PREAMBLE

This Agreement, entered into by the City of Washington Court House, Ohio, hereinafter referred to as the "Employer" or "the City", and the Fraternal Order of Police, Ohio Labor Council, Inc., hereinafter referred to as the "FOP" or "the Union", has as its purpose the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code; and to set forth the full and complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining unit as defined herein. The parties intend the terms of this Agreement to supersede any Ohio Revised Code provision on the subjects.

ARTICLE 1
FOP RECOGNITION

Section 1.1. The Employer recognizes the FOP as the sole and exclusive representative for all full-time non-probationary employees that have been certified by the State Employment Relations Board in the following units:

Unit A: Sergeants — 89-REP-08-0194 on December 12, 1989

Whenever used in this Agreement, the term "bargaining unit" shall be deemed to include those individuals employed by the Employer in the above classifications.

ARTICLE 2
NEGOTIATIONS PROCEDURE

Section 2.1. The parties agree that the negotiations procedure outlined in Ohio Revised Code §§ 4117.08-4117.10 and § 4117.14 will govern this collective bargaining agreement.

Section 2.2. Bargaining unit employees involved in negotiations shall be released from work if negotiations occur during their normal work hours, subject to return to work for emergency response, without loss of pay. If negotiations occur during a period when an employee is not scheduled to work, the Employer shall count all hours spent in actual negotiations with the Employer as hours worked. Such time shall not be converted to compensatory time and cannot be flexed out by the employee. The Union shall not be permitted to send any more than two (2) bargaining unit employees per certified unit to negotiations for successor labor agreements.

ARTICLE 3
MANAGEMENT RIGHTS

Section 3.1. The Employer possesses the sole right to operate the Department and all management rights reposed in it. The Employer's exclusive rights shall include, but shall not be limited to the following, except as limited by the terms and conditions set forth in this Agreement:

- A. Determine matters of inherent managerial policy which include but are not limited to areas of discretion or policy such as functions and programs of the Department, standards of services, its overall budget, utilization of technology, and organizational structure;
- B. Direct, supervise, evaluate, and/or hire employees;
- C. Maintain and improve the efficiency and effectiveness of operations and programs;
- D. Determine the overall methods, process, means or personnel by which operations are to be conducted;
- E. Suspend, discipline, demote, or discharge for just cause;
- F. Layoff, assign, promote, or retain employees;
- G. Transfer and schedule employees;
- H. Promulgate and enforce work rules, department orders, policies and procedures;
- I. Determine the adequacy of the work force;
- J. Determine the mission of the Department as a unit of government;
- K. Effectively manage the work force;
- L. Take actions to carry out the mission of the Department as a government unit.

Section 3.2. The FOP recognizes and accepts that all rights and responsibilities of the Employer not specifically modified by this Agreement shall remain the exclusive function of the Employer.

Section 3.3. Management rights set forth above shall not be impaired by an arbitration award. Arbitration to determine that certain actions are or are not within the scope of management rights shall be binding upon the parties. Failure to exercise it in a particular way shall not be deemed a waiver of any management right. The Employer may make

decisions in the exercise of its management rights without prior negotiation with or agreement of the FOP.

ARTICLE 4
DRUG/ALCOHOL TESTING

Section 4.1. Drug/alcohol testing may be conducted on employees post-incident, follow-up, or with reasonable suspicion. (These bargaining units agree to participate in a valid random drug testing program for employees in safety sensitive positions).

Reasonable suspicion that an employee used or is using a controlled substance or alcohol in an unlawful or abusive manner may be based upon, but not limited to:

- A. Observable phenomena, such as direct observation of drug and alcohol use or possession and/or the physical symptoms of being under the influence of a drug or alcohol;
- B. A pattern of abnormal conduct or erratic behavior;
- C. Arrest or conviction for a drug or alcohol-related offense, or the identification of an employee as the focus of a criminal investigation into illegal drug or alcohol possession, use, or trafficking;
- D. Information provided either by reliable or credible sources and independently corroborated; and
- E. Evidence that an employee had tampered with a previous drug test.

A bargaining unit employee may of his own volition, even if not ordered to do so, undergo a drug and/or alcohol screening test if he is involved in an on duty incident or accident involving bodily injury, extensive property damage or death. Testing done under these circumstances will be treated in the same manner as if the employee had been ordered to undergo screening.

Section 4.2. All drug screening tests shall be conducted by medical laboratories meeting the standards of the Department of Health and Human Services. No test shall be considered positive until it has been confirmed by a Gas Chromatography/Mass Spectrometry full scan test or its equivalent. The procedures utilized by the Employer and testing laboratory shall include an evidentiary chain of custody control. All samples collected shall be contained in two (2) separate containers for use in the prescribed testing procedures. All procedures shall be outlined in writing and this outline shall be followed in all situations arising under this Article.

Section 4.3. Alcohol testing shall be done the same as to detect drivers operating a motor vehicle under the influence. A positive result of a blood alcohol concentration of .02% or above shall entitle the Employer to proceed with sanctions as set forth in this Article and Article 11 (Discipline).

Section 4.4.

- A. The results of the testing shall be delivered to the Employer and the employee tested. An employee whose confirmatory test result is positive shall have the right to request a certified copy of the testing results in which the vendor shall affirm that the test results were obtained using the approved protocol methods. The employee shall provide a signed release for disclosure of the testing results, and refusing to allow disclosure of results will lead to discharge. Refusal to submit to the testing provided for under this Agreement may be grounds for discipline.
- B. The Employer may suspend the employee without loss of pay before the time the confirmatory test results are complete. If the screening test and confirmatory test are positive, the Employer may discipline the employee. The use of illicit substances, on or off duty, will ordinarily result in termination. The improper use of prescription drugs and/or alcohol may result in a lesser discipline, depending upon the relevant circumstances. Such discipline must be uniform in its application.

Section 4.5.

- A. If a drug screening test is positive, a confirmatory test shall be conducted utilizing the fluid from the same container collected in the manner prescribed above.
- B. In the event the second test confirms the results of the first test, the Employer may proceed within the sanctions as set forth in this Article.
- C. In the event that the second test contradicts the result of the first test, the Employer may request a third test in accordance with the procedures prescribed above. The results of this test, if positive, shall allow the Employer to proceed with sanctions as set forth in this Article. If the results are negative, the employee shall be given the benefit of the doubt and no sanctions shall be imposed.
- D. In the event that any two (2) results are positive, the employee is entitled to have the sample in the second container tested in the manner prescribed above at the employee's expense. The results of this test, whether positive or negative, shall be determinative.

Section 4.6. A list of two (2) testing laboratories shall be maintained by the Employer. These laboratories shall conduct any testing directed by the Employer.

Section 4.7. If the testing required above has produced a positive result, the Employer may take disciplinary action and/or require the employee to participate in any rehabilitation or detoxification program that is covered by the employee's health insurance. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick time, compensatory days, vacation leave, and personal leave days for a period of the rehabilitation or detoxification program. If no such leave credits are available, the employee shall be placed on medical leave of absence without pay for the period of the rehabilitation or detoxification program. Upon completion of such

program, and upon receiving results from a retest demonstrating that the employee is no longer abusing a substance, the employee may be returned to his former position. Such employee may be subject to periodic retesting upon his return to his position for a period of one (1) year from the date of his return to work. Any employee in a rehabilitation or detoxification program in accordance with this Article will not lose any seniority or benefits, should it be necessary for the employee to be placed on medical leave of absence without pay for a period not to exceed ninety (90) days.

Section 4.8. If the employee refuses to undergo rehabilitation or detoxification, or if he tests positive during a retesting within one (1) year after his return to work from such a program, the employee shall be subject to disciplinary action up to and including termination of his employment.

Section 4.9. Costs of all drug screening tests and confirmatory tests shall be borne by the Employer except that any test initiated by the employee and follow-up tests shall be at the employee's expense.

Section 4.10. All test results and actions taken under or pursuant to this Article shall be kept confidential if allowed by state and federal law.

ARTICLE 5
NON-DISCRIMINATION

Section 5.1. Neither the Employer nor the FOP shall discriminate unlawfully against any bargaining unit employee on the basis of age, sex, race, color, religion, disability, or national origin. The employer, however, reserves the right to establish bona fide occupational qualifications, which employees and prospective employees must satisfy as a term or condition of employment.

Section 5.2. All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

Section 5.3. No employee shall be discriminated against, harassed or reassigned due to the employee exercising his or her grievance rights granted under this agreement.

ARTICLE 6
FOP REPRESENTATION

Section 6.1. Representative(s) of the FOP shall be admitted to the Employer's facilities for the purpose of processing grievances or attending meetings as permitted herein. The FOP Representative's appearance at the Employer's facility shall not cause an employee to conduct union business while such employee is on duty, unless the conduction of union business with an employee during working hours is specifically authorized by this Agreement. Upon arrival, the FOP Representative shall identify himself to the Employer or the Employer's designated representative.

Section 6.2. The Employer shall recognize employees designated by the FOP to act as FOP representatives for the purpose of representation as outlined under this Agreement.

Section 6.3. The FOP shall provide to the Employer a roster of its officers and FOP Representatives which is to be kept current at all times and shall include the following:

- A. Name
- B. Address
- C. Home Telephone Number
- D. Immediate Supervisor's name and phone number
- E. FOP Office Held

No employee shall be recognized by the Employer as FOP representative until the FOP has presented the Employer with written certification of that person's selection.

Section 6.4. Rules governing the activity of FOP representatives are as follows:

- A. The FOP agrees that no official of the FOP, employee or non-employee, shall interfere, interrupt, or disrupt the normal work duties of other employees. The FOP further agrees not to conduct FOP business during working hours except to the extent specifically authorized herein.
- B. The FOP Representatives shall not enter any work areas of the Employer without obtaining permission of the Employer or the designated representative of the Employer, and shall not conduct FOP activities in any work area(s) without notifying the supervisor(s) in charge of that area(s) of the nature of the FOP activity.

Section 6.5. The FOP shall be permitted, upon prior written request to the Employer or his designee, to place a ballot box in the Employer's facility to collect ballots on FOP issues subject to ballot. Ballot boxes may not be placed in the Employer's facility in

excess of twenty-one (21) days per calendar year without written permission of the employer or his designee. Ballot boxes and their contents are the property of the FOP, and shall not be subject to review by the Employer or non-bargaining unit staff. The Employer shall bear no responsibility for any ballot boxes placed within the Employer's facility.

ARTICLE 7
UNION DUES

Section 7.1. The Employer agrees to deduct FOP membership dues in accordance with this Article for all employees of the bargaining unit.

Section 7.2. The Employer agrees to deduct regular FOP membership dues (One-half the amount from each of the first two [2] paychecks each month) from the pay of any employee in the bargaining unit eligible for such deduction upon receiving written authorization signed individually and voluntarily by the employee. A signed payroll deduction form as provided by the Employer must be presented to the Employer by the employee. Upon receipt of the proper authorization, the Employer will deduct FOP dues from the payroll check for the next pay period following the pay period in which the authorization was received by the Employer.

Section 7.3. The parties agree that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of FOP dues. The FOP hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the FOP, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the FOP.

Section 7.4. The Employer shall be relieved from making such individual "check-off" deductions upon an employee's (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; (5) written revocation of the check-off authorization in accordance with the terms of this Agreement; or (6) resignation by the employee from the FOP.

Section 7.5. The Employer shall not be obligated to make dues deductions from any employee who, during any dues payment period involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of FOP dues.

Section 7.6. The rate at which dues are to be deducted shall be certified to the employer by the FOP as is necessary to be accurate. One (1) month advance notice must be given the payroll clerk prior to making changes in an individual's dues deductions.

Section 7.7. Except as otherwise provided herein, each eligible employee's written authorization for dues deduction shall be honored by the Employer for the duration of this Agreement.

Section 7.8. Fair Share Fee.

A. Payroll Deductions of Fair Share Fee — The city shall deduct from the pay of members of the bargaining unit who elect not to become or remain members of the

FOP, a fair share fee for the FOP's representation of such non-members during the term of this contract. No Non-member filing a timely demand shall be required to subsidize partisan political or ideological causes, or any other endeavors not germane to the FOP's work in the realm of collective bargaining and contract administration.

- B. Notification of the Amount of Fair Share Fee — Notice of the amount of the annual fair share fee, which shall not exceed 100% of the FOP dues for members, shall be transmitted by the FOP to the City Finance Director as is necessary to be accurate during the term of this contract for the purpose of determining the amount to be payroll deducted. The City agrees to transmit all amounts deducted to the FOP once each month, at the same time and to the same place as regular membership dues.
- C. The FOP represents to the City that an internal rebate procedure has been established in accordance with Section No. 4117.09(C) of the Revised Code, and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join the FOP, and that such procedure and notice shall be in compliance with all applicable state and federal laws and the constitutions of the United States and the State of Ohio.
- D. Entitlement to Rebate — Upon timely demand, non-members may apply to the FOP for an advance reduction/rebate of the fair share fee pursuant to the internal procedures adopted by the FOP.
- E. Indemnification of Employer — The FOP shall defend, indemnify and hold harmless the City, the City Council members, the Finance Director, and any and all other officers and employees of the City against any and all claims and/or costs arising from or in any way related to the implementation and enforcement of this Article, specifically including, but not limited to, any costs arising from an action in any court or administrative agency alleging that the FOP's internal rebate procedure is legally defective.

ARTICLE 8
BULLETIN BOARDS

Section 8.1. The Employer agrees to provide space for the FOP bulletin board in an agreed upon area of the Employer's facilities.

Section 8.2. All FOP notices of any kind posted on the bulletin boards shall be signed, posted or removed by the FOP representative. It is understood that no material may be posted on the FOP bulletin board at any time which contains the following:

- A. Personal attacks on any other member or any other employee;
- B. Scandalous, scurrilous or derogatory attacks upon the Employer, or any other governmental units or officials;
- C. Attacks on and/or favorable comments regarding a candidate for public office.

Section 8.3. No FOP related materials of any kind may be posted anywhere in the Employer's facilities or on the Employer's equipment except on the FOP bulletin board.

Section 8.4. Upon the request of the Employer or his designee, the FOP shall cause the immediate removal of any material posted in violation of this Article.

Section 8.5. The FOP bulletin board shall be used only for FOP bargaining units.

Section 8.6. All items posted on the bulletin board shall be initialed by the person who posts the item, dated to indicate the actual date of posting, and removed within forty-five (45) days of posting.

ARTICLE 9
WORK RULES — GENERAL ORDERS

Section 9.1. The Employer may issue or modify work rules for employees. The Employer agrees that all work rules and general orders shall be applied uniformly within the group or groups of employees to whom such rules and/or general orders are directed.

Section 9.2. In the event the Employer seeks national accreditation for the Police Department, the Employer and the FOP recognize that the current work rules established by the Employer may change. Both parties agree to work together to effectuate the desired accreditation. The FOP and the Employer may meet to discuss any change that may be affected by the accreditation process. In the event a meeting is held during the working hours of an employee who wishes to partake in the meetings to discuss any changes in the Employer's work rules, such employee may be released from duty and shall not lose pay or benefits. The FOP agrees not to pursue binding grievance arbitration under Article 12 to challenge or dispute the decision to see, or the effects/affects of seeking, national accreditation.

Section 9.3. One (1) copy of the City's Personnel Policy and Procedure Manual shall be provided to the Chairman of the FOP grievance committee. Copies of any additions to said manual will also be provided. Except where specifically overridden by this contract, the City's Personnel Policy and Procedure Manual shall be in effect and apply to employees during the term of this contract.

ARTICLE 10
HEALTH AND SAFETY

Section 10.1. It is agreed that the health and safety of the work force is a prime concern and responsibility of both parties.

Section 10.2. All alleged unsafe working conditions or health hazards must be reported to the Policy Chief as soon as such alleged conditions or hazards are known. The Police Chief shall investigate the condition as promptly as warranted and determine whether such condition does in fact present a significant threat to the safety or health of the employee(s) involved and, if he deems it necessary, initiate appropriate action.

ARTICLE 11
DISCIPLINE

Section 11.1. Except as provided elsewhere in this Agreement, no employee shall be reprimanded, reduced in pay or position, suspended, discharged, or removed except for just cause.

Section 11.2. Except in unusual circumstances, discipline will be applied in a corrective, progressive and uniform manner.

Section 11.3. When an employee is asked to attend a meeting or conference with a supervisor and the employee reasonably believes that discipline may result from such meeting or conference, he may request that a local FOP representative be present.

Section 11.4. When the Employer has reason to believe an employee warrants discipline, such employee shall have a pre-disciplinary conference. The Employer shall furnish the employee written notice of the charges against him and notice of the time and date of the conference at least forty-eight (48) hours prior to such conference. At the conference, the employee or his FOP representative shall be given an opportunity to respond to the charges. An employee may waive the right to such pre-disciplinary conference by notifying the Employer in writing.

Section 11.5. An employee must appeal any disciplinary action only through the grievance procedure set forth in this contract within seven (7) calendar days from the time the Employer notifies the employee in writing of the disciplinary action taken against him. The day the employee receives notification of the disciplinary action shall not be counted towards the time limits in which the employee can file his grievance.

Section 11.6. The Employer agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner. When actual discipline is to be given to any employee, he will be informed prior to the time that he may have a Union representative accompany him unless such action is solely the notification of discipline imposed.

Section 11.7. If the Employer determines that the employee's continued employment prior to the conference poses a danger to persons or property or a threat of disrupting operations, he may relieve the employee from duty pending the conference provided for in Section 11.3 above to determine final disciplinary action.

Section 11.8. This Agreement shall be the sole and exclusive remedy for an employee wishing to contest a disciplinary action by use of the grievance procedure in Article 12.

ARTICLE 12
GRIEVANCE PROCEDURE

Section 12.1. The term "grievance" shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation, or improper application of this Agreement. The term "grievant" shall mean the employee initiating a grievance. It is not intended that the grievance procedure be used to affect changes in the Articles of this Agreement nor those matters which are controlled by the provisions of the Federal Law, State Law, the Constitution of the United States or the State of Ohio, unless alterable state statutory provisions are lawfully modified by this labor agreement.

Section 12.2. All grievances must be processed at the proper step in order to be considered at subsequent steps. Any employee may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements at each step to lapse without further appeal. Any grievance, which is not processed by the employee within the time limits provided, shall be considered waived.

Any grievance not answered by the Employer within the stipulated time limits will be advanced by the employee to the next step in the grievance procedure. All time limits on grievances may be extended or reduced upon mutual written consent of the parties.

Any grievant may, if he so desires, have an FOP representative of his choice accompany the grievant at any step or meeting provided for in this Article.

Section 12.3. It is the mutual desire of the Employer and the FOP to provide for prompt adjustment of grievances, with a minimum amount of interruption of the work schedules. Every reasonable effort shall be made by the Employer and the FOP to affect the resolution of grievances at the earliest step possible. In furtherance of this objective, the following procedure shall be followed.

Step 1: In order for an alleged grievance to receive consideration under this procedure the grievant must identify the alleged grievance to the Police Chief or his designee within seven (7) calendar days after the employee knows or should have reasonably known the facts giving rise to the grievance. Such grievance shall be in writing. The Police Chief or his designee shall investigate and provide an appropriate answer directly to the grievant or a representative of the grievant within seven (7) calendar days following the date on which the grievance was presented.

Step 2: If the grievance is not resolved in Step 1, the employee may within seven (7) calendar days following the Step 1 reply, refer the grievance to the City Manager or his designee. The City Manager or his designee shall have seven (7) calendar days in which to schedule a meeting, if he deems such necessary, with the aggrieved employee. The City Manager or his designee shall investigate and respond in writing to the grievant within seven (7) calendar

days following the meeting date or seven (7) calendar days following receipt of the grievance, whichever is later.

Step 3: A grievance unresolved at Step 2 may be submitted to arbitration upon request of the FOP in accordance with provisions of Section 4 and Section 10 of this Article hereinafter set forth.

Section 12.4. The FOP, based upon the facts presented, has the right to decide whether to arbitrate a grievance. Within fourteen (14) calendar days from the date of the final answer on a grievance at Step 2, the FOP shall notify the Employer of its intent to seek arbitration of an unresolved grievance. Notification to seek arbitration by the FOP must be in writing and must either be hand delivered or delivered by certified mail. The FOP may withdraw its request to arbitrate at any time prior to the actual hearing. Any cancellation fee due the arbitrator shall be paid by the party or parties canceling the arbitration. Any grievance not submitted within the fourteen (14) calendar day period described above shall be deemed settled on the basis of the last answer given by the Employer or his representative(s).

Within fourteen (14) calendar days following the notice to arbitrate, the parties shall either agree upon an arbitrator or shall request in writing to the Federal Mediation and Conciliation Service to furnish the parties with a list of seven (7) arbitrators. The parties shall within seven (7) calendar days of receipt of the list of arbitrators alternately strike the names of the arbitrators until only one (1) name remains. The party who loses a coin toss shall strike first. Thereafter the parties shall alternate striking the first name.

The arbitrator shall limit his decision strictly to the interpretation, application, or enforcement of specific Articles on this Agreement. The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this Agreement, nor to add to, subtract from or modify the language therein in arriving at a determination of any issue presented that is properly within the limitations expressed herein. The arbitrator shall expressly confine himself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him or to submit observations or declarations of opinion which are not directly essential in reaching the determination.

The question of arbitrability of a grievance may be raised by either party before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. If the Arbitrator determines the grievance is arbitrable, the alleged grievance will be heard on its merits before the same arbitrator.

The decision of the arbitrator shall be final and binding on the grievant, the FOP and the Employer. The arbitrator shall be requested to issue his decision within thirty (30) calendar days after the conclusion of testimony and argument or submission of final briefs.

The costs of the services of the arbitrator, the costs of any proofs produced at the direction of the arbitrator, and the fee of the arbitrator shall be borne equally by the parties. The expenses of any non-employee witness shall be borne, if any, by the party calling them. The fees of the court reporter shall be paid by the party asking for one, or split equally by the parties if both parties desire a reporter, or request a copy of any transcripts. The grievant only shall not lose pay or benefits to the extent such hearing hours are during normally scheduled working hours on the day of the hearing. The grievance hearing will be held at a mutually agreeable date and time. All reasonable steps shall be taken to schedule the grievance hearing for a date and time that does not conflict with the working schedules of the grievant or any employee witness.

Section 12.5. All grievances must contain the following information to be considered and must be filed using the grievance form mutually agreed upon by both parties:

- A. Aggrieved employee's name and signature
- B. Aggrieved employee's classification
- C. Date grievance was filed in writing
- D. Date and time incident occurred
- E. A description of the incident giving rise to the grievance
- F. Specific Articles and Sections of the Agreement violated
- G. Desired remedy to resolve the grievance

The FOP shall have the responsibility for the duplication, distribution, and their own accounting of the grievance form.

Section 12.6. Identical grievances may be consolidated with the consent of the individual grievant and upon agreement of the FOP and the Appointing Authority.

Section 12.7. Whenever any time limit specified in this Article ends on a Saturday, Sunday, or legal holiday, the end of such time limit shall be extended until the end of the next day which is not a Saturday, Sunday or legal holiday.

Section 12.8. When an employee covered by this Agreement chooses to represent himself in the presentation of a grievance, no adjustment of the grievance will be inconsistent with the terms of this Agreement. Prior to the adjustment of any such grievance, the appropriate FOP representative will be notified of his right to be present at the adjustment.

Section 12.9. The investigation of a grievance (alleged or filed) shall be on non-work time, except in those circumstances where time constraints or safety factors deem it necessary that the grievance be investigated immediately. Writing of grievances by

representatives may be performed during working hours when such activity does not interfere with the performance of the representative's assigned duties.

Section 12.10. Disciplinary actions of verbal warning (record of instruction and cautioning) and/or written reprimand taken by the Employer against any bargaining unit employee may be appealed to steps one and two of the grievance procedure, but shall not be appealed to step three (arbitration).

Disciplinary actions of suspensions without pay, reduction in pay or classification, and/or discharge from employment taken by the Employer against any bargaining unit employee may be appealed to steps two and three of the grievance procedure. Such grievances shall be submitted directly to step two within seven (7) calendar days after the employee knows or should have reasonably known the facts giving rise to the grievance.

ARTICLE 13
PROBATIONARY PERIODS

Section 13.1. Every newly promoted sergeant shall be required to successfully complete a probationary period beginning on the first day the sergeant rate of pay is received and ending one year later. Sergeants who fail to successfully complete the probationary period or who voluntarily request a return to their former position shall be returned to their former position without loss of seniority. Absent an arbitrary or capricious or unlawful decision to demote a probationary sergeant, demotions shall not be subject to the grievance and arbitration provisions of this agreement.

ARTICLE 14
SENIORITY

Section 14.1. "Seniority" shall be computed on the basis of date of hire with the City of Washington Court House Police Department. A probationary employee shall have no seniority until he satisfactorily completes the probationary period. Injury leave may begin (retroactive to the date of injury) after the City has approved the examining physician's diagnosis. At any time during the injury leave the City reserves the right to confirm, review, or challenge the diagnosis of the attending physician by the use of an examination by the City physician. The employee shall voluntarily submit to such an exam at a time convenient to the employee. If an employee files a worker's compensation claim for his injury after having received injury leave, the employee shall execute a wage agreement letter with the City acknowledging the job injury leave time off the employee has received from the City so that the City may be reimbursed by Worker's Compensation Bureau. If the workers compensation payments are delayed, the City will continue to pay the employee on a regular schedule, in accordance with the number of days in Section 29.1.

Section 29.4 All of the following standards must be met for an employee to qualify for and use injury leave.

Employees claiming a reoccurrence of a former job injury or related job injury or continuing degeneration from a former job injury for which job injury leave had been used are not covered. If an employee returns to work before the end of his job injury leave, the remaining job injury leave for that injury shall be forfeited. This provision may be modified, however, by approval from the City Manager if the employee returns for light duty, or reassigned work. In those instances with advance approval, the injury leave may be non-consecutive hours due to doctors appointments, reoccurrence, or symptom side effects. In no case, however, shall the City Manager extend injury leave for one (1) job injury beyond the three hundred sixty (360) hours, or the conclusion of a period of six (6) months from the date of the accident, whichever comes first.

Section 29.6 If the employee is still unable to work after his injury leave expires, he must use his accumulated sick leave, vacation time, and unpaid FMLA leave respectively, if it is available to him. If, after having exhausted his available job injury leave, sick time, vacation time, and unpaid FMLA leave, or if one (1) year has passed and an employee still cannot return to work to perform the substantial and material duties of his job, the employee shall be given a medical separation from employment. If applicable, the employee shall apply for disability benefits.
