PARTIES TO AGREEMENT

Agreement entered into upon ratification by the Bethel Local School District Board of Education (hereinafter referred to as the "Board") and the Bethel Education Association (hereinafter referred to as the "Association").

PREAMBLE

It is recognized that the best interests of public education will be served by establishing procedures to provide an orderly method for the Board, the administrative staff, and representatives of the certificated/licensed professional staff to discuss matters concerning salaries and wages and professional welfare, and to reach satisfactory agreement on these matters.

These procedures will in no way infringe upon the following rights and responsibilities:

1. The Board, under law, has the final responsibility of establishing policies for the school district.
2. The Superintendent and his staff have the responsibility of carrying out the policies established.
3. The professional teaching staff has the responsibility of cooperating with the Board and the administrative staff to provide the best educational opportunities for all pupils.

SEVERABILITY

Where provisions of this agreement conflict with otherwise applicable provisions of Ohio law, this agreement shall prevail pursuant to Ohio Revised Code Section 4117.10(A). However, should the State Employment Relations Board or any court of competent jurisdiction, determine, after all appeals or times for appeals have been exhausted, that any provision herein is unlawful, such provision shall be automatically terminated but all other provisions of the Contract shall remain in full force and effect.

Upon written request, the parties shall meet to discuss the final determination of unlawfulness, to bargain over its impact and to bring the Contract into compliance. If the parties fail to reach an agreement over the affected provisions, the parties shall use the Federal Mediation Conciliation Services to resolve the dispute.

Should the district enter into academic distress, in accordance with ORC 3302.10, the intent of the parties is to emerge from said distress with this agreement intact.

ARTICLE 1 - PROFESSIONAL NEGOTIATION PROCEDURE

Section 1.01 RECOGNITION

The Board recognizes the Association, an affiliate of the OEA/NEA, as the exclusive representative and spokesman as defined in Chapter 4117 of the Ohio Revised Code for the full-time and regular part-time certificated/licensed teaching personnel, excluding all administrative and supervisory personnel and all other Unit Members. Full-time Unit Members shall be those who work seven and one-quarter (7.25) hours or more per day and are contracted to work a minimum of one hundred twenty (120) days or more in a work year. Part-time Unit Members shall be those who work three and six hundred twenty-five thousandths (3.625) hours or less per day or who work less than the minimal one hundred twenty (120) workdays.

Section 1.02 FURNISHING INFORMATION

The Board and the Association agree to make available to each other, upon reasonable request and in reasonable time, all available public information pertinent to the matter or matters then under consideration. A mutually convenient meeting date shall be set no later than March 15, unless all parties agree to a later date at which time the Association and the Board will submit issues proposed for negotiations in writing.
- B. Relevant data and supporting information to all proposals will be presented.
- C. Negotiations should be concluded by June 1 unless a mutually satisfactory later date is agreed upon.
- D. Subsequent to a declaration of impasse, either the Association or the Board may provide any information desired to the news media, but a copy of any such information released by either team shall be provided to the other team.

- D. Any member of either negotiations team may call a caucus at any time. Each caucus will be no longer than thirty (30) minutes.
- E. The Negotiations Team shall negotiate in "good faith". "Good faith" involves a free exchange of facts, opinions, proposals, and counter-proposals in a sincere effort to reach mutual understanding and agreement on all matters submitted for negotiations. All parties are obliged to deal openly and fairly with each other on all matters and to conduct such negotiations in good faith, but such obligation does not compel either party to agree to a proposal or require the making of a concession.

Section 1.06 NEGOTIATION MEETINGS

Negotiation meetings will be held at such times and in such locations off site as mutually agreed upon, during the regular school day. Provision shall be included to allow three (3) days to negotiate during school hours off site.

Thereafter, this dispute settlement procedure may be terminated on one hundred eighty (180) calendar days' notice, except that no notice may be given during the one hundred eighty (180) days immediately preceding the expiration date of any current collective bargaining agreement between the parties. Upon subsequent reemployment of the Unit Member only a continuing contract may be entered into. To the extent that this procedure for granting an extended limited contract differs with that found in Ohio Revised Code Section 3319.11, the parties intend that this provision replaces and supersedes same.

Section 4.12 INDEPENDENT STUDY

Infrequently a Unit Member, may be asked to include an additional student within his/her single class period as an Independent Study student. The following procedure will be followed when assigning a student in an academic class as an Independent Study student.

A Unit Member suffering a RIF from full time to part-time should be considered for full-time status prior to the recall of a Unit Member with less seniority from the RIF list and/or the hiring of a new Unit Member to fill a new position or vacancy for which the Unit Member is properly credentialed. Any part-time Unit Member should be considered for a full-time vacancy before hiring of a new Unit Member. These considerations are in light of performance evaluations and proper certification/licensure.
- B. A transfer shall be defined as a change in assignment by an Unit Member from one bargaining unit position to another.
- C. An involuntary transfer shall be defined as a Superintendent initiated reassignment of a Unit Member.

Section 5.02 POSTING OF A VACANCY NOTICE

- A. The vacancy notice shall be posted within five (5) work days or seven (7) calendar days, if during the summer break, or the official notification of an Unit Member's resignation, retirement, or date of discharge or Board action to create a new position.
- B. The vacancy notice shall be posted openly on all Unit Member bulletin boards, with a copy sent to the Association President.

- C. The vacancy notice shall include the position title, minimum requirements of the position, and location of assignment.
- D. The posting period shall be for five (5) work days or seven (7) calendar days during the summer break unless waived by mutual agreement by the Superintendent and Association. Unit Members wishing notification of posting during the summer break must fill out a form in the superintendent's office before they leave on break. Unit Members must provide address and phone number(s) where they can be contacted. Position will not be held open for an Unit Member on extended vacation.
- E. Nothing in this agreement shall require the Board to fill any vacancy.

Section 5.03 VOLUNTARY TRANSFER

- A. An Unit Member under contract or recommended for renewal in April will be given preference for a voluntary transfer, provided the Unit Member does one of the following:
 - 1. Completes an intent form distributed by the administration to provide written notice to the Superintendent of his/her interest in a vacant position. This notice shall state in order of preference, where applicable, the building desired, grade level desired, and/or subject area desired; or

If requested by the Unit Member, the Superintendent or designee will provide the reason(s) for the denial in writing.

Section 5.04 INVOLUNTARY TRANSFER PROCEDURE

- A. If no Unit Member requests or is transferred to the posted vacant position, the Superintendent may transfer an Unit Member to the vacant position.

Section 5.05 FILLING OF A VACANCY

No vacant position shall be filled using any other method than that stated in this Contract.

ARTICLE 6 - SENIORITY

Section 6.01 SENIORITY DEFINED

The "Board" shall establish seniority lists for Unit Members and submit them to the "Association" President each year in October. Such lists will be deemed to be conclusive as to seniority unless objections are raised by BEA or any Unit Member within two (2) weeks after the lists are given to BEA.

Seniority shall mean the length of continuous employment in a bargaining unit position as follows:

- A. Seniority shall begin to accrue from the date of hire by the Board for a non-supplemental teaching bargaining unit position.
- B. Seniority shall accrue for all time an Unit Member is on active pay status or is receiving worker's compensation benefits.
- C. Time spent on inactive pay status (unpaid leave or reduction in force) shall not contribute to the accrual of seniority, but shall not constitute a break in seniority.
- D. No Unit Member shall accrue more than one (1) year of seniority in any work year.
- E. Anyone who resigns, retires or is discharged and then is re-employed, shall have their seniority accrue starting with the most recent day of hire. Years before the break in employment shall not count for seniority.
- F. Seniority rights shall be extended to any member who provides service for fifty percent (50%) or more of a regular teaching day during the contract year.
- G. The Board and Association recognize that the provisions of Ohio Revised Code 3319.17 replace any conflicting language in this agreement, pertaining to Seniority, Equal Seniority, Reduction in Force and Recall.

Section 6.02 EQUAL SENIORITY

A tie in seniority shall occur when two (2) or more Unit Members have the same amount of seniority credit as determined by the seniority list.

Ties in seniority shall be broken by the following method to determine the most senior Unit Member.

- A. The Unit Member with the first day worked in a non-supplemental teaching bargaining unit position; then
- B. The Unit Member with the earliest date of employment (date of hire) by the Board;
- C. By lottery, with the most senior Unit Member being the one whose name is drawn first, etc. This procedure shall be implemented in the presence of a designated Association representative.

Section 6.03 SUPERSENIORITY

For reduction in force purposes only, Unit Members employed under continuing contract shall have greater seniority than Unit Members employed under limited contract.

Section 6.04 REDUCTION IN FORCE

- A. When it becomes necessary to reduce the number of Unit Member positions for the reasons set forth in the Ohio Revised Code Section 3319.17, the following procedures will apply.
- B. Implementation of a reduction in force shall occur at no other time than the beginning of a school year or except for reductions made necessary by the return of an Unit Member from a leave of absence.
- C. Any reduction will first be made through attrition resulting from resignations, retirements, non-renewals, terminations and transfers with the vacancies created filled utilizing the procedures set forth in Article V.
- D. Seniority is no longer the sole determining factor in RIF and can only be used when determining the RIF order of Unit Members who have comparable evaluation ratings.
- E. Thirdly, any Professional Staff Member displaced from his/her current teaching assignment due to reduction in force may bump the most junior Professional Staff Member in another teaching field in which he/she is certificated/licensed, provided such certification/licensure is on file in the Superintendent's office. In no event shall a Professional Staff Member without a continuing contract or part-time Professional Staff Member without a continuing contract exercise bumping rights over a full-time Professional Staff Member with a continuing contract.

When a full-time teaching position is reduced to less than full time, it shall be considered a RIF. All RIFs shall be conducted in accordance with the provisions set forth in this agreement. A Unit Member suffering a RIF from full time to part time should be considered for full time status prior to the recall of a Unit Member with less seniority from the RIF list and/or the hiring of a new Unit Member to fill a new position or vacancy for which the Unit Member is properly credentialed. The considerations are in light of performance evaluations.

- F. If additional reductions are necessary, continuing contract Unit Members in the certification/licensure area(s) affected by the reduction will be reduced by suspending contracts in the reverse order of seniority (i.e. the least senior Unit Member is reduced first). Only if it is determined that their most recent Unit Member evaluations are comparable.

Comparable shall be defined based on the final summative ratings on the most recent Unit Member evaluation document. If/When there is disagreement regarding the determination of comparable, the matter shall be considered appropriate for resolution through the grievance procedure.

- G. The Superintendent shall give written notice of the intent to recommend suspension of contracts to the affected Unit Members. This notification shall be given no less than eight (8) calendar days prior to the Board meeting at which the action to reduce staff will be taken.

Section 6.05 RECALL

- A. Unit Members whose contracts have been suspended as a result of a reduction in force shall have the following rights:
1. The Unit Member shall remain on the recall list for two (2) years.
 2. The Board shall make no new appointments while there are properly certificated/licensed Unit Members with suspended contracts available on the recall list to fill vacancies.
 3. Unit Members on the recall list will be recalled in order of seniority for vacancies in areas for which they are certified/licensed.
 4. Unit Members whose continuing contracts have been suspended shall have the right of restoration to continuing service status in accordance with ORC 3319.17.
 5. Unit Members who wish recall shall keep their current address and certification/licensure on file with the Superintendent.

6. Notice of recall will be by certified letter to the last known address of the Unit Member. Within seven (7) calendar days of receipt of the notice, the Unit Member must indicate in writing to the Superintendent his/her intent to accept or decline a recall. Failure to respond in writing within seven (7) calendar days will signify forfeiture of all recall rights and resignation of employment.
7. An Unit Member who declines to accept an offer of recall to an equal (i.e. Fulltime/Part-time) position, as previously held, will forfeit all recall rights and will be deemed to have resigned his/her employment.

Section 6.06 STATUTORY CONSIDERATIONS

- A. It is the express understanding and agreement of the parties hereto that the provisions of this Article may not conflict with the requirements of Revised Code Section 3319.17, but in all other respects shall supersede and take the place of Revised Code Section 3319.17.

ARTICLE 7 – EVALUATION

Section 7.01 TEACHER EVALUATION

(Teacher will be used instead of Unit Member for this section)

I. OVERVIEW

- A. The Bethel Local School District will utilize the Ohio Teacher Evaluation System (OTES) as the foundation of the evaluation process. These standards provide the instructional staff and administration with a common language and a set of skills to enable administration to successfully evaluate educators.

- B. As a result of HB 153, SB 316 and Substitute HB 362 the Board of Education has adopted a teacher evaluation policy in accordance with the standards-based statewide teacher evaluation framework adopted by the State Board of Education.
 - 1. The Board adopts the Ohio Teacher Evaluation System “OTES” model as approved by the State Board of Education.
 - 2. Each evaluation will have a rating of (4) Accomplished; (3) Skilled; (2) Developing; or (1) Ineffective.
 - 3. The rating must be based on teacher’s performance (50%) and Student Growth Measures (SGMs) (50% each).
 - 4. The teacher’s performance measures require at least two scheduled formal observations and walkthrough visits.
 - 5. All formal evaluations and walkthroughs, including post-observation conferences must be completed by May 1st and the teachers must be provided with a written copy of the evaluation results by May 15th.
 - 6. After each post-observation conference, teachers have three (3) days to submit additional evidence related to their observation.

- C. "OTES" stands for the Ohio Teacher Evaluation System as adopted by the Ohio State Board of Education in 2011, or as otherwise modified by the State Board of Education. This evaluation program has been developed in consultation with teachers employed by the Bethel Local Schools Board of Education.

- D. A District Evaluation Committee (EC) composed of four (4) Association members appointed by the Association President and four (4) administrators appointed by the Superintendent will be established as delineated in Section 20 of this Master Agreement. The Committee will meet at least annually to make recommendations regarding the teacher evaluation procedure, if needed. The EC will also meet to convene the OTES Procedural Appeal Committee, as needed. The Committee will submit any of its recommendations to the Association for ratification no later than June 1. Upon ratification by the Association, the Committee's recommendations will be submitted to the Board of Education for approval. Any and all changes to the Teacher Evaluation Policy will take effect upon approval of the Board.
- E. The Committee will also meet to discuss any changes in the law regarding the Ohio Teacher Evaluation System. The committee will convene within two (2) weeks of the date on which the applicable legislation is signed into law. The Committee will submit any recommended changes to the Association for ratification no later than one (1) month from the date on which the applicable legislation is signed into law. Upon ratification by the Association, the Committee's recommendations will be submitted to the Board of Education for approval. All Committee procedures and functions will be determined by action of the Committee. The timelines set forth above may be altered by action of members of the Committee and adherence to its procedures.

II. PURPOSE

- A. To serve as a tool to advance the professional development of teachers
- B. To inform instruction.
- C. To provide Boards of Education with information about district-wide priorities concerning staff development, strategic planning and preservation of a high quality public school system.
- D. To assist teachers and administrators in identifying and developing best educational practice that offers the greatest opportunity for student learning and achievement.

III. STANDARDS-BASED TEACHER EVALUATION

- A. Teacher evaluations will utilize multiple factors, with the intent of providing meaningful feedback to each teacher and assigning an effectiveness rating based in equal part upon teacher performance and student growth. Each teacher evaluation will result in an effectiveness rating of:
 - 1. Ineffective
 - 2. Developing
 - 3. Skilled
 - 4. Accomplished
- B. The specific standards and criteria for distinguishing between these ratings/levels of performance will be the same as those developed by the State Board of Education, which are incorporated herein by reference.
- C. The Superintendent will annually file a report to the department of education the number of teachers for whom an evaluation was conducted as well as the number of teachers assigned each rating as set forth above, aggregated by teacher preparation programs from which and the years in which the teachers graduated.
- D. Fifty percent (50%) of each evaluation will be based upon teacher performance and fifty percent (50%) on multiple measures of student growth (SGMs) with each teacher determining the SGMs projection. The SLO Committee will review and approve all SLOs. The SLO Committee has the right to request evidence of the stated projected student projected growth measure.
- E. The Student Learning Objective (SLO) is due at the end of the first nine weeks. The SLO result may be due by May 15. However, no employment decisions will be made until the evaluation process is complete.
- F. The Board of Education (“Board”) of Bethel Local Schools (“District”) adopts the following teacher evaluation policy in accordance with the standards-based statewide teacher evaluation framework adopted by the State Board of Education in November 2011. The Board acknowledges that this teacher evaluation policy aligns with the *Standards for the Teaching Profession* as set forth in State law.
- G. Policy will be reviewed by reconvening the District Evaluation Committee annually and the committee will revise the policy as necessary.

IV. DEFINITIONS

- A. Teachers are those individuals who meet one of the following four categories:
1. Teachers working under a license issued under Ohio Revised Code (ORC) Sections 3319.22, 3319.26, 3319.222 or 3319.226 who spends at least fifty percent (50%) of his/her time providing content-related student instruction; or
 2. Teachers working under a permanent certificate issued under ORC 3319.222 as existed prior to September 2003 who spends at least fifty percent (50%) of their time providing content-related student instruction; or
 3. Teachers working under a permanent certificate issued under ORC 3319.222 as it existed prior to September 2006 who spends at least fifty percent (50%) of their time providing content-related student instruction; or
 4. A teacher working under a permit issued under ORC 3319.301 who spends at least fifty percent (50%) of his/her time providing content-related student instruction.
- B. "Retention" for purposes of this policy refers to employment decisions on the question of whether or not to suspend a contract pursuant to a reduction in force, nonrenewal a limited or extended limited contract, or terminate employment for good and just cause. In the case of a reduction in force, seniority will not be considered when making decisions on contract suspensions, except in the instance of comparable evaluations. The decision to non-renew or terminate the contract of a poorly performing teacher may be informed by the evaluation (s) conducted under this policy. However, decisions to non-renew or terminate a teaching contract are not limited by the existence of this policy.
- C. "Promotion" as used in this context is of limited utility given the fact that teachers covered by this policy are not currently employed in any discernible hierarchy. Nevertheless, when making decisions relative to such matters as determining department or grade level chairpersons, selections to curricular or strategic planning bodies, or teaching assignments, the Board will consider teacher performance as indicated by evaluations.

- D. "Poorly Performing Teachers" refers to teachers identified through the evaluation process set forth in this policy who demonstrate an inability and/or unwillingness to meet the reasonable expectations of this standards-based evaluation system.
- E. "Comparable Evaluations" – Since seniority may not be the basis for teacher retention or other employment decisions, except when deciding between teachers who have comparable evaluations, this refers to teachers within the categories of "Ineffective," "Developing," "Skilled," and "Accomplished." Seniority will not be a basis for making retention decisions, except when making a decision between teachers who have comparable evaluations.
- F. Principals and assistant principals will be evaluated in accordance with the principal evaluation policy adopted by the Board in accordance with ORC 3319.02.
- G. This policy does not apply to the superintendent, assistant superintendent(s), business manager, treasurer or "other administrator" as defined by ORC 3319.02. This policy also does not apply to substitute teachers.

V. ASSIGNING AN EFFECTIVENESS RATING

- A. Each evaluation will result in an effectiveness rating of "Accomplished," "Skilled" "Developing," or "Ineffective." An effectiveness rating is based on fifty percent (50%) of teacher performance and fifty percent (50%) on multiple measures of student growth. All three of the above elements will be combined to reach a teacher's final summative effectiveness rating.
- B. The Board will annually submit to the Ohio Department of Education (ODE), in accordance with ODE guidelines, the number of teachers assigned an effectiveness rating, aggregated by the teacher preparation programs from which, and the years in which, the teachers graduated.

VI. CALCULATING TEACHER PERFORMANCE

- A. Teacher Performance is evaluated during the two cycles of formal observations during the applicable school year using evidence provided by the teacher during pre-observation and post-observation conferences and periodic classroom walkthroughs. All meetings, walkthroughs and sources of evidence for the first cycle must be completed and compiled by the end of first semester. All meetings, walkthroughs and sources of evidence for

the second cycle must be completed and compiled by May 1st. Fifty-percent (50%) of the effectiveness rating will be attributed to Teacher Performance through a holistic process based upon the following *Ohio Standards for the Teaching Profession* and training for credentialed evaluators:

1. Understanding Student Learning and Development and Respecting the Diversity of the Students they.
2. Understanding the Content Area for which they have Instructional Responsibility;
3. Understanding and Using Varied Assessment to Inform Instruction, Evaluate and Ensure Student Learning;
4. Planning and Delivering Effective Instruction that Advances Individual Student Learning;
5. Creating Learning Environments that Promote High Levels of Learning and Student Achievement;
6. Collaborating and Communicating with Students, Parents, Other Educators, District Administrators and the Community to Support Student Learning; and
7. Assuming Responsibility for Professional Growth, Performance and Involvement.

VII. CALCULATING STUDENT GROWTH MEASURES

A. For purposes of the Ohio Teacher Evaluation System (OTES), "student growth" means the change in student achievement for an individual student between two or more points in time. This component of the evaluation includes some combination of the following: 1) Teacher-level Value-Added Data; 2) ODE-Approved Assessments; and/or 3) Locally-determined Measures.

1. Teacher-level Value-Added: "Value-Added" refers to the value-added methodology provided by ODE. Where value-added data for grades 4-8 for English language arts and mathematics exists (via state-provided assessments), value-added data must be one of the multiple measures used in calculating student growth.
2. ODE Approved List of Assessments: Assessments, if utilized by the district, may be included as one of the multiple measures of student growth. Assessments utilized must be included when calculating the

fifty percent (50%) attributed to student growth measures. The Superintendent/designee, in consultation with teachers and subject to Board approval, will utilize the assessments on the approved list as he/she deems necessary and appropriate.

3. Locally-determined Measures: For courses of instruction in which neither teacher level value-added data nor ODE-approved assessments are available, the Superintendent/designee, in consultation with teachers and subject to Board approval, will establish a process in accordance with ODE guidance to create Student Learning Objectives (SLOs) to measure student growth in the courses of instruction
- B. Unit members will determine the student population to be measured, the assessment to be utilized and the student growth target. Unit members may be asked to provide justification in calculating the student growth target.
 - C. In the calculation for student academic growth, a student who has forty-five (45) or more excused or unexcused absences for the school year will not be included.
 - D. Data from these multiple measures will be scored on five levels in accordance with ODE guidance and converted to a score in one of three levels of student growth: 1) "Above;" 2) "Expected;" and 3) "Below."

VIII. EVALUATION TIME LINE

- A. Except as otherwise provided in this policy, all instructors who meet the definition of "teacher" under ORC 3319.111 and this policy will be evaluated based on at least two (2) formal observations and periodic classroom walkthroughs each school year. The first formal observation will be completed by the end of the first semester. The second formal observation will be completed by April 1st of the applicable year.
- B. Teachers on a limited contract who are under consideration for nonrenewal will receive three (3) formal observations in addition to periodic classroom walkthroughs as required by ORC 3319.111. All will be completed by May 1st of the applicable school year.
- C. Teacher who received a rating of "Accomplished" on his/her most recent evaluation will be evaluated in accordance with the process set forth in this policy once every three (3) school years so long as the teacher's student academic growth measure, for the most recent school year for which data

is available, is average or higher as determined by the Ohio Department of Education.

- D. In any year that a teacher is not evaluated in accordance with the process set forth in this policy, an individual qualified to evaluate a teacher pursuant to applicable law will conduct one (1) observation of the teacher. There is no expectation that said observation will be a formal observation.
- E. If a teacher's student academic growth measure is lower than average, the teacher will be evaluated in accordance with the process set forth in this policy during the subsequent school year. *For example*, if a teacher received a rating of Accomplished during the 2017-2018 school year, but his/her student academic growth measure is below average for that school year, he/she will be evaluated in accordance with the process set forth in this policy during the 2018-2019 school year.
- F. A teacher who received a rating of "Skilled" on his/her most recent evaluation will be evaluated in accordance with the process set forth in this policy once every two (2) school years so long as the teacher's student academic growth measure, for the most recent school year for which data is available, is average or higher as determined by the Ohio Department of Education provided. In any year that a teacher is not evaluated in accordance with the process set forth in this policy, an individual qualified to evaluate a teacher pursuant to applicable law will conduct one (1) observation of the teacher. There is no expectation that said observation will be a formal observation.
- G. All observations, forms and meetings will be completed by May 1st. Each teacher will then be provided a written report of the results of his/her evaluations by May 15th. If nonrenewal is being considered, a written notice of nonrenewal will be provided by June 1st
- H. In evaluating teacher performance, the Board will utilize the measures set forth by the Ohio Department of Education's OTES "Teacher Performance Evaluation Rubric" for instructional planning, instruction and assessment, and professionalism.
- I. To maintain consistency, each unit member will have only one (1) evaluator per year unless an alternative evaluator is requested by the unit member.

- J. Administration may evaluate any teacher not on an evaluation cycle with just cause. The evaluation will follow the formal observation procedures outlined.

IX. FORMAL OBSERVATION PROCEDURE

- A. The first formal observation will be preceded by a conference between the evaluator and the teacher prior to the observation to allow for the teacher to explain plans and objectives for the classroom situation to be observed. To encourage teachers to provide evidence, an evaluator may choose to use a questionnaire or a checklist. A teacher must be notified one (1) week in advance of a scheduled observation.
- B. A post-observation conference will be held within three (3) weeks after each formal observation. During both pre-observation and post-observation conferences, teachers will be given the opportunity to provide additional evidence of support. All such evidence will be accepted, reviewed and fully considered by the evaluator.
- C. All evaluator meetings with the teacher related to the first formal observation, including post-observation conference must be completed by the end of the first semester of the applicable school year. All evaluator meetings with the teacher related to the second formal observation, including a post-observation conference must be completed by May 1st of the applicable school year.
- D. Additional formal observations may be conducted by mutual agreement between the evaluator and the teacher or as required when the Board is considering non-renewal of a teacher's limited contract.

X. INFORMAL OBSERVATION/CLASSROOM WALKTHROUGH PROCEDURE

- A. Classroom walkthroughs will take place periodically throughout the year. Walkthroughs will be no less than five (5) minutes and no longer than fifteen (15) minutes in duration.
- B. Data gathered from the walkthrough will be recorded on the Teacher Walkthrough Form. A completed form will be shared with the teacher within three work days.

XI. CREDENTIALLED EVALUATORS

- A. The Board will authorize the Superintendent/designee to approve and maintain a list of credentialed evaluators as necessary to effectively implement this policy. Each teacher evaluation conducted under this policy will be conducted by someone
 - 1. who is eligible to be an evaluator in accordance with ORC 3319.111(D) and
 - 2. who holds a credential established by ODE for being an evaluator.
- B. Every evaluator must complete state-sponsored evaluation training and is required to pass an online credentialing assessment.

XII. ASSESSMENT OF STUDENT GROWTH

- A. In determining student growth measures, the Board adopts the Ohio Department of Education's OTES, which calculates student growth by assessing achievement for an individual student occurring between two points in time. It is important to note that a student who has forty-five (45) or more absences for the school year will not be included in the determination of student academic growth.
- B. In general, the Board will utilize the following categories to determine this aspect of a teacher's evaluation, depending on the instructor involved:
 - (A1) Teachers instructing in value-added subjects exclusively;
 - (A2) Teachers instructing in value-added courses, but not exclusively;
 - (B) Teachers instructing in areas with Ohio Department of Education approved vendor assessments with teacher-level data available.
 - (C) Teachers instructing in areas where no teacher-level value-added or approved vendor assessments are available.
- C. For "A1" teachers value-added data will be utilized for the full fifty percent (50%) of the student growth measure in the evaluation process.
- D. For "A2" teachers, value-added data and locally determined measures will be utilized to determine student growth proportionate to the teacher's teaching assignment. The locally determined measures for the remaining proportionate student growth will be developed, assessed and recorded by

“A2” teachers. Student growth measures may consist, in part, of District approved Student Learning Objectives (SLOs). For “A2” category teachers, student growth measures will constitute fifty percent (50%) of the evaluation process.

- E. For “B” teachers, vendor assessments will be employed, when possible. If appropriate vendor assessments are not available, then the locally determined measures for student growth will be developed, assessed and recorded by the “B” teachers. Student growth measures may consist, in part, of District approved Student Learning Objectives (SLOs). For “B” category teachers, student growth measures will constitute fifty percent (50%) of the evaluation process.
- F. For “C” teachers, for whom neither teacher-level, value-added data, nor Ohio Department of Education-approved vendor assessments are employed, the locally determined measures for student growth will be developed, assessed and recorded by the teacher of record. Student growth measures may consist, in part, of District approved Student Learning Objectives (SLOs). For “C” category teachers, student growth measures will constitute thirty-five (35%) of the evaluation process with the remaining fifteen (15%) being assessed by alternative measures.
- G. SLO’s will be authored by the teacher of record and based upon the following criteria: Baseline and Trend Data, Student Population, Interval of Instruction, Standards and Content, Assessments, Growth Targets, and Rationale for Growth Targets. When new SLOs are developed or revised, the process will include consultation with other teachers and approval by the SLO Committee.
- H. Data from these approved measures of student growth will be scored on five levels in accordance with the Ohio Department of Education/OTES guidance and converted to a score in one of three levels of student growth:
 - 1. Above
 - 2. Expected
 - 3. Below

XIII. FINAL EVALUATION PROCEDURES

- A. Each teacher's performance rating will be combined with the assessment of student growth measures to produce his/her final summative evaluation rating.
- B. Teachers will receive their final summative rating of teacher effectiveness by May 15th.
- C. All teachers' final summative rating will be registered with the ODE no later than June 10th.

XIV. RETIRING TEACHERS

- A. Any teacher who is eligible to retire pursuant to the State Teachers Retirement System of Ohio's rules and regulations and who submits a notice of retirement to the Board of Education on or before November 1st of his/her last year of employment, will not be evaluated or required to complete any of the requirements that an Accomplished or Skilled teacher is required to complete the year or years in which the teacher is not evaluated. *For example*, if a teacher, eligible for retirement, submits a notice of retirement to the Board on or before November 1st, 2017, he/she will not be evaluated during the 2017-2018 school year.
- B. The teacher's retirement must take effect the day after the last contracted work day of the applicable school year. It is expected that the teacher will submit such notice of retirement in good faith.

XV. DEVELOPING PROFESSIONAL GROWTH PLANS AND IMPROVEMENT PLANS

- A. Based upon the teacher's student growth measure for the most recent school year, each teacher must develop either a professional growth plan or a professional improvement plan as follows:
 - 1. Teachers, whose students have above or expected levels of student growth, will develop a professional growth plan, utilizing the components set forth in the "Teacher Evaluation Form".

2. Teachers, whose students have below expected levels of student growth, and are rated “Developing” or “Ineffective”, will develop a professional improvement plan with their credentialed evaluator. The professional improvement plan will be approved by the credentialed evaluator and utilize the components set forth in the "Teacher Evaluation Form".
3. Teachers whose students have below expected levels of student growth, and are rated “Skilled” or “Accomplished” will not develop a professional improvement plan.
4. Duration of professional improvement and professional growth plans will not extend beyond a single school year. Periodic review of improvement plans, as an in-person and/or digital meeting, will be conducted.
5. Records regarding the progress of a teacher on an improvement plan, will be maintained by the teacher and evaluator to assess progress and to plan for the future.

XVI. TESTING FOR TEACHERS IN CORE SUBJECT AREAS

If a teacher has received a final summative rating of "Ineffective" on evaluations for two of the three most recent school years and they teach a "core subject area", then that teacher is required to register for and take all written examinations of content knowledge in his/her core subject area as selected by ODE. Core subject area are defined as reading and English language arts, mathematics, science, foreign language, government, economics, fine arts, history, and geography.

XVII. BOARD PROFESSIONAL DEVELOPMENT PLAN

The Board will provide for the allocation of financial resources to support professional development to the extent required by State law and the State Board of Education evaluation framework.

XVIII. RETENTION AND PROMOTION DECISIONS

It is the purpose of this Standards-Based Teacher Evaluation Policy to improve the quality of instruction, enhance student learning and strengthen professional competence through meaningful feedback and targeted professional development. In addition, the evaluations produced will serve to assist the Superintendent on employment decisions.

XIX. REMOVAL OF POORLY PERFORMING TEACHERS

- A. Poorly performing teachers may be removed, upon recommendation of the Superintendent, either through nonrenewal or termination when one of the following has been demonstrated:
1. Failure of a core subject area teacher, required to take a written examination, to pass such examination.
 2. Failure of a core subject area teacher, required to take a written examination, to complete required professional development
 3. Failure of a core subject area teacher to complete all required written examinations.
 4. Receipt of an "Ineffective" rating by a core subject area teacher in his/her evaluation following passage of a written examination and completion of required professional development.
 5. A teacher receiving an "Ineffective" rating for two (2) consecutive years is subject to nonrenewal or termination.
- B. Removal of poorly performing teachers will be in accordance with the nonrenewal and termination statutes of the Ohio Revised Code.

XX. PROCEDURAL APPEAL PROCESS

- A. Within a teacher's Final Summative Rating, evaluators' judgments and observations are *not* grievable, any and all violations, misinterpretations, omissions and/or misapplications of proper OTES procedures and best practices, as established within the mandatory OTES training program, *are* subject to a procedural appeal filed with the Superintendent. The failure of an evaluator to perform established procedures, as required by OTES, the Ohio Department of Education and/or stipulated within this Master Agreement, during a teacher's evaluation process within all specified time limits will be the subject of an appeal. The teacher may file an appeal at any time throughout the evaluation cycle. However, such an appeal must be filed within five (5) working days of having knowledge of the violation, misinterpretation, omission and/or misapplication. When an appeal is filed, an evaluator will not enter or cause to enter any data of this evaluation until after which time the appeal is resolved.
- B. Once an appeal has been filed with the Superintendent, in the event that an evaluator did not employ proper OTES evaluation procedures, best

practices and/or failed to incorporate into an evaluation all of the evidence provided by the teacher during pre and/or post-observation conferences, the decision rendered by the Superintendent is final and is not subject to any grievance nor arbitration procedure.

- C. In addition, the following actions are considered proper and allowable responses and may be initiated by the teacher:
1. A teacher may submit a rebuttal and/or provide additional information to the evaluator within (10) ten working days of the receipt of her/his final summative rating.
 2. A teacher may request a review conference with the evaluator within ten (10) working days of the receipt of his/her final summative rating. All shared information will become part of the summative record and entered into the teacher's personnel file.
 3. A teacher may submit a formal request to the superintendent to assign a different evaluator, to be determined in consultation with the teacher, to complete the formal evaluation process of said teacher for the remainder of the current evaluation cycle in question and/or for all subsequent, formal evaluation cycles.

In the event that a teacher's evaluation has been ruled to be procedurally invalid by the Superintendent, such an evaluation will not be used in decisions regarding RIF nor Termination, but may be used to inform a teacher's professional growth. If an observation, an evaluation or any part thereof, is conducted by a person who is not properly certified/credentialed by the Ohio Department of Education, the evaluation will be considered invalid and the teacher will be held harmless from any jeopardy to their employment status.

Section 7.02 SCHOOL COUNSELOR EVALUATION

A. OVERVIEW

The Board of Education shall utilize the Ohio School Counselor Evaluation Rubric when evaluating school counselors. The Ohio School Counselor Evaluation Rubric ("Evaluation Rubric") consists of six standard areas which are based upon the *Ohio Standards for School Counselors* adopted by the Ohio State Board of Education in October 2015 and a seventh area focused on metric(s) of student outcomes. All provisions of the Ohio Revised Code, Section 3310.131, shall be adhered to by all parties except as further provided under Sabbatical Leave in this professional agreement.

B. ELIGIBILITY

1. In order to apply for sabbatical leave, the Unit Member must be properly certificated/licensed in his/her area of instruction, and must have completed five (5) consecutive years of regular employment in the Bethel Local School District immediately prior to application.
2. Each year, up to two (2) members of the eligible teaching staff may be granted such sabbatical leave of absence.

3. The Unit Member shall be placed in a teaching position for which he/she holds proper certification/licensure (i.e. K-8 or 7-12).

Section 8.10 PROFESSIONAL LEAVE

A. Since the Board recognizes the need to bring about increased professional growth of its Unit Members by attendance at workshops, seminars, and other professional improvement sessions, including observing in other schools and other educational facilities, the Superintendent may authorize leave for such purposes without pay deduction in accordance with these policies. The number of absences allowable for such professional leave is a judgment on the part of the Superintendent, subject to budget limitations.

B. LIMITATIONS

1. Request for absence under these policies shall not exceed a period of one (1) week.
2. No absence for professional reasons shall be granted under these policies during the three (3) days immediately preceding or following a vacation or holiday, nor at any time when the instructional process would be impaired by a Unit Member taking such leave.
3. Visitations or attendance at professional meetings shall be for purposes that will foster better educational services for the children of the Bethel School District. Ordinarily, the activity shall be directly related to the Unit Member's work assignment.
4. Attendance of Unit Members at meetings primarily for business activities of a professional organization shall not be approved unless it can be shown to the satisfaction of the Superintendent that attendance is necessary because the Unit Member is an officer of the organization or an official delegate to the meeting. For approved absence in such cases, the Board of Education shall pay only for the cost of the substitute. Other costs shall be borne by the Unit Member or by the organization requested.

C. REQUEST PROCEDURE

Requests for professional leave shall be submitted, in writing, on forms provided by the Board, to the Unit Member's supervisor no later than three (3) weeks preceding the event, if possible. E. REPORT

Each Unit Member granted leave under these policies shall file a written report form, supplied by the Board, covering the event which the Unit Member has attended. The report shall be included in the in-service education file of the Unit Member. A report is not required for Unit Members identified under Section 8.08.

Section 8.11 LEAVE WITHOUT PAY

- A. Absence from duty for personal business (not covered by other provisions of this Agreement) shall be classified as deduct days and result in a full loss of pay for that absence.
- B. When deductions are made for such absence, the following method of computing a day's pay shall be as follows:
 1. Total salary will be divided by the number of work days on the contract. This shall determine the daily rate and shall be used to determine the amount to be deducted.
- C. The use of leave without pay during days when school is in session must be applied for ten (10) days in advance except in an emergency. The number of days considered shall not exceed five (5) days in a school year.

- D. Deduct days will be permitted only at the discretion of the Superintendent, which determination will not be subject to the grievance procedure.
- E. It is understood that no Unit Member shall have a right to unpaid leave for sporadic or short-term absences, whether or not based upon illness (unless qualified under appropriate FMLA leave). For example, unpaid leave will not be granted for non-FMLA qualifying absence to extend the employment of an Unit Member where such Unit Member has exhausted all accumulated and/or advanced sick leave, unless the request is for long term unpaid leave and based upon legitimate medical reasons. To the extent that it conflicts with the provisions of Ohio Revised Code Section 3319.13, the parties agree that this paragraph replaces and supersedes that statute.

Section 8.12 ASSAULT LEAVE

- A. Any bargaining unit member absent from regular duties because of a physical disability resulting from an assault on the bargaining unit member which occurs in the course of Board employment shall be entitled to a leave of absence under the following conditions:

 - 4. The bargaining unit member must cooperate fully with the Superintendent and other public authority(ies) in the prosecution of the assailant(s).
 - 5. The bargaining unit member shall be required to file for Worker's Compensation.
 - 6. It is the intent of this Article to provide for assault leave for bargaining unit members who do not physically initiate the assault on the person. In case of a dispute as to whether or not a bargaining unit member has physically initiated an assault and it is determined through either an administrative

hearing or court action that the bargaining unit member did initiate the assault, the bargaining unit member shall be required to either: (1) refund the compensation received as assault leave, or (2) charge the assault leave against the sick leave earned by the bargaining unit member.

- B. Assault leave shall not be chargeable against sick leave except as stated in Section 8.12 A6.
- C. In the event the bargaining unit member is eligible to and receives Worker's Compensation for all or part of the period of disability due to an assault, the amount payable by the Board as assault leave shall be the difference between the Worker's Compensation benefits paid and the bargaining unit member's regular compensation. This shall be accomplished by the bargaining unit member's receiving his/her regular compensation from the Board and executing the necessary form so that such Worker's Compensation is paid directly to the Board.
- D. Falsification of any statement by a bargaining unit member to secure paid leave under this Article shall constitute cause for termination or other disciplinary action.
