**Re: Case No. 11-MED-06-0948
Utility Workers of America and Nimishillen Township Trustees**

Dear Mr. Bair:

After continued negotiation discussions, the intent of this letter is to counter Mr. Bair's offer presented to the Board of Trustees today. (See attached) The Board of Trustees proposes the following:

- One (1) year contract
- 3% pay increase
- 15% employee contribution for medical insurance
- New contract would be effective for one year from the date it's signed by all parties
- No changes to remainder of contract.

We, the Board, are hopeful the above proposal will be accepted by all parties involved and everyone can come to an agreement that is fair to the Union members and the Township.

Sincerely,

Michael L. Lynch, President

Allen E. Gress, Vice Pres.

Lisa R. Shafer, Trustee
