Such notice shall contain the day and time that the action will commence, provided, however, the parties may extend such date and time by written agreement.

ARTICLE III

3.00 GRIEVANCE PROCEDURE

3.01 Definitions

“Grievance” – a claim by a teacher or the Association that there has been a violation, misrepresentation, or misapplication of the negotiated agreement.

“Grievant” or “Aggrieved” – the terms shall include all personnel in the unit represented by the Association, any group of members acting as a class, or the Association acting on behalf of itself or for any member or group of members.

“Days” shall mean actual working days called for in the official Board adopted calendar except that week days (exclusive of holidays) shall be used during the summer vacation period only.

“Bargaining Unit” shall mean the unit of representation which is defined in Article I.

3.02 Time Limits

- 3.021 The number of days indicated at each step is considered a maximum. The time limits specified may, however, be extended by a written agreement of the parties of interest.
- 3.022 If a teacher does not start the informal grievance procedure in writing within fifteen (15) days after he/she knows or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered waived.
- 3.023 If a decision on a grievance is not appealed within the time limits specified at any step of the procedure, the grievance will be deemed settled on the basis of the disposition at that step and further appeal shall be barred.
- 3.024 Failure at any step of this procedure to communicate the disposition of a grievance within the time limits provided shall grant the grievant the right to proceed to the next step.
- 3.025 All notices of hearings and dispositions of grievances shall be by personal service or by certified mail, return receipt requested, with the date of mailing, and a postmark and date of receipt recorded thereon. If any of the within are transmitted by personal service, the receiver of said document shall record the date received thereon and initial same with an email copied to grievant(s) and Association President.

3.03 Representation

A grievant may appear on his/her own behalf or may be represented by the Association, or by counsel (except at the informal level), or by any other person of his/her choice, except that he/she may not be represented by an officer or employee of any teachers’ organization other than the recognized Association.

3.04 General Provisions

- 3.041 The Association shall receive notice of the time each grievance meeting is to be held (except at the informal step). The Association and grievant shall be given a copy of any written disposition.
- 3.042 The fact that a teacher files a grievance shall not be recorded in his/her personnel file or in any file used in the transfer, assignment, or promotion process; nor shall such fact be used in any recommendation for re-employment or recommendation for other employment; nor shall the grievant, the Association or its officers be placed in jeopardy or be the subject for reprisal or discrimination for having followed this grievance procedure.

3.043 If a grievance appears to arise from the actions of an authority higher than the Principal of a school and affects a group or class of teachers, or is concerned with a system-wide policy, it may be submitted at Step II described below. Also, a grievance may be filed against a party from whom relief may be granted.

3.044 The purpose of these procedures is to secure, at the lowest possible administrative level, equitable solutions to grievances. All parties agree that proceedings shall be kept confidential as is appropriate.

3.05 Grievance Procedure

A. Informal Procedure

If a teacher believes there is a basis for a grievance, he/she may first request a meeting in writing to discuss the matter with his/her Principal in an effort to resolve the problem informally. The teacher has the right to be accompanied and/or represented by the Association representative.

If a teacher does not start the informal grievance procedure in writing within fifteen (15) days after he/she knows or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered waived.

Grievances may be adjusted informally provided the adjustment is not inconsistent with the contract, and the Association representative has been given the opportunity to be present at the meeting and to state the Association views on the grievance. The teacher or representative shall clearly state that this discussion is the informal step of the grievance procedure.

B. Step 1

If the informal grievance is not resolved within ten (10) days of such informal meeting, or if the teacher has elected not to use the informal procedure, he/she may present his/her formal claim by submitting a completed Grievance Report Form, Step 1, which form is set forth in Appendix A. Copies of this form showing the date of the occurrence, a statement of the nature of the grievance and provision of policies and/or rules allegedly violated, and the relief sought shall be submitted by the teacher to the Association representative, the Superintendent, and the Principal. Within five (5) days of receipt of the Grievance Report Form, the Principal shall meet with the teacher and/or his/her Association representative in an effort to resolve the grievance. The Principal shall indicate his/her disposition of the grievance within five (5) days after such meeting by completing Step 1 of the Grievance Report Form and returning it to the teacher and representative. The Association and the Superintendent shall both be notified in writing as to such disposition of the grievance.

C. Step 2

If the teacher is not satisfied with the disposition of the grievance in Step 1, or if no disposition has been made within the above time limits, the grievant and/or the Association shall complete the Grievance Report Form, Step 2, and submit the grievance to the Superintendent, and within ten (10) days of receipt, the Superintendent and/or his designated representative shall meet at a mutually convenient time with the grievant and/or his/her Association representative. Within five (5) days of this meeting, the Superintendent shall indicate in writing his disposition of the grievance by completing his portion of Step 2 and forwarding it to the teacher. The Association and the Principal shall be notified in writing of said disposition.

If the Grievance Report Form is not forwarded by either the grievant or the Association to the Superintendent within ten (10) days after the receipt of the disposition in Step 1, the grievance shall be considered waived and further action barred.

D. Step 3

If the aggrieved, with concurrence of the bargaining agent, is not satisfied with the disposition of the grievance at Step 2, the Association may within ten (10) days, file the grievance to the American Arbitration Association, whose rules and regulations shall likewise govern the proceedings. Failure to timely submit the grievance to arbitration shall bar arbitration.

The Association shall submit the grievance to arbitration by means of requesting an arbitration panel from the American Arbitration Association (AAA) consisting of seven (7) arbitrators from which the parties may, using the voluntary rules of AAA, select an arbitrator from any list(s) provided by AAA. The AAA shall not have the authority to independently designate an arbitrator, but shall furnish the parties additional lists until an arbitrator can be selected. Each party shall strike those names unacceptable to them and return the list to the AAA. Any arbitrator appearing on the list of acceptable arbitrators from both parties shall be designated as the assigned arbitrator.

The arbitrator may not add to, alter, or delete from the terms of Board Policy or terms of the negotiated items. The arbitrator shall have all power and remedies within lawful statutes to render an award which shall be final and binding on both parties. In cases where the procedural arbitrability of an issue is questioned, the matter of arbitrability shall be ruled upon by the arbitrator in an expedited fashion prior to a ruling by the arbitrator on the merits of the issue. The cost for the services of the arbitrator will be borne equally by the Board and the Association.

In the event the arbitrator conducts a hearing during a grievant's regular work hours, the grievant and any district employed witnesses will be permitted released time.

- E. The time limits at any step may be extended by mutual agreement of the parties involved in that particular step. Such extension shall be in writing.

ARTICLE IV

From that time on, only five (5) year contracts or continuing contracts shall be submitted.
2. At the end of any contract, the said teacher may be issued a one (1) year limited contract provided he/she is given in writing a statement informing said teacher that he/she is not meeting acceptable standards of performance as recommended by the supervising Principal and/or the Superintendent. Such recommendation shall be based upon information gained from the teacher evaluation procedure that was mutually developed and adopted by the Board. At the end of such (1) year limited contract, if said teacher has made satisfactory improvement, said teacher shall receive a two year contract. Upon rehiring after the two year contract, the teacher shall receive a five year contract.

9.012 Continuing Contracts

Teachers who anticipate obtaining eligibility for a continuing contract, who during the time of potential eligibility are on a multiple year contract, must notify, in writing, the Superintendent indicating their qualifications for a continuing contract no later than October 1 of any contract year. If no qualified certificated/licensed unit member applies for the position within the time for response specified, the employer may consider qualified certificated/licensed teachers outside the district and thereafter may consider other qualified non-certificated/licensed persons. This term is intended to supersede by contract the prior legislation relating to this matter.

At this meeting, a list of open positions in the school system will be made available to the extent the teacher possesses the appropriate certification/license; and such teacher may request a position in order of preference. If this request by the teacher is denied, the teacher shall be given the reasons for denial and for the transfer. The teacher at his/her option may have a representative of the bargaining agent present at such meeting.
5. The Superintendent shall be responsible to make all assignments and transfer determinations (3319.01). No teacher will be transferred arbitrarily, capriciously, or without rational basis in fact.

9.06 Complaints Against Teachers

Any complaint arising from a teacher's performance as an employee of the Board by any parent or other person not employed by the Board shall be resolved by the following procedure.

In most instances the complainant shall be first directed back to the teacher. An attempt to resolve the complaint informally shall be made if the complaint is referred to the teacher involved. If the complaint is not resolved informally, the following procedure shall be followed.

1. If requested by the complainant or the teacher, and agreed to by both parties, a meeting involving the teacher, Principal and complainant will be arranged at a mutually convenient time to discuss the complaint.

If a meeting is held at any level of this process without the teacher, the teacher(s) will be notified within three (3) work days of the meeting.

Teachers may request to be informed, in writing, of any responses or results of said meeting(s) regarding a complaint. Teachers then will be given the opportunity to respond to complaint.

2. If the complaint is unresolved in a mutually satisfactory manner, it will be appealed to the Superintendent or his/her representative.

3. If it is still unresolved in a mutually satisfactory manner, the complaint may be appealed to the Board or its designee. If a hearing is granted, it will be held in executive session. The decision of the Board or its designee shall be final.

12.00 REDUCTION IN FORCE

12.01 Reasons for Reduction in Force

- Decrease in pupil enrollment.
- Suspension of schools or territorial changes affecting the school district.
- Financial reasons.

12.02 Procedure

Having made a determination that a reduction in staff and the suspension of one or more contracts is necessary, the Superintendent may cause notice to be given to the affected teacher(s) as soon as practicable. In any event, notice shall be given to the teacher(s) prior to recommendation of such action to the Board.

The association president will be notified of the reasons for the RIF and of the positions being considered for possible elimination for the following year by April 30 or earlier.

In the event that staff reductions and subsequent suspension of contract(s) becomes necessary, the Association shall receive, along with all teachers to be reduced, a seniority list by tenure, including each teacher's area(s) of certification.

All suspension of contracts pursuant to this policy shall be made as follows:

- A. The Board shall proceed to suspend contracts in accordance with the provisions of O.R.C. § 3319.17 in this order:
 1. First, the Board shall accomplish any necessary reductions in staff through attrition (i.e. retirement, voluntary resignation, etc.), before any suspension of contracts.
 2. Second, limited contract or non-tenured teachers shall be reduced first utilizing the following order:
 - a. Certification/Licensure within the affected teaching field,

- b. Consideration of performance evaluations.
 - c. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.
3. Third, should the necessary reduction of staff exceed the number of limited contract teachers in the affected field, only then shall tenured continuing teachers be reduced by utilizing the following order:
 - a. Certification/Licensure within the affected teaching field.
 - b. Consideration of performance evaluations.
 - c. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior continuing contract teacher in the affected teaching field the first to be suspended.
 4. A list of the specific order of reductions in each area of certification/licensure shall be maintained for recall purposes.

12.03 Seniority Defined

- A. The Superintendent shall prepare a seniority list for the bargaining unit indicating the type of contract, the date of hire, and the area(s) of certification/licensure for each bargaining unit member. The list shall begin with the most senior teacher with a continuing contract and proceed to the least senior teacher with a limited contract.

Seniority shall be based on the following criteria:

- (1) Teachers with continuing contracts will be listed by length of continuous service with the district commencing from each teacher's date of hire under a regular contract.
- (2) Teachers with limited contracts will follow continuing contract teachers and will be listed by the length of continuous service with the district commencing with each teacher's date of hire.
- (3) Seniority for part-time teachers shall be calculated by converting accumulated working hours into teaching days and/or years as defined by the terms of this agreement.
- (4) Time spent on approved leaves of absence or any other board approved leave shall not constitute a break in continuous service but will not increase it except for military leave. A teacher's seniority shall be broken upon termination or nonrenewal of contract.

- (5) In the event that two (2) or more teachers have the same date of hire and hold the same type of contract, the following procedure will prevail:

Seniority shall be defined as the continuous service of employment with the District as a teacher, beginning with the day the teacher was employed by official action of the Board. In the event that seniority is identical, then the highest degree held shall prevail. If seniority is still equal, then the total number of credits shall prevail. Continuous employment for the purpose of this section shall include:

- a. All Board approved leaves of absence for illness or other disability granted pursuant to R.C. 3319.13.
 - b. All time during suspension if the teacher is later reinstated.
- B. The association president shall be provided with a copy of the seniority list ten (10) days prior to December 1 of each school year. The list will be shared electronically with all teaching staff no later than December 1 of each year. Any teacher who objects to the seniority list must notify the association president and the superintendent of the objection in writing within thirty (30) days after the list is shared. Otherwise, any objection to the list as posted shall be waived until the seniority list is posted during the next school year. The superintendent shall investigate all reported inaccuracies, make such adjustments as may be in order, and post the updated seniority list immediately.

12.04 Bumping Rights

Bumping rights shall accrue to all teachers within their respective contract status groups defined as either limited or continuing, but in no event shall a non-tenured teacher exercise bumping rights over tenured teachers. The right to bump shall be limited to area(s) of teacher certification/licensure and only after the certification, evaluation(2) and seniority order has been followed under Section 12.02 Procedure.

Bumping rights shall be defined as that process by which areas of certification/licensure are applicable to the extent a teacher may move from one area to another until he/she is either the most junior and will be suspended or causes a more junior teacher to become suspended who in turn has exhausted all other areas of his/her certification/licensure. When a reduction in force creates a situation that a teacher contract may be suspended, such potentially suspended teacher(s) shall have certain rights as follows.

12.05 Recall Rights

There shall be created a potentially suspended teachers' pool.

The pool shall list all potentially suspended teachers by contract status, certification/licensure area(s), and seniority.

All vacancies occurring during a reduction in force shall be made known to the teachers in the pool.

The teachers in the pool shall have the first opportunity to fill any such vacancies. If the teachers in the pool are unable to fill the vacancies because of inappropriate certification, their contracts shall be suspended. Suspended teachers have recall rights for a period of twenty-four (24) months after Board action on suspension of contract. Suspended teachers who do not respond to recall notice in ten (10) days of receipt of notice by certified mail shall forfeit all recall rights.

Suspended teachers who wish recall shall keep their current address and certifications on file with the Treasurer.

Involuntary transfer may occur if there is no resolution for the filing of vacancies through the method stated herein (refer to Article IX, 9.052, B., Involuntary Transfers).

Teachers whose contracts have been suspended for the reasons set forth in this Article shall have recall rights in the following order:

First, teachers having continuing contracts in the reverse order of layoff by the teacher's area(s) of certification. The first refusal by the teacher to exercise a recall right shall not remove the teacher from the recall list. However, if the teacher refuses to exercise a recall right for a second time, s/he shall be removed from the recall list.

If the vacant area(s) cannot be filled by recall of tenured teachers, then non-tenured teachers shall be recalled in reverse order of layoff by area(s) of certification/licensure. The first refusal to exercise a recall right shall not remove the teacher from the recall list.

The Superintendent shall notify the association president of any recall notice.

12.06 Exclusion

Service rendered beyond the normal work year shall not be considered toward accumulated seniority.

12.07 Group Insurance Option

The suspended teacher may exercise the option of maintaining group insurance coverage(s) at the teacher's expense during his/her suspension and if allowable by the insurers under the provision of Article VII, Insurance, for a maximum of two (2) years.

1. To be eligible for FMLA leave, an employee must have one (1) year of service with the Board and must also have actually worked a total of 1,250 hours for the Board during the 12 months immediately proceeding the date on which the FMLA leave would begin the rolling year.
2. Leave Provisions
 - A. Each eligible employee is entitled to up to a combined total of twelve (12) weeks of unpaid FMLA leave per leave year for any one, or more, of the following reasons: (I) The birth of the employee's son or daughter, and to care for the newborn child; (II) The placement with the employee of a son or daughter for adoption or foster care, and to care for the newly placed child; (III) To care for the employee's spouse, son, daughter, or parent with a serious health condition; and (IV) Because of a serious health condition that makes the employee unable to perform one or more of the essential functions of his or her job. A year is based on the rolling year beginning with the last day of one leave to the first day of another leave.
 - B. FMLA is in addition to any leaves mentioned in this Agreement. FMLA may be taken separately or concurrently with other unpaid leaves in this Agreement.
 - C. FMLA leave taken for reasons (I) and (II) must be concluded within one year of the birth or placement. The employee must give the Board thirty (30) days' notice of the birth or placement if possible, or as much notice as possible, if less than thirty (30) days.
 - D. FMLA leave taken for reason (III) or (IV) may be taken intermittently, when medically necessary. The employee will attempt to schedule intermittent FMLA leave so as not to unduly disrupt their work.
3. Protection of employment and insurance

The board shall return, if possible, the employee taking a leave under this Section to the same position he/she occupied prior to the leave, if the position is available; if not, the employee will be assigned to a similar position. An employee who does not return to work upon the expiration of FMLA leave shall notify the Superintendent in writing of the need to be on unpaid leave for no more than one additional month. Additional unpaid leave may be requested on a month-to-month basis. Failure to notify the employer or return after requested extension of leave shall constitute termination of employment.
 - B. The Board shall continue to pay the board contribution to the current group health plan for the employee while they are on FMLA leave. The premium portion of the insurance is payable by the employee one month in advance on the first day of the month.

- C. The taking of FMLA leave shall not result in the loss of any employment benefit accrued prior to the date the leave commenced.
4. The Board may require medical certification from a licensed physician as to the medical necessity for FMLA leave taken for reason (III) or (IV). Such certification will include a statement by the physician that the employee is unable to perform one or more of the essential functions of his/her position, or that their presence is required to care for the employee's spouse, parent, son or daughter with a serious health condition. This section shall be uniformly applied. The Board may also require an employee to provide medical certification from a licensed physician that the employee is capable of returning to work at the conclusion of the FMLA.
