2. The president of the Association will be allowed to choose from one of the following:
 - a. The president of the Association will be provided with two (2) periods of unassigned time each week during each school year. The cost of this agreement will be computed as follows: $\frac{2}{5}$ of $\frac{1}{7}$ of the president's salary and retirement contributions as an employee, minus four (4) days of substitute salary costs. This computation will be made by the treasurer and will be paid to the Lima City School District by the Association.

This new schedule will allow for two (2) unassigned periods at no cost to the Association.

ARTICLE IV

EMPLOYEE RIGHTS

- A. PROBATIONARY PERIOD - Ohio Revised Code Section 3319.11 shall apply to teachers' contracts.

An employee desiring continuing contract status must apply in accordance with these procedures:

1. The employee must first notify the Board of his/her intent to apply for professional certification/licensure on or before October 1, of the school year in which his/her limited contract is expiring. The building principal will provide the employee with a form requesting written information regarding: recent education, certificates/licenses held, subjects and/or grades taught in the same or other buildings, and other information the employee desires to submit in support of his/her request for continuing contract, such as service on building or district-wide committees, references and evidence of instructional effectiveness. The building principal shall also indicate on this form if support of a continuing contract can be given.
2. An employee who notifies the Board on or before October 1 of his/her intention to obtain professional certification/licensure and who completes all requirements in this section prior to the following March 1, shall be considered for continuing contract at the March board meeting. An employee who has given such notification and completed all requirements prior to November 1 of the following year shall be considered at the November board meeting.

- B. EQUAL EMPLOYMENT AND OPPORTUNITIES - Employment practices in the Lima City School District shall be in accordance with federal and state laws, specifically Title VI and VII (Civil Rights Act of 1964), Equal Pay Act of 1963, Title IX (Education Amendments of 1972), and Section 504 of the Rehabilitation Act of 1973, and all such practices, consistent with the total educational program, shall reflect a dedication to providing equal employment opportunities without regard to race, color, creed, national origin, sex, or handicap as defined by these laws; all employment applications and notices shall carry the label "An Equal Opportunity Employer, M/F, Handicapped."

- C. STUDENT TEACHERS - Student teachers will be assigned to only a fully certificated/licensed employee having three (3) or more years of teaching experience with at least one (1) year of experience in the present assignment. Remuneration of all approved critic employees shall be in accordance with contractual arrangements between the Lima City Board of Education and various employee training institutions. Currently, for all colleges with the exception of The

Ohio State University, such remuneration shall be by individual checks written by the college to the critic employee covering the fully agreed upon stipend with checks delivered to the Board of Education and subsequent delivery to the concerned employee.

1. OSU Agreement - The Lima City School District and The Ohio State University have entered into an agreement to provide fee authorization credits based on the type of field experience which occurs in the school district site and on the number of hours of student time spent in the field setting.

The credits earned will be applied through the use of tuition authorization cards to cover up to 2/3 of the cost of enrollment for the certificated/licensed employee.

The guidelines for distribution of the tuition authorization credits as developed by the Board, and the Association president, will be followed to determine appropriate dissemination of these credits to staff members.

The remuneration for employee-training experiences will be developed by the university and the school district and will be followed accordingly.

2. Critic Teachers - All fully certificated/licensed teachers meeting above criteria will be allowed to volunteer on the appropriate form, subject to approval of the Board at the beginning of each school year critic teaching assignments; thereafter, it will be assumed that the teacher's approval continues unless specifically revoked by the teacher.

Assignments for both required field experience and student teachers will be made cooperatively by principals, Board, and college supervisors based upon principles of equitability, registered needs of college students, travel, fair involvement for all local colleges and universities, continued cooperation by the volunteer critic teachers, and the needs of the local school system, particularly students. Both the college supervisors and Board retain the right to remove any student teacher whose performance is considered detrimental to the progress of Lima students.

The Association pledges full support of the field experience and student teaching programs mandated by the State Department of Education standards.

 - (2) have the right to answer such notation in writing and the answer shall be attached to the file notation.
 - (3) Upon notification from the employee, adverse notations will be removed from the employee's personnel file after twelve (12) months (excluding June, July and August), if there have been no other adverse notations placed in the employee's file based on incidents or issues that occurred during the twelve (12) month period. Evaluations shall not be considered "adverse notations".

4. Prohibited Material

- a. Anonymous letters or materials shall not be placed in an employee's personnel file.

5. Removal of Materials

- a. Materials may be removed from an employee's file by consent of the Board through a grievance settlement.

6. File Location

- a. All district personnel records will be maintained at the District's Personnel Office.

E. SENIORITY

1. Accrual

- a. Seniority shall begin to accrue from the Board hire date. Seniority shall accrue for all time an employee is on active pay status or receiving Workers' Compensation benefits.
- b. Seniority shall not accrue when on inactive pay status (unpaid leave, layoff, etc.), but shall not constitute a break in seniority.
- c. Seniority accrued shall equal:
 - (1) One (1) year for each minimum full-time standard as defined in the Agreement.
 - (2) partial year equivalent to the part-time position assignment and equal to credit earned through STRS; and

- b. Ties will be broken by the date and time indicated on the individual's Intent to Hire form.

4. Posting

- a. The Association seniority list shall be posted and provided to the Association president by December 1st each year. The Board shall prepare and provide the Association with copies for each district building.

- b. The seniority list shall include: the Board hire date, contract status and areas of certification/licensure.
 - c. Employees shall be listed in order of seniority with those holding continuing contracts listed first.
5. Corrections

 - b. The Board shall investigate all reported inaccuracies and make any required adjustments, if substantiated.
 - c. No corrections shall be considered after the fifteen (15) working days after the seniority list posting and the seniority list shall be deemed final.

ARTICLE V

ASSIGNMENT AND TRANSFER

- A. VACANCIES - The following procedure will apply:
- 1. Preparation, through use of the February Preliminary Staffing Report, maintenance and distribution to all administrators including the Superintendent, who may be involved in the selection and hiring process, of a list of all certificated/licensed personnel who desire to be considered for counseling, coordinating, and other specialized certificated/licensed fields.
 - 2. Preparation and distribution to all buildings, the Association office, the Educational Center bulletin board, hotline and web site of all listings to be filled.
 - 3. Acceptance of applications for all such positions and response to informational inquiries about such positions either from the Association or from any employees.
 - 4. Individual employees have the responsibility for keeping their certification/licensure and resumes current and for keeping the Board actively informed in writing by January 1, and on a yearly basis, of their interest in a change of position.

5. A supplemental position held by the Association shall not be considered vacant unless the Board intends to consider applicants other than the person who held the position during the preceding school year.
6. Counselors (who work extended schedules) will not automatically be excluded from consideration for supplemental contracts.
7. If someone outside the bargaining unit holds a supplemental position, that position will be posted when vacant.

Through the procedure outlined above, all employees shall have the opportunity to register their interest in all teaching, counseling and coordinating positions and be assured of written notification of applicable openings. Positions will be posted for five (5) work days during the school year. During the summer, positions will be posted for ten work days. All applications must be received within the posting timelines.

B. ASSIGNMENT AND TRANSFER OF EMPLOYEES - Each employee of the Board shall be assigned to a specific position by or under the direction of the superintendent and may be transferred to any other position for which he/she is qualified. Such transfers shall not be arbitrary or capricious. Transfers may be made for any purpose, which, in the judgment of the superintendent, is for the welfare of the employee or the schools. Any employee who is transferred from one building to another or from one position to another will be granted the courtesy of a conference before the transfer is made.

1. Voluntary Transfer – When employees wish to request a transfer, the following steps are to be followed:
 - a. An employee may submit transfer request for more than one specific position or submit an open request indicating personal desires.
 - b. Transfers will be submitted on applications for transfer supplied by the Board and placed in each school; to establish eligibility for consideration the applicant must properly file such requests for transfers within thirty (30) days of the receipt date for Preliminary Employees Form or March 31 of the year, whichever is later. For any new positions that are created, an application period of one (1) week would be allowed for transfers.
 - c. When a decision has been made concerning the transfer, the employee will be notified within fourteen (14) days. All requests for transfer from current employees shall be considered and processed prior to beginning the interview and selection process of outside candidates.

- d. When an employee transfers to a new building, the physical facilities and instructional materials will be comparable to other rooms in the same building.
 - e. When such transfer is made during the 184-day contract period and involves a transfer within a building, the employee will be granted one (1) day of professional leave and assistance with the move. When an employee is transferred to a different building, the employee will be granted two (2) days of professional leave and assistance with the move.
2. Involuntary Transfer - When the District is considering an involuntary transfer of an employee, the following steps are to be followed:
- a. When the situation is first identified, the employee will be informed and a conference will be held with the employee and the appropriate administrator to suggest steps to correct the situation. Within one (1) week of the conference, the administrator will provide the employee with written objectives for improvement.
 - b. If all constructive means to remedy the situation are ineffective, the principal will fill out an official form stating the reasons and justifications for the transfer request. The request should be signed by the employee, but will not be interpreted to mean agreement with the request.
 - c. Employees who are to be transferred involuntarily are to be informed in writing before the end of the school year.
 - d. When such transfer is made during the 184-day contract period and involves a transfer within a building, the employee will be granted one (1) day of professional leave and assistance with the move. When an employee is transferred to a different building, the employee will be granted two (2) days of professional leave and assistance with the move.
 - e. When such a transfer is made when school is not in session and involves a transfer within a building, the employee will be paid \$50.
 - f. When such a transfer is made when school is not in session and involves a transfer to a different building, the employee will be paid \$100.

3. Transfer for School Organizational Purposes

- a. When a transfer for school organizational purposes occurs, consideration will be given to those employees who seek a transfer from the affected building before involuntary transfers are made. However, in all such transfers, the final decision as to who is transferred rests with the administration and an employee may be assigned to any grade level position for which proper certification/licensure is held.
- b. When such transfers are to be made effective with the subsequent school year, the following steps will be implemented:
 - (1) A listing of vacancies district-wide will be made available to all affected employees after April 30;
 - (2) affected employees will be given the opportunity to indicate personal preference for the position available;
 - (3) building principals will be notified of the individual preferences as specified in "(1)"; and
 - (4) affected employees will be notified of and can apply for additional openings as they occur, until the start of the subsequent new school year.
- c. When such transfer as described in (B)(2)(e) is made during the 184-day contract period, and involves movement from one room to another and/or one building to another, the employee will be granted one day of professional leave and assistance with the move.

C. EMPLOYEES BUILDING ASSIGNMENTS - Changes in employees building assignments will be made in writing to employees by June 30. (This, of course, would exclude those employees with temporary certification/ licensure whose building assignments are made in August). In so doing, most of the employees would know their building assignment prior to July 10, the last day for breaking a contract. Those not notified by June 30, shall be sent building assignment via first class mail.

The above does not preclude changing or making building assignments after June caused by:

1. Employees who fail to sign contracts until the last minute;
2. new employees who resign at the last minute; or

3. any changes required as a part of compliance proceedings with the Office for Civil Rights or Department of Education.

ARTICLE VI

EMPLOYEE EVALUATION

The teacher evaluation policy (and any amendments to the policy) adopted by the Board in conformance with R.C. 3319.111 is attached to this agreement as an appendix and, as such, shall be treated as if it has been completely rewritten herein. No changes to the policy will be made without the consent of the OTES Committee. Any and all provisions of the evaluation shall be subject to the grievance procedure. Bargaining unit members who are not covered by this policy shall be evaluated utilizing the same method and forms used during the 2012-2013 school year.

ARTICLE VII

3. "Day" shall mean work days exclusive of Saturday, Sunday, holidays or vacation days in which school is not in session during the school year.
4. If the event(s) on which the grievance is based is the result of action by the Board, the grievance may be filed at Step III within fifteen (15) days of the occurrence of such event(s). (Use Step III form with Step II information attached.) If the superintendent or his designee determines at Step III that filing at that level is not appropriate, he may refer the grievance back to Level I.

B. GRIEVANCE PROCEDURE (Appendix G)

Since it is important that grievances be processed as rapidly as possible, the number of days between each step in the following procedure shall be considered as school days. If the appealing party does not take appropriate action within the time limits specified, the grievance will be determined and settled on the basis of disposition at the preceding level. The days, however, may be extended by mutual agreement between the aggrieved party in interest and the decision-making body at the step which the grievance has reached.

Step 1 - Any grievant having a grievance shall first discuss the grievance with the immediate supervisor or building principal.

Step 2

- a. If the discussion does not resolve the grievance to the satisfaction of the grievant, such grievant shall have the right to lodge a written/email (cc: to

Union President and Grievant) grievance with his/her supervisor or building principal. If such grievance is not lodged within fifteen (15) days following action or condition which is the basis of said grievance, said grievance shall no longer exist. The written/email grievance shall be on the standard form attached to this grievance procedure and shall be available from the Educational Center and building principal offices in the Lima school system.

- b. The grievance form shall contain a concise statement of the facts upon which the grievance is based and a reference to the specific provision of an agreement, policy, rules or regulation, alleged violation, misinterpretation, or misapplication. The grievant or the building principal shall have the right to request a hearing. Such hearing shall be conducted within five (5) days after the receipt of such grievance. The grievant shall be advised in writing of the time and place of such hearing and shall have the right to be represented at such hearing by counsel or by a representative of the Association. The building principal shall work in cooperation with the Assistant Superintendent for Educational Personnel in the resolution of the grievance. The building principal shall take action on the written grievance within three (3) days after a hearing has taken place and the reasons for the action shall be reduced to writing and copies sent to the grievant, president/designee of the Lima Education Association, the Assistant Superintendent for Educational Personnel, and the Superintendent.

Step 3 - If the action taken by the building principal does not resolve the grievance to the satisfaction of the grievant, the grievant may appeal in writing to the Superintendent. Failure to file such appeal within five (5) working days from receipt of the written memorandum of the building principal, the grievance shall be deemed as waiver of the right of appeal. Upon request, a hearing shall be conducted by the Superintendent within five (5) working days after the receipt of the request. The aggrieved employee shall have the right to be represented at a hearing by counsel or by a representative of the Lima Education Association. The Superintendent shall take action on the appeal of the grievance within five (5) working days after the conclusion of the hearing. The action taken and the reasons for the action shall be reduced to writing and copies sent to the grievant, president/designee of the Lima Education Association, building principal, and Assistant Superintendent for Educational Personnel.

Step 4 - In the event that agreement is not reached with the Superintendent, the grievant may request that the grievance be submitted to binding arbitration. An arbitrator shall be selected according to the rules of the American Arbitration Association. The request for an arbitrator shall be made within ten (10) days from receipt of the written disposition by the Superintendent. The arbitrator will have the authority to hold hearings and confer with parties. All hearings conducted by the arbitrator shall be in closed session, and no news releases shall be made

concerning progress of hearings. The decision of the arbitrator for settlement shall be submitted to the grievant, president/designee of the Lima Education Association, the building principal, the Assistant Superintendent for Educational Personnel, and the Superintendent. Costs incurred will be shared equally by the Association and the Board of Education.

C. POWER OF THE ARBITRATOR

1. It shall be the function of the arbitrator, except as the powers are limited below, after due investigation to make a decision in case of alleged violations outlined in this Agreement.
2. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
3. The arbitrator shall have no power to establish salary schedules or change salary schedules.
4. The arbitrator shall have no power to decide any question which, under this Agreement, is solely within the responsibility of management to decide. In rendering decisions, an arbitrator shall give due regard to the responsibilities of management except as they may be conditioned by this Agreement.
5. In the event that a case is appealed to an arbitrator on which he/she determines he/she has no power to rule, it shall be referred back to the Association, with a notification to the Administration, without decision or recommendation on its merit.
6. There shall be no appeal from an arbitrator's decision if it is within the scope of authority as set forth above. It shall be final and binding on the employee or employees involved in the grievance and the Board.
7. The fees and expenses of the arbitrator shall be shared equally by the Board and the grievant. Any other expenses resulting from the grievance arbitration shall be borne by the party incurring them and neither party shall be responsible for the expenses of witnesses, except where it is agreed that such hearing is during a witness's regular hours of employment.

STANDARDS-BASED TEACHER EVALUATION

STANDARDS-BASED TEACHER EVALUATION

The Board of Education is responsible for a standards-based teacher evaluation policy which conforms to the framework for evaluation of teachers as approved by the State Board of Education and aligns with the "Standards for the Teaching Profession" as set forth in State Law.

The Board adopts the Ohio Teacher Evaluation System ("OTES") model as approved by the State Board of Education.

The evaluation policy is intended to provide an evaluation model that is research-based, transparent, fair, and adaptable to the needs of the District. The Board believes in the importance of ongoing assessment and meaningful feedback as a powerful vehicle to support improved teaching performance and student growth as well as promotion and retention decisions for teachers.

This policy has been developed in consultation with teachers employed by the Board. Given the dynamic nature of the mandated teacher evaluation process, the Board authorizes and directs the Superintendent, or designee, to establish and maintain an ongoing Evaluation Policy Consultation committee consisting of an equal representation from the board and the LEA. Members representing the LEA will be appointed by the LEA Board of Directors. The express purpose of this committee is recommending necessary changes to the Board for the appropriate revision of this policy.

Definitions

"OTES" – stands for the Ohio Teacher Evaluation System as adopted by the Ohio State Board of Education in 2011, or as otherwise modified by the State Board of Education.

Definition of "Teacher"

This policy applies to District employees who meet on the following categories:

1. A teacher working under a license issued under Ohio Revised Code (ORC) Sections 3319.22, 3319.26, 3319.222 or 3319.226 who spends at least 50% of his/her time providing content-related student instruction; or
2. A teacher working under a permanent certificate issued under ORC 3319.222 as existed prior to September 2003 who spends at least 50% of his/her time providing content-related student instruction; or
3. A teacher working under a permanent certificate issued under ORC 3319.222 as it existed prior to September 2006 who spends at least 50% of his/her time providing content-related student instruction; or

4. A teacher working under a permit issued under ORC 3319.301 who spends at least 50% of his/her time providing content-related student instruction.

Substitute teachers and teachers not meeting this definition are not subject to evaluation under this policy. Full time bargaining unit members who do not meet the definition will be evaluated utilizing the evaluation procedures of the collective bargaining agreement in effect between the Board and the Superintendent, Treasurer, Business Manager and any "other administrator" as defined by ORC 3319.02 are not subject to evaluation under this policy.

"Credentialed Evaluator" - For purposes of this policy, each teacher subject to evaluation will be evaluated by a person who:

- a. Meets the eligibility requirements under ORC Section 3319.222(D), and
- b. Holds a credential established by the Ohio Department of Education for teacher evaluation; and
- c. Has completed state-sponsored evaluation training and has passed an online credentialing assessment.
- d. Credentialed evaluators will be employees of the Lima City Schools.
- e. Lima Education Association bargaining members will not evaluate Lima Education Association bargaining members.

Standards-Based Teacher Evaluation

Teacher evaluations will utilize multiple factors, with the intent of providing meaningful feedback to each teacher and assignment and effectiveness rating based in equal part upon teacher performance and student growth.

Each teacher evaluation will result in an effectiveness rating of:

- a. Accomplished;
- b. Skilled;
- c. Developing, or
- d. Ineffective

The specific standards and criteria for distinguishing between these ratings/levels of performance shall be the same as those developed by the State Board of Education, which are incorporated herein by reference.

The Superintendent shall annually cause to be filed a report to the department of education the number of teachers for whom an evaluation was conducted as well as the number of teachers assigned each rating as set forth above, aggregated by teacher preparation programs from which and the years in which the teachers graduated.

Fifty percent (50%) of each evaluation will be based upon teacher performance and fifty percent (50%) on multiple measures of student growth as set forth herein.

All instructors who meet the definition of "teacher" under R.C. 3319.111 and this policy shall be evaluated based on a least **two** formal observations and periodic classroom walkthroughs **each school year**.

Calculate Teacher Performance

Teacher Performance is evaluated on at **least** two cycles (one per semester) of formal observations and periodic classroom walkthroughs. Fifty-percent (50%) of the

effectiveness rating will be attributed to Teacher Performance through a holistic process based upon the following *Ohio Standards for the Teaching Profession* and training for credentialed evaluators: [R.C. 3319.111]

1. Understanding Student Learning and Development and Respecting the Diversity of the Students they Teach;
2. Understanding the Content Area for which they have Instructional Responsibility;
3. Understanding and Using Varied Assessment to inform Instruction, Evaluate and Ensure Student Learning;
4. Planning and Delivering Effective Instruction that Advances Individual Student Learning;
5. Creating Learning Environments that Promote High Levels of Learning and Student Achievement;
6. Collaborating and Communicating with Students, Parents, Other Educators, District Administrators and the Community to Support Student Learning; and
7. Assuming Responsibility for Professional Growth, Performance and Involvement.

The Superintendent/designee shall select or develop, in consultation with teachers, evaluation tools to be used in calculating the Teacher Performance fifty-percent (50%), which, must be aligned to the *Ohio Standard for the Teaching Profession* and the Ohio Teacher Evaluation System Performance Rubric.

- Teachers on a limited contract who are under consideration for renewal/nonrenewal shall receive at least **three** formal observations in addition to periodic classroom walkthroughs unless the Superintendent waives the third observation. There will be at least 15 working days between each observation. Formal observations will be conducted on days when normal classroom procedures can be expected.
- A teacher who has been granted a continuing contract by the Board of Education and who receives a rating of "Accomplished" on his/her most recent evaluation shall be evaluated **every other school year.**
- A teacher who receives a rating "Accomplished" on his/her most recent evaluation may request that, in place of one of the required observations, the teacher instead may complete a project. The Superintendent/designee shall approve or deny the teacher's request at his/her sole discretion.

Pursuant to this policy and Board resolution, the Board shall approve a list of projects recommended by the Superintendent/designee that demonstrate a teacher's continued growth and practice at the accomplished level for accomplished teachers who wish to complete a project in lieu of one formal observation.

Evaluations will be completed by May 1st and each teacher will be provided a written report of the results of his/her evaluation by May 10th. Written notice of nonrenewal will be provided by June 1st.

Formal Observation Procedure

All formal observations shall be preceded by a conference between the evaluator and the employee prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed.

A post-observation conference shall be held after each formal observation **within 5 working days.**

Informal Observation/Classroom Walkthrough Procedures

1. Classroom walkthroughs shall not unreasonably disrupt and/or interrupt the learning environment.
2. A debriefing of informal observation information must be shared with the employee within 5 work days. *There will be a form or an email that sums up the informal observation.*
3. Classroom observations will not take place during the first week of school.

Calculating Student Growth Measures

For purposes of the Ohio Teacher Evaluation System (OTES), "student growth" means the change in student achievement for an individual student between two or more points in time. This component of the evaluation includes some combination of the following: 1) Teacher-level Valued-Added Data; 2) ODE-Approved Assessments; and/or 3) Locally-determined Measures.

In the calculation for student academic growth, a student who has sixty or more excused and/or unexcused absences for the school year will not be included.

In general, the Board will utilize the following categories to determine this aspect of a teacher's evaluation, depending upon the instructor involved:

- A1: Teachers instructing in valued-added subjects exclusively¹;

- A2: Teachers instructing in value-added courses but not exclusively²
Or

- B: Teachers instructing in areas with Ohio Department of Education approved vendor assessments with teacher-level data available; or

- C: Teachers instructing in areas where no teacher-level value-added or approved vendor assessment available.³

Where value-added methodologies exist for A1 and A2 teachers, the Board will utilize them in the evaluation process. Teachers instructing in value-added courses, but not exclusively, will utilize teacher value-added and locally determined measures proportionate to the teacher's schedule.

¹ If a teacher's schedule is comprised only of courses or subjects for which the value-added progress dimension is available, until June 30, 2014, the majority (i.e., greater than 25%) of the student growth factor of the evaluation will be based upon the value-added progress as determined for each such teacher. After July 1, 2014, the entire student academic growth factor of the evaluation (i.e. 50%) shall be based on the value-added progress dimension.

² For these teachers, value added will be used for the student academic growth factor in proportion to the part of teacher's schedule of courses or subjects for which the value-added progress dimension is applicable. Teachers with multiple subjects that have value-added data will be issued reports for a composite of reading and math; for other assessments (approved vendor and local measures), the assessment data measures should be representative of the teacher's schedule.

³ If used, only one "shared attribution" measure can be utilized per instructor.

When the approved Ohio Department of Education vendor assessment is utilized in the measurement of student growth, it will be included in the evaluation process for B teachers.

When neither teacher-level value-added data nor Ohio Department of Education-approved assessments are available, the District shall use locally-determined Student Growth Measures for C teachers. Student Growth Measures may be comprised of SLO's, shared attribution, and/or non-Value-Added vendor data.

An SLO must be based upon the following criteria: Baseline and Trend Data, Student Population, Interval of Instruction, Standards and Content, Assessment(s), Growth Targets, and Rationale for Growth Targets. When new SLO's are developed or revised, the process will include consultation with teachers employed by the Board.

Data from these approved measures of student growth will be scored in accordance with the Ohio Department of Education/OTES guidance and converted to a score in one of three (3) levels of student growth:

- a. Above
- b. Expected
- c. Below

Final Evaluation Procedures

Each teacher's performance rating will be combined with the assessment of student growth measures to produce the summative evaluation rating based upon the "Evaluation Matrix".

The evaluator shall provide that each evaluation is submitted to the teacher for his/her acknowledgement by written receipt. The receipt is to be sent to the Superintendent as soon as received.

Professional Growth Plans and Professional Improvement Plans

Based upon the results of the annual teacher evaluation as converted to the "Evaluation Matrix" above, each teacher must develop either a professional growth plan or professional improvement plan as follows:

- a. Teachers whose performance rating indicates above expected levels of student growth will develop a professional growth plan and may choose their credentialed evaluator from those available to the Board for that purpose.
- b. Teachers whose performance rating indicates expected levels of student growth will develop a professional growth plan collaboratively with his/her credentialed evaluator and will have input on his/her evaluator for the next evaluation cycle.
- c. Teachers whose performance rating indicates below expected levels of student growth will develop a professional improvement plan with their credentialed evaluator. The administration will assign the evaluator for the subsequent evaluation cycle and approve the professional improvement plan.

Core Subject Teachers – Testing for Content Knowledge

Beginning with the 2015-2016 school year, core subject area teachers must register for and complete all written examination of content knowledge selected by the Ohio Department of Education if the teacher has received an effectiveness rating of "ineffective" on his/her annual evaluation for two (2) of the three (3) most recent school years.

If a teacher passes the examination set forth above and provides proof of that passage to the Board, the teacher will be required, to complete professional development that is targeted to the deficiencies identified in the teacher's evaluations conducted under this policy.

The following may be grounds for termination of a teacher pursuant to R.C. 3319.16:

- Failing to complete all required written examinations under this section,
- Failing score on a written examination(s) taken pursuant to this section,
- A rating of "ineffective" on the teacher's next evaluation after passing all written examinations pursuant to this section and after completion of the required professional development; or

- Failure of a teacher to complete the required professional development.

Any teacher passing the examination set forth above will not be required to take the examination again for three years, regardless of the teacher's evaluation ratings or the performance index score ranking of the building in which the teacher teaches.

No teacher shall be responsible for the cost of taking an examination set forth above.

Board Professional Development Plan

In accordance with the Ohio State Board of Education's statewide evaluation framework, the Board has adopted a specific plan for the allocation of financial resources to support the professional development of teachers covered by this policy. The plan will be reviewed annually.

Retention and Promotion Decisions/Removal of Poorly Performing Teachers

It is the purpose of this Standard Based Teacher Evaluation Policy to improve the quality of instruction, enhance student learning and strengthen professional competence through meaningful feedback and targeted professional development. In addition, the evaluations produced will serve to inform the Board on employment decisions, i.e., retention, promotion of teachers, renewal of teaching contracts, and the removal/nonrenewal of poorly performing teachers.

Removal of Poorly Performing Teachers

Poorly performing teachers may be removed, upon recommendation of the Superintendent, either through non-renewal or termination when the following has been demonstrated:

- a. Failure of a core subject area teacher required to take a written examination to pass such examination;
- b. Failure of core subject area teacher required to take a written examination to complete required professional development;
- c. Failure of core subject area teachers to complete all required written examinations;
- d. Receipt of an "ineffective" rating by a core subject area teacher in the evaluation following passage of a written examination and completion of required professional development;
- e. Receipt by any teacher of two (2) consecutive evaluations with an "ineffective" rating.

Nothing in this policy will be deemed to prevent the Board from exercising its rights to non-renew, terminate, or suspend a teaching contract as provided by law and the terms of the collective bargaining agreement in effect between it and the LEA. The evaluation system and procedures set forth in this policy shall not create an expectation of continued employment for teachers on a limited contract that are evaluated under this policy. The Board reserves the right to nonrenew a teacher evaluated under this policy in accordance with R.C. 3319.11 notwithstanding the teacher's summative rating.

APPENDIX

"Core Subject Area" -- means reading and English language arts, mathematics, science, foreign language, government, economics, fine arts, history and geography.

"Student Growth" -- for the purpose of the district's evaluation policy, student growth is defined as the change in student achievement for an individual student between two or more points in time.

"Student Learning Objectives" (SLOs)" -- include goals identified by a teacher or group of teachers that identify expected learning outcomes or growth targets for a group of students over a period of time.

"Shared Attribution Measures" -- encompasses student growth measures that can be attributed to a group.

"Value-Added" -- refers to the EVAAS Value-Added methodology provided by SAS, Inc., which provides a measure of student progress at the district and school level based on each student's scores on state issued standardized assessments.

"Vendor Assessment" -- student assessments approved by the Ohio Department of Education that measure mastery of the course content for the appropriate grade level, which may include nationally normed standardized assessments, industry certification exams, or end-of-course examinations for grade level and subjects for which the Value-Added measure does not apply.

Definitions

"Retention" for purposes of this policy refers to employment decisions on the question of whether or not to suspend a contract pursuant to a reduction in force, non-renew a limited or extended limited contract, or terminate employment for good and just cause. IN the case of a reduction in force, seniority will not be considered when making decisions on contract suspensions, except in the instance of comparable evaluations. The decision to non-renew or terminate the contract of a poorly performing teacher may be informed by the evaluation(s) conducted under this policy. However, decisions to nonrenew or terminate a teaching contract are not limited by the existence of this policy.

"Promotion" as used in this context is of limited utility given the fact that teachers covered by this policy are not currently employed in any discernible hierarchy. Nevertheless, when making decisions relative to such matters as determining department or grade level chairpersons, selections or curricular or strategic planning bodies, or teaching assignments, the Board will consider teacher performance as indicated by evaluations.

"Poorly Performing Teachers" refers to teachers identified through the evaluation process set forth in this policy who demonstrate an inability and/or unwillingness to meet the reasonable expectations of this standards-based evaluation system.

"Comparable Evaluations" -- Since seniority may not be the basis for teacher retention or other employment decisions, except when deciding between teachers who have comparable evaluations, this refers to teachers within the categories of "Ineffective," "Developing," "Proficient," and "Accomplished."
