PURPOSE

Section 1.1 This Agreement is made between the Board of Trustees for Perry Township, Stark County, Ohio hereinafter referred to as the "Employer", and The Fraternal Order of Police, Ohio Labor Council, Inc., hereinafter referred to as the "Union". The "employee" or "employees" where used herein refers to all regular full-time sergeants in the bargaining unit. The purpose of this Agreement is to provide a fair and reasonable method of enabling employees covered by this Agreement to participate through Union representation in the establishment of terms and conditions of their employment and to establish and maintain a peaceful procedure for the resolution of all differences between the parties.

ARTICLE 2

RECOGNITION

Section 2.1 Bargaining Unit

The Fraternal Order of Police, Ohio Labor Council, Inc. is recognized as the sole and exclusive bargaining agent for the purpose of collective bargaining on all matters pertaining to wages, hours, terms, and other conditions of employment for employees in the bargaining unit. The bargaining unit for which this recognition is accorded is defined in the Certification issued by the State Employment Relations Board on February 20, 1998 (Case No. 97-REP-09-0221). This Agreement includes all full-time employees holding the position of Sergeant on the Perry Township Police Department. The Employer will not recognize any other Union, organization, or person as the representative for any of the bargaining unit members. The Employer shall notify the Fraternal Order of Police, Ohio Labor Council, Inc of any changes in the classification which directly affects the classifications included in this unit, sixty (60) days prior to the effective date of the change or as soon as the changes become known to the Employer, whichever occurs first.

Section 2.2 Resolution of Dispute

In the event of a dispute between the parties as to future inclusion or exclusion from the bargaining unit resulting from the establishment of new or changed classifications or titles, either party to this Agreement may apply to the State Employment Relations Board for resolution of the dispute.

Section 2.3 Bargaining Unit Work

The Employer shall not attempt to erode the bargaining unit, the rights of bargaining unit members, or adversely affect the safety of bargaining unit members.

Except in emergency circumstances, overtime opportunities for work normally performed by bargaining unit members and special duty work assignments, shall first be offered to those bargaining unit members who normally perform the work before it may be offered to non-bargaining unit members.

This Article shall also apply to special duty or special assignments which result from requests by private individuals or groups for security or traffic control.

ARTICLE 3

CONFLICT WITH LAW AND SEPARABILITY

Section 3.1 The parties intend this Agreement to supersede and replace any Ohio and local laws on the subjects covered by this Agreement. Where this Agreement makes no specification about a matter the provisions of applicable law shall prevail. If by operation of law or by a court of competent jurisdiction it is found that any provision shall be of no further force and effect, the remainder of the Agreement shall remain in full force and effect for the Agreement term.

Section 3.2 The parties agree that should any provision of this Agreement be found to be invalid, they will attempt to negotiate replacement language on the same subject matter within thirty (30) calendar days.

ARTICLE 4

NON-DISCRIMINATION

Section 4.1 Both the Employer and the Union recognize their respective responsibilities under the Federal and Ohio Civil Rights Laws, or employment practice acts, and other similar constitutional statutory requirements. Therefore, both the Employer and the Union hereby reaffirm their commitments, legal and moral, not to discriminate in any manner relating to employment on the basis of race, color, creed, national origin, sex, age or handicap.

Section 4.2 The Employer recognizes the right of all Bargaining Unit Members to be free to join the Union. The Employer agrees there shall be no discrimination, interference, restraint, coercion, or reprisal by the Employer against any employee or any applicant for employment because of Union membership.

ARTICLE 5

UNION REPRESENTATION

Section 5.1 Non-employee representation of the Union shall be admitted to the Employer's facility for the purpose of processing grievances, attending meetings, or for monitoring the administration of this Agreement, upon approval of the Employer or its designee. The Employer or its designee shall facilitate any necessary contact between the representative and an on duty bargaining unit member employee, provided that arrangement of the contact is not unduly disruptive of the employee's job responsibilities.

Section 5.2 Reasonable release time shall be granted for members of the Negotiating, Grievance, and Labor Management and Safety Committees to participate in negotiations, grievance hearings, or other such meetings.

Section 5.3 The Union may schedule meetings on Police Department property insofar as those meetings are not disruptive of the duties of the employees or the efficient operation of the Department. Special rank-and-file meetings may be held at any hour. Insofar as is feasible, all on or off-duty bargaining unit members shall be afforded the opportunity to attend these meetings.

Section 5.4 Reasonable provisions shall be made by the Employer so that bargaining unit members selected by the Union as representatives on their negotiating committee and scheduled for duty may be carried on special assignments for the entire assigned shift for the purpose of negotiating during the term of this Agreement.

Upon advance approval by the Chief of Police or his designee, time off may be allowed of up to eight (8) hours each week for one member of the negotiating committee, designated in advance, during the last sixty (60) days of this Agreement, exclusive of any extensions.

Section 5.5 The Bargaining Unit Member selected as Union delegate shall be authorized an aggregate of two (2) work days of paid leave per calendar year for delegates to use any time during the year to attend Union functions such as, but not limited to, conventions, educational meetings, or conferences. The Employer shall make other reasonable provisions for authorizing vacation leave or personal allowance credits for employees to attend Union functions in addition to the above mentioned two (2) days.

The Union may utilize all aforementioned provisions of this Article by having the Delegate or his designee notify the Chief of Police as soon as practicable upon learning of the need for such leave, but not less than seven (7) calendar days prior to the commencement of said leave, no more than one (1) employee is designated by the OLC for said leave at any given time.

All members of the bargaining unit all either become dues paying members of the Union, or as a condition of continued employment, remit to the Union a fair share fee in the amount set by the Union per person per month in accordance with the provisions of O.R.C. 4117.09 (c), starting the thirty-first (31) day of employment with the employer or execution date of this Agreement, whichever comes first.

Section 6.3 An employee shall have the right to revoke such authorization by giving written notice to the Employer and the Union at any time during the fifteen (15) day period preceding the termination of this Agreement, and the authorization card shall state clearly on its face the right of employee to revoke during that period.

Section 6.4 The Employer's obligation to make deduction shall terminate automatically upon timely receipt of revocation of authorization or upon termination of employment or transfer to a job classification outside the bargaining unit.

Section 6.5 The Union will indemnify and hold the Employer harmless from any action growing out of deductions hereunder and commenced by an employee against the Employer.

Section 6.6 All bargaining unit employees who are not members of the Union shall pay a fair share fee to the Union in the amount of employee dues as set by the Union from time to time. The deduction to the fair share fee from any earnings of the employee shall be automatic and does not require a written authorization for payroll deduction. DISCIPLINE

Section 17.1 The tenure of every employee subject to the terms of this Agreement shall be during good behavior and efficient service. The Employer may take disciplinary action against any employee in the bargaining unit only for just cause. The Employer may take disciplinary action for actions which occur while an employee is on duty, or which occur while an employee is working under the colors of the Employer, or in instances where the employee's conduct violates written rules and regulations, policies or procedures. Except in the most extreme circumstances the principles of progressive discipline shall apply. The progression shall at minimum include a written reprimand before a suspension, and a suspension before a dismissal for the same or related offenses. If the offenses are of a serious nature, the Chief of Police may determine that a different sequence is required. Forms of disciplinary action are:

1. written warning
2. written reprimand
3. suspension without pay (at the option of the employee, and with the concurrence of the Employer, accrued vacation or holiday time may be forfeited equal to the length of the suspension. Record of suspension will be maintained.)
4. Reduction in Rank
5. Discharge

Section 17.2 Whenever the Employer determines that an employee may be disciplined for just cause that could result in suspension, reduction, or termination, a disciplinary hearing will be scheduled to give the employee an opportunity to offer an explanation of the alleged misconduct. Prior to the hearing, the employee shall be given written specifications of the charges. Disciplinary hearing shall be completed within thirty (30) calendar days from the presentation to the employee of the written specification of charges. Any disciplinary action to be administered must be issued within forty-five (45) calendar days of the receipt of the hearing officer's response.

Disciplinary hearings will be conducted by the Employer or his Designee. The employee may choose to:

1. appear at the hearing to present oral or written statements in his defense
2. appear at the hearing and have an employee or non employee representative of the Union present oral or written statements in his defense
3. elect in writing to waive the opportunity to have a disciplinary hearing. Failure to elect and pursue one of these three options will be deemed a waiver of the employee's right to a disciplinary hearing.

At the disciplinary hearing, the Employer or his Designee will ask the employee or his representative to respond to the allegations of misconduct which were outlined to the employee. At the hearing, the employee may present any testimony, witnesses, or documents which he feels may be germane to the charges. The employee shall provide a list of witnesses, and the name and occupation of his representative, if any, to the Employer as far in advance as possible, but no later than eight (8) hours prior to the hearing. It is the employee's responsibility to notify his witnesses that he desires their attendance at the hearing.

The employee will be permitted to confront and cross-examine witnesses. A written report will be prepared by the hearing officer concluding whether or not the alleged misconduct occurred. The Employer will decide what discipline, if any, is appropriate. A copy of the hearing officer's report will be provided to the employee within five (5) calendar days following its preparation.

Section 17.3 Disciplinary action may be appealed through the grievance and arbitration procedure. Appealable disciplinary actions must be filed at the appropriate level of the grievance procedure within five (5) calendar days from the receipt of the notice of discipline by the employee.

Section 17.4 Any employee under indictment or arrested for a felony offense shall be placed on leave of absence without pay until resolution of the court proceedings. Any employee arrested for a misdemeanor that interferes with the employee's ability to meet job qualifications shall be placed on leave of absence without pay until resolution of the court proceedings or the job qualification impediment is removed. An employee may use accrued vacation, holiday, or personal time during the leave. An employee found guilty by the trial court may be discharged. An employee found innocent of the charges shall be paid for all lost time and shall have any vacation, holiday, or personal time restored to his credit. The Employer shall continue to pay the employee's insurance premiums during the leave of absence. All hearings conducted by the Employer relating to discipline shall be closed to the public, press, and all others not directly involved in such hearings.

Section 17.5 The Employer, Union and members of the bargaining unit agree to waive the provisions of O.R.C. Section 505.491 through 505.495 concerning discipline of members of the bargaining unit in lieu of the disciplinary provisions of this agreement.

ARTICLE 18

GRIEVANCE AND ARBITRATION PROCEDURE

Section 18.1 The term "grievance" shall mean any allegation by a bargaining unit employee, or the Union that there has been a breach, misinterpretation, or improper application of this Agreement.

Section 18.2 A grievance may be filed by any member of the bargaining unit or by the Union on behalf of any member(s) of the bargaining unit. Where a group of bargaining unit members desire to file a grievance involving a situation affecting more than one member of the bargaining unit in a similar manner, one member selected by such a group shall process the grievance. Such grievance shall be defined as a group grievance. The names of each member, on behalf of which the grievance is filed, shall be made available at the first hearing. Group grievances shall be presented in the first instance to the supervisor common to all employees in the group. The grievance procedure outlined in Section 18.5 shall be used throughout.

Section 18.3 All grievances must be processed and answered at the proper step in the grievance progression to be considered at the next step. Any grievance that is not timely appealed to the next step of the procedure will be deemed to have been settled on the basis of the Employer's answer at the last completed step.

Time limits set forth herein may only be extended by mutual agreement of the parties. The aggrieved may withdraw a grievance at any point by submitting, in writing, a statement to that affect, or by permitting the time requirements at any step to lapse without further appeal. Any grievance not answered by the Employer or his designee within the stipulated time limits shall be automatically sustained in favor of the grievant.

Section 18.4 Written grievances must be filed on the form provided by the FOP and shall contain, but not be limited to, the following information.

1. Date and time grievance occurred;
2. Description of incident giving rise to the grievance;
3. Articles and sections of the Agreement involved;
4. Relief requested;
5. Signature of the employee.

Section 18.5 Disciplinary grievances involving suspension, reduction in rank or discharge are to be appealed directly to Step 2 of the grievance procedure as specified in Article 18, Section 6. All other grievances related to disciplinary action are to be filed at Step 1.

Section 18.6 The following steps shall be followed in the processing of a grievance.

Step 1. Within five (5) working days of the incident or knowledge of the incident (but in no case later than thirty (30) calendar days from the actual facts) which give rise to the grievance, the aggrieved employee shall submit his written grievance to the Chief of Police, who shall indicate the date and time of receipt of the grievance, and affix his signature to the grievance form. The Chief of Police shall respond in writing to the grievant within five (5) working days of receipt of the grievance. The grievant may, at his option, be represented by a representative of the FOP at any hearing or hearings held at this level.

Step 2. A grievance unresolved at Step 1 may be submitted by the grievant to the Township Trustees within five (5) working days from receipt of the Step 1 answer. It shall be the responsibility of the Township Trustees to investigate the matter, hold such hearings as necessary, and to provide a written response to the grievant within thirty (30) working days of receipt of the grievance. The grievant may, at his option, be represented by a representative of the FOP at any hearing or hearings held at this level.

Grievances unresolved at Step 2 may be submitted to arbitration upon request of the FOP in accordance with the provisions of Section 18.7 of this Article. Any grievant who fails to appear in person or by either a Union Representative or Legal Counsel at any step of the grievance process shall have been deemed to have waived and withdrawn the grievance.

Section 18.7 The Union, based upon the facts presented, has the right to decide whether to arbitrate a grievance. Within thirty (30) calendar days from the date of the final answer on a grievance from Step 2, the Union shall notify the Employer, in writing, of its intent to seek arbitration of an unresolved grievance.

The parties shall attempt to draft an agreed upon submission statement. If the parties are unable to agree upon a submission statement, the arbitrator shall frame the issue or issues to be decided.

The Employer's representative shall notify the Union of any question of arbitrability, and of its intent to raise the question at the arbitration hearing.

After receipt of a request to arbitrate, a representative of each party (Union and Employer) shall attempt to agree on an arbitrator. Should the representatives fail to agree on an arbitrator, the arbitrator shall be selected in the following manner: The Federal Mediation and Conciliation Service (FMCS) shall be jointly requested to submit a panel list of seven (7) arbitrators. The FMCS shall submit a panel of seven (7) arbitrators. The parties shall alternately strike the names of the arbitrators until only one name remains. Either party may once reject the list and request from the FMCS another list of seven (7) names until a mutually agreed arbitrator is selected.

The arbitrator shall limit his decisions strictly to the interpretation, application, or enforcement of the specific articles and sections of this Agreement, and shall be without power or authority to make any decision:

1. contrary to or inconsistent with or modifying or varying in any way the terms of this Agreement or applicable laws:
2. contrary to, inconsistent with, changing, altering, limiting, or modifying any practice, policy, rules or regulations, established by the Employer so long as such practice, policy, or regulations do not conflict with this Agreement.

The arbitrator shall be without authority to recommend any right or relief on an alleged grievance occurring at any time other than the contract period in which such right originated or to make any award based on rights arising under any previous agreement, grievance or practices. The arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement. In the event of a monetary award, the arbitrator shall limit any retroactive settlement to the date the grievance was presented to the Employer in Step 1 of the grievance procedure.

The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator. The decision of the arbitrator shall be final and binding on the grievant, the Union, and the Employer. The arbitrator shall be requested to issue his decision within thirty (30) calendar days after the conclusion of testimony and argument or submission of final briefs.

The cost and fees of the arbitrator shall be borne equally by the parties. The expense of any non-employee witness shall be borne, if any, by the party calling them. The fees of the court reporter shall be paid by the party asking for one: such fees shall be split equally if both parties desire a reporter, or request a copy of any transcripts. Any bargaining unit member whose attendance is required for such hearings shall not lose pay or benefits to the extent such hearing hours are during normally scheduled working hours at the day of the hearing.

ARTICLE 19

VACANCIES

Section 19.1 When the Employer determines that there is a position opening in a recognized division of the Department and the Employer intends to fill the position, a notice of vacancy shall be posted on the bulletin boards where employee notices are usually posted for seven (7) calendar days prior to filling the vacancy. Written application must be received in the Personnel Department by the close of business on the last regular business day (Monday-Friday) prior to the end of the seven (7) calendar day period. The posting shall contain a description of the position to be filled, basic and special qualifications required, days off and work shift. Vacancies shall be awarded by the Employer by considering the following criteria: Individual's qualifications, specialized training certifications, seniority, departmental personnel assignment needs, and or any other relevant factors as determined by the Employer. Applicants must have a minimum of one (1) year of service with the department. The Union will appoint one (1) member to assist in the Employer's selection process. If there are no qualified applicants, the vacancy may be filled by a less senior employee. The Employer may temporarily transfer an employee for a period not to exceed thirty (30) working days.

Section 19.2 Nothing in this Article shall limit or interfere with the Employer's right to declare a vacancy for reasons of attrition, the creation of new or additional positions, or the failure of an incumbent employee to satisfactorily perform the requirements of a position, or the Employer's right to make temporary reassignments as necessary to fill vacancies pending the posting process, without regard to seniority. Incumbent's removed for failure to satisfactorily perform the requirements of a specialized position may not reapply to the same specialized position for one cycle only. Incumbent's will have a performance review completed during the first sixty days and annually thereafter.

ARTICLE 20

PROMOTIONAL EXAMS

Section 20.1 Should the Employer determine to create a new position of rank, higher than that of Sergeant and below that of Deputy Chief of Police (i.e., Lieutenant, Captain or other rank, superior to that of a Sergeant), said position shall first be considered by way of internal promotion.

Section 20.2 All promotions of employees in this bargaining unit shall be made in accordance with the following provisions, notwithstanding any Civil Service Laws or Regulations that may be inconsistent herewith. An examination shall be given and a promotional list of successful applicants with not less than four (4) years' service with the Township shall be compiled. The promotional list shall remain effective for not less than twenty-four (24) months following the publication of the examination results.

Section 20.3 All promotions in rank shall be based upon merit and fitness as determined by a written promotional examination with a minimum passing score of seventy percent (70%) or higher followed by Assessment Center evaluation conducted by the Ohio Chiefs of Police Association or similar type of organization recognized for providing such services to Police Departments. Scores from all examinations shall be supplemented by credit for seniority. Seniority credit shall be based upon total service with the Perry Township Police Department completed as of the date of the examination.

Section 20.4 The written examination shall be weighted as 50% of the candidate's final score. The Assessment Center evaluation and the interview examination shall each be weighted as 20% of the candidate's final score. Seniority credit shall be weighted as 10% of the candidate's final score.

Section 20.5 Following the establishment of a list, whenever a vacancy exists, a Promotional Board consisting of five (5) persons shall be created as follows: a) Police Chief or designee; b) three other persons appointed by the Employer; and c) one (1) employee from the bargaining unit, appointed by the Union. No applicant for the promotion shall serve on the Promotional Board.

Section 20.6 The Promotional Board may develop its own procedures to fairly and adequately evaluate the candidates, review personnel files and interview candidates. The Promotional Board shall be created and meet within thirty (30) days of the establishment of the promotional list.

Section 20.7 The Promotional Board shall conduct similarly-structured oral interviews of the individuals being interviewed. The Board shall evaluate all of the individuals' examination results and compute each candidate's total score and compile a promotion eligible list in order of highest to lowest scores.

Section 20.8 The Chief shall then recommend the individual scoring the highest on the promotion eligibility list to the Board for consideration for the position.

ARTICLE 21

WORKING OUT OF CLASSIFICATION

Section 21.1 To assure the orderly performance and continuity of services, the Employer may elect to temporarily upgrade Bargaining Unit Members on an acting basis to positions of a higher rank. For the purpose of this Article, it is understood that temporary upgrading may be authorized and made in order to fill or compensate for temporary position vacancies, which may exist for the following reasons: A position is vacant and is scheduled to be filled by a Bargaining Unit Member, and a short period of time is required so as to proceed with and complete the normal selection and appointment procedure, or the position is temporarily vacant, although permanently filled, because the Bargaining Unit Member currently assigned to it is on an approved leave of absence (i.e., vacation leave, sick leave, injury leave, military leave, educational leave, maternity leave, or other type of temporary leave of absence).

Section 21.2 It is not the intent of the Employer to circumvent or avoid the normal appointment or promotion process, and therefore the Employer agrees that it shall not use the temporary upgrading for this purpose. In the same regard, the Employer shall make every possible and reasonable effort to fill position vacancies in a most expeditious manner, and to keep the need for such temporary upgrading to a minimum. However, for the purpose of this Article, it is understood that whether or not a position vacancy is to be temporarily filled shall be determined by and at the sole discretion of the Employer.

Section 21.3 The various provisions of this Article shall apply to temporary position vacancies involving both bargaining unit positions, as well as the non-bargaining unit positions to include while acting as the shift officer-in-charge (OIC) in the absence of a sergeant. Any bargaining unit member while acting as the shift OIC shall be paid an additional two dollars (\$2.00) per hour for all hours worked while acting as the shift OIC. Any Bargaining Unit Member temporarily assigned to a position excluded from the bargaining unit shall maintain his seniority and grievance rights within the bargaining unit for the period of his assignment.

Section 21.4 Bargaining Unit Members shall have the option to refuse temporary upgrading without prejudice when it is offered.

Section 21.5 When a Bargaining Unit Member is temporarily upgraded he shall be eligible to receive temporary upgrading pay for the total duration of his temporary upgrading assignment, provided that he is upgraded for at least one (1) full shift. The Bargaining Unit Member shall receive a pay adjustment which increases the Bargaining Unit Member's step rate of pay according to one of the following methods which is of greater value:

A. Classification salary base in the higher level position, or

The pay adjustment shall in no way affect any other pay supplement which shall be calculated using the Bargaining Unit Member's normal classification salary base. The Bargaining Unit Member shall receive the pay adjustment for the duration of the temporary assignment.

ARTICLE 22

Section 22.1 A work day shall consist of eight (8) regularly scheduled, consecutive hours, during a twenty-four (24) hour period of time. Upon prior discussion with the Union, through the labor management committee, and approval and consent thereto the Employer may change the hours of work to four (4) ten (10) hour work shifts upon the promotion/hiring of a fourth (4th) sergeant.

Section 22.2 The work week shall consist of five (5) consecutive work days followed by two (2) consecutive work days off in each work week.

When adjustments are necessary and there are no volunteers, adjustments will be made by reverse seniority, starting with the least senior Bargaining Unit Member regardless of their shift assignment. Any Bargaining Unit Member whose shift is adjusted to cover for any of the above listed reasons, whether voluntarily or ordered to cover via reverse seniority, shall receive an additional stipend of seventy-five cents (\$.75) per hour for each hour worked during the adjustment period. Additionally the Bargaining Unit Members appropriate overtime rate during this period of time shall be adjusted to reflect the stipend.

If adjustments are necessary due to call off or other unforeseen circumstances, and the least senior employee will be required to work with less than eight (8) non-duty hours between scheduled shifts, as specified in Section 23.8, then the next employee will be ordered to duty in reverse seniority. If unable to contact a less senior employee, the lowest seniority employee from the off-going shift shall be ordered to stay for half the shift and the least senior employee from the oncoming shift shall be ordered to report early.

Section 22.5 An employee may trade shifts with the prior approval of the Chief or his designee as long as the shift trade is completed within the same pay period. An employee desiring to trade shifts with another employee will submit a request to do so in advance and any request so submitted is subject to the prior approval of the Chief or his designee. Section 23.5 Use of accrued compensatory time shall be with the prior approval of the Chief or his designee and shall be in increments of not less than one (1) hour.

Section 23.6 In no event shall compensatory time be utilized to accumulate overtime during the same twenty-four (24) hour time period.

Section 23.7 An employee, upon retirement, shall be paid for all accrued but unused compensatory time off. In the event of the employee's death, while employed by the Employer, payment pursuant to this provision shall be made to the employee's legal heirs. This payment shall be based upon the employee's rate of compensation at the time of his retirement or death.

Those employees who actually work forty (40) hours during a holiday week but are scheduled off on the holiday will be paid eight (8) hours holiday pay as their regular rate of pay in addition to the regular forty (40) hours pay. An employee who reports off on a holiday will receive holiday pay for that day in lieu of any paid leave deduction. When an employee elects to take time off in lieu of holiday pay, the employee shall designate the day he wishes to take off. Requests for time off pursuant to this provision must be approved in advance by the Chief or his designee.

In no event shall the total holiday pay exceed eight (8) hours between 0001 hrs. through 2359/2400 hrs. in any regular scheduled shift.

If the employee fails to submit adequate proof of illness, or injury, upon prior request of the Chief, or in the event that such proof as is submitted or upon the receipt of medical examination the Chief finds there is not satisfactory evidence of illness or injury sufficient to justify the employee's absence, such leave may be considered an unauthorized leave and shall be without pay.
