2. This request for sick leave donation days from other bargaining unit members shall be made by contacting the SSLCEA President. The SSLCEA President or designee shall forward this request to the membership through written and/or electronic communication. The SSLCEA President or designee will notify the Superintendent or designee that such a request has been made.
3. SSLCEA members shall have the option of donating up to ten (10) sick leave days in any one school year to the bargaining unit member making the request. The donation will be made by completing a sick leave donation form to be forwarded to the Treasurer's office. Upon receipt of the leave donation form, the Treasurer's office will forward a copy of the processed form to the SSLCEA President and all affected employees.

F. Personal Leave

1. Three (3) personal leave days per school year shall be granted to all non-teaching employees who work a full contractual year as designated in Article XII, Section A. Such days shall be non-accumulative and shall be granted for personal business that cannot be scheduled outside the regular school day. These days shall not be granted before or after holidays or to extend vacation periods. The personal leave provisions of this contract shall be applicable to the school year (July 1 through June 30).
2. New employees and employees working in a second position will be granted personal leave according to the following schedule:

If hired between July 1 and October 31, three (3) personal days will be granted;

3. The Superintendent in the event of extenuating circumstances may grant additional days of personal leave.

4. Written notification of the employee's intent to use personal days shall be submitted through their supervisor to the Superintendent at least three (3) days prior to the beginning of the leave. An employee using personal leave shall provide notice of intent to use such leave by completing the appropriate leave form. The reason for such leave shall be stated as "personal" and no further details will be required.
5. Except in the event of an emergency, the employee shall give advance notification of intent to use such leave.
6. Falsification of personal leave shall be considered reason for termination of employment.
7. Each unused personal leave day for an employee shall be compensated at the substitute rate used for the job classification for that employee or shall be converted to sick leave days at the end of the contract year.
8. Use of personal leave shall be deducted on an hourly basis. The minimum personal leave deduction is two (2) hours. If the employee works less than two (2) hours per day, he/she shall lose the equivalent of one (1) day's work schedule in hours deducted.

5. Upon return to service, the employee shall resume the contract status held prior to such leave. Every effort shall be made to reinstate the employee to the same or similar position, if available. The employee shall furnish a physician's statement indicating the employee is medically fit to return to his or her scheduled duties.

H. Legal Duty

1. In the event that an employee is subpoenaed to appear in court for a school related case, said employee shall receive full pay for this service. 2. Employees who are suing the Board or are involved in personal legal action will not be granted legal duty leave for any court time taken during the employee's normal workday. The employee shall have the option of using available personal, accrued and vacation days. If personal, accrued and vacation days are available, the request will not be denied.
3. The employee shall be paid the difference between his/her regular daily compensation and the remuneration received for such appearance (if any).

5. In the event of extenuating circumstances, additional leave granted under this provision may be made on a case-by-case basis by the Superintendent.

I. Leave of Absence

Upon the written request of an employee, the Board may grant a leave of absence for a period not to exceed one (1) year for education, professional or other purposes and shall grant such leave where illness or other disability is the reason for the request. All employees with a morning report time shall call off at least one (1) hour before their designated start time. All employees with an afternoon report time shall call off at least two (2) hours before their designated start time. When an emergency arises the one (1) hour call-off for morning employees, two (2) hour call-off for afternoon employees, will be waived for the first such occurrence. All emergency occurrences thereafter shall require explanations. No employee shall be required to secure a substitute for their position.

K. Professional Meeting

1. Bargaining unit employees are encouraged to attend professional meetings that contribute to the improvement of knowledge and skills directly related to their position with the Sheffield-Sheffield Lake Schools.

2. Written request shall be submitted to the immediate supervisor for approval and forwarded to the Superintendent. The Superintendent, at his discretion, shall have authority to grant such requests without loss of pay.
3. Employees will be reimbursed at the IRS rate for mileage reimbursement for the use of their private automobiles for approved professional meetings.

L. Parental Leave

Any employee who is pregnant or adopting a child less than one (1) year of age shall be, at his/her request and on the conditions set forth below, granted a parental leave of absence without pay. Upon request, a male employee, who fathered or adopted a child, shall be granted a leave of absence without pay.

1. Leave Rights

The parental leave shall begin at any time between a) the commencement of pregnancy, or in the event of adoption, the receipt of custody; and b) six (6) months after the child is born or adopted. Such leave shall be for any period up to one (1) school year, but shall be extended for up to one (1) additional school year at the request of the employee. A mother or father may use any accumulated sick leave following the birth of a child. For complications during or after the birth of a child that may require extended leave, the mother and/or father may apply for use of the Sick Leave Bank under the provisions of this Agreement.

2. Application for Leave

- a. Application for parental leave shall be in writing, and shall contain a statement of the expected date of birth, or in the case of adoption, the date of obtaining custody, the date on which the parental leave is to commence and the date the employee anticipates return to service. Such return date shall be mutually agreed to by the Superintendent and the employee.
- b. Should an employee elect to request an extension of parental leave, that request must be submitted in writing to the Superintendent forty-five (45) days prior to the start of the extension. Such requests shall specify the return date, which shall be mutually agreed upon by the Superintendent and the employee.

3. Pregnancy Disability

Any employee who elects to use pregnancy disability leave with pay according to O.R.C. §3319.141 may, if she chooses, begin parental leave after the disability leave has expired. No employee may receive pregnancy disability leave benefits while on parental leave.

4. Time for Filing Application

Application for parental leave prior to childbirth shall be made at least thirty (30) days before the beginning date of the parental leave. Application for parental leave for the period beginning after the expiration of pregnancy disability leave (which must be certified by her attending physician) or for parental leave related to adoption, shall be made at least thirty (30) days before the beginning date of leave.

5. Insurance and Reinstatement

During such leave, the employee shall continue to be included in the existing hospitalization-surgical group and life insurance programs. The cost for this coverage is to be paid by the employee at the group rate contracted for by the Board. Prior to the commencement of the leave, the Treasurer shall notify the employee, in writing, as to the option to continue such coverage at the employee's cost, and the employee shall respond in writing within ten (10) working days if the employee wants the coverage continued. The employee shall resume the contract status held prior to such leave. In addition, every effort shall be made to reinstate the employee to the same, if available, or similar position.

6. Eligibility of Return to Work or Extend Leave (Notification)

So that efficient employment practices can be affected, an employee on parental leave MUST, prior to June 1st, notify (by letter) the Superintendent of his/her intention to return, or not to return, or to request an extension of leave. Failure to notify shall be processed as an intent not to return to employment.

M. Accrued Leave

1. An employee, for each one hundred and twenty-five (125) days or the equivalent hours of unused sick leave, as of the start of the school year, shall be granted one (1) additional day of bonus personal leave during that school year with pay. Such leave may be taken without a restriction, except as set forth herein, upon a written request to the Superintendent. This request must be submitted to the Superintendent at least three (3) working days prior to the requested leave date. Upon receipt of the request for the leave, the Superintendent will determine if a substitute is available.
2. This leave may not be taken on either the first or the last day of the teacher or student work year. No more than three (3) employees may use this leave at any one (1) time. Should more than three (3) employees request the use of this leave, the date the request was received by the Superintendent and then, if necessary, District seniority will be used to determine which individuals will be granted leave.
3. A leave under this provision shall not be carried forward from one year to the next.

4. Use of accrued days each year does not forfeit accrued days the next year for the same days of accumulated sick leave.

N. Association Leave

The Association shall be granted seven (7) Board paid Association Leave days for the purpose of carrying out the business of the Association. The Superintendent will be notified at least three (3) days in advance of such leave. All Association Leave days must be approved by the Association President.

O. Digital Reporting Software

A “Timeware” or other similar system shall be used in the District, but the only parts of the system that will be implemented are electronic payroll forms, such as sick leave, personal leave, etc. Specifically, the parties agree that bargaining unit members shall not be expected to “clock in” and “clock out” using the system. The parties agree that the “Timeware” system will not be used in any way for any type of discipline with any member of the bargaining unit.

ARTICLE VIII. – EMPLOYEE DISCIPLINE

A. General Disciplinary Procedures

1. Discipline shall be imposed on employees only for just cause. Discipline may include verbal or written reprimand, suspension and termination. Before discipline may be imposed under this Article, based upon a parental complaint, the Administration shall conduct an investigation. If based on a parental complaint, if any of the parties agree to meet, a meeting will be arranged at a time convenient to the attendance of those persons who agreed to meet. The meeting will be limited to the employee, supervisor, Association Representative, an Administrator, and the complaining parent. No discipline shall be initiated based upon anonymous complaints unless the information in the complaint is independently verified.
2. Disciplinary action against an employee shall be imposed only for violation of written rules and regulations, as set forth by the Board, incompetence, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty or any other acts of misfeasance, malfeasance or nonfeasance.
3. A written reprimand may be imposed following a conference. An employee may be accompanied to any such conference by a representative of his/her choice.
4. The Board agrees and understands that each employee shall have the opportunity to be accompanied and/or represented by a representative of their choice at any disciplinary meeting.

5. The Board agrees that no employee will be reprimanded in the presence of any other employee, students or parents of students, except in emergency situations.

B. Guidelines

1. The following guidelines shall be applied on a step-by-step basis in all cases except for situations where the severity of the offense/violation warrants initiating discipline at a more advanced step:

- a. Step 1 - Warning

- i. The employee's immediate supervisor shall hold a private, informal conference with the employee for the purpose of discussing job performance, or unacceptable conduct, and methods of correcting this problem.
- ii. The warning will be confirmed in writing, with a copy to the employee and the personnel file. Each discipline document will include space for the employee to sign, which only acknowledges receipt.

- b. Step 2 – Written Reprimand

If an employee's job performance does not improve, a second meeting will be held between the employee and his/her immediate supervisor and/or another appropriate representative of the Administration. The employee may have a representative of his/her choice at this meeting. This meeting may result in a written reprimand with a copy to the employee and the personnel file. Each discipline document will include space for the employee to sign, which only acknowledges receipt.

- c. Step 3 - Suspension/Dock of Pay

- i. Penalty of up to one (1) to three (3) day suspension with loss of pay may be given with the approval of the Superintendent - Copy of suspension to the immediate supervisor, personnel file and the employee.
- ii. If an employee misuses, abuses or misrepresents any leave provision and/or fails to report timely for work, the employee's pay may be docked.

- d. Step 4 - Five (5) Day Suspension

Penalty of up to five (5) days' suspension with loss of pay may be given; all suspension and/or loss of pay must be with the Superintendent's approval. Written copy to the immediate supervisor, personnel file and to the employee.

c. Step 5 - Termination of Contract

Written copy to the immediate supervisor, personnel file, Board and to the employee.

C. Due Process Procedure

Except in emergency situations, before an employee may be suspended with or without pay, docked pay or terminated, the following procedure shall be followed:

1. The employee shall have the right to a preliminary hearing to be conducted by the supervisor or his/her designee. This preliminary hearing shall be informal and shall not be an evidentiary hearing. The employee may be accompanied at the hearing by a representative of his/her choice. The employee shall not have less than two (2) working days' notice of the time and place of the preliminary hearing. The time and place of the hearing shall be mutually agreed upon by the employee and the supervisor or his/her designee.
2. At the preliminary hearing, the employee shall be advised by the supervisor or his/her designee of the nature of the charges against him/her and shall be given the opportunity to respond by way of explanation or defense. Within five (5) working days of the preliminary hearing, unless mutually agreed to otherwise, the employee shall be advised in writing of the supervisor's disposition.
3. If the Superintendent or his/her designee recommends a termination, such recommendation shall be presented to the Board at its regularly scheduled meeting or at a special meeting called for such purpose, but at no time less than fifteen (15) working days of the Superintendent's disposition unless early retirement is agreed to by the parties. The employee shall be given notice of the date, time and place of such Board meeting. The employee shall have the right to a hearing before the Board, which shall not be an evidentiary hearing. Both the employee and the Board may be represented by counsel or other representative of their choosing; both parties may call witnesses. The decision of the Board shall be in writing and shall be served on the employee.
4. Any notices, copies of order or recommendations required by this Article to be served upon an employee shall be served in person; provided, however, in the event the employee is on any type of leave or is absent without leave when service is attempted, then such service shall be by certified mail sent to the employee's last address as shown on the Board's records. In that event, service is deemed complete seventy-two (72) hours after mailing.
5. The provisions of this Article do not apply to the removal of an employee during his/her probationary period.
6. In steps one (1) and two (2), only procedural compliance with the Article may be grieved. In steps three (3), four (4) and five (5), if the employee is not satisfied with the disposition of the Superintendent or his/her designee and/or the Board,

then the employee shall have the right to appeal the decision to arbitration under Level Five of the Grievance Procedure in Article IX.

- D. Twenty-four (24) months following the written reprimand, the employee may request that the Superintendent and he/she review the employee's job performance. If performance has shown correction of areas for which reprimand was given, the reprimand may be removed from the employee's personnel file.
- E. Employees have the right to rebut all disciplinary documents placed in the employee's personnel file.
- F. It is expressly understood that the Sheffield-Sheffield Lake Civil Service Commission shall have no authority or jurisdiction as it relates to the discipline of bargaining unit personnel.
- G. Bus drivers are subject to special reporting requirements for violations of the motor vehicle laws as outlined in O.R.C. §3327.10(D)(1). Whenever a bus driver is convicted of a traffic violation, he/she must report that conviction to the Superintendent or his/her designee. He/she may not drive any school bus or motor van for the District until he/she has filed such notice. Failure to report such violation will result in appropriate discipline.

ARTICLE IX. – GRIEVANCE PROCEDURE

A. Purpose

The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time equitable solutions to grievances, which may arise from time to time.

B. Definitions

1. A “grievance” is a claim by a member of the bargaining unit that there has been a violation, misapplication or misinterpretation of one or more of the provisions of this Agreement. In the event that such a violation, misapplication or misinterpretation of the Agreement affects a group of employees, the Association may file a grievance on behalf of the group, in which case the Association shall be the grievant.
2. An “aggrieved” is a member of the bargaining unit having a grievance.
3. A “day” in this section shall mean a calendar day. The number of days indicated at each level shall be considered a maximum and should be adhered to in expediting the procedure.
4. The term “employee,” when used in this document shall refer to an individual or group of individuals who are employees.

5. "Time limits." Grievances shall be processed rapidly. The number of days indicated at each step of the established procedure shall be maximums unless extended by mutual consent of parties at each step. If the grievant fails to meet time maximums at any step of the procedure, the grievance shall be considered waived. Failure of the Administration to adhere to the time limits automatically moves the grievance to the next step. When it is specified in the procedure that an action shall be accomplished within a specified number of days, the first day of the time period shall be the first day immediately following the day of the event, which caused the time period to begin.

C. Informal Procedure

1. An aggrieved party shall first discuss the grievance individually with the appropriate supervisor, within fifteen (15) workdays from the date he/she knew or should have known that the grievance exists, with the objective of solving the matter informally. The aggrieved shall have the right to be accompanied by an individual of his/her choice.
2. Should the matter not be resolved to the satisfaction of the aggrieved party, further informal effort should be made at a higher administrative level or the formal grievance procedure may be initiated.
3. So that there is no ambiguity, the aggrieved shall definitely state orally that he/she is embarking upon the informal grievance procedure while discussing the problem with the immediate supervisor. The immediate supervisor will note that this is an informal grievance meeting and, prior to the conclusion of this meeting, execute a written statement to the effect to be signed by both parties.

D. Formal Procedure

1. Level One (Immediate Supervisor(s))
 - a. Should the aggrieved party not be satisfied with the disposition of the grievance in the informal procedure, he or she shall, within five (5) workdays from the informal meeting, submit the grievance in writing using the prescribed form (Appendix B). The grievance shall be filed in writing with the immediate supervisor and signed by all grievant.
 - b. Within five (5) workdays following the receipt of the grievance, the appropriate supervisor shall call a formal hearing with the grievant. The aggrieved shall have the right to be accompanied by an Association representative of his/her choice.
 - c. If the aggrieved party and the supervisor agree upon a resolution of the grievance at this meeting, the appropriate supervisor's report is to be written and agreed to by both parties at that time. If no agreement can be reached, the supervisor shall respond within five (5) workdays with his/her decision.

- d. If the grievant, after examining the supervisor's decision, still wishes to pursue the grievance, he/she has five (5) workdays from the receipt of the supervisor's report to request a Level Two hearing with the Superintendent. Said request shall be in writing.

2. Level Two (Superintendent's Level)

- a. Within five (5) workdays of notification that a grievance still exists, the Superintendent, or his/her designee, shall conduct a hearing involving all parties in interest. The aggrieved shall have the right to be accompanied by Association Representatives of his or her choice. The aggrieved or his or her representative will be expected to present his or her case to the Superintendent or his/her designee. A decision in writing shall be rendered within five (5) workdays of the hearing by the Superintendent or his/her designee.
- b. If the aggrieved party and the Superintendent, or his/her designee, agree on the resolution of the grievance at this meeting, the Superintendent's, or his/her designee's, report shall be written and agreed to by both parties at this time.
- c. If the grievant, after examining the Superintendent's, or his/her designee's, decision still wishes to pursue the grievance, he/she has five (5) workdays from the receipt of the Superintendent's, or his/her designee's, report to request a Level Four hearing with the Board. Such request shall be made in writing to the Treasurer of the Board.
- d. If the Superintendent was the administrator rendering the disposition in Level One then this step will be waived.

3. Level Three (Mediation)

- a. Following the Superintendent's decision at Level Two, the Administration or Association may submit the matter to the Federal Mediation and Conciliation Services (FMCS) for mediation. Either the Administration or the Association must notify the other of the request within ten (10) days of the Superintendent's decision in Level Two. If the Administration is making the request, it shall be submitted to the Association President and if the Association is making the request, it shall be submitted to the Superintendent. It shall be the responsibility of the requesting party to contact and schedule the mediation with FMCS.
- b. If the Association chooses to skip this Level of the Grievance procedure, they must notify the Superintendent within ten (10) days of their choice to advance directly to Level Four.
- c. If the mediation is not successful or is not initiated by the Association, the grievance shall advance to Level Four.

4. Level Four (Board Hearing)

- a. Within five (5) workdays of the receipt of a request of a Level Four hearing by the grievant, the Superintendent shall set a date for the hearing. Said date shall be the next regular Board meeting [unless the next scheduled Board meeting is canceled and then not to exceed thirty (30) calendar days].
- b. The aggrieved shall have the right to be accompanied by Association representatives of his or her choice. The aggrieved or his or her representative shall be expected to present his or her case to the Board.
- c. The Board's decision shall be rendered in writing within ten (10) workdays of the hearing. Copies of the Board's decision shall be sent to the aggrieved party, the administrative person against whom the grievance was filed and/or the Superintendent and the President of the Association.
- d. This level may be by-passed by the written request of either side at which point Level Five will take effect.

5. Level Five (Arbitration)

- a. If the aggrieved person and the Association are not satisfied with the disposition in the previous level, he/she may demand that the issue be submitted to arbitration within thirty (30) workdays after the Board level decision. Such request shall be made in writing to the Treasurer of the Board.
- b. The arbitration shall be conducted in compliance with the American Arbitration Association's voluntary rules and regulations.
- c. The arbitrator shall be appointed from lists furnished by the American Arbitration Association pursuant to the voluntary Labor Arbitration Rules. Both sides may request additional lists. The arbitrator will be without power to make any decision, which is violative of the terms of this contract or of an act prohibited by law which is violative of this Agreement. The arbitrator shall have no power to alter, add to or detract from the provisions of the Negotiated Agreement.
- d. The arbitrator will render the written decision and award no later than thirty (30) days following the closing of the record on the case. His/her decision shall be final and binding on the Association, its members, the employee or employees involved, the Board, the Superintendent and all other agents of the Board. Cost of the arbitrator's services shall be borne equally by the Board and the Association. Employees involved in grievance meetings during their working hours shall suffer no loss or reduction in pay.

- e. The Association shall have the exclusive right to determine whether to proceed to the arbitration step of the procedure.

E. Rights of Parties

1. Both parties agree that grievance proceedings should be handled in a confidential manner.
2. No employee may be represented by any organization other than the Association in any grievance procedure initiated pursuant to this procedure.
3. No employee shall be denied the right to legal advice and/or counsel in any of the levels listed above.
4. A grievance may be withdrawn at any level without prejudice.
5. Copies of all written decisions of grievances shall be sent to all parties involved, the Association President, the aggrieved and the appropriate Administrator.
6. No records, documents or communications concerning a grievance shall be placed in the personnel file of any employee unless the grievance involved a reprimand or other disciplinary procedure, and then such document may be placed in the file consistent with the resolution of the grievance.
7. Forms for processing grievances shall be made available through all administrative offices in each building, the central administration office, and designated officials of the Association, including Building Representatives and members of the Association Grievance Committee.
8. Records of the grievance proceedings shall be confidential information. Official records should be kept in a confidential separate file, called grievance file, by the Treasurer of the Board. Access shall be made only by mutual consent of the Superintendent and the President of the Association or a court order. All records of proceedings shall be destroyed after three (3) years of the date formal proceedings were inaugurated.
9. Time limitations under this Article shall be suspended when the Superintendent, or individual grievant, is not present in the District. Prior notification to the other party of the dates of absence from the District is requested.
10. Meetings and hearings held under this procedure shall be conducted at a time and place which will afford a reasonable opportunity for all persons entitled to be present to attend.
11. No reprisals or recriminations shall be taken against any employee who files or takes part in a grievance.

ARTICLE X. – EMPLOYEE EVALUATIONS

A. Purpose

The purpose of the Program for Appraisal of Non-Teaching Staff is two-fold:

1. To provide a systematic process whereby such staff member may improve the effectiveness of his/her areas of competency and service.

3. To constitute a basis for personnel decisions including promotions, reassignments, or termination.

B. Procedures

1. Such briefing, to be done no later than the end of October, shall include the sharing of the employee's job description and evaluation form.
2. At least one (1) evaluation of each staff member will be conducted each year, between October 1 and March 31. All evaluation procedures prior to the completion of the written evaluation shall remain confidential between the evaluator and the employee.
3. Additional evaluations of staff members may be held at the request of the principal, supervisor, Superintendent or staff members. A post-conference will be held, within a reasonable time, following each formal evaluation at which point a written appraisal will be provided. Where deficiencies are noted, recommendations for improvement should be provided.
4. The staff member may respond to the written appraisal in writing. At the staff member's request, this response shall then be attached to the written appraisal and be placed in the staff member's personnel file. The staff member has twenty (20) work days in which to respond to the received written appraisal.
5. This Article has no application to new employees on probationary status.
6. Only procedural compliance with the evaluation procedure may be grieved. The substance or the conclusions of the evaluation process cannot be grieved.

7. Within one hundred twenty (120) calendar days from the implementation date of this Negotiated Agreement evaluation forms shall be jointly developed by the Association and the Administration. If after the one hundred twenty (120) calendar days there is no agreement to change the current evaluation forms then said forms shall remain in effect.

C. Job Description and Classification

1. If the Board decides it is necessary to administer a test for the purpose of establishing qualifications in filling a vacancy in any classification, a joint labor/management committee reviewing job descriptions shall develop a test and how it is administered. Such a test shall be administered to applicants for a vacancy in a classification who are currently employed in other classifications or are not employed in the bargaining unit.
2. The job description will include at a minimum:
 - a. Job title and description;
 - b. Minimum requirements;

- c. A specific statement of tasks and responsibilities.
- 3. Evaluations of bargaining unit members' work performance shall be based upon said job description.
- 4. Job descriptions will be reviewed jointly by the Association and the Board at least every three (3) years. Any changes in job descriptions or creation of new job descriptions will be bargained with the Association.

D. Classification Pay

- 1. Administrators shall use current employees when calling substitutes for positions of Head Cook and Secretary. When calling substitutes for all other classified positions, administrators will offer substituting assignments to current employees if a substitute from outside of the bargaining unit cannot be obtained. Current employees may assume the duties of other bargaining unit positions, as long as a substitute can be found for their current contracted position(s) or at the discretion of the Business Manager. Such substitution will be voluntary.
 - a. Any employee assuming the duties of another employee within his/her current job position shall receive his/her regular rate of pay for all days/hours spent working in that position.
 - b. When an employee assumes the duties of a higher paid position, the employee will be paid at the higher rate of pay if the duties assumed are for a period of five (5) consecutive business days or longer. The higher rate of pay is retroactive to the first day worked in that position after the employee works four (4) consecutive days. Retroactivity begins on the start of the fifth (5th) consecutive work day. This will be in the form of an adjustment to their pay after a properly completed Assumed Duty Form is received. If the duties assumed are for a period less than five (5) days, the rate of pay will be the employee's current rate of pay, of their current position, or of the higher paid current position in the case where multiple positions are held.
 - c. Bargaining unit members will complete an "Interest to Substitute" form by September 1 of each school year, indicating their interest in substituting. Only members who have declared interest will be offered substitute assignments.
 - d. Substitute assignments will be offered to bargaining unit members on a rotating basis, within the building of the vacant assignment, based on seniority:
 - i. First, from within the same position, classification and building of the vacant assignment.
 - ii. Second, from within the classification and building of the vacant assignment.

- iii. Third, from within the building of the vacant assignment.
 - iv. Fourth, from within the District.
 - e. Administration reserves the right to not fill a vacant assignment or use a current employee due to performance related issues. This right cannot be grieved.
2. When a current employee is employed in a higher paid job classification position, (i.e., school support personnel to secretary or cleaner to custodian), he/she shall be placed and compensated at the first salary step of the higher paid position which reflects a raise.
3. Any substitutes employed by the Board of Education will be given the information and training necessary to adequately perform their assignment prior to being called to substitute in an area. In the event a substitute is called in to work and has to be trained in order to perform his/her assignment, any bargaining unit member who acts to provide the substitute on the job training shall be compensated at his/her regular hourly wage for all time worked in excess of the bargaining unit member's regularly scheduled workday.
4. Employees will be provided with Cardinal shirts/uniforms to wear while performing their duties. Replacement uniforms will be provided on an as-needed basis.
5. All employees in the School or Educational Support Classification shall be scheduled additional hours of In-service Training during the school year equal to one (1) workday.

E. Overtime Pay

1. All overtime hours shall first be offered to employees in the building where the overtime or extra time is required except in cases of emergency where contacting building employees is not in the best interest of the safety of the building. The selection or opportunity for overtime will be offered on a rotating basis, based on the employee's seniority, unless specific skills or legal requirements are required for the assignment (license, etc.).
2. Employees required to come in on off-duty hours shall be compensated.
3. Overtime will be compensated at one and one-half (1 1/2) times the employee's hourly rate for all hours worked over eight (8) hours per day and forty (40) hours per week. Double time will be paid for all hours worked over forty-eight (48) hours per week and/or holidays. Sick leave and holidays shall be computed within the forty (40) hour workweek. Snow removal will be compensated at double time on Sundays and holidays.

4. When called out to the building by the supervisor, police or fire department in emergency situations, employees shall be guaranteed a minimum of two (2) hours pay.
5. Employees may accept supervisory or custodial work for outside organizations beyond the workday. All arrangements will be made between the Board and the sponsoring organizations directly. The Board will accept the responsibility for these arrangements. If the outside organization intends to hire supervisory or custodial workers for their functions, the work will be offered first to non-certified school employees.
6. A shift differential will be granted employees working between 2 p.m. and 11 p.m. at fifteen cents (15¢) per hour. Shifts starting at 11 p.m. shall be paid a shift differential of thirty cents (30¢) per hour. Employees will not receive shift differential pay for starting work prior to their normal shift.

F. Calamity Days

1. No employee shall be expected to work days declared calamity days due to a weather crisis unless called by their immediate supervisor and told to report to work.
2. The workday for all employees called in, shall be determined by the conditions of the day and at the discretion of their immediate supervisor.
3. Any employee required to work in a building closed because of a State approved calamity day shall be compensated at one and one-half (1 1/2) times the regular hourly rate for those hours actually worked. An employee required to work less than eight (8) hours will receive a minimum of three (3) hours at one and one-half (1 1/2) times their regular hourly rate with the balance of the eight (8) hours to be paid at the employee's regular hourly rate.
4. When any school building(s) are closed for non-weather issues, all employees are to report for duty unless notified to not report to work. The Superintendent or designee may send home all employees or reassign an employee to other facilities. Work hours and duties will remain the same unless mutually agreed otherwise. Employees have the option of using vacation or personal leave if available.
5. Overtime hours on a calamity day shall be compensated at double time according to the effective salary schedule. Employees have the option of paid compensation or equivalent compensatory hours. Such compensatory time may only be taken while school is not in session. Example: one (1) hour of work for two (2) hours off compensatory time.

6. Any employee who is scheduled to report to work and who does report to work on a day which is subsequently charged as a Calamity day, shall receive a minimum of two (2) hours pay at one and one-half (1 1/2) times their regular hourly rate. Supervisors shall make every effort to notify employees of a calamity cancellation at least thirty (30) minutes prior to their scheduled reporting time.
7. Employees shall not be required to make up the first eight (8) calamity days or hourly equivalent. Any calamity days above eight (8) shall be made up at the discretion of the Superintendent. Employees will not receive any additional compensation for make-up days. The Board may add school days and corresponding employee workdays, or hours if necessary, to meet Ohio minimum requirements for a school year. If an employee is paid for a calamity day that the employee did not work, and the employee later is paid to work on the make-up day for that calamity day, the calamity day pay for each day made up will be deducted from their pay. The parties agree that this provision supersedes O.R.C. §3319.081(G) for any calamity days for which an employee is paid but did not work, and which are later made up.

G. Compensatory Time

1. Any employee who is requested and works calamity days and/or overtime may elect to receive compensatory time or compensation for such time worked. Compensatory time earned in a contract year must be used by the first student day of the next succeeding contract year and may not be carried over.
2. Any employee electing to receive compensatory time shall file a form with his/her immediate supervisor stating the date and time worked and the reason for working. The supervisor shall sign the form and provide a copy to the employee and central office.
3. Written notification of the employee's intent to use compensatory time shall be submitted through their supervisor to the Superintendent at least three (3) days prior to the beginning of the leave.
4. When an emergency arises, the three (3) day time limit shall be waived.
5. If the Superintendent refuses the employee's request, the reason for the refusal shall be given. A compensatory time usage request cannot be refused more than once during the school year.
6. If an employee is unable to use any accumulated compensatory time by the end of the fiscal year, they will be compensated for any accumulated compensatory time.

H. Mileage Allowance

The Board shall reimburse employees for the use of one's personal car in conducting approved school business at the IRS rate for all mileage verified by periodic reports and approved by the designated administrative office. Monthly reports must be submitted.

I. Fair Share Fee

The Board shall deduct from the pay of members of the bargaining unit, who elect not to become or to remain members of the Sheffield-Sheffield Lake Classified Employees Association, a fair share fee for the Association's representation of such non-members during the term of this contract. No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association's work in the realm of collective bargaining.
2. The Treasurer of the Board shall, upon notification from the Association that a member has terminated membership, commence the check-off of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted shall be the annual membership dues less the amount previously paid through payroll deduction.
3. Payroll deduction of such fair share fees shall commence with the first payroll on or after January 15th of each school year.
4. Dues rates and fair share fee rates shall be transmitted by the Association to the Treasurer of the Board for the purpose of determining amounts to be payroll deducted, and the Board agrees to promptly transmit all amounts deducted to the Association.
5. The Board further agrees to accompany each such transmittal with a list of names of bargaining unit members for whom all such deductions were made, the period covered and the amounts deducted for each.
6. The Association represents to the Board that an internal rebate procedure has been established in accordance with O.R.C. §4117.09(C) and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join the Association and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.
7. Upon timely demand, non-members may apply to the Association for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by the Association.
8. The amount to be deducted from the pay of all non-Association members shall be the total dues as paid by members of the Association, and such deductions shall continue through the remaining number of payroll periods over which Association membership dues are deducted.
9. The Association agrees to indemnify the Board for any cost or liability incurred as a result of the implementation and enforcement of this provision, provided that:

- a. The Board shall give a ten (10) day written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed;
 - b. The Association shall reserve the right to designate counsel to represent and defend the employer;
 - c. The Board shall 1) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding, 2) permit the Association or its affiliates to intervene as a party if it so desires, and/or 3) not oppose the Association or its affiliates' application to file brief amicus curiae in the action;
 - d. The action brought against the Board must be a direct consequence of the Board's good faith compliance with the fair share fee provision of the collective bargaining agreement herein; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies such fair share fee provision herein.
10. The above fair share fee provision shall be an exclusive right of the Association not granted to any other employee organization seeking to represent employees in the bargaining unit represented by the Association.

 6. A supervisor or school official who makes a finding of reasonable suspicion also must make a written record of his/her observations leading to a reasonable suspicion drug or alcohol test within twenty-four (24) hours of the observed behavior or before the results of the drug or alcohol test are released, whichever is earlier.

- A. The Board shall provide for the defense of a member of the bargaining unit in any civil action or proceedings in any state or federal court arising out of any alleged act or omission in connection with a governmental or proprietary function which occurs or is alleged to have occurred while the employee was acting in good faith and not manifestly outside the scope of his employment or duty. The duty to provide for an employee's defense required by this section shall not arise when the civil action or proceeding is brought by or on behalf of the Board.
- B. The Board shall indemnify and hold harmless all members of the bargaining unit in the amount of any judgment, other than punitive damages, obtained against any such employees in any state court, federal court, or as a result of a law of a foreign jurisdiction, provided that the act or omission connected with either a governmental or proprietary function from which such judgment arose occurred while the employee was acting in good faith within the scope of his employment or duty. This duty to indemnify and hold harmless or pay prescribed by this subdivision shall not arise if the injury or damage resulted from the employee acting or failing to act with malice of purpose, in bad faith, or in a wanton and reckless manner, and/or if a statute specifically imposes liability.
- C. The Board further agrees not to enter into any consent judgment or settlement of claim unless the member of the bargaining unit has given express written consent to the same. Nothing herein shall be construed as limiting the Board's authority as a party defendant to settle, compromise and dismiss claims filed against the Board.
- D. The Board further agrees that should there be any claim or liability or damages against any member of the bargaining unit pursuant to O.R.C. §2744 that said employee shall have the right to employ co-counsel, at the employee's cost, in any and all actions to defend his or her interests.
- E. The Board further agrees that any member of the bargaining unit shall have the right to be represented by an attorney of his or her choice and expense at any meeting between the Board, the insurance company representatives, the attorney representing the insurance company and/or the Board, any deposition relevant to the claim of liability or damages, any meeting between the Board and the person claiming any alleged act or omission in connection with any liability suit.
- F. The Board further agrees that none of the materials, excluding incident reports developed by the Administration, relevant to any claim or damages, or allegation or admission of wrongdoing will be placed in the employee's personnel file, and further that no records of relevancy to any employee's alleged culpability in any liability claim may be made part of any employee personnel records or utilized in any way that will adversely impact on the employee's wages, hours or terms and conditions of employment at the time the complaint is filed or at some future date after the complaint has been filed.

- G. The Board further agrees that there will be no media release regarding any liability suit which involves the alleged act or omission of a member of the bargaining unit and that any publicity or media release will require the express written concurrence of the member of the bargaining unit involved.
- H. The Board further agrees to provide any member of the bargaining unit with sufficient time to secure professional advice before he or she is required to file a written accident report or to give an oral account to the employer or anyone else of the incident that could result in a claim or liability.
- I. The Board further agrees that the employee shall have the right to representation of his/her choice at any meeting involving any such complaint or incident that could result in a claim or liability.
- J. The Board should provide adequate release time for any employee who is required to attend any deposition, any pretrial hearing and any or all state and federal court hearing involving any and/or all claims of liability. The Board agrees that such release time will not result in the employee's loss of wages or deduction from any Board approved leaves.
- K. The Association will encourage all members of the bargaining unit to cooperate with the Board in any defense to all claims of liability.
- L. The Association agrees to allow the Board to purchase liability coverage. The Association and the Board further agree that if it becomes necessary for the Board to change carriers, the Board shall notify the Association and provide a copy of any and all new policies to the Association.

- A. A vacancy shall be defined as a new bargaining unit position created by the Board or one which will be open for thirty (30) workdays or longer as a result of transfer to another position, resignation, termination, death, retirement, and shall be filled by either a current bargaining unit member, or a newly hired person.

- C. Vacancies shall be posted and open to every person in the bargaining unit for five (5) workdays after the date of posting [ten (10) workdays during the summer, June 15 through August 15].
- D. Employees shall submit their bids (on the form provided) to the central office.
- E. Copies of all bid forms shall be available at all school buildings and facilities.

1. The opening and closing date for the posting;
 2. Job description for the position (if available);
 3. A general description of qualifications needed;
 4. Hourly rate of pay, hours, workdays and current location.
- G. If filling positions through the bid procedure, the vacancy shall be filled by the employee recommended to the Board by the Superintendent as most qualified, taking into account seniority, the requirements of the job description, pertinent State requirements (e.g., Boiler Operator's license and bus driver's license), the work record as contained in the personnel file, and any other job related qualifications specified in the job description. If all qualifications are equal, seniority will be the determining factor.
1. If the Superintendent determines that no one who has bid for the position is qualified, the Board may then employ an individual from outside the bargaining unit, provided that the Superintendent shall have first conferred with the Association President on the reasons for the decision not to recommend a bargaining unit member to the position. Upon request of the Association President, a written statement of these reasons shall be provided promptly after the conference.

The waiver may be entered into immediately or at any time during the forty-five (45) workday period. A classification-to-classification transfer does not allow return to the original position.
- J. An employee who changes jobs to a higher paid job classification position shall work a probationary period of sixty (60) workdays. During this period the employee's supervisor will give the employee a bi-weekly progress report. Any problems perceived by the Supervisor will be written on the report along with recommendations on how to correct them. A mentor may be assigned to the probationary employee upon recommendation of the supervisor or at the request of the employee.
1. Any time after thirty (30) workdays in a higher paid job classification, an employee is having problems on the new position, a meeting with the employee, Association representative, supervisor and Superintendent/Designee will be set up to determine what the problems are and what the employee has to do to eliminate the problems.

2. If problem and/or problems are still occurring fifteen (15) additional workdays after the meeting, the employee will be returned to his/her original position.
 3. This procedure shall be followed anytime an employee is having problems in the new position during the sixty (60) workday probationary period.
- K. When an employee is hired to an additional position in the same classification, or to an additional position in a different classification, the employee will serve a sixty (60) workday probationary period in the additional position. The supervisor will notify the employee in writing if there are any performance expectations/deficiencies that occur within the first thirty (30) days in the additional position and again after fifteen (15) additional days if any performance/deficiencies still exist. The Board reserves the right to terminate the employee's employment in the additional position, during the last thirty (30) days or at the conclusion of the probationary period, if the Board determines the employee's performance is unsatisfactory.
