ARTICLE 1
AGREEMENT

Section 1.1 This Agreement is made and entered into by the Athens County Sheriff's Office, hereinafter referred to as the "Employer," subject to the approval of the Athens County Commissioners, and the Ohio Patrolmen's Benevolent Association, hereinafter referred to as the "Union." This Agreement has as its purpose: to comply with Ohio Revised Code Section 4117, to establish the wages, hours, and other terms and conditions of employment for all employees in the bargaining unit.

ARTICLE 2
UNION RECOGNITION

Section 2.1 The Employer recognizes the Union as the sole and exclusive representative for the purpose of negotiating wages, hours, terms, and other conditions of employment for those employees of the Employer in the bargaining unit. Wherever used in this Agreement, the term "bargaining unit" shall be deemed to include all employees included in the bargaining units, described in the State Employment Relations Board's Case Number 98-REP-05-0110. For purposes of this Agreement, the bargaining units are deemed as follows:

1. Deputy Sheriffs and Transportation Officers

Section 2.2 All positions and classifications not specifically established herein as being included in the bargaining unit shall be excluded from the bargaining unit.

Section 2.3 In the event a new classification is created, the Sheriff shall meet with the Union concerning the new classification specification, and shall negotiate as to whether or not the new classification will be included in the bargaining unit. If the Employer and the Union cannot agree they shall jointly petition the State Employment Relations Board concerning only the new position in question. The decision by the State Employment Relations Board shall be final and binding on both parties.

ARTICLE 3
DUES CHECK-OFF

Section 3.1 The Employer and the Union agree that membership in the union is available to all employees occupying classifications determined by this Agreement to be appropriately within the bargaining units upon the successful completion of their probationary period.

Section 3.2 The Employer agrees to deduct regular Union membership dues twice each month from the pay of any employee eligible for membership in the bargaining unit upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the Employer by the employee. Upon receipt of the proper

authorization, the Employer will request the Auditor to deduct Union dues from the payroll check during the next pay period that Union dues deduction is normally made.

Section 3.3 The rate at which dues are to be deducted and a list of employees who have authorized deductions shall be certified to the Employer by the Treasurer of the Union by January 2nd of each year. One (1) month advance notice must be given the payroll clerk prior to making any changes in an individual's dues deduction.

Section 3.4 Each eligible employee's written authorization for dues deduction shall be honored by the Employer for the duration of this Agreement. An employee may only revoke his/her authorization for dues deduction by giving written notice to the Union and Employer with proof of service during the sixty (60) to thirty (30) day period prior to the expiration of this collective bargaining agreement.

Section 3.5 The total amount of dues deduction and a list of all employees whose dues have been deducted shall be transmitted to the Union Treasurer within ten (10) days following the date when the deduction was made.

Section 3.6 It is specifically agreed that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 3.7 It is agreed that neither the employees nor the Union shall have a claim against the Employer for errors in processing of deductions unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error is claimed to have occurred. If it is found an error was made, it will be corrected at the next pay period that the Union dues deduction would normally be made by deducting the proper amount. Payroll collection of dues shall be authorized for the exclusive bargaining agent only, and for no other organization attempting to represent the employees within the bargaining unit as herein determined.

Section 3.8 In the event a deduction is not made for any Union member during any particular month, the Employer upon written verification from the Union, will make the appropriate deduction from the following pay period in which dues are normally deducted, if the deduction does not exceed the total of two (2) months regular dues from the pay of any Union member. The Employer will not deduct more than one (1) month's regular dues for more than one (1) consecutive month.

Section 3.9 The Employer shall be relieved from making such individual dues deductions upon:

- A. Termination of employment,
- B. Transfer to a job other than one covered by the bargaining unit,
- C. Layoff from work,

- D. An agreed unpaid leave of absence, or
- E. Revocation of the check-off authorization in accordance with the terms of this Agreement.

Section 3.10 The Employer shall not be obligated to make dues deductions from any employee who, during any dues month involved, shall have failed to receive sufficient wages to equal the dues deductions.

ARTICLE 4 **MANAGEMENT'S RIGHTS**

Section 4.1 Except to the extent expressly modified by the provisions of this Agreement, the Employer reserves and retains solely and exclusively all of his legal rights to manage the operations of the Sheriff's Office, Athens County, Ohio, as such rights existed prior to the execution of this or any other previous agreement with the Union. The rights of the Employer shall include, but shall not be limited to, his rights to determine the facts which are the basis of management decisions; to establish, change, or abolish policies, practices, rules, or procedures for the conduct of the Sheriff's Office, its employees, and its service to the citizens of Athens County, Ohio, consistent with the provisions of this Agreement. Such management rights shall also include, but shall not be limited to the following:

- A. The right to determine and from time to time re-determine the number, locations, and relocations and types of its employees or to discontinue any performance by employees of the County of Athens;

Section 4.2 The Employer on its behalf hereby retains and reserves unto itself all rights, power, authority, duty, and responsibility conferred on and vested in it by the laws and Constitution of the State of Ohio and/or the United States of America.

The exercise of any such right, power, authority, duty, or responsibility by the Employer and the adoption of such rules, regulations, policies as it may deem necessary, and as they apply to employees represented by the Union, shall be limited only by the specific express terms of this Agreement.

ARTICLE 5

UNION REPRESENTATION

Section 5.1 Union Visitation. The Employer agrees that no more than two (2) non-employee officers or representatives of the Union shall be admitted to the Athens County Sheriff's Office facilities and sites during working hours upon advance notice to the Employer. - D. The representatives shall cease Union activities immediately upon the reasonable order of the supervisor of the area in which Union activity is being conducted or upon the reasonable order of the Union representative's immediate supervisor. If the Employer alleges that any Union representative is violating or abusing the rules of this Section, he

shall notify the Local Director. Upon such notice a conference will be scheduled to resolve the matter prior to initiating any disciplinary action.

Section 5.5 One (1) duly elected delegate or alternate to the annual conventions of the Union may be granted time off without pay for the purposes of participating in such conventions. The Union shall give the Employer advance notice of which member will be attending each convention. Such unpaid personal leave will be approved, subject to manpower requirements of the Sheriff's Office, upon receipt of the ten (10) days advance written notification by the Local Director.

Section 5.6 The Union shall provide to the Employer an official roster of its officers and representatives within thirty (30) days of the effective date of this Agreement. This roster will be updated within thirty (30) days of any change, and shall include the following:

- A. Name
- B. Address

Section 5.7 The Employer agrees to grant one (1) designated Union official one (1) scheduled shift off without pay per two (2) month time period for the purposes of attending Director's meetings. Such unpaid leave will be granted, subject to the manpower requirements of the Sheriff's Office, and subject to the following conditions:

- B. In order to provide coverage, employees will be permitted to trade shifts subject to subsection A;
- C. The Union agrees to give at least seven (7) calendar days advance notification to the Employer indicating the name of the Union official requesting such leave, the shift involved, and any arrangements for trading shifts.

Section 5.8 Bulletin Boards.

- A. The Employer shall provide the Union with a bulletin board for the purpose of posting union notices, leaflets and information.
- B. All union notices which appear on the bulletin board shall be posted and removed by the Director or Steward and shall relate to items of interest to the employees. ARTICLE 6

NO STRIKE-NO LOCKOUT

Section 6.1 The Employer and the Union recognize that a strike would create a clear and present danger to the public health, safety, and welfare, and that the Agreement provides machinery for the orderly resolution of grievances. The Union, therefore, agrees that there shall be no interruption of services by the employees because of any work slowdown, sick call, strike, sympathy strike, or other concerted effort which affects the Employer or his operations during the term of this Agreement or any extensions thereof.

Section 6.2 The Employer agrees that neither it, its officers, agents, or representatives, individually or collectively, will authorize, instigate, cause, aid, or condone any lockout of bargaining unit members during the term of this Agreement unless those employees have violated Section 6.1 of this Article.

Section 6.3 If any members of the bargaining unit, either individually or collectively, engage in a work slowdown, walkout, or any other concerted effort resulting in interruption of services, the Union shall publicly denounce such violation, disclaim approval, and order all member participants to return to work immediately. Should the employees fail to immediately return to work or the Union fail to publicly denounce and disclaim approval of such violation, the Employer shall have the option of canceling any article, section, or subsection of this Agreement. Any employee who participates or promotes such strike activities as previously outlined shall be subject to immediate discipline, including discharge, and only the question of whether or not he/she did, in fact, participate in or promote such action shall be subject to appeal.

Section 6.4 Nothing in this Article shall be construed to limit or abridge the Employees right to seek other available remedies provided by law to deal with any unauthorized or unlawful strike.

ARTICLE 7
PLEDGE AGAINST DISCRIMINATION AND COERCION

Section 7.1 The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination based upon age, sex, race, color, creed, national origin, disability, religion, or political affiliation. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement.

Section 7.2 All references to employees in this Agreement designate both sexes, and wherever the male gender is used it shall be construed to include male and female employees.

Section 7.3 The Employer agrees not to interfere with the rights of eligible employees to become members of the Union, and there shall be no discrimination, interference, restraint, coercion, or reprisal by any Employer representative against any employee in the bargaining unit because of Union membership or because of any legal employee activity in an official capacity on behalf of the Union.

Section 7.4 The Union recognizes its responsibility as bargaining agent and agrees to equally represent all employees in the bargaining unit without discrimination, interference, restraint, or coercion.

Section 7.5 The Union agrees not to interfere with the rights of employees to not become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the Union or its representatives against any employee exercising the right to abstain from membership in the Union or involvement in Union activities.

ARTICLE 8
LABOR/MANAGEMENT MEETINGS

Section 8.1 In the interest of sound labor/management relations, the Union and the Employer will meet at agreeable dates and times for the purpose of discussing those matters as outlined in Section 2 below. No more than two (2) employee representatives of the Union, three (3) representatives of the Employer and one (1) non-employee representative of the Union shall be permitted to attend such meetings.

Section 8.2 The Union shall furnish an agenda at least five (5) working days in advance of the scheduled meeting with a list of the matters to be taken up in the meeting and the names of those union representatives who will be attending. The purpose of such meeting shall be to:

A. Discuss the administration of this Agreement;

- B. Notify the Union of changes made by the Employer which may affect bargaining unit members of the Union;
- C. Discuss grievances which have not been processed beyond the final step of the grievance procedure when such discussions are mutually agreed to by the parties;
- D. Disseminate general information of interest to the parties;
- E. Give the Union representative the opportunity to share the view of their members and/or make suggestions on subjects of interest to their members;
- F. Discuss ways to improve efficiency and work performance; and
- G. Consider and discuss health and safety matters.

Local Union employee representatives attending Labor/Management meetings shall not suffer a loss in pay for time spent in such meetings if held during the employee's regular scheduled hours of work.

ARTICLE 9

GRIEVANCE PROCEDURE

Section 9.1 The term "grievance" shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation, or improper application of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement nor those matters not covered by this Agreement.

Section 9.2 It is mutually agreed that the prompt presentation, adjustment, and/or answering of grievances is desirable in the interest of sound relations between the employees and the Employer. Therefore, the following rules apply to the processing of grievances:

- A. All grievances must be processed at the proper step in the progression in order to be considered at any subsequent steps of the grievance procedure.
- B. Any employee may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal.
- C. Any grievance not answered by management within the stipulated time limits shall be considered answered in the negative and may be advanced by the employee to the next step in the grievance procedure.
- D. The number of days indicated at each level shall be considered as maximum. The time limits may, however, be extended or the steps herein waived by mutual agreement of the parties concerned, expressed in writing.
- E. If any grievance is not initiated at the informal step within five working (5) days after the employee knew of the event or condition upon which it is based, or with reasonable diligence should have known of such event or condition, the grievance shall be considered waived, shall no longer be deemed a grievance, and may not be processed as such.
- F. "Working days" as used in this Article shall mean Monday through Friday, and shall not include Saturdays, Sundays or days indicated as holidays pursuant to this Agreement unless calendar days are so specified.

Section 9.3 A grievance may be brought by any employee of the bargaining unit. Where a group of bargaining unit employees desire to file a grievance involving a situation affecting each employee in the same manner, one (1) employee selected by such group may process the grievance as a group grievance provided each employee desiring to be included in the group grievance signs said grievance. In a group grievance, only one (1) of the grievants shall be guaranteed no loss of pay during processing steps provided by this Article. If more than one (1) employee's testimony is necessary at hearing held pursuant to this procedure, and the testimony is scheduled during the employee's regularly scheduled work shift, the employee shall be released for such testimony in paid status and shall return to work following completion of the testimony. No employee shall be entitled to pay for attending grievance hearings during hours in which the employee was not otherwise scheduled to work.

Section 9.4 All written grievances should contain the following information and must be filed using the grievance form mutually agreed to by the Union and the Employer:

- A. Aggrieved employee's name and signature;
- B. Aggrieved employee's classification;
- C. Date grievance was first discussed with immediate supervisor;
- D. Name of supervisor with whom grievance was discussed;
- E. Date grievance was filed in writing;
- F. Date and time grievance occurred;
- G. Where grievance occurred;
- H. Description of incident giving rise to the grievance;
- I. Article and Sections of Agreement alleged to be violated; and
- J. Resolution requested.

Section 9.5 The following procedures shall be followed in the processing of any grievance:

Step 1. An employee who has a grievance shall take it up verbally with his immediate supervisor. In order for a grievance to receive consideration it must be presented within five (5) working days of the occurrence of the event upon which the grievance is based or with reasonable diligence the grievant should have known of such event or condition. The supervisor and the employee shall document the date and time the verbal discussion occurs and the general subject matter of the alleged grievance. The immediate supervisor shall investigate the matter and provide an appropriate answer within five (5) working days following the day on which the supervisor was presented the grievance.

Step 2. If the grievance is not satisfactorily settled in Step 1, the employee may appeal in writing within five (5) working days after receipt of the Step 1 answer to the Sheriff or his designated representative.

Upon receipt of the written grievance, the Sheriff will schedule a meeting with the employee, and Local Director or steward if the employee desires, to be held within five (5) working days to discuss the grievance. The Local Director may request a non-employee representative of the OPBA to attend the meeting. The Sheriff shall give a written answer within five (5) working days following the meeting.

Step 3. Appeal. If the grievance involves discipline and is not satisfactorily settled at Step 2, the Union may request that the grievance be submitted to binding arbitration pursuant to the process set forth below.

As to all other grievances, including those that the State Personnel Board of Review does not have jurisdiction, the grievance shall be submitted to arbitration.

Arbitration. The Union's request for arbitration must be submitted to the Sheriff within thirty (30) calendar days following the Sheriff's reply to the grievance at Step 2 or the grievance shall be considered resolved and the matter shall not be submitted to arbitration.

On the date a grievance is submitted to arbitration, the Union or the Employer shall also submit written request to the Federal Mediation and Conciliation Service (FMCS) for a list of nine (9) arbitrators from FMCS Area #15 (Ohio) (National Academy of Arbitration, Ohio only) to be sent to each party for the purpose of selecting one (1) arbitrator to hear the case. The parties shall alternately strike the names of the arbitrators until only one name remains. The party requesting the arbitration shall strike the first name. Either party may once reject the remaining name and request from the FMCS another list of nine (9) names until a mutually agreeable arbitrator is selected.

The arbitrator shall limit his decision to a specific issue outlined in a submission agreement and strictly to the interpretation, application, or enforcement of the specific articles and sections of this Agreement. The arbitrator shall be without power or authority to make any decision:

- A. Contrary to, inconsistent with, or modifying or varying in any way the terms of this Agreement or applicable law;
- B. Concerning the establishment of wage rates not negotiated as part of this Agreement;
- C. Granting any right or relief on any alleged grievance occurring at any time other than the contract period in which such right originated, or make any award based on rights arising under any previous agreement, grievances, or practices; or
- D. Contrary to, inconsistent with, changing, altering, limiting, or modifying any practice, policy, rules, or regulations presently or in the future established by the Employer so long as such a practice, policy, rule, or regulation does not conflict with the Agreement.

In cases of suspension or greater, the arbitrator shall have the authority to recommend modification of said discipline. In the event of a monetary award, the arbitrator shall limit any retroactive settlement to the date the employee knew or should have known of the occurrence of the event or condition upon which the grievance is based in accordance with Section 9.2 (E) of this Article. Monetary awards resulting from suspensions shall be limited to the period of time or portion thereof during which the affected employee was suspended.

The arbitrator will make his award within thirty (30) days of the close of the hearing or within thirty (30) days after the filing of post-hearing briefs.

Unless contrary to law, the decision of the arbitrator shall be final and binding upon management, the Union, and any employee involved in the matter.

The costs and fees of the arbitrator shall be borne by the losing party. In the event that the arbitrator's decision fails to grant the requested award of either party and represents a "split decision," the cost and fees of the arbitrator shall be borne equally by the parties. The arbitrator shall be requested to rule on the assignment of costs at the time of presentation of the award. The expenses of any non-employee witness shall be borne, if any, by the party calling them. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter, or request a copy of any transcripts.

If the arbitrator decides the grievance is nonarbitrable or decides for the Union on arbitrability but against the Union on the merits, the Union should be considered the losing party.

ARTICLE 10 **DISCIPLINE**

Section 10.1 No employee shall be reduced in pay or position, suspended, discharged, or removed except for just cause. Forms of disciplinary action are limited to:

- A. Documented verbal warning;
- B. Written reprimand;
- C. Suspension with or without pay;
- D. Reduction; or
- E. Discharge from employment.

Discipline shall be applied in a corrective, progressive and uniform manner, except in cases of serious misconduct.

Section 10.2 If the supervisor or other representative of the Athens County Sheriff's Office has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

Section 10.3 Written reprimands shall cease to have force and effect twelve (12) months following their effective date providing there is no intervening disciplinary action taken during that time period.

Section 10.4 All records of suspension shall cease to have force and effect twenty-four (24) months following the date of the suspension providing there is no intervening written notice of disciplinary action during the twenty-four (24) month period. However, if evidence or testimony is introduced representing that the employee has had a clean work record during his employment, the Employer may raise the employee's prior disciplinary history to refute such evidence or testimony.

Section 10.5 An employee shall be given a copy of any written reprimand, or other written disciplinary action entered on his personnel record.

Section 10.6 Whenever the Employer determines that an employee may be suspended or terminated for disciplinary reasons, a disciplinary conference will be scheduled to give the employee an opportunity to offer an explanation of the alleged misconduct. The Employer shall determine who will conduct the disciplinary conference.

Not less than twenty-four (24) hours prior to the scheduled starting time of the disciplinary conference, the Employer will provide to the employee a written outline of the charges that may form the basis for the action including, if possible, identification of the specific rules/policies/procedures alleged to have been violated, together with written notification of the date, time and place of the hearing. The employee must choose to:

- A. Appear at the conference to present an oral or written statement in his defense;
- B. Appear at the conference and have one Union representative present an oral or written statement in defense of the employee;
- C. Elect in writing to waive the opportunity to have a disciplinary conference.

Failure to elect or pursue one of these three options will be deemed a waiver of the employee's rights to the disciplinary conference.

The Employer will decide what discipline, if any, is appropriate.

Section 10.7 Any employee who has been disciplined by suspension or discharge will be given a written statement describing the reason or reasons for which he or she has been suspended or discharged including, if possible, the identification of the specific rules/policies/procedures violated.

In the case of suspension, he/she will be advised of the duration of the suspension.

The Employer or his designee(s) may question and interview employees in the process of investigating any suspected violation without having a Union representative present.

Section 10.8 In any disciplinary meeting in which a reduction, suspension or dismissal is likely to result, the affected employee, at his option, shall be permitted the opportunity to have a Union officer present. This provision shall not prohibit the issuing of disciplinary action if the Union officer is unavailable or if the actions of the employee are of such gravity to warrant immediate suspension or removal from duty.

Section 10.9 All grievances involving disciplinary action of a suspension, demotion, or dismissal shall be filed directly at Step 2 of the Grievance Procedure.

Section 10.10 Verbal warnings and written reprimands still open may be appealed only up through Step 2 of the Grievance Procedure, and shall not be arbitrable. If a verbal warning or written reprimand is used as a basis for further disciplinary action, such warning or reprimand will be incorporated into the higher level of discipline.

ARTICLE 11
SENIORITY

Section 11.1 Total seniority established under this Agreement is as follows:

- A. “Total Seniority” is the employee’s total length of continuous service with the Athens County Sheriff’s Office. Wherever the term “seniority” is used in this Agreement, it shall mean “total seniority.”

Section 11.2 An employee’s seniority shall terminate:

- A. If the employee quits;
B. If the employee retires;
C. If an employee is discharged; or
D. If the employee is laid off for a period of more than fifteen (15) consecutive months.

Section 11.3 The Employer will provide the Union with one (1) copy of a seniority list within fourteen (14) calendar days after the effective date of this Agreement and every one (1) year thereafter, showing the seniority of each employee in the bargaining unit. Any employee shall have ten (10) working days after the list is prepared and posted in the Sheriff’s Office to protest his position on that list. If no challenge is received, the list shall be deemed accurate for the remainder of the posting period.

Section 11.4 Whenever seniority is the determining criteria to any terms and conditions contained in this Collective Bargaining Agreement and two (2) or more employees are tied as to the length of their applicable seniority, the oldest employee, by age, shall prevail.

Section 11.5 Any employee in the classification of Deputy who is promoted to another classification within the Athens County Sheriff’s Office shall return to the Deputies’ bargaining unit without loss of Seniority, under the following conditions:

- A. In the event that the promoted Deputy fails to retain his promoted position beyond the designated probationary period;
B. In the event of a layoff in the classification to which the employee is promoted;
C. In the event that the former bargaining unit member voluntarily accepts a demotion back to the classification of Deputy; or
D. In the event that the position to which the Deputy is promoted is abolished by the Employer.

The promotional probationary period shall be one hundred eighty days for all classifications covered by this agreement.

ARTICLE 12
FILLING OF POSITIONS

Section 12.1 Whenever the Employer determines a job vacancy exists in the bargaining unit

which he desires to fill, a notice of such opening, stating the job classification, job description, qualifications, eligibility requirement and rate of pay, shall be posted on the bulletin board within thirty (30) days of the vacancy occurring and shall remain posted for seven (7) calendar days. During this period, anyone wishing to apply for the open position shall submit a written application to the Sheriff. The Sheriff shall not be obligated to consider any applications submitted after the posting period.

Section 12.2 A vacancy is defined as a job opening as a result of a promotion, transfer, resignation, discharge, termination of employment, a newly created position, or an increase in the number of jobs available in an existing classification.
