ARTICLE I
RECOGNITION

A. PREAMBLE

The Board of Education of the Pandora-Gilboa School District together with the Pandora-Gilboa Education Association recognize that the development and operation of educational programs of the highest quality for the benefit of students and their communities is a responsibility which requires for its effective discharge cooperation between the Board, the Superintendent and administrative staff, and the teaching staff speaking through their designated representatives. Since these groups have the same ultimate aim of providing the best educational opportunity for all pupils, relationships must be established and maintained which are based upon this common interest and the concept of education as a public trust and as a professional calling.

The Board of Education, the Superintendent and the administrative staff, and the teaching and other professional staff can best attain their common objectives and discharge their respective responsibilities if each utilizes the ability, experience and judgment of the other in resolving matters of concern which affect the quality of the educational program. Recognizing this we do hereby declare that:

B. RECOGNITION

1. RECOGNITION OF ASSOCIATION

The Pandora-Gilboa Local Board of Education, hereinafter referred to as the Board, recognizes the Pandora Gilboa Local Education Association OEA/NEA, hereinafter referred to as the Association, as the sole and exclusive representative for the purposes and exercise of such rights as set forth in this Agreement and/or as defined and set forth in ORC 4117 for all full-time and regular part-time professional, non-supervisory, personnel (as certified by the State Employment relations Board) whether on leave, or on per diem basis, or employed or to be employed by the Board performing work as, including but not limited to, classroom teachers (K-12, special and vocational), guidance counselors, librarians/media, athletic directors, tutors employed under written contracts and substitute teachers who have been continuously employed for a period of thirty (30) or more days. When a substitute teacher has been assigned to one specific position for a period of more than three (3) weeks, sick leave, visiting days, and any other local privileges granted to regular teachers shall be provided in accordance with ORC 3319.10. The grievance procedures and dues deduction provisions of this Agreement shall be fully applicable to substitute teachers who have completed between thirty (30) and sixty (60) days of employment and unless specifically provided herein, no other provision of this Agreement shall be applicable to such persons. The Superintendent of schools, assistant Superintendent, if any, principals, assistant principals, administrative, and supervisory personnel as defined in Chapter 4117 Ohio Revised Code and casual/seasonal, and all other employees not included above are excluded from the bargaining unit. Exclusive recognition means that the School Board will not meet or work with any other organization, or any individual, in a manner or for a purpose inconsistent with the terms of this Agreement.

2. RECOGNITION OF BOARD

Except as may be limited by ORC 4117 or the terms of this agreement, the Association recognizes the Pandora-Gilboa Local Board of Education hereinafter referred to as the Board or Employer as the locally elected body charged with the establishment of the policies for public education in the Pandora-Gilboa Local School District and as the employer of all certificated personnel of the school system.

3. RECOGNITION OF SUPERINTENDENT

Except as may be limited by ORC 4117 or the terms of this agreement, the Association and Board recognize the Superintendent of Pandora-Gilboa Local Schools as the chief executive officer and primary professional advisor of the Board.

C. MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

Both parties recognize that certificated/licensed personnel have the right to freely organize, to join, and support any organization for their professional and/or economic improvement. Such organization may set criteria for membership but may not exclude teachers as members on the basis of sex, marital status, race, creed, or national origin.

D. TERM OF RECOGNITION

Any renewal of such recognition or the recognition of any other bargaining agent shall be as prescribed by Chapter 4117 of the Revised Code.

E. OTHER PROVISIONS

Association representation will be extended to include any newly created position unless such employment position is among those excluded and noted above.

Wherever the term(s) "professional staff member", "staff member", "staff", "employee", or "teacher" appear in this Agreement, they shall be taken to mean a member(s) of the bargaining unit covered by this Agreement.

The Association President or his/her designee will provide a list of the names and addresses of the elected officers of the Association to the Superintendent.

The Association shall certify its membership by delivery of a membership list to the Treasurer on or about November 1.

ARTICLE II

Such authorization shall continue in effect until such time that said staff gives written notice to the Treasurer of the Board to discontinue such deductions or employment with the Board

terminates.

Such deduction(s) shall be made in equal amounts for all individuals so authorizing, beginning no later than the first paycheck in October and for each paycheck thereafter for the next seven (7) months. All money so deducted shall be remitted monthly to the Treasurer of the Association monthly, accompanied by a list of staff from whom the deductions are made and the amount for each said staff member.

K. FAIR SHARE FEE

Fair share fee shall be an exclusive right conferred upon the Association as the exclusive representative agent.

Unless otherwise specified herein, the Board agrees to automatic payroll deduction, as a condition of employment, of an amount equal to the total annual dues and assessments of the Association from the pay of all bargaining unit members who elect not to become members of the Association or from those who elect not to remain members of the Association.

Payroll deduction of such annual fair share fees for all bargaining unit non-Association members shall commence with the first payday that occurs on or after January 15 annually and continue through all remaining pay periods over which Association membership dues and assessments are deducted.

In the case of bargaining unit employees either newly hired after the beginning of the school year, or newly entering the bargaining unit, the payroll deduction shall commence on the first pay date on or after the later of:

- (i) Sixty days of employment in a bargaining unit position (which shall be the required probationary period) or
- (ii) January 15th.

Substitutes employed for Sixty (60) or more but less than ninety (90) consecutive days and who do not choose to become members of the Association will be subject to fair share fees payroll deductions at the rate of one half (1/2) of the amount withheld from each full-time employment fee payer. After ninety (90) consecutive days of employment, such non-Association member substitutes will be subject to the full fair share fee payroll deductions beginning with the first paycheck following the ninetieth (90) consecutive day of employment.

Non-Association member substitutes employed at the beginning of the school year under either verbal or written contract for a period of ninety (90) or more consecutive days at full salary will be subject to the full fair share fee payroll deductions beginning simultaneously with those of all other full-time fair share fee payers. Substitutes employed at any other time of the year at full salary rates will be subject to the full fair share fee payroll deductions retroactive to the first day of employment and beginning sixty (60) days following such employment if employed after January 15 of the school year.

Upon notification from the Association that a bargaining unit member has terminated Association membership, the Treasurer of the Board shall commence the check-off of the annual fair share fee with respect to such former member. The amount of the fee to be deducted by such check-off shall be the total of the annual dues and assessments of the Association less the amount previously paid through employee authorized payroll deduction. The deduction of the amount to be deducted shall commence on the first pay day occurring on or after sixty (60) days from the termination of membership.

Association dues and assessment rates and annual fair share fee rates shall be transmitted by the Association to the Board Treasurer for the purpose of determining amounts to be payroll-deducted. The Board will promptly transmit all amounts so deducted to the Association.

The Board will accompany each such transmittal with a list of the names of bargaining unit members for whom all such deductions were made, the period covered, and the amounts deducted for each.

The Association warrants to the Board that an internal rebate procedure has been established in accordance with Section 4117.09(C) of the Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join the Association and that such procedure and notice shall

be in compliance with all applicable state and federal laws and the constitutions of the United States and the State of Ohio.

No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association's work in the realm of collective bargaining.

Upon timely demand, non-members may apply to the Association for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by the Association.

The Association on behalf of itself and the OEA and NEA agrees to indemnify the Board for any cost or liability incurred as a result of the implementation and enforcement of this provision provided that:

- A. The Board shall give a ten (10) day written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed;
- B. The Association shall reserve the right to designate counsel to represent and defend the employer;
- C. The Board agrees to (1) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding, (2) permit the Association or its affiliates to intervene as a party if it so desires, and/or (3) to not oppose the Association or its affiliates' application to file briefs amicus curiae in the action;
- D. The Board acted in good faith compliance with the fair share fee provision of this Agreement; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies such fair share fee provision herein.

ARTICLE III

NEGOTIATION PROCEDURES

A. COMMITMENT TO BARGAIN/SCOPE OF NEGOTIATIONS

The Board of Education shall enter into negotiations with the Association for the purpose of achieving a signed agreement covering wages, hours, or terms and other conditions of employment, the continuation, modification, or deletion of any existing provision of this Agreement.

Both parties agree to conduct negotiations in "Good Faith." "Good Faith" requires that the Association and the Board provide reasons for their proposals and counterproposals and be willing to react to each other's proposals with the intent of reaching agreement. If a proposal is unacceptable to one of the parties, that party is obligated to give its reasons and offer counterproposals. "Good Faith" requires that both parties recognize negotiations as a shared process. The obligation of the Board or its representatives and the representatives of the Association to meet for purposes of negotiations does not compel either party to agree to a proposal or require the making of a concession.

B. ACCESS TO INFORMATION

Upon request by the Association and in compliance with the Ohio Revised Code, Section 149.43, the Board shall supply, within ten (10) days, all public information, financial or otherwise relative to the operation of the school district.

Upon request of the Association, the Board and Superintendent agree to furnish, in a reasonable period of time, such other information as will assist the Association in developing intelligent, accurate, and constructive proposals on behalf of staff members, the students and the educational program.

The Association agrees to furnish all available information for its proposals to the Board's negotiating team to support the development of the aforementioned programs for the school district.

The charge to the Association shall not exceed the actual copying machine cost per page for material that has not been routinely prepared for regular Board meetings.

C. NEGOTIATING PERIOD

The length of the negotiating period shall be a maximum of sixty (60) work days commencing with the initial agenda-setting session, unless an extension is mutually agreed to. "Work days" as used in this procedure shall be any day Monday through Friday exclusive of calamity days, negotiated, school observed, or federally recognized holidays. Such negotiating period may be extended for an additional 15 days by mutual agreement.

D. DIRECTING REQUESTS

Requests in writing for negotiations from the Association will be made directly to the Superintendent and the Board of Education. Requests from the Board will be made in writing to the President of the Association.

The written request for negotiations shall include:

1. Date of writing.
2. Statement of purpose of meeting.
3. Name, address, and phone number of the person to contact representing the requesting party to arrange a mutually satisfactory time for the initial negotiations meeting.

Within five (5) calendar days of the request for negotiations, an agreement between the Board representative(s) and Association representatives will be reached as to the time and place of the first meeting which shall be held within fifteen calendar days after the request has been submitted, unless both parties agree to extend to a later date.

E. REPRESENTATION

Representatives for the Board or the designated full-time administrative representatives shall meet with designated representatives the Association to negotiate in good faith. Representation shall be limited to four (4) representatives each of the Board and the Association. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. While final agreement shall not be executed without ratification by the Association and the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

F. ASSISTANCE

The parties may call upon competent professional and lay representatives to consider matters under discussion and to make suggestions. Up to three consultants may be used by each of the parties in any of the executive negotiations sessions. The expense of such consultants shall be borne by the party requesting them.

Necessary clerical assistance shall be provided. Accurate minutes or summary notes, as agreed to, shall be maintained and approved at the next such meeting.

G. STUDY COMMITTEES

The parties may appoint joint ad hoc study committees to research, study and develop projects, reports and progress, and to make recommendations on matters under consideration. The committees shall report all findings to both parties. The costs for such committees shall be shared equally by both parties.

H. INITIAL NEGOTIATING SESSION/SUBSEQUENT NEGOTIATING SESSION

The first item of business at each and every negotiating session shall be the establishment of a mutually agreeable time, date and place of the next session between said teams.

The second item of business at the first negotiating session shall be the establishment of an agenda of items to be negotiated and the exchange of initial proposals.

Meetings shall be scheduled with the least interruption of school schedules; however, if necessary, Association members of the bargaining team will be released from school duties without loss of pay or benefits to attend Board/PGEA negotiations meetings, hearings, or other such meetings where their presence is required.

All negotiation meetings shall be conducted in executive sessions exclusively between said representatives unless the parties mutually agree to waive this provision.

I. CAUCUS

Upon request of either party, the negotiating session shall be recessed to permit the requesting party to caucus. Caucuses shall be of reasonable length.

J. PROTOCOL

No action to coerce or censor or penalize any negotiating participant shall be made or implied by any other member as a result of participation in the negotiations process.

K. PROGRESS REPORTS

Progress reports may be given to the Board by its representatives and to the Association by its representatives.

L. AGREEMENT

1. As tentative agreement is reached on each item during the negotiating period, the agreement shall be reduced to writing and initialed by each team.
2. If agreement is reached on matters being negotiated, the tentative agreements reached between the negotiating teams shall be reduced to writing and submitted to the Association for its consideration. If ratified, such written Agreement shall be submitted to the Board of Education for its consideration. The Board shall take action at the next regular or special meeting of the Board.

M. FINAL AGREEMENT

Upon ratification by both the Association and the Board of Education, four (4) copies of the total agreement shall be signed by the parties and shall become part of the official minutes of the Board. The resulting Agreement shall constitute a modification of the Articles of this document, be binding on both parties, and when necessary, the provisions shall be reflected in individual contractual terms. Both parties shall retain a signed copy of the final Agreement. One copy of any collective bargaining agreement entered into between the Board and the Association will be jointly filed with the State Employment Relations Board, hereinafter referred to as SERB, within thirty (30) days of the execution of such Agreement. One copy will be retained by the official SERB recognized principal representative of record of the Association.

N. IMPASSE PROCEDURES

The impasse resolution procedures herein shall supersede the dispute settlement procedures set forth under ORC 4117.14.

Responsibilities - The parties pledge themselves to negotiate in good faith, and in the event of failure to reach an agreement, to utilize in good faith such mediatory facilities as are herein provided.

Assistance of a Mediator - If agreement is not reached on matters being negotiated at the end of the 60-day negotiating period or not later than 40 days prior to the expiration of this Agreement or at any other period of time established by mutual agreement between the parties, either party may declare impasse and request that an impartial mediator be appointed. The mediator may be selected by agreement between the parties. If agreement on the mediator is not reached within five (5) days after the call of mediation, the Federal Mediation and Conciliation Service shall be

requested to appoint a mediator, and the selection shall be in accordance with the rules of the Federal Mediation and Conciliation Service.

In the event that the Federal Mediation and Conciliation Service makes a policy not to provide assistance to public school districts or is otherwise unable to provide services to the parties, either party or the parties jointly shall petition, in writing, the American Arbitration Association to provide a list of seven (7) names. If there are no names acceptable on this list to one of the two parties, that party may request a second list. The parties shall alternately strike a name until one remains, and that person shall serve as the mediator.

The mediator shall have the authority to schedule and conduct meetings for the purpose of hearing testimony and gathering facts relevant to the impasse.

Both parties hereby agree to give, upon request, such information as the mediator deems necessary.

Except by mutual consent, the selection and mediation process shall not extend for more than thirty calendar days from the date of declaration of impasse. The parties shall be permitted to postpone or extend the mediation process by not more than fifteen (15) days and shall not extend beyond the expiration of this Agreement except by written agreement of the parties prior to such expiration. All such extensions shall be for a specified period of time.

Should the recommendations of the mediator be rejected by either party, the parties agree to conduct, within a reasonable time thereafter, at least one additional negotiating session at a mutually satisfactory time and place.

The cost in securing and utilizing the services of a mediator shall be shared equally by the Board and the Association.

A tie in seniority shall occur when two (2) or more employees have the same amount of seniority credit as determined by the application of the seniority provisions above.

Ties in seniority shall be broken by the following method to determine the most senior employee:

The employee who has the greatest number of accumulated days of substitute or part-time service in the district not previously counted as continuous employment, and then;

The employee with the earliest date of hire as determined by the date of the Board meeting at which the staff member was hired, and then

if a tie still remains;

By lottery, with the most senior employee being the one whose name is drawn first, etc. This procedure shall be implemented in the presence of a designated Association representative.

SUPERSENIORITY

For layoff purposes only, employees employed under continuing contract shall have greater seniority than employees employed under limited contract.

LOSS OF SENIORITY

Seniority shall be lost when an employee retires or resigns, is discharged for cause, or otherwise leaves the employment of the Employer.

POSTING OF SENIORITY LIST

In addition to the posting provisions required under the reduction in force provisions, the seniority list shall be posted annually by October 29. The Employer shall prepare and post on the designated bulletin board in each building/work site a seniority list indicating, by area of certification/licensure, the first day worked, the date of Employer resolution to hire, and the contract status (limited or continuing) of each employee. Said list shall be provided to the Association president on or before the date of posting.

The names of employees on the seniority list shall appear in seniority rank order within areas of certification/licensure name of the most senior employee appearing at the top of the listing and the name of the least senior employee appearing at the bottom of the listing.

The names of employees who are certified/licensed in more than one (1) area shall be included on the listing for all areas of certification/licensure.

The names of part-time employees shall appear on the seniority list but shall be listed separately from the names of full-time employees.

CORRECTION OF INACCURACIES

Each employee shall have a period of thirty (30) days after posting of the seniority list in which to advise the Employer or its agents in writing of any inaccuracies which affect his/her seniority. The Employer or its agents shall investigate all reported inaccuracies and make such adjustments as may be in order and post the updated list immediately. No protest shall be considered after thirty (30) days of the posting of the seniority list, and the list shall be considered as final until the next posting.

B. EVALUATION

The PGEA and the Board will follow procedures for evaluation in conformance with the framework for evaluation of teachers developed and maintained by the State Board of Education in compliance with the Ohio Revised Code 3319.111.

C. FAIR TREATMENT AND DISMISSAL

No teacher shall be disciplined, reprimanded, reduced in rank, suspended, demoted, transferred, non-renewed, terminated, adversely evaluated or otherwise deprived of any professional advantage without just cause. Any such action shall be subject to the grievance procedure set forth in this agreement.

Formal reprimand or discipline of a teacher by an administrator for alleged violation of reasonable Board regulations or rules and for reasons related to the teacher's professional performance or for other good and just cause, shall upon request of the teacher be made in the presence of an Association representative and the administrator making the charge or imposing the disciplinary action. Said teacher shall have the right to present evidence and/or witnesses and to otherwise respond to the allegations brought against him/her. Furthermore, prior to said action, the teacher shall be informed of his/her right to representation of his/her choice and shall receive full specification in writing of the grounds for reprimand.

Termination of Contract

The termination of a teacher contract during the term of such contract, shall be only for those grounds as set forth in Section 3319.16, Ohio Revised Code. The procedures for termination of a contract shall be as prescribed by Section 3319.16.

In the event of the passage of legislation such as that found in H.B. 117 relative to contract termination the following provisions shall take effect:

Termination from employment shall be conducted in accordance with Revised Code Section 3319.16 and 3319.161, except that the appropriate grounds for termination shall be the following: gross inefficiency or immorality; willful and persistent violations of reasonable regulations of the board of education; or for other good and just cause. Further, these grounds will be given the same meaning as have been given by the courts of the state of Ohio. If there exists any ambiguity as to their application, the grounds will be interpreted using the same standard of interpretation as is applied to Chapter 3319 of the Revised Code as of June 30, 1995.

Suspension Pending Termination

A teacher suspended without pay pursuant to Section 3319.16, Ohio Revised Code, shall be paid his full salary for the period of suspension if, after the hearing, the decision of the Board of Education is against termination.

Non-renewal-of contract

The provisions herein shall supersede the requirements for non-renewal of staff under ORC 3319.11.

Should any teacher be considered for non-renewal, notice shall be given in writing by the Superintendent to said teacher at least thirty (30) days before any recommendation is brought before the Board of Education. Such notice shall include full specification of the grounds for non-renewal, as well as notice of the right to a conference with the Superintendent and the right to representation of one's own choice at such conference

For the purpose of this subsection posting such written notice in the U.S. mail by registered or certified mail to such bargaining unit member's last known mailing address shall constitute "notice" to the member.

Any teacher having received notice above may within ten (10) days of receipt of said notice request and be granted a conference with the Superintendent and the evaluating principal to discuss the consideration of nonrenewal. The requested meeting will be held within five (5) days and at least one full week prior to any Board consideration of non-renewal of said teacher's contract. The teacher may be represented by any person of his/her choice. He/she will be given the opportunity to show cause as to why such contract should be renewed, question witnesses and evidence in his/her own behalf.

D. REDUCTION IN FORCE

Definition of Reduction in Force

A reduction in force (RIF) shall have occurred when the Employer reduces, eliminates or fails to fill a bargaining unit position. The District may reduce staff when there is a lack of sufficient operating funds, decreased student enrollment, dropping of courses due to lack of enrollment, return to duty of regular teachers after leaves of absence, suspension of schools or territorial changes affecting the District.

"Days" as used in this procedure shall mean any day Monday through Friday exclusive of calamity days and school observed holidays.

Attrition

To the extent possible, the number of persons affected by a reduction in force will be kept to a minimum by not employing replacements for employees who retire or resign, go on leave of absence, or whose limited contracts are not renewed for reasons other than reduction in force.

Suspension – Renewal Suspension

To the extent that reductions are not achieved through attrition reductions will be achieved through layoff. Layoff shall mean that a teacher's contract will be suspended. Layoffs shall be on the basis of the teacher's evaluations in the areas of certification/licensure to be reduced. Seniority will only be utilized in the case of comparable evaluations. However, no teacher on continuing contract (tenure) status shall be laid off unless all teachers on limited contract in the affected area of certification/licensure have been laid off.

Any teacher who has been laid off shall have his/her name placed on a recall list.

Each professional staff member notified that they are affected by a reduction in force, shall, upon request, be entitled to a conference with the Superintendent as to the reasons for the reduction. Such conference will be scheduled within five (5) days of receipt of the Superintendent's intent to recommend such a reduction to the board. Each staff member may be accompanied or represented by a person of his/her own choosing.

Recall

Teachers on the Reduction in Force list can place their names on the substitute list and will be called first. Refusal of a substitute position will not jeopardize a teacher's recall status.

During the course of a school year, a recalled teacher can delay reinstatement until the following fall. The teacher must submit a letter of resignation to the current employer and the Board will act to reinstate the contract effective August of the subsequent year.

In the event a vacancy becomes available, the Superintendent shall recall the teacher to active employment status by giving written notice to the teacher.

Said written notice shall be sent to the teacher by registered or certified letter addressed to the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. Failure to respond to this notice within five days of receipt of the written notice will be interpreted as rejecting the position described in the notice.

A teacher on the Reduction in Force list shall have the right to accept or refuse a position, which is offered. If the teacher refuses a position then the offer of the position shall go to the next certified teacher on the recall list. A teacher who refuses a position will be taken off the list at once, relinquishing any and all rights of recall.

A teacher's name shall remain on the Reduction in Force list for five (5) years following the date she/he is first placed on the recall list. After five years, the teacher must submit a letter to the superintendent by April of each year thereafter to maintain his/her status on the recall list.

Transfers Due to Reduction in Force

A staff member to be transferred involuntarily shall be informed in a conference with the principal. The staff member may schedule a conference concerning the transfer with the Superintendent at any time. Any staff member subject to involuntary transfer due to a reduction in force, who does not wish to be transferred, shall have the option of being placed on the recall list.

E. REHIRING RETIRED TEACHERS

Re-employment of any teacher who retires under the State Teachers Retirement System (STRS) and subsequently is employed or reemployed in the district may be hired at a rate of pay different from his/her academic training level and years of service as specified in the salary index contained in this agreement. A retiree may be rehired on a part-time basis, in which case the agreed upon salary shall be pro-rate upon a full workday of seven hours and thirty minutes. This provision and such salary and individual contract with a member expressly supercedes Section 3317.13 of the Ohio Revised Code and all other applicable laws.

HEALTH INSURANCE:

While employed by the district subsequent to retirement, such member who is interested in obtaining health care benefits shall have 50% of the premium for a single plan paid by the Board. In addition, such retired member will not be eligible for participating in the in lieu of provision that pays an employee for not participation in the district's health plan.

EMPLOYMENT CONTRACT:

A rehired retiree shall receive a limited contract, which shall expire automatically at the end of the stated term. No notice of non-renewal is required. Continuation of the employment of a rehired retiree through offering new limited contracts, which automatically expire, shall be at the election of the Board upon recommendation of the Superintendent. A rehired retiree is not eligible for a continuing contract regardless of years of employment as a rehired retiree with the Board.

SENIORITY:

A rehired retiree shall not accumulate seniority in the bargaining unit and has no right of recall in the event of a reduction in force under Article V of the negotiated agreement.

SICK LEAVE:

A rehired retiree shall accumulate and may use sick leave in accordance with Article VI of the negotiate agreement, but shall not be entitled to severance pay under Article VII of the negotiated agreement or under law upon conclusion of employment as a rehired retiree.

GRIEVANCE PROCEDURE:

This provision of this agreement and such salary and contract will not be grievable under the grievance procedure of this agreement nor through any claim or action filed before the State Employment Relations' Board (SERB) or any court of law.

F. VACANCY POSTING

For informational purposes, all postings of job vacancies will occur by e-mail. If computer access is a problem during the summer months, employees are to contact the Superintendent to receive notification of vacancies by paycheck.

G. INDIVIDUAL CONTRACTS

1. The Board will comply with statutory requirements for issuing individual contracts and for issuing annual salary notices.
 - a. To be eligible for a continuing contract, a teacher must hold a valid professional, permanent, life certificate/license, or professional educator license (including all requirements under R.C. 3319.08) and have at least three (3) of the last five (5) years of teaching service in the Pandora-Gilboa Local School District. Teachers who have had a continuing contract in another school district in Ohio shall become eligible for a continuing contract after serving a two (2) year period in the Pandora-Gilboa Local School District.
 - b. Teachers who anticipate meeting the legal requirements for a continuing contract must notify the Board in writing concerning their eligibility prior to November 15 and all necessary certificates/licenses must be on file in the Superintendent's office on or before April 1. Failure to meet either requirement will result in waiver of consideration for continuing contract status unless or until the teacher is re-employed and reapplies in a subsequent year consistent with this provision.
 - c. Teachers who have met all of the legal requirements to become eligible for a continuing contract may be recommended by the Superintendent for a limited contract not to exceed two (2) years, provided that written notice of the intention has been given to the teacher with reasons directed at professional improvement of the teacher on or before the thirtieth day of April. The Board shall provide written notice to the teacher of its action on the Superintendent's recommendation on or prior to April 30th. The parties intend and agree that to the extent this procedure differs from that set forth in O.R.C. 3319.11 for the granting of an extended limited contract, this Agreement and procedure shall supersede and take the place of the law.
 - d. A teacher who becomes eligible for a continuing contract during the term of any multi-year contract will be granted a continuing contract only upon the recommendation of the Superintendent and approval of the Board of Education. If the Superintendent does not recommend the teacher for a continuing contract during the term of a multi-year contract, and/or the Board does not approve same, the multi-year contract will stay in effect, unless terminated for cause under Revised Code Section 3319.16. A continuing contract shall take effect immediately upon subsequent re-employment by the Board, unless an additional limited contract is granted pursuant to paragraph c., above.

The professional staff member must furnish the Superintendent with a signed statement, describing in detail all of the facts and circumstances surrounding the assault, including but not limited to the location and time of the assault, the identity of the assailant(s), if known, and the identity of all witnesses to the assault, if known.

4. The pick-up shall apply to all compensation including supplemental earnings.
5. The current deferred taxation of the "pick-up" is determined solely by the I.R.S. and any tax liability becomes the full responsibility of the employee. The Board may refuse to "pick-up" if so directed by the State Teachers Retirement System or the Internal Revenue Service or should the rules and regulations of the I.R.S., or STRS, change so as to render this procedure unworkable, the parties agree to return, without penalty, to the former method of computing employee/employer contributions.
6. Payment for all paid leaves - sick leave, personal leave, severance, supplementals including unemployment and worker's compensation - shall be based on the employee's daily gross pay prior to the reduction for "pick-up purposes (e.g., gross pay divided by the number of days in a teacher's contract).

verification of course work completed for that year in the form of a transcript or grade report by September 25. If this is not yet available, other documented proof must be supplied, for this member's course hours to be considered in the calculations. This member's reimbursement will be withheld until the appropriate verification is furnished. The PGEA treasurer will then calculate the money to be received by the staff member. The PGEA treasurer will then notify the Board Treasurer in writing by September 30, as to who is to receive what amount of money. The Board Treasurer will then disburse the funds.

Only those staff who hold a valid Ohio teaching certificate/license of provisional or higher grade shall be eligible for reimbursement.

This professional growth incentive is renewable each year for eligible credit earned.

F. TRAVEL REIMBURSEMENT

Reimbursement for mileage for those staff that are required to drive their personal vehicles will be provided at the current IRS rate prorated to the nearest 1/2 mile. Such mileage will be paid upon completion of the proper forms for travel as follows:

1. An employee who reports for work at one building and must travel to the second building and then return to the original building in order to complete the normal school work day, will receive reimbursement for the round trip between the two buildings.
2. An employee who reports to work at one building and then must travel to the second building to complete the school day will receive mileage reimbursement for the distance between the two buildings, one way only.
3. Vocational teachers will be reimbursed for mileage required for home visits to students.
4. Employees traveling on authorized school business, either in or outside the school district, will receive mileage reimbursement.

G. SEVERANCE PAY

Any member of the bargaining unit of the school district with a minimum of ten (10) or more years of accumulated service with the state, any political subdivision, or any combination thereof who elects to retire from service while in the employ of the district, shall be paid 25% of his accumulated and unused sick leave. The maximum payment which shall be made is 25% of 212 days.

When a bargaining unit member informs the district of in writing his/her retirement and it is accepted by the January Board meeting, s/he will receive a \$1000 additional amount added to the severance pay calculated in Article VII.

The rate of pay for all such accumulated days shall be the per diem rate of the annual salary as determined by the staff member's regular salary schedule and any supplemental or other salary in effect at the time of last service. The per diem rate shall be computed by dividing the annual salary as per the section above by the number of days of regular required duty.

As used in this section, retirement means disability or service retirement under any state or municipal retirement system in the State of Ohio. Nothing in this policy shall be construed to prevent an employee either sick or disabled from using the accumulated sick leave for the duration of the disability.

The retiring employee shall present to the Board Treasurer a copy of their first retirement check or other such evidence to affirm their retirement and their desire to receive severance pay as prescribed herein.

Severance pay shall be forwarded to the retired employee in one installment upon certification of retirement. Such payment shall be made only once to any employee and shall extinguish all accumulated sick leave to the credit of such employee.

Severance will include death. In the case of death, severance will be paid to the beneficiary(ies) designated by the employee on the form attached in the forms section of this agreement. In the absence of a beneficiary designation, severance is to be paid to the estate of the deceased per 2113.04 O.R.C.

H. INSURANCE COVERAGE - GENERAL PROVISIONS

1. GENERAL PROVISIONS

Any employee working four (4) or more hours per day for the entire school year shall be eligible to receive the full Board payment amount currently in effect for a family contract or a single contract. This payment is only made on the hospitalization, surgical, major medical plan cost.

Any employee working less than four (4) hours but more than two (2) hours per day for the entire school year shall be eligible to receive one-half (1/2) of the full Board payment amount in effect for a family contract or a single contract. This payment is only made on the hospitalization, surgical, major medical plan cost.

For those that choose any of the insurance coverages provided herein, the Board shall provide full twelve-month coverage commencing with the first day of school (or September 1, whichever is first) and ending twelve (12) months later (or August 31, whichever is last). This insurance shall continue in effect during absences of illness, as specified in the Ohio Revised Code, for which the employee may use sick leave. Employees on all other leaves of absence (unpaid), including but not necessarily limited to those on maternity leave, disability leave, sabbatical leave, etc. and employees who retire prior to Medicare age qualification, may choose to continue participation in the group insurances provided herein by remitting the premiums to the Treasurer of the Board of Education. Such remittance shall not be required more than thirty (30) days in advance. When necessary, premiums on behalf of the employee shall be made retroactively or prospectively to assure uninterrupted participation and coverage.

Please note - Coverage is not automatic when contractual employment begins. Employees are required to complete enrollment forms indicating the desired coverage.

2. MODIFIED AND LIMITED CAFETERIA FRINGE BENEFIT PLAN

For each member² of the bargaining unit that elects not to enroll in the family or single hospital/surgical, major medical insurance plans, the Board agrees to pay a cash benefit in lieu of fringe benefit election as follows:

- a. Each year of this Agreement, the Board will pay a cash benefit of 25% of the difference between the total annual family premium and total annual single premium or any combination of single hospital, surgical only, family major medical only, for those enrolled on the single plan hospital surgical major medical insurance plan.
- b. Each year of this Agreement, the Board will pay a cash benefit of 25% of the total annual family premium for bargaining unit members who have elected not to enroll in any of the hospital surgical and major medical Insurance benefits as provided herein.

Such cash payments shall cease when the employee elects to enroll in the family hospital, surgical, major medical. When the employee elects to enroll on the single hospital, surgical, major medical, such cash benefit shall be reduced to the single plan benefit as provided above.

If the employee elects the cash benefit in lieu of insurance as provided herein, equal payments of same to the affected employee will be made in each regular paycheck.

Any money saved as the result of the implementation of this plan, shall be held in reserve to pay future insurance premium cost increases and concurrent non subscriber cost increases under the cafeteria plan for the remainder of the bargaining unit.

In the event that the above plan would be declared to jeopardize non-taxable status of the health benefits herein, then the parties agree that they will meet in order to work out a solution to this problem.

3. HOSPITAL SURGICAL/MAJOR MEDICAL

The Board shall purchase from a carrier licensed by the State of Ohio, basic, hospital-surgical major medical insurance coverage for each certificated employee now or hereafter employed and his/her family.

The Board will contribute the following towards the single and family plans currently offered by the Putnam County Insurance Consortium and any successor health insurance plan that may be provided. Once an employee is on the Health Savings Account (HSA) the PPO insurance will no longer be available to that employee, even during the annual renewal period.

² These provisions shall be applied to part-time staff on a basis prorated to the amount of their current annual employment with the district.

	Family	Single
2015-16	\$13,000	\$4,992
2016-17	\$12,750	\$4,896
2017-18	\$12,500	\$4,800

The Board of Education will pay the costs of a single hospital plan, for employees whose spouse may have hospitalization coverage via another company or job and/or whose plan does not cover the bargaining unit member when they are traveling to or from work or while on a job.

The Board will provide the insurance benefits offered by the Putnam County Health Insurance Consortium or by another consortium should a consortium change be deemed necessary by the Board. Should a consortium change be made causing a change in benefits or the Board of Directors of the current consortium make a change in the benefit plan, the Pandora-Gilboa Board of Education and the PGEA agree to reopen negotiations within 30 days after the voted change to resolve any issues that may arise due to the plan change. The provisions for the full scale/spectrum 125 Plan with a mutually-agreed upon company will be continued for the duration of this agreement.

4. DENTAL INSURANCE

The Board shall purchase from any carrier insurance by the State of Ohio, employee and family dental insurance protection. For each certificated employee now or hereinafter employed who is a member of the bargaining unit.

The full cost of this program and any increase in premium during the term of this agreement shall be paid by the Board.

Family Security

- a. Remarriage of the surviving spouse, in which case the coverage for all dependents terminates.
- b. The date a covered person ceases to qualify as a dependent for any reason other than lack of primary support of the employee,
- c. Two years from the date of the employee's death.

The coverage which is continued in force for dependent children because of the employee's death will not be affected if the surviving spouse dies during the two-year (maximum) continuation of coverage.

I. CHRONIC COMMUNICABLE DISEASES CHEMICAL/CONTROLLED SUBSTANCE ABUSE

NONDISCRIMINATION

An employee who has been exposed to or who contracts a chronic communicable disease or who is found to be a chemical/controlled substance abuser (which hereinafter shall be taken to include drug and alcohol abuse) shall be treated no differently than an employee with any other medical disability.

No employee shall be subjected to indiscriminate testing.

The Board shall not discharge any employee nor otherwise discriminate against any employee with respect to wages, hours, terms or other conditions of employment on the basis of the fact that such employee has contracted a chronic communicable disease or has been determined to be a chemical/controlled substance abuser.

REPORTS OF SUSPECTED CARRIERS/CHEMICAL/CONTROLLED SUBSTANCE ABUSER

All reports of suspected carriers or chemical/controlled substance abuse shall be directed to the superintendent.

All such reports shall be in writing and, except when received directly from the affected individual, shall identify the person(s) making the report and shall note the reasons why the reported employee is suspected of being a carrier or chemical/controlled substance abuser. No action shall be taken based upon a report which does not meet the above requirements.

TESTING CRITERIA

No employee shall involuntarily be required to submit to a medical evaluation of his physical or mental condition without determination of probable cause for said evaluation. The probable cause determination shall be made by a tri-partite panel which shall conduct a due process hearing and render an oral determination followed by written confirmation which shall be final and binding on the parties.

The tri-partite panel shall be comprised of a physician selected by the Employer, the employee's personal physician, and an arbitrator selected by the Employer and the Association in accordance with the procedures set forth in the grievance procedure herein for expedited arbitration. The selected arbitrator shall act as the chairperson of the panel and shall serve in that capacity for all subsequently convened panels to determine probable cause for medical evaluation.

The tri-partite panel shall conduct a due process hearing to determine whether there is probable cause for the medical evaluation of an employee. Upon conclusion of the presentation of all evidence, the panel will render an oral decision in an expedited fashion prior to the close of the hearing.

Within fifteen (15) days after the conclusion of the due process hearing, the panel, through the arbitrator, shall render a written confirmation and the rationale to the superintendent and the employee.

In the event that a health risk becomes apparent that may affect many or all employees and/or students, as determined by a physician in the appropriate public health district, the Board, in consultation with the Association, shall be permitted to by-pass the tri-partite panel and immediately provide for the examination and/or immunization of any or all employees/students to prevent the spread of the disease.

All costs of the tri-partite panel shall be borne by the Board when no probable cause is found. When probable cause is found, the costs will be borne equally by the Association and the Board.

MEDICAL EVALUATION

Within ten (10) working days after a determination that probable cause exists for medical evaluation or if an employee voluntarily submits to a medical evaluation, a medical review team comprised of (a) a physician specializing in the contagious disease in question, or chemical/controlled substance abuse, (b) a physician from the appropriate public health district, and (c) the physician designated by the Superintendent as the School District's physician shall be convened by the Superintendent to conduct a medical evaluation of the employee's condition. The medical review team shall provide for the examination of the employee and may obtain, upon written, voluntary authorization of the employee, all relevant and pertinent medical information from the employee's personal physician.

The report rendered by the medical review team shall be restricted to an evaluation of the employee's medical condition and shall clearly provide:

Whether or not the employee has been infected with a chronic communicable disease or is a chemical/controlled substance abuser as alleged in the report to the Superintendent. If so, then the medical review team shall determine:

1. Whether or not the employee's current medical condition imposes a substantial health risk to him/herself and/or to others in the school environment and the rationale for the finding. In making that determination, the medical review team shall consider:
 - a. The nature of the risk of the employee's medical condition (how the disease is transmitted);
 - b. The duration of the medical condition (how long is the carrier infectious);
 - c. The severity of the risk of the medical condition (what is the potential harm to third parties); and
 - d. The probability the disease will be transmitted and will cause varying degrees of harm.
2. Whether or not the employee is otherwise qualified to remain in his/her current job. "Otherwise qualified" means that the employee is able to meet all of the job requirements in spite of the employee's medical condition.

All costs of the medical evaluation shall be borne by the Employer.

REASONABLE ACCOMMODATION

Within ten (10) working days of receipt of a medical evaluation report indicating that an employee's current medical condition imposes a substantial health risk to him/herself and/or to others in the school environment or prevents the employee from performing all of the employee's job requirements, the Superintendent shall provide written notification to the employee specifying what action the Board shall take to reasonably accommodate the employee's disabling condition.

Any attempt to reasonably accommodate the employee's disabling condition shall not violate the existing Agreement. Prior to any attempt to reasonably accommodate the unit member's disabling condition, the Board shall seek input from Association representatives. If the proposed accommodation would violate the Agreement, the Board shall meet with appropriate representatives of the Association to negotiate a reasonable accommodation.

An employee found to be a chemical/controlled substance abuser pursuant to the procedures herein shall be required to enter an appropriate rehabilitation program. The Board of Education shall sustain all costs for the first offense and the unit member shall sustain any and all additional costs on future abuse. The unit member who has received treatment shall be required to submit to monthly/random testing so deemed by the Board.

Any dispute regarding whether the Board has made a reasonable accommodation or whether the proposed accommodation is in compliance with the Agreement shall be subject to expedited final and binding grievance arbitration.

ELIMINATION OF HEALTH RISK

Whenever an employee's health is at risk due to possible exposure to a communicable disease, the employer shall take the measures necessary to eliminate the health risk. The Board's actions shall be in compliance with this article of the Agreement.

If elimination of the health risk requires an employee to be immunized, the cost of the employee's immunization shall be borne by the Board.

If elimination of the health risk requires the implementation of a temporary or permanent removal of an employee with a chronic communicable disease or dependency due to chemical/controlled substance abuse, the Board shall comply with the provisions of this Agreement and ORC 3319.13.

DISABILITY RETIREMENT

Subsequent to the determination that temporary or permanent removal of a disabled employee is justified, the Board shall support the employee's application for disability retirement, if the employee elects to make such application.

CONFIDENTIALITY

All reports of suspected carriers or chemical/controlled substance abuse, all aspects of the due process hearing to determine probable cause for medical evaluation, and all aspects of the medical evaluation shall be treated as "highly confidential." Any report received or rendered during these

procedures shall be released only to the Superintendent and the employee. Any discussion of a report by the Board shall be conducted in executive session.

EDUCATION

The Board shall implement education programs for all school employees, students and the school community regarding chronic communicable diseases and their transmission and chemical/controlled substance abuse. The purpose of such programs shall be to reduce irrational fears regarding the diseases and their transmission as well as provide accurate and complete information as to the dangers of chemical/substance abuse within the school environment.

TIME LIMITS

Any of the time limits herein may be extended by mutual agreement.

Further, the principal shall discuss with his/her teachers the amounts available for purchase ordering and the procedure for ordering such that each teaching staff will have genuine input into the selection and ordering process. ARTICLE IX

OTHER PROVISIONS

A. CONTINUED PERFORMANCE

The Association agrees that during the term of this Agreement, members of the bargaining unit shall continue in the performance of their duties on all days scheduled in the school calendar which fall within the duration of this Agreement.

B. WAIVER OF NEGOTIATIONS

The Board of Education and the recognized teacher organization shall acknowledge that during negotiations resulting in any Agreement, each party had the right, subject to the limitations of the law and this procedure, and the opportunity to make demands and proposals with respect to any matter not removed thereby, and that said Agreement was arrived at by the parties after the exercise of that right and opportunity.

C. MANAGEMENT RIGHTS

The Board of Education is vested exclusively with rights of management as defined in Revised Code #4117.08 (C) and shall otherwise retain all the rights, powers, duties, and authority granted by law and the Constitution of the United States and the State of Ohio, and may adopt, rescind, modify, establish, and maintain rules, regulations, and policies as it deems appropriate; provided, however, that such are not in conflict with this Agreement or Chapter 4117 of the Revised Code.

D. INTERIM BARGAINING

The failure of the Association to demand interim bargaining over changes in the terms and conditions of employment not previously bargained over or contained in the contract or changes that have an affect or effect on the wages, hours or terms and conditions of employment shall not be construed as a waiver of the Board's obligation to bargain over such otherwise mandatory subjects or a waiver of the Association's right to demand such bargaining.

In such cases, the Association shall have the right to demand interim bargaining over such mandatory subjects.

In the event of an impasse in such interim bargaining, the parties agree that the impasse will be resolved by (a) no implementation of the proposed change(s) which precipitated the interim bargaining, or (b) the issue(s) which remain unresolved will be submitted to binding interest arbitration.

E. SEVERABILITY

In the event there is a conflict between a provision of this Agreement and any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, the terms and conditions of this Agreement shall prevail as to that provision, except as may be provided by ORC 4117.10(A) or other relevant provisions of Ohio Revised Code. All other provisions of this Agreement which are not in conflict with any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, shall continue in full force and effect in accordance with their terms.

If any provision of this Agreement is found to be contrary to law as determined by any court of competent jurisdiction from whose judgment or decree, no appeal has been taken within the time provided for doing so, such provision shall be null and void. However, the remainder of the Agreement shall remain in full force and effect.

If during the term of this Agreement, there is a change in any applicable state or federal law, valid rule or regulation adopted by a federal agency or any state agency pursuant thereto, which would invalidate any provision of this Agreement or, if during the term of this Agreement, there is a change in any applicable state or federal law, valid rule or regulation adopted by a federal agency or any state agency pursuant thereto, which requires the Board of Education to develop policies that affect the term(s), condition(s) of employment, or working condition(s), then the parties will meet to negotiate such substitute and/or additional terms, conditions of employment or working conditions.

F. AMENDMENT

This Agreement may be altered, deleted from, added to, or otherwise modified only through voluntary mutual consent of both parties in a written signed amendment to this agreement. All requests for amendment and subsequent negotiations following mutual agreement to amend this agreement shall be conducted in accordance with the terms of this agreement except that requests for amendment may be made at any time by either party. All such amendments shall be considered finalized upon ratification by the Board and the Association.

G. DURATION

This Agreement except as may be otherwise provided herein shall be effective beginning the first day of August, 2015, to the 31st day of July, 2018, both dates inclusive. This Agreement shall be the base from which future negotiations shall proceed. If any item in this agreement is not modified or deleted through future negotiations, it shall be carried forward, automatically, in writing, into each successor agreement.

Nothing in this Agreement shall prohibit the parties, by written mutual agreement between them, to enter into negotiations at an earlier date than indicated in this article.

It is the purpose of this Document to set forth the relationship between the Board of Education and the Pandora-Gilboa Education Association, and to set forth an orderly procedure for the consideration and resolution of matters of concern. Thus, the parties do hereby enter into this Agreement on June 1, 2015 by and between the Board of Education of the Pandora-Gilboa Local School District and the Pandora-Gilboa Education Association.
