## ARTICLE 10 GRIEVANCE PROCEDURE

**Section 10.1 Grievance Defined, Content, Timeline For Filing** The term “grievance” shall only mean an allegation that there has been a violation, misinterpretation, or improper application of the specific provisions of this Agreement. It is not intended that the grievance procedure be used to effect changes in any article of this Agreement or any matter not covered by this Agreement. Written grievances must be submitted no later than seven (7) calendar days following the events or circumstances giving rise to the grievance or when the employee should have reasonably known about the events or circumstances.

All grievances must contain the following information:

- A. aggrieved employee’s name, or names of all grievants;
- B. date grievance was first discussed and the name of the supervisor with whom the grievance was discussed;
- C. date and time grievance occurred;
- D. the location where the grievance occurred;
- E. a description of the circumstances or incidents giving rise to the grievance;
- F. specific provisions of the Agreement violated;
- G. desired remedy to resolve the grievance; and
- H. documentation believed to support the grievance.

**Section 10.2 Grievance Procedure** A grievance representative may accompany the grievant to grievance meetings at Step One, or any step of the grievance process, should the grievant request his attendance. A grievant shall have the right to submit a grievance without the intervention of the Union.

The following procedure shall be used in the grievance process:

**Step One – Supervisor** An employee having a grievance shall present his or her grievance in writing to their immediate supervisor. If there is no such supervisor, the grievance shall proceed to the next step. In order for the grievance to be recognized, it must be presented within seven (7) calendar days of the occurrence of the incident that gave rise to the grievance or when the employee should have reasonably known about the events or circumstances.

Within fourteen (14) calendar days after meeting with the grievant, the supervisor shall submit to the grievant a written response to the grievance. If the grievant is not satisfied with the written response the grievant may pursue the grievance to Step Two.

**Step Two--Department Head** If the grievance is not resolved in Step One, within seven (7) calendar days after receipt of the supervisor's response (or seven (7) calendar days after the supervisor's response was due), the grievant may appeal the grievance to Step Two by delivering a copy of the grievance form, containing the written response at the prior step and any other pertinent documents, to the Chief. The grievant shall also make reasonable efforts to submit at this step any documentation believed to support the grievance.

Within fourteen (14) calendar days after meeting with the grievant, the Chief shall submit to the grievant his written response to the grievance. If the grievant is not satisfied with the written response he/she may pursue the grievance to Step Three.

**Step Three – City Manager** If the grievant is not satisfied with the response in Step Two, within seven (7) calendar days of receipt of the Step Two answer (or seven (7) calendar days after the response was due), the grievant may appeal the grievance to Step Three by delivering a copy of the grievance, containing written responses at the prior Steps and any other pertinent documents, to the City Manager, or his designee. The City Manager, or his designee, shall date the grievance, accurately showing the date his office received the grievance.

Within fourteen (14) calendar days of his receipt of the grievance, the City Manager shall schedule and conduct a meeting to discuss the grievance with the employee. The grievant shall also submit at this step any documentation believed to support the grievance. The City Manager and/or grievant may bring appropriate witnesses.

In the meeting called for at this Step, the City Manager shall hear full explanation of the grievance and the material facts relating thereto.

Within fourteen (14) calendar days of the meeting at this Step, the City Manager shall submit to the grievant his written response to the grievance.

**Section 10.3 Arbitration** If the grievant is not satisfied with the answer in Step Three, within seven (7) calendar days after receipt of the Step Three response (or seven (7) calendar days after the Step Three response is due), the Union may appeal to Arbitration by serving the Employer with a written Notice of Intent to Arbitrate. Upon request by either party, the City and the union shall by joint letter solicit list of at least seven nominations of an arbitrator to hear the case from the Federal Mediation and Conciliation Services (FMCS area #15 Ohio). Either party may once reject the list and request from FMCS another list of seven (7) names. The parties shall strike from that list. A date for arbitration shall be set as soon as possible in accordance with the wishes of the City, the union and the availability of the arbitrator. The arbitrator shall reduce the award to writing and state the reasons for reaching the decision. Said award shall be provided to parties as soon as possible after the date of the hearing. All decisions of the arbitrator shall be final and binding upon all parties participating. Where the arbitrator decides the issue in favor of one party, the losing party shall pay the entire cost of the arbitrator. Where the arbitrator splits the decision in any way, the parties shall share equally in the cost of the arbitrator.

Proceedings before Arbitration shall be conducted consistent with the general rules of Arbitration. The Arbitrator shall conduct a fair and impartial hearing concerning the grievance, and may consider the testimony, evidence and documents received during the hearing. The Arbitrator shall determine whether there has been a violation, misinterpretation or improper application of any term contained in the parties' collective bargaining agreement. The Arbitrator shall have no authority to amend, modify, nullify, ignore, add to or subtract from the specific provisions of this agreement. They must only consider and make a decision with respect to the specific issue submitted to them by the parties. They must have no authority to make a decision on any other issue not so submitted. To the extent that the Arbitrator's decision is in accordance with the provisions of this Section, it will be final and binding on all parties. The Arbitrator shall hear only one grievance at a time unless both parties agree to consolidate two (2) or more grievances. After a dispute on which the Arbitrator is empowered to rule hereunder has been referred to it, such dispute may be withdrawn by either party.

The expense of any non-employee witnesses shall be borne, if at all, by the party calling that witness. A court reporter shall be present for the hearing before the Arbitrator and the fees of the court reporter shall be split equally.

The Arbitration shall not change wage rates already in effect pursuant to this Agreement. No award of the Arbitrator shall be retroactive for a period prior to the fourteen (14) calendar day period for filing grievances. The Arbitrator's decision and award shall be in writing and will state the rationale for the decision.

**Section 10.4 Pre-Hearing Meetings** Either party may request, in writing, a pre-hearing meeting and a meeting shall be conducted. Such meeting shall be for the purpose of meeting to discuss the merits of the grievance, to exchange lists of witnesses (with a description of testimony expected), and to exchange copies of any documents expected to be used in the hearing before the Arbitrator. Requests for such meeting shall be in writing and presented/served on the other party at least fourteen (14) calendar days after the Union's notice of its intent to proceed to Arbitration. A meeting shall be scheduled for a mutually agreeable date prior to the hearing before the Arbitrator.

**Section 10.5 Timely Processing of Grievances** Any grievance must be completed and filed upon the authorized grievance form agreed to between the parties to this Agreement. Any grievance not advanced to the next step by the grievant or the Union within the time limits in that step, shall be

deemed resolved by the Employer’s last answer. Any grievance not answered by the Employer within the time limits in that step, shall automatically proceed to the next step. Time limits may be extended by the Employer and the grievant or Union by mutual agreement in writing.

## **ARTICLE 11 DISCIPLINE PROCEDURES AND PERSONNEL RECORDS**

**Section 11.1 Good Behavior** The tenure of every employee shall be during good behavior and efficient service. Employees shall be disciplined for just cause pursuant to any of the methods listed in this Article.

**Section 11.2 Methods of Progressive Discipline** Except where more severe discipline is warranted, discipline will normally be applied in a progressive manner. Progressive discipline shall take into account the nature of the violation, the employee’s record of discipline, the employee’s record of performance and conduct, other relevant considerations, and the nature of the infraction. Discipline may include but is not limited to the following:

- |                      |                                     |
|----------------------|-------------------------------------|
| A. Verbal reprimand  | E. Termination                      |
| B. Written reprimand | F. Working Suspension               |
| C. Suspension        | G. Forfeiture of Paid Leave         |
| D. Demotion          | H. Other Mutually Agreed Discipline |

The level of discipline shall be commensurate with the infraction and may be advanced discipline on the initial infraction, up to and including removal. The Employer may place an employee on administrative leave while investigating a disciplinary matter.

Any suspension shall be for a specific number of days on which the employee would be regularly scheduled to work. Holidays occurring during a period of suspension shall be counted as workdays for the purpose of suspension.

**Section 11.3 Pre-disciplinary Meetings** In the event that an employee may be given disciplinary action for behavior or conduct which warrants time-off suspension, demotion, removal, or other discipline resulting in loss of pay, a pre-disciplinary personal conference between the employee and the Chief, or his designee, shall be arranged. During the pre-disciplinary conference the employee, or the employee’s designee, shall have the opportunity to respond to the allegations of misconduct. The employee may have an employee representative or a union representative present at the pre-disciplinary conference. The employee shall be responsible to notify the employee representative or union representative. When the nature of the offense is such that immediate disciplinary action is required, the City may, at its discretion, place an employee on administrative leave until a determination regarding discipline is made. The employee may waive, in writing, the pre-disciplinary conference. The employee may request to reschedule the pre-disciplinary conference one-time and such request shall not be unreasonably denied or unreasonably delayed.

**Section 11.4 Manner of Discipline** The Employer agrees that all disciplinary procedures will be carried out in private and in a business-like manner.

**Section 11.5 Appeals of Discipline** Employees may file grievances of all discipline. Grievances concerning discipline must be appealed directly to Step Two of the grievance procedure within fourteen (14) calendar days of receipt of notice of the disciplinary action.

**ARTICLE 12 LEAVES OF ABSENCE**

**Section 12.1 Jury Duty Leave** Employees called for jury duty during their scheduled work hours shall receive their regular pay for such hours as they are required to be absent from work due to jury service. The employee shall remit any juror’s fee earned to the City.

An employee released from jury duty prior to the end of his scheduled work day, shall report to work for the remaining hours.

In order to be eligible for payment, the employee must notify his supervisor upon receipt of notice of selection for jury duty.

**Section 12.2 Unpaid Leave Of Absence** Employees may be granted the following types of unpaid leaves of absence:

- A. **Disability Leave.** A physically or mentally incapacitated employee who has completed his probationary period may request a disability leave. A disability leave for a period not to exceed six (6) months may be granted when the disability continues beyond accumulated sick leave rights, provided the employee furnishes satisfactory medical proof of such disability along with his written request; and is:
1. Hospitalized or institutionalized;
  2. On a period of convalescence following hospitalization or institutionalization authorized by a physician at the hospital or institution; or
  3. Declared incapacitated for the performance of the duties of his position by a licensed physician designated by the Employer and the employee selected from a list of three (3) licensed physicians prepared by the Employer. It is the employee's responsibility to request a disability leave since such leave is not granted automatically when the employee's sick leave has expired.

When an employee is ready to return to work, he shall furnish a statement by a physician releasing the employee as able to return to work.

- B. **Employer Required Disability Leave.** The Employer may require an employee to be examined by a licensed physician designated by the Employer and the employee per paragraph (a) above, at the Employer's expense. An employee found to be unable to physically or mentally perform the substantial duties of his position by such physician shall be placed on Disability Leave as described in paragraph (A) above.
- C. **Leave of Absence.** The Employer may grant a leave of absence to any employee for a duration of up to six (6) months for any personal reasons of the employee. Such a leave may not be renewed or extended.
1. The authorization of a leave of absence without pay is a matter of administrative discretion. The Employer will decide in each individual case if a leave of absence is to be granted.

2. The granting of any leave of absence is subject to approval of the Employer. Except for emergencies, employees will advise the Employer sixty (60) days prior to commencement of the desired leave so that the various agency functions may proceed properly.
3. Upon completion of a leave of absence, the employee is to be returned to the position formerly occupied, or to a similar position if the employee's former position no longer exists.
4. An employee may return to work before the scheduled expiration of leave as requested by the employee and agreed to by the Employer. If an employee fails to return to work at the expiration of an approved leave of absence, such employee, absent extenuating circumstances, shall be removed from his or her position and shall not receive seniority time for the period of the leave.
5. No benefits shall accrue or be paid during any unpaid leave of absence.

## **ARTICLE 16 SUBSTANCE TESTING**

Alcoholism, drug addiction, or drug abuse (the abuse of a legal drug) are recognized by the parties as interfering with the Department's services and as posing a danger to the public's health and safety. The Employer has the right to insist on an alcohol and drug-free environment. The parties agree to cooperate in encouraging employees afflicted with alcoholism, drug addiction, or drug abuse to undergo a coordinated rehabilitation program.

The Chief or the City Manager may order any employee of the Department to undergo a screening test whenever there is reasonable suspicion to believe an employee has used or is under the influence of illicit drugs, controlled substances, or an abuse of legal substances, or if the employee is under the influence of alcohol while on duty.

Reasonable suspicion must be based upon specific facts and reasonable inferences drawn from those facts, including, but not limited to:

- A. Observable phenomena, such as direct observations of the physical symptoms of being under the influence;
- B. A pattern of unusual conduct or inconsistent behavior, including excessive leave patterns, compared to other employees in the Department;
- C. Arrest or conviction for a drug or alcohol-related offense, including abuse of legal substances, or the identification of an employee as the focus of a criminal investigation into illegal drug or alcohol possession, use, or trafficking;
- D. Evidence that an employee has tampered with a previous drug test;
- E. Facts or circumstances developed in the course of an authorized investigation of an accident or unsafe working practice;
- F. When an employee is involved in an on-the-job accident.

If the screening test is positive, indicating the employee has used illicit drugs, controlled substances, or abused legal drugs, or is under the influence of alcohol on duty, the Chief may order the employee to undergo a confirmatory test. A positive result from an alcohol test means a level of impairment, .2 percent, as outlined under O.R.C. 4511.19(B). The City may also suspend the employee without a loss of pay before the time the confirmatory test result is complete.

A confirmatory test shall be made by a medical professional or institution qualified to administer such a test in accordance with Department of Health and Human Services (DHHS) procedures or equivalent guidelines.

If the screening test and confirmatory test are positive, the Chief may discipline the employee up to and including discharge.

An employee who notifies the Chief after the screening test that he is an alcoholic or drug addict may be allowed to participate in a rehabilitation program or detoxification program, but shall be subject to appropriate discipline up to and including discharge.

If the employee: (1) refuses to take a screening or confirmatory test or undergo rehabilitation or detoxification or (2) fails to complete a program of rehabilitation or detoxification or (3) tests positive at any time within one (1) year after his return to work upon completion of a program of rehabilitation or detoxification, he shall be subject to disciplinary action up to and including discharge.

All test results and actions taken under or pursuant to this Article shall be kept confidential in accordance with state and federal law.
