Section 1.1. This Agreement, effective on March 8, 2011 by and between the HANCOCK COUNTY SHERIFF'S OFFICE, hereinafter "SHERIFF" or "EMPLOYER"; and THE INTERNATIONAL UNION OF POLICE ASSOCIATIONS, AFL-CIO hereinafter "I.U.P.A."

Section 1.2. This Agreement is for the purpose of promoting mutual understanding and cooperation among the employees and between the employees, the I.U.P.A. and the SHERIFF, to the end that operations must be uninterrupted and duties faithfully performed by all parties.

Section 1.3. This Agreement supersedes and replaces all statutes which it has authority to supersede and replace. All provisions of Ohio Revised Code Chapter 124.01 through 124.56, Section 4111.03 and Section 325.19 are replaced by the provisions contained in this Agreement. Should any part of this Agreement be held invalid by operation of law or by a Court of competent jurisdiction, same shall not invalidate or effect the remaining portions. Upon written request by either party, the parties shall meet within fourteen (14) days of receipt of such written request to attempt to modify the invalidated provision or provisions.

Section 1.4. This Agreement constitutes the full agreement of the parties.

Section 1.5. Unless otherwise specifically provided herein no changes in this Agreement shall be negotiated during the duration of the Agreement unless there is a written accord by and between the parties hereto to do so. Any negotiated changes must be in writing and signed by the parties.

ARTICLE 2 **NON-DISCRIMINATION**

Section 2.1. Neither the I.U.P.A. nor the SHERIFF shall discriminate against any employee in the bargaining units in a manner which would violate any applicable laws because of race, color, disability, national origin, age, sex, or political affiliation.

Section 2.2. Neither the I.U.P.A. nor the SHERIFF shall interfere with the right of employees in the bargaining units to become or not become members of the Union or discriminate against such employees because of lawful union membership.

Section 2.3. The I.U.P.A. recognizes its responsibility as bargaining agent and agrees to fairly represent all employees in the bargaining units.

Section 2.4. All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE 3

RECOGNITION

Section 3.1. The SHERIFF recognizes the I.U.P.A. as the sole and exclusive representative in any and all matters relating to wages, hours, and other terms and conditions of employment and the resolution of questions arising under this Agreement for those employees included within the Bargaining Unit hereafter described.

Section 3.2. It is understood that this Agreement is entered into voluntarily by the parties pursuant to Chapter 4117 of the Ohio Revised Code.

Section 3.3. There is established one (1) Unit within this Agreement. The Unit consists of all full-time Corrections Sergeants (98-REP-12-0286). All other positions, including those occupied by temporary, seasonal, or part-time employees not specifically included shall be considered excluded from the Bargaining Unit. Notwithstanding the provisions of the Article, management, confidential, supervisory, fiduciary, clerical, part-time, seasonal and employees in the unclassified service shall not be considered in the Bargaining Unit, provided that such temporary seasonal, or part-time employee shall not be used to fill any full-time Bargaining Unit vacancy.

Section 3.4. Reference throughout this Agreement to “Bargaining Unit members”, “members, or “employees” shall mean full-time employees within the Bargaining Unit, unless specified otherwise.

ARTICLE 4

I.U.P.A. REPRESENTATION

Section 4.1. The I.U.P.A. shall be permitted to construct, install, and maintain one I.U.P.A. bulletin board in the building from which the Sheriff’s Office operates. Such bulletin board shall be limited to a size of two (2) feet by three (3) feet. Only I.U.P.A. material will be permitted to be posted on this board. No material displayed shall contain libelous, scandalous, or derogatory attacks upon the Sheriff, the office, any county officials, or any employee. No I.U.P.A. materials shall be posted anywhere in the Employer’s facilities or on the Employer’s equipment except the bulletin board. No politically partisan materials shall be posted on the I.U.P.A. bulletin board or elsewhere.

Section 4.2. The I.U.P.A. will be permitted upon prior notification to the Sheriff, to place a ballot box in the facility at a location determined by the Sheriff which is readily accessible to bargaining unit members for the purpose of collecting members’ ballots on all I.U.P.A. issues subject to ballot. Such box shall be the property of the I.U.P.A. and neither the ballot box nor its contents shall be subject to the Employer’s review. Bargaining unit members shall not discuss I.U.P.A. business during the members’ working hours.

Section 4.3. The I.U.P.A. shall have the right to certify one (1) representative from the unit to participate in the grievance procedure as set forth in the Grievance Procedure, Article 11, of this Agreement. If such representative is absent from work or otherwise unavailable the alternate representative shall serve in such capacity. One of the representatives so chosen shall be designated by the Local as the grievance chairperson. The Local shall notify the Sheriff, in writing, of the

names of the grievance representative and the grievance chairman within five (5) workdays of their appointment.

Section 4.4. The I.U.P.A. representative, or alternate, if appropriate, may represent the I.U.P.A. or I.U.P.A. members in matters set forth in the grievance procedure, Article 11, of this Agreement. All times spent by an I.U.P.A. representative in such representation shall be on non-pay, non-work time, including the investigation or processing of grievances; but, attendance at grievance meetings where the Employer or his designee is present may be on paid work time.

Section 4.5. The I.U.P.A. may select one (1) negotiation committee member from the bargaining unit and in addition to the designated representatives, an I.U.P.A. attorney/staff representative selected by the I.U.P.A.'s negotiation committee. When negotiations are held during a time when a negotiation committee member is regularly scheduled to work such representative shall suffer no loss in pay.

Such representative not scheduled to work at the time of a negotiation session shall be on a non-paid basis for the first three (3) hours. Thereafter, for one-half (1/2) of the hours that he or she engages in bargaining directly with the Employer outside the employee's regular work period he or she shall be compensated at straight time wages. The parties shall attempt to schedule negotiation sessions so that it shall offer the least interference with work schedule time of the I.U.P.A. representative.

Section 4.6. Duly elected or selected delegates or alternates to the State or National conventions of the International Union of Police Associations, AFL-CIO or an individual selected to attend a certified I.U.P.A. program who are in the bargaining unit shall be allowed reasonable time off-duty without pay, to attend such functions provided it does not interfere with the operation of the Sheriff's Office and does not create a need for overtime by other employees in the same classification or can be resolved by a shift exchange by the affected employee.

Section 4.7. For the purpose of this Article, "workday" is defined as Monday through Friday, excluding holidays.

ARTICLE 5

DUES AND FAIR SHARE FEES DEDUCTIONS

Section 5.1. The Sheriff agrees that he will deduct from the first pay period of each month from each employee who certifies in writing on an authorization signed individually and voluntarily of his desire that such deductions be made, monthly dues or fees, when authorized by the I.U.P.A. No deduction shall be made until the employee has completed one hundred twenty (120) days of employment. The signed authorization must be presented to the County Auditor's Office by the employee or the employee's designee.

Section 5.2. In the case of new employees, the first deduction will include the required initiation fee and/or dues. Notice of the amounts of the above deductions will be furnished to the Sheriff by the I.U.P.A. Changes in rates of deduction shall be effective thirty (30) calendar days after notice is

received by the Employer or on the next payday from which dues are customarily deducted, whichever is later.

Section 5.3. The Sheriff further agrees that the above deductions together with a list of the employees for whom the deductions are made will be forwarded to the Financial Secretary of the I.U.P.A. not later than the 27th day of each calendar month. Once dues are remitted to the I.U.P.A., their disposition thereafter shall be its sole obligation and responsibility.

Section 5.4. The Sheriff shall not be obligated to make dues deductions of any kind from any employee who, during any dues month involved, shall have failed to receive sufficient wages to equal the amount of the dues deduction.

Section 5.5. The Sheriff shall be relieved from taking such employee "check off" deductions upon termination of employment; transfer to a job classification other than one included in the bargaining units; lay-off from work; an agreed leave of absence; or written revocation of the check-off authorization given to the Sheriff's Office.

Section 5.6. The I.U.P.A. shall indemnify and hold the Sheriff's Office harmless from any and all claims, demands suits or other forms of liability that arise out of reason of action taken or not taken by the Sheriff for the purpose of complying with any of the provisions of this article or any errors or omissions by the Hancock County Auditor or his office.

Section 5.7. Deductions provided for in this Article are further subject to the procedures and regulations for the County Auditor and shall only be made during one pay period each month. In the event a deduction is not appropriately made for any I.U.P.A. member during any particular month, the Sheriff, upon written verification from the I.U.P.A. will make the deduction during the next pay period that union dues would normally be deducted, but only if the deduction does not exceed the total of two (2) months regular dues. Such claim of error must be submitted to the Sheriff not more than sixty (60) calendar days after the error was made.

Section 5.8. All dues deductions, at the Sheriff's option and upon ten (10) calendar days written notice by certified mail to the I.U.P.A. may be cancelled upon the termination date of this Agreement. All dues deductions for any month in which the I.U.P.A. members individually or collectively engaged in a work slow-down, or any concerted effort to interfere with public service, may be cancelled at the Sheriff's option upon twenty-four (24) hours notice to the I.U.P.A.

Section 5.9.

A. Bargaining Unit members who are not members of the I.U.P.A. shall, as a condition of employment, pay to the I.U.P.A. a fair share fee. The amount of the fair share fee shall be determined by the I.U.P.A., but shall not exceed dues paid by members of the I.U.P.A. who are in the Bargaining Unit. Such fair share fees shall be deducted under and for the purposes set forth in Appendix A which is incorporated herein by reference. Such fair share fee shall be certified by the I.U.P.A. to the Sheriff at such times during the term of this Agreement as necessary to be accurate. Such payments shall be subject to an internal I.U.P.A. rebate procedure meeting all requirements of state and federal law.

- B. For the duration of this Agreement, such fair share fees shall be automatically deducted by the Sheriff from the payroll check of each Bargaining Unit member who is not a member of the I.U.P.A. The automatic deductions shall be made in the first pay period of each month and are subject to the regulations and procedures of the County Auditor. The Sheriff agrees to have the Hancock County Auditor furnish the Financial Secretary of the I.U.P.A. once each calendar month, a warrant to the aggregate amount of the fair share fees deducted for that calendar month, together with a listing of the Bargaining unit members for who said deductions are made.
- C. The automatic deductions shall be initiated by the Sheriff whenever a Bargaining Unit member who is not a member of the I.U.P.A. has completed his first one hundred twenty (120) days of employment.
- D. This section shall not require any employee to become or remain member of the I.U.P.A.
- E. The fair share fee is strictly to finance the proportionate share of the cost of collective bargaining, contract administration and pursuing matters directly affecting wages, hours, and other terms and conditions of employment of bargaining unit members.

ARTICLE 6

MANAGEMENT RIGHTS

Section 6.1. The I.U.P.A. recognizes the right and authority of the Sheriff to administer the business of the Sheriff's Office and to retain full right and responsibility to direct operations, to promulgate rules and regulations and to otherwise exercise the prerogatives of the management which are not specifically modified by this Agreement, and more particularly, including but not limited to the following:

- A. To manage and direct its employees, including the right to reprimand, suspend, discharge, or discipline for just cause, the right to select, hire, promote transfer, assign, evaluate, layoff, recall, and to maintain order in the work force;

- E. To determine the hours of work, work schedules and to establish the necessary work rules for all employees;

- F. To determine when a job vacancy exists and when and if a vacancy is to be filled, in accordance with the provisions of this Agreement. To determine the duties to be included in all job classifications, and the standards of quality and performance to be maintained;
- G. To determine the necessity to schedule overtime and the amount required thereof;
- H. To determine the budget and uses thereof;
- I. To maintain the security of records and other pertinent information;
- J. To determine and implement necessary actions in emergency situations;
- K. To introduce new or improved work methods and to contract out for goods and services when necessary for economical and/or efficient operations;
- L. To restrict the activity of an employee organization on Sheriff's Office time.

Section 6.2. The Sheriff shall have the right to establish necessary classifications and to determine the duties to be included in all job classifications to meet the operational needs of the Sheriff's Office. The classifications used herein are for descriptive purposes only and do not guarantee their continued use by the Sheriff's Office.

Section 6.3. The I.U.P.A. recognizes and accepts that all rights and responsibilities of the Sheriff not specifically modified by this Agreement shall remain the function of the Sheriff. However, to the extent that management functions are limited or modified by the provisions of the Agreement, alleged violations are subject to the grievance procedure.

ARTICLE 7

NO STRIKE/NO LOCKOUT

Section 7.1. The Employer and the I.U.P.A. recognize that a strike would create a clear and present danger to the health and safety of the public and that the Agreement provides machinery for the orderly resolution of grievances. The parties, therefore, agree to the following:

- A. During the term of this Agreement, the I.U.P.A. and members of the bargaining unit shall not directly or indirectly authorize, accuse, engage in, sanction, interfere, assist in any sick call, work stoppage, strike, sympathy strike, slowdown or other unlawful interference which effects the Employer or his operations. Should any employee(s) engage in a sick call, work stoppage, strike, sympathy strike, slowdown or other unlawful interference, the I.U.P.A. will promptly do whatever it can to prevent or stop such unauthorized acts.

Section 7.2. In addition to any other remedies available to the Employer, any employee or employees, either individually or collectively, who violate Section 1 of this Article is subject to discipline up to and including discharge by the Employer.

Section 7.3. During the term of this Agreement, the Employer shall not cause, permit or engage in any lockout of its employees unless those employees shall have violated Section 1 of this Article.

Section 7.4. Nothing in this Article shall be construed to limit or abridge the Employer's right to seek other available remedies provided by law to deal with any unauthorized unlawful strikes.

ARTICLE 8 **WORK RULES**

Section 8.1. The I.U.P.A. recognizes and agrees that the Sheriff or his designee, in order to carry out his statutory mandates and goals, has the right to promulgate work rules, policies, procedures and directives consistent with statutory authority, and including the right to administer disciplinary action for violation of such rules, policies or procedures.

Section 8.2. All work rules, policies and directives shall be interpreted and applied uniformly to all bargaining unit employees to the extent that they may be similarly affected.

Section 8.3. It is agreed that where the Sheriff has determined that written work rules are necessary and to the extent that such work rules, policies or directives have been reduced to writing, the Sheriff will provide copies to the employees in advance of their implementation and each employee shall sign a receipt for his/her copy of the rules, policies or directives so presented. Work rules relating to safe practice procedures shall, in addition to being reduced to writing, be verbally communicated to each affected employee by the Sheriff.

Section 8.4. This Article shall not be interpreted in any manner to relieve an employee of his/her responsibility to follow normal and customary rules and procedures of good conduct and performance regardless of whether such rules or procedures have been reduced to writing.

Section 8.5. The Sheriff recognizes the right of the I.U.P.A. to discuss the reasonableness of any new or revised work rules, policy, procedure or directive promulgated by the Sheriff during the term of this Agreement.

Section 8.6. This issuance of work rules, policy, procedures or directive are not grievable. The application of such work rules, policies, procedures or directives is subject to the grievance procedure.

ARTICLE 9 **HOURS OF WORK AND WORK SCHEDULE**

Section 9.1. The normal basic work schedule for Corrections Sergeants will be based upon eight (8) hours per day, eighty (80) hours per pay period. Bargaining unit members will be assigned to specific shifts on a five (5) day, two (2) consecutive days off rotating schedule, with shifts bid annually. The first annual bid in December 1999 only will be by shift and line (to get started); thereafter shifts only will be bid.

Section 9.2. When a newly hired employee is trained the vacant shift will be put up for bid and the new employee will then be placed on the then vacant shift. The newly hired employee will be permitted to bid during the next annual bid period.

Section 9.3. Because of gender requirements to take care of gender sensitive inmate concerns the Employer may not be able to honor annual bids that do not permit the Employer to maintain its requirements for each shift.

Section 9.4. The Employer will develop an annual shift bid procedure which shall be administered by a member of the I.U.P.A., who shall be designated by the I.U.P.A. Certain employees such as the medical officer or training sergeant will not be eligible for the bid procedure.

Section 9.5. With respect to overtime it is the intent of the Sheriff, consistent with the effective and efficient operation of the Sheriff's Office, to distribute in an equitable manner all overtime among all Bargaining Unit members. A newly hired employee will not be eligible for overtime until the Sheriff determines the employee is trained and ready for overtime assignments.

For purposes of this section OVERTIME means working hours, or portions thereof, or hours in excess of forty (40) per week, where the Sheriff has at least twenty-four (24) hours advance notice of such required overtime. For purposes of determining an employee's eligibility for overtime, working hours will include actual work hours, vacation leave, compensatory time off, holiday leave, but will not include sick leave.

Section 9.6. All overtime shall normally be offered in increments of four (4) hour shifts, but may be offered in shorter periods as required. Any overtime shall be paid for the actual hours worked at the rate of one and one-half (1½) times the employee's straight time hourly rate. For the safety of all employees no employee shall work more regular time and overtime than would allow for him or her to receive eight (8) hours of rest in a consecutive twenty-four (24) hour period.

Section 9.7. Bargaining Unit members within the same classification may request to exchange shifts or days off with another Bargaining Unit employee when such shift or day off exchange does not interfere with the operations of the Sheriff's office. Provided, however, that a shift or exchange may not be used for the purpose of personal enhancement of a member's ability for use of vacation, holiday or compensatory time which would adversely effect another employee's use of his or her vacation, holiday or comp time. A request for exchange shall be submitted to the Sheriff for approval at least five (5) days prior to the proposed change. No shift exchange shall be for more than twenty (20) working days in a twenty-eight (28) day schedule or for less than one (1) day minimum time. With respect to day off exchanges such exchanges will be subject to the trading employees being able to perform the work and such day off trades must be completed by the trading employees within the same work week, i.e., Sunday through Saturday. All shift or day off exchanges are subject to approval by the Sheriff or his designee.

Section 9.8. All Bargaining Unit employees working an eight (8) hour shift will have a paid thirty (30) minute lunch and/or dinner break. All employees will be subject to be called from their lunch or dinner break to active duty status should an emergency situation arise. The Sheriff expressly reserves the right to revise the start time for shifts two hours either side of the current schedule

without consultation or approval of the bargaining unit. Changes in excess of the two (2) hours may be made by the Sheriff with the approval of the bargaining unit.

Section 9.9. It is understood and agreed that as servants of the public engaged in law enforcement it may be necessary from time to time to reassign unit members to serve in other than their regularly scheduled shifts and that it may be necessary to re-adjust an employee's schedule on a temporary basis not to exceed twenty-eight (28) work days. All members shall be required to respond to special temporary assignment or schedules by the Sheriff as deemed necessary by the Sheriff. All changes in schedules will be posted thirty (30) days prior to such changes unless an emergency or unforeseen condition exists in which event as much advance notice will be given as practicable.

Section 9.10. For purpose of this article, seniority shall be determined by the employee's time in classification with the Hancock County Sheriff's Office.

ARTICLE 10 **LABOR RELATIONS MEETINGS**

Section 10.1. In the interest of sound labor relations, upon notice by either party, on a mutually agreeable day and time, the Sheriff and his designee(s) shall meet with not more than two (2) representatives of the I.U.P.A. to discuss pending problems, exchange information and to promote improved labor relations.

Section 10.2. An agenda will be furnished at least five (5) working days in advance of the scheduled meeting with a list of the matters to be taken up in the meeting, and the names of those I.U.P.A. representatives who will be attending. The purpose of such meeting shall be to:

- A. Discuss the administration of this Agreement;
- B. Notify the I.U.P.A. of changes made by the Employer which affect bargaining unit employees;
- C. Discuss grievances which have not been processed beyond the final step of the Grievance Procedure when such discussions are mutually agreed to in advance by the parties;
- D. Disseminate general information of interest to the parties;
- E. Discuss ways to increase productivity and improve efficiency;
- F. Consider and discuss safety matters relating to employees.

Section 10.3. It is further agreed that if meetings have been requested, and mutually agreed upon, they shall be convened as soon as feasible.

Section 10.4. Employee/I.U.P.A. representatives attending Labor Relations meetings shall not suffer loss in their regular pay while attending any meetings provided for under this Article which are held during the employee's regular working hours.

Section 10.5. Labor Relations meetings are not intended to be negotiation sessions to alter or amend the basic Agreement.

ARTICLE 11

GRIEVANCE PROCEDURE

The Sheriff and the I.U.P.A. recognize that in the interest of harmonious relations, a procedure is necessary whereby employees can be assured of prompt, impartial and fair processing of their grievances. Such procedure shall be available to all bargaining unit members and no reprisals of any kind shall be taken against any member initiating or participating in the grievance procedure.

Section 11.1. Definitions.

1. Grievance — a grievance shall be defined as any unresolved question or dispute regarding the interpretation and application of this Agreement.
2. Disciplinary Grievance — refers to a grievance involving a suspension, removal or a reduction in pay and/or position of a non-probationary employee.
3. Day — the word "day" as used in this Article means calendar day and time shall be computed by excluding the first day and including the last day, except when the last day falls on a Saturday, a Sunday, or a legal holiday, the act may be done on the next succeeding day which is not a Saturday, Sunday or legal holiday.

Section 11.2. All written grievances must contain the following information and must be filed using the grievance form mutually agreed to by the I.U.P.A. and the Sheriff.

1. Aggrieved employee's name signature.
2. Aggrieved employee's classification.
3. Date grievance was first discussed with immediate supervisor.
4. Name of immediate supervisor with whom grievance was discussed.
5. Date grievance was filed in writing.
6. Date and time grievance occurred.
7. Where grievance occurred.

8. Description of incident giving rise to the grievance.
9. Articles and Sections of Agreement violated.
10. Desired remedy.

Any completed grievance form not containing the above information shall be returned to the grievant. The grievant shall have two (2) working days in which to submit a properly completed grievance form.

Section 11.3. A grievance under this procedure may be brought by any bargaining unit member who believes himself/herself to be aggrieved by a specific violation of this Agreement.

Where a group of bargaining unit members desire to file a grievance involving an alleged violation which affects more than one (1) member in the same way, the grievance may be filed by the I.U.P.A. provided that at least one (1) member so affected signs the grievance. Grievances so initiated shall be called class action grievances. The title on the grievance shall bear the name of the one (1) affected member plus the designation et.al. Class action grievances shall be filed within ten (10) days of the date the incident giving rise to the grievance occurs or within ten (10) days after any grievant involved knows or should have known the facts giving rise to the grievance, but in no case later than twenty (20) days following the date of such facts. Class grievances shall be initiated directly at Step Two of the Grievance Procedure.

Section 11.4. When a decision has been accepted by the appropriate parties at any step of this Grievance Procedure, it shall be final and no further use of this Grievance Procedure in regard to that issue shall take place.

Section 11.5. The following are the implementation steps and procedure for the handling of grievances.

Preliminary Step. A member having a complaint shall first make Preliminary Step notification to his/her immediate supervisor at the time the incident giving rise to the grievance occurs. The employee, with his Union representative, if he desires, and immediate supervisor shall attempt to resolve the complaint informally. Within three (3) days from the conclusion of the meeting, the immediate supervisor will advise the grievant of his/her decision and complete a standard form indicating that the Preliminary Step was conducted. If the member is not satisfied with the result of this informal meeting, he/she may pursue the formal steps which follow.

Step One — Division Supervisor.

1. When a member has a grievance for which his/her immediate supervisor's response in the Preliminary Step is unsatisfactory, he/she may then submit said grievance in writing to the division supervisor on the grievance form agreed upon by the parties. Such form must be submitted to the division supervisor within eight (8) days following the events or circumstances giving rise to the grievance or within eight (8)

days after the grievant knows or should have known the facts giving rise to the grievance, but in no case later than twenty (20) days following the date of such facts. The division supervisor shall date-stamp the form on the date of its receipt. Grievances submitted beyond the eight (8) day time limit shall not be considered.

2. Within five (5) days of his/her receipt of the written grievance, the division supervisor shall affix his/her written response to the form, date and sign his/her response, and return the original to the I.U.P.A. Grievance Chairman, and one (1) copy to the Sheriff or his designated representative. If the aggrieved member does not appeal his/her grievance to the Second Step of the Procedure, the grievance shall be considered to be satisfactorily resolved.

Step Two — Sheriff.

1. Should the member-grievant not be satisfied with the answer in Step One, within five (5) days thereafter, he/she may appeal the grievance to this Step Two by delivering or having delivered a copy of the grievance form, containing the written responses at the prior Steps and any other pertinent documents, to the Sheriff. The Sheriff shall date-stamp the form, accurately showing the date he received the form.
2. Within ten (10) days of his receipt of the grievance form, the Sheriff or his designee shall schedule and conduct a meeting to discuss the grievance with the grievant and his Union representative, if he so desires if the Sheriff considers such a meeting necessary. The I.U.P.A. Grievance Chairman or his/her designee may attend this meeting, and he/she may represent the grievant if such representation is desired by the grievant.
3. Within seven (7) days of the meeting in this Step or within seven (7) days of his receipt of the written grievance if a meeting was not held, the Sheriff will submit to the Grievance Chairman and the member-grievant a written response.

Step Three — Arbitration. If the I.U.P.A. is not satisfied with the answer at Step Two, it may submit the grievance to arbitration under the provisions of Step Three of this Article.

1. Mutually Selected Arbitrator. Arbitration shall be commenced by notice presented to the Sheriff by the I.U.P.A. in writing within ten (10) days following the Sheriff's response to the grievance at Step Two of the Grievance Procedure. Should the parties be unable to agree upon a mutually selected arbitrator within ten (10) days, then the Federal Mediation and Conciliation Services shall be requested to submit a panel of nine (9) qualified arbitrators (Ohio) with National Academy of Arbitrators credentials from which one shall once be selected. The parties shall strike names alternately with the party requesting arbitration striking the first name. Each party shall once have the option to completely reject the list of names provided by the FMCS and request another list.

2. Witnesses. The Sheriff agrees to allow witnesses time off with pay to attend the hearing, if the hearing is held during his scheduled work.
3. Expenses.
 - A. All fees and expenses of the arbitrator will be equally divided between the parties.
 - B. If one (1) party desires a transcript of the proceedings, the total cost for such transcript shall be paid by the party desiring the transcript. If the other party desires a copy, then the total cost for such transcript shall be shared equally by both parties.
 - C. All other costs incurred by the parties will be paid by the party incurring the costs.
4. The parties may be represented by their representatives.
5. Arbitration Decisions. The arbitrator shall render his decision as quickly as possible, but in any event, no later than thirty (30) days after the conclusion of the hearing unless the parties agree otherwise. The arbitrator's decision shall be submitted in writing and shall set forth the findings and conclusions with respect to the issues submitted to arbitration. If the arbitrator's decision awards payments of back wages covering the period of the employee's separation from the Sheriff's payroll, the amount so awarded shall be less any unemployment compensation and the arbitrator may further reduce the award by other earned wages from whatever source. The award shall not include the assumption an employee would have worked overtime during the period of separation from the Sheriff's payroll. The arbitrator's decision shall be final and binding upon the Sheriff, the I.U.P.A. and the employees. The Grievance Procedure shall be the exclusive method of resolving grievances.
6. Arbitration Limitations. Only disputes involving the interpretation, application or alleged violation of a provision of this Agreement shall be subject to arbitration. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, nor shall the arbitrator impose on either party a limitation or obligation not specifically required by the express language of this Agreement.
7. Subpoenas.
 - A. The arbitrator shall have authority to subpoena witnesses pursuant to Section 2711.06, O.R.C.
 - B. When the arbitrator determines that so many employees from the same facility have been subpoenaed that it would impede the ability of the Employer to carry out its mission or inhibit the Employer's ability to conduct

an efficient operation, he shall make arrangements to take the testimony desired in such manner as will not cause these problems.

- C. Where the intent of the parties in the formation of this Agreement is determined to be relevant, no more than one (1) member of the Bargaining Committee may be called as a witness by a party.
- 8. Discovery. Five (5) days prior to the start of an arbitration hearing under this Article, the parties shall deliver the names of all witnesses to each other.
- 9. Arbitrability. The first question to be placed before the arbitrator may be whether or not the alleged grievance is arbitrable, if either party so requests. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.

Section 11.6. Disciplinary Grievances. A member with a grievance involving a suspension, demotion, or discharge shall file his grievance at the Step Two level within five (5) days of the notification of such action.

Disciplinary grievances shall be submitted to arbitration by written notice to the Sheriff within seven (7) days following the Step Two Decision.

Unless mutually agreed otherwise, arbitration involving suspension, demotions, or discharges shall be expedited to the extent possible. In the event the parties are unable to agree upon an arbitrator or the agreed arbitrator is unable to convene a hearing within sixty (60) days, the parties shall seek an alternate arbitrator by taking the last arbitrator struck from the list who can meet the scheduling requirements.

Probationary employees shall not file grievances regarding any disciplinary matter.

Disciplinary arbitration hearings will be conducted as all other arbitration except within thirty (30) days unless the parties agree otherwise of the close of the hearing, a written decision shall be issued, which shall include a statement of one (1) the granting of the grievance, or (2) a denial of the grievance, or (3) a modification of the discipline imposed, and a full explanation of the reasoning leading to the decision.

Section 11.7. Verbal and written reprimands may only be appealed to the next level of supervision.

Section 11.8. In each step of the Grievance Procedure outlined in this Article, certain specific representatives are given approval to attend the meetings therein prescribed. It is expected that, in the usual grievance, these plus the appropriate Employer representatives will be the only representatives in attendance at such meetings. However, it is understood by the parties, that in the interest of resolving grievances at the earliest possible Step of the Grievance Procedure, it may be beneficial that other representatives or witnesses not specifically designated be in attendance. Therefore, it is intended that either party may bring additional representatives or witnesses to any meeting in the Grievance Procedure, but only upon advance mutual agreement among parties

specifically designated to attend providing such additional representatives have input which may be beneficial in attempting to bring resolution to the grievance.

Member-grievant and the I.U.P.A. representative will not receive overtime pay to engage in grievance activities provided herein; however, grievance meetings at Step Two and Three shall usually be held during normal working hours.

Bargaining unit members shall have the right to I.U.P.A. representation upon request at each Step of the Grievance Procedure, other than the Preliminary Step. The I.U.P.A. shall be the exclusive representative to the member in all matters pertaining to the enforcement of any rights of the member under the provisions of this Article.

Section 11.9. Miscellaneous. The member-grievant or the I.U.P.A. representative and the Sheriff may mutually agree, at any Step, to a short time extension, but such agreements must be in writing and signed by both parties. Any Step in the Grievance Procedure may be skipped by mutual consent, written, and signed by both parties.

Approved leave with pay shall constitute an automatic time extension to the member-grievant with respect to such days. In the absence of such mutual extensions, the grievance will, at any Step where response by the Sheriff is not forthcoming within the specified time limits, automatically be considered denied and submitted to the next successive Step in the Grievance Procedure. Should the member-grievant or I.U.P.A. fail to comply with the time limits specified herein, the grievance will be considered to have been resolved in favor of the position of the Sheriff and that decision will be final.

By mutual consent, the parties may waive a hearing and submit the issue on written material only, or by mutual consent, may alter any of the procedures set forth in this Article.

ARTICLE 12 **PROBATIONARY PERIODS**

Section 12.1. Every newly hired employee will be required to successfully complete a probationary period. The probationary period for new employees shall begin on the first day for which the employee receives compensation from the Employer and shall continue for a period of one (1) year. A newly hired probationary employee may be terminated any time during his probationary period and shall have no appeal over such removal.

Section 12.2. A newly promoted or employee transferred between bargaining units will be required to successfully complete a probationary period for a newly appointed position. The probationary period for a newly promoted or employee transferred between bargaining units shall begin on the effective date of the promotion or transfer and shall continue for a period of one hundred twenty (120) calendar days. The Employer may extend the one hundred twenty (120) calendar day probationary period for one (1) additional thirty (30) calendar days on a case-by-case basis. A newly promoted or transferred employee who evidences unsatisfactory performance may be returned to his former position any time during his probationary period.

ARTICLE 13

PROMOTIONS AND TRANSFERS

Section 13.1. The parties agree that all appointments to classifications covered by this Agreement, other than original appointments, shall be filled in accordance with this Article. Provided however that temporary appointments to fill a vacancy which occurs as a result of an employee's involuntary termination or demotion which the employee is contesting pursuant to the grievance procedure of this agreement or which is the result of an employee being given a leave of absence for temporary disability, military duty or temporary duty from which position the employee may be returned to his position upon the final resolution of legal issues or where the employee has the right to return upon the expiration of his leave or temporary duty shall not be considered a permanent vacancy under the terms of this Article. Such temporary appointee shall not be required to become a member of the union or subject to the fair share fees unless such temporary appointment shall extend for longer than six (6) consecutive months.

Section 13.2. Whenever the Sheriff determines that a permanent vacancy exists a notice of such vacancy shall be posted on the employee bulletin board for five (5) days. Such notice shall include the classification title and position description. During the posting period any non-probationary employee wishing to apply for the classification shall do so by submitting a written application to the Sheriff. The Sheriff shall not be obligated to consider any employee application submitted after the end of the posting period.

Section 13.3. Nothing in this Article shall be construed to limit or prevent the Sheriff from filling or not filling a permanent vacancy. A permanent vacancy is created by the death, permanent disability, retirement, uncontested termination, demotion or promotion of an employee. No permanent vacancy within the bargaining unit shall be filled on a temporary basis for more than twenty-eight (28) work days without the permission of the transferred employee. The employee will be notified that he is temporarily placed in the position and receive his regular wage or the wage rate of the temporary position whichever is higher.

Section 13.4. Applications for the vacant classification shall be reviewed considering the following criteria: qualifications, experience, education, work record, previous job performance, disciplinary record, and physical and mental capability and completion of required certification and training programs. If two (2) or more present employees are considered by the Sheriff to be substantially equal then bargaining unit seniority shall govern as to their qualification for the classification. If none of the applicants are qualified or a non-employee applicant is better qualified, the Sheriff may fill the vacancy by awarding the vacancy to the most qualified applicant.

Section 13.5. When there are reductions in rank because of forced reduction, promoted employees shall be entitled to the rights of employees described in Article 18 regarding Lay Off and Recall.

Section 13.6. The replacement of a Bargaining Unit member promoted to a non-bargaining unit position shall be temporary until the promoted employee has completed the probationary period. When a member or employee of a Bargaining Unit is promoted to a management or fiduciary position outside the coverage of this Agreement, the promoted employee shall cease to be a member of the I.U.P.A. or entitled to the protection of the provisions of this Agreement.

Section 13.7. Recognizing the staffing limitations of the Sheriff it is agreed that the Sheriff may make temporary transfer of an employee from one classification to another classification for periods not to exceed thirty (30) consecutive days in any one (1) calendar year. Any employee so temporarily transferred shall receive his regular wage or the wage rate of the temporary position to which he is transferred which ever is higher.

ARTICLE 14
SICK LEAVE AND LEAVES OF ABSENCE

Section 14.1. Sick leave shall be earned by all full-time Bargaining Unit members at the rate of four and six-tenths (4.6) hours for each eighty (80) hours of completed service. Completed service means hours actually worked, vacation leave or holiday time but not leave of absence or lay off. Sick leave is not earned for overtime hours worked. For purposes of this section "completed service" shall mean hours of sick leave if an employee has at least a minimum balance of one hundred fifty (150) hours of earned sick leave. If an employee has less than one hundred fifty (150) hours of earned sick leave, hours of sick leave will not be included as "completed service."

Section 14.2. Bargaining unit employees will be charged for sick leave only for days or hours upon which they are otherwise scheduled to work. Sick leave shall be deducted from the employee's sick leave credit on the basis of one (1) hour for every hour of absence from scheduled work. Sick leave payment will not exceed the normally scheduled work day earnings or a maximum of eighty (80) hours per pay period.

Section 14.3. A member requesting sick leave shall complete an application form for use of sick leave. The Sheriff may require a member to furnish a certificate stating the type of the member's illness or that the member was required to care for a family member, from a licensed physician or dentist to justify the use of sick leave. Falsification of either the application for sick leave or a physician's certificate shall be grounds for dismissal.

Section 14.4. In order to qualify for sick leave pay consideration the member must notify his immediate supervisor or other designated person one (1) hour prior to the time he/she is scheduled to report to work on the day of absence, unless an emergency prohibits the one (1) hour notice.

Section 14.5. Sick leave may be granted to a member upon approval of the Sheriff for the following reasons:

1. Illness or injury of the employee or a member of the employee's immediate family which requires the attention by the employee.
2. Death of a member of the employee's immediate family up to a maximum of five (5) days unless extended with the approval of the Sheriff.
3. Medical, dental or optical examination or treatment of the employee or a member of the employee's immediate family which requires the presence of the employee and

which examination or treatment cannot be reasonably scheduled during non-work hours.

4. Exposure to a contagious disease where either the health of the employee would be jeopardized or the employee's presence on the job would jeopardize the health of others.
5. Pregnancy, childbirth and/or related conditions.
6. One (1) day for the death of aunt, uncle, current sister-in-law, or current brother-in-law.

For purposes of this Section the immediate family is defined as spouse, mother, father, brother, sister, child, grandparent, grandchild, mother-in-law, father-in-law, or legal guardian or the person who stands in the place of a parent. Examples not included as immediate family include uncles, aunts, nephews, nieces, and cousins etc.

Section 14.6. Members failing to comply with sick leave rules and regulations shall not be paid. A fraudulent application for sick leave will result in discipline up to and including dismissal and refund of wages paid.

Section 14.7. An employee may, at the end of a calendar year, elect to receive pay for up to 75% of the unused sick leave accrued during the calendar year but not so as to reduce the employee's total sick leave below 6 days at the end of the first full year of employment, 12 days at the end of 2 years of employment, and 18 days at the end of 3 years of employment and thereafter. Payment for such sick leave will be made during the month of January provided the request is made by December 31 and at the rate of pay applicable to the period during which the sick leave was accrued. Upon payment of such sick leave days, the sick leave days paid for shall be deleted from the employee's sick leave records. This provision shall not affect the requirements under Article 14, Section 9 of this contract governing the requirements for an employee to be entitled to pay for unused sick leave upon voluntary termination of employment, retirement or death. An employee may not accumulate bonus days for non-use of sick days.

Section 14.8. Members who have exhausted all sick leave credits may, at the discretion of the Sheriff be granted a leave of absence without pay for a maximum period of six (6) months. Employees utilizing sick leave that is designated FML and employees who have been granted an extended leave of absence by the Sheriff shall be required to provide periodic reports to their supervisor on their status and intent to return to work. Employees shall be required to report by phone once every 30 days.

Section 14.9.

1. A member of the Bargaining Unit who was hired by the Sheriff's Office before the effective date of this Agreement who has accumulated ten (10) or more years of service in the Sheriff's office may elect upon voluntary termination of employment, retirement or death to be paid for two-thirds (2/3) of the value of his accrued but unused and unpaid for sick leave

credit up to one hundred twenty (120) days with a maximum of nine hundred sixty (960) hours. Such payment shall be based upon the employee's rate of pay at the time of his voluntary termination of employment, retirement or death. An employee who has terminated his employment and has collected payment for accumulated sick leave shall not be paid for retirement unless such employee pays to the general funds of Hancock County an amount of money equal to his prior award for accumulated sick leave plus interest at four percent (4%) per annum same to be paid within sixty (60) days of his re-employment.

2. Sick Leave Conversion Upon Retirement — Employees hired after the effective date of this Agreement. Payment of accrued but unused sick leave will be made at the time of separation to each employee upon service retirement with the Sheriff's Office under the P.E.R.S. from active service as a public employee. Such payment shall be made only once to any employee, and the amount of such payment shall be one-fourth ($\frac{1}{4}$) of the employee's accrued but unused sick leave, up to a maximum payment of thirty (30) days or two hundred forty (240) hours. To qualify for such payment, the employee shall have had, prior to the date of retirement, ten (10) or more years of service with the County, the state, or any political subdivision of the state, and be eligible to receive P.E.R.S. benefits.

As used in this policy, "retirement" shall mean disability or service retirement under P.E.R.S.

Section 14.10. Upon proper notification to his immediate supervisor and with the approval of his immediate supervisor a member may be granted an emergency leave. Such notice shall be given at least one (1) hour if predictable in advance of the requested leave day.

Section 14.11. Emergency leave may be granted for the following reasons:

1. Mandatory court appearance before a court of law in a matter in which the member is a party or is required to appear by virtue of subpoena, excluding those where he is appearing to testify as a law enforcement officer.
2. Legal matters which could not be conducted by a member during hours other than his normally scheduled work hours.
3. Family emergencies, other than sickness or injury of a nature that requires a member's immediate attention.

Emergency leave unless charged against compensatory time may not be used to extend a member's active pay status for the purpose of accruing overtime, holidays or vacation time nor may it be used to extend a member's date of resignation or retirement.

Emergency leave shall be charged against the employee's accumulated compensatory time, or if the employee has no accumulated compensatory time, the same shall be taken without pay.

Section 14.12. Each bargaining unit member who is disabled from performing the duties of his employment with the Sheriff due to bodily injuries sustained by the member or illness contracted in the pursuit and performance of the duties of such employment shall be entitled to injury leave. The

injury or illness contracted must be sustained in the line of duty and must not have resulted from negligence, accident or misbehavior on the part of the bargaining unit member. Leave shall be for such period of time as the member is actually totally disabled by bodily injury or illness contracted, but for no longer than six (6) months from the date of the sustaining of such injury or illness. Injury leave shall be without compensation except that sick leave may be used up to the maximum of the sick leave accumulated by the member.

Section 14.13. Use of sick leave on more than four (4) separate occasions in any twelve (12) month period shall result in the first day of the fifth (5th) absence and the first day of any subsequent absences being unpaid. If an employee or a member of the employee's "immediate family," as defined in Section 14.5 herein, undergoes a system of regular treatments at a hospital, clinic, or physician's office, those treatment visits will be considered as one (1) occurrence provided, in advance of the second visit, the employer is presented a copy of the physician's statement ordering the schedule of the treatments. Sick leave used due to a death in the employee's immediate family shall not count as an occurrence. Any employee who is hospitalized shall not have such period of leave considered in determining whether the employee is abusing sick leave benefits. The implementation of this Section does not preclude the right of the Employer to discipline an employee for the abuse of sick leave, to require a statement from the employee's physician, or to have the employee examined by a physician. Use of sick leave that is designated Family and Medical Leave shall not be considered an occurrence under this Section.

An employee who has at least a minimum balance of two hundred fifty (250) hours of earned sick leave will not be subject to the fifth (5th) absence unpaid policy as established in the foregoing paragraph of this Section.

Section 14.14. The Employer may require an employee to take an examination conducted by a licensed physician or psychologist, designated by the Employer, to determine the employee's physical or mental capability to perform the essential duties of his position. If found not qualified, the employee may be placed on sick leave or leave of absence per the provisions of this Article 14. The cost of such examination shall be paid by the Employer. If the employee's physician disagrees with the opinion of the Employer's physician or psychologist, both parties to this Agreement will mutually select a third physician or psychologist whose decision shall be final and binding on the parties and the employee. The cost of the third examination shall be shared by the Employer and the employee, to the extent it is not covered by group health insurance. If the third physician or psychologist finds that the employee is physically and mentally capable of performing the essential duties of his position, the employee shall suffer no loss of pay or benefits for the time the employee was placed on sick leave or placed on leave without pay by the Employer.

ARTICLE 15 **JURY DUTY**

Section 15.1. A bargaining unit employee who is called to and reports for jury duty by the United States, the State of Ohio or political subdivision on his regularly scheduled working hours shall be compensated by the Employer for full pay for such hours of jury service. Any compensation received for jury duty service shall be submitted to the Sheriff for deposit in the appropriate fund.

Section 15.2. An employee working day shift who is released from jury duty prior to the end of his scheduled work day, shall report to work for the remaining hours. Any employee working either the afternoon or midnight shift will be required to report for duty on any day in which the employee reports for jury duty and actually serves as a juror. The employee is required to submit the certificate to the Employer prepared by the Court stating the date and time being released from such duty.

Section 15.3. In order to be eligible for payment, the employee must notify his supervisor within a reasonable time after receipt of notice of selection for jury duty, and must furnish a written statement from the appropriate court official showing the date served and the amount of pay received.

ARTICLE 16 **MILITARY LEAVE**

Section 16.1. The Employer shall grant a leave of absence, without pay, to an employee who enters active service in the Armed Forces of the United States and subsequent reemployment rights in accordance with existing law.

Section 16.2. An employee who is a member of the Ohio National Guard, the Ohio organized militia, or other reserve components of the United States Armed Forces shall be entitled to time off with pay for such time they are performing service in the uniformed services for a period not to exceed one hundred seventy-six (176) hours in any calendar year. An employee shall be required to submit a copy of his or her orders with such request for leave.

Section 16.3. Employees who are called or ordered to uniformed services for more than 176 hours within one (1) calendar year because of an executive order issued by the President of the United States, because of an order to perform duty issued by the Governor pursuant to O.R.C. Section 5919.29 or 5923.21 or an act of Congress, shall be entitled during the period designated in such order or act to a leave of absence and pay in accordance with the lesser of the difference between the employee's gross monthly wage or salary and the gross uniformed services pay and allowance for the same month or \$500.00 for each month of uniformed services.

ARTICLE 17 **FAMILY AND MEDICAL LEAVE**

Section 17.1. Eligible bargaining unit employees shall be provided Family and Medical Leave in accordance with the Employer's Family and Medical Leave Act policy currently in effect or as hereafter amended in accordance with applicable law.

ARTICLE 18 **LAYOFF AND RECALL**

Section 18.1. When the Sheriff determines that a long term layoff is necessary, he shall notify the affected members fourteen (14) days in advance of the effective date of the layoff. Members will be

notified of the Sheriff's decision to implement any short term layoff, lasting seventy-two (72) hours or less, as soon as possible.

Section 18.2. The Sheriff shall determine when layoffs will occur based on lack of work or lack of funds within the Sheriff's Office. Seniority for purposes of layoff shall accrue to all employees of the bargaining unit. The Sheriff shall determine in which classification(s) layoffs will occur. Within each classification affected, employees will be laid off in order of their classification seniority beginning with the least senior and progressing to the most senior up to the number of employees to be laid off.

Section 18.3. An employee who is laid off may use his seniority within the Sheriff's Office to bump an employee in a lesser classification with less seniority, provided he is able to immediately perform the work and has completed the required certification. Bumping shall be permitted as follows:

A. A senior Corrections Sergeant may bump a less senior Corrections Officer.

An employee bumping into another classification shall be paid at the rate for that classification. No employee shall use his seniority to replace an employee in a higher classification. The right to bump into another classification is limited to twenty-four (24) hours after receiving notice of layoff.

Section 18.4. Sheriff's office seniority is the total length of service within the Sheriff's office in any full-time job capacity.

Section 18.5. Classification seniority is the total length of service within the employee's classification.

Section 18.6. Members who are laid off shall be placed on a recall list for a period of two (2) years. If there is a recall, members who are still on the recall list shall be recalled in the inverse order of their layoff, provided they are qualified to perform the work in the job classification to which they are recalled.

Section 18.7. Notice of recall from a long term layoff shall be sent to the members by certified or registered mail with a copy to the I.U.P.A. The Sheriff shall be deemed to have fulfilled his obligation by mailing the recall notices as above provided to the last mailing address provided by the member.

Section 18.8. In the case of long-term layoff, the recalled member shall have ten (10) calendar days following the date of mailing of the recall notice to notify the Sheriff of his or her intention to return to work and shall within five (5) days thereafter report for duty unless a different date is otherwise agreed to by the Sheriff.

Section 18.9. When the necessity for layoffs occur, and layoffs occur within the bargaining units as stated within this Agreement, it is agreed that the Sheriff will not utilize any special Deputies, auxiliary Deputies or any other paid or volunteer persons to execute the duties of the laid off bargaining units members on a non-emergency basis.

Section 18.10. The parties agree that the layoff and recall provisions of Article 18 specifically supersede the provisions of R.C. 124.321 through 124.328 as they apply to bargaining unit employees.

ARTICLE 19
VACATION

Section 19.1. All full-time bargaining unit employees shall be entitled to vacation leave as follows:

No vacation leave shall be carried for more than three (3) years.

Section 19.2. Bargaining unit employees shall follow the following procedure for the scheduling of vacation time. The Employer shall distribute a vacation calendar in each division during the month of January of each year. Employees may request, prior to January 31, the dates for the vacation period (February 1 through January 31) on which they prefer to use their accumulated vacation. Such requests shall begin with the most senior employee and shall be honored on the basis of the employee's seniority with the Employer.

Open vacation requests of one (1) week or more will be posted on the bulletin board in the division where the employee is working as soon as practicable after the vacation request is open. The posting period will be for seventy-two (72) hours. At the end of the posting period the open vacation will be awarded to the senior employee requesting the vacation, subject to the limitations in Section 19.3.

Employees will not be permitted to trade vacation time periods.

Employees may request to cancel vacation and those requests will be granted or denied on a case-by-case basis based on operational needs.

Section 19.3. Only one (1) Corrections Sergeants will be permitted vacation leave during the same time period. Additional employees may be granted vacation leave if authorized by the Employer.

Section 19.4. Vacation shall not be granted in increments of time that are less than eight (8) hours duration. All vacation requests are subject to the approval of the Employer. Any requested vacation

is subject to denial if it affects the ability of the Sheriff's office to perform its workload requirements.

Section 19.5. An employee may, at the end of a calendar year, elect to receive payment for up to 2/3 of the unused vacation leave accrued during that calendar year. Payment for such vacation time shall be paid within 30 days of the employee's request and at the rate of pay applicable to the period during which the vacation leave was accrued. Upon payment for such vacation leave days, the vacation leave days shall be deleted from the employee's vacation leave record. This provision shall not affect Article 19, Section 6 of this Agreement governing the requirement for an employee to be entitled to pay for unused vacation leave accrued at the time of separation from employment. Payment for up to 2/3 of the unused vacation leave accrued during the calendar year means: (vacation leave accrued during the calendar year minus total amount of vacation used during the calendar year times (x) (up to) .6666 equals payment).

Payment will be made during the month of January provided the request is made by December 31.

Section 19.6. the option of taking the eight (8) hours off as compensatory time in lieu of the additional eight (8) hours straight time pay for these seven (7) holidays.

Section 20.2. If a holiday occurs during an approved period of paid sick leave or vacation leave the employee will draw normal pay for that holiday and will not be charged for sick or vacation leave for said day. - F. Facts or circumstances developed in the course of an authorized investigation of an accident or unsafe working practice.

A bargaining unit employee may of the employee's own volition, even if not ordered to do so, undergo a drug and/or alcohol screening test if the employee is involved in an on-duty incident or accident involving bodily injury, extensive property damage, or death. Testing done under these circumstances will be treated in the same manner as if the employee had been ordered to undergo screening.

Section 29.2. All drug screening tests shall be conducted by medical laboratories certified by the Department of Health and Human Services or certified by a DHHS recognized certification program. No test shall be considered positive until it has been confirmed by a gas Chromatography/Mass Spectrometry full scan test or its equivalent. using the approved protocol methods. The employee shall provide a signed release for disclosure of the testing results. Refusal to submit to the testing provided for under this Agreement may be grounds for discipline.

- B. The Employer may suspend the employee without loss of pay before the time the confirmatory test results are complete. If the screening test and confirmatory test are positive, the Employer may discipline the employee. The use of illicit substances, on or off duty, will ordinarily result in termination. The improper use of prescription drugs and/or alcohol may result in a lesser discipline, depending upon the relevant circumstances.

Section 29.5.

1. If a drug screening test is positive, the employee may, upon written request have the split sample retested by a DHHS certified laboratory. This request shall be presented within seventy-two (72) hours upon being notified of a positive result.
2. In the event the retested split sample confirms the results of the first test, the Employer may proceed with the sanctions as set forth in this Article.
3. In the event that the retested split sample contradicts the result of the first test, the retested split sample result is determined to be the final result. The results of this test, if positive, shall allow the Employer to proceed with sanctions as set forth in this Article. If the results are negative, the employee shall be given the benefit of the doubt and no sanctions shall be imposed.

Section 29.6. The name of the testing laboratory shall be maintained by the Employer. This laboratory shall conduct any testing directed by the Employer.

The Employer may require the employee to participate in any rehabilitation or detoxification program that is covered by the employee's health insurance. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick time, compensatory days, and vacation leave for a period of the rehabilitation or detoxification program. If no such leave credits are available, the employee may be placed on medical leave of absence without pay for the period of the rehabilitation or detoxification program. Upon completion of such program, and upon receiving results from a retest demonstrating that the employee is no longer abusing a controlled substance, the employee may be returned to his former position. Such employee may be subject to periodic retesting upon returning to the employee's position for a period of one (1) year from the date of the employee's return to work. Any employee in a rehabilitation or detoxification program in accordance with this Article will not lose any seniority or benefits, should it be necessary for the employee to be placed on medical leave of absence without pay for a period not to exceed ninety (90) days.

Section 29.8. If the employee refuses to undergo rehabilitation or detoxification, or if the employee tests positive during a retesting within one (1) year after return to work from such a program, the employee shall be subject to disciplinary action up to and including termination of his employment.

The employee may be subject to retesting up to four (4) times during the one (1) year following return to work.

Section 29.9. Costs of all drug screening tests and confirmatory tests shall be borne by the Employer except that any test initiated at the request of the employee shall be at the employee's expense.

An employee found temporarily unfit for duty due to chemical dependency, and who is under treatment for chemical dependency in a program approved by the Employer, shall be treated as are those similarly situated (sick leave, leave of absence, use of compensatory time). Once the employee successfully completes rehabilitation and is fit for duty the employee shall be returned to his or her regular duty assignment. The Employer may require the employee to submit to a physical or mental examination, including drug testing, prior to his or her return to regular duty. The employee may also be retested up to four (4) times during the year following return to regular duty.

APPENDIX A
FAIR SHARE FEE DEDUCTIONS

1. Any employee who is not a member of the Union and who pays fees to the Union pursuant to the Union Security provision in the Local's collective bargaining agreement (hereinafter referred to as a "Financial Core Payer"), will have the right to object to expenditures of his or her fees for activities which are not reasonably related to collective bargaining, contract negotiations, grievance adjustment, or undertaken to advance the employment-related interests of employees represented by the Union. For purposes of this Plan, such activities will be referred to as "non-chargeable activities." The fees paid by a financial core payer who perfects an objection under the procedures set forth below will be reduced by an amount reflecting the portion of the overall expenditures of the Union that are used for non-chargeable activities.

2. Before the beginning of the calendar year, (or at the end of the most recent accounting period*) the Treasurer will calculate the reduction to which any objector will be entitled, based on the expenditures of the Union for the previous year (or most available accounting period). The calculations will be made as follows: The Treasurer will determine the Union's total operating expenditures for all purposes during the preceding fiscal year (or most recent available accounting period), and the total expenditures made for activities which are chargeable to objectors. The Treasurer will then calculate the percentage of chargeable expenditures by dividing the chargeable amount by the total expenditures made for activities which are chargeable to objectors. The Treasurer will then calculate the percentage of chargeable expenditures by dividing the chargeable amount by the total expenditures for the year (or most recent available accounting period), and will apply that percentage to the fair share fees to determine the reduction to which the objectors will be entitled. These calculations will be verified by an independent auditor.

* For the first year that this Plan is in effect, Union expenditures during the previous month(s) will be used in order to compile the financial information in a more expeditious manner. This will be referred to as the most recent available accounting period.

3. To register for a reduction, the financial core payer objector must file an objection (request) in accordance with the provisions of this Plan.
 - a. Objections (requests for adjustment in fees) must be made annually and will be effective for a single calendar year (January 1-December 31) based upon the Union's expenditures for the previous calendar year (or the most recent available accounting period). Each financial core payer who wishes to file an objection (request for adjustment in fees) must do so in writing, addressed to the Treasurer at the Union's office. In registering their objections, objectors must state their name and address and that they pay fair fees to the Union. Objections (requests for adjustment) must be postmarked during the month of December preceding the calendar year for which the objection (adjustments) will be in effect, or during the first thirty (30) days after the

financial core payer commences paying fees as required by the Union's bargaining Agreement. Unless objections (request for adjustments) are postmarked during the "window" period described above, there will be no reduction in fees for that year. Objections must be renewed annually, during the month of December; and, can only be made on an individual basis. No group objections will be considered.

- b. An annual notice of the procedure for filing an objection will be given to financial core payers in November of each year along with a statement of the percentage of expenditures, in the most recent available accounting period, which were made for chargeable and non-chargeable activities. The Union will also notify any new financial core payers of this Plan and provide a statement of the percentage of the expenditures, in the most recent available accounting period, which were made for chargeable and non-chargeable activities upon the individual becoming a financial core payer.
 - c. During the course of the year, objectors will be expected to remit the full amount of fair share fees charged by the Union. However, as early in the calendar year as possible (or as soon as possible after a non-member newly employed in the bargaining unit files his or her objection), each individual who perfects a timely objection (requests for reduction) will receive a check from the Union, reflecting the reduction in the fair share fee to which he or she will be entitled for the twelve (12) month period (or the period remaining in the calendar year).
 - i. All reduction checks will be sent by first call mail, and will be accompanied by an explanation of how the amount was determined and an explanation of the appeal procedure.
4. An objector who disagrees with the proportional allocation made by the Union, in the belief that it does not accurately reflect the union's expenditures on chargeable activities, will, upon written request made within thirty (30) days of receipt of the notice referred to in paragraph 3b above, be provided a full explanation of the basis for the reduced fee charged to them and the independent accountant's report; and, may appeal the Union's determination to an impartial arbitrator mutually selected by the objector(s) and the Union. In the event the objector(s) and the Union cannot agree, the arbitrator shall be appointed the American Arbitration Association (AAA) through its Rules for Impartial Determination of Union Fees.
- a. The appeal must be made in writing and must be received in the office of the Treasurer within thirty (30) days of the date on which the objector receives the notice referred to in paragraph 3b or the information referred to in paragraph 4 above.
 - b. The appeal must specify the portion of the fee in dispute and the reason(s) for the dispute.
 - c. While the appeal is pending, the Union will hold in an interest bearing escrow the fair share fees paid by all objectors who receive a reduction from the Union to insure that the portion of the fee reasonable in dispute will not be expended during the appeal

procedure. In the event that the impartial arbitrator determines that objectors are entitled to a greater reduction in their fee payments than that calculated by the Treasurer, additional checks will be issued by the Treasurer at the close of the appeal procedure to all of the Union's objectors for the balance of the reduction due, as determined by the arbitrator.

- d. All such appeals will be consolidated and heard as soon as the arbitration can be scheduled. The presentation to the arbitrator will either be in writing, or at a hearing if requested by any objector(s). If a hearing is held, any objector who does not wish to attend may submit his or her views in writing by the date of the hearing. If a hearing is requested, the arbitrator will set a date by which all written submissions will be received, and will decide the case based on the records submitted. The Union will bear the burden of justifying its calculations.
- e. The cost of the arbitrator's services and the cost of any proceedings before the arbitrator will be borne by the Union. Individually-incurred costs will be borne by the party incurring them.
- f. The decision of the impartial arbitrator will be final and binding.
