ARTICLE I

RECOGNITION

1.01 The South Range School Board recognizes the South Range Education Association, affiliated with the Ohio Education Association and the National Education Association, as the sole and exclusive bargaining agent for the members of the bargaining unit. Sole and exclusive recognition means that the Board will not bargain with any other organization, or any individual, in a manner or for a purpose inconsistent with the terms of this contract. Individual contracts of employment with members of the bargaining unit shall in all respects be consistent with this Contract which shall be deemed incorporated in such individual contracts.

1.02 Bargaining Unit Defined

1.021 Inclusions

As used in this Agreement, "Professional Certified or Licensed Employee" and "Employee Unit" shall include all professional certified or licensed teaching personnel, hereinafter called teachers, employed by the Board exclusive of substitute teachers employed less than sixty (60) days in a specific position in the same school year, the Superintendent of Schools, and administrators. Hourly paid tutors also are included in the bargaining unit defined above. The only rights provided and provisions governing tutors are listed in Article 6.10.

1.022 Exclusions

Employees excluded from the Employee Unit shall include any employee who has the authority to recommend the hiring, discharge, or the discipline of a member of the Employee Unit or the authority to evaluate the professional performance of those employees during the school day, or the authority to recommend resolutions to grievances. The unit shall not include substitutes employed less than sixty (60) days in a specific position in the same school year.

ARTICLE II

NEGOTIATIONS PROCEDURE

2.01 Submission of Issues

A written request of meetings will be submitted by the negotiating team of the recognized Teacher's Association to the Superintendent or by the Superintendent to the President of the recognized teacher's organization during the month of March. The subject matter to be considered will be specified in writing. Other items may be added to the list by mutual agreement.

2.02 Meetings

Meetings between the negotiating teams will be scheduled for a mutually satisfactory time (within 15 days after the date of the request for a meeting, unless a mutually satisfactory later date is agreed upon).

2.021 Relevant data and supporting information, proposals and counter proposals will be presented and discussed in good faith. "Good Faith" involves coming to the negotiating table with the intention of negotiating. "Good Faith" requires that the Association and the Board will be willing to react to each other's proposals. If a proposal is unacceptable to one of the parties, the party is obligated to give its reasons and to offer counter proposals on all mandatory subjects of bargaining and such permissive subjects of bargaining that the parties have mutually agreed to bargain. "Good Faith" requires both parties to recognize negotiations as a shared process. Neither side is sent to the bargaining table with a "take it or leave it" ultimatum. "Good Faith" does not require either party to agree to a proposal or make a concession.

2.022 During the period of consideration, interim reports of progress may be made to the recognized teacher's organization by the President of the Association and to the Board by the Superintendent.

2.023 Until all negotiation meetings are completed, each meeting shall include a decision on an agreed time and place for the subsequent meeting unless mutually agreed otherwise.

2.024 Negotiation meetings shall be in closed session. Open sessions shall be by mutual agreement.

2.03 Negotiating Teams

The Board and the Association shall be represented at all meetings by a team of negotiators not exceeding five members each. All negotiations shall be conducted exclusively between said teams. In addition to said teams, each party shall be authorized to admit two consultants to each meeting. Such persons shall be without the right to speak or to otherwise comment to either party unless requested to do so by the negotiating team they support. Either team may call for a caucus at any time. A caucus shall not be longer than thirty (30) minutes unless an extension is mutually agreeable to both teams.

2.04 Agreement

When agreement is reached on the items being negotiated, a final copy shall be submitted to the Association for ratification and then to the Board at the next regular or special Board meeting. The final written copy will contain the following:

- 2.041 Terms of the provisions. (Example: windows or limited provisions.)
- 2.042 Effective date of the contract as well as the effective date of any provisions which may not extend throughout the whole duration of the contract.

2.05 Impasse

The parties pledge themselves to negotiate in good faith and if either party determines that the differences of position are so serious that further negotiations seem impossible of producing a satisfactory agreement, or at the termination of a sixty (60) day period after the commencement of negotiations, unless mutually agreed to otherwise, either party may declare impasse. However, no item that has been tentatively agreed to shall be the subject of impasse.

2.051 Mediation

In the event that agreement is not reached in sixty (60) days on a matter or matters being negotiated, either party may request that the Federal Mediation and Conciliation Service provide a mediator to facilitate bargaining. Mediation shall last for up to thirty (30) days after the mediator begins that process. Unless final agreement is reached, said mediator shall at the end of the thirty (30) days assume the role of Factfinder. The Factfinder shall have the authority to hold such meetings as he/she deems appropriate and shall submit his/her decision on all the issues under mediation to the parties within a three week period. Either party may reject the Factfinder's decision within a seven (7) day period from its receipt of the decision. If either party rejects the Factfinder's decision in whole or in part, both parties must return to negotiations within two weeks. It is agreed that the procedures set forth in this Section constitute a mutually agreed dispute settlement procedure which supersedes the procedures contained in ORC 4117.14.

2.052 Cost of Mediation

The cost of mediation, if any, shall be shared equally by the Board and the Association.

2.06 Alternative Negotiations

By mutual agreement of the parties, an alternative method of negotiations may be selected.

ARTICLE III

GRIEVANCE PROCEDURE

3.01 Definitions

- 3.011 A grievance is a claim by a teacher, a group of teachers, or the Association (hereinafter called the grievant) that there has been a

violation, misinterpretation, or misapplication of any provision of this Contract. Only provisions of this Contract are grievable.

3.012 The term "days" as used herein shall mean days in which school is in session.

3.02 Purpose

3.021 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise.

3.022 Failure at any step of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

3.03 Grievance Form

Written grievances as required herein shall contain the following:

3.031 It shall be signed by the grievant, or grievants, and/or the Association President or his/her designee.

3.032 It shall be specific.

3.033 It shall include a statement of grievance.

3.034 It shall contain a synopsis of the facts giving rise to the alleged violation or misapplication or misinterpretation.

3.035 It shall contain the date of the alleged violation.

3.036 It shall specify the relief requested.

3.04 Time Limits

3.041 The time limits provided in this Article shall be strictly adhered to but may be extended by written agreement.

3.042 In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school year or as soon thereafter as possible.

3.043 In the administration of the Grievance Procedure, the interests of the teachers shall be the sole responsibility of the Association.

3.044 If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall commence at Step III of the formal grievance procedure.

3.05 Step I

3.051 In the event that a teacher believes that there is a basis for a grievance, he/she shall discuss (either personally or accompanied by his/her Association representative or its designee) the alleged grievance with his/her immediate supervisor or the administrator directly involved.

3.052 If, subsequent to the informal discussion with the immediate supervisor, it is the opinion of the Association or grievant that a

grievance still exists, the grievant may invoke the following formal grievance on the forms set forth in the Appendix (Forms A, B, and C) and available from the Association representative in each building.

3.053 If a grievance in writing signed by both the grievant and the Association representative or its designee does not reach the Building Principal or his/her designee within ten (10) days after the oral discussion, the grievance shall be considered as waived.

3.054 Within two (2) school days after the informal grievance procedure with the principal or administrator involved, the grievant and his/her Association representative or designee shall request a dated notification signed by all parties, stating the topic discussed if the grievant feels the topic might become formalized as a grievance.

3.06 Step II

3.061 To continue the grievance the grievant must submit to his/her immediate supervisor a completed Grievance Report Form A in triplicate within thirty (30) school days after the two (2) school day period stated in Article 3.054.

3.062 The three copies shall be submitted as follows: one to the Association, one to the immediate supervisor or the administrator directly involved, and one to the Superintendent.

3.063 Within five (5) days of receipt of Grievance Report Form A, the immediate supervisor shall indicate his/her disposition of the grievance by completing the Grievance Report Form A.

3.064 The grievant, the Association, and the Superintendent shall receive a completed copy of Grievance Report Form A as written by the immediate supervisor.

3.07 Step III

3.071 If the grievant or the Association is not satisfied with the disposition of the grievance as made by the immediate supervisor, or if no such disposition has been made within the required time limit, the grievant and/or the Association representative or its designee shall submit a completed Grievance Report Form B to the Superintendent.

3.072 Within ten (10) days the Superintendent or his/her designee shall meet with the grievant and the Association representative or designee in an effort to resolve the grievance.

3.073 Within five (5) days of the meeting the Superintendent shall indicate in writing his/her disposition by completing Grievance Report Form B and forwarding it to the grievant and the Association President.

3.074 A copy will be forwarded to the Association representative and the immediate supervisor.

3.08 Step IV

If the grievant is not satisfied with the disposition of the grievance at Step III or if no decision has been rendered within the specified time, the grievant may appeal in writing to the Board. Such appeal shall indicate whether the grievant desires a hearing and the right to be represented at such hearing by legal counsel or by a representative of the Association. The Board shall hear the appeal in executive session no later than at its next regularly scheduled meeting, and shall render a decision on the appealed

grievance within ten (10) days. The decision and the reasons for the decision shall be reduced to writing and copies sent to the teacher, the Association, the Building Principal, and the Superintendent.

3.09 Step V

- 3.091 If the grievant and/or the Association are not satisfied with the disposition made by the Board, or if no such disposition has been made within the time limits as stated within this Agreement, the grievance may be submitted to arbitration before an impartial arbitrator.
- 3.092 To submit the grievance to arbitration, the Association shall complete Grievance Report Form C.
- 3.093 The arbitrator shall be selected by both parties by requesting a list of seven (7) arbitrators from the American Arbitration Association. An arbitrator will be selected and notified in accordance with the voluntary rules of the American Arbitration Association.
- 3.094 The fees and expenses of the arbitrator shall be borne by the losing party.
- 3.095 The decision of the arbitrator shall be submitted to the Board and to the Association and shall be final and binding in respect to the interpretation, meaning, or application of any provision of the Agreement.

3.10 Miscellaneous

- 3.101 If multiple grievances arise, all shall be numbered in consecutive order beginning with the number following that of the last filed grievance.
- 3.102 Any grievance which arises during the life of this agreement may be processed until resolution in accordance herewith.
- 3.103 A teacher engaged during the school day on behalf of the Association with any representative of the Board in any professional grievance, including arbitration, shall be released from regular duties without loss of salary for up to three days. If more than five teachers are required to appear in a grievance proceeding, all proceedings, including arbitration, shall be held at a time other than during regularly scheduled school hours unless parties mutually agree otherwise.

ARTICLE IV

RIGHTS

4.01 Board of Education Rights

The Board retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Ohio and of the United States, limited only by the specific and express terms of the Agreement.

4.02 Individual Rights

- 4.021 Members of the instructional staff are entitled to full rights of citizenship regardless of race, gender, color, creed, or place of origin.
- 4.022 Members of the instructional staff have the right to participate in professional and civic organizations for their personal benefit and interest.
- 4.023 Members of the instructional staff have the right to exercise their constitutional rights of political involvement or refusal to become involved without fear of reprisal or discipline in any form.
- 4.024 Individuals have the right to join or not to join any association to the extent protected by law.
- 4.025 No disciplinary action shall be taken against a teacher based on a complaint of a parent or guardian until the complaint and its validity have been investigated and the teacher has been apprised of the nature of the complaint.
- 4.026 There shall be no reprisals against any teacher for his/her actions pertaining to the negotiated Agreement.

4.03 Association Rights

Recognition of the Association as the sole and exclusive employee representative shall entitle the Association to the following privileges not granted to any other professional employee collective bargaining organization:

4.031 Payroll

The right to payroll deduction of membership dues in accordance with the following provisions:

- 4.0311 The Board agrees to deduct dues from the pay of teachers when so authorized in writing by the teacher.
- 4.0312 The deduction for those teachers previously electing payroll deduction of dues and for teachers authorizing the District Treasurer to deduct dues shall be made equally from ten (10) consecutive pays beginning with the first pay date in October.
- 4.0313 Individual authorization forms for dues deductions shall be furnished by the Association, and when executed shall be filed by the Association with the District Treasurer.
- 4.0314 Dues deductions shall be transmitted by the District Treasurer to the Ohio Education Association.
- 4.0315 The right to refund to an employee such dues deducted from his/her pay shall lie solely with the Association.

4.032 Service Fee

- 4.0321 All teachers who are not members of the Association shall pay a monthly service fee equivalent to the monthly dues uniformly required of such members, not including initiation fees, fines or assessments, as certified by the Association to the District Treasurer before each school year and as further necessary to be accurate. Such payment shall be subject to a rebate procedure provided by the Association meeting all requirements of applicable State and Federal law.

- 4.0322 Any public employee who is a member of and adheres to established and traditional tenets or teachings of a bona fide religion or religious body which has (1) historically held conscientious objections to joining or financially supporting an employee organization, (2) has traditionally taught a doctrine or moral precept which he/she can identify as compromised or contravened by a specific policy, practice, teaching or position of the NEA, OEA, NEOEA, or the SREA, and which is exempt from taxation under the provisions of the Internal Revenue Code shall not be required to join or financially support any employee organization as a condition of employment. Upon submission of proper proof of religious conviction as defined herein to the State Employment Relations Board, the Board shall declare the employee exempt from becoming a member of or financially supporting an employee organization. The employee shall be required, in lieu of the fair share fee, to pay an amount of money equal to such fair share fee to a non-religious charitable fund exempt from taxation under Section 5.01 (c) (3) of the Internal Revenue Code mutually agreed upon by the employee and the representative of the employee organization to which the employee would otherwise be required to pay the fair share fee. The employee shall furnish to the employee organization written receipts evidencing such payment, and failure to make such payment or furnish such receipts shall subject the employee to the same sanctions as would nonpayment of dues under the applicable collective bargaining agreement.
- 4.0323 Such service fee shall be automatically deductible in ten (10) equal installments beginning with the second paycheck in January.
- 4.0324 That balance of any annual deductions shall be deducted from the final paycheck of a non-member teacher resigning his/her position, receiving a leave of absence, or terminating his/her employment after the opening of school.
- 4.0325 The Board will provide the Association with a single printout showing the non-member teachers from whom such service fees were deducted. This itemized statement with a transmittal letter will be prepared monthly.
- 4.0326 The foregoing provisions regarding service fees shall be subject to all requirements of the State Statute [O.R.C. 4117.09(C)] and all other applicable law of the subject matter.
- 4.0327 The Association agrees to defend, indemnify and hold harmless the Board, its individual members, the Superintendent, District Treasurer, and other members of the Administration in any claim, demand, action or cause of action brought to contest collection or other elements of administration of the Service Fee.

4.033 Association Facility Use

The Association shall have the right to reasonable use of teacher mailboxes, the intra-building mail system, copy machines, telephones, the computer system, and room in the buildings (to be used for meetings) to conduct legitimate business of the Association as long as the use occurs during hours

when the buildings are regularly open, the usage does not interfere with the normal operations of the schools or other legitimate business of the Board (which shall take precedence) and as long as there is a valid contract in place between the Association and the Board. The Association will reimburse the Board for any significant costs involving the use of copy machines or telephones.

ARTICLE V

LEAVES

The Association recognizes the importance of timely notification to the school administrators for the purpose of securing teacher replacements.

The Board recognizes that extraordinary circumstances may give cause for special consideration in the administration of the requirements for leave of absence.

Teachers who are on approved leaves of absence, by definition, have a right to return to work at the end of such approved leave period. At the time of their return to the work force, they are subject to assignment by the Superintendent--who is restricted in making such assignment only to the extent that no teacher may be assigned to teach in an area for which he/she is not certified/licensed.

5.01 Insurance Considerations

A teacher on unpaid leave may maintain at his/her own expense all or some of the insurance coverages provided by this Contract. In any case, the Board shall continue to provide such coverages for a period of time to include the entire month in which the employee begins his/her leave. The teacher who elects to maintain coverage shall be responsible for such coverages at his/her own expense beginning with the first full month of his/her leave. Payment of such premium by the teacher shall be made to the District Treasurer at least one week prior to the premium due date. The District Treasurer shall let the teacher know of the premium due date. Failure of the teacher to make such payment may result in loss of insurance benefits. Insurance coverage will not be separated beyond required premium packages.

5.02 Sick Leave

5.021 Annual Allowance

Teachers shall be granted sick leave on the following basis: one and one-quarter (1 1/4) days for each completed month of service, or fifteen (15) days for each completed year of service. Sick leave shall be accumulated to two hundred sixty (260) days.

5.022 Manner of Calculation

Any sick leave earned or unused in prior employment with another public school district or other agency of the State of Ohio shall, upon presentation of a certified copy stating the number of sick leave earned and unused from such employers, be transferred to the teacher's account at the time of employment in the manner prescribed by state law.

5.023 Approved Use of Sick Leave Days

Sick leave may be used by all teachers for those reasons and situations enumerated in the State Statute (O.R.C. 3319.141).

5.024 Definition of Immediate Family

As applied to absence because of illness, injury, or death in the teacher's immediate family, the immediate family shall include the husband, wife, children, father, mother, brothers, sisters, grandparents, grandchildren, in-laws, aunts, uncles, and any person who is a member of the immediate household. A teacher may have significant and continuing responsibility for a person who is virtually a member of the immediate household but who lives at another address. He/she may register this person's name annually with the District Treasurer. If he/she does so, for purposes of this article, person shall be considered a member of the immediate household.

that

5.025 Use of Sick Leave-HR Kiosk

Each school employee using sick leave shall submit, in a timely manner using HR Kiosk, a completed electronic form as included in this Contract in Appendix (Form D). Falsification of a statement on sick leave form is grounds for suspension or termination of employment. In cases of frequent, extended, or otherwise questionable use, an employee may be required by the Superintendent to furnish a certificate from a licensed physician. If certificate from a physician is required, the District will bear any cost not covered by insurance.

a

a

5.026 Sick Leave Bank

Establishment

- A. Each bargaining unit member may contribute one day of his/her accumulated sick leave days to the Sick Leave Bank during the enrollment period. The enrollment period will be from August 20 through September 15 of each school year. New teachers hired after the school year has commenced will have four (4) weeks to enroll. The donated day is not returnable. If the sick leave bank has four hundred (400) days accumulated, there shall be no enrollment period. In that case, new teachers shall automatically be a member of the Sick Leave Bank until such time as the accumulated sick leave in the bank falls below four hundred (400) days and contributions are requested. Teachers, hired new to the district, will be asked to contribute in order of their seniority when the bank falls below four hundred (400) days. Any teacher so asked who does not contribute shall no longer be a member of the Sick Leave Bank.
- B. If the Sick Leave Bank is depleted to three hundred-thirty (330) or fewer days, the Sick Leave Bank Committee may, regardless of the enrollment period set forth in 5.026 (A), reopen the bank for contributions until the Sick Leave Bank accumulates up to a maximum of four hundred (400) days. Such reopening for contributions will be for a period of thirty (30) calendar days. No further contributions to the Sick Leave Bank will be requested or accepted at any time when the bank has accumulated four hundred (400) days.

Operational Procedures

- A. Use of days from the Sick Leave Bank will be limited to those individuals who have contributed to the bank.
- B. Use of days from the Sick Leave Bank will be limited to personal illness of the Bargaining Unit member or the Bargaining Unit member's spouse, or the Bargaining Unit member's dependent children. A doctor's statement is required with the application in order to be considered.
- C. Use of days from the Sick Leave Bank will be considered only after the individual has used all of his/her accumulated sick leave days and has used possible advances of sick leave days.
- D. The maximum number of days that a person may use is 20% of the total days in the Bank at the end of the enrollment period up to a maximum of fifteen (15) days per person per year. The Sick Leave Bank Committee may grant twenty (20) additional days per year at its discretion.

Sick Leave Bank Committee

- A. The Bank will be operated on a voluntary basis. A committee shall be formed to administer the Bank and to provide the information whereby the business office of the South Range Local School District will keep the records. This committee shall be empowered to adopt rules and regulations and to make decisions required to administer the Sick Leave Bank, so long as those rules, regulations, and decisions do not modify the agreement contained herein. This committee will be titled the "Sick Leave Bank Committee" (hereafter referred to as the SBC). The SBC shall be composed of the following five (5) persons:
 - 1. Superintendent of Schools of the South Range Local School District or his/her designee.

The teacher is entitled to 12 weeks of leave during the 12-month period beginning on the first date FMLA leave is taken. The next 12-month period commences the first time FMLA leave is taken after the completion of any previous 12-month period. FMLA may be taken for one or more of the following circumstances:

- D. The hearing must be conducted by a majority of the Board.
- E. The hearing shall be held in executive session unless the Board and the teacher agree to hold the hearing in public.
- F. Only the following persons may be present at the hearing:
1. Superintendent
 2. Assistant Superintendent or Administrative Assistant
 3. Teacher
 4. Board counsel or designee
 5. Teacher counsel or designee
 6. Any person designated by either party to take a record of the hearing.
 7. Association representative
 8. Building Principal and/or Assistant Principal
 9. Witnesses as called.
- G. A record of the hearing may be taken by either party at the expense of the party taking the record.
- H. The Board shall issue to the teacher a written decision within 10 days of the conclusion of the hearing.

6.05 Contract Non-Renewal Procedure and Due Process (for OTES and non-OTES teachers)

Except as otherwise provided herein, the non-renewal of teachers' limited contracts shall be in keeping with provisions of State Statute (O.R.C. 3319.11) and related statutory law. Any violation of either procedural or substantive due process shall automatically require re-employment of the employee under a continuing contract, if eligible, or an appropriate limited contract if the employee is not eligible for a

continuing contract. Due process shall be defined as the procedural steps indicated pursuant to the terms of Agreement or the ORC where applicable.

6.051 Just Cause (for OTES and non-OTES teachers)

No employee shall be adversely evaluated, disciplined, non-renewed, or reduced in rank or compensation without just cause.

6.052 Fair Dismissal (for OTES and non-OTES teachers)

6.0521 Termination of Limited or Continuing Contract

The termination of an employee's contract shall comply with the provisions of Ohio Revised Code 3319.16. Prior to the implementation of termination proceedings, the employee whose contract is being considered for termination shall be provided written notice of the reason(s) for such termination at least ten (10) days prior to the Board's action to implement termination proceedings.

6.053 Hearing Prior to Board Action

Any employee who requests a Board hearing prior to the Board's action to implement termination proceedings shall be granted a private hearing before the Board, unless a public hearing is requested in accordance with Ohio Revised Code 121.22.

6.054 Nonrenewal of Contract in First Full Year of Employment

This subsection shall supersede O.R.C. 3319.11. The process for non-renewal of limited contract teachers in the first full year of employment with the District shall be accomplished by written notification to the teacher on or before April 30, of the Board's intention not to renew the teacher's limited contract. For purposes of this subsection, posting written notice in the U.S. mail, postage prepaid, by registered or certified mail to such teacher's last address as shown on the Board's records, shall constitute legal notice to such teacher.

The teacher shall be entitled to a meeting with the Board of Education or its designee regarding the decision not to re-employ.

No further appeal shall be available to teachers non-renewed under this section.

6.055 Except as otherwise provided herein, the non-renewal of teachers' limited contracts shall be in keeping with provisions of State Statute (O.R.C. 3319.11) and related statutory law.

The following procedures shall apply:

of
recommendation.
working

6.0551 When the Superintendent has decided to make a recommendation non-renewal to the Board of Education, he/she or his/her designee shall notify the teacher at least six (6) calendar prior to the meeting in which the Board will act on the Superintendent's recommendation. Such notice will be given only if the teacher is present and at his/her position during this time period. An attempt should be made to notify any teacher absent from his/her duties.

6.0552 The teacher may request and shall be granted a meeting with the Superintendent, at which he/she may be accompanied by an association representative.

6.0553 Teachers notified that a recommendation of non-renewal is forthcoming have the right to resign prior to any formal action by the Board.

6.0554 Notwithstanding State Statute (O.R.C. 3319.11), any teacher whose regular limited teaching contract is not to be renewed shall be notified posting Board's

in writing on or before June 1. For purpose of this subsection, written notice in the U.S. Mail, postage prepaid, by registered or certified mail to such teacher's last address as shown on the records shall constitute legal notice to such teacher.

6.06 Reduction in Force

6.061 Staff Reduction

The following procedures will govern the reduction of teachers made necessary through decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, discontinuance of an SBH unit or other low incidence special education unit, suspension of schools or territorial changes affecting the District, necessary changes in curriculum, and necessary changes in use of instructional personnel. Such procedures may be subject to revision in order to insure compliance with State and Federal laws relating to employment decisions. The procedures contained herein for such reduction in teachers shall not pertain to any teacher non-renewed for performance reasons. Except as otherwise provided herein, it is the intention of the parties that the provisions of this Article shall supersede all provisions of Revised Code Section 3319.17.

6.062 Reduction Other Than Through Attrition

In accordance with State Statute (O.R.C. 3319.17), the following procedures shall apply. Reduction shall be made by suspending contracts based upon the Superintendent's recommendation. Those contracts to be suspended will be chosen as follows:

6.0621 All teachers will be placed on a seniority list for each teaching field for which they are properly certificated. Teachers serving under continuing contracts will be placed at the top of the list, in descending order of seniority. Full-time teachers serving under limited contracts will be placed on the list under those with continuing contracts, also in descending order of seniority. Part-time teachers serving under limited contracts will be listed under full-time teachers serving under limited contracts, in descending order of seniority. Part-time service shall be credited on the seniority lists according to the fraction of full time that the teacher served each year. The Seniority List will be posted in each principal's office by September 30 of each school year. Teachers are obligated to review the list as posted and to call to the attention of the Superintendent any alleged errors in the posted list. Any alleged errors not brought to the attention of the Superintendent by October 30 are thereafter deemed waived for that year.

6.0622 Seniority will be defined as the length of continuous service as a part-time or full-time teacher under regular contract in this school district. Seniority is measured from the date of the Board meeting at which the teacher was hired. Continuous employment shall include all time on sick leave, all time on Board approved leaves of absence, and all time on a disability retirement to a maximum of five years. The seniority of an employee who has returned to employment following resignation or other termination of

employment will be measured from the date of return to duty. If two or more teachers have the same length of continuous service, seniority will be determined by: (1) The date of the Board meeting at which the teacher was hired; (2) the date the teacher signed his/her initial employment contract in the District; (3) any remaining ties will be broken by lot.

6.0623 Reduction and Retention

Retention of bargaining unit members and recall of eligible teachers whose contracts have been suspended pursuant to a reduction in force will not be based upon seniority, except in circumstances when choosing between teachers with comparable evaluations. The application of the term "comparable" as applied to teacher evaluations, shall occur in accordance with the Board adopted, standards-based teacher evaluation system defining that term.

For the transition period (2015-16, 2016-17, 2017-18), comparable evaluations of OTES teachers will be defined as all evaluation ratings above "Ineffective"

6.0624 Determination of RIF List

If reductions are necessary, limited contract teachers shall first be reduced in the affected teaching fields (certification/licensure) utilizing the following order:

- a. Comparable evaluations
- b. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.

Should the necessary reduction of staff required exceed the number of limited contract teachers in the affected field, continuing contract teachers be reduced in the affected teaching fields (certification/licensure) utilizing the following order:

- a. Comparable evaluations
- b. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.

the
When choosing between teachers with comparable evaluations, if position of a teacher in one teaching field affected is eliminated due to reduction in force, and the teacher in that position is also certified/licensed in another teaching field or fields, the teacher may move to the seniority list of any other area of his/her certification/licensure as long as the teacher reduced is displacing a teacher with a comparable evaluation. The least senior teacher in that area of certification/licensure will then be the teacher whose contract is suspended.

6.0625 If a reduction in force does occur, the Superintendent shall notify the Association at least thirty (30) days prior to the effective date of the suspension of said contracts.

6.063 Recall

The names of teachers whose limited contracts are suspended in a reduction in force will be placed on a recall list for 24 months from the effective date of

the reduction. If a teacher whose limited or continuing contract has been suspended accepts full-time teaching employment in another public school district he/she shall be immediately removed from the recall list and forfeit all recall rights. Teachers on the recall list will have the following rights:

- 6.0631 No new teacher will be employed by the Board while there are teachers on the recall list who are certificated or licensed for the vacancy.
- 6.0632 Teachers on the recall list will be recalled first on the basis of teacher effectiveness ratings or, when choosing among teachers with comparable ratings, in order of seniority for vacancies in areas for which they are certificated or licensed. When effectiveness ratings are comparable, continuing contract teachers will be selected for recall before limited contract teachers.
- 6.0633 If a vacancy occurs, the Superintendent or his/her designee will send a certified announcement to the last known address of all teachers on the recall list who are qualified according to those provisions. It is the teacher's responsibility to keep the Board informed of his/her current address. All teachers are required to respond in writing to the Superintendent within fourteen (14) calendar days. Any teacher who fails to respond within fourteen (14) calendar days shall forfeit all rights to that position. A teacher who declines to accept the position will forfeit all recall rights.
- 6.0634 A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff. To return to active employment when school is in session, a recalled teacher will have up to two (2) weeks to return to duty.
- 6.0635 An employee reinstated to a position in an area of certification or licensure in which the employee has no previous teaching experience shall be evaluated in accordance with the provisions of Section 6.04 of this Agreement. If at the conclusion of ninety (90) school days after reinstatement the employee receives an unsatisfactory evaluation, the employee shall be returned to the reduction in force list and shall be accorded the full entitlements of any employee initially placed on layoff status.

6.07 Vacancies, Transfers, Assignments

6.071 Filling of Vacancies

- A. Whenever a vacancy occurs which the Board 1) shall fill or 2) which the Board determines to fill or 3) a new position is created, the Board shall do the following in the order listed.
- B. First: A teacher whose contract has been suspended by way of "Reduction In Force" who holds a proper certificate or licensure shall be called back to work in accordance with the recall provisions of the RIF procedure.
- C. Second: The Board shall post all vacancies 1) which it shall fill or 2) which it determines to fill, and 3) new positions at least two weeks prior to being filled. Such posting shall be in a conspicuous location in each

building and a copy shall be given to each building representative at the same time. During the summer months the Board shall, additionally, send a copy to each teacher on the date of posting. Each teacher submitting a written application within two weeks after the posting and meeting the required job certification or licensure for a posted vacancy shall be granted an interview. Notice shall be given to each applicant that he/she has or has not been appointed to the position.

- D. Teachers who wish to voluntarily transfer, and who have made proper application, shall be given priority consideration for the position. This shall not require the Board to fill the vacancy with such applicants.
- E. Positions the Board shall fill are those created through the non-renewal or termination of a teacher. Such a position may be different from the one held by the teacher non-renewed or terminated. The Board may or may not determine to fill positions created through teacher resignation, retirement, death or other attrition.

6.072 Transfers

6.0721 Voluntary Transfers

A teacher who wishes to transfer to a new building, or wishes to be assigned to a new or different teaching position shall make a written request to the Superintendent. Such request shall be kept on file in the Superintendent's office for twelve months unless removed at any time by the teacher.

6.0722 Involuntary Transfer

Transfers will be on a voluntary basis normally. However, when the Superintendent chooses to make such transfers on an involuntary basis, the wishes of the individual teacher will be considered to the extent that these considerations do not conflict with the instructional requirements, needs, or best interests of the District, building(s), or pupils. If the teacher so elects, involuntary transfers will only be made after a conference between the teacher, principal, and/or Superintendent. Request for such conference must be made by written request to the principal within 72 hours following receipt of notification of the transfer. This section refers to transfers from one building or subject to another.

6.073 Assignments

Assignment to courses or grade levels within the same building or general subject area are not transfers.

6.074 General Provisions

6.0741 The power of assignment or transfer of teacher(s) and the filling of vacancies shall, except as restricted by this contract, be vested solely in the Superintendent.

6.0742 Transfer of teachers, assignment of teachers and filling of vacancies, shall not violate State Department of Education certification or licensure standards.

6.0743 Positions can be temporarily filled for the remainder of a school year without posting, if the vacancy occurs later than three weeks prior to beginning of the school year.

6.075 Notification of Assignment

- A. The teacher's professional assignment shall contain the teacher's subject assignments on the secondary level, and the building and grade level on the elementary and middle school level. Such notification shall be made no later than July 31, or the teacher's assignments shall remain as in the preceding year.
- B. When circumstances cause the administration to make a change in a teacher's building/subject/grade assignment(s) after August 1st, the Principal shall notify the teacher as soon as possible.

6.08 Filing and Maintenance of Certificates, Licenses and Documents

6.081 Teachers shall be responsible for filing with the District Treasurer or his/her designee all certificates and/or licenses issued to the teacher by the Ohio Department of Education at such time as may be required by the terms of this Agreement. No right or privilege shall be asserted by the teacher by reason of any certificate or license not filed as provided herein.

6.082 Teachers shall also file all transcripts, payroll related forms and other documents, including but not necessarily limited to those listed in the Appendix (Form E) of this Contract, required for pay, payroll, benefits, or employment purposes with the District Treasurer in a timely manner. No right or privilege shall be asserted by a teacher on which any or all of these rely until they have been filed. The teacher shall be given a dated receipt by the District Treasurer or his/her designee for documents received.

6.083 As a condition of employment and reemployment, all teachers shall retain all teacher licenses and teacher's certificates to the extent permitted by ORC 3319.222 or replace such teacher's certificates with educator licenses to the extent required by ORC 3319.22, held on file at the time of initial employment by the Board of Education and all such certificates or licenses received during his/her employment. Refusal to apply for the renewal of such certificates or licenses, or the replacement of such teacher's certificates with educator licenses, if such certificates cannot be renewed under ORC 3319.222 and the rules of the State Board of Education after being so directed by the Superintendent shall be grounds for termination at the end of the school year. It shall be the responsibility of each teacher to apply and qualify for the renewal of any certificate or license and to file such certificate or license with the District Treasurer.

6.084 Upon submission of documentation to the district treasurer, each teacher shall be reimbursed \$40.00 for one successful certificate/license renewal, conversion from 8-year to license and/or BCII/FBI background check.

6.09 Personnel Files

6.091 All personnel records will be maintained in accordance with the Ohio Revised Code.

6.092 Personnel records of the teaching staff shall be filed in the Superintendent's office, and among other appropriate documents

shall include the following: application for employment, including references; a copy of the latest contract, properly signed; a copy of the latest salary notice; an Ohio teaching certificate(s) or license(s); official records of the degree granted, original or certified copy; record of military service, if any; and record of tuberculosis test or x-ray, if appropriate.

6.093 Financial records are to be kept in the District Treasurer's Office and Building Level Service Records are to be kept in the Building Principal's Office.

6.094 Each teacher shall have the right upon reasonable request to review his/her personnel files, with the exception of confidential references which were used in conjunction with and prior to his/her employment. A representative of the Association may, at the teacher's request, accompany the teacher in such a review. No teacher shall be required to have an Association member present.

6.095 Teachers shall have the opportunity to reply to critical material by a written statement to be attached to the file copy.

6.096 Teachers shall be informed of any complaint by a parent, student, or administrator which is directed toward the teacher and which will become a matter of record. A teacher so informed shall be given the opportunity to meet with the superintendent before written material is placed in his/her file. Anonymous letters or materials shall not be placed in a teacher's file nor shall they be made a matter of record.

6.097 Each teacher shall acknowledge that he/she has read the material by affixing his/her signature and the date to the copy. Should a teacher refuse to sign, the material shall go into the file without signature. The affixed signature shall not indicate agreement with the content of the materials, but indicates only that the material has been inspected by the teacher.

6.098 No teacher's confidential personnel files shall be opened to the public or any part of the contents thereof be revealed, conveyed, or in any manner be transmitted, directly or indirectly, to the public by the Board or the Administration, or their agents, unless mandatory under law. Any teacher whose files are to be examined by anyone other than the Board, the Administration, or their secretaries in the normal conduct of their work, or officers of government-regulating agencies who have access by virtue of their position, shall have the right to advanced notice and to be present at such examination.

6.099 A teacher shall be entitled to a single copy of any material in his or her own files.

6.10 Tutors

6.101 Regularly employed, hourly paid tutors are also included in the bargaining unit, with the express understanding that tutors are paid on an hourly basis as needed and not in accordance with the salary schedule included in this collective bargaining agreement. Tutors shall not replace classroom teachers.

6.102 The hourly rate for tutors shall be \$18.00 for the 2015-2016 contract year, \$18.50 for the 2016-2017 contract year, \$19.00 for the 2017-2018 contract year.

- 6.103 Tutors shall be entitled to sick leave in accordance with provisions outlined in this Agreement (Article 5.02).
- 6.104 Tutors shall be entitled to two (2) personal days per school year.
- 6.105 Full time Tutors are eligible for insurance benefits specified in this Agreement.
- 6.106 Tutors are eligible for one-year employment contracts only, which shall expire on the dates stated therein unless the Board, upon recommendation of the Superintendent, takes action to offer to said member a renewal of the contract. They are not eligible for multiple-year contracts or continuing contracts.
- 6.107 Tutors are only entitled to the specific rights delineated in this Article or specifically designated elsewhere in this contract.
- 6.108 Tutors are entitled to use the grievance procedure contained in this contract for enforcement of said rights.
- 6.109 Tutors may not bump into the classification of classroom teachers, and classroom teachers may not bump into the classification of tutors.
- 6.1010 Tutors shall be mailed notification of vacancies at the same time as other Members of the Bargaining Unit during the weeks school is not in session.

6.11 Long-Term Substitutes

- 6.111 Long term substitutes are defined as substitute teachers placed in the same assignment for more than sixty (60) days.
- 6.112 Long term substitutes are eligible for one year employment contracts only. Said contracts shall automatically expire at the end of the school year or upon return to duty of the teacher he/she was hired to replace, whichever comes first. No further action of the Board or notice to the substitute teacher shall be required. Long term substitutes are not eligible for multi-year contracts or continuing contracts. If a temporary assignment should extend over parts of two school years, the long term substitute shall not have to fulfill the sixty day period more than once.
- 6.113 A long term substitute shall be granted a year of service credit only if employed by the South Range Board for a minimum of one hundred twenty (120) days at least four and one-half (4 1/2) hours per day in any one school year.
- 6.114 Beginning with the sixty-first (61st) day of employment in the same assignment, a long term substitute shall be placed on the 0 step of the BA salary column if he/she has less than one year teaching experience. If he/she has prior teaching experience of one year or more, he/she shall be placed on the 1st step of the BA salary column. The long term substitute shall then receive Article VII insurance benefits.
If a long term substitute teacher who has been awarded insurance benefits is hired by the Board as a regular teacher for the subsequent school year, the Board shall continue to pay benefits for the months of July and August between the two contracted years.
- 6.115 Long term substitutes shall be evaluated in the same manner as regular teachers, except that the time lines may be adjusted. Article

VI - Sections 6.05 (Contract Non-Renewal Procedure) and 6.06 (Reduction in Force) shall not apply to long term substitutes. The provisions of ORC 3319.11 and 3319.111 shall not apply to long term substitutes.

6.12 Waivers for Pilot Programs

- 6.121 The SREA Executive Committee and the Board shall receive for consideration applications from bargaining unit members in pilot programs requesting a waiver of one or more contract provisions in order to accomplish a goal for that pilot. The waiver must be signed by all members requesting such waivers. Waiver requests, in order to be implemented, must be approved by both the SREA Executive Committee and the Board. If approved, the waiver would continue for the duration of the pilot project, but not beyond the end of the school year for which the request was made. Waivers for subsequent years would be approved in the same manner. If an application is not approved, all parties shall work to find another solution.
- 6.122 When pilot projects are implemented, it is understood that all teachers, from time to time, may be required to assist in educational activities not covered by their certification or licensure. However, certification and licensure rules shall not be waived in order to assign teachers involuntarily to a classroom assignment outside their areas of certificate or license.

6.13 South Range Local Professional Development Committee

The President of the Association shall appoint three (3) teachers and the Superintendent shall appoint two (2) administrators to form the Local Professional Development Committee (LPDC). Qualifying course work taken between 9/1/2010 and 8/31/15 shall be paid in a one-time lump sum credited for the 2015-2016 school year only and will thereafter be rolled into salary calculation for the following years.

7.031 Teachers who accumulate sufficient university credit to qualify for the next level on the salary index shall notify the Board of same by September 15, in order to qualify for the additional increment. An official transcript should be sent as soon as possible to the District Treasurer to verify the qualification.

The maximum number shall be thirty (30) semester hours or forty-five (45) quarter hours. For each module beyond the M.A. degree, the index value is .012 on base salary. The maximum number shall be the same as B.A. degree, thirty (30) semester hours or forty-five (45) quarter hours. All of the above credit for remuneration for additional hours shall be given only for courses taken to further the individual's advancement in the profession of education. Any courses outside the educational certification or licensure areas must have written prior approval of the Superintendent.

7.033 A teacher who already has fifteen (15) modules beyond the Bachelor's Degree or the Master's Degree will be reimbursed the cost of tuition, textbooks, and fees for course work required to renew a certificate or license which that teacher already holds. Such course work and expenses shall be reimbursed at the rate charged by the closest state university offering the course. The course work and expenses must be approved by the Superintendent in advance of the teacher's enrollment in the course.

7.034 A teacher may use a workshop or unified workshop sequence in place of university credit for modules under the following circumstances:

The transcript for such module credit shall be the South Range Local School District Workshop for Module Credit Approval Form signed by the superintendent and bearing the district seal.

The Board shall not bear any of the teacher costs associated with attendance at workshops which are approved for module credit.

[Explanatory note: Individual workshops on diverse topics by diverse providers or the equivalent do not accumulate toward module credit but may be submitted to the LPDC for professional development (licensure/certification) consideration.]

7.035 When a teacher has earned in excess of 14.75 modules, but not 15 modules, the treasurer/CFO shall round up the modules to 15 for the purpose of module pay.

The teacher may choose whichever option he/she prefers. If a teacher chooses either "stretch" option and later resigns the supplemental contract or otherwise fails or is unable to complete the work of the supplemental contract, except for reasons of illness which require absence from his/her teaching assignment as well as the supplemental assignment, he/she shall owe to the Board a refund of payment received for work not completed in a proportionate amount. He/she shall sign an authorization for the District Treasurer to adjust his/her salary if such a resignation or non-fulfillment of contract should happen. MAHONING COUNTY SCHOOL CONSORTIUM : Plan 1
Summary of Benefits and Coverage: What This Plan Covers & What It Costs

Coverage Period: 07/01/2015 - 06/30/2016

Coverage for: Single or Family | Plan Type: PPO

This is only a summary. If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at MedMutual.com/SBC or by calling 800.431.2583.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$250/single, \$500/family Network \$500/single, \$1,000/family Non-Network Doesn't apply to coinsurance, copays and network preventive care	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
Is there an <u>out-of-pocket limit</u> on my expenses?	Yes, Coinsurance Limit: \$400/single, \$800/family Network \$1,000/single, \$2,000/family Non-Network Out-of-pocket Limit: \$6,600/single, \$13,200/family Network Unlimited/single, Unlimited/family Non-Network	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The coinsurance limit is included in the <u>out-of-pocket limit</u> .
What is <u>not included</u> in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Is there an overall <u>annual limit</u> on what the insurer pays?	No	The chart starting on page 2 describes any limits on what the plan will pay for <u>specific</u> covered services, such as office visits.
Does this plan use a <u>network of providers</u> ?	Yes, See MedMutual.com/SBC or call 800.431.2583 for a list of participating providers.	If you use an in-network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <u>provider</u> for some services. Plans use the term in-network, <u>preferred</u> , or participating for <u>providers</u> in their <u>network</u> . See the chart starting on page 2 for how this plan pays different kinds of <u>providers</u> .
Do I need a referral to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without permission from this plan.

Are there services this plan doesn't cover?	Yes	Some of the services this plan doesn't cover are listed on page 5. See your policy or plan document for additional information about excluded services .
---	-----	---

- **Copayments** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Coinsurance** is your share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is \$1,000, your **coinsurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use Network **providers** by charging you lower **deductibles, copayments** and **coinsurance** amounts.

Coverage Examples

Coverage Period: 07/01/2015 - 06/30/2016

Coverage for: Single or Family | Plan Type: PPO

Questions and answers about Coverage Examples:

What are some of the assumptions behind the Coverage Examples?

- Costs don't include premiums.
- Sample care costs are based on national averages supplied by the U.S. Department of Health and Human Services, and aren't specific to a particular geographic area or health plan.
- Patient's condition was not an excluded or preexisting condition.
- All services and treatments started and ended in the same coverage period.
- There are no other medical expenses for any member covered under this plan.
- Out-of-pocket expenses are based only on treating the condition in the example.
- The patient received all care from in-network providers. If the patient had received care from out-of-network providers, costs would have been higher.

What does a Coverage Example show?

For each treatment situation, the Coverage Example helps you see how deductibles, copayments, and coinsurance can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn't covered or payment is limited.

Does the Coverage Example predict my own care needs?

✗ **No.** Treatments shown are just examples. The care you would receive for this condition could be different, based on your doctor's advice, your age, how serious your condition is, and many other factors.

Does the Coverage Example predict my future expenses?

✗ **No.** Coverage Examples are not cost estimators. You can't use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your providers charge, and the reimbursement your health plan allows.

Can I use Coverage Examples to compare plans?

✓ **Yes.** When you look at the Summaries of Benefits and Coverage for other plans, you'll find the same Coverage Examples. When you compare plans, check the "Patient Pays" box on each example. The smaller that number, the more coverage the plan provides.

Are there other costs I should consider when comparing plans?

✓ **Yes.** An important cost is the premium you pay. Generally, the lower your premium, the more you'll pay in out-of-pocket costs, such as copayments, deductibles, and coinsurance. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.

TEACHER EVALUATION

Introduction: Evaluation is useful in school districts for at least four purposes. The first is that evaluation establishes a record of the good performance of quality teachers. Secondly, evaluation leads to a dialogue between the teacher and the evaluator about instruction, instructional techniques and materials and many other facets of work in schools. This dialogue increases mutual respect and rapport and leads to the improvement and fine tuning of services to clients. Thirdly, it provides the vehicle through which any shortcomings in performance can be quickly identified and remediated or useful modifications in services can be identified and implemented. Lastly evaluation is required by the Ohio Revised Code for the purpose stated therein.

General Provisions

1. All continuing contract teachers shall be evaluated at least once every third year.
2. All limited contract teachers shall be formally evaluated at least twice during the final year of their contracts.
3. Each of the evaluations shall in part consist of at least two observations (see Teacher Observation Form) lasting 30 minutes or more in duration.
4. Classroom observations shall be only one part of what is used to determine whether or not a teacher is satisfactorily meeting the criteria of expected job performance.
5. The evaluation of the teacher shall be the building principal and/or an assigned person who holds a certificate or license named in division (E), (F), (J), or (L) of Section 3319.22 of the Ohio Revised Code or any person who shall become permitted to evaluate by revisions in the O.R.C.
6. The individual who has responsibility for the formal evaluation of the teacher must complete two observations of at least 30 minutes in duration for each evaluation, i.e., one evaluator cannot do one observation and another evaluator do another observation to make up a formal evaluation. Both observations must be done by the same evaluator for each evaluation.
7. All teacher employees who are evaluated pursuant to this policy are to have the individual responsibility of effectively implementing the Teacher Position Description (Criteria of Expected Job Performance).Appendix Form K
8. In the last year of a limited contract, the first evaluation shall be prior to December first and the teacher being evaluated shall receive the written evaluation form not later than the tenth day of December. If in the first evaluation a teacher is given a rating of "U" - Unsuccessful, in any category, the second evaluation shall be at least thirty regularly scheduled school days later.

Another evaluation shall be conducted and completed between the first day of January and the first day of

Appendix Form I

April and the teacher being evaluated shall receive the written evaluation form not later than the tenth day of April.

9. Each formal evaluation in part shall consist of at least two observations of 30 minutes or more in duration. Observations may be announced or unannounced; preceded by a pre-observation conference or not, more than two observations may be used per evaluation. Both the teacher and the evaluator shall sign and date the Teacher Observation Form.
10. Evaluation methods and techniques other than classroom observations may be used to determine job performance.
11. Evaluation(s) may address one, some or all of the performance categories, and include some or all of the criteria under each category listed on the Teacher Position Description (Criteria of Expected Job Performance).
12. The teacher shall receive a written copy of the observation and evaluation forms. (Teacher Evaluation Form) Both the teacher and evaluator shall sign and date the observation and evaluation form. The teacher by affixing his/her signature to the observation/evaluation indicates only that he or she has received and read such form and that it does not necessarily indicate that he/she agrees with the evaluation, comments and ratings. The teacher has a right to attach a statement to the evaluation within five (5) days of receiving it. The rating system shall be: successful/unsuccessful.
13. Any rating of unsuccessful shall be unsatisfactory and shall require that the specific recommendations regarding improvement and the means by which the teacher may obtain assistance be written on the Teacher Evaluation Form.
14. Evaluators are encouraged to commend or recommend improvement and means of assistance for successful ratings as may be appropriate.

STANDARDS-BASED TEACHER EVALUATION

The Board of Education is responsible for a standards-based teacher evaluation policy which conforms to the framework for evaluation of teachers as approved by the State Board of Education and aligns with the “Standards for the Teaching Profession” as set forth in State law.

The Board adopts the Ohio Teacher Evaluation System (“OTES”) model as approved by the State Board of Education.

The evaluation policy is intended to provide an evaluation model that is research-based, transparent, fair, and adaptable to the needs of the District. The Board believes in the importance of ongoing assessment and meaningful feedback as a powerful vehicle to support improved teaching performance and student growth, as well as promotion and retention decisions for teachers. The Board acknowledges that the overarching purposes of the teacher evaluation system are to serve as a tool to advance the professional development of teachers, to inform instruction, and to assist teachers and administrators in identifying and developing best educational practices in order to provide the greatest opportunity for student learning and achievement.

This policy shall be implemented as set forth herein and shall be included in the collective bargaining agreement with the South Range Education Association, and in all extensions and renewals thereof.

This policy has been developed in consultation with teachers employed by the Board and represented by the South Range Education Association (SREA).

Given the dynamic nature of the mandated teacher evaluation process, the Board recognizes the Evaluation Review Committee (ERC), with continuing participation by District teachers represented by the South Range Education Association, and for the express purpose of recommending necessary changes to the Board for the appropriate revision this policy.

Definitions

“**OTES**” – stands for the Ohio Teacher Evaluation System as adopted by the Ohio State Board of Education in 2011, or as otherwise modified by the State Board of Education.

“**Teacher**” – For purposes of this policy, “teacher” means licensed instructors who spend at least 50% of his/her time providing content-related student instruction and who is working under one of the following:

- a. A license issued under ORC Sections 3319.22, 3319.26, 3319.222 or 3319.226;
or

- b. A permanent certificate issued under ORC Section 3319.222 as it existed prior to September, 2003; or
- c. A permanent certificate issued under ORC Section 3319.222 as it existed prior to September, 2006; or
- d. A permit issued under ORC Section 3319.301.

Appendix Form I

Substitute teachers and teachers not meeting this definition are not subject to evaluation under this policy. Full time bargaining unit members who do not meet the definition will be evaluated utilizing the evaluation procedures of the collective bargaining agreement in effect between the Board and the South Range Education Association (SREA).

The Superintendent, Treasurer, and any "other administrator" as defined by ORC Section 3319.02 are not subject to evaluation under this policy

The Board may elect not to evaluate a teacher who was on leave from the District for 50% or more of the school year and/or submitted notice of retirement that was accepted by the Board no later than December 1st of the year the teacher was scheduled to be evaluated.

"Credentialed Evaluator" – For purposes of this policy, each teacher subject to evaluation will be evaluated by a person who:

- a. Meets the eligibility requirements under ORC Section 3319.111(D); and
- b. Holds a credential established by the Ohio Department of Education for teacher evaluation; and
- c. Has completed state-sponsored evaluation training and has passed an online credentialing assessment.

The Board shall authorize the Superintendent/designee, in consultation with the Evaluation Review Committee, to approve and maintain a list of credentialed evaluators as necessary to effectively implement this policy. Only District administrators shall serve as these credentialed evaluators.

"Core Subject Area" – means reading and English language arts, mathematics, science, foreign language, government, economics, fine arts, history and geography.

"Evaluation Cycle" – is the period of time for the completion of the evaluation procedure. The evaluation cycle is completed when student growth measures resulting from assessments that were administered in the previous school year are combined with the teacher performance ratings resulting from performance assessments that are conducted for the current school year to assign a summative evaluation rating.

"Evaluation Factors"– refers to the multiple measures that are required by law to be used in the teacher evaluation procedure. The two factors, which are weighted equally, are student

growth measures at fifty percent (50%) and teacher performance at fifty percent (50%).

"Evaluation Framework" – means the document created and approved by the Ohio

Appendix Form I

Department of Education (ODE) in accordance with section 3319.111(A) of the Ohio Revised Code that establishes the standards-based framework for the evaluation of teachers developed under section 3319.112 of the Ohio Revised Code.

"Evaluation Instruments" – refers to the forms used by the teacher's evaluator. Those forms, developed by the ODE, are located in the Appendix to this policy.

"Evaluation Procedure" – the procedural requirements set forth in this policy are intended to provide specificity to the statutory obligations established under sections 3319.111 and 3319.112 of the Ohio Revised Code and to conform to the framework for the evaluation of teachers developed under section 3319.112 of the Ohio Revised Code.

"Evaluation Rating" – means the final summative evaluation level that is assigned to a teacher pursuant to terms of this policy. The evaluation rating is assigned at the conclusion of the evaluation cycle when the teacher performance rating is combined with the results of student growth measures where fifty percent (50%) of the evaluation rating is based on student growth measures as provided for in this policy and fifty percent (50%) the evaluation rating is based on a teacher performance rating as provided for in this policy. Each completed evaluation will result in the assignment of one of the following evaluation ratings to Accomplished, Skilled, Developing, or Ineffective.

"Student Growth" – for the purpose of the district's evaluation policy, student growth is defined as the change in student achievement for an individual student between two or more points in time.

"Student Learning Objectives" ("SLOs") – include goals identified by a teacher or group of teachers that identify expected learning outcomes or growth targets for a group of students over a period of time.

"Shared Attribution Measures" – student growth measures that can be attributed to a group.

"Teacher Performance" – is the assessment of a teacher's performance, resulting in a performance rating. As an evaluation factor, the teacher performance dimension is based on direct observations of a teacher's practice (including materials and other instructional artifacts) and walkthroughs that are performed by a credentialed evaluator. Teacher performance results are reported as a teacher performance rating that may be coded as "1" indicating lowest performance to "4" indicating highest performance.

"Teacher-Student Data Linkage" (TSDL) – refers to the process of connecting the teacher(s) of record [based upon above definition] to a student and/or defined group of students' achievement scores for the purpose of attributing student growth to that teacher.

“Value-Added” – refers to the EVAAS Value-Added methodology provided by SAS, Inc., which provides a measure of student progress at the district and school level based on each student’s scores on state issued standardized assessments.

“Vendor Assessment” – student assessments approved by the Ohio Department of Education that measure mastery of the course content for the appropriate grade level, which may include nationally normed standardized assessments, industry certification exams, or and-of-course examinations for grade level and subjects for which the Value-Added measure does not apply.

Standards-Based Teacher Evaluation

Teacher evaluations will utilize multiple factors, with the intent of providing meaningful feedback to each teacher and assigning an effectiveness rating based in equal part upon teacher performance and student growth.

Each teacher evaluation will result in an effectiveness rating of:

- a. Accomplished;
- b. Skilled;
- c. Developing; or
- d. Ineffective

The specific standards and criteria for distinguishing between these ratings/levels of performance shall be the same as those developed by the State Board of Education, which are incorporated herein by reference, and as set forth in the current collective bargaining agreement between the Board and the SREA.

The Superintendent shall annually file a report to the department of education the number of teachers for whom an evaluation was conducted as well as the number of teachers assigned each rating as set forth above, aggregated by teacher preparation programs from which and the years in which the teachers graduated.

Fifty percent (50%) of each evaluation will be based upon teacher performance and fifty percent (50%) on multiple measures of student growth as set forth herein.

Assessment of Teacher Performance

Teacher performance will be evaluated during formal observations and periodic informal observations also known as “classroom walkthroughs.” Such performance, which will comprise fifty-percent (50%) of a teacher’s effectiveness rating, will be assessed through a holistic process by trained and credentialed evaluators based upon the following *Ohio Standards for the Teaching Profession*:

- a. Understanding student learning and development and respecting the diversity of the students they teach;

- b. Understanding the content area for which they have instructional responsibility;
- c. Understanding and using varied assessment to inform instruction, evaluate and ensure student learning;
- d. Planning and delivering effective instruction that advances individual student learning;
- e. Creating learning environments that promote high levels of learning and student achievement;
- f. Collaborating and communicating with students, parents, other educators, district administrators and the community to support student learning; and
- g. Assuming responsibility for professional growth, performance and involvement.

Teachers subject to evaluation under this policy will be evaluated annually using:

1. the Formal Observation Procedure described herein; and
2. a series of Informal Observation/Classroom Walkthroughs.

Evaluators will consider and cite evidence gathered from a variety of sources in addition to the observation when completing the teacher performance evaluation rubric. Sources of evidence include: professional growth and improvement plans, conferences (pre, post, etc.), classroom walkthroughs, and any evidence provided by the teacher.

Formal Observation and Classroom Walkthrough Sequence

- All instructors who meet the definition of “teacher” under R.C. 3319.111 and this policy shall be evaluated based on two (2) formal observations of at least 30 minutes each and periodic classroom walkthroughs each school year.
- Teachers on a limited contract who are under consideration for renewal/nonrenewal based on performance shall receive three (3) formal observations of at least 30 minutes unless the Superintendent waives the third observation.
- Teachers who receives a rating of “Accomplished” on his/her most recent evaluation may be evaluated once every three years, so long as the teacher’s student academic growth measure for the most recent school year for which data is available is average or higher. However, at least one observation, which includes a conference with the teacher, must be held each year.
- Teachers who receive a rating of “Skilled” on his/her most recent evaluation may be evaluated once every two years, so long as the teacher’s student academic growth measure for the most recent school year for which data is available is average or higher. However, at least one observation, which

includes a conference with the teacher, must be held each year.

Evaluations will be completed by May 1st and each teacher will be provided a written report of the results of his/her evaluation by May 10th. Written notice of nonrenewal will be provided by June 1st.

In evaluating teacher performance in these areas, the Board shall utilize the measures set forth by the Ohio Department of Education's OTES "Teacher Performance Evaluation Rubric" for instructional planning, instruction and assessment, and professionalism."

Formal Observation Procedure

- A. A minimum of two (2) formal observations shall be conducted to support summative evaluation. A formal observation shall last a minimum of thirty (30) continuous minutes. Efforts will be made by evaluators to facilitate a longitudinal view of a teacher's performance by appropriately spacing the observations. At a minimum, there shall be at least twenty (20) school days between formal non-continuous observations.
- B. Teachers shall not receive a formal observation on a day before or after the following: the administration of standardized testing; a holiday or any break from scheduled school days (excluding weekends); or any approved leave of absence or a day following a teacher sick day.
- C. All formal observations shall be preceded by a conference between the evaluator and the employee at least three (3) working days prior to the observation (unless otherwise agreed upon by the teacher and the evaluator) in order for the employee to explain plans and objectives for the classroom situation to be observed. Each observation will be announced unless there is mutual agreement upon between evaluator and the employee. The pre-conference shall be at a mutually agreed upon time prior to the observation. There will be at least 72 hour notice prior to the announced observation. At the pre-observation conference teachers shall provide evidence for the classroom situation to be observed on the pre-observation form (Appendix).
- D. A post-observation conference shall be held after each formal observation. The post conference will be held within 5 work days after the formal observation (unless otherwise agreed upon by the teacher and the evaluator). The conference shall be used to inform the teacher if observed instructional practices are aligned with the expectations that are identified in the Ohio Standards for the Teaching Profession as defined in the Teacher Performance Evaluation Rubric, the teacher's professional growth or improvement plan, afford the teacher the opportunity to provide additional evidence of performance, and discuss professional development opportunities.

Informal Observation/Classroom Walkthrough Procedure

A walkthrough is a formative assessment process that focuses on one or more of the following components and results in brief written notes or a summary:

- 1) evidence of planning;

- 2) lesson delivery;
- 3) differentiation;
- 4) resources;
- 5) classroom environment;
- 6) student engagement;
- 7) assessment; or
- 8) any other component of the standards and rubrics approved for teacher evaluation

A walkthrough shall consist of at least 5 consecutive minutes, but not more than 12 consecutive minutes in duration. The walkthrough should be of sufficient duration to allow the evaluator to assess the focus of the walkthrough.

Data gathered from the walkthrough must be placed on the form designated in the Appendix. Feedback from walkthroughs shall be provided electronically within 24 hours of the observation. The teacher and or administrator may request a face to face meeting to discuss observations relative to the identified focus of the walkthrough.

Classroom walkthroughs shall not unreasonably disrupt and/or interrupt the learning environment.

Assessment of Student Growth

In determining student growth measures, the Board adopts the Ohio Department of Education's Ohio Teacher Evaluation System (OTES), which calculates student growth by assessing achievement for an individual student occurring between two points in time. It is important to note that a student who has forty-five (45) or more absences for the school year will not be included in the determination of student academic growth.

In general, the Board will utilize the following categories to determine this aspect of a teacher's evaluation, depending upon the instructor involved:

- A1: Teachers instructing in value-added subjects exclusively¹;
- A2: Teachers instructing in value-added courses, but not exclusively²; or
- B: Teachers instructing in areas with Ohio Department of Education approved vendor assessments with teacher-level data available; or
- B2 Teachers instructing in areas with Ohio Department of Education approved

¹ The entire student academic growth factor of the evaluation (i.e. 50%) shall be based on the value-added progress dimension.

² For these teachers, value added will be used for the student academic growth factor in proportion to the part of a teacher's schedule of courses or subjects for which the value-added progress dimension is applicable. Teachers with multiple subjects that have value-added data will be issued reports for a composite of reading and math; for other assessments (approved vendor and local measures), the assessment data measures should be representative of the teacher's schedule.

vendor assessments, but not exclusively; or

- C: Teachers instructing in areas where no teacher-level value-added or approved vendor assessment available.³

Where value-added methodologies exist for A1 and A2 teachers, the Board will utilize them in the evaluation process, to the extent set forth in the Ohio Teacher Evaluation Framework for “District Student Growth Measurement Index.” Teachers instructing in value-added courses, but not exclusively, will utilize teacher value-added and locally determined measures proportionate to the teacher’s schedule.

When an approved Ohio Department of Education vendor assessment is utilized in the measurement of student growth, it will be included in the evaluation process for B teachers to the extent set forth in Ohio Teacher Evaluation Framework for “District Student Growth Measurement Index.”

When neither teacher-level value-added data nor Ohio Department of Education-approved assessments are available, the District shall use locally-determined Student Growth Measures for C teachers as set forth in Ohio Teacher Evaluation Framework for “District Student Growth Measurement Index.” Student Growth Measures may be comprised of SLOs, shared attribution, and/or non-Value-Added vendor data.

An SLO must be based upon the following criteria: Baseline and Trend Data, Student Population, Interval of Instruction, Standards and Content, Assessment(s), Growth Targets, and Rationale for Growth Targets. When new SLO’s are developed or revised, the process will include consultation with the ERC. The Board’s process for creating and revising SLO’s is set forth in the Appendix.

Data from these approved measures of student growth will be scored on five (5) levels in accordance with the Ohio Department of Education/OTES guidance and converted to a score in one of three (3) levels of student growth:

- a. Above
- b. Expected
- c. Below

District Approved Assessments

Assessments used within SLO’s will be District approved in conjunction with the Evaluation Review Committee (ERC). These assessments will include the key subject and grade-level content standards and curriculum that will be taught during the interval of instruction. When examining assessments for alignment, teachers and teacher teams should look for the following:

³ If used, only one “shared attribution” measure can be utilized per instructor.

- Items on the test should cover key subject/grade-level content standards.
- No items on the test should cover standards that the course does not address.
- Where possible, the number of test items should mirror the distribution of teaching time devoted to concepts or the curriculum focus. For example, if a foreign language teacher devotes almost equal amounts of time to developing students' reading comprehension, listening comprehension, oral communication, and written communication skills, he or she should not use a test that devotes 90 percent of the test to reading comprehension. Instead, the distribution of the test should mirror instruction, meaning that about a quarter of the test should focus on each of the four skills listed above.
- The items or tasks should match the full range of cognitive thinking required during the course. For example, if the main foci of the mathematics content standards are solving word problems and explaining reasoning, some questions or items on an assessment should require students to solve word problems and explain how they arrived at their answers. The assessment should require students to engage in higher-order thinking where appropriate. These items or tasks may require students to use reasoning, provide evidence, make connections between subjects or topics, critique, or analyze.
- All District approved assessments will include the growth targets to be used in determining student growth.

Assessments will be submitted to the teacher's grade level principal(s) for approval.

Principals will use the District's rubric for Evaluating District Assessments.

Student Growth Measures (SGM)/Student Learning Objectives (SLO)

When utilizing vendor assessments to construct SGMs, all related materials shall be purchased by the Board, and all affected staff shall be trained on utilization and other considerations by September 30th.

When utilizing SLOs to construct SGMs, the teacher shall submit the completed SLO template for approval of the SLO no later than September 30th. This requirement will be modified for the 2013-2014 school year.

1. The ERC shall review all submitted SLOs by October 15.
2. Any SLO that is rejected by the ERC or the Superintendent shall be returned to the teacher/group with specific designation of deficiencies by October 20th with five (5) days for the resubmittal of the corrected SLO.

Teachers shall administer the final assessment to determine student growth as defined in the approved SGMs.

Prior to submitting the SGM results to the designated evaluator, the teacher may request that

the ERC review the results for the sole purpose of verifying accuracy.

High stakes employment decisions (dismissal, retention, tenure, compensation) will not be materially informed by consideration of the student growth portion of the teacher evaluation unless or until there has been a minimum of three consecutive years of SGM data from the same grade level, subject matter, and/or age level, i.e. 2016-2017.

The District may use shared attribution SGM scores as determined in consultation with the ERC.

Job sharing arrangements: The percentage of SGM scores applicable to teachers in an approved job sharing arrangement shall be mutually agreed upon by the individual teachers in the job sharing arrangement and the building principal.

Co-teaching arrangements (e.g. Inclusion): Teachers who have an approved co-teaching arrangement shall have a percentage of the SGM score for the individual teachers in the co-teaching arrangement based on the time each has spent with the student(s).

Final Evaluation Procedures

Each teacher's performance rating will be combined with the assessment of student growth measures to produce the summative evaluation rating, based upon the criteria determined by ODE.

The summative evaluation of a teacher shall be based upon student growth measures resulting from assessments that were administered in the previous school year and performance that is assessed during the walkthroughs and formal observations that are conducted for the current school year.

The evaluation shall acknowledge the performance strengths of the teacher evaluated as well as performance deficiencies, if any. The evaluator shall note all the data used to support the conclusions reached in the formal evaluation report. The evaluation report shall be signed by the evaluator. The evaluation report should then be signed by the teacher to verify notification to the teacher that the evaluation will be placed on file, but the teacher's signature should not be construed as evidence that the teacher agrees with the contents of the evaluation report.

The evaluation report shall be completed by May 10th, signed by both parties, and sent to the Superintendent.

The teacher shall have the right to make a written response to the evaluation and to have it attached to the evaluation report to be placed in the teacher's personnel file. A copy, signed by both parties, shall be provided to the teacher.

Only the Final Summative Rating of Teacher Effectiveness will be reported to eTPES.

Professional Growth Plans and Professional Improvement Plans

There will be three categories of Growth or Improvement plans:

- 1) Teachers rated accomplished or who have above expected student growth will develop their growth plan independently and submit their plan to their credentialed evaluator. Professional growth and improvement plans for a school year shall be developed not later than September 1 of that school year. The professional growth plan shall include the following components:
 - Identification of area(s) for future professional growth;
 - Specific resources and opportunities the teacher wants to explore to enhance their skills, knowledge, and practice including a review of Board-approved and funded options, if applicable.
 - Outcomes that will enable the teacher to increase student learning and achievement.
- 2) Teachers who meet Expected levels of student growth or attain a rating of skilled or developing must develop a professional growth plan collaboratively with their credentialed evaluator for the evaluation cycle. Professional growth and improvement plans for a school year shall be developed not later than September 1 of that school year.

The professional growth plan shall include the following components:

- Identification of area(s) for future professional growth;
 - Specific resources and opportunities to assist the teacher in enhancing skills, knowledge, and practice, including a review of Board-approved and funded options, if applicable; and
 - Outcomes that will enable the teacher to increase student learning and achievement.
 - A teacher may use their Professional Growth Plan to develop his/her IPDP for the LPDC in order to meet renewal requirements for their certificate/license.
- 3) Teachers who meet Below-Expected levels of student growth and are rated Ineffective on the Teacher Performance component must comply with an improvement plan developed their credentialed evaluator or an evaluator assigned by the Superintendent/designee from the District's Board-approved list. Improvement plans for the next school year shall be developed not later than June 1st of each school year. The improvement plan shall include the following components:
 - An Improvement Statement identifying specific area(s) for improvement as related to the Ohio Standards for the Teaching Profession;
 - A desired level of performance that is expected to improve and a reasonable time period to correct deficiencies;

- A specific Plan of Action that must be taken by the teacher to improve his/her performance with sources of evidence (measurable goals) to document the completion of the improvement plan;
- A description of educational supports and/or opportunities for professional development, including a review of Board-approved and funded options, if applicable, needed to improve the identified area(s).
- A teacher may use their Professional Growth Plan to develop his/her IPDP for the LPDC in order to meet renewal requirements for their certificate/license.

Core Subject Teachers – Testing for Content Knowledge

Beginning with the 2015-2016 school year, core subject area teachers must register for and complete at Board expense all written examinations of content knowledge selected by the Ohio Department of Education if the teacher has received an effectiveness rating of “Ineffective” on his/her annual evaluation for two (2) of the three (3) most recent school years.

Board Professional Development Plan

In accordance with the Ohio State Board of Education’s statewide evaluation framework, the Board has adopted a specific plan for the allocation of financial resources to support the professional development of teachers covered by this policy. The plan will be reviewed annually.

Retention and Promotion Decisions/Removal of Poorly Performing Teachers

It is the purpose of this Standards-Based Teacher Evaluation Policy to improve the quality of instruction, enhance student learning and strengthen professional competence through meaningful feedback and targeted professional development. In addition, the evaluations produced will serve to inform the Board on employment decisions, i.e., retention, promotion of teachers, renewal of teaching contracts, and the removal/nonrenewal of poorly performing teachers.

The removal of poorly performing teachers shall be in accordance with the Ohio Revised Code and any applicable provisions of the Collective Bargaining Agreement in effect between the Board and the South Range Education Association (SREA).

Nothing in this policy will be deemed to prevent the Board from exercising its rights to non-renew, terminate, or suspend a teaching contract as provided by law and the terms of the collective bargaining agreement in effect between it and the South Range Education Association. The evaluation system and procedures set forth in this policy shall not create an expectation of continued employment for teachers on a limited contract that are evaluated under this policy. The Board reserves the right to non-renew a teacher evaluated under this policy in accordance with R.C. 3319.11 notwithstanding the teacher’s summative rating.

Compliance with Ohio Revised Code

The South Range Local School District and the South Range Education Association will abide by all changes in law that affect and change the provisions of this policy.
