available.
- The twelve (12) work weeks include the time on sick leave as provided above, unpaid maternity/paternity/adoption leave, or unpaid medical leave.
- 4.11.3 Such leave may not be taken intermittently unless a serious health condition is the reason for the leave.
 - 4.11.4 All group health insurance benefits shall be maintained and paid for by the Board during the Family Leave as if the employee was not on leave.
 - 4.11.5 On return from Family Leave, the employee will be assigned to the same or substantially equivalent position.
 - 4.11.6 When the FMLA leave is foreseeable, the employee must notify the Superintendent of his/her request for leave at least 30 days prior to the date when the leave is to begin. If the leave is not foreseeable, the employee must give notice as early as is practical. When the employee requests medical leave, the employee must make reasonable attempts to schedule treatment so as not to disrupt the District's operations.
 - 4.11.7 This section is not intended to deprive an employee of any greater right contained in any other section of the contract or of State or Federal law.
 - 4.11.8 Because the sections 4.11.1 to 4.11.8 are provisions of Federal law and have been included in this contract for clarification, these sections are not subject to grievance pursuant to Article 2.

No staff development session shall exceed three (3) hours. Topics for staff development shall be reasonably developed and identified by the building administrator and the building certificated/licensed staff.

5.02 SCHOOL CALENDAR

In developing a school calendar for recommendation to the Board of Education, the Superintendent shall seek input from teachers, administrators, and other employees. This input shall be fairly considered in the Superintendent's recommendation to the Board.

5.03 LENGTH OF SCHOOL DAY

5.03.1 No teacher in the high school or middle school shall have more than five (5) hours classroom contact per day with students. This provision shall not limit individual initiative and agreement between given teacher and administrator.

5.03.2 Each teacher in the high school or middle school shall have planning time of at least one period per day in addition to a thirty (30) minute duty free lunch period. This planning period and thirty minute duty free lunch period shall be incorporated within the existing school day and shall not be cause for extending the existing school day.

5.03.3 Each elementary teacher shall have a planning period of thirty (30) minutes in addition to a thirty (30) minute duty free lunch period each day. This planning time will be within the school day and may be implemented differently in different buildings under the administrative limitations of the various school units.

5.03.4 The elementary student day will not exceed six and one-half (6-1/2) hours. If due to transportation constraints the buses arrive late, the majority of building staff/administration will determine how to supervise the students beyond the student day. During assemblies or special events, the teacher assigned to the students shall be responsible for those students.

5.03.5 The Chardon Local School District is committed to the development and maintenance of curricular offerings that enhance the opportunities for the academic and personal success of each student. It is expected that an individual teacher's professional judgment will result in participation in curriculum development and review.

5.03.6 **Staff Meetings**

Staff will be expected to attend staff meetings once a month during the school year as scheduled by the principal. Additional staff meetings may be called, but attendance is not required outside of the teacher day. Building staff meetings shall not extend beyond one (1) hour. Except in emergencies, twenty-four (24) hours notice of the time and place of such meetings will be provided along with an agenda.

If a staff member is unable to attend a required monthly staff meeting, that staff member will notify the building principal in advance of the reason for absence, and make arrangements with the building principal to get the information.

5.03.7 While attendance at after school, evening, or weekend activities is not mandatory, it is expected individual teacher's professional judgment will result in attendance at selected events.

5.03.8 While this agreement between the parties constitutes the entire agreement, it is not meant to limit mutually beneficial initiatives in the event a bargaining unit member and representative of the Board mutually agree to pursue curriculum activities utilizing terms which may be at variance with some provision of the negotiated agreement.

5.03.9 The teacher work day is defined as the following:

- Elementary - Seven and one-quarter hours (7-1/4)
- Middle School - Seven and one-half hours (7-1/2)
- High School - Seven and one-half hours (7-1/2)

5.04 **TEACHER CONTRACTS**

 - D. Satisfactorily complete a three year probationary period (one year if continuing contract status has already been obtained in another Ohio public school district) as a teacher in the Chardon Local School District.
- 5.04.3 The Board may extend the probationary period of a teacher eligible for continuing contract for one or two years upon notification to the teacher that one more limited contract of one or two year duration will be issued. Such notification shall specify the areas of improvement expected of such teacher.
- 5.04.4 Teachers' contracts and salary notifications will be based on the school calendar adopted by the Board of Education annually for a period of one hundred eighty-five (185) days.
- 5.04.5 All teachers employed by the Board shall be issued written individual contracts in accordance with the Ohio Revised Code. Such contracts shall include the following information:

 - F. Number of pay days.
 - G. Number of contractual days (i.e., 185 days).
 - H. Teacher agreement to abide by Board adopted policies.
 - I. Provision for signature and date of signature of the teacher being contracted.
- 5.04.6 Each building shall be provided with copies of current Board adopted policies.

5.05 TERMINATION OR NONRENEWAL OF A TEACHER CONTRACT

- 5.05.1 Termination of a teacher's contract shall be according to Section 3319.16 and related provisions of the Ohio Revised Code.

For purposes of notification associated with termination, a teacher shall be deemed notified once the Board of Education or its representative has posted the written notification in the U.S. Mail, by registered or certified mail.

- 5.05.2 A teacher with less than four (4) years of service with the school district may apply all the procedural rights contained in the agreement between the Board and the Association when informed by the Superintendent that his/her limited contract for the next school year may not be renewed by the Board of Education. However, a teacher with less than four (4) years of service with the school district shall not have the right to initiate a substantive arbitration action pursuant to the agreement except for procedural violations as noted above, nor a legal action for his/her non-renewed limited contract under ORC 3319.11 and/or 3319.111. Pursuant to ORC 4117.10, the provisions of this section shall take precedence over and supersede ORC 3319.11 and 3319.111.

- 5.05.3 A teacher, with less than four (4) years of service with the school district who is informed by the Superintendent in writing on or before June 1 of the current school year that his/her limited contract for the next school year is not to be renewed by the Board shall have his/her non-renewed limited contract Board action/motion taken at the regular or special June Board of Education meeting unless procedural violations are disputed and proven by the teacher pursuant to the agreement or because of a mutually agreed upon resolution between the teacher, Board, Administration and Association.

5.05.3.1 For purposes of notification associated with nonrenewal, a teacher shall be deemed notified once the Board of Education or its representative has posted the written notification in the U.S. Mail, by registered or certified mail, and the envelope has been postmarked June 1 or before.

5.05.3.2 The Board and the Association further state that they intend the above delineated Sections of the collective bargaining agreement to take precedence over and supersede Ohio Revised Code Sections 3319.11 and 3319.111. Consequently, a teacher with less than four (4) years of service in the District who is notified by the Superintendent and the Board of Education that he/she is being non-renewed may not initiate a grievance/arbitration action (on substantive grounds) or any legal action under ORC 3319.11 and/or 3319.111 challenging the non-renewal action. Nothing herein, however, affects the rights of a non-renewed teacher to challenge through the agreement's grievance procedure any alleged procedural violation related to the evaluation process.

5.05.4 Any teacher whose contract may be suspended and terminated by the Board of Education shall have the right to select one of the following procedures to resolve his/her dispute (s) with the Board of Education:

5.05.4.1 An ORC 3319.16 and 3319.161 Hearing Procedure or,

5.05.4.2 A just cause substantive and procedural due process final and binding arbitration hearing before a neutral arbitrator pursuant to the terms and conditions of the agreement between the Board and Association.

5.05.5 Except for egregious acts and/or behavior, the Board shall not abrogate a teacher's contractual rights provided by the agreement between the Board and Association; nor shall a teacher be summarily suspended and terminated by the Board of Education without reason and a just cause substantive and procedural due process hearing.

If the Board of Education deems it necessary to suspend and terminate a teacher during the current school year or the following school year, the Superintendent shall provide timely written notice to the teacher. The Superintendent's written notice shall patently and plainly describe the circumstance(s) and reason(s) for the Board's decision(s) to take said action(s).

5.06 REDUCTION IN FORCE

5.06.1 Definition

A reduction in force (RIF) is defined as the elimination or reduction of a bargaining unit position.

5.06.2 Reasons

- A. Reductions shall be made by suspending teacher contracts based on the Superintendent's recommendation based upon reasons identified in the Ohio Revised Code and for financial reasons. Additionally, any substantial reduction in federal or state grant or program dollars may result in a RIF of position(s) funded by those lost dollars.
- B. A limited contract teacher who is subject to RIF shall not have his/her contract non-renewed instead of suspended.

5.06.3 Notification

If it is determined necessary, as defined above, to reduce the number of bargaining unit positions, the following procedures shall apply:

5.06.3.1 When the Superintendent or the Board is contemplating the suspension of any Bargaining Unit Member's primary contract, he/she will notify the Association President at least thirty (30) calendar days

prior to Board action implementing a RIF. Such notice will be in writing and will include the specific positions(s) to be affected, the proposed time schedule, and the reason(s) for the proposed action. Within ten (10) days of the notice being delivered, a meeting shall be held between representatives of the CEA and the Superintendent to review appropriate data and the need for a RIF.

5.06.3.2 Any bargaining unit member whose contract will be suspended will be notified in writing by certified mail or hand delivery at least fifteen (15) calendar days prior to Board action implementing a RIF. Such notice will include the proposed time schedule and the reason for the proposed action. A copy of such notice will be forwarded to the Association President and the OEA Labor Relations Consultant.

5.06.3.3 When conducting a Reduction In Force, the Board may proceed to suspend contracts in accordance with the recommendations of the Superintendent. In making his/her recommendations, the Superintendent must first reduce Bargaining Unit Members on limited contracts and then Bargaining Unit Members on continuing contracts.

a. Limited contract Bargaining Unit Members shall be reduced first utilizing the following order:

- i. Certification/Licensure within the affected teaching field.
- ii. Comparable evaluations as defined in 5.06.3.5.
- iii. When evaluations are comparable, or if the RIF involves a non-OTES Bargaining Unit Member, seniority in the District shall prevail, with the contract of the least senior limited contract Bargaining Unit Member in the affected teaching field being the first to be suspended.

b. Should the necessary reduction of Bargaining Unit Member positions exceed the number of limited contract Bargaining Unit Members in the affected teaching field, continuing contract Bargaining Unit Members shall be reduced utilizing the following order:

- i. Certification/Licensure within the affected teaching field.
- ii. Comparable evaluations as defined in 5.06.3.5.
- iii. When evaluations are comparable, or if the RIF involves a non-OTES Bargaining Unit Member, seniority in the District shall prevail, with the contract of the least senior limited contract Bargaining Unit Member in the affected teaching field being the first to be suspended.

5.06.3.4. Comparable Evaluations

Suspension of Bargaining Unit Members, and recall of eligible Bargaining Unit Members whose contracts have been suspended pursuant to a RIF, will not be based upon seniority, except in

circumstances when choosing between OTES Bargaining Unit Members with “comparable evaluations” or non-OTES Bargaining Unit Members. The application of the term “comparable” as applied to teacher evaluations shall be based on the following:

1. Commencing with the 2014-2015 school year, teachers whose final summative rating is the same shall be considered “comparable”. Accomplished teachers shall be comparable to other Accomplished teachers only; Skilled/Developing teachers shall be comparable to Skilled/Developing teachers and Ineffective teachers are comparable to Ineffective teachers only.

5.06.4 Recall

- A. Teachers on the recall list will be recalled in reverse order of suspension for vacancies in areas for which they are certificated/licensed, as the grid below will indicate:

<u>Contract</u>	<u>Experience Years</u>	<u>Right of Recall</u>
Limited	1 to 2	2 years
Limited	3 to 5	3 years
Limited	6 or more	5 years
Continuing	N/A	Unlimited

- B. If a vacancy occurs, the Board will send a certified letter announcing the vacancy to the last known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address. All teachers are required to respond in writing to the district office within seven (7) calendar days of receipt of the letter. The most senior of those responding will be given the vacant position. Any teacher who fails to respond within seven (7) calendar days shall forfeit all recall rights, unless reason can be shown why the teacher was unable to respond within the time limits. Such reasons must be presented within thirty (30) days of the above stated deadline or the teacher will forfeit all recall rights.
- C. Rights of Refusal: Refusal on first recall from RIF results in the teacher remaining on the RIF list. Second right of refusal is by mutual agreement of the parties, specifically, the Superintendent, the teacher, the Association, and the Board. Third refusal of recall will result in the teacher being removed from the RIF list.
- D. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with all benefits to which the member was entitled to at the time of contract suspension including seniority, accumulation of sick leave, and salary schedule placement in accordance with the provisions of the negotiated agreement relating to salary schedule and benefits.
- E. A Bargaining Unit Member on the RIF list will be given priority consideration as a substitute teacher in the district.

5.06.5 Seniority

Seniority will be defined as the length of continuous service as a certificated/licensed employee under regular contract in this district. All members of the bargaining unit will be placed on a seniority list. Current Bargaining Unit Members shall have greater seniority than any merged or consolidated teacher. Teachers serving under continuing contracts will be placed at the top of the list, in descending order of seniority. Teachers serving under limited contracts will be placed on the list after continuing contract teachers, also in descending order of seniority.

- A. The seniority list shall be given to the Association President by October 1 of each work year. The list will indicate area of certification/licensure, the date of the Board resolution to hire, and the contract status (limited or continuing) of each employee. The names of employees on the seniority list shall appear in seniority rank order within areas of certification/licensure. The name of the most senior employee will appear at the top of the listing and the name of the least senior employee will appear at the bottom of the listing. This list will reflect and be organized by the employee's years of seniority as of the beginning of the work year. One hundred twenty (120) days or more in any school year shall give a teacher the equivalent of one full year of service for the purposes of this section.
- B. If, after applying the seniority calculations set forth in 5.06.5, two or more teachers have the same length of continuous service, seniority will be determined by:
 1. The date of the Board meeting at which the teacher was hired, and then by:
 2. The date the teacher signed his/her initial employment contract in the district, and then by:
 3. The length of additional service, if any, in the profession as a public or private school teacher, and then by:
 4. Any remaining ties will be broken by lot with the Association President or his/her designee present.
- C. By October 15, the Association President will provide the Superintendent with any proposed corrections to the seniority list. If there are any discrepancies, the parties will meet to resolve those issues. Following that discussion, if any, the parties will develop a mutually-agreed upon seniority list by October 31 of each school year.
- D. For the purposes of this section, the parties acknowledge that employees will continue to accrue seniority on a daily basis throughout the work year. Thus, for the purposes of this section, an employee's position upon the seniority list may be affected by his/her service during the relevant work year. If a reduction in force occurs at some point during the work year, an

updated seniority list shall be compiled by and between the parties to reflect the accrual of an employee's seniority during the applicable work year. For example, an employee may begin a work year with 15 years of seniority. If that employee has worked 55 work days as of the date a reduction in force is announced (not implemented) by the Board, then the employee will have 15 years and 55 days of seniority accrued. This combined figure will be used to determine the employee's placement upon the final seniority list to establish the employee(s) to be affected by the reduction in force.

5.06.6 The parties agree that these procedures apply only to the suspension of contracts which reduce the size of the bargaining unit. This article shall not require the Board of Education to fill any vacancy caused by resignation, retirement, termination of contract, or other nonrenewal, nor shall it interfere with any other lawful personnel procedures in the district.

5.07 TEACHER ASSIGNMENT/TRANSFER

5.07.1 Teacher Assignment

Teachers under contract during a school year will be notified in writing of their teaching assignment for the following school year not later than the close of the current school year. Such notification shall include the teacher's proposed salary, school assignment, and subject(s) or grade level assignment.

5.07.2 Involuntary Transfer Procedure

The decision to transfer shall be made in accordance with the needs of the school district. The needs of the district, as determined by the Superintendent, shall be the most substantial determiner of the transfer; however, the employees' credentials shall also be considered in the transfer decision. This change shall be made known to the teacher, in writing, as soon as possible and at least fourteen (14) days prior to the opening of school for the next school year unless mutually agreed by the teacher and administration. However, for increased enrollment situations, the fourteen (14) day notice shall be waived.

5.07.3 Teachers shall not be involuntarily assigned outside the scope of their teaching certificates/licenses, their Highly Qualified (HQ) subject area(s)/teaching field(s), or their major or minor field of certification/licensure, except in an emergency situation. Such emergency assignment shall not continue beyond the remainder of the current school year.

5.07.4 Any teacher who elects to resign as a result of a teaching assignment change occurring after July 10 shall be permitted to do so without Board sanction.

5.07.5 Voluntary Teacher Transfer

Teachers desirous of transfer may inform the Superintendent by completing the "Teacher Intent Form" (Exhibit "C"). The intent form will be kept on file for

the school year indicated on the form. The Board shall distribute Exhibit C to all bargaining unit members by a secure digital format. Bargaining unit members that require assistance completing the electronic data collection will consult their Building Administrator or Technology Coordinators for additional support.

5.07.5.1 When a teacher is interested in a posted vacancy the teacher shall apply, in writing, by the given deadline to the administrator indicated in the posting.

5.07.5.2 All current teacher applicants for the posted vacancies shall be offered an interview.

5.07.6 Certificated/Licensed Vacancy Posting

The Superintendent or his/her designee will notify the Association President of vacancies as they occur. In addition, vacancies shall be posted at the Board of Education Office and in a designated area(s) of each school building. Vacancies will also be e-mailed by the Superintendent and/or designee to certificated/licensed teachers at their Chardon-issued e-mail address. The e-mail date/time stamp will determine the commencement of the fifteen (15) day application period.

5.08 DUTIES/MEDICAL PROCEDURES

No teacher shall be assigned recess duty, nursing duties, nor be directed to perform medical procedures. However, coaches/co-curricular advisors, and teachers on field trips shall continue to perform selected/limited "medical procedure" as deemed necessary for the health and safety of the students. Clerical/Secretarial duties shall not be assigned on a continuous basis.

5.09 CLASS SIZE

5.09.1 The Board and CEA recognize that student-teacher ratio is an important aspect of an educational program. Class size shall be in accordance with the requirements with the Ohio Revised Code, state minimum standards, and this agreement.

5.09.2 Suggested pupil/teacher ratio, excluding high school/middle school music (but not high school "Music Theory," when offered) and physical education, shall be no higher than:

K-3	1:25
4-5	1:28
6-12	1:30

5.09.2.1 High school teachers with five (5) classes shall not exceed a total ratio of 1:150 students; High School teachers who teach a sixth class shall not exceed a total ratio of 1:170. Teachers participating in the College Credit

Plus Program will have each CCP course count toward their course load and each student count toward their total ratio.

- 5.09.2.2 Middle School teachers with six (6) classes shall not exceed a total ratio of 1:175. Middle School teachers who teach a seventh class shall not exceed a total ratio of 1:190 students. Middle School teachers (excluding music and physical education) with a ratio in excess of 1:175 students will not be assigned cafeteria or study hall duty, except by mutual agreement. Teachers participating in the College Credit Plus Program will have each CCP course count toward their course load and each student count toward their total ratio.
- 5.09.3 While the intent of the Board of Education is to maintain class sizes at or below the suggested pupil/teacher ratios, the Board and the Association recognize that because of increasing student enrollment and facility restrictions this may not always be possible. Therefore, when class size and teaching load increase, per 5.09.2, the following will be provided to affected teachers:
 - 5.09.3.1 At elementary, when academic class size exceeds the suggested ratio up to thirty (30) students for five (5) school days, an additional ten (10) hours of support services shall be provided to the academic classroom teacher per week. When academic class size exceeds thirty (30) students for five (5) school days, an additional five (5) hours will be added for a total of fifteen (15) hours of support services per week. The affected teacher and building administrator will determine the kind of support services, based on student need. Support services may be provided by certified/licensed staff, tutors, and/or educational assistants.
 - 5.09.3.2 Teachers who teach a seventh class at the middle school will be paid a stipend of seven hundred fifty dollars (\$750.00) per quarter.
 - 5.09.3.3 Teachers who teach a sixth class at the high school will be paid a stipend of one thousand five hundred dollars (\$1,500.00) per semester.
 - 5.09.3.4 Special education teachers will not exceed the ratios set forth in the most current version of the "Operating Standards for Ohio Educational Agencies Serving Children with Disabilities" for maximum class size, unless a waiver is essential. When a waiver is foreseen, the teacher involved will be consulted in advance and alternatives to a waiver request will be explored and implemented to the extent feasible. If a waiver is obtained, the affected special education teacher will be paid a stipend of two hundred fifty dollars (\$250.00) per quarter for each student enrolled over the maximum class size.
- 5.09.4 When an additional sixth/seventh class needs to be added to a high school or middle school teacher's schedule, the building principal will seek a volunteer

to take the additional class. If no qualified teacher volunteers, the building principal may assign the additional class. The Board shall not assign a sixth class to more than four (4) properly certified/licensed high school teachers within a department (excluding foreign language) within any high school building.

5.09.5 College Credit Plus Program (CCPP) courses taught on-site must be taught by bargaining unit members.

5.10 SPECIAL EDUCATION

5.10.1 Meeting of IEP Team

5.10.1.1 All IEP meetings shall include the team members required by the IDEIA unless the parent has excused a required team member in writing as allowable under the IDEIA. Whenever possible, the intervention specialist identified as the student's case manager and a regular education teacher who currently work with the student or who have most recently worked with the student will be included.

- A. One special education certified/licensed employee
- B. One regular education teacher
- C. One administrator
- D. Parent
- E. Student when appropriate
- F. Volunteers when appropriate

5.10.2 With respect to IEP development, the following procedures will be followed:

5.10.2.1 Regular education teachers other than special education teachers responsible for the implementation of goals and objectives on an IEP will be notified of the IEP meeting in time to provide input on goal and objective completion for that year and goal and objective development for the following year.

5.10.2.2 A designated member of the IEP team will be in contact with the responsible regular education teachers, including specialists, in advance of the meeting to secure their input as noted above.

5.10.2.3 Reasonable efforts shall be made to schedule IEP meetings during the teacher contractual day and/or within one (1) hour before/after the contractual work day. Meetings lasting beyond one (1) hour outside of the contractual work day ends shall be compensated in quarter-hour increments at a rate of \$25 per hour. This recording of time shall be cumulative and therefore if an IEP meeting lasts twenty (20) minutes but needs another 40 minutes to conclude, the teacher shall be entitled to one hour of pay. The bargaining unit member shall be responsible for recording this time on a District timesheet and submitting the timesheet in order to receive compensation.

- 5.10.2.4 Compliance with reauthorized IDEIA is satisfied by attendance at the IEP meeting of a regular education teacher. For a mainstreamed or inclusion program student, a designated member of the IEP team will attempt to schedule attendance by the regular education teacher with the most significant contact with the student. Where uncertainty exists as to that person, the designated member of the IEP team will make the determination.
- 5.10.2.5 Substitute coverage for IEP meetings will be provided as necessary. As appropriate, conferences may be scheduled outside the student day, for example, where more than one regular education teacher believes she/he should be in attendance at the IEP meeting.
- 5.10.2.6 At the start of each school year, an Administrator will provide regular education teachers the information necessary to allow them to access a paper or electronic copy of the IEPs and ETRs for students they serve.
- 5.10.2.7 Following modification of a student's IEP, affected teachers will be notified by the case manager and provided access to such modifications.
- 5.10.2.8 To adequately develop and implement IEPs, Intervention Specialists shall have training on and access to the software program selected by the District to develop special education documents such as IEPs, ETRs and progress reports, on a district-owned computer or laptop.
- 5.10.3 An IEP meeting may be requested by any team member who has concerns regarding a student's educational program or progress. Intervention specialists and regular education teachers are encouraged to consult with colleagues regarding suggestions for the student's educational program prior to convening the IEP team. Suggestions for changes to the IEP must be discussed and agreed upon at an IEP meeting in accordance with procedures set forth under the IDEIA and Ohio's Operating Standards for Educational Agencies Serving Students with Disabilities.
- 5.10.4 The teacher shall have the right to recommend and may receive the necessary assistance, including training, to deal with and serve any special needs student assigned to his/her class as specified in the IEP of each special education student.
- 5.10.5 Every effort shall be brought about and enacted by the administration and teachers to provide a successful learning experience for all students, including students with disabilities who are in general education classes.
- 5.10.6 In grades K-5, each special education student assigned to the regular education program any part of the school day shall be counted as one (1) student in the above pupil-teacher ratio for regular classroom placement.

In grades 6-12, special education students will be counted in the above pupil/teacher ratio for regular classroom placement.

- 5.10.7 Related service providers (including speech therapists, occupational therapists, physical therapists, school psychologists or other personnel designated by administration) shall receive one half (1/2) day release time per quarter to complete tasks related to Medicaid billing. The scheduling of release time shall be left to the Superintendent or designee and shall not be subject to grievance proceedings.
- 5.10.8 Intervention Specialists shall be granted one (1) day of release time per school year for IEP related work. Such release time shall be granted in half-day or full day increments only. The scheduling of release time shall be left to the Superintendent or designee and shall not be subject to grievance proceedings.
- 5.10.9 The Board recognizes that certain students may display violent behaviors resulting in physical or emotional assault or threats to school staff, students or visitors. In such situations, the employee has the right to file a complaint as an individual with the police, as well as seek legal action against the student or his/her legal guardian/parent.

5.11 JOB SHARING

5.11.1 Criteria

Two (2) teachers shall both be qualified and certified/licensed for the same position and have satisfactory evaluations.

Full-time teachers shall not be permitted to accept additional classes, duties, responsibilities to create a job share.

Job sharing shall be an equal division of duties and responsibilities as determined by the job share teachers and building administrator(s).

5.11.2 Benefits

Teachers involved in job sharing shall split medical benefits and life insurance benefits. In the event one of the two teachers involved in job sharing declines any or all of the above named benefits, the other teacher shall receive one (1) package of that benefit. Job sharing of one position shall result in no more than one full-time benefit package in medical, dental and life insurances.

5.11.3 Limitations

There will be no more than one (1) job share position at each elementary building; no more than two (2) job share positions at the middle school; no more than three (3) job share positions at the high school. The number of job

share positions in any elementary building may exceed the cap of one (1) with the approval of the building principal and the Superintendent.

5.11.4 Termination of the Program

At the conclusion of each academic year, each job sharing teacher may apply for any available full-time position. If the remaining teacher wishes to continue the job share, the position shall be posted, pursuant to Article 5, Section 5.07.5, in an attempt to find a job sharing teacher acceptable to the administration. If no applicant is found, or if the teacher wishes to discontinue the job share, the teacher may accept the open full-time position or have the option to resign from the system.

The job sharing situation may be terminated at the sole discretion of the Board of Education, if so recommended by the Superintendent, so long as each participant in the job sharing program is offered a full-time position in the next school year, contingent upon a satisfactory evaluation.

5.12 INDIVIDUAL PROFESSIONAL DEVELOPMENT FUND

Each certificated/licensed staff member will be allotted three hundred dollars (\$300.00) annually paid as a stipend the first pay of the contract year.

Current part-time employees receiving benefits will be grandfathered from this provision until the beginning of the 2016-17 contract year.

The Board will not split full-time positions in order to reduce a benefit eligibility by instead hiring part-time employees. Teachers may still opt to job-share pursuant to Section 5.11.

7.05.2 Medical Expenses through a Section 125 Plan

Employees will have the option of setting aside monies for any unreimbursed health care costs, including medical, dental, vision, and prescription drugs in a Section 125 Plan. The plan shall be implemented at no cost to the employee. Any monies not spent at the end of the grace period provided for in Section 7.05.4 will be allocated first to the Chardon Local Schools Board of Education to defray administrative expenses, and assuming there are any remaining funds, distributed on a per capita basis, to employees enrolled in the medical expense Section 125 account for use the following plan year.

7.05.3 Child Care through a Section 125 Plan

Employees will have the option of setting aside monies for child care costs according to the rules of Section 125 Plans. The Plan shall be implemented at no cost to the employee. Any monies not spent at the end of the grace period provided for in Section 7.04.4 will be allocated first to the Chardon Local Schools Board of Education to defray administrative expenses, and assuming there are any remaining funds, distributed, on a per capita basis, to employees enrolled in the child care Section 125 account for use the following plan year.

Employees shall be afforded the opportunity annually to learn about Section 125 Plans and the process for choosing and funding a Plan.

7.05.4 The Board shall implement a grace period as allowed in the Internal Revenue Service Notice 2005-42. This Notice permits an employer to amend its Section 125 cafeteria plan to give participants in medical care and dependent care Flexible spending accounts (“FSAs”) an additional two (2) months and fifteen (15) days after the end of the plan year to spend unused amounts from the prior plan year. Unused amounts remaining in those FSA accounts at the end of the grace period will be distributed as a reimbursement to the Board of Education up to the total cost of administration of the FSA accounts. If, after paying off administrative costs, there remains an excess, then any remainder amount will be distributed to plan participants on a per capita basis, as is provided in Sections 7.05.2 and 7.05.3 above.

7.06 SEVERANCE PAY

7.06.1 All certified/licensed personnel who elect to terminate their employment with the Chardon Board of Education by retirement and who have been accepted for retirement by the State Teachers Retirement System of Ohio shall be paid one-third (1/3) of accumulated but unused sick leave days up to a maximum of seventy (70) days, or 1/3 of 210 days, in accordance with Section 7.06.4 through 7.06.11.

7.06.2 The severance payment shall be based on the employee's daily rate of pay at the time of his/her retirement from the Chardon Board of Education. The severance payment shall be remitted upon receipt of certification of retirement from STRS.

7.06.3 The Treasurer of the Board shall provide the retirement form for certificated/licensed personnel who wish to apply for the above severance pay (Exhibit “D”).

7.06.4 Notwithstanding anything in this Agreement or Board Policy to the contrary, in accordance with the terms of this Agreement and any related provisions of a plan document adopted by the Board to comply with the requirements of Section 403(b) of the Internal Revenue Code (the “IRC”), certain retiring employees shall have the total amount that otherwise would be payable to the Participant as severance pay under Section 7.06 and, if the retirement incentive plan is feasible, under Section 7.07 (collectively referred to herein as “Severance Pay”) mandatorily paid into an annuity contract or custodial account that is designed to meet the tax-qualification requirements of IRC Section 403(b) (a “TSA”). Such payment shall be in lieu of the payment being made directly to the retired employee and shall eliminate all sick leave credit of the retired employee. For purposes of this Agreement, this arrangement is referred to as the “403(b) Plan.” The provisions of this Agreement are effective for all employees whose retirement effective dates are after the date of this Agreement.

- 7.06.5 The terms of the 403(b) Plan shall include the following:
- A.) Participation in the 403(b) Plan shall be mandatory for any teacher who is actively employed on or after the date of the adoption of the Plan and entitled to severance pay under Section 7.06.1.
 - B.) If a retiring teacher is a participant in the 403(b) Plan, an employer contribution shall be made on his/her behalf under the 403(b) Plan in an amount equal to the total amount of the participant's Severance Pay.
- 7.06.6 The required contributions to the 403(b) Plan shall be made within the timeframe described in Section 7.06.2 and Section 7.07.
- 7.06.7 To the extent that a teacher's Severance Pay in any calendar year exceeds the maximum contribution amount allowable under the applicable federal income tax law for that year, the remaining amount shall be contributed to the 403(b) Plan after the first payroll date in January of the next calendar year. If there are any remaining amounts, those amounts shall be contributed to the 403(b) Plan, after the first payroll date in January of the following four (4) calendar years, in each such year not to exceed the maximum amount permitted under the applicable federal income tax law for such year.
- 7.06.8 The TSA that shall be used for the 403(b) Plan shall be the group annuity contract of AIG VALIC. 403(b) Plan participants shall be required to complete AIG VALIC enrollment forms; and unless and until a member does so, no contribution of severance pay shall be made under the 403(b) Plan on behalf of the member. If a teacher retires, is entitled to have a contribution paid to the 403(b) Plan, and dies prior to such contribution being paid to the Plan, the contribution shall be paid to the AIG VALIC contract and then paid to the beneficiary of the teacher in accordance with the terms of the AIG VALIC contract.
- 7.06.9 After adoption of the AIG VALIC 403(b) Plan, any administrative fees shall be borne by the Plan participants. The Board may attempt to find another reputable company providing a 403(b) contract similar to the AIG VALIC contract. When the Board Treasurer is making the decision which company shall administer the Plan, one of the criterion to be used shall be the amount of administrative fees charged by the Plan administrator.
- 7.06.10 The plan year of the 403(b) Plan shall be the calendar year.
- 7.06.11 Neither the Board nor the Association guarantee any tax results associated with the 403(b) Plan or deferrals to a TSA or check payments made to a teacher.

7.07 INCENTIVE PLAN FOR RETIREMENT

- 7.07.1 The Board will design and implement a Retirement Incentive Plan if, in its sole discretion, it determines it is financially feasible to do so. The following process may be initiated by the Board at its discretion.

- 7.07.1.1 The Board will announce its Retirement Incentive Plan by January 15. Each eligible teacher who wishes to participate in the Retirement Incentive Plan must submit an irrevocable letter of resignation to the Superintendent's office specifying his/her effective date of retirement. This irrevocable letter must be submitted during the period beginning January 15 and ending at 4:00 p.m. on February 15. Once the irrevocable letter of resignation is submitted, it cannot be withdrawn by the employee.
- 7.07.1.2 By March 15, the Board will determine the financial feasibility of the Retirement Incentive Plan and will notify the CEA President and affected teachers as to whether it has determined the plan to be financially feasible by April 1.
- 7.07.1.3 If the Board determines the Retirement Incentive Plan is financially feasible, it will be implemented. If the Board determines the plan is not financially feasible, each teacher's irrevocable letter of resignation will be returned to him/her by May 1.

7.08 EMPLOYEE ASSISTANCE PROGRAM

The Board shall make available to employees in cooperation with Aetna (or similar provider) Employee Assistance Program, substance abuse counseling (alcohol or drug dependency) and other forms of counseling (e.g., stress counseling where circumstances such as divorce, spousal abuse, death in the family, etc., create stress and coping difficulties impacting upon an employee's personal and/or work life.

7.08.1 Employee entrance into the program will be entirely voluntary but may be urged in individual cases where an employee's job performance is affected.

7.08.2 All counseling conferences and the contents thereof shall remain confidential.

7.09 TUITION WAIVER FOR TEACHERS' CHILDREN

7.09.1 Any non-resident teachers' child who is accepted to attend any grade in the Chardon Local School District shall attend without payment of tuition, except in cases when the Board is able to secure tuition from the home school district of the non-resident teacher, pursuant to the terms and conditions found in O.R.C. 3313.64(F)(8) and in the case of the Board's open enrollment policy. A child is defined as "a natural or adopted dependent child" (including stepchild) for whom the teacher is the natural parent or guardian and in whose household the child resides.

7.09.2 Nothing herein shall be construed to authorize the automatic acceptance of the children of non-resident teachers, however, the Board shall give these children the highest priority when accepting new students. The Superintendent shall review any request for such acceptance to be sure that such child's social and academic standing are acceptable to the district prior to enrollment. If such child is accepted and maintains acceptable scholastic and behavioral standards and the enrollment of the child does not create a

class of more than the suggested class size in Article 5, Section 5.09.2, that child's tuition will be waived. If not, the Superintendent will withdraw the child from the school district. Withdrawal of a student shall not be arbitrary or capricious.

- 7.09.3 The Superintendent's decision regarding acceptance and/or withdrawal shall be final in all cases and not subject to grievance provisions of the CEA Negotiated Agreement. Teachers who elect to enroll their children in the district shall be entitled to use the regular bus routes of the district to transport the child to and from school but teachers shall not have the right to bring children to school and supervise them until the student's school day begins or supervise them after school until the teacher's school day ends.
- 7.09.4 These tuition waiver provisions shall be in effect for the duration of this agreement unless any shall be deemed contrary to law. In such cases, the Board and the CEA shall make such necessary modifications to comply with those provisions of law, if possible.

8.02.2 While the Board of Education openly acknowledges the academic freedom of teachers, it also emphasizes that the education of our students is the preeminent goal of the school district; consequently, the students' right to learn is the counterbalance whereby academic freedom shall be examined in the event there appears to be a conflict between these two crucial elements of the educational process.

8.02.3 Teachers shall be free to publish professional works or secure copyrights without interference or censorship by the Board of Education or any of its agents.

11.05 Teachers' ratings shall not be adversely affected on student growth/value added consistent with Ohio Revised Code.

11.06 In implementing such evaluation system and procedures, the District shall conduct all evaluations so as to observe the legal and constitutional rights of licensed personnel, and no evaluation information shall be collected by audio/visual recording.

11.07 The Board will not conduct an evaluation of teacher who: (1) was on an approved leave for 50% or more of the school year; or (2) has submitted notice of retirement to the Superintendent and that notice has been accepted by the Board not later than December 1 in the school year in which the evaluation is otherwise scheduled to be conducted. However, it may be necessary for the administrator to begin the evaluation procedures until one, or both, of the foregoing conditions has been satisfied.

11.08 Definition of the Evaluation

11.08.1 The Evaluation shall consist of a minimum of one (1) pre-observation meeting (unless additional one[s] are requested by the teacher for subsequent observation[s]), two (2) formal observations, between two (2) to five (5) walkthroughs, a post-observation meeting following each formal observation, and one (1) summary evaluation meeting. Provided, however, that a teacher that is in the final year of a limited contract, or a teacher that has submitted for consideration for continuing contract status, will be evaluated in the year of the contract recommendation by the administrator. That evaluation year will be considered year one of a new cycle and the results of that evaluation will be used to determine the year of the subsequent evaluation.

Teachers rated as Accomplished in their most recent evaluation will complete one classroom walkthrough and post-conference in the years where a formal evaluation is not required.

11.08.4 Teachers rated as Skilled in their most recent evaluation will be evaluated every two (2) years, so long as the teacher's student academic growth measure is "average" or higher. Provided, however, that a teacher that is in the final year of a limited contract, or a teacher that has submitted for consideration for continuing contract status, will be evaluated in the year of the contract recommendation by the administrator. That evaluation year will be considered year one of a new cycle and the results of that evaluation will be used to determine the year of the subsequent evaluation.

Teachers rated as Skilled in their most recent evaluation will complete one classroom walkthrough and post-conference in the years where a formal evaluation is not required.

11.9 Assignment of Evaluator

A formal observation shall last a minimum of thirty (30) continuous minutes but no longer than sixty-five (65) minutes. There shall be at least ten (10) working days between formal observations. If after the second formal observation a teacher's performance is found deficient to the extent that adverse personnel action may result, additional observations may be conducted. Observations shall not be conducted the day before or day after a scheduled non-instructional school day unless mutually-agreed upon by the teacher and evaluator.

- 11.10.2 The evaluator shall provide the teacher written notice at least five (5) school days in advance of a formal observation.

11.10.3 Pre-Observation Conference

A conference initiated by the evaluator will be held at least one (1) workday prior to the initial formal observation. The teacher will provide the lesson plan and materials pertinent to the lesson. Additional pre-observation conferences, requested by the teacher, will also be held at least one (1) workday prior to the observation.

11.11 Post-Observation Conference and Report

A conference initiated by the evaluator will be held with the teacher after each formal observation. The conference shall be conducted within ten (10) working days of the observation, unless the evaluating administrator or the teacher is absent or agree to another mutually convenient time.

11.12.4 Walk-throughs shall be conducted by the assigned evaluator.

11.13 Written Evaluation Report

The evaluation shall acknowledge the performance strengths of the teacher evaluated as well as performance deficiencies, if any. The evaluator shall note the data used to support the conclusions reached in the formal evaluation report.

11.13.1 Formal observations and walkthrough data will be consolidated into the written evaluation report using the Evaluation Form at the final post conference or within ten (10) work days of the final post conference. The final evaluation report shall be given to the teacher by May 10 and a conference initiated by the evaluator shall be held between the teacher and evaluator.

11.13.2 If dissatisfied with the report, the teacher has the right to provide a written response and to have it attached to the written evaluation report.

11.14.1 A teacher will be placed on an Improvement plan if s/he received an overall rating of “ineffective” or if s/he rated is “below expected” on student growth. The credentialed evaluator will direct the development of an improvement plan with input from the teacher prior to September 30.

11.14.2 The Board will allocate appropriate resources to each teacher on an improvement plan.

11.14.3 Not later than May 10 of the school year for the teacher who is on an improvement plan, the evaluator will complete a final evaluation report and meet with the teacher.

11.15 Extended/Limited Contract Teachers Being Considered for Non-Renewal

11.15.1 A minimum of three (3) formal observations of each teacher in the year which he/she is under consideration for non-renewal shall be performed according to the guidelines set forth in this Article.

11.15.2 The Board shall notify any teacher of non-renewal in writing by June 1.

11.16 Professional Growth Plan

Professional growth plan shall be developed as follows:

11.16.1 Teachers with above expected levels of student growth on the prior district

evaluation will develop a professional growth plan by September 30 and may choose their credentialed evaluator for the next evaluation from a District-approved list.

11.16.2 Teachers with expected levels of student growth on the prior district evaluation by September 30 will develop a professional growth plan collaboratively with the credentialed evaluator.

11.17 District Evaluation Framework <subject to pending Safe Harbor MOU >

11.17.1 The district’s evaluation framework will be comprised of 50% value assigned to the Educator Standards components, 35% value assigned to Student Growth Measures component, and 15% assigned to Self Evaluation.

The following chart shall reflect the negotiated Growth Measures for evaluation purposes:

Educator Category	Value-Added %	Vendor Assessment %	LEA Measures SLOs %	LEA Measures Shared Attribution %	Total
A1: Value-Added	35	N/A	0	0	35%
A2: Value-Added	Schedule <30% VA VA = 10 Schedule 30-69% VA VA = 15 Schedule > 69% VA VA = 20	N/A	Schedule <30% VA SLO = 32.5 Schedule 30-69% VA SLO = 27.5 Schedule > 69% VA SLO = 22.5	0	35%
B: ODE-Approved Vendor Assessment	N/A	0	35	0	35%
C: LEA Measures	N/A	N/A	35	0	35%

11.17.2 A Student Growth Measures Committee shall be established consisting of ten (10) members appointed by the CEA President and between 3 to 5 administrators appointed by the Superintendent. The committee will be trained in the development and evaluation of SLO’s and shall meet periodically to review submitted SLO’s and ongoing procedures for the evaluation of student growth measures. The committee shall establish all SLO submission deadlines and provide these dates to all teachers. However, the SLO approval process must be completed not later than November 1st for all teachers.

11.17.3 Committee members may be provided time during professional development, release time and/or after school committee time, for committee work, as approved by the Superintendent. Committee members meeting outside the school day shall be paid twenty-five dollars (\$25.00) per hour.

11.17.4 Value-added and other student growth measure data derived from

assessments taken in one school year shall be combined with performance ratings that are assigned in the next school year to achieve a summative evaluation rating.

11.17.5 The 15% Self Evaluation component will be based upon completion of the Self Evaluation form, and a conference with the assigned evaluator by the end of the first semester.

11.18 Extension of Timelines for Evaluation Process Based on Absence

In the case of a short-term absence (fifteen [15] school days or fewer) of the evaluator or teacher, any appraisal process timelines shall be extended by the number of school days equal to the days of absence other than the May 10 deadline.

In the case of an evaluator's long-term absence (more than fifteen [15] school days), the evaluator's replacement shall continue the appraisal process, and timelines will be extended by mutual agreement of the evaluator and teacher. Likewise, in the case of the teacher's long-term absence, as defined above, the appraisal process and timelines will be extended by mutual agreement of the evaluator and teacher other than the May 10 deadline. If no mutual agreement is reached, the Association President and the Superintendent or designee shall mutually establish new appraisal timelines.

11.19 The parties agree to use the forms issued by ODE, as may be amended from time to time, in connection with the evaluation framework set forth above. Forms are contained in Exhibit I.

11.20. The Sequence of Teacher Evaluation:

11.20.1 The building principal, or assistant principal, is the primary observer of teacher competency and shall be responsible for the recommendation of the contractual status of the teacher to the Superintendent of Schools.

Teachers assigned to more than one building will be observed and evaluated as defined in Section 11.21.2 of this article. Completion of at least one formal observation and evaluation will be the responsibility of the assigned principal. Building principals of other assigned school(s) may complete formal observation, if more are necessary according to 11.21.2, and provide evaluative comments to the assigned principal for inclusion on the evaluation document.

11.20.2 Observations of classroom teacher performance are the primary basis for teacher evaluation. Observations will precede evaluations according to the following:

A. Status I

Status I teachers either have no prior teaching experience, are new to the district, or have one (1) year experience in the district. These teachers will receive two (2) formal

observations and one (1) evaluation by the end of the first semester. Two (2) additional formal observations and one (1) evaluation will take place during the second semester.

B. Status II

Status II teachers hold a limited contract and have two to five years experience in the district. These teachers will receive two (2) formal observations and one (1) evaluation, with at least one observation taking place in the first semester.

C. Status III

Status III teachers have six or more years experience in the district. Every other year, these teachers will receive two (2) formal observations and one (1) evaluation, with at least one observation taking place in the first semester. An annual professional conference will be held between the administrator and the teacher in the years when there is no formal evaluation. One half of the Status III teachers will be observed/evaluated annually.

D. Status IV

Status IV teachers hold a continuing contract (tenure). Every three years, these teachers will receive one (1) formal observation and one (1) evaluation. An annual professional conference will be held between the administrator and the teacher in the years when there is no formal evaluation.

One third of the Status IV teachers will be observed/evaluated annually.

E. ARTICLE 15
STUDENT DISCIPLINE AND ASSAULT PROTECTIONS

15.01 ASSAULT ON A TEACHER

- 15.01.1 Assault is understood to be the threat or attempt to harm, or resultant harm, to an employee.
- 15.01.2 Assault on a teacher is a most grievous act. For that reason, the following administrative procedures are to be used:
- 15.01.2.1 Any case of assault on a teacher or his property while in performance of his/her duties shall be promptly reported to the Board. The Board shall render all reasonable assistance to the teacher in connection with the handling of the incident by school, law enforcement, and judicial authorities. This shall include after school actions that are related to school associated problems.
- 15.01.2.2 A complete investigation of the alleged assault shall be conducted by the principal and a report, including recommendations made to the Superintendent. The Superintendent shall review the matter and determine the action, if any, to be taken. This may include referral to legal authorities and/or expulsion from school. Notice of the Superintendent's decision shall be sent to all parties involved.
- 15.01.2.3 When a student returns to school following an expulsion and/or suspension for assaulting a teacher, upon request of the teacher who was assaulted, the student will be placed in another class if a comparable appropriate class placement is available. If the student involved is a student with a disability under the IDEIA or Section 504, any change in the student's schedule that would result in a change in placement must be made in accordance with the proper procedures as set forth in the IDEIA and Section 504.
- 15.01.3 In the case of injury to a teacher, the Worker's Compensation Law of Ohio will apply.

15.02 TEACHER RIGHTS

- 15.02.1 It is recognized that teachers from time to time are confronted with discipline problems. As a result, personal injury may occur. The Board will, to the extent permitted by law, do all possible to reimburse the teacher for any damages to his/her clothing or other personal effects.
- 15.02.2 In the event a complaint against a teacher is brought before the Board, the teacher shall be notified promptly and shall have the right to present a defense before the Board and to be represented. The teacher shall have the right to annex to any written record of such complaint an answer or denial which shall not be separated from such record.

15.02.3 The Board of Education shall maintain liability insurance coverage to assist with possible legal action against an individual teacher.

15.02.4 The Board of Education shall make efforts to make its buildings and grounds safe and secure.

15.03 STUDENT DISCIPLINE

15.03.1 Federal and state law impose numerous restrictions and limitations on student discipline, including suspension, expulsion, and removal.

15.03.2 Effective discipline, observance of good order, and respect for the rights of others are necessary so that all pupils may be afforded the opportunity of a quality education.

15.03.3 The maintenance of an education environment conducive to student learning is the shared responsibility of the student, teacher, administrator, and parent.

15.03.4 Every pupil has the right to learn and develop to his/her maximum potential. The initiation and maintenance of such an educational environment is the shared responsibility of the student, teacher, administration, and parent.

15.03.5 In connection with pupils who cannot adjust to the expected educational environment and who habitually disrupt the learning opportunities of other students, the teacher may recommend that the administrator refer the student to the proper school/community agencies so they may receive suitable assistance in conforming their behaviors to those expected in a school setting.

15.03.6 Consistent with the state and federal law, teachers shall be entitled to access to pertinent information about the status of students in their classrooms where such information could aid the teacher in better understanding and working with the individual student.

15.03.7 A teacher shall refer to the principal or the principal's representative, for appropriate action, any student who seriously interferes with the learning opportunities of other children in the classroom, or who fails to comply with a teacher's reasonable directive in any school setting. The teacher will communicate in writing or in cases of emergency, in person, the nature of the problem, and any steps the teacher has taken to remediate the problem, to the appropriate administrator. The teacher will be advised of the principal's disposition of the matter. If a teacher is dissatisfied with the disposition, he/she may raise the concern with the Superintendent or designee after first conferring with the building principal.

15.03.8 Verbal attack on a teacher may be grounds for suspension and expulsion.

- 15.03.9 Teachers shall be afforded the chance to offer recommendations regarding the student code of conduct.
- 15.03.10 Teachers and their building administration will work collaboratively to help create more effective educational environments for student learning and better, more consistent and effective student discipline strategies for the Chardon Schools.

PROCEDURES FOR ADDING, DELETING AND/OR ADJUSTING SUPPLEMENTAL POSITIONS NON-ATHLETIC

Introduction

This document is intended to clarify the procedures developed by the administration and the Association during negotiations and Professional Staff Council discussions. It should be noted that any additions, deletions and/or adjustments of supplemental positions would only be made to address current needs of the program.

It is our intent that the steps listed below will help to establish the validity of any such need.

Non-Athletic Positions

In general, these are supplemental positions which do not fall within the parameters of the Athletic positions, including Department Heads. It should be noted that the district promotes the involvement of students outside the school day through programs offered by Chardon Schools' Community Education Program and other community recreation organizations. It is not our intent to expand these opportunities through the creation of school sponsored clubs and organizations which require a supplemental position.

If program needs indicate consideration for change, the following procedure will be implemented:

1. The proposed change will be discussed with the building principal or the appropriate administrator who will give the proposer a Supplemental Position Proposal Form – Non-Athletic (attached) to complete.
2. The completed proposal form should be given to the principal for consideration. The building principal or appropriate administrator will schedule a meeting with the proposer within ten (10) school days of receiving the completed proposal.
3. The proposer will have the opportunity to explain the proposal and otherwise advocate for the change during the meeting with the principal.
4. The building principal or appropriate administrator will either recommend the proposal be forwarded to the Professional Staff Council or deny the proposal. The proposer will be notified of the principal's decision (by a copy of the proposal form with decision indicated) within ten (10) school days of the meeting. If the proposal is denied by the principal, the proposer may appeal to the Superintendent or the Association to advance the proposal to Professional Staff Council.
5. If the proposal is advanced to the Professional Staff Council, the Council may choose to invite the proposer, or they may consider the proposal on the merits of

its recommendation by the building principal or appropriate administrator. After private deliberation, they will either recommend that the proposal be forwarded to the Superintendent or deny the proposal. The proposer and the principal will be notified of the committee's decision (by a copy of the proposal form with decision indicated) within ten (10) school days of the meeting.

6. If the proposal is forwarded to the Superintendent, the Superintendent may choose to speak with the proposer, or consider the proposal on the merits of the Professional Staff Council recommendation. The Superintendent will either recommend the addition/deletion/adjustment of the supplemental contract position to the Board of Education or deny it. The proposer, the Professional Staff Council and the building principal or appropriate administrator will be notified of the Superintendent's decision (by a copy of the proposal form with decision indicated) within ten (10) school days of the meeting.
7. If the Superintendent recommends the addition/deletion/adjustment of a supplemental position to the Board of Education, the rules and regulations that govern Board of Education meetings and actions will apply to its decision making process.
8. All official actions of the Chardon Board of Education are reflected in its minutes. As a courtesy to the proposer, the Superintendent will also notify the proposer of the Board of Education's final action on the proposal within five (5) school days of that action.

PROCEDURES FOR ADDING, DELETING AND/OR
ADJUSTING SUPPLEMENTAL POSITIONS
ATHLETIC

Introduction

This document is intended to clarify the procedures developed by the administration and the Association during negotiations and Professional Staff Council discussions. It should be noted that any additions, deletions and/or adjustments of supplemental positions would only be made to address current needs of the program.

It is our intent that the steps listed below will help to establish the validity of any such need.

Athletic Positions – Existing Sport:

In general, these are positions that relate to interscholastic team sports in grades seven (7) through twelve (12) as listed in the current negotiated agreement. If program needs and student enrollment dictate a need for changing the number of coaches in a sport, the following procedure will be implemented:

1. The situation will be brought to the attention of the athletic director for evaluation to determine if an addition/deletion of a coaching position is necessary.
2. Upon determination of need, the athletic director will make a recommendation with a rationale to the building principal.
3. The building principal will make a recommendation to the Superintendent.
4. The Superintendent will make a recommendation to the Board of Education for approval.

Athletic Positions – New Sport:

In general, these are new positions that relate to interscholastic team sports in grades seven (7) through twelve (12) not included in the current negotiated agreement. The following process would be used to propose the inclusion of a new sport in the athletic program:

1. The proposal for a new sport and athletic positions will be discussed with the building principal or athletic director who will give the proposer a Supplemental Position Proposal Form – Athletic (attached) to complete. The proposal will then be scheduled for consideration at the next Building Athletic Council meeting.
2. The completed recommendation form should be given to the principal for distribution to the members of the Building Athletic Council at least five school days before the scheduled meeting.

3. The proposer will have the opportunity to explain the proposal and otherwise advocate for the change at the Building Athletic Council meeting.
4. During private deliberation, the Council will discuss the merits of the proposal and decide whether additional information is needed before a decision can be made.
5. The Council will either recommend the proposal be forwarded to the Executive Athletic Council or deny the proposal. The Executive Athletic Council will consider proposals twice each year. The proposer will be notified of the committee's decision (by a copy of the proposal form with decision indicated) within ten (10) school days of the meeting noted in Step 3.
6. If the proposal is advanced to the Executive Athletic Council, the Council may choose to invite the proposer or they may consider the proposal on the merits of its recommendation by the Building Athletic Council. After private deliberation, they will either recommend the proposal be forwarded to the Professional Staff Council or deny the proposal. The proposer and the Building Athletic Council will be notified of the committee's decision (by a copy of the proposal form with decision indicated) within ten (10) school days of the meeting.
7. If the proposal is advanced to the Professional Staff Council, the Council may choose to invite the proposer; or they may consider the proposal on the merits of its recommendation by the Executive Athletic Council. After private deliberation, they will either recommend the proposal to the Superintendent or deny the proposal. The proposer, the Building Athletic Council and the Executive Athletic Council will be notified of the committee's decision (by a copy of the proposal form with decision indicated) within ten (10) school days of the meeting.
8. If the proposal is forwarded to the Superintendent, the Superintendent may choose to speak with the proposer, or consider the proposal on the merits of the Professional Staff Council recommendation. The Superintendent will either recommend the addition/deletion/adjustment of the supplemental contract position to the Board of Education or deny it. The proposer, Professional Staff Council, the Executive Athletic Council, and the Building Athletic Council will be notified of the Superintendent's decision (by a copy of the proposal form with decision indicated) within ten (10) school days of receiving the proposal.
9. If the Superintendent recommends the addition/deletion/adjustment of a supplemental position to the Board of Education, the rules and regulations that govern Board of Education meetings and actions will apply to its decision making process.
10. All official actions of the Chardon Board of Education are reflected in its minutes. As a courtesy to the proposer, the Superintendent will also notify the proposer of the Board of Education's final action on the proposal within five (5) school days of that action.

PROCESS FOR PLACING A RESPONSE IN PERSONNEL FILE

1. The employee will be notified when any document is placed in an individual's personnel file.
2. The employee will have thirty (30) calendar days after notification of placement of a document in his/her personnel file to submit a response to be attached.

If it is not possible to submit a response within this time frame, the employee may submit a letter indicating an intent to respond and be granted an additional thirty (30) days.

If necessary, additional time beyond sixty (60) calendar days may be arranged by mutual agreement.

3. The response should state title and date of document being discussed. The response should be as concise as possible and limited to text.

Additional attachments such as photos, portfolios, and other references related to the text may be indicated in the response and held by the employee as additional documentation.

The response will be signed and dated by the employee submitting it.

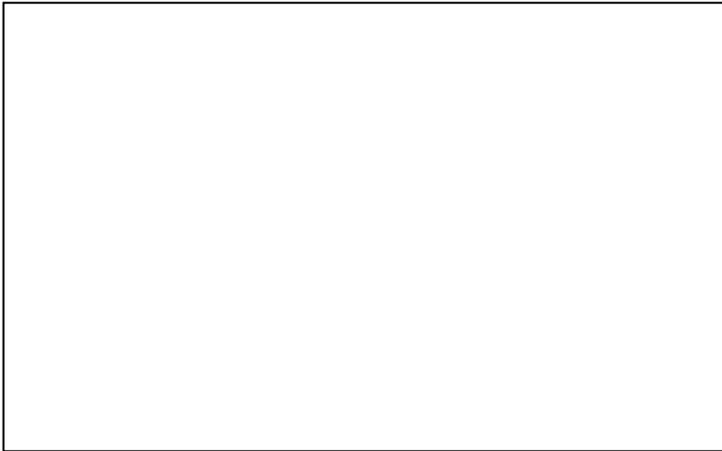

4. Copies of the response will be presented to the administrator who authored the disputed document and the Superintendent. Since it is hoped this process will enhance communication, a conference to discuss the response with the administrator is encouraged, but not required.
5. The Superintendent will sign and date the response and attach it to the related document before it is placed in the personnel file.
6. Both positive and negative letters from parents/students are not appropriate documents for the personnel file. Employees may note positive letters from parents/students in any response to an evaluation. The original letters should be held by the employee and shared upon request.
7. Refer to the Negotiated Agreement for additional guidelines for personnel file documents.

Professional Growth Plan

As a result of the evaluation process, teachers and evaluators should focus on accelerating and continuing teacher growth through professional development. Professional development should be individualized to the needs of the teacher, and specifically relate to his/her areas of refinement as identified in the teachers' evaluation. The evaluator should recommend professional development opportunities, and support the teacher by providing resources (e.g., time, financial).

Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is intended to be scored holistically. This means that evaluators will assess which level provides the best *overall* description of the teacher. The scoring process is expected to occur upon completion of each thirty (30) minute observation and post-conference. The evaluator is to consider evidence gathered during the pre-observation conference, the observation, the post-observation conference, and classroom walkthroughs (if applicable). When completing the performance rubric, please note that evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, teachers should not be required to submit additional pieces of evidence to address all indicators. The professionalism section of the rubric may use evidence collected during the pre-observation and post-observation conferences as well as information from the Professional Growth and/or Improvement Plan (if applicable).

Classroom Walkthroughs / Informal Observation

An informal observation/ classroom walkthrough is a:

- Tool to inform evaluation that provides the opportunity to gather evidence of instruction over a series of short classroom visits;
- Process for giving targeted evidenced-based feedback to teachers; and
- Means for principals to visit classrooms more frequently and more purposefully.

An informal observation/ classroom walkthrough is not a(n):

- Formal observation;
- “Gotcha” opportunity for supervisors or evaluators;
- Isolated event; or
- Shortcut to the observation protocol required as part of the teacher evaluation process.

Classroom walkthroughs/ Informal observations, as part of the teacher evaluation system, may be general in nature or focused on observing a specific aspect of teacher performance. Summary data collected through a series of walkthroughs along with evidence documented through formal observations will come together to inform the teachers’ summative performance rating: *ineffective, developing, proficient or accomplished*.

Guidelines for Informal Classroom Observations

Informally Observe All Teachers

All teachers benefit from informal classroom observations. Informal observations should last from 15 to 20 minutes; therefore, conduct only as many observations in a day as you can follow up with on either the same or next day. Teachers need and deserve some type of immediate feedback.

Informally Observe As Often As You Can

The principal’s presence in the classroom sends a positive message to teachers: *the principal cares*. Including informal classroom observation as a school-wide initiative requires consistency and frequency. Find times in the day to observe teachers at varying times of the day: *for most teachers, what occurs in the morning is much different than what occurs in the afternoon*.

Focusing on One or Two Areas

Although there may be no predetermined focus established (because of no pre-conference), find a focus based on the instruction, events or discussions that are occurring in the classroom. A focus may also occur based upon past conferences and the need for follow up observations.

Make Time to Follow Up

Follow-up communication to informal classroom observations is a critical component. Follow-up will often be in writing but the evaluator should extend to the teacher an invitation to discuss any comments provided face-to-face. The evaluator may also offer resources to help teachers refine their practice.

Teacher Driven Observations

While it is recognized that evaluators have many demands on their time, encouraging teachers to identify instructional periods for the evaluator to observe can be a means for the evaluator to collect evidence related to a specific focus the teacher and evaluator may be working on.

Types of Data

Data collected as evidence of teacher practice may be quantitative, qualitative, or a combination of both. Quantitative data includes frequencies, distributions and other counts or tallies. For example the observer could use a checklist to tally how many questions were asked of children in the front row or children who had their hands raised versus not. The evaluator might also chart the types of questions asked (higher versus lower levels). Qualitative data can include scripted notes detailing patterns of activities, vocabulary used, and events observed. In both cases accuracy is essential to ensure the credibility of the process and the evaluator.

Overview of the Formula for Ohio Educator Evaluation System Final Summative Ratings

August 26, 2015

Ohio allows districts to choose between two evaluation frameworks for teacher evaluations. The original framework structure is 50% teacher performance and 50% student growth measures. The alternative framework structure is 50% teacher performance, 35% student growth measures, and 15% alternative component: student surveys, teacher self-evaluations, peer review evaluations, student portfolios, and district-determined component.

Ohio utilizes a formula-based approach based on a 600-point scale on a consistent basis for all teachers, including those whose districts select the original framework and those who choose the alternative framework of the Ohio Teacher Evaluation System. Although the alternative framework may not be used in principal evaluations, the 600-point formula will be used with these evaluations.

Many states and districts are working through similar policy decisions regarding multiple performance measures for teacher evaluation. A formula-based approach is best suited for this situation; it accounts for the features of the alternative framework, and research indicates that it is the preferred approach (Hansen, Lemke, & Sorenson, 2013).¹

Likewise, the 600-point scale provides advantages: It accommodates both the 1-to-4 and 1-to-5 rating ladders used as inputs in the evaluation system and allows for minimal use of decimals in summative ratings. In addition, ratings are not confused with a 0-100 percent grading scale with specific built-in connotations (e.g., 75 percent is a letter grade of "C").

Here are the steps for determining a final summative rating

- 1) Districts enter ratings for each measure: teacher performance (from 1-to-4), each student growth measure (from 1-to-5) and, if selected, an alternative component (from 1-to-4) into the electronic Teacher and Principal Evaluation System (eTPES).
- 2) eTPES assigns the point value that corresponds to the ratings from each component:
 - **Student growth.** This component may entail multiple measures (Value-Added scores, approved vendor assessments or student learning objectives) each with its own 1-to-5 rating. A most effective (5) rating results in 600 points; above average (4), 400 points; average (3), 300 points; approaching average (2), 200 points; and below average (1), 0 points.
 - **Teacher performance.** A rating of accomplished (4) results in 600 points; skilled (3), 400 points; developing (2), 200 points; and ineffective (1), 0 points.
 - **Alternative component.** If selected, an alternative component rating of level 4 results in 600 points; level 3 rating, 400 points; level 2 rating, 200 points; and level 1 rating, 0 points.
- 3) eTPES multiplies the points for each measure by the appropriate weight or percentage. The department will release business rules for how weights will be assigned for student growth measures when multiple measures are employed.

The examples on the following pages illustrate how eTPES will follow these steps to calculate a final summative rating, using the original teacher evaluation framework and the alternative framework.

Performance on Standards 50%	Developing	2	200	50%		100
Final Summative Rating						188 Developing

Using the formula, eTPES will calculate the final summative rating by multiplying the points for each measure by the percentage, dividing by the number of component ratings and then summing the applied points:

$$(0 \times 25\%) + (400 \times 25\% \div 2) + (300 \times 25\% \div 2) + (200 \times 50\%) = 187.5 = 188$$

Ratings and Points

Student Growth		Performance		Alternative Component		Final Summative Rating	
• Most Effective (5)	600	• Most Effective (5)	600	• Level 4	600	• Most Effective	500-600
• Above Average (4)	400	• Skilled (3)	400	• Level 3	400	• Skilled	300-499
• Average (3)	300	• Developing (2)	200	• Level 2	200	• Developing	100-299
• Approaching Average (2)	200	• Ineffective (1)	0	• Level 1	0	• Ineffective	0-99
• Least Effective (1)	0						

Example #2. Middle School Art Teacher

Ms. Reynolds teaches middle school art and is a 'C' teacher, meaning she has no Value-Added or vendor assessment data. She is using four student learning objectives, along with an approved student survey (an alternative component). The district must enter six different measures for her evaluation into eTPES.

Student Growth Measures		Scores (examples only)					Applied Points
		Rating Points	x Subcomponent Weight	+ Number of Ratings	=	Applied Points	
35%	SLO 1 (5 th Grade Art)	5	600	35%	4	52.5	
	SLO 2 (5 th Grade Art)	4	400	35%	4	35	
	SLO 3 (7 th Grade Art)	3	300	35%	4	26.25	
	SLO 4 (8 th Grade Art)	2	200	35%	4	17.5	
Student Growth Measures Total						131	
Performance on Standards	Skilled	3	400	50%		200	
Alternative Component		4	600	15%		90	
Final Summative Rating						421 Skilled	

Using the new formula, eTPES will calculate the final summative rating by multiplying the points for each measure by the measure's weight, and then summing the applied points. The actual calculation is:
 SLO 1 (600 x 35% + 4) + SLO 2 (400 x 35% + 4) + SLO 3 (300 x 35% + 4) + SLO 4 (200 x 35% + 4) + teacher performance (400 x 50%) + alternative measure (600 x 15%) = 421
