ARTICLE 9 - GRIEVANCE PROCEDURE

9.01 PURPOSE

The purpose of the following grievance procedure shall be to settle equitably at the lowest possible administrative level issues which may arise with respect to specific claims of violation, misapplication or misinterpretation of the terms of this Agreement. Both parties agree that these proceedings shall be kept confidential.

9.02 DEFINITIONS

9.0201 "Days" refers to week days - Monday through Friday except for holidays.

9.0202 "Grievance Classifications" - The three (3) recognized types of grievances are as follows:

- A. Individual Grievance - Those affecting one (1) member of the bargaining unit;
- B. Group Grievance - Those affecting two (2) or more members of the bargaining unit;
- C. Association Grievance - Those affecting rights guaranteed to the Association by the contract.

9.03 PRINCIPLES, STRUCTURE

9.0301 Nothing herein shall be construed to prevent any individual member of the bargaining unit from presenting a grievance and having the grievance adjusted without the intervention of the Association provided the Association is given the opportunity to be present at the grievance conference and the adjustment is not inconsistent with the terms of any agreement between the Board and the Association.

9.0302 The number of days indicated at each level below should be considered as a maximum and every effort should be made to expedite the process. Time limits may be extended by mutual consent.

9.04 PROCEDURES

9.0401 Level One

A member of the bargaining unit shall initiate the grievance procedure by requesting a meeting with his/her supervisor most directly concerned with the grievance. The grievant may be accompanied by a representative of his

choice who shall be an employee of the district. If the employee wishes to be represented at this initial meeting; he shall give the supervisor one (1) day's advance notice of that fact. If the grievant is represented, the supervisor may likewise have an observer present at the hearing who shall be an employee of the district. At no time during Level One shall the number of supervisors/administrators and/or representatives be more than the number of grievants and/or representatives present. At this meeting the grievant and the supervisor shall thoroughly discuss the problem in an effort to resolve the grievance.

9.0402 Level Two

- A. In the event that Level One is unsuccessful, the member of the bargaining unit may file a formal grievance on forms supplied by the Association. The grievant shall include an alleged specific violation, misinterpretation or misapplication as described in Section A of this procedure. Association Grievances - those affecting the Association as a whole - will be initiated at Level Two.
- B. Four (4) copies of the form shall be filed: one (1) copy to the grievant; one (1) for the Association; one (1) for the immediate supervisor; and one (1) for the superintendent or designee. This form shall not be placed in the grievant's personnel file. A grievant shall have not more than twenty (20) days after the occurrence of the event giving rise to a grievance, unless mutually agreed otherwise, to file a written grievance as provided in this paragraph. Failure to file within the twenty (20) day period constitutes a waiver of the grievance. In the event that the grievant is not satisfied with the disposition of his/her complaint at Level One, or in the event no decision has been rendered within ten (10) days after presentation of the complaint, the Association may, within five (5) days, notify the superintendent, of its intent to appeal the grievance stating the grounds for such appeal.
- C. Within seven (7) days of receipt of the written grievance by the superintendent, the superintendent or designee shall meet with the aggrieved person and a maximum of two (2) representatives of the aggrieved person's choice and a maximum of three (3) representatives of the superintendent's choice to resolve the grievance. At no time shall more than six (6) people plus the person designated to conduct the hearing be present at this level. The decision by the superintendent or his designee shall be

rendered in writing to the grievant and president of the Association within seven (7) days of the hearing date.

9.0403 Level Three

- A. If the grievance is not settled at Level Two, it may be appealed to the Board by filing a notice of appeal with the superintendent or designee stating the grounds for the appeal within seven (7) days. The superintendent or designee shall notify the grievant within five (5) days of the receipt of notification of date, time and location where such appeal will be heard. If the Board determines that it does not wish to hear the grievance, it shall give notice of this fact to the grievant who shall then be entitled to appeal directly to Level Four. In the event the Board elects to hear the grievance, the hearing shall be within fifteen (15) days of the receipt of the notice of appeal unless mutually agreed otherwise. At this level, both the grievant and the Board have the option of representation of their choice.

- B. In the event that the Board hears the grievance, its written decision shall be transmitted in duplicate by certified mail to the President of the Association and the grievant within seven (7) days following the termination of the hearing.

9.0404 Level Four

If a grievance has not been resolved by the Board's decision or not heard by the Board, the grievance may be submitted to FMCS mediation with mutual agreement. Notice requesting mutual agreement shall be served in writing to the Superintendent within five (5) work days after the Level Three (3) answer has been received.

The Federal Mediation and Conciliation Service shall be requested to appoint one of its Mediators to conduct a mediation conference within twenty (20) days. The mediation conference will be scheduled at the earliest date that the Mediator, the parties and their representatives are available. The mediation conference shall be conducted informally. No record of the conference will be made and everything said at the mediation conference by the parties and their representatives will be regarded as settlement discussion.

9.0405 Level Five - Arbitration

- A. If the grievance has not been resolved at the FMCS grievance mediation level within twenty (20) days of the request, or if the Board declines to submit the grievance to FMCS mediation, the Union may seek resolution through arbitration. Within five (5) days after the written decision has been received by the grievant, the grievant, by written request to the superintendent or designee, shall serve notice of his/her desire to appeal the decision to arbitration. The representatives of the Board and grievant shall select an arbitrator. In the event the representatives of the grievant and the Board cannot agree on an arbitrator within ten (10) days, the procedures provided by the American Arbitration Association for selecting an arbitrator shall be utilized. The decision of the arbitrator shall be final and binding on the Board, the grievant and the Association. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her. The arbitrator shall have no power to add to, subtract from, or change, modify or amend any of the terms and provisions of this agreement or any other written agreements between the Board and Association.
- B. At the arbitration level, the grievant and the Board have the option of representation of their choice.
- C. Each party shall pay the entire cost of its respective representatives. The party against whom the arbitrator rules will pay the entire cost of the arbitration including the fee of the arbitrator.

ARTICLE 10 - SERS CONTRIBUTIONS TREATED AS ANNUITY

- 10.01 Annuitize each member's total contribution to SERS by deducting that amount before each member is paid, effective January 1, 1984. The amount of the employee's income reported by the Board as subject to federal and state income tax shall be the employees total gross income reduced by the then current percentage amount of the employee's mandatory SERS contribution. No employee's total salary shall be increased by such "pick-up", nor shall the Board's total contribution to the SERS be increased thereby. In the event that a majority of the support personnel no longer desire this "pick-up" plan or if there is an adverse determination from the Board's legal advisor or the

IRS affecting the qualifying status of this plan, this "pick- up" provision shall be null and void.

- 10.02 This plan will be in effect provided there is no increased cost to the Board, except administrative costs necessary to implement the program and employees assume liability if not acceptable to IRS. The Board is in no way liable to employees as result of implementation of this program.

The committee will elect a chair and establish its ground rules. The committee will consist of two (2) OAPSE representatives, three (3) representative of the Board and three (3) other employees from other collective bargaining unit(s). OAPSE may have an additional member as an observer in all committee meetings and deliberations, and may invite a consultant of its choice to attend committee meetings. Whether to join a consortium, to self-fund insurance and/or the like are decisions for the Board's sole discretion. Prior to May 1, 2014, the insurance committee will proceed to investigate and recommend a secondary insurance offering, like AFLAC. - 15.01 The number of people affected by a reduction in force will be kept to a minimum by not replacing employees who resign or retire insofar as practical.
- 15.02 When it becomes necessary to suspend an employee's contract as a result of a reduction in force, affected employees shall be laid off according to seniority within the bargaining unit with the least senior employee laid off first. Each employee to be laid off shall be given a written notice of that fact at least seven (7) days prior to the effective date of the layoff.

Within seven (7) calendar days after this notice is mailed to the employee, the employee shall respond to the Board of Education advising as to whether or not the employee accepts the offered position. Employees who indicate they do not accept the offered position shall be removed from the list. If the employee fails to respond to the mailed notice within seven (7) calendar days of the posting of the notice, his or her name shall be removed from the recall list and his/her employment shall be ended.

The maximum number of severance days shall be one-quarter (1/4) of the employee's accumulation to a maximum of sixty-four (64) days beginning with the 2004-2005 school year.
