**ARTICLE I
PROFESSIONAL NEGOTIATIONS PROCEDURES**

1.01 Recognition

The Adena Local Board of Education, hereinafter the “Board,” recognizes the Adena Education Association, affiliated with the Ohio Education Association and the National Education Association, hereinafter the “Association” as the sole and exclusive bargaining agent for the “bargaining unit” for the duration of the Agreement. The bargaining unit is composed of all certified teachers, whether under contract or on leave, employed by the Board.

The unit includes all existing personnel assigned to newly created certified teaching positions excluding the Superintendent, Assistant Superintendent, all administrative directors, principals, assistant principals, supervisors, administrative coordinators, and other persons engaged fifty percent of the time or more in the direct administration and supervision of professional personnel.

The term “teacher” when used hereinafter in the Agreement shall refer to all employees in the bargaining unit.

The Board agrees not to negotiate with or recognize any teachers’ organization other than the Association for the duration of this Agreement.

1.02 Negotiation Procedures

- A. Either the Association or the Board may initiate negotiations by submitting a notice to negotiate no sooner than 120 calendar days but no later than 60 calendar days prior to the expiration of the contract. If notice is from the Association, it shall be served on the Superintendent. If notice is from the Board, it shall be served on the Association President.
- B. A mutually convenient meeting shall be held no later than twenty (20) days after the service of the original notice unless both parties agree to a later date. All meetings shall be in closed session.
- C. Both the Board and the Association shall submit all of their proposals in writing at no later than the first negotiations session. No additional proposals may be submitted past the deadlines listed above except by mutual agreement of the parties.
- D. Negotiation Teams, Observers – The designated representatives chosen by the Board and the Association shall meet to negotiate in good faith. There shall be four representatives chosen by the Board. There shall be four representatives chosen by the Association. Neither party will attempt to exert any control over the other’s selection of its

representatives. In addition to the teams, each team shall be authorized to have a legal counsel present.

- E. Negotiation Meetings – The representatives of the Board shall meet at reasonable times with representatives of the Association for the purpose of affecting a free exchange of facts, opinions, and proposals in the sincere effort to reach mutual understanding and agreements on all appropriate matters submitted for negotiations. All parties are obliged to deal openly and fairly with each other on all matters and to conduct such negotiations in good faith, but such obligation does not compel either party to agree to a proposal or require the making of a concession. Good faith involves coming to the table with the intention of negotiating, not of dogmatically pursuing preconceived stands. Good faith requires that the Association and the Board be willing to react to each other's proposals. If a proposal is unacceptable to one of the parties, the party is obligated to give its reasons. Good faith requires both parties to recognize negotiations as a shared process. Such meetings shall not be conducted during the regular school day. Before adjournment the teams will agree upon a time and place for the next subsequent meeting, unless impasse has been reached.
- F. Caucus – Upon the request of either party, the negotiation meeting shall be recessed to permit the parties to caucus. A caucus shall be for a period of not more than thirty (30) minutes unless otherwise mutually agreed to.
- G. Exchange of Information – The Board shall make available to the Association such information as is pertinent to the issue under negotiations provided, however, that nothing herein shall require the Board to make available to the Association any confidential information or reports expressly compiled for the use of the Board or its negotiators. The Association shall do likewise. The Treasurer shall present to the President of the Association a copy of each of the following records:
 - 1. The most recent Official Amended Certificate of Estimated Resources
 - 2. A training and experience grid for bargaining unit employees, showing where on the salary schedules bargaining unit members are located.
 - 3. Other items requested in writing by the Association President and/or the OEA/NEA UniServ Consultant or other OEA/NEA Consultant
- H. Agreement – If consensus is reached on those matters being negotiated, the understanding of the parties shall be reduced to writing

and submitted to the membership of the Adena Education Association for ratification. If ratified, the written memorandum of understanding between the parties shall then be submitted to the Board for its consideration. If approved by an affirmative vote of a majority of the full Board, the agreement shall be signed by both parties and shall become a part of the official minutes of the Board.

1.03 Impasse

A. Mediation

1. Forty-five (45) days prior to the expiration of the current agreement, or some other mutually agreed upon date, if the parties have items as yet unresolved, the parties shall jointly request the services of the Federal Mediation and Conciliation Service. The assigned mediator shall have the authority to call meetings for the purpose of promoting an agreement between the parties.
2. Mediation will continue through the expiration of the contract, or thereafter upon mutual agreement of the parties. Following mediation in accordance with these provisions, the parties may exercise their rights under Ohio Revised Code 4117. Either party may distribute status-reports concerning negotiations at any point during the process of negotiations and/or mediation.

- B. Costs – Any costs and expenses which may be incurred in securing and using the services of the mediator as described above, shall be shared equally by the parties.

1.04 Complete Agreement

The Board and the Association acknowledge that during negotiations which preceded this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining/negotiations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Therefore, for the life of this Agreement, the Board and the Association each agree that the other shall not be obligated to negotiate collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement. This article shall not operate to preclude negotiations over a successor agreement.

This Agreement represents the entire agreement between the Board and the Association and unless specifically and expressly set forth in the express written provisions of this Agreement, all rules, regulations, benefits and practices previously and presently in effect may be modified or discontinued at the sole discretion of the Board.

1.05 No Strike Clause

The Association and any and all of its members shall not cause, engage in, or sanction any strike during the term of this Agreement.

A "strike" as used herein shall be defined in accordance with Ohio Revised Code Section 4117.01, Section H.

**ARTICLE II
ASSOCIATION RIGHTS**

2.01 The Association shall have the right to use school buildings for membership meetings, provided the building principal is notified, except in the case of urgent necessity, no less than twenty-four (24) hours in advance of the time and place of such meetings, and the use does not interfere with the previously scheduled use of the building. The Association shall keep the school buildings in good order and in the condition as the same now are, with reasonable use and natural wear and tear expected.

2.02 Upon reasonable request of the Association, the Association shall have the right to use school equipment, such as typewriters, copying machines, duplicating equipment, calculating machines and audio-visual equipment, provided such use is made on school property and does not interfere with the school use of such equipment. Borrowed equipment must be returned in the same condition as when borrowed taking into consideration normal wear of such equipment. The Association shall pay for all consumable supplies.

2.03 The Association shall have the right to the use of the school mail service to the extent such use does not interfere with the school use of such service. If such a device, code or other insignia is so affixed, the administration shall have the right to remove it.

2.04 The Association shall have the non-exclusive use of any bulletin board presently located in a teachers' lounge or other non-public area as designated by the principal, provided that any material posted shall be designated as Association material.

Representatives of the Association who are not employees of the Board shall first report to the principal's office and otherwise comply with all conditions required of other visitors.

- A. Be provided with copies of all Board agendas, minutes and other written public information. Such information shall be sent to the Association President electronically at the same time it is sent to Board members.
 - B. Be placed on the agenda of Board meetings, when requested, for the purpose of communications with the Board.
 - C. Be given each September the name, address and phone number of each member of the bargaining unit and within one (1) week after official Board action employing new teachers, the names and addresses of all such new teachers.

ARTICLE III GRIEVANCE PROCEDURE

3.01 Grievance Policy

The Board and the Association recognize that in the interest of effective personnel management, a procedure is necessary whereby teachers can be assured of a prompt, impartial, and fair hearing on their grievances. Such procedures shall be available to all teachers within the bargaining unit and no reprisals of any kind shall be taken against any teacher initiating or participating in the grievance procedure by reason of such initiation or participation.

3.02 Purposes and Objectives

The primary purpose of this procedure shall be to obtain at the lowest administrative level and in the shortest period of time, equitable solutions to grievances, which may arise from time to time. Both the Board and the Association agree that grievance proceedings shall be handled in a confidential manner.

3.03 Grievance Defined

- A. A grievance shall mean an alleged violation, misinterpretation, or misapplication of this written contract.

- B. A grievant shall mean an employee or group of employees within the bargaining unit alleging that some violation, misinterpretation or misapplication of the aforementioned agreement has actually occurred. A grievance alleged to be a "group" grievance shall have arisen out of identical circumstances affecting each member of said group. The Association may file a grievance on its own behalf for an alleged violation, misinterpretation or misapplication of any right or privilege granted to the Association or to any bargaining unit member by the terms of this contract. A grievance filed by the Association for an alleged violation, misinterpretation or misapplication of a right or privilege granted to a bargaining unit member shall, in addition to the other requirements for filing grievances, state the name of the bargaining unit member whose rights or privileges have allegedly been violated, misinterpreted or misapplied, and such bargaining unit member must attend all grievance conferences related to that grievance. If either of those two requirements is not complied with, the grievance shall be deemed to have been waived.

3.04 General Provisions

- A. An individual grievance shall be initiated by the person so aggrieved.
- B. An alleged violation should be first discussed informally with the appropriate administrator prior to initiation of the grievance procedure.
- C. A grievance shall be reduced to writing on a standard form supplied by the Board and shall contain a concise statement of the facts upon which the grievance is based, a reference to the specific provision of the Master Agreement allegedly violated, misinterpreted or misapplied, the date of the alleged violation, and the relief sought. The grievance form utilized will be the form specified in Appendix "A".
- D. The Association shall be available to assist any teacher in preparing the proper and complete information necessary to expedite the procedure.
- E. Counsel of choice may be used by all or any parties involved in the grievance procedure at all levels. If counsel for the teacher is an organizational counsel, it shall be only the official representatives of the Association.
- F. Time limits given shall be considered as maximum, unless otherwise extended by mutual written agreement by the parties involved.
- G. A grievance may be initiated at Level II when it has been determined by the building principal that the subject is not within his or her realm of responsibility or control.

- H. Nothing contained in this procedure shall be construed as limiting the individual rights of a teacher, having a complaint or problem, to discuss the matter informally with members of the administration through normal channels of communications.
- I. Nothing contained in this procedure shall be construed as limiting the rights of a teacher from using other professional or legal rights in resolving a complaint or problem.
- J. Election of remedies – Upon the filing of a complaint by the grievant or on the grievant’s behalf, in any court of competent jurisdiction demanding relief upon a matter which is the subject of a pending grievance, such filing shall be deemed a waiver of the rights granted herein and the grievance shall be deemed dismissed.
- K. Except as hereinafter provided, a “day” shall mean any day in which bargaining unit members are working and during summer recess any weekday excluding holidays when Board of Education offices are not open. Failure to comply with the time limits by the grievant shall result in a waiver of the rights granted under this Article. Failure of the administration to comply with the time limits shall advance the grievant to the next level of this procedure.
- L. A grievance may be withdrawn at any level without prejudice.
- M. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- N. In the course of investigation of any grievance, those persons involved with the investigation of said grievance will report to the principal of the building being visited immediately upon arrival.
- O. There shall be no interruption of classroom activities in any phase of the grievance procedure, unless otherwise agreed by the parties.
- P. There shall be no involvement of students in any phase of the grievance procedure.
- Q. The Association shall be notified in writing of all grievance conferences and shall have the opportunity to attend any grievance conference.
- R. The grievant has the right to Association representation at all meetings and hearings involving the grievance.
- S. The Association shall have the exclusive right to determine whether to proceed to the arbitration step of the procedure.

- T. The Association shall receive copies of all communications in the processing of grievances.

3.05 Procedure

- A. Level I – Administration – A copy of a written grievance shall be submitted to the aggrieved's immediate administrator within thirty (30) days of the time the aggrieved became aware or should have been aware upon the exercise of reasonable diligence of the alleged violation or such shall be deemed to have been waived and no longer to exist.

A meeting shall be mutually agreed upon between the aggrieved and the administrator within four (4) days of the filing of the grievance. No more than four (4) people may provide information related to the grievance at any one meeting. Discussion at the meeting shall be confined to the issues as stated in the grievance and the relief sought.

Within five (5) days of the meeting, the administration shall provide the aggrieved with a written response stating his position and/or suggestion for resolution of the grievance.

- B. Level II – Superintendent – If the aggrieved is not satisfied with the suggestion for resolution received in Level I, he may within five days of receipt of such written response, submit his written grievance to the Superintendent and request a meeting to discuss the grievance.

The meeting shall be within ten (10) days of the request.

The meeting shall be conducted in a manner as stated in Level I.

Within five (5) days of the meeting, the Superintendent shall provide the aggrieved with a written response stating his position and/or suggestion for resolution of the grievance.

- C. Level III – Arbitration – If the grievant is not satisfied with the disposition at Level II, he/she may demand, upon written approval of the Association, that the issue be submitted to arbitration. Such demand shall be made within ten (10) days after receipt of the written notice of the action taken by the Superintendent. The Arbitrator shall be selected through the Voluntary Rules of the American Arbitration Association, or through some other method or other mediation service provider agreed upon by the Superintendent and the Association.

The Arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement, or to make any award which is inconsistent with the terms of the Agreement or contrary to law.

The arbitrator shall make his report and recommendations to the grievant, the Superintendent, and the President of the Association. His decision shall be binding upon the parties. The said report shall be within thirty (30) days of request for arbitration. Cost of the Arbitrator's services shall be shared equally by the Board and the grievant.

ARTICLE IV LEAVES OF ABSENCE

4.01 Sick Leave Policy

4.011 Each full-time teacher shall accumulate sick leave at a rate of 1-¼ days each month of the year. Part-time teachers will accumulate sick leave on a pro-rata basis based on their employment contract issued by the Board. Teachers are eligible for an accumulation of 250 sick leave days.

4.012 Provisions of Sick Leave

- A. Sick leave may be used for personal illness of an employee, pregnancy-related disability, injury, and exposure to contagious disease which could be communicated to others.
- B. Sick leave may be used for absence due to illness, pregnancy-related disability, injury, quarantine or death in the employee's immediate family.
- C. Members of the immediate family shall be defined as follows: grandparents, spouse, children, father, mother, brother, sister, in-laws, or other persons who have assumed a similar position to the teacher's, regardless of residence.

4.013 The above sick leave provisions set forth herewith shall also be subject to the following:

- A. Teachers who transfer from another school district in Ohio or other public agency shall be credited with unused sick leave, not to exceed the total days permitted to be accumulated in paragraph 4.011 above, as long as the transfer takes place within ten (10) years of having left the previous school district/other public agency.
- B. Employees must provide an official statement from the last place of employment stating the number of days of unused sick leave.
- C. Full salary will be paid to each employee while on sick leave not to exceed actual accumulated sick leave. Any paid days beyond actual accumulation shall be paid only as authorized by the express policy of the Board.

- D. The Board will assume the financial responsibility for the substitute.
- E. Severance of a contract by an employee or by the Board shall nullify the pay for accumulated sick leave; however, sick leave may be transferred from one school district to another in the State of Ohio.
- F. Sick leave accumulated from out of state or with a federal agency is not transferable to public schools in Ohio.
- G. Sick leave may be used in full, half-day, or quarter-day increments. A “quarter-day” is two (2) hours or less.

4.014 Holidays in Relation to Sick Leave

When holidays and other days not in session approved by the Board are included in the period of absence due to illness, such days shall not be charged against the accumulated sick leave.

4.015 Advancement of Sick Leave

All new full-time employees who have no previous sick leave credit shall be credited with five (5) days of sick leave on the first day of the first month of employment. All other full-time employees who have not accumulated a total of five (5) days shall, on the first day of the first month of service of that year be credited with a sufficient number of sick leave days to bring the total number of days of sick leave for each employee to five (5) days unless the employee is on an unpaid leave of absence.

The days of sick leave credited to any employee at the beginning of the term of service are in lieu of the 1¼ days of sick leave accrued for each month of service, and no additional credit for sick leave will be granted to any employee until such employee has earned an amount of sick leave credit at the rate of 1¼ days for each completed month of service, in excess of the number of days sick leave credited at the beginning of such term of service.

4.016 Required Written Notice of Sick Leave

The Board shall require the use of an electronic form, but no additional information shall be required of the teacher other than what appears on the form in Appendix B, even if such additional request for information appears on the electronic form. In the event the electronic form is not accessible, the teacher shall furnish a written, signed statement on the form found in Appendix B to justify the use of sick leave. If medical attention is required, the employee’s statement shall list the name and address of the attending physician and the dates on which the physician was consulted.

4.017 Penalty/for Misuse of Sick Leave

Falsification of a statement is grounds for suspension or termination of employment (O.R.C. 3319.16), in addition to the loss of wages for those days in which the sick leave provisions are misused.

4.018 Statement of Accumulated Sick Leave Days

It shall be the policy of the Board to notify all employees, in writing, of the number of accumulated sick leave days credited to each employee on or before the last day of September. This written notice will include all days of sick leave accumulated to July 1.

4.019 Sick Leave Transfer

- A. A bargaining unit member may initiate a one-time transfer per year of sick leave to a named specific unit member who has exhausted or shortly will exhaust his/her accrued sick leave. The transferred days must be used in the school year that the transfer is made. Bargaining unit members wishing to assist may transfer no more than ten (10) days in any school year. Sick leave can only be transferred for the catastrophic illness or injury of a member or to care for a spouse or dependent children who are suffering from a catastrophic illness or injury.
- B. The sick leave transfer must be approved by the Board after a written request from the Association. The request must detail the reasons for the transfer. The sick leave transfer is irrevocable and shall cause the contributing member to have his/her sick leave reduced accordingly. The contributing bargaining unit member must fill in the approved form and return it to the Treasurer's Office. (Appendix C)
- C. Transfer does not affect the incentives of the bargaining unit members making donations.

4.020 Attendance Incentive

Bargaining unit members shall receive an attendance incentive bonus on the following basis:

1 or less days of sick or personal leave used in the year: \$400

0 days of sick or personal leave used in the year: \$500.

Bargaining unit members shall be paid the Attendance Incentive as eligible and any unused personal leave shall be rolled over into sick days equal to the unused personal days.

4.02 Personal Leave

- A. Each teacher shall be granted annually three (3) days of personal leave at the regular rate of compensation. This personal leave may be taken by a teacher without clarifying to the administration the reason for the request. Except in cases of urgent necessity the request for such leave will be filed on the appropriate form with the Superintendent, and a copy provided to the appropriate building principal, at least 72 hours prior to the taking of any personal leave.
- B. Except as provided in Section D below, personal leave shall not be available:

Personal leave will be recognized on a first-come-first-served basis; and
 - 5. Personal leave may be used by up to three (3) employees, on a first-come first-served basis, who produce evidence to the Superintendent of pre-arranged travel plans that conflict with make-up days. To qualify, the travel plans must have been made prior to January 1. Because of the uncertainty of the need to make-up days, employees are discouraged from scheduling non-refundable travel plans the week after the end of the regular school year.
- C. Emergency requests shall be directed to the building principal for immediate disposition. The written form must be completed and filed within three (3) days after the return from absence.
- D. Subject to the limitation stated in B4 above, personal leave may be used for the following reasons on the first five (5) and last ten (10) days of the school year or before or after a holiday, by providing a five (5) day

- A. A member of the bargaining unit shall have had five (5) years of educational experience.
- B. A plan of professional improvement during the period the sabbatical leave is requested shall be filed with the Superintendent.

- E. Additional sabbaticals shall be made available to members of the bargaining unit after completion of five (5) additional years teaching experience. No bargaining unit member shall be granted additional sabbaticals if there are other bargaining unit members who have filed a request for such leave but have not yet been granted the leave.
- F. Members of the bargaining unit returning from sabbatical shall be returned to the same assignment or equivalent position held prior to such leave.

If eligible for such mileage reimbursement, the amount of such reimbursement will be equal to the difference between the round trip mileage from the employee's home to the meeting and back and the employee's normal round trip mileage to school and back. The exception would be if the mileage would occur on a day that is not a duty day. If two or more persons attend, mileage will be reimbursed for one car.
4. Registration fees.

5. Legitimate receipts for meals and lodging are required for reimbursement.

4.05 Association Leave

G. Reinstatement Rights

1. Teachers whose contracts were suspended because of a necessary reduction in staff shall be re-employed within their areas of certification/licensure on the basis if positions become vacant or are created within 24 months from the date of the teacher's last day of work. ARTICLE X FRINGE BENEFITS

10.01 Severance Pay

- 10.011 Severance pay shall be granted in an amount to be determined by multiplying the daily rate of the teacher's pay at retirement by one-fourth of accumulated but unused sick leave days with a maximum of fifty-five (55) days payable in one lump sum.
- 10.012 The amount to be paid an employee will be the computed daily rate of the employee at the time of retirement times the number of days of severance pay due the employee.
- 10.013 By receiving payment for this unused sick leave, an employee would forfeit all accrued and unused sick leave at the time of retirement. Should the employee elect to give up retirement and return to full-time employment, the employee would be credited with zero days of accrued sick leave. Substitute work would not be affected.
- 10.014 Such payment shall be made only once to any employee.
- 10.015 An employee must actually retire from either the Teacher or School Employees' Retirement System before being eligible for severance pay benefits. In order to be eligible for severance pay and to receive a severance payment the teacher must provide a copy of the first retirement check to the treasurer.
- 10.016 Written "Notice of Eligibility for Severance Pay" shall be given to each employee deemed eligible under Board Policy.

The Board agrees to offer access to deferred annuity plans for retiring employees to shelter severance payments.

10.02 Substitute Pay for Regular Teachers

The Board recognizes that upon occasion a certified staff member may be required to waive his/her planning/counseling period to assume the responsibility of teaching or supervising students of another teacher in lieu of a substitute teacher or monitor. A certificated staff member may also be required to take charge of a group of students in addition to his/her regular assignment in lieu of a substitute teacher or monitor; however, this last provision excludes LD classes and Reading Lab classes which contain ten (10) or fewer students.

Such service may be requested or required by the principal or his assistant after reasonable effort has been made to obtain a substitute. Such requested assistance shall be made on a rotating basis throughout the staff related to availability. Payment for such services requested or required shall be made to the certificated staff member at the rate of \$20.00 per hour covered, with anything less being pro-rated.

It shall be the responsibility of the certificated staff member to report such service for payment on the proper form to the building principal, who shall submit such forms to the Board offices.

A regular teacher supervising a student teacher should not be consistently required to assume the duties of substitution for an absent teacher.

10.03 Insurance

- A. Group Life Insurance – Bargaining unit members who are employed over fifteen (15) hours per week shall be granted a Board-paid life insurance policy in the amount of \$30,000.00, effective on the date the first premium is submitted to the carrier, which shall be within thirty (30) days of the ratification of the contract.
- B. Dental Insurance – The Board shall purchase dental insurance coverage which meets or exceeds the specifications below for members of the bargaining unit, now and hereinafter employed, and his or her eligible dependents. The Board will pay 100% of the premium for family coverage and 100% of the premium for single coverage.

SPECIFICATIONS

If a Covered Person incurs expenses for a service on the list of “Eligible Dental Expenses,” such charges are covered to the extent that they:

1. Are Usual and Customary;
2. Constitute necessary treatment; and
3. Are incurred while covered under this Plan.

The Plan will pay for such eligible expenses as shown below.

Reimbursement for eligible expenses will be made directly to the provider of the service, unless a receipt showing payment is submitted.

Date Expenses Are Incurred

An expense is incurred when the service is performed, except that it is deemed to be incurred:

1. When the impression is taken in the case of dentures, or fixed bridgework;
2. When preparation of the tooth is begun in the case of crown work;
3. When the pulp chamber is opened in the case of root canal therapy.

Pre-Determination of Benefits

When the total cost of eligible dental expenses is expected to exceed the Pre-determination Limit as shown in the Schedule of Dental Benefits (Appendix E), the Dentist's treatment plan should be sent to the Contract Administrator before the first date of treatment. Based on the treatment plan, the Contract Administrator will estimate the amount of the benefit available if treatment is performed and inform the Dentist of the determination. The treatment plan should:

1. Show the dentist's proposed course of treatment;
2. Show the total charge for the treatment;
3. Include x-rays, study models and any other data requested by the Contract Administrator;
4. Show how long the treatment will take; and
5. Show the classification of malocclusion (if the treatment plan is for Orthodontic Treatment).

Pre-determination is not necessary when eligible dental expenses are incurred for emergency dental care or accidental dental injuries.

Pre-treatment review is not a guarantee of the benefits that will be payable. It tells the Covered Person and the Dentist, in advance, what is payable for the eligible dental services named in the treatment plan. But payment is conditioned on:

1. The work being done as proposed and while the Covered Person is covered under this Plan; and
2. The Deductible and payment limit provisions and all of the other terms of this Plan.

Alternative Treatment

In all cases in which there are optional treatments available which produce a professionally satisfactory result, only the least costly alternative will be considered eligible under this Plan.

In the event a bargaining unit member is hired or is separated from employment in the middle of a calendar year, the employer contribution to the HSA will be prorated to the time in which the bargaining unit member was employed by the Board of Education during the calendar year. 7. Employees may choose to waive any and all medical coverage from the Board. Employees selecting this option are first required to submit proof of other coverage. Employees selecting the option of waiving coverage will be paid the sum of \$1000 for single coverage and \$3,000 for family coverage by the Board at the end of the contract year. Upon proof of loss of other coverage, employees who had previously waived coverage from the Board may apply to reenter the Board's insurance plan earlier than one calendar year from when they left the plan. Reentry into the Board's plan is subject to approval by the consortium or carrier.

Upon reentering the Board's plan the bargaining unit member relinquishes any claim to the option waiver in whole or in part.

Where two bargaining unit members are married to each other, they shall have the option to elect either one family plan or two single plans. If they elect a family plan, they shall have the option of applying the Board's contribution for two single plans to the cost of one family plan. When both spouses are employed by the District and neither elects insurance, one is eligible for this opt-out payment. However, when one spouse elects family coverage, the other spouse is not eligible for this opt-out payment.

8. Section 125 Plan. The Board of Education agrees to set up a Section 125 Plan in order to permit bargaining unit members to pay the employee's share of qualified insurance premiums on a pre-tax basis. In all respects, the plan will operate in accordance with the applicable provisions of the Internal Revenue Code; however, only the employee's share of insurance premiums can be paid with pre-tax dollars under this plan. An annual re-enrollment period will be conducted in October of each year. The purpose of the re-enrollment period would be to allow bargaining unit members to adjust the amount of their contribution to the Section 125 Plan. Participation in the Section 125 Plan will not reduce the employee's salary for STRS purposes.

ARTICLE XI BOARD PAID MILEAGE

- 11.01 The Board shall pay upon approval of the Superintendent, a mileage allowance for travel to and from required or approved meetings if the round trip mileage from the employee's home to the meeting and back exceeds the employee's normal round trip mileage from the employee's home to school and back. If eligible for such mileage reimbursement, the amount of such reimbursement will be equal to the difference between the round trip mileage from the employee's home to the meeting and back and the employee's normal round

trip mileage to school and back. The exception would be if the mileage would occur on a day that is not a duty day. Such allowance to cover actual distances traveled to and from the meeting is paid only to those actually operating cars to and from the meetings.

- 11.02 Employees who use their personal vehicles for required travel within the district on official school business and for meetings pursuant to section A herein, approved in advance by the Superintendent, shall be reimbursed at the IRS rate.

ARTICLE XII ACADEMIC STIPEND

- 12.01 The Board agrees to provide a total of \$35,000 for the school year to be used by teachers to supplement the cost of graduate credit course work in the areas of teaching or school administration and CEU credit earned on non-work time. Distribution of funds shall be limited to the percentage of the total fund compared to the total tuition requests for each contract year per each request, with no reimbursement being more than 100% paid. Requests shall be submitted no later than the first day of school. Requests submitted after that date shall not be considered unless unused funds are available.

- A. Courses must be approved in advance by the Superintendent.

Payments will be made by the last day of October, providing prior approval by the Superintendent was obtained, the teacher is in the employment of the Adena Local School District at that time, the course was completed with a grade of "B" or better, and the teacher submits all grades and proof of payment to the district office no later than October 2. If possible, teachers shall take graduate course work for a grade. If the course work cannot be taken for a grade, a "pass" shall qualify the course work for payment under the provision. In addition, the teacher shall be required to remain in the employment of the school district for the ensuing school year unless severance occurs through appropriate legal avenues. No exceptions to the requirements herein will be made. It is the responsibility of each teacher to comply with the terms herein in order to be eligible for the academic stipend.
- D. All funds not expended in one year, subject to a maximum cap of \$10,000.00, shall be carried over and added to the dollar maximum for the following year.

ARTICLE XIII STRS PICK-UP

The salaries of bargaining unit members shall begin at the time they report for regular duty. The annual contract salary shall be divided into twenty-six (26) equal payments. In other words, all regular and full-time employees shall be paid on the basis of twelve months; however, any teacher, up to a limit of fifteen (15), may elect to receive his/her escrowed summer pay in one lump sum provided the requirements of Section 8.022 are complied with. Any teacher electing such method of payment shall be required to send written notification to the Treasurer of the district no later than January 30th of any school year.

Deductions will include, in addition to those listed under Article VIII:

1. Retirement (as established by STRS)
2. Consistent with the provisions of Internal Revenue Service Rulings 77-462, 81-35 and 81-36, effective October 1, 1983, the Board shall pick up each bargaining unit member's mandatory contributions to the State Teachers Retirement System of Ohio (STRS) provided that no bargaining unit member's total salary is increased by such pick-up nor is the Board's total contribution to STRS increased thereby. The dollar amount to be "picked-up" by the Board:
 - a. shall equal the then-current percentage amount of the above-mentioned employee's mandatory STRS contributions;
 - b. shall be credited by STRS as employee contributions under authority of Ohio Attorney General Opinion 81-097;
 - c. shall be included in computing final average salary;
 - d. shall not be reported by the Board as subject to current federal and state income taxes;
 - e. shall be reported by the Board as subject to city income taxes;
 - f. shall not affect the calculation of the above-mentioned employee's daily rate of pay for any purpose whatsoever, including making salary adjustments because of absence, calculating severance pay, or in reporting the above-mentioned employee's authorized credit information to financial institutions.

Each above-mentioned employee will be responsible for compliance with Internal Revenue Service salary exclusion allowance regulations with respect to the "pick-up" in combination with other tax-deferred compensation plans.

If the foregoing "pick-up" provisions are nullified by subsequent Internal Revenue Service Rulings, Ohio Attorney General Opinions, or other governing regulations,

the Board will be held harmless, and this Article of the Agreement shall be declared null and void.

The Treasurer shall prepare for each employee his withholding tax W-2 form. This will be mailed the latter part of January following the calendar year.

ARTICLE XIV BOARD POLICY HANDBOOK

One Board policy handbook shall be maintained in the Board office and shall be available and accessible to all bargaining unit employees. Additionally, the Board shall provide the AEA President with copies of any and all additions, deletions and amendments to Board policy pursuant to Article 2.07.

15.01 Clarification of Terms

- A. The term “teacher” refers to all personnel covered by this Agreement.
- B. Non-renewal of contract shall be defined as a failure by the Board to issue a new contract to a teacher when the time specified in the teacher’s present contract expires and shall be pursuant to ORC 3319.11 and Section 15.02 or 15.03 of the Agreement herein below.

15.02 Non-renewal of a Limited Contract – Teachers with at Least Three (3) Continuous Years of Teaching for the Adena Local Schools

- A. If the Superintendent intends to recommend the non-renewal of a limited teaching contract, the teacher in question shall be given the reason(s) for such a recommendation. The teacher may be accompanied by a representative of his/her choice at the time the Superintendent submits the reason(s).

The teacher may bring up to two (2) representatives with him/her to this meeting. The Board may

request that the Superintendent, Principal of the affected teacher, Treasurer, and/or its representative be present for any such executive session. The purpose of the session shall be for the teacher and/or his/her representative to explain to the Board of Education why the teacher believes his/her contract should not be non-renewed and to discuss the proposed non-renewal. If the Board votes to non-renew the teacher, the teacher shall receive written notice of the non-renewal on or before June 1.

- C. If a teacher's difficulties are related to any areas specifically referred to on the formal evaluation form, the teacher shall be notified in writing by means of the formal conference provisions of the evaluation procedure. The teacher will be given suggestions by the Principal to assist in correction of the professional difficulty, time to incorporate the recommended changes, and subsequent formal conference to reevaluate the teacher's progress.  - E. Supplemental contracts are exempt from the provisions of the Article.
