PREAMBLE

This Agreement, entered into by the City of Kenton, Kenton, Ohio, hereinafter referred to as the “Employer”, and the Ohio Patrolmen’s Benevolent Association, hereinafter referred to as the “Union” or “OPBA”, has as its purpose the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code and to set forth the full and complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining unit as defined herein.

Wherever the term Employer is used herein, it shall include City Council, the Mayor, the Safety-Service Director, or such other persons as designated by the above.

ARTICLE 1 RECOGNITION

Section 1.1. The Employer recognizes the Union as the sole and exclusive bargaining representative for the purpose of establishing salaries, wages, benefits, and other conditions of employment for all employees employed full-time in the Kenton Police Department in the classification of “Police Sergeant,” as certified in Case Number 00-REP-10-0225 as certified by the State Employment Relations Board (SERB).

Section 1.2. All classifications not specifically included in the bargaining unit shall be excluded from the bargaining unit.

Section 1.3. All positions within the Police Department other than Police Sergeant and all temporary and auxiliary employees shall not be included in the bargaining unit.

Section 1.4. In the event any new job class is established within the Police Department, or if any existing job class within the bargaining unit is reclassified, the Employer and/or Union may jointly or separately petition the State Employment Relations Board (SERB) to amend or clarify the bargaining unit.

Section 1.5. Newly hired probationary employees shall be eligible for the bargaining unit but shall have no appeal rights in the event of their removal during the probationary period.

ARTICLE 2 DUES DEDUCTIONS

Section 2.1. The Employer and the Union agree that membership in the Union is available to any employee occupying the classification determined by this Agreement to be appropriately within the bargaining unit. Dues authorization for all eligible employees who wish to join the Union will be executed and submitted to the City payroll department. Union dues deductions shall begin with the first appropriate deduction period following receipt of the dues authorization.

Section 2.2. The Employer agrees to deduct regular Union membership dues each pay period from the pay of any employee eligible for membership in the bargaining unit upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the City payroll department by the employee or an officer of the Union. The payroll deduction authorization shall be on a form approved by the City and the Union.

Section 2.3. It is specifically agreed that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions, or proceedings by any employee arising from deductions made by the Employer hereunder. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 2.4. The Employer shall be relieved from making dues deductions upon an employee's: (a) termination of employment; (b) transfer to a job other than one covered by the bargaining unit; (c) layoff from work; (d) approved leave of absence; or (e) upon the termination of this Agreement.

Section 2.5. The Employer shall not be obligated to make dues deductions of any kind from any employee who, during any dues month involved, shall have failed to receive sufficient wages to equal the dues deduction after all deductions required by law are made from the employee's earnings.

Section 2.6. It is agreed that neither the employees nor the Union shall have a claim against the Employer for errors in the processing of deductions unless a claim of error is made to the Employer, in writing, within sixty (60) days after the date such error is claimed to have occurred. If it is found an error was made, it will be corrected during the next pay period that Union dues are normally deducted, by deducting the proper amount from the employee's pay check. Payroll collection of dues shall be authorized for the exclusive bargaining agent only, and no other organization attempting to represent the employees within the bargaining unit as herein defined.

Section 2.7. The names of employees and the rate at which dues are to be deducted shall be certified in writing to the payroll clerk by the Union. Any changes in the rate of dues deductions shall be certified in writing to the payroll clerk by the Union not less than thirty (30) days prior to the effective date of the change.

Section 2.8. For the duration of this Agreement, the Employer agrees to remit, to the Union, once each month, all dues deducted 'from eligible bargaining unit employees' pay in accordance with this Article.

Section 2.9. Deductions provided for in this Article are subject to the rules and regulations of the City Auditor for payroll deductions.

Section 2.10. All dues deductions for any month in which bargaining unit employees collectively engage in a strike or walkout, may be cancelled at the Employer's option upon twenty-four (24) hours notice to the Union.

Section 2.11. All employees who do not join the Union or remain members in good standing shall be required to pay a fair share fee to the Union as a condition of employment and in accordance with R.C. 4117.09. This obligation shall commence upon the successful completion of sixty (60) days of employment.

The deduction of a fair share fee by the Employer from the payroll check of the employee and its payment to the Union shall be automatic and shall be effectuated in the same manner as dues deductions except that it shall not require the written authorization of the employee.

ARTICLE 3 **MANAGEMENT RIGHTS**

Section 3.1. Nothing herein shall be construed to restrict any Constitutional, statutory, legal or inherent rights of the Employer with respect to matters of general legislative or managerial policy. The Employer shall retain the right and the authority to administer the business of its departments in addition to other functions and responsibilities which are not specifically modified by this Agreement. It shall be recognized that the Employer has and will retain the full right and responsibility to direct the operations of its departments, to promulgate rules and regulations and to otherwise exercise the prerogatives of management which more particularly, include but are not limited to the following:

ARTICLE 4
PROBATIONARY PERIODS

Section 4.1. Each employee upon entering a bargaining unit position shall serve a probationary period, which shall begin with the employee's first day of active service. Any leave of absence lasting more than ten (10) days shall automatically extend the employee's probationary period a proportionate amount of time. An employee may be removed at any time during the employee's probationary period at the discretion of the Employer.

Section 4.2. The probationary period for each newly hired employee shall be three hundred sixty-five (365) calendar days.

Section 4.3. Any employee promoted to a higher classification outside the bargaining unit shall serve a promotional probationary period as established for such classification. No promotion shall be deemed final until the employee has satisfactorily served the employee's promotional probationary period. An employee may be reduced to the position held prior to promotion at any time during the promotional probationary period for unsatisfactory service.

Section 4.4. Whenever there has been a grievance, administrative or court action filed challenging the validity of any promotion, and the reviewing agency or court determines the initial promotion to be invalid, the employee originally promoted will be returned to the position held prior to the promotion, pending court order stating otherwise. The Union and/or the returned employee may not grieve such a return as found in Article 28 of this Agreement.

ARTICLE 5
PLEDGE AGAINST DISCRIMINATION AND COERCION

Section 5.1. All references to employees in this Agreement designate both sexes. The Employer and the OPBA mutually agree this Agreement shall be written in a gender neutral format to avoid the use of male or female nouns or pronouns whenever possible. In the event a male or female noun or pronoun is inadvertently used anywhere in this Agreement, it shall be construed to include both male and female employees.

Section 5.2. The Employer agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion

by the Employer or its representatives against any legal employee activity or employees acting legally in an official capacity on behalf of the Union.

Section 5.3. The Union agrees there shall be no discrimination, interference, restraint, or coercion by the Union or its representatives against any employee exercising the right to abstain from membership in the Union or participation in any Union activity.

Section 5.4. The Employer and the Union shall not unlawfully discriminate against an employee on account of that individual's race, color, national origin, religion, sex, disability, ancestry, age, veteran's status, military status, or genetic information.

Section 5.5. The Employer and the Union agree that in the event an employee files a grievance alleging a violation of Section 5.4 and also files an EEOC, OCRC, or any other form of civil rights complaint with an administrative agency or the court alleging discrimination by the Employer, that such grievance shall be held in abeyance until all appeals outside the scope of this agreement have been resolved.

ARTICLE 6

HOURS OF WORK/OVERTIME

Section 6.1. The standard work week for bargaining unit employees shall be forty (40) hours in a seven (7) day period. Bargaining unit employees shall normally be scheduled to work Monday through Friday, except when it is necessary to otherwise schedule such employees on a temporary basis to meet the operational demands of the Department. Bargaining unit employees shall work five (5) consecutive days followed by two (2) consecutive off-days. The workday for bargaining unit employees shall consist of eight (8) consecutive hours. The parties recognize that the five (5) consecutive days may extend into separate workweeks as such is defined in Section 6.2.

Section 6.2. Any time worked in excess of the regular scheduled workday or in excess of forty (40) hours in the work week shall be considered overtime. The work week shall be computed between 11:01 p.m. on Friday of each calendar week and 11:00 p.m. the following Friday. Employees shall be compensated for each hour of overtime worked at the rate of one and one-half (1 1/2) times the employee's regular hourly rate of pay, except that employees required to work any hours during their regularly scheduled days off shall be compensated at two (2) times their regular hourly rate for each hour worked within twenty-four (24) hours of their next regularly scheduled shift.

The Employer reserves the right to require any employee to work overtime in order to meet the operational needs of the City.

For purposes of compliance with the Fair Labor Standards Act (FLSA) only, the parties agree overtime will be computed in accordance with Title 29 USC, Section 207(K).

Employees shall have the option to accrue compensatory time in lieu of overtime payment consistent with the computations contained in this Section. Employees shall be permitted to accrue up to a maximum of forty (40) hours of compensatory time on a revolving basis that may

be replenished upon use. After the accrual of the forty (40) hour maximum the employee must accept overtime payment for any overtime worked. Employees may use compensatory leave in minimum one (1) hour blocks with approval of the Chief or his designee to be granted based upon the operational needs of the Department. Accrued but unused compensatory time shall be carried over to the next year. Compensatory time shall be cashed out and paid to the employee upon separation from employment. At the employee's request, such shall be paid to the employee upon layoff.

Section 6.3. Overtime shall be subject to the approval of the Employer. Scheduled overtime subsequently cancelled for any reason, does not entitle an employee to overtime compensation.

Section 6.4. Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement.

Section 6.5. Work schedules shall be posted at least seven (7) days in advance of the effective date of the schedule except when due to an emergency, such seven (7) day advance posting is not possible. The Employer shall notify affected employees in advance whenever it is necessary to change the posted schedule.

Section 6.6. Calamity Days. At any time the normal operations of the City are shutdown due to a declared state of emergency by the Mayor, such as excessive snowfall, fuel shortages, or other calamity, employees required to and working shall receive their regular rate of pay plus receive another day off with pay for each calamity day worked.

ARTICLE 7

CALL-IN PAY/COURT TIME

Section 7.1. Call-in Pay. A call-in occurs whenever the Employer specifically requires an employee to return to work after the completion of the employee's regular shift and prior to the start of the employee's next regularly scheduled shift, thus necessitating an additional trip to and from work.

When an employee is called-in the employee shall be paid for the time worked but for not less than two (2) hours at the applicable hourly rate subject to the overtime provisions herein.

When the call-in is contiguous to the employee's regular work shift, the minimum call-in shall not apply but the employee shall be paid for the actual hours worked at the applicable rate subject to the overtime provisions herein.

Section 7.2. Court Time. Whenever an employee is required to appear during the employee's regular off-duty time before an official court or before the Prosecutor or Law Director for pretrial conference or for matters pertaining to or arising from the employee's official duties, the employee, with approval of the Employer or designee, shall be compensated for a minimum of two (2) hours for each such appearance, at the applicable rate subject to the overtime provisions herein. This provision shall not be applicable to appearances which are contiguous to the employee's regular work shift. In addition, an employee who appears at a time not contiguous to their regular work shift under this section may not be required to remain for any purpose other

than the court related appearance, except in cases of emergency. The preceding language shall not be construed as to limit the Employer's ability to assign overtime.

ARTICLE 8 **SHIFT DIFFERENTIAL PAY**

Section 8.1. Bargaining unit employees who work any amount of time from 3:00 p.m. to 11:00 p.m. shall receive shift differential pay of forty-five cents (\$.45) per hour for each hour worked during such time period.

Section 8.2. Bargaining unit employees who work any amount of time from 11:00 p.m. to 7:00 a.m. shall receive shift differential pay of fifty-five cents (\$.55) per hour for each hour worked during such time period.

Section 8.3. Shift differential pay shall be included as part of the employee's regular hourly rate when calculating the employee's overtime rate of pay.

Section 8.4. Shift differential shall not be applicable to any non-working time for which the employee is paid.

ARTICLE 9 **SICK LEAVE**

Section 9.1. Crediting of Sick Leave. Employees covered by this Agreement shall earn 4.6 hours of sick leave for each eighty (80) hours in active pay status. Active pay status includes all times when the employee is being compensated directly by the City of Kenton, excluding any unpaid leaves of absence or layoffs. An employee may accumulate unused sick leave without limit.

Section 9.2. Retention of Sick Leave. All employees entering the bargaining unit prior to July 1, 1989 shall have their sick leave balance on that date, including any unused sick leave previously credited due to prior employment with the City, the State or any political subdivision of the State, accredited to their accounts and shall accrue additional sick leave thereafter in accordance with the provisions herein.

All employees entering the bargaining unit after July 1, 1989 shall earn sick leave in accordance with this article and shall not be entitled to any sick leave earned during previous periods of employment with the City, the State or any other political subdivision of the State. Notwithstanding the above, employees promoted into the bargaining unit shall be entitled to all accumulated but unused sick leave credited to their account as of the date of their promotion.

Once a year, the Employer will issue to each employee a statement indicating accumulated sick time and vacation leave. The statement will be issued at the end of January each year giving the total accumulation as of December 31 of the previous year. It is understood that employees, at any time, can check their accumulated sick leave and vacation time with the Department Head.

Section 9.3. Uses of Sick Leave. Employees may use sick leave, upon approval of the Employer, for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees, and for illness, injury, or death in the employee's immediate family. Payment shall be made upon recommendation of the supervisor and approval of the Safety- Service Director. In the case of a member of the immediate family not living in the same household, the City may credit sick leave when it is believed justified, but such cases will be carefully investigated. An employee shall be permitted to take a portion of a sick day for medical, dental, or optical examination which cannot be scheduled during non-working hours. A certificate from a licensed physician, dentist, or optometrist verifying the appointment shall be required.

For the purposes of this Section, "immediate family" shall be defined as the employee's father, mother, spouse, child, brother, sister, grandparents, grandchildren, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, spouse's grandparents or a person standing in place of the employee's or spouse's parents.

Section 9.4. Notification by Employee. When an employee is unable to report to work, the employee shall notify the dispatcher or other designated person, one-half (1/2) hour prior to the time the employee is scheduled to report to work on each day of absence, unless the employee makes other advance arrangements with the Lieutenant or Police Chief.

Notwithstanding the above, when an employee has any advance knowledge of an intended use of sick leave the employee shall notify the Police Chief or designee of such intended usage as soon as practical. Employees failing to report as outlined above shall be subject to disciplinary action, but shall still be eligible for sick leave benefits provided they report their absence no later than their scheduled starting time.

If an employee reports within thirty (30) minutes following the employee's scheduled starting time, the employee will be placed on an unpaid leave of absence for the day and will not be entitled to sick leave benefits.

Employees who fail to report their absence within thirty (30) minutes following their scheduled starting time or who continually fail to report their absence timely, shall be considered absent without leave, subject to disciplinary action and shall not be entitled to sick leave benefits.

Section 9.5. Evidence Required for Sick Leave Usage. Any employee requesting sick leave shall be required to furnish a standard written statement to justify the use of sick leave or, in accordance with Section 9.6, a certificate stating the nature of the illness from a licensed physician, dentist or optometrist. Falsification or failure to provide either the written and signed statement or a physician's certificate shall be grounds for disciplinary action including denial of sick leave payment.

The written and signed statement and physician's certificate, if required, must be submitted to the employee's Department Head by the end of the pay period in which sick leave is requested. The Department Head shall submit the request for sick leave with the Department Head's recommendation, to the Safety-Service Director for the Director's approval or disapproval of the request. Employees shall not be paid sick leave until they have submitted the above statement

and/or certificate, in accordance with this Section, and the request has been approved by the Safety-Service Director.

Section 9.6. Physician Statement. Anytime an employee requests sick leave exceeding two (2) days or anytime the employee requires medical attention while on sick leave, the employee shall obtain a certificate stating the nature of the illness or injury from a licensed physician and submit a copy of such certificate to the Police Chief.

Where sick leave exceeding two (2) days is requested to care for a member of the employee's immediate family, the City may require a physician's certificate to the effect that the presence of the Employee is necessary to care for the ill person.

Section 9.7. Charging of Sick Leave. Sick leave shall be charged in minimum units of one (1) hour. An employee shall be charged for sick leave only for days on which the employee would otherwise have been scheduled to work. Sick leave payment shall not exceed the normal scheduled work day or work week earnings.

Section 9.8. Expiration of Sick Leave. If illness or disability continues past the time covered by earned sick leave, an employee may request either an unpaid personal leave of absence or an unpaid disability leave in accordance with the appropriate Article and Sections of this Agreement.

Employees who have exhausted their accumulated sick leave and who have failed to have a leave of absence approved, shall be considered absent without leave and subject to disciplinary action.

Section 9.9. Abuse of Sick Leave. Employees failing to comply with sick leave rules and regulations shall not be paid and shall be subject to appropriate disciplinary action in accordance with this Agreement.

Section 9.10. Excessive Use of Sick Leave. If an employee uses sick leave on four (4) separate occasions of sixteen (16) hours or less per occasion during a calendar year (January 1st - December 31st), the employee shall receive a verbal counseling.

If an employee uses sick leave on five (5) separate occasions of sixteen (16) hours or less per occasion during a calendar year (January 1st - December 31st), the employee shall receive a written reprimand.

Verbal counselings and written reprimands issued to employees pursuant to this section shall cease to have force and effect at the end of the calendar year in which they are issued provided there is no pattern of abuse. If such pattern of abuse is relevant, the effectiveness, of verbal counselings and written reprimands issued pursuant this section shall be in accordance with Article 30, contained herein.

If an employee uses sick leave on six (6) or more separate occasions in a calendar year (January 1st- December 31st), the employee's use of sick leave benefits thereafter shall be limited as follows:

The first two (2) consecutive work days of any sick leave occasion will be without pay; however, the employee may utilize vacation time for such absence. If an employee's sick leave is for three (3) or more consecutive work days, sick leave will be paid starting on the third day. If an employee utilizes vacation time to supplement the two (2) consecutive work days without pay, as described above, the Employer shall record the two (2) consecutive work days as a two (2) day working suspension for purposes of progressive discipline.

The reduction of sick leave for the first two (2) consecutive days under this provision does not preclude the right of the Employer to take further disciplinary action for excessive or unexcused absenteeism.

An occasion of sick leave usage as used in this Article shall mean each time sick leave is used for other than a regularly scheduled course of medical treatment of an employee as directed and verified by the employee's physician and pre-approved by the Employer. Any usage of sick leave by an employee where FMLA has been approved, in accordance with Article 11, Family and Medical Leave/Disability Leave contained herein, shall not be counted as an occasion against such employee.

Section 9.11. Physical Examination. The City may require an employee to take an examination, conducted by a licensed physician, to determine the employee's physical or mental capability to perform the duties of the employee's position; the cost of the above examination shall be paid by the City.

Section 9.12. Severance Pay. Each employee who retires from employment with the City of Kenton shall be paid for the employee's accumulated but unused sick leave in accordance with the following schedule:

<u>Years of Service With the City of Kenton</u>	<u>Percentage of Days Paid</u>	<u>Maximum Payment Allowable</u>
10 years but less than 15 years	50%	336 hours
15 years but less than 20 years	75%	532 hours
20 years or more	100%	700 hours

In order to qualify for the above payment, the employee must be eligible for retirement in accordance with the applicable State retirement plan at the time of the employee's separation from City employment. Employees who otherwise separate their employment with the City, other than for disciplinary reasons, shall be paid for twenty-five percent (25%) of their accumulated but unused sick leave up to a maximum payment as follows:

<u>Years of Service With the City of Kenton</u>	<u>Maximum Payment Allowable</u>
10 years but less than 15 years	240 hours
15 years but less than 20 years	380 hours
20 years or more	500 hours

The above payments shall be made at the employee's regular rate of pay at the time of separation from employment; shall be paid at the time of the next regular wage payment to City Employees; and shall be subject to all lawful deductions. Employees shall only be eligible for payment in accordance with this section for sick leave accumulated while employed by the City of Kenton.

Any employee who has or reaches an accumulated but unused sick leave balance of 1,000 hours or more during the duration of the Agreement, effective 2/1/01 to 12/31/03, shall qualify to participate in the following sick leave cash-in program. Qualified employees must maintain at least five hundred (500) hours of accumulated but unused sick leave in order to continue participation.

Qualified employees may choose to cash-in up to one hundred (100) hours of accumulated but unused sick leave in each year of the Agreement, effective 2/1/01 to 12/31/03. Such payment shall be at the regular hourly rate of the employee at the time of the request. The cash-in must be requested in writing no later than the last pay period in January and the last pay period in August. The maximum amount to be requested during either requesting period shall be fifty (50) hours, except for August 2001 at which time a qualified employee may request up to one hundred (100) hours.

Upon the onset of the recognized condition, or as soon as possible thereafter, the employee shall file an injury/accident report with the Employer in accordance with the Employer's policies. The employee must also cooperate in filing a claim for workers compensation, medical coverage only. Any employee who files a claim with workers compensation for lost time wages shall not be eligible for injury leave as provided for in this Article, however, nothing contained in this section may be construed as a waiver by the employee of any benefits to which the employee is entitled under the worker's compensation act.

Section 10.2. The employee shall return to work in a transitional work assignment, if available and able, during such period of disability. Said assignment shall be at the sole discretion of the Employer, with the concurrence of a physician. If a transitional work assignment is not applicable due to the employee's injury or as determined by the Employer, the employee shall, at the request of the Employer, submit to a physical exam by a licensed physician of the Employer's choice to determine if physical therapy may aid in the recuperation and return to

work of the employee. Physical examinations required pursuant to this Article shall be at the Employer's expense.

Section 10.3. Any employee suffering an injury that is determined to be a non-work related injury by the Bureau of Worker's Compensation shall not be eligible for injury leave as provided for in this Article.

ARTICLE 11 **FAMILY AND MEDICAL LEAVE/DISABILITY LEAVE**

Section 11.1. Employees shall be entitled to Family and Medical Leave pursuant to the Family and Medical Leave Act of 1993. The Employer shall comply with its duties and obligations under the Act. Any ambiguities in its duties and obligations shall be resolved by reference to the applicable federal regulations and applicable case law. References herein to the Family and Medical Leave Act of 1993 includes subsequent amendments.

The cost of any medical statements required by this section shall be the responsibility of the employee.

ARTICLE 27
DRUG/ALCOHOL TESTING

Section 27.1. Drug/alcohol testing may be conducted on employees post-accident and/or upon reasonable suspicion that the employee is under the influence or is abusing drugs or alcohol. Reasonable suspicion that an employee used or is using a controlled substance or alcohol in an unlawful or abusive manner may be based upon, but not limited to: .

- A. Observable phenomena, such as direct observation of drug or alcohol use or possession and/or the physical symptoms of being under the influence of a drug or alcohol;
- B. A pattern of abnormal conduct or erratic behavior, including abnormal leave patterns;
- C. Arrest or conviction for a drug or alcohol-related offense, or the identification of an employee as the focus of a criminal investigation into illegal drug or alcohol possession, use or trafficking;
- D. Information provided either by reliable and credible sources or independently corroborated;
- E. Evidence that an employee has tampered with a previous drug test; and
- F. Facts or circumstances developed in the course of an authorized investigation of an accident or unsafe working practice.

A bargaining unit employee may of his own volition, even if not ordered to do so, undergo a drug and/or alcohol screening test if the employee is involved in an on duty incident or accident involving bodily injury, extensive property damage or death. Testing done under these circumstances will be treated in the same manner as if the employee had been ordered to undergo screening.

Section 27.2. All drug screening tests shall be conducted by medical laboratories certified by the Department of Health and Human Services or certified by a DHHS recognized certification program. No test shall be considered positive until it has been confirmed by a gas Chromatography/Mass Spectrometry full scan test. The procedures utilized by the Employer and testing laboratory shall include an evidentiary chain of custody control. All procedures shall be outlined in writing and this outline shall be followed in all situations arising under this Article. The split sample method of collection shall be used following prescribed testing procedures.

Section 27.3. Alcohol testing shall be done in the same manner used to detect drivers operating a motor vehicle under the influence. Any detectable level of blood alcohol concentration shall entitle the Employer to proceed with sanctions as set forth in this Article.

Section 27.4.

- A. The results of the testing shall be delivered to the employee tested. The employee shall be contacted by the medical review officer prior to the test results being delivered to the

Employer. An employee whose confirmatory test result is positive shall have the right to request a certified copy of the testing results in which the vendor shall affirm that the test results were obtained using the approved protocol methods. The employee shall provide a signed release for disclosure of the testing results. Refusal to submit to the testing provided for under this Agreement may be grounds for discipline. Refusal to submit to post accident testing provided for under this Agreement will also presumptively disqualify an employee from worker's compensation benefits in accordance with O.R.C. 4121.

- B. The Employer may suspend the employee without loss of pay before the time the confirmatory test results are complete. If the screening test and confirmatory test are positive, the Employer may discipline the employee. The use of illicit substances, on or off duty, will ordinarily result in termination. The improper use of prescription drugs and/or alcohol may result in a lesser discipline, depending upon the relevant circumstances. Such discipline must be uniform in its application.

Section 27.5.

- A. If a drug screening test is positive, the employee may, upon written request and at the employee's expense, have the split sample retested by a DHHS certified laboratory of the employee's choice. This request shall be presented within seventy-two (72) hours upon being notified of a positive result.
- B. In the event the split sample test confirms the results of the first test, the Employer may proceed with the sanctions as set forth in this Article.
- C. In the event that the split sample test contradicts the result of the first test, the split sample result is determined to be the final result. The results of this test, if positive, shall allow the Employer to proceed with sanctions as set forth in this Article. If the results are negative, the employee shall be given the benefit of the doubt and no sanctions shall be imposed.

Section 27.6. The name of the testing laboratory shall be maintained by the Employer. This laboratory shall conduct any testing directed by the Employer.

Section 27.7. If the testing required above has produced a positive result, the Employer may take disciplinary action and/or require the employee to participate in any rehabilitation or detoxification program that is covered by the employee's health insurance. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick time, vacation leave, and other accumulated paid leave days for a period of the rehabilitation or detoxification program. If no such leave credits are available, the employee shall be placed on medical leave of absence without pay for the period of the rehabilitation or detoxification program. Upon completion of such program, and upon receiving results from a retest demonstrating that the employee is no longer abusing a controlled substance, the employee may be returned to the employee's former position. Such employee may be subject to periodic retesting upon return to the employee's position for a period of one (1) year from the date of the employee's return to work. Any employee in a rehabilitation or detoxification program in

accordance with this Article will not lose any seniority or benefits, should it be necessary for the employee to be placed on medical leave of absence without pay for a period not to exceed ninety (90) days.

Section 27.8. If the employee refuses to undergo rehabilitation or detoxification, or if the employee tests positive during a retesting within one (1) year after the employee's return to work from such a program, the employee shall be subject to disciplinary action up to and including termination of employment.

Section 27.9. Costs of all drug screening tests and confirmatory tests shall be borne by the Employer except that any test initiated at the request of the employee shall be at the employee's expense.

The cost of periodic retesting after return to work after rehabilitation will be at the Employer's expense. Such periodic retesting shall be limited to four (4) times during the one (1) year period following return to work.

ARTICLE 28 **GRIEVANCE PROCEDURE**

Section 28.1. The term "grievance" shall mean an allegation by a bargaining unit employee or the Union that there has been a breach, misinterpretation, or improper application of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement nor those matters covered by applicable provisions of Federal or State Laws. It is the intent of the Union and the Employer that this grievance procedure be the sole and exclusive appeal procedure for employees within the bargaining unit and any other appeal procedures which previously existed under Civil Service or other laws are hereby waived.

Section 28.2. In order for an alleged grievance to receive consideration under this procedure, the grievant must identify and process the alleged grievance as outlined in Step 1, below, within ten (10) days of the occurrence of the event giving rise to the grievance.

It is not intended that the grievance procedure should eliminate informal discussions between employees and management for resolution of complaints or problems before they reach the formal grievance procedure. However, if the employee and management are unable to resolve any grievance as defined in Section 28.1 above, the employee may file a formal grievance in the following manner:

Step 1: The employee, and/or the Union representative must file a written grievance with the Police Chief within the ten (10) day time limit specified above. The Chief shall investigate the matter and respond to the Union representative or employee in writing within ten (10) days.

Step 2: If the grievance has not been settled satisfactory to both parties in Step 1, it must be presented in writing by the employee and union representative, if the employee desires, to the Safety- Service Director within ten (10) days after the Police Chief's

response was due. The Safety-Service Director shall investigate the matter and respond to the Union representative or employee in writing within ten (10) days.

Step 3: Should any grievance remain unsettled after exhausting the aforementioned procedure, the Union shall, if it desires, demand arbitration within ten (10) days after failing to settle the grievance as outlined in Step 2.

In the event the parties are unable to agree upon an arbitrator within ten (10) days after arbitration is invoked, they shall jointly petition the Federal Mediation and Conciliation Service (FMCS) and request a panel of seven (7) qualified arbitrators. Any list of Arbitrators provided by FMCS shall consist of Arbitrators domiciled in Ohio only and shall be members of the National Academy of Arbitrators. Any costs associated with obtaining the lists of arbitrators shall be paid by the party requesting arbitration. The parties shall select a single arbitrator from such panel. Each party may one (1) time reject the list of arbitrators and request a new list prior to beginning the selection process. An arbitrator shall be selected by the parties alternately striking names from the list of arbitrators. The party initiating the grievance shall be the first to strike a name from the panel of arbitrators. The last remaining name on the list shall be selected as the arbitrator.

The award of the arbitrator shall be reduced to writing by the arbitrator. The arbitrator shall not be empowered to rule contrary to, to amend, add to, to modify, to change, or to eliminate any of the provisions of this Agreement in arriving at its award. The arbitrator shall expressly confine the award to the precise issue submitted for arbitration and shall have no authority to make an award on any other issue not submitted. The decision of the arbitrator shall be final and binding on the Employer, the Union and the grievant(s) and shall, as circumstances permit, be implemented within fifteen (15) calendar days after the award has been delivered.

Expenses attendant to the services of the arbitrator shall be borne by the party against whose position the arbitrator rules. In the event the arbitrator's award does not support either party's position in its entirety, the arbitrator's expenses shall be shared equally.

Section 28.3. All grievances must be processed at the proper step in the progression in order to be considered at any subsequent step, using the grievance form which has been agreed upon by both parties. All written grievances must contain the following information to be considered at any step of the procedure.

Aggrieved employee's name and signature
Aggrieved employee's classification
Date grievance was filed
Date and time grievance occurred
Where grievance occurred
Description of incident giving rise to the grievance
Articles and Sections of Agreement violated
Remedy requested.

Section 28.4. At each Step of the grievance procedure the original grievance shall be presented to the Employer representative along with all accompanying data and answers given at any

previous Step of the procedure. The Employer representative shall return the original grievance, accompanying data and previous grievance answers to the grievant with the Employer's answer attached within the time limit established.

Section 28.5. An employee may withdraw a grievance at any point by submitting a written statement to that effect or by permitting the time requirements at any Step to lapse without further appeal.

Either party may request a meeting with the other party at any Step of the grievance procedure to discuss the grievance in further detail.

Time limits may be extended by mutual consent in writing. Steps of the grievance procedure may be waived by mutual consent in writing.

Section 28.6. The canine officer shall be responsible for the care and maintenance of the canine, and the canine shall reside inside the canine officer's home.
2. The canine officer shall be assigned normal duty shifts consisting of four (4) seven (7) hour shifts and one (1) eight (8) hour shift, unless the officer is required by the Employer to work overtime. The canine officer shall receive his normal rate of pay for eight (8) hours on those days he is normally assigned to a seven (7) hour shift as the canine officer. The one (1) hour not actually worked when assigned to a seven (7) hour shift shall be used by the canine officer to maintain and care for the canine as well as to continue canine training.

When permitted in relation to the operational procedures of the Police Department, the canine officer will normally be assigned a City vehicle. Travel time to and from work shall not constitute any part of the canine officer's work shift.
4. Work performed by the canine officer on a regularly scheduled day off, other than necessary care and maintenance of the canine, shall be paid at the applicable overtime

rate. Since training sessions may occur on a day the canine officer has already worked his normal shift, it is agreed that overtime shall be paid for work performed in excess of forty (40) hours in a week and not for work performed in excess of eight (8) hours in a day. Overtime worked on a double time day must be approved in advance by the Chief of Police.

Section 38.2. Upon the disbanding of the canine unit, or retirement, or disability of the canine, the canine officer to whom the canine is assigned will be given the first chance to purchase the canine for one (\$1.00) dollar.
